Item 5. Interest in Securities of the Issuer.

(a - b) The following table sets forth the aggregate number and percentage of shares of Class A Common Stock and Class B Common Stock owned individually by each member of the Group as of February 21, 2011. Holders of Class B Common Stock may exchange their shares of Class B Common Stock into Class A Common Stock at any time and therefore, each share of Class B Common Stock represents beneficial ownership of one share of Class A Common Stock. Except as noted, each person has sole power to vote or direct the vote and to dispose or direct the disposition of all of the shares set forth below and no other person is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, such securities. By virtue of the Stockholders Agreement dated April 19, 2005, by and among David D. Smith, Frederick G. Smith, J. Duncan Smith and Robert E. Smith (the Stockholders Agreement), each member of the Group is required to vote all of his Class A Common Stock and Class B Common Stock in favor of the other members of the Group to cause their election as directors. Each member may be deemed to beneficially own the shares of Common Stock individually owned by the other members. Nevertheless, each member of the group disclaims beneficial ownership of the shares owned by the other members of the group.
