\*\* Estimated expenses are presently not known and cannot be estimated.

**Item 15. Indemnification of Directors and Officers.**

*Cintas Corporation*

Washington Business Corporation Act ( WBCA ), Section 23B.08.510, allows indemnification by Cintas Corporation to any person made or threatened to be made a party to any proceedings, other than a proceeding by or in the right of Cintas Corporation, by reason of the fact that he is or was a director, officer, employee or agent of Cintas Corporation, against expenses, including judgments and fines, if he acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of Cintas Corporation and, with respect to criminal actions, in which he had no reasonable cause to believe that his conduct was unlawful. The WBCA provides that Cintas Corporation may not indemnify a director in connection with a proceeding in which a director was adjudged to be liable to the corporation or in connection with any other proceeding charging improper personal benefit to the director, whether or not involving action in the director's official capacity, in which the director was adjudged liable on the basis that personal benefit was improperly received by the director. Indemnification in connection with a proceeding by or in the right of the corporation is limited to reasonable expenses incurred in connection with the proceeding. Indemnifications are to be made by a majority vote of a quorum of disinterested directors; if a quorum of disinterested directors cannot be obtained, by a committee of at least two disinterested directors designated by the board of directors; by the written opinion of independent counsel; or by the shareholders, except that shares owned by or voted under the control of the directors who are at the time parties to the proceeding may not be voted.

## Edgar Filing: CINTAS CORP - Form POSASR

Article V of Cintas Corporation's Bylaws provides that indemnification shall be extended to any of the persons described above to the full extent permitted by the Washington Business Corporation Act.

Cintas Corporation also maintains, at its expense, directors and officers liability insurance which covers all of Cintas Corporation's directors and officers and directors and officers of subsidiaries of Cintas Corporation, including Cintas Corporation No. 2, Cintas Corporation No. 3, Cintas Corp. No. 8, Inc., Cintas Corp. No. 15, Inc., Cintas Corporate Services, Inc. and Cintas RUS, LP. Cintas Corporation also has entered into indemnification agreements with its officers and directors providing for indemnification against certain liabilities to the fullest extent permitted under Washington law.

*Cintas Corporation No. 2, Cintas Corporation No. 3, Cintas Corp. No. 8, Inc. and, Cintas Corp. No. 15, Inc. (the Nevada Registrants )*

Each of the Nevada Registrants is organized under the laws of the State of Nevada. The Nevada General Corporation Law (the NGCL ) authorizes Nevada corporations to indemnify any person who was or is a party to any proceeding (other than an action by, or in the right of, the corporation), by reason of the fact that he is or

was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or other entity, against liability reasonably incurred in connection with such proceeding, including any appeal thereof, if he acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. In the case of an action by or on behalf of a corporation, indemnification may not be made if the person seeking indemnification is adjudged liable, unless the court in which such action was brought determines such person is fairly and reasonably entitled to indemnification. Any discretionary indemnification, unless ordered by a court, may be made by the corporation only as authorized by the stockholders, or by a majority vote of a quorum of disinterested directors, or if a majority vote of a quorum of disinterested directors so orders or cannot be obtained, indemnification is to be authorized by independent legal counsel in a written opinion.

The indemnification provisions of the NGCL require indemnification if a director, officer, employee or agent has been successful on the merits or otherwise in defense of any action, suit or proceeding to which he was a party by reason of the fact that he is or was a director, officer, employee or agent of the corporation. The indemnification authorized under the NGCL is not exclusive and is in addition to any other rights granted to officers and directors under the Articles of Incorporation or By-laws of a corporation or any agreement between officers and directors and the corporation. A corporation may purchase and maintain insurance or furnish similar protection on behalf of any officer, director, employee or agent against any liability asserted against the officer, director, employee or agent and liability and expenses incurred by the officer, director, employee or agent in such capacity, or arising out of his status as such, whether or not the corporation would have the power to indemnify him against such liability under the NGCL.

*Cintas RUS, L.P.*

The indemnification provided under the NGCL to directors, officers, employees or agents of Cintas Corp. No. 8, Inc., the general partner of Cintas RUS, L.P., extends to situations where any such person was serving at the request of the corporation as a director, officer, employee or agent of another corporation or other entity, including Cintas RUS, L.P. The indemnification provisions applicable to the directors, officers, employees and agents of Cintas Corp. No. 8, Inc. are discussed above.

*Cintas Corporate Services, Inc.*

Cintas Corporate Services, Inc. is organized under the laws of the State of Ohio. Under the Ohio Revised Code (the "ORC"), Ohio corporations are authorized to indemnify directors, officers, employees and agents within prescribed limits and must indemnify them under certain circumstances. The ORC does not provide statutory authorization for a corporation to indemnify directors, officers, employees and agents for settlements, fines or judgments in the context of derivative suits. However, it provides that directors (but not officers, employees or agents) are entitled to mandatory advancement of expenses, including attorneys' fees, incurred in defending any action, including derivative actions, brought against the director, provided that the director agrees to cooperate with the corporation concerning the matter and to repay the amount advanced if it is proved by clear and convincing evidence that the director's act or failure to act was done with deliberate intent to cause injury to the corporation or with reckless disregard for the corporation's best interests.

The ORC does not authorize payment of judgments to a director, officer, employee or agent after a finding of negligence or misconduct in a derivative suit absent a court order. Indemnification is permitted, however, to the extent such person succeeds on the merits. In all other cases, if a director, officer, employee or agent acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, indemnification is discretionary except as otherwise provided by a corporation's articles, code of regulations or by contract except with respect to the advancement of expenses of directors.

## Edgar Filing: CINTAS CORP - Form POSASR

Under the ORC, a director is not liable for monetary damages unless it is proved by clear and convincing evidence that his or her action or failure to act was undertaken with deliberate intent to cause injury to the corporation or with reckless disregard for the best interests of the corporation. There is, however, no comparable provision limiting the liability of officers, employees or agents of a corporation. The statutory right to indemnification is not exclusive in Ohio, and Ohio corporations may, among other things, procure insurance for such persons.

**Item 17. Undertakings.**

The undersigned registrant hereby undertakes:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

## Edgar Filing: CINTAS CORP - Form POSASR

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

II-3

---

## Edgar Filing: CINTAS CORP - Form POSASR

provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this registration statement.

2. That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

4. That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be a part of and included in the registration statement as of the earlier date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is a part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

5. That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

Edgar Filing: CINTAS CORP - Form POSASR

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
