Item 1.01. Entry Into a Material Definitive Agreement.

On August 8, 2013, Proofpoint, Inc. (Proofpoint) entered into an Agreement and Plan of Merger (the Merger Agreement) with Armorize Technologies, Inc., a Delaware corporation and provider of real-time dynamic detection technology for next-generation threats and malware (Armorize), Albany Acquisition Corp., a Delaware corporation and wholly-owned subsidiary of Proofpoint, and James C. Sha, solely in his capacity as the Effective Time Holders Agent, pursuant to which, subject to customary closing conditions contained in the Merger Agreement, Armorize will become a wholly-owned subsidiary of Proofpoint upon consummation of the acquisition (the Merger).

Pursuant to the terms of the Merger Agreement and subject to the conditions thereof, Proofpoint will acquire all of the issued and outstanding shares of Armorize capital stock, and all outstanding options to purchase Armorize Common Stock, whether vested or unvested, will be cancelled and converted into the right to receive the excess, if any, of the per share merger consideration in respect of Armorize Common Stock over the exercise price of such option, less applicable withholding taxes, for an aggregate purchase price of approximately \$25.0 million in cash, with approximately 15% of the merger consideration (based on Armorize s working capital at closing) being placed in escrow to secure indemnification obligations.

The Merger is subject to customary closing conditions and is expected to close in the third quarter of 2013.
