**Item 1.01. Entry into a Material Definitive Agreement**

*Share Redemption Agreement*

On October 7, 2013, Seagate Technology plc (the **Company**) and Samsung Electronics Co., Ltd., a company organized under the laws of the Republic of Korea ( **Samsung** ), entered into a Share Redemption Agreement (the **Share Redemption Agreement**) pursuant to which the Company will repurchase 32,700,000 Ordinary Shares of the Company (the **Shares**) by way of redemption from Samsung at a price of \$46.03 per share, for a total purchase price of \$1,505,181,000 (the **Redemption Price**). A copy of the press release announcing the entry into the Share Redemption Agreement is attached hereto as Exhibit 99.1. The Shares represent approximately 9.1% of the Company's total Ordinary Shares outstanding.

The transactions contemplated by the Share Redemption Agreement (the **Share Redemption Transaction**) are expected to be consummated on October 7, 2013 and no later than October 18, 2013, subject to the absence of any legal restraints prohibiting or preventing the consummation of the Share Redemption Transaction. Upon the closing of the Share Redemption Transaction, Samsung shall receive the Redemption Price payable in cash by the Company in exchange for the redemption of the Shares of Samsung. The Shares will be cancelled immediately following the Share Redemption Transaction. The Share Redemption Transaction is part of the Company's previously announced share repurchase program.

The description of the Share Redemption Agreement above is qualified in its entirety by the Share Redemption Agreement, filed as Exhibit 10.1 to this Current Report on Form 8-K, which is incorporated herein by reference.

*Amendment and Termination of Shareholder Agreement*

In connection with the entry into the Share Redemption Agreement, the Company and Samsung entered into an Amendment and Termination Agreement (the **Amendment and Termination Agreement**) amending and terminating the previously disclosed Shareholder Agreement, dated April 19, 2011 (the **Shareholder Agreement**), between the Company and Samsung. Effective upon the closing of the Share Redemption Transaction, Samsung's right to appoint one representative to the Company's Board of Directors (the **Board**) so long as Samsung and its affiliates continued to beneficially own at least 7% of the Company's outstanding Ordinary Shares shall terminate. Further, the Shareholder Agreement shall terminate with respect to other material provisions, including but not limited to, certain transfer restrictions, standstill provisions and voting provisions. The registration provisions of the Shareholder Agreement remain in full force and effect, however, the date by which the Company is obligated to file a registration statement to register the remaining Ordinary Shares beneficially owned by Samsung is amended to be November 8, 2013, to the extent not prohibited by any applicable law and subject to postponement in the event of a Material Pending Event (as defined in the Shareholder Agreement). Notwithstanding the termination of Samsung's right to appoint a representative to the Board, there is no change to the Board's recommendation that Dr. Seh-Woong Jeong be re-elected to the Board at the Company's 2013 Annual General Meeting of Shareholders.

The description of the Amendment and Termination Agreement above is qualified in its entirety by the Amendment and Termination Agreement, filed as Exhibit 10.2 to this Current Report on Form 8-K, which is incorporated herein by reference.
