Edgar Filing: NGL Energy Partners LP - Form 8-K/A

This Current Report on Form 8-K/A amends and supplements the Current Report on Form 8-K of NGL Energy Partners LP (*NGL*) filed with the Securities and Exchange Commission on April 2, 2015. This amendment is filed to correct certain clerical errors related to the vesting dates of certain equity-based compensation awards granted to named executive officers. In addition, on April 17, 2015, the Compensation Committee (the *Committee*) of the Board of Directors of NGL Energy Holdings LLC (the *General Partner*) of NGL changed the period over which performance would be measured for certain of the awards.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) On March 30, 2015, the Committee approved grants of unvested common units pursuant to the General Partner's long-term incentive plan to certain of the named executive officers of the General Partner. The Committee granted awards for which units vest at specified dates, contingent only on the continued service of the recipient through the service date (the *Service Awards*). The Committee also granted awards that are contingent both on the continued service of the recipients through the vesting date and on the performance of NGL's common units relative to the performance of other entities in the Alerian MLP Index (the *Index*) over specified periods of time (the *Performance Awards*).

The Service Awards granted in March 2015 to each named executive officer and their vesting dates are summarized below:

Name	Number of Awards by Vesting Date				Total
	March 31, 2015	July 1, 2015	July 1, 2016	July 1, 2017	
Atanas H. Atanasov	10,000	2,000	2,000	10,000	24,000
James J. Burke	10,000	5,000	5,000	5,000	25,000
Shawn W. Coady		15,000	15,000	15,000	45,000

Prior to March 2015, certain of these officers had unvested awards from prior grants. The total number of unvested Service Awards and their vesting dates, including both the March 2015 grants and prior grants, are summarized below:

Name	Number of Awards by Vesting Date				Total
	March 31, 2015	July 1, 2015	July 1, 2016	July 1, 2017	
Atanas H. Atanasov	10,000	12,000	12,000	12,000	46,000
James J. Burke	10,000	15,000	15,000	15,000	55,000
Shawn W. Coady		15,000	15,000	15,000	45,000

Edgar Filing: NGL Energy Partners LP - Form 8-K/A

The Performance Award units vest in three tranches, on July 1, 2015, July 1, 2016, and July 1, 2017. The number of Performance Award units that will vest is contingent on the performance of NGL's common units relative to the performance of the other entities in the Index. Performance will be calculated based on the return on NGL's common units (including changes in the market price of the common units and distributions paid during the performance period) relative to the returns on the common units of the other entities in the Index. Performance will be measured over the following periods (as determined by the Compensation Committee on April 17, 2015):

Vesting Date of Tranche	Performance Period for Tranche
July 1, 2015	July 1, 2012 through June 30, 2015
July 1, 2016	July 1, 2013 through June 30, 2016
July 1, 2017	July 1, 2014 through June 30, 2017

For each tranche, the Performance Award units that will vest for each officer will range from 0% - 200% of the number of Service Award units held by the officer that vest on the same date. The percentage of the Performance Award units that will vest will depend on the percentage of entities in the Index that NGL outperforms, as summarized in the table below:

Percentage of Entities in the Index that NGL Outperforms	Percentage of Performance Award to Vest
Less than 50%	0%
50% - 75%	50% - 100%
75% - 100%	100% - 200%
