Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.*Approval of Amended and Restated 2004 Incentive Plan*

On June 24, 2015, Ciber, Inc. (the Company) held its 2015 Annual Meeting of Shareholders (the Annual Meeting). At the Annual Meeting, the Company's shareholders approved the Ciber, Inc. Amended and Restated 2004 Incentive Plan (the Plan). The Plan was amended to provide flexibility to grant awards under the Plan that are intended to qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code (Section 162(m)). The Plan provides for the grant of non-qualified and incentive stock options, restricted stock, stock appreciation rights, restricted stock units, dividend equivalent rights, other share-based awards, and performance-based awards, whether in cash or equity that are intended to qualify under Section 162(m). The Plan was also amended to improve the Company's compensation program and implement other best practices, including, among other things, eliminating share recycling for shares that are used to pay the exercise price in a cashless exercise of stock options; precluding the payment of dividends or dividend equivalents payable on full-value restricted stock, restricted stock units or other share-based awards that vest on attainment conditions unless until the underlying awards vest; providing for minimum vesting requirements to awards granted under the Plan; expanding stock option and stock appreciation right repricing prohibitions; clarifying certain award limits under the Plan; and eliminating the automatic expiration of the Plan upon its tenth anniversary. No further awards will be made under Company's 2004 Incentive Plan (as previously amended and restated) after June 24, 2015, the date the Plan was approved by shareholders at the Annual Meeting.

A summary of the material terms of the Plan is set forth in the Company's 2015 proxy statement filed with the Securities and Exchange Commission on April 30, 2015 (the Proxy Statement). The summaries of the Plan set forth above and in the Proxy Statement are qualified in their entirety by reference to the full text of the Plan, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K, and is incorporated herein by reference.
