**Item 1.01 Entry into a Material Definitive Agreement**

On September 1, 2015, Hill-Rom Holdings, Inc. (Hill-Rom) completed its previously announced private offering (the Offering) of \$425 million aggregate principal amount of 5.75% Senior Notes due 2023 (the Notes) pursuant to a purchase agreement, dated August 18, 2015, by and between Hill-Rom, certain subsidiary guarantors party thereto (the Subsidiary Guarantors) and Goldman, Sachs & Co., as representative of the several initial purchasers named therein. Hill-Rom intends to use the net proceeds from the Offering to finance, in part, its previously announced acquisition (the Merger) of Welch Allyn Holdings, Inc. (Welch Allyn).

In connection with the closing of the Offering, Hill-Rom and the Subsidiary Guarantors entered into an Indenture, dated September 1, 2015 (the Indenture), between Hill-Rom, the Subsidiary Guarantors and MUFG Union Bank, N.A., as trustee (the Trustee).

The Indenture provides, among other things, that the Notes will be senior unsecured obligations of Hill-Rom. Hill-Rom's payment obligations under the Notes are fully and unconditionally guaranteed, jointly and severally, on a senior unsecured basis by the Subsidiary Guarantors. Prior to the consummation of the Merger, the Notes will be obligations solely of Hill-Rom and the Subsidiary Guarantors. Upon the consummation of the Merger, the Notes will also be guaranteed by Welch Allyn and certain of its subsidiaries. Interest is payable on the Notes on March 1 and September 1 of each year, beginning on March 1, 2016. The Notes will mature on September 1, 2023.

The Indenture contains restrictive covenants that, among other things, limit the ability of Hill-Rom and the Subsidiary Guarantors to: (i) incur additional indebtedness or issue certain preferred stock; (ii) pay dividends on, or make distributions in respect of, their capital stock; (iii) make certain investments or other restricted payments; (iv) sell certain assets or issue capital stock of restricted subsidiaries; (v) create liens; (vi) merge, consolidate or transfer or dispose of substantially all of their assets; and (vii) engage in certain transactions with affiliates. These covenants are subject to a number of important limitations and exceptions that are described in the Indenture.

The Indenture provides for customary events of default that include, among other things (subject in certain cases to customary grace and cure periods): (i) nonpayment of principal, premium, if any, and interest, when due; (ii) breach of covenants in the Indenture; (iii) defaults relating to the failure to pay at final maturity or the acceleration of certain other indebtedness; (iv) a failure to pay certain judgments; and (v) certain events of bankruptcy and insolvency. If an event of default occurs and is continuing, the Trustee or holders of at least 25% in principal amount of the then outstanding Notes may declare the principal, accrued and unpaid interest, if any, on all the Notes to be due and payable. These events of default are subject to a number of important qualifications, limitations and exceptions that are described in the Indenture.

Upon the first to occur of either (i) November 30, 2015, if the Merger is not consummated prior to such date, or (ii) the date on which the agreement relating to the Merger is terminated, Hill-Rom will be required to redeem the Notes (the Special Mandatory Redemption) in whole, at a redemption price equal to 100% of the aggregate principal amount of the Notes, plus accrued and unpaid interest from and including the date of initial issuance, or the most recent date to which interest has been paid, whichever is later, to but not including the date of the Special Mandatory Redemption. Hill-Rom may also redeem the Notes, at its option, in whole, at any time prior to November 30, 2015, at a redemption price equal to 100% of the aggregate principal amount of the Notes, plus accrued and unpaid interest from and including the date of initial issuance, or the most recent date to which interest has been paid, whichever is later, to but not including the date of redemption, if, in Hill-Rom's judgment, the Merger will not be consummated on or prior to November 30, 2015.

The Notes will also be redeemable at the option of Hill-Rom, in whole or in part, at any time on or after September 1, 2018 pursuant to a customary schedule of declining redemption prices. In addition, Hill-Rom may redeem some or all of the Notes prior to September 1, 2018 at a

## Edgar Filing: Hill-Rom Holdings, Inc. - Form 425

price equal to 100% of the principal amount thereof plus a make-whole premium. Prior to September 1, 2018, Hill-Rom may redeem up to 40% of the aggregate principal amount of the Notes using the proceeds of certain equity offerings at a redemption price equal to 105.75% of the aggregate principal amount of the Notes.

**SIGNATURES**

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
