You may make this appointment by voting the enclosed proxy card using one of the voting methods described below. If appointed by you, the proxy holders will vote your shares as you direct on the matters described in this Proxy Statement. In the absence of your direction, they will vote your shares as recommended by the Board. Unless you otherwise indicate on the proxy card, you also authorize your proxy holders to vote your shares on any matters not known by the Board at the time this Proxy Statement was printed and which, under our bylaws, may be properly presented for action at the Annual Meeting.

Meeting in person may obtain a ballot from the inspector of election. Beneficial holders (those whose shares are held in an account at a brokerage firm, bank, broker-dealer or other similar organization) who attend the Annual Meeting in person must obtain a proxy from their broker, bank or other nominee prior to the date of the Annual Meeting and present it to the inspector of election with their ballot. Voting Instructions; What Happens if no Voting Instructions are Provided

All shares represented by valid proxies received prior to the Annual Meeting will be voted and, where a stockholder specifies by means of the proxy a choice with respect to any matter to be acted upon, the shares will be voted in accordance with the stockholder's instructions. If you are a stockholder of record and you indicate when voting on the Internet or by telephone that you wish to vote as recommended by the Board or you sign and return a proxy card without giving specific voting instructions, then the proxy holders will vote your shares in the manner recommended by the Board on all matters presented in this Proxy Statement and as the proxy holders may determine in their discretion with respect to any other matters properly presented for a vote at the Annual Meeting. If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions, under the rules of various national and regional securities exchanges, the organization that holds your shares may generally vote on routine matters but cannot vote on non-routine matters. If the organization that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, the organization that holds your shares will inform the inspector of election that it does not have the authority to vote on this matter with respect to your shares. This is generally referred to as a broker non-vote. In tabulating the voting results for any particular proposal, shares that constitute broker non-votes are not considered votes cast on that proposal. Thus, other than being counted for the purpose of determining a quorum, broker non-votes will not affect the outcome of any matter being voted on at the Annual Meeting or any postponement or adjournment of the Annual Meeting.

Routine and Non-Routine Matters

Proposal One, the election of directors, is considered a non-routine matter under applicable rules. A broker or other nominee cannot vote without instructions on non-routine matters, and therefore broker non-votes may exist in connection with Proposal One. Proposal Two, the ratification of the appointment of Ernst & Young, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016, is a matter considered routine under applicable rules. A broker or other nominee may generally vote on routine matters, and therefore no broker non-votes are expected to exist in connection with Proposal Two.

Votes Required; Effect of Broker Non-Votes and Abstentions

Each holder of shares of our common stock outstanding on the record date is entitled to one vote for each share of common stock held as of the record date.

With respect to Proposal One, each director is elected by a plurality of the voting power of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting. Therefore, the two nominees receiving the highest number of affirmative votes of the shares of common stock present in person or represented by proxy at the meeting and entitled to be voted for them will be elected as directors to serve until the third annual meeting of stockholders following their election. For Proposal One, stockholders may not cumulate votes in the election of directors. Abstentions and broker non-votes will have no effect on the outcome of the vote.

The ratification of our independent registered public accountants in Proposal Two requires the affirmative vote of a majority of shares present in person or represented by proxy and entitled to vote at the Annual Meeting. Abstentions are treated as shares present and entitled to vote for purposes of such proposal and, therefore, will have the same effect as a vote AGAINST the proposal. Proposal Two is a routine matter and no broker non-votes are expected to exist in connection with Proposal Two.

Changing Your Vote

Stockholders of record may revoke their proxy at any time before the polls close by submitting a later-dated vote in person at the Annual Meeting, via the Internet, by telephone, by mail, or by delivering instructions to our Corporate Secretary before the Annual Meeting. If you hold shares through a broker, bank or other nominee, you may revoke any prior voting instructions by contacting that firm.

Voting Results

We will announce preliminary results at the Annual Meeting. We will report final results at www.uplandsoftware.com and in a filing with the U.S. Securities and Exchange Commission (the SEC) on Form 8-K, which we are required to file with the SEC within four business days following the Annual Meeting.

Table of Contents

This Proxy Statement contains two proposals requiring stockholder action. Proposal One requests the election of the two Class II directors to the Board. Proposal Two requests the ratification of the appointment of Ernst & Young, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016.

Important

Please promptly vote and submit your proxy by signing, dating and returning the enclosed proxy card in the postage-prepaid return envelope, or vote by telephone or via the Internet so that your shares can be voted. This will not limit your rights to attend or vote at the Annual Meeting.

PROPOSAL ONE: ELECTION OF DIRECTORS

Our Board is comprised of five directors. In accordance with our amended and restated certificate of incorporation and our amended and restated bylaws, our Board is divided into three classes, the members of each of which serve for staggered three-year terms. Only one class of directors will be elected at each annual meeting of our stockholders, with the other classes continuing for the remainder of their respective three-year terms. Our directors are divided among the three classes as follows:

- the class I directors are Stephen E. Courter and Rodney C. Favaron, and their terms will expire at our annual meeting of stockholders to be held in 2018;
- the class II directors are currently John D. Thornton and Steven Sarracino, and their terms will expire at our upcoming Annual Meeting; and
- the class III director is John T. (Jack) McDonald, and his term will expire at our annual meeting of stockholders to be held in 2017.

This year's nominees for election to our Board as Class II directors are John D. Thornton and David D. May. The proxies given to the proxy holders will be voted or not voted as directed and, if no direction is given, will be voted FOR the two (2) nominees. Mr. Thornton and Mr. May each qualify as independent directors, as defined in the applicable rules for companies traded on The NASDAQ Global Market (NASDAQ).

The names of the nominees, which have been nominated by our Board upon the recommendation of the Nominating and Governance committee, and certain biographical information about the nominees, including the director's business experience, director positions held currently or at any time during the last five (5) years, information regarding involvement in certain legal or administrative proceedings, if applicable, and the experiences, qualifications, attributes or skills that caused the Nominating and Governance committee to recommend that the nominee should continue to serve on our Board, are set forth below. There are no family relationships among the nominees and any of our directors or executive officers.

John D. Thornton has served as a member of our Board since July 2010. Mr. Thornton is a general partner of Austin Ventures, a venture capital firm, which he joined in 1991. Mr. Thornton has previously served on the board of directors of a number of public companies. Mr. Thornton holds a B.A. from Trinity University and an M.B.A. from the Stanford Graduate School of Business.

We believe that Mr. Thornton is qualified to serve as a member of our Board as a result of his experience as a director of publicly traded technology companies and his background in the venture capital industry.

David D. May is a vice president of Luther King Capital Management, which he joined in August 2013. From January 2005 to August 2013, he was the co-founder and portfolio manager of Third Coast Capital Management, an Austin-based long-short equity hedge fund formed in 2004. From 1998 to 2003, Mr. May was a co-founder and Managing Partner of Ridgecrest Partners, a New York City-based hedge fund founded in 1998. From 1996 to 1998, Mr. May was a Partner at Ardsley Partners, a Connecticut-based hedge fund, where he served as an analyst and a portfolio manager. Prior to this, he was a Vice President at Luther King Capital Management and served as a portfolio manager for a broad range of investment portfolios and co-founded the LKCM Mutual Funds, serving as President of the Fund Group. Mr. May formerly sat on the Board of Perficient Inc., (NASDAQ: PRFT), an information technology consulting firm (NASDAQ: PRFT), an information technology consulting firm, where he served on the audit committee and was the head of the compensation committee. Mr. May is the Chairman of the National Advisory Board of the National Collegiate Equestrian Association (NCEA). He has previously served on the boards of other privately held companies and philanthropic organizations. Mr. May holds a B.A. in Business and an M.B.A. from Texas Christian University. He is a CFA charter holder.

We believe that Mr. May is qualified to serve as a member of our Board as a result of his experience as a director of publicly traded technology companies and his background in the venture capital industry.

Table of Contents

If elected, each nominee will serve for a term of three years expiring at the 2019 annual meeting of stockholders or until his successor, if any, is duly elected and qualified or until such director's earlier death, resignation or removal. If any director nominee is unable or unwilling to serve as a nominee at the time of the Annual Meeting, the persons named as proxies may vote for a substitute nominee chosen by the present Board to fill the vacancy. In the alternative, the proxies may vote just for the remaining nominees, leaving a vacancy that may be filled at a later date by the Board. Alternatively, the Board may reduce the size of the Board. We have no reason to believe that any of the nominees will be unwilling or unable to serve if elected as a director.

Vote Required

The two nominees receiving the highest number of affirmative votes of the shares present in person or represented by proxy and entitled to vote for them, up to the two directors to be elected by those shares, will be elected as directors to serve until the third annual meeting following election or until their successors, if any, are duly elected and qualified, or until their earlier death, resignation or removal.

Recommendation of the Board

The Board recommends that stockholders vote FOR the election of Mr. Thornton and Mr. May.

Table of Contents**DIRECTORS AND CORPORATE GOVERNANCE****Directors**

The nominating and governance committee of the Board and the Board believe the skills, qualities, attributes and experience of its directors provide Upland with business acumen and a diverse range of perspectives to engage each other and management to effectively address the evolving needs of Upland and represent the best interests of our stockholders. In the event the two nominees for director are elected, following the Annual Meeting, our Board would consist of the following individuals:

Name	Position with Upland	Age as of the Annual Meeting	Director Since
Stephen E. Courter	Director	61	2014
Rodney C. Favaron	Director	52	2014
David D. May	Director	53	2016
John D. Thornton	Director	51	2010
John T. McDonald	Chief Executive Officer & Chairman	52	2010

The following presents biographical information for each of our continuing directors listed above in the table, other than the nominees whose information is on page [9]. The biographical information includes the director's business experience, director positions held currently or at any time during the last five (5) years, information regarding involvement in certain legal or administrative proceedings, if applicable, and the experiences, qualifications, attributes or skills that caused the Nominating and Governance committee to recommend that the director should serve on the Board.

Stephen E. Courter has served as a member of our Board since September 2014. Mr. Courter is on the faculty of the McCombs School of Business, University of Texas at Austin, which he joined in August 2007, teaching courses in the Masters in Business Administration program and leading study abroad programs in Thailand, Vietnam, India and Indonesia. Prior to joining the University of Texas at Austin, Mr. Courter served as Chief Executive Officer and board member of Broadwing Communications from 2006 to 2007. Previously, Mr. Courter served as Chairman and Chief Executive Officer of Neon Communications from 2000 to 2006 and Chief Executive Officer of Enertel, a Dutch telecommunications company based in Rotterdam from 1998 to 2000. Mr. Courter currently serves on the board of directors of Cadiz Inc. (NASDAQ: CDZI), a land and water resource development company, which he joined in 2008, and Mobi Corp., which he joined in 2007. Mr. Courter holds a B.S. in Finance from The Pennsylvania State University and an M.B.A. from The George Washington University. Mr. Courter holds the rank of Major in the U.S. Army Reserves.

We believe Mr. Courter is qualified to serve as a member of our Board as a result of his experience in executive-level management positions at technology companies and the knowledge he gained from service on the boards of public and private companies.

Edgar Filing: Upland Software, Inc. - Form DEF 14A

Rodney C. Favaron has served as a member of our Board since September 2014. Mr. Favaron is President and Chief Executive Officer of Spredfast, Inc., a provider of social media marketing solutions, which he joined in February 2011. Prior to Spredfast, Mr. Favaron served as the Chairman and Chief Executive Officer of Lombardi Software, a provider of business process management software, from June 2002 to January 2010. Prior to that, Mr. Favaron served as Chief Executive Officer of Mediaprise, Inc. from October 2000 to March 2002, Senior Vice President of Sales and Marketing at pcOrder.com from April 1998 to May 2000, and General Manager at Mentor Graphics Corporation from 1994 to 1998. Mr. Favaron holds a B.S. in Industrial Engineering from Louisiana State University, and an M.B.A. from the University of Dallas Graduate School of Management.

We believe that Mr. Favaron's extensive experience in executive-level management positions at technology companies, including those in the software industry, qualify him to serve as a member of our Board.

Table of Contents

John T. McDonald has served as our Chief Executive Officer and Chairman of our Board since our founding in July 2010. Prior to founding Upland in 2010, Mr. McDonald was Chief Executive Officer of Perficient, Inc. (NASDAQ: PRFT), an information technology consulting firm, from 1999 to 2009, and chairman from 2001 to 2010. Mr. McDonald started his career as an attorney with Skadden, Arps, Slate, Meagher & Flom LLP in New York, focusing on mergers and acquisitions and corporate finance, from 1987 to 1993. Mr. McDonald served as chairman of the Greater Austin Chamber of Commerce and as a member of the board of directors of a number of privately held companies and non-profit organization. Mr. McDonald holds a B.A. in Economics from Fordham University and a J.D. from Fordham Law School.

We believe that Mr. McDonald is qualified to serve as a member of our Board because of his experience as our Chief Executive Officer and his background in the technology industry, including serving as chairman and chief executive officer of a public technology company.

Structure of the Board of Directors

Our business and affairs are managed under the direction of our Board. Our Board currently consists of five members and is divided into three classes with staggered three-year terms. The term of our Class I directors, Stephen E. Courter and Rodney C. Favaron, will expire at our 2018 meeting of stockholders. The term of our Class II directors, John D. Thornton and Steven Sarracino, will expire at this Annual Meeting. The term of our Class III director, John T. (Jack) McDonald, will expire at our 2017 annual meeting of stockholders.

We expect that any additional directorships resulting from an increase in the authorized number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors. This classification of our Board may have the effect of delaying or preventing changes in our control or management.

Our amended and restated certificate of incorporation and amended and restated bylaws provide that our directors may be removed only for cause by the affirmative vote of the holders of at least a majority of the voting power of all of our then-outstanding shares of capital stock entitled to vote generally at an election of directors. Our directors are elected by a plurality of the voting power of the shares present in person or represented by proxy and entitled to vote on the election of directors. Our directors hold office until their successors have been elected and qualified or until their earlier resignation or removal.

Director Independence

The NASDAQ Global Market listing standards require that a majority of the members of our Board qualify as independent as defined by those standards. In April 2016, our Board, following consultation with our nominating and governance committee, undertook a review of the independence of the directors and nominees for director and considered whether any director or nominee has a material relationship with us that could compromise his or her ability to exercise judgment in carrying out his or her responsibilities. As a result of this review, our Board determined that four of our five current directors, Messrs. Courter, Favaron, Sarracino and Thornton, and our nominee for director, Mr. May, are independent directors as defined under the applicable requirements of the NASDAQ Global Market listing standards and SEC rules and regulations. In making that determination, our Board considered whether each director and nominee has a relationship that would interfere with

the exercise of independent judgment in carrying out the responsibilities of a director.

Board Leadership and Lead Independent Director

The Chairman of our Board is currently our Chief Executive Officer, John T. McDonald. The Board believes that Mr. McDonald is best situated to serve as Chairman because he has been with us since our founding, is the director most familiar with our business, and is best suited to lead the discussion and execution of our strategy.

We have adopted corporate governance guidelines that provide that one of our independent directors should serve as a lead independent director at any time when our Chief Executive Officer serves as the Chairman of our Board, or if the Chairman is otherwise not independent. Because Mr. McDonald is our Chairman and Chief

Table of Contents

Executive Officer, our Board has appointed Mr. Thornton to serve as lead independent director to preside over periodic meetings of our independent directors, serve as the liaison between our Chairman and the independent directors and perform additional duties as our Board may otherwise determine or delegate from time to time.

Committees of the Board of Directors

Our Board has a standing audit committee, compensation committee and nominating and governance committee. The current members of the committees are identified in the table below:

Director	Audit	Compensation	Nominating And Governance
Stephen E. Courter	Chair	Member	
Rodney C. Favaron	Member		Member
John D. Thornton		Member	
Steven Sarracino	Member	Chair	Chair
John T. McDonald			

Subject to the election of the director nominees, as discussed herein under Proposal 1: Election of Directors, the members of the committees following the Annual Meeting are expected to be as follows:

Director	Audit	Compensation	Nominating And Governance
Stephen E. Courter	Chair	Member	
Rodney C. Favaron	Member		Member

Our Board has also determined that Mr. Courter qualifies as an audit committee financial expert within the meaning of SEC regulations.

The primary purpose of the audit committee is to discharge the responsibilities of our Board with respect to our accounting, financial and other reporting and internal control practices and to oversee our independent registered public accounting firm. Compensation Committee

Our compensation committee is composed of Messrs. Sarracino, Courter and Thornton, with Mr. Sarracino serving as chairman. Our Board has determined that each of Messrs. Sarracino, Courter and Thornton is independent within the meaning of applicable NASDAQ Global Market listing standards, is a non-employee director as defined in Rule 16b-3 under the Exchange Act and is an outside director as that term is defined in Section 162(m) of the Internal Revenue Code of 1986.

The primary purpose of our compensation committee is to discharge the responsibilities of our Board to oversee our compensation policies, plans and programs and to review and determine the compensation to be paid to our executive officers, directors and other senior management, as appropriate. Specific responsibilities of our compensation committee include:

- determining the compensation and other terms of employment of our Chief Executive Officer and reviewing and approving corporate performance goals and objectives relevant to such compensation;

- in consultation with the Chief Executive Officer, determining the compensation and other terms of employment of our other executive officers and reviewing and approving corporate performance goals and objectives relevant to such compensation;
- evaluating, approving and administering the compensation plans and programs advisable for us and evaluating and approving the modification or termination of existing plans and programs;
- reviewing and approving the terms of any employment agreements, severance arrangements, change-of-control protections and any other compensatory arrangements for our executive officers and other senior management, as appropriate; and
- reviewing and recommending to our Board the compensation of our directors.
- The compensation committee may form subcommittees for any purpose that the compensation committee deems appropriate and may delegate to such subcommittees such power and authority as the compensation committee deems appropriate, except that the compensation committee shall not delegate to a subcommittee any power or authority required by law, regulation or listing standard to be exercised by the compensation committee as a whole.

The compensation committee also has the authority, in its sole discretion, to select and retain any compensation consultant to be used by the Company to assist with the execution of the compensation committee's duties and responsibilities, or to engage independent counsel or other advisors as it deems necessary or appropriate

to carry out its duties. The compensation committee does not currently retain the services of a compensation consultant, nor did it do in the last fiscal year.

The compensation committee met four times in 2015.

Nominating and Governance Committee

Our nominating and governance committee is composed of Messrs. Sarracino and Favaron, with Mr. Sarracino serving as chairman. Our Board has determined that each of Messrs. Sarracino and Favaron is independent within the meaning of applicable NASDAQ Global Market listing standards.

The specific responsibilities of our nominating and governance committee include:

- reviewing proposed changes to our certificate of incorporation and bylaws and making recommendations to the Board;

- overseeing compliance by the Board with applicable laws and regulations;

- identifying, reviewing, evaluating and recommending for selection candidates for membership to our Board;

- reviewing, evaluating and considering the recommendation for nomination of incumbent members of our Board for reelection to our Board and monitoring the size of our Board;

- considering the recommendation for nomination of candidates for election to our Board and proposals submitted by our stockholders; and

- reviewing the performance of our Board, recommending areas of improvement to our Board and assessing the independence of members of our Board.

The nominating and governance committee met one time in 2015.

None of our executive officers currently serves, nor in the past year has served, as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving on our Board or compensation committee.

Code of Business Conduct and Ethics

Our Board has adopted a written code of business conduct and ethics that applies to our directors, officers and employees, including our principal executive officer, principal financial officer, principal accounting officer and controller, or persons performing similar functions. The code of business conduct and ethics, any amendments that may be adopted from time to time and any waivers of the requirements of the code of business conduct and ethics, are posted on the Investor Relations page of our website, <http://uplandsoftware.com>. The information on our website is not part of this Proxy Statement.

Communications with the Board of Directors

The Board provides a process for security holders to send communications to the Board. Any matter intended for the Board, or for any individual member or members of the Board, should be directed to our Corporate Secretary at 401 Congress Avenue, Suite 1850, Austin, Texas 78701, with a request to forward the communication to the intended recipient or recipients. Our General Counsel or Corporate Secretary monitors these communications and will provide a summary of all received messages to the Board at each regularly scheduled meeting of the Board. Where the nature of a communication warrants, our Corporate Secretary may determine, in his or her judgment, to obtain the more immediate attention of the appropriate committee of the Board or non-management director, of independent advisors or of Company management, as our Corporate Secretary considers appropriate. Our Corporate Secretary reserves the right not to forward to Board members any abusive, threatening or otherwise inappropriate materials, or to decide in the exercise of his or her judgment whether a response to any stockholder communication is necessary.

Director Nomination Procedures

The nominating and governance committee has the responsibility for reviewing and recommending to the Board candidates for director positions. The nominating and governance committee will consider nominations made by stockholders. There are no differences in the manner in which the nomination and governance committee evaluates nominees for director based on whether the nominee is recommended by a stockholder or whether the recommendation comes from another source. To have a candidate considered by the nominating and governance committee, a stockholder must submit such stockholder's recommendation in writing in accordance with the procedures described in the section of this Proxy Statement entitled Other Matters 2017 Stockholder Proposals or Nominations and must include the information specified in our Bylaws, including information concerning the nominee and information about the stockholder's ownership of and agreements related to our stock.

Edgar Filing: Upland Software, Inc. - Form DEF 14A

The nominating and governance committee, in evaluating Board candidates, considers issues such as character, integrity, judgment, diversity, age, independence, skills, education, expertise, business acumen, business experience, length of service, understanding of our business and other commitments and the like, all in the context of an assessment of the needs of the Board at the time. The committee's objective is to maintain a Board of individuals of the highest personal character, integrity and ethical standards, and that reflects a range of professional backgrounds and skills relevant to our business. The nominating and governance committee does not have a formal policy with respect to diversity; however, the committee considers diversity in identifying nominees for director, including personal characteristics such as race and gender, as well as diversity in the experience and skills that contribute to the Board's performance of its responsibilities in the oversight of a global technology business.

The nominating and governance committee believes that the minimum qualifications for serving as a director are that a nominee demonstrate knowledge of our industry, accomplishment in his or her field, an ability to

make a meaningful contribution to the Board's oversight of our business and affairs, independence under NASDAQ rules, lack of conflicts of interest, and a record and reputation for integrity and ethical conduct in both his or her professional and personal activities. In addition, the nominating and governance committee examines a candidate's specific experiences and skills, time availability in light of other commitments, interpersonal skills and compatibility with the Board, and ability to complement the competency and skills of the other Board members.

The nominating and governance committee annually reviews with the Board the requisite skills and characteristics of Board members, as well as the composition of the Board as a whole. This assessment includes a consideration of independence, diversity, age, skills, and experience and industry backgrounds in the context of the needs of the Board and the Company, as well as the ability of current and prospective directors to devote sufficient time to performing their duties in an effective manner. Directors are expected to exemplify the highest standards of personal and professional integrity, and to constructively challenge management through their active participation and questioning. In particular, the nominating and governance committee seeks directors with established strong professional reputations and expertise in areas relevant to the strategy and operations of our business.

In performing its duties, the nominating and governance committee may retain internal or external legal counsel and expert advisors, but it did not do so in 2015.

Board Meetings and Attendance

The Board held four meetings in 2015. During 2015, each member of the Board attended 75% or more of the aggregate of (i) the total number of Board meetings held during the period of such member's service and (ii) the total number of meetings held by all Board committees on which such member served during the period of such member's service. Directors are strongly encouraged to attend our annual stockholder meetings.

Our 2014 Equity Incentive Plan (the 2014 Plan) provides for the grant of non-statutory stock options, stock appreciation rights, restricted stock, restricted stock units, performance units and performance shares to employees, directors and consultants. Each person who first becomes a non-employee director will be automatically granted an initial award under the 2014 Plan in the form of a nonstatutory stock option to purchase that number of shares determined by dividing (A) \$125,000 by (B) the value of an option on one share, determined using the Black-Scholes or other valuation method selected by the administrator, with the number of shares rounded up to the nearest whole share, on or about the date such person becomes a non-employee director. The initial award will vest as to one-twelfth of the shares subject to the initial award on the monthly anniversary of the vesting commencement date, provided that the participant continues to serve as a director through such dates. For continuing non-employee directors who have served on our Board for at least the preceding six months, each will be automatically granted, on a date shortly following the annual meeting of our stockholders each year, an annual award in the form of a nonstatutory stock option to purchase that number of shares determined by dividing (A) \$50,000 by (B) the value of an option on one share, determined using the Black-Scholes or other valuation method selected by the administrator, with the number of shares rounded up to the nearest whole share. The annual award will vest as to one-twelfth of the shares subject to the annual award on the monthly anniversary of the vesting commencement date, provided the participant continues as a director through such dates. The term of these automatic option grants to non-employee directors will be 10 years or such earlier expiration date specified in the applicable award agreement.

Members of our Board are also reimbursed for actual expenses incurred in attending Board meetings. The nominating and governance committee periodically reviews our director compensation practices. The nominating and governance committee believes that our director compensation is fair and appropriate in light of the responsibilities and obligations of our directors.

Officers, directors and greater than ten percent stockholders are also required by SEC rules to furnish us with copies of all Section 16(a) forms they file.

DevFactory earned approximately \$2.1 million for such services pursuant to the terms of the Amended & Restated Technology Services Agreement in 2015. Pursuant to our letter agreement with DevFactory, our purchase commitment amount for software development services under the contract will be equal to the prior year purchase commitment, increased (decreased) by the percentage change in total revenue for the prior year as compared to the preceding year. In 2016 we expect to pay DevFactory approximately \$2.3 million.

Other

For a description of other relationships we have with our directors and executive officers, see the sections titled Directors and Corporate Governance Director Compensation and Executive Compensation in this proxy statement.

Policies and Procedures for Related Party Transactions

On an annual basis, we require each officer and director to complete a questionnaire that solicits information in regards to various matters, including but not limited to, other directorships; beneficial reporting compliance; involvement in certain legal proceedings; injunctions or limitations as to engaging in certain activities and information regarding any transactions with related persons such as: any family relationships to any director, executive officer or nominee of the Company; any direct or immediate family member material interest in any actual or proposed material transaction to which the Company was or is to be a party; and other certain business

relationships and transactions with clients that create or appear to create a conflict of interest. This questionnaire is completed in conjunction with our filing of our annual proxy statement. In addition, our directors, officers and employees are required to comply with our Code of Business Conduct and Ethics (our Code of Conduct) which requires that they perform their duties and exercise judgment on behalf of the Company without influence or impairment, or the appearance of impairment, due to any activity, interest or relationship that arises outside of the Company. Furthermore, Company directors, officers and employees have a duty to avoid all relationships that are or might be conflicts of interest or otherwise comprise the integrity of our business. Our Code of Conduct requires that any time a director, officer or employee believes a conflict of interest could exist, including due to a potential transaction with a related person, he or she should immediately report the situation.

Our Code of Conduct serves as our policy with respect to transactions with related persons. Any transactions with related persons, as defined by SEC rules and regulations, are subject to limitations on conflicts of interest contained in our Code of Conduct and are generally discouraged by us. To the extent any such transactions are proposed, they are subject to the approval by the audit committee in accordance with the audit committee's charter. Further, any approved transactions with related persons must be conducted in such a way that no preferential treatment is given to that business.

The related party transactions described in this section predated our adoption of our Code of Conduct and were not subject to the approval and review procedures set forth in the Code of Conduct. All future related party transactions will be subject to such policy.

EXECUTIVE COMPENSATION

Compensation Overview

This Compensation Overview explains how our executive compensation program is designed and operates with respect to our named executive officers listed in the 2015 Summary Compensation Table below. Our named executive officers consist of any individual who served as our Chief Executive Officer during 2015, and up to two of our most highly compensated executive officers other than the Chief Executive Officer during 2015. Our named executive officers in 2015 were:

Name	Office
John T. McDonald	Chief Executive Officer and Chairman of the Board
Timothy W. Mattox	President and Chief Operating Officer
Michael D. Hill	Chief Financial Officer, Secretary and Treasurer

We currently qualify as an emerging growth company as defined in the Jumpstart Our Business Startups Act, or the JOBS Act. Accordingly, and in accordance with relevant SEC rules and guidance, we have elected to take advantage of reduced disclosure obligations applicable to emerging growth companies. Therefore, this Compensation Overview is not comparable to the Compensation Discussion and Analysis that is required of other SEC reporting companies.

This Compensation Overview discusses the material elements of the compensation awarded to, earned by or paid to our executive officers, and the compensation committee's role in the design and administration of these programs and policies in making specific compensation decisions for our executive officers, including our named executive officers for 2015. It contains forward-looking statements that are based on our current plans, considerations, expectations and determinations regarding future compensation programs. The actual compensation programs that we adopt in the future may differ materially from currently planned programs as summarized in this discussion.

The compensation committee is responsible for establishing, implementing and continually monitoring adherence to our compensation philosophy. In doing so, the compensation committee reviews and approves on an annual basis the evaluation process and compensation structure for the Company's named executive officers. The Committee reviews and recommends to the Board the annual compensation, including salary, and any incentive and/or equity-based compensation for such officers. The Committee also provides oversight of management's decisions concerning the performance and compensation of other employees.

Executive Compensation Program Components

We seek to offer competitive compensation that is designed to attract and retain qualified and motivated individuals and reward them based on performance. Our executive compensation includes three elements: base salary, cash incentive compensation and long-term equity incentive awards. We do not have a policy on the division of compensation between the primary components.

Base Salary

With regard to base salary, each named executive officer entered into an at-will employment agreement or offer letter with us at the time of his hire that provides for his initial base salary, and the Board reviews the base salaries annually. All compensation terms in the offer letters other than standard employee benefits have since been superseded.

Table of Contents*Cash Incentive Compensation*

With regard to cash incentive compensation, each member of our senior management team was eligible to receive cash awards under our 2015 corporate bonus plan and 2015 M&A bonus plan upon the achievement of certain financial goals. For 2015, the financial goals under the corporate bonus plan for our Chief Executive Officer, Chief Financial Officer and Chief Operating Officer were based on the achievement of corporate Adjusted EBITDA targets which, if achieved, would result in a bonus payout equal to a target of 50% of base salary for each individual. For 2015, the financial goals under the M&A bonus plan for our Chief Executive Officer, Chief Financial Officer and Chief Operating Officer were based on the achievement of acquired revenue run-rates, which, if achieved, would result in a bonus payment equal to a target of 50% of base salary for each individual. In 2015, all of the cash bonus payout amounts to Mr. McDonald, Mr. Hill and Mr. Mattox were attributed to the M&A bonus plan.

Long-Term Equity Incentive Awards

We believe that our ability to grant equity-based awards is a valuable and necessary compensation tool that aligns the long-term financial interests of our employees, consultants and directors with the financial interests of our stockholders. In addition, we believe that our ability to grant options and other equity-based awards helps us to attract, retain and motivate employees, consultants and directors, and encourages them to devote their best efforts to our business and financial success. Our compensation committee meets periodically to discuss and review the level of equity-based compensation, and to decide whether additional grants are necessary. For additional information regarding equity awards held by the named executive officers, please see the table entitled 2015 Outstanding Equity Awards at Fiscal Year-End.

401(k) Plan

We maintain a tax-qualified retirement plan that provides eligible employees with an opportunity to save for retirement on a tax-advantaged basis. All participants' interests in their deferrals are 100% vested when contributed. In fiscal 2014, we made no matching contributions into the 401(k) plan. Pre-tax contributions are allocated to each participant's individual account and are then invested in selected investment alternatives according to the participant's directions. The 401(k) plan is intended to qualify under Section 401(a) of the Code. As a tax-qualified retirement plan, contributions to the 401(k) plan and earnings on those contributions are not taxable to the employees until distributed from the 401(k) plan, and all contributions are deductible by us when made.

Limitation on Liability and Indemnification Matters

Edgar Filing: Upland Software, Inc. - Form DEF 14A

We have entered into indemnity agreements with our directors and certain of our officers and senior management. The agreements generally provide that, to the fullest extent permitted by Delaware law, we must indemnify each such person for judgments, expenses, fines, penalties and amounts paid in settlement of claims that result from the fact that such person was our officer, director or employee. In addition, our amended and restated certificate of incorporation and amended and restated bylaws provide for certain indemnifications and limitations on the liability of our directors and officers. Our amended and restated bylaws and the indemnification agreements also provide that we are obligated to advance expenses incurred by a director or officer in advance of the final disposition of any action or proceeding and permit us to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in that capacity, regardless of whether we would otherwise be permitted to indemnify him or her under the provisions of Delaware law.

We believe that these indemnification agreements and provisions of our bylaws and amended and restated certificate of incorporation are necessary to attract and retain qualified persons as directors and officers. We also

maintain directors' and officers' liability insurance. However, these limitation of liability and indemnification provisions may discourage stockholders from bringing a lawsuit against our directors and officers for breach of their fiduciary duty. They may also reduce the likelihood of derivative litigation against our directors and officers, even though an action, if successful, might benefit us and other stockholders. Further, a stockholder's investment may be adversely affected to the extent that we pay the costs of settlement and damage awards against directors and officers as required by these indemnification provisions. At present, there is no pending litigation or proceeding involving any of our directors, officers or employees for which indemnification is sought, and we are not aware of any threatened litigation that may result in claims for indemnification.

STOCKHOLDERS SHARING THE SAME LAST NAME AND ADDRESS

To reduce the expense of delivering duplicate proxy materials to stockholders who may have more than one account holding Upland stock but who share the same address, we have adopted a procedure approved by the SEC called "householding". Under this procedure, certain stockholders of record who have the same address and last name will receive only one copy of our proxy materials until such time as one or more of these stockholders notifies us that they want to receive separate copies. This procedure reduces duplicate mailings and saves printing costs and postage fees, as well as natural resources. Stockholders who participate in householding will continue to have access to and utilize separate proxy voting instructions.

If you receive a single set of proxy materials as a result of householding and you would like to have separate copies of our Annual Report or Proxy Statement mailed to you, please submit a request to our Corporate Secretary, Upland Software, Inc., 401 Congress Avenue, Suite 1850, Austin, Texas 78701 or call our Investor Relations Department at (512) 960-1031, and we will promptly send you what you have requested. You can also contact our Investor Relations department at the phone number above if you received multiple copies of the Annual Meeting materials and would prefer to receive a single copy in the future, or if you would like to opt out of householding for future mailings.

Whether or not you intend to be present at the Annual Meeting, we urge you to submit your signed proxy promptly.
