Amendment and Restatement of Long-Term Incentive Plan

On March 3, 2017, the Board of Directors (the Board) of Cloud Peak Energy Inc. (Cloud Peak Energy), upon the recommendation of the Compensation Committee of the Board, approved an amendment and restatement (the Amended LTIP) of the Cloud Peak Energy Inc. 2009 Long-Term Incentive Plan, effective as of such date. The Amended LTIP:

- extends the minimum one year vesting requirements to all types of awards;

- provides for payment of any dividends only when, and to the extent, the underlying award is vested and earned; and

- provides for double trigger vesting following a change in control for all awards that are assumed by the surviving company.

The amendments included in the Amended LTIP do not apply to options or awards granted prior to the effective date of the Amended LTIP. A copy of the Amended LTIP is attached hereto as Exhibit 10.1 and is incorporated herein by reference. The foregoing summary is qualified in its entirety by the complete terms and conditions of the Amended LTIP.

2017 LTIP Award Agreements

On March 3, 2017, the Compensation Committee of the Board also approved various forms of equity award agreements (Award Agreements) pursuant to the Amended LTIP. There are two 2017 Award Agreements, for the following types of grants: (1) performance share units and (2) restricted stock units. The Award Agreements are substantively similar to the respective Award Agreements previously disclosed for 2016 awards. The performance share unit agreement and the restricted stock unit agreement were modified to conform to the amendments in the Amended LTIP and the performance share unit was modified to reflect updates to the performance peer group approved by the Compensation Committee. The 2017 Award Agreements are filed as Exhibits 10.2 and 10.3 to this Form 8-K and are incorporated herein by reference. The foregoing summary is qualified in its entirety by the complete terms and conditions of the Amended LTIP and the 2017 Award Agreements, as appropriate.
