Nortech Systems Incorporated

PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS, MAY 9, 2018

This Proxy Statement is furnished to shareholders of NORTECH SYSTEMS INCORPORATED, a Minnesota corporation (the Company), in connection with the solicitation on behalf of the Company's Board of Directors of proxies for use at the annual meeting of shareholders to be held at the Company's office at 7550 Meridian Circle N., Suite 150, Maple Grove, Minnesota 55369, on May 9, 2018, at 3:00 p.m., and at any adjournment thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders.

The address of the principal executive office of the Company is 7550 Meridian Circle N., Suite 150, Maple Grove, Minnesota 55369. We will begin mailing this proxy statement and proxy card to shareholders on or about March 29, 2018.

SOLICITATION AND REVOCATION OF PROXIES

The Company will pay the costs and expenses of solicitation of proxies. In addition to the use of the mails, directors, officers and regular employees of the Company may solicit proxies personally or by telephone or letter with extra compensation. The Company will reimburse brokers and other custodians, nominees or fiduciaries for their expenses in forwarding proxy materials to principals and obtaining their proxies.

Proxies in the form enclosed are solicited on behalf of the Board of Directors. Any shareholder giving a proxy in this form may revoke it at any time before it is exercised by (i) giving written notice of revocation to the Secretary of the Company, (ii) delivering a duly executed proxy bearing a later date, or (iii) voting in person at the annual meeting. Such proxies, if received in time for voting and not revoked, will be voted at the annual meeting in accordance with the specifications indicated on the proxy.

VOTING RIGHTS AND REQUIREMENTS

Only shareholders of record as of the close of business on March 16, 2018, will be entitled to sign proxies or to vote. On that date, there were 2,704,823 shares issued, outstanding and entitled to vote. Each share of Common Stock is entitled to one vote. A majority of the outstanding shares present in person or by proxy at the meeting is required to transact business, and constitutes a quorum for voting on items at the meeting. If you vote, your shares will be part of the quorum. Abstentions and broker non-votes will be counted as being present at the meeting in determining the quorum, but neither will be counted as a vote in favor of a matter. A broker non-vote is a proxy submitted by a bank, broker or

other custodian that does not indicate a vote for some of the proposals because the broker does not have or does not exercise discretionary voting authority on certain types of proposals and has not received instructions from its client as to how to vote on those proposals.

Vote Required

Election of Directors. The affirmative vote of a plurality of the shares of Common Stock present in person or by proxy and entitled to vote at this annual meeting is required for the election to the Board of each of the nominees for director. Shareholders do not have the right to cumulate their votes in the election of directors. Plurality means that the individuals who receive the greatest number of votes cast For are elected as directors.

Say-on-Pay. The advisory vote on executive compensation in PROPOSAL 2 is not binding on us; however, we will consider the shareholders to have approved our executive compensation if the number of shares voted For the proposal exceed the number of shares voted Against the proposal. A shareholder who abstains with respect to this proposal will have no effect on its outcome.

Appointment of Independent Auditor. The ratification of the appointment of Baker Tilly Virchow Krause, LLP as the Company's independent registered public accounting firm for fiscal 2018 requires the affirmative vote of a majority of the votes cast at the meeting by shareholders who are present and entitled to vote on the matter. An abstention by a shareholder with respect to this proposal will have the same effect as a vote "Against" the proposal.

Routine Versus Non-Routine Matters. Brokers can vote on their customers' behalf on routine proposals such as PROPOSAL 3, the ratification of appointment of Baker Tilly Virchow Krause, LLP as the Company's independent registered public accounting firm. Brokers cannot vote on their customers' behalf on non-routine proposals such as PROPOSAL 1, the election of directors, and PROPOSAL 2, the advisory vote on executive compensation. Because brokers require their customers' direction to vote on such non-routine matters, it is critical that shareholders provide their brokers with voting instructions.

Effect of Broker Non-Votes. If you hold your shares in street name and do not provide voting instructions to your bank, broker or other custodian, your shares will not be voted on PROPOSAL 1 or PROPOSAL 2 which are proposals on which your broker does not have or does not exercise discretionary authority to vote (a broker non-vote), such as may be the case with other non-routine matters for which you do not provide voting instructions. A broker non-vote on any of the proposals presented at the annual meeting will have no effect on the outcome of the proposal.

DIRECTOR INDEPENDENCE

The Board of Directors has determined that Ms. Iverson and Messrs. Kennedy, Larson, McManus, Murray and Perkins are independent directors under the rules established by the Securities and Exchange Commission and the Marketplace Rules of The NASDAQ Stock Market (NASDAQ). In evaluating Mr. Murray's independence, the Board has considered his consulting agreement with the Company, described under Certain Relationships and

Related-Party Transactions and has determined that he continues to be independent. However, Mr. Murray does not meet the heightened independence requirements for a member of the Audit Committee because of the consulting agreement, and therefore he withdrew from the Company's Audit Committee in February 2018 when he entered into the agreement.

Further, the Board has determined that Ms. Iverson is an audit committee financial expert as defined by applicable regulations of the Securities and Exchange Commission.

BOARD LEADERSHIP STRUCTURE

The Board has determined that the positions of Chairman of the Board and Chief Executive Officer should be held by different persons. The Board believes that this leadership structure has enhanced the Board's oversight of, and independence from, the Company's management and the Board's ability to carry out its roles and responsibilities on behalf of the shareholders.

RISK OVERSIGHT

Management and the Company's outside counsel discuss risks, both during Board meetings and in direct discussions with Board members. These discussions identify Company risks which are prioritized and assigned to the appropriate Board committee or the full Board for oversight. Internal control and financial risks are overseen by the Audit Committee; compensation risks are overseen by the Compensation Committee; CEO succession planning is overseen by the Governance and Nominating Committee; and compliance risks are typically overseen by the full Board. Management regularly reports on each such risk to the relevant committee or the Board, and material risks identified by a relevant committee are then presented to the full Board. The Company's risk management program as a whole is reviewed annually at a meeting of the Board. Additional review or reporting on Company risks is conducted as needed or as requested by the Board or committee.

COMPENSATION COMMITTEE

The Compensation Committee is composed of the independent outside directors whose names appear below. The Committee has a charter which is available on the Company's website (www.nortechsys.com). The Committee determines the compensation of executive officers of the Company. Compensation for executive officers includes four elements: base salaries, bonuses, share-based compensation and equity appreciation rights. Salaries are based on factors such as the individual's level of responsibility and the amount of salary paid to executives with similar responsibilities in comparable companies. Bonuses are awarded based on a combination of the executive's success in meeting certain pre-established individual goals and the Company's performance in meeting certain financial goals. All share-based compensation and equity appreciation rights plans are designed to increase the incentive for an executive's interest in the Company's success as measured by the market value of its stock or other financial-related measures and to align the interests of the executives with those of the Company's shareholders.

The Chief Executive Officer's base compensation for 2017 was established under an amended and restated employment agreement executed on May 15, 2017. It was determined that the total compensation of the Chief Executive Officer was comparable to compensation of chief executive officers of comparable companies. The base compensation of the other executive officers was set at the level necessary to attract and retain executives performing the functions being performed by such executives.

The Board of Directors of the Company has adopted a charter for the Audit Committee. The charter charges the Audit Committee with the responsibility for, among other things, reviewing the Company's audited consolidated financial statements and the financial reporting process. The Company's management is responsible for the Company's internal controls and the financial reporting process, including the system of internal controls. The Company's independent registered public accounting firm is responsible for expressing an opinion on the conformity of the Company's audited consolidated financial statements with generally accepted U.S. accounting principles.

In carrying out their responsibility, the Audit Committee has reviewed and discussed with management the Company's audited consolidated financial statements as of and for the year ended December 31, 2017. The Audit Committee has also discussed the audited consolidated financial statements with Baker Tilly Virchow Krause, LLP and affiliates ("Baker Tilly"), who served as our independent auditor for the 2017 fiscal year, including the matters required to be discussed by Public Company Accounting Oversight Board Auditing Standard No. 1301, "Communications with Audit Committees," and received the written disclosures and the letter from Baker Tilly required by Rule 3526 of the Public Company Accounting Oversight Board, "Communications With Audit Committees Concerning Independence," and has discussed with Baker Tilly their

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the Company's fiscal year ended December 31, 2017.

PROPOSAL 2
APPROVAL OF ADVISORY VOTE ON COMPENSATION OF
NAMED EXECUTIVE OFFICERS

We are providing shareholders with the opportunity to vote at the annual meeting on the following advisory resolution regarding the compensation of our NEOs as described in this Proxy Statement (commonly referred to as "Say-on-Pay"):

RESOLVED, that the shareholders of Nortech Systems Incorporated approve, on an advisory basis, the compensation paid to the Company's NEOs as disclosed in the compensation tables and narrative discussion contained in the "Executive Compensation" section in this Proxy Statement.

Our executive compensation programs are based on our belief that attracting, retaining and motivating talented executives is critical to the maintenance of our competitive advantage in the electronic contract manufacturing industry and to the achievement of the business goals set by the Board of Directors. Accordingly, our executive compensation programs are designed to reward executives for achievement of our pre-determined financial and business goals, while also aligning our executives' interests with those of our shareholders. We believe that we best achieve these goals by providing our executives with a mix of compensation elements that incorporate cash and equity, as well as short-term and long-term components, and that are tied to our business goals.

This advisory vote will not affect any compensation already paid or awarded to our NEOs and will not be binding on the Board of Directors or the Compensation Committee. However, the Compensation Committee will review and carefully consider the outcome of the vote. If there are a significant number of negative votes, the Compensation Committee will seek to understand the concerns that influenced the vote and consider them in making future executive compensation decisions.

Upon recommendation of the Compensation Committee of the Board, the Board unanimously recommends a vote FOR the approval of the compensation of our NEOs.

PROPOSAL 3
RATIFICATION OF THE APPOINTMENT
OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board and management of the Company are committed to the quality, integrity and transparency of the Company's financial reports. In accordance with the duties set forth in its written charter, the Audit Committee of the Company's Board has appointed Baker Tilly as the Company's independent registered public accounting firm for the 2018 fiscal year. See "Recent Change in Auditor" below.

A representative of Baker Tilly is expected to attend this year's Annual Meeting, will be available to respond to appropriate questions from shareholders and will have the opportunity to make a statement if he or she desires to do so.

Recent Change in Auditor

On March 16, 2017, the Audit Committee formally approved the engagement of Baker Tilly as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2017. On March 16, 2017, the Company informed RSM that it was being dismissed as the Company's independent registered public accounting firm.

RSM served as our independent auditor from October 2004 to March 2017. The reports of RSM on the Company's audited consolidated financial statements for the two most recent fiscal years ended December 31, 2016, and December 31, 2015, did not contain an adverse opinion or a disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles. During the Company's two most recent fiscal years ended December 31, 2016, and December 31, 2015, and during the subsequent interim period preceding RSM's dismissal, there were: (i) no disagreements with RSM on any matter of accounting principles or practices, financial statement disclosures, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of RSM would have caused RSM to make reference to the subject matter of the disagreements in connection with its reports, and (ii) no reportable events of the type listed in paragraphs (A) through (D) of Item 304(a)(1)(v) of Regulation S-K.

During the Company's two most recent fiscal years ended December 31, 2016, and December 31, 2015, and during the subsequent interim period preceding Baker Tilly's appointment, neither the Company, nor anyone on its behalf, consulted Baker Tilly with respect to: (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, and neither a written report was provided to the Company nor oral advice was provided to the Company that Baker Tilly concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing, or financial reporting issue or (ii) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) or a reportable event (as described in Item 304(a)(1)(v) of Regulation S-K).

On March 20, 2017, we filed with the SEC a Current Report on Form 8-K disclosing the appointment of Baker Tilly as our new independent registered public accounting firm and the related dismissal of RSM from that role.

Fees Billed to Company by Its Independent Registered Public Accounting Firm

For the 2017 and 2016 fiscal years, Baker Tilly and RSM served as the Company's independent auditor, respectively. The following table presents fees for professional audit services, tax services and other services rendered by Baker Tilly and RSM and affiliates during fiscal years 2017 and 2016, respectively:

	2017	2016
Audit Fees (1)	\$ 198,000	\$ 258,000
Audit-Related Fees (2)	11,000	
Tax Fees (3)	41,000	
Total Fees	\$ 250,000	\$ 258,000

(1) Audit fees include fees for the annual audit, interim reviews of the quarterly and regulatory filings.

(2) Audit-related fees are principally for professional services relating to the audit of the 401(k) plan for the year ended December 31, 2016.

(3) Tax fees are for corporate tax return preparation for the year ended December 31, 2016 and related 2016 research and development services.

The Audit Committee of the Board of Directors has reviewed the services provided by Baker Tilly and RSM during fiscal years 2017 and 2016, respectively, and the fees billed for such services. After consideration, the Audit Committee has determined that the receipt of these fees by the auditors is compatible with the provision of independent audit services. The Audit Committee discussed these services and fees with the auditors and Company management to determine that they are permitted under the rules and regulations concerning auditor independence promulgated by the Securities and Exchange Commission to implement the Sarbanes-Oxley Act of 2002, as well as the American Institute of Certified Public Accountants.

Pre-Approval Policy

The Audit Committee has established a policy for pre-approving the services provided by the Company's independent registered public accounting firm in accordance with the auditor independence rules of the Securities and Exchange Commission. This policy requires the review and pre-approval by the Audit Committee of all audit and permissible non-audit services provided by the independent registered public accounting firm and an annual review of the financial plan for audit fees. All services performed by our independent registered public accounting firm during the fiscal years ended December 31, 2017, and 2016 were pre-approved in accordance with the written charter.

The Board unanimously recommends a vote FOR the ratification of Baker Tilly Virchow Krause, LLP as the independent registered public accounting firm of the Company for fiscal 2018.

The transactions between the Company and PCI have been approved by the Audit Committee as described under Related-Party Transactions Policy below.

The Company entered into a Consulting Agreement with CrossCourt Group, LLC, which is owned and managed by William Murray, an independent director of the Company, on February 22, 2018.
