Item 8.01 Other Events

In connection with the planned separation of Ironwood Pharmaceuticals, Inc. (Ironwood) and Cyclacel Therapeutics, Inc. (Cyclacel) into two independent, publicly traded companies, the Ironwood board of directors has set March 19, 2019 as the record date for the dividend of shares of common stock of Cyclacel to be distributed to Ironwood stockholders in order to effect the separation. Each Ironwood stockholder of record as of the close of business on March 19, 2019 will receive, on the distribution date, one share of Cyclacel common stock for every 10 shares of Ironwood common stock held. The share dividend is expected to be distributed to Ironwood stockholders on April 1, 2019. Following the separation, such Ironwood stockholders will also receive cash in lieu of any fractional shares of Cyclacel common stock that those holders would have received after application of the above ratio.

Distribution of the Cyclacel share dividend is subject to the Securities and Exchange Commission (the SEC) having declared effective Cyclacel's Registration Statement on Form 10 (the Form 10) and completion of the listing process for Cyclacel to trade on the Nasdaq Global Market. The completion of the separation is also subject to other conditions described in the Form 10, including those conditions set forth in the Separation Agreement to be entered into between Ironwood and Cyclacel, the form of which is filed as an exhibit to the Form 10.

No action is required by Ironwood stockholders in order to receive the shares of Cyclacel common stock in the dividend distribution. Following the effectiveness of the Form 10, Ironwood plans to provide further information regarding the expected commencement of the when-issued trading for Cyclacel common stock and ex-distribution trading for Ironwood common stock. A description of these expected trading markets is included in the Form 10. After the separation, Cyclacel common stock is expected to trade on the Nasdaq Global Market under the stock ticker symbol CYCN and Ironwood will continue to trade on Nasdaq Global Market under the stock ticker symbol IRWD.

This Current Report on Form 8-K contains forward-looking statements. Investors are cautioned not to place undue reliance on these forward-looking statements, including statements about the completion, structure, timing and terms of the planned separation, the distribution and markets for Ironwood and Cyclacel stock. Each forward-looking statement is subject to risks and uncertainties that could cause actual events to differ materially from those expressed or implied in such statement. Applicable risks and uncertainties include those related to the possibility that Ironwood may not complete the separation on the terms or timing currently contemplated, if at all; and the risks listed under the heading Risk Factors and elsewhere in Ironwood's Annual Report on Form 10-K filed with the SEC on February 25, 2019, and in Ironwood's subsequent SEC filings, including SEC filings related to the planned separation, and in the Form 10. These forward-looking statements (except as otherwise noted) speak only as of the date of this Current Report on Form 8-K, and Ironwood undertakes no obligation to update these forward-looking statements.
