Safe Harbor Statement under the Private Securities Litigation Reform Act of 1995 Statements made in this news release that relate to future events are made pursuant to the Private Securities Litigation Reform Act of 1995. These forward-looking statements are based upon current expectations and the company assumes no obligation to update this information. Because actual results may differ materially from expectations, the company cautions readers not to place undue reliance on these statements. A number of factors, including weather, fuel costs, changes in supply and demand in the market for electric power, the performance of generating units and transmission system and uncertainties relating to PNM's litigation with Western Resources and related costs, and state and federal regulatory and legislative decisions and actions, including the wholesale electric power pricing mitigation plan ordered by the Federal Energy Regulatory Commission (FERC) on June 18, 2001, rulings issued by the New Mexico Public Regulation Commission (NMPRC) pursuant to the Electric Utility Industry Restructuring Act of 1999, as amended, and in other cases now pending or which may be brought before the FERC or NMPRC could cause PNM operating revenues and earnings to differ from results forecast in this news release. For a detailed discussion of the important factors affecting PNM Resources, please see "Management's Discussion and Analysis of Financial Condition and Results of Operations" in the Company's Form 10-K for the year ended December 31, 2000, Form 10-Q for the quarter ended September 30, 2001 and Form 8-K filings with the Securities and Exchange Commission.
