#### Compliance with Section 16(a) of the Securities Exchange Act of 1934

Section 16(a) of the Securities Exchange Act of 1934, as amended,

## Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form 10-K/A

requires our executive officers and trustees, and persons who own more than ten percent of a registered class of our equity securities, to file reports of ownership and changes in ownership with the Commission. These persons are required by regulation of the Commission to furnish us with copies of all Section 16(a) forms they file.

During the fiscal year ended December 31, 2003, one of our executive officers, Stuart J. Boesky, did not comply with all applicable Section 16(a) filing requirements. Mr. Boesky purchased shares of our Company through a partnership in which he is a 25% equity holder on July 18, 2003 and he did not file the applicable Section 16(a) filing until July 25, 2003, which is longer than the two business day requirement of the Securities and Exchange Commission for filing Section 16(a) filings. Other than Mr. Boesky, the remaining trustees, executive officers and greater than ten percent beneficial owners complied with all applicable Section 16(a) filing requirements.

### Item 11. Executive Compensation

#### Trustees and Management

We currently have four executive officers and five Trustees (three of whom are Independent Trustees). We do not pay or accrue any fees, salaries or other forms of compensation to our officers other than options which may be received under the Share Option Plan. Independent Trustees receive compensation for serving as Independent Trustees at the rate of \$10,000 per year payable in cash, in addition to an expense reimbursement for attending meetings of our board of trustees.

Our Advisor, at its expense, provides all personnel necessary to conduct our regular business. Our Advisor receives various fees and reimbursements for advisory and other services performed under our Advisory Agreement, as further described in the "Certain Relationships and Related Transactions - Advisory Agreement" section of this Form 10-K. An affiliate of our Advisor pays all salaries, bonuses and other compensation (other than options which may be received under the Share Option Plan) to the officers of our Advisor (including such officers who also serve as officers of our Company). Certain officers of our Advisor and certain officers of our Company receive compensation from our Advisor and its affiliates for services performed for various affiliated entities, which may include services performed for us. Such compensation may be based in part on our performance; however, our Advisor believes that any such compensation attributable to services performed for us is immaterial.

#### Share Option Plan

We have adopted an Incentive Share Option Plan (the "Plan"), the purpose of which is (i) to attract and retain qualified persons as trustees and officers and (ii) to incentivize and more closely align the

financial interests of our Advisor and its employees and officers with the interests of the holders of our common shares by providing our Advisor with a substantial financial interest in our success. The compensation committee, which is comprised of Messrs. Mannes and Rosan, administers the Plan. Pursuant to the Plan, if our distributions per common share in the immediately preceding calendar year exceed \$1.45 per common share, the compensation committee has the authority to issue options to purchase, in the aggregate, that number of common shares which is equal to three percent of the common shares outstanding as of December 31 of the immediately preceding calendar year, provided that the

## Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form 10-K/A

compensation committee may only issue, in the aggregate, options to purchase a maximum number of common shares over the life of the Plan equal to 383,863 common shares ( i.e., 10% of the common shares outstanding on December 31, 1999, the end of the year in which our common shares commenced trading on the American Stock Exchange).

Subject to the limitations described in the preceding paragraph, if the compensation committee does not grant the maximum number of options in any year, then the excess of the number of authorized options over the number of options granted in such year will be added to the number of authorized options in the next succeeding year and will be available for grant by the compensation committee in such succeeding year.

All options granted by the compensation committee will have an exercise price equal to or greater than the fair market value of the common shares on the date of the grant. The maximum option term is ten years from the date of grant. All common share options granted pursuant to the Plan may vest immediately upon issuance or in accordance with the determination of the compensation committee. No options were granted for the years ended December 31, 1999, December 31, 2000, and December 31, 2001. In 2002, we distributed \$1.51 per common share. Therefore, the compensation committee was authorized to issue options for the year ended December 31, 2002. On April 11, 2003, the compensation committee granted 190,000 options to 25 employees of RCC and to our Advisor. In 2003, we distributed \$1.60 per common share. Therefore, the compensation committee is authorized to issue options for the year ended December 31, 2003. To date, there have not been any options issued.

The following table sets forth information concerning the grant of share options to AMAC's Trustees or executive officers:

Name	Title	Options Granted (1)	Percentage of total options granted to employees in fiscal year	Per Share exercise price	Expirati Date
Stuart Rothstein	CFO	52,000	27%	\$15.03	4/11/13
Related Capital Company	Affiliate of Advisor	30,000	16%	\$15.03	4/11/13
Others (24 people)	Various	108,000	57%	\$15.03	4/11/13
Total		190,000	100%		

(1) Options become exercisable one-third on each of the first three anniversaries of the date of grant.

(2) Assumed annual rates of share price appreciation, as determined by the rules of the Commission, for illustrative purposes only. Actual share prices will vary from time to time based upon market factors and the

## Edgar Filing: AMERICAN MORTGAGE ACCEPTANCE CO - Form 10-K/A

Company's financial performance. No assurance can be given that such rates will be achieved.

### Report of the Compensation Committee

The compensation committee of our board of trustees is comprised of two independent trustees (Messrs. Rosan and Mannes). The role of the compensation committee is to administer the policies governing the Plan. Because we do not pay salaries and bonuses to our officers or our Advisor, the compensation committee does not determine executives' salary levels. Subject to the restrictions contained in the Plan, option compensation is intended to be set at a level competitive with the amounts paid to the management of similarly sized companies in similar industries. The compensation committee also evaluates the performance of management when determining the number of options to be issued.

Our grants of share options are structured to link the compensation of our officers and the officers and employees of our Advisor with our performance. Through the establishment of the Plan, we have aligned the financial interests of our executives (and the executives and employees of our Advisor) with the results of our performance, which is intended to enhance shareholder value. The compensation committee may only grant options if certain performance levels are met and is limited in the number of options which may be granted each year (See "Share Option Plan" above). The amount of options which may be granted will be set at levels that the compensation committee believes to be consistent with others in our industry, with such compensation contingent upon our level of annual and long-term performance.

Section 162(m) was added to the Internal Revenue Code as part of the Omnibus Budget Reconciliation Act of 1993. Section 162(m) limits the deduction for compensation paid to the Chief Executive Officer and the other executive officers to the extent that compensation of a particular executive exceeds \$1,000,000 (less the amount of any "excess parachute payments" as defined in Section 280G of the

Code) in any one year. However, under Section 162(m), the deduction limit does not apply to certain "performance-based" compensation established by an independent compensation committee which conforms to certain restrictive conditions stated under the Code and related regulations. It is our goal to have compensation paid to our executive officers qualify as performance-based compensation deductible for federal income tax purposes under Section 162(m). Given the fact that we are currently externally managed and the only compensation that currently may be paid to our executive officers are options pursuant to the Plan, it is unlikely that Section 162(m) will present any concerns.

The Declaration of Trust and Advisory Agreement provide that we will indemnify our Advisor and its affiliates under certain circumstances.

Our Advisor is entitled to subcontract its obligations under our Advisory Agreement to an affiliate. In accordance with the foregoing, our Advisor has assigned its rights and obligations to RCC.

Pursuant to our Advisory Agreement, our Advisor is entitled to receive as compensation a number of shares equal to 1% of all common shares issued by us. In connection with a 1,955,000 common share offering we completed in April, 2003, our Advisor was issued 19,550 common shares. These shares were subsequently distributed to RelCap Holdings, LLC.

### Affiliated Transactions

In September 2003, we and our Advisor agreed to amend the Advisory Agreement regarding the payment of an incentive management fee to the Advisor. Under the terms of the amended agreement, there is no change to the calculation of the incentive management fee. However, the incentive management fee is only earned by the Advisor if the Company attains \$1.60 in GAAP earnings per share for the calendar year. Based on the amendment to the agreement and our 2003 earnings per share of \$1.52, we did not pay the Advisor an incentive management fee in 2003.

Also in September 2003, we entered into a letter of agreement with PW Funding Inc. ("PWF"), a subsidiary of CharterMac, which is the parent of our Advisor, under which we transferred and assigned all of our rights and obligations to the two loans we originated under our Fannie Mae Virtual DUS program to PWF. There was no payment made or received by us in connection with this transfer. CharterMac has agreed to guarantee PWF's performance with regard to this program, which in turn, allowed for the release of approximately \$8.3 million in collateral pledged by us to secure our obligations under the loan program. In turn, we indemnified PWF against any losses to Fannie Mae on the loans and indemnified CharterMac against any obligation under its guaranty. The maximum aggregate exposure to us under this agreement is approximately \$7.5 million. However, we believe that we will not be called upon to fund any of these guarantees and, accordingly, that the fair value of the guarantees is insignificant.

In October 2003, we purchased nine taxable revenue bonds at a discount (99% of par) from CharterMac in the amount of \$7.6 million. The nine taxable revenue bonds, each of which is secured by a first mortgage position, held by CharterMac, on a multifamily property, carry a weighted average interest rate of 8.69%. The price paid was determined by an independent third party valuation of the taxable revenue bonds. This transaction was approved by the independent members of our Board of Trustees.

On October 15, 2003, we funded a bridge loan to Related Capital Guaranteed Corporate Partners II, L.P. Series A, an affiliate of our Advisor, in the approximate amount of \$1.3 million. We received a fee of \$10,000 for funding the loan. The loan was repaid on October 31, 2003.

During 2003, the Advisor agreed to waive approximately \$67,000 in asset management fees relating to additional work the Advisor performed on certain properties owned by us which were acquired as the result of us foreclosing on troubled loans. As the Advisor was paid a fee at the time the loans were originated, the Advisor agreed to waive certain additional fees to which it was entitled.

In December 2003, we borrowed approximately \$11.3 million from CharterMac in order to aid in the purchase of the Concord at Gulfgate first mortgage in the total amount of \$14.1 million. CharterMac charged us interest at an annual rate of 3.17% on the borrowings, which was based on LIBOR plus 2%, which is the same rate paid by us on our Fleet Warehouse Facility. Shortly thereafter, we received a loan from Fleet on the warehouse facility in the amount of \$14 million, the proceeds of which were used to repay the loan to CharterMac.

Policy on Pre-Approval of Independent Auditor Services

The audit committee is responsible for appointing, setting compensation and overseeing the work of the independent auditors. The audit committee has established a policy regarding pre-approval of all audit and non-audit services provided by our Company's independent auditors.

On an on-going basis, management communicates specific projects and categories of service for which the advance approval of the audit committee is requested. The audit committee reviews these requests and advises management if the audit committee approves the engagement of the independent auditors. The audit committee may also delegate the ability to pre-approve audit and permitted non-audit services to one or more of its members, provided that any pre-approvals are reported to the audit committee at its next regularly scheduled meeting.
