ITEM 3. INCORPORATION OF CERTAIN DOCUMENTS BY REFERENCE

The Securities and Exchange Commission allows us to "incorporate" into this registration statement information we file with other documents. This means that we may disclose important information to you by referring to other documents that contain that information. The information incorporated by reference is considered to be part of this registration statement, and information we file later with the Securities and Exchange Commission will automatically update and supersede this information. We incorporate by reference the documents listed below, except to the extent information in those documents is different from the information contained in this registration statement, and all future documents filed with the Securities and Exchange Commission under Sections 13(a), 13(c), 14 or 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") until we terminate the offering of these shares:

- (i) our Annual Report on Form 10-K for the year ended March 31, 2005, as amended;
- (ii) our Quarterly Reports on Form 10-Q for the quarters ended June 30, 2005, September 30, 2005 and December 31, 2005;

- (iv) our Definitive Proxy Statement on Schedule 14A filed with the Securities and Exchange Commission on November 10, 2005; and
- (v) the description of our common stock set forth in our Registration Statement on Form 8-A filed pursuant to Section 12 of the Exchange Act and declared effective by the Securities and Exchange Commission on December 27, 1994 (File No. 1-7731) and any and all amendments and reports filed for the purpose of updating such description.

All documents subsequently filed by us with the Securities and Exchange Commission pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act, prior to the filing of a post-effective amendment to this registration statement, which indicates that all securities offered hereby have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this registration statement and to be a part hereof from the date of filing of such documents.

ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL

Not Applicable.

Edgar Filing: EMERSON RADIO CORP - Form S-8

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS

Section 145 of the Delaware General Corporation Law ("GCL") provides generally that a person sued as a director, officer, employee or agent of a corporation may be indemnified by the corporation in nonderivative suits for expenses (including attorneys' fees), judgments, fines and amounts paid in settlement if such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the corporation. In the case of criminal actions and proceedings, such person must have had no reasonable cause to believe his or her conduct was unlawful. Indemnification of expenses is authorized in stockholder derivative suits where such person acted in good faith and in a manner reasonably believed to be in or not opposed to the best interests of the corporation and so long as he or she had not been found liable for negligence or misconduct in the performance of his or her duty to the corporation. Even in this latter instance, the court may determine that in view of all the circumstances such person is entitled to indemnification for such expenses as the court deems proper. A person sued as a director, officer, employee or agent of a corporation who has been successful in defense of the action must be indemnified by the corporation against expenses (including attorney's fees).

Our Certificate of Incorporation and Bylaws provide that we shall indemnify any person to the full extent permitted by the GCL, as the same exists, or as it may be amended. However, in the case of amendment, the indemnification rights extend only to the extent that such amendment permits us to provide broader indemnification rights than the GCL provided prior to such amendment. Approval from the board of directors to initiate a suit against us is a prerequisite for indemnification of such person initiating the suit. For our officers and directors, advancement of expenses prior to a final disposition of a proceeding is permitted only if such officer or director delivers to us a written affirmation of his or her good faith belief that he or she has met the standard of conduct necessary for indemnification under the GCL and a written affirmation, by or on behalf of such officer or director, to repay all amounts so advanced if it should be determined ultimately that he or she is not entitled to indemnification. Any indemnification or advance of expenses must be reported to our stockholders in writing. If we do not pay a claim for indemnification within ninety days after receipt of a written claim, a suit to recover the unpaid amount may be brought by the person seeking indemnification. Such person, if successful in whole or in part in his or her suit to compel indemnification, will be entitled to the reasonable expenses of prosecuting such suit. We have the power and authority to purchase and maintain insurance or another arrangement against any claim, damage, loss or risk, regardless of whether we have such power to indemnify under our Certificate of Incorporation and Bylaws and the GCL. All indemnification rights conferred by our Certificate of Incorporation and Bylaws are not intended to apply to any of our predecessor entities.

Insofar as indemnification for liabilities under the Securities Act may be permitted to our directors, officers or controlling persons pursuant to our Certificate of Incorporation and By-Laws and the GCL, we have been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

In accordance with Section 102(b)(7) of the GCL, our Certificate of Incorporation eliminates the personal liability of directors to us or to our stockholders for monetary damages for breach of fiduciary duty as a director with certain limited exceptions set forth in Section 102(b)(7). Our directors are personally liable for liabilities incurred for breach of director's duty of loyalty, for actions or omissions not in good faith, under Section 174 of the GCL or for any transaction in which the director derived an improper personal benefit.

ITEM 8. EXHIBITS

The exhibits accompanying this registration statement are listed on the accompanying exhibit index.

ITEM 9. UNDERTAKINGS

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any acts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

-5-

Edgar Filing: EMERSON RADIO CORP - Form S-8

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
