PART III. NARRATIVE

Glowpoint, Inc. has determined that it is unable to file its Form 10-K for the year ended December 31, 2005 by the March 31, 2006 due date or by April 15, 2006 and, accordingly, Glowpoint is not requesting the fifteen-day extension permitted by the rules of the Securities and Exchange Commission (the "SEC").

Glowpoint's restatement and re-audit

On June 2, 2005, we dismissed our independent accounting firm, BDO Seidman LLP, for geographic reasons, and retained the independent accounting firm of Eisner LLP. In the course of its initial assessment of our December 31, 2004 balance sheet, Eisner raised certain issues relating to property and equipment. Our internal accounting team looked into the matter and subsequently concluded, on a preliminary basis, that the costs associated with certain purchases of videoconferencing equipment for resale and certain other operating costs that represented cost of revenue had erroneously been capitalized as property and equipment.

These preliminary conclusions were discussed at a meeting of our board of directors on July 21, 2005. At that meeting, our Audit Committee determined to undertake an independent investigation of the matter. Following that meeting, our internal accounting team conducted a further review of the audited financial statements for 2002 through 2004 and held several discussions with our former CFO. Based on these discussions, on August 2, 2005, we concluded that our financial statements for fiscal years 2002 through 2004 (and the related quarters) and the quarter ended March 31, 2005 needed to be restated and should no longer be relied upon.

We requested that BDO Seidman audit our restated consolidated financial statements for fiscal years 2002 through 2004 and review our condensed consolidated financial statements for the applicable inclusive interim periods and the quarter ended March 31, 2005, BDO Seidman declined. We have recently completed the restatement of our audited consolidated financial statements as of December 31, 2004 and for the year then ended. We have also recently completed the restatement of our unaudited condensed consolidated financial statements for the interim periods within 2004 and for the first quarter of 2005.

Edgar Filing: GLOWPOINT INC - Form NT 10-K

Our internal accounting team is working diligently to complete our fiscal 2005 results but because we have been devoting our time and resources to the restatement of fiscal 2004 and the first quarter of 2005, we will be unable to file our Form 10-K for the year ended December 31, 2005 on a timely basis or within the 15-day grace period. In addition, restating financial statements for fiscal years 2002 and 2003 will require significant additional time and resources, primarily because of the following reasons:

- o During 2003, we completed the sale of our VS equipment business to Gores. As part of the sale, we transferred four data communication servers which contained various documents and audit support workpapers associated with the books and records of the VS business for all periods prior to the sale. We did not retain backups of the information on those servers and we just recently received data downloads from such servers. Gores was only able to locate three of the four servers transferred.
- o We may not be able to quantify inventory in periods prior to 2004. Effective with the sale to Gores, we no longer owned any inventory and BDO Seidman was the only auditor who observed the physical inventory counts that affect those periods. To date we have not been able to verify such inventory amounts, which will be necessary in order to complete a restatement of our consolidated financial statements for the years ended December 31, 2002 and 2003. We will take all available actions to gain access to the BDO Seidman workpapers.
- o Without further time and resources, we cannot ensure that the resolution of the above items will enable us to restate fiscal years 2002 and 2003 on a timely basis or at all.
