FORWARD-LOOKING STATEMENTS

Some of the statements in this report and the exhibits hereto are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. Although Reliant Resources Inc. believes that the expectations and the underlying assumptions reflected in its forward-looking statements are reasonable, there can be no assurance that these expectations will prove to be correct. Forward-looking statements involve a number of risks and uncertainties, and actual results may differ materially from the results discussed in the forward-looking statements. References in this report to the terms we, us, our or other similar terms mean Reliant Resources, Inc. and its subsidiaries. The words anticipate, estimate, believe, continue,

Edgar Filing: RELIANT RESOURCES INC - Form 8-K

could, intend, may, plan, potential, predict, should, will, expect, objective, projection, forecast, goal, guidance, are intended to identify our forward-looking statements.

In addition to the matters described in this report and the exhibits hereto, the following are some of the factors that could cause actual results to differ materially from those expressed or implied in our forward-looking statements:

state, federal and international legislative and regulatory developments, including deregulation, re-regulation and restructuring of the electric utility industry, changes in or application of environmental and other laws and regulations to which we are subject, and changes in or application of laws or regulations applicable to other aspects of our business, such as commodities trading and hedging activities;

the outcome of pending lawsuits, governmental proceedings and investigations;

the effects of competition, including the extent and timing of the entry of additional competitors in our markets;

liquidity concerns in our markets;

the degree to which we successfully integrate the operations and assets of Orion Power Holdings, Inc. into our wholesale energy segment;

the successful and timely completion of our construction projects, as well as the successful start-up of completed projects;

any reduction in our trading, marketing and origination activities;

our pursuit of potential business strategies, including acquisitions or dispositions of assets or the development of additional power generation facilities;

the timing and extent of changes in commodity prices and interest rates;

the availability of adequate supplies of fuel, water, and associated transportation necessary to operate our generation portfolio;

weather variations and other natural phenomena, which can affect the demand for power from or our ability to produce power at our generating facilities;

financial market conditions and our access to capital, including availability of funds in the capital markets for merchant generation companies;

the creditworthiness or bankruptcy or other financial distress of our counterparties;

actions by rating agencies with respect to us or our competitors;

acts of terrorism or war;

the availability and price of insurance;

the reliability of the systems, procedures and other infrastructure necessary to operate our retail electric business, including the systems owned and operated by the independent system operator in the Electric Reliability Council of Texas;

political, legal, regulatory and economic conditions and developments in the United States and in foreign countries in which we operate, including the effects of fluctuations in foreign currency exchange rates;

the successful operation of deregulating power markets; and

the resolution of the refusal by certain California market participants to pay our receivables balances.

Each forward-looking statement speaks only as of the date of the particular statement, and we undertake no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events or otherwise.
