Item 1.01 Entry into a Material Definitive Agreement

On August 6, 2015, the Company entered into a Bridge Term Loan Agreement among Black Hills Corporation, as Borrower; the financial institutions from time to time party thereto, as Banks, and Credit Suisse AG, Cayman Islands Branch, as Administrative Agent (the “Bridge Facility”).

The Bridge Facility is a senior unsecured \$1.17 billion facility to provide for funding of the Company’s pending acquisition of SourceGas Holdings LLC (“SourceGas”). The Bridge Facility was executed pursuant to the previously executed Commitment Letter with Credit Suisse dated July 12, 2015, and is a committed facility to fund an acquisition term loan in a single draw in an amount of up to \$1.17 billion. Upon funding of the loan, the loan termination date is the earlier of one year from the loan funding date or the date the loan is paid in full. The facility also includes customary affirmative and negative covenants which largely replicate the covenants under our existing revolving credit facility, except that, under the Bridge Facility, the Company must maintain a recourse leverage ratio not to exceed .75 to 1.00.

On August 6, 2015, the Company also amended its revolving credit facility and term loan credit agreement in connection with the Bridge Facility to permit certain indebtedness of SourceGas and its affiliates (that will not be pari passu with our revolving credit facility and term loan credit agreement), to remain outstanding after our acquisition of SourceGas and to increase the recourse leverage in certain circumstances. The amendments allow the maximum recourse ratio to be no greater than 0.65 to 1.00 at the end of any quarter, but may increase to (i) 0.70 to 1.00 at the end of any fiscal quarter during such four fiscal quarter period that the aggregate outstanding debt assumed or incurred in connection with our acquisition of SourceGas is equal to or greater than \$1.25 billion and less than \$1.46 billion or (ii) 0.75 to 1.00 at the end of any fiscal quarter during such four fiscal quarter period that the aggregate outstanding debt assumed or incurred in connection with our acquisition of SourceGas is equal to or greater than \$1.46 billion and less than \$1.89 billion.

The Bridge Facility, First Amendment to the Credit Agreement dated April 13, 2015, and the Second Amendment to the Amended and Restated Credit Agreement dated May 29, 2014, are filed as Exhibits 10.1, 10.2 and 10.3, respectively, to this Form 8-K and are incorporated herein by reference.
