PROXY STATEMENT
FOR THE TRAVELZOO INC.
2015 ANNUAL MEETING OF STOCKHOLDERS
INFORMATION ABOUT THE ANNUAL MEETING

Why am I receiving these proxy materials?

Travelzoo's Board of Directors is soliciting proxies to be voted at the 2015 Annual Meeting of Stockholders. This proxy statement includes information about the issues to be voted upon at the meeting.

Only stockholders of record of our common stock, par value \$0.01 per share (the "Common Stock"), as of 5:00 p.m. Eastern Time on March 6, 2015 (the "record date") will be entitled to notice of, and to vote at, the Annual Meeting. As of the record date, there were 14,730,454 shares of our Common Stock issued and outstanding.

Where and when is the Annual Meeting?

The Annual Meeting of Stockholders will take place on May 1, 2015 at 590 Madison Avenue, 37th Floor, New York, NY 10022. The meeting will begin at 10:00 a.m. local time.

What am I voting on?

Stockholders will vote on three items:

A proposal to elect five members of the Company's Board, each to serve until the 2016 Annual Meeting of Stockholders and until their successors are elected and qualified or until their earlier resignation or removal ("Proposal 1");

A proposal to approve, on an advisory basis, the compensation of the executive officers of the Company ("Proposal 2"); and

To transact such other business as may properly come before the Annual Meeting or any adjournment or postponement of the Annual Meeting.

How does the Board recommend that you vote on the proposals?

The Board recommends that you vote your shares "FOR" Proposal 1 and Proposal 2.

How many votes do I have?

You have one vote for each share of our common stock that you owned at the close of business on March 6, 2015, the record date. These shares include:

Shares held directly in your name as the "stockholder of record" and

Shares held for you as the beneficial owner through a broker, bank, or other nominee in "street name."

If I am a stockholder of record, how can I vote my shares?

Stockholders can vote by proxy or in person, however, granting a proxy does not in any way affect your right to attend the Annual Meeting and vote in person.

How do I vote by proxy?

If you are a stockholder of record, you may vote your proxy by mail. If you receive a paper copy of the proxy statement, simply mark the enclosed proxy card, date and sign it, and return it in the postage paid envelope provided.

If you receive the proxy statement via e-mail, please print the attached proxy card, date and sign it, and return it via mail to Broadridge Financial Solutions, Inc., 51 Mercedes Way, Edgewood, NY 11717.

If you vote by proxy, the persons named on the card (your "proxies") will vote your shares in the manner you indicate. You may specify whether your shares should be voted for all, some or none of the nominees for director or any other proposals properly brought before the Annual Meeting. If you sign your proxy card and do not indicate specific choices, your shares will be voted "FOR" the election of all nominees for director and "FOR" Proposal 2. If any other matter is properly brought before the meeting, your proxies will vote in accordance with their discretion. At the time of submitting this proxy statement for printing, we knew of no matter that will be acted on at the Annual Meeting other than those discussed in this proxy statement.

If you wish to give a proxy to someone other than the persons named on the enclosed proxy card, you may strike out the names appearing on the card and write in the name of any other person, sign the proxy, and deliver it to the person whose name has been substituted.

May I revoke my proxy?

If you give a proxy, you may revoke it in any one of three ways:

• Submit a valid, later-dated proxy before the Annual Meeting,

• Notify our Corporate Secretary in writing at Travelzoo Inc., Attention: Corporate Secretary, 800 W. El Camino Real, Suite 275, Mountain View, CA 94040 before the Annual Meeting that you have revoked your proxy, or

• Vote in person at the Annual Meeting.

How do I vote in person?

If you are a stockholder of record, you may cast your vote in person at the Annual Meeting.

If I hold shares in street name, how can I vote my shares?

You can submit voting instructions to your broker or nominee. In most instances, you will be able to do this over the Internet or by mail. Please refer to the voting instruction card included in the materials provided by your broker or nominee.

What vote is required to approve each proposal?

Each share of our Common Stock is entitled to one vote with respect to each matter on which it is entitled to vote.

Pursuant to our bylaws, our directors are elected by a plurality of the votes cast, which means that the nominees who receive the greatest number of votes will be elected. The affirmative vote of a majority of the shares of the Company's Common Stock present in person or represented by proxy and entitled to vote on the proposal will be considered as the approval, by an advisory vote, of Proposal 2.

In order to have a valid stockholder vote, a stockholder quorum must exist at the Annual Meeting. A quorum will exist when stockholders holding a majority of the outstanding shares of Common Stock are present at the meeting, either in person or by proxy.

Azzurro Capital Inc., whose beneficial owner is Mr. Ralph Bartel, a member of our Board, holds an aggregate of 7,230,538 shares of our Common Stock, representing approximately 49.1% of the outstanding shares, as of March 6, 2015. Azzurro Capital Inc. currently holds a proxy given to it by Mr. Holger Bartel that provides it with a total of 50.4% of the voting power.

All properly executed proxies delivered pursuant to this solicitation and not revoked will be voted at the Annual Meeting as specified in such proxies. As noted above, if no voting instructions are indicated, proxies will be voted as recommended by our Board on all matters, and in the discretion of the proxy holder on any other matters that properly come before the Annual Meeting.

What is a broker non-vote and how are broker non-votes and abstentions counted?

A broker "non-vote" occurs when a nominee holding shares of Common Stock for the beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner. Brokers that have not received voting instructions from their clients cannot vote on their clients' behalf on "non-routine" proposals. The vote on Proposals 1, and 2 are considered "non-routine". Broker non-votes will not have any effect with respect to Proposals 1, and 2, as shares that constitute broker non-votes are not considered entitled to vote but will be counted for the purposes of obtaining a quorum for the Annual Meeting.

Abstentions are counted as "shares present" at the Annual Meeting for purposes of determining the presence of a quorum and with respect to any matters being voted upon at the Annual Meeting. Abstentions will have no effect on the outcome of the election of directors, but with respect to any other proposal an abstention will have the same effect as a vote against such proposal.

Where can I find the voting results of the meeting?

We intend to announce preliminary voting results at the meeting. We will publish the final results in a report on Form 8-K, which we intend to file within four business days following the Annual Meeting. You can obtain a copy of the Form 8-K by logging on to Travelzoo's investor relations website at www.travelzoo.com/ir, by calling the Securities and Exchange Commission (the "SEC") at (800) SEC-0330 for the location of the nearest public reference room, or through the EDGAR system at www.sec.gov. Information on our website does not constitute part of this proxy statement.

ELECTION OF DIRECTORS (PROPOSAL 1)

Under Travelzoo's bylaws, the number of directors of Travelzoo is fixed, and may be increased or decreased from time to time, by resolution of the Board of Directors. Each director holds office for a term of one year, until the annual meeting of stockholders next succeeding the director's election and until a successor is elected and qualified or until the earlier resignation or removal of the director. Should one or more of these nominees become unavailable to accept nomination or election as a director, the individuals named as proxies on the enclosed proxy card will vote the shares that they represent for the election of such other persons as the Board may recommend, unless the Board reduces the number of directors. We have no reason to believe that any nominee will be unable or unwilling to serve if elected as a director.

Required Vote

Our Certificate of Incorporation, as amended, does not authorize cumulative voting. Delaware law and our bylaws provide that directors are to be elected by a plurality of the votes of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote on the election of directors. This means that the five candidates receiving the highest number of affirmative votes at the Annual Meeting will be elected as directors. Only shares that are voted in favor of a particular nominee will be counted toward that nominee's achievement of a plurality. Shares present at the Annual Meeting that are not voted for a particular nominee or shares present by proxy where the stockholder properly withheld authority to vote for such nominee will not be counted toward that nominee's achievement of a plurality. Thus, abstentions and broker non-votes will have no effect on the election of directors. Proxies cannot be voted for a greater number of persons than the number of nominees named.

Board of Directors' Recommendation

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE ELECTION OF THE FIVE DIRECTOR NOMINEES NAMED ABOVE.

The Board of Directors believes that each director nominee possesses the qualities and experience a member of Travelzoo's Board should possess. The Board of Directors seeks out, and the Board of Directors is comprised of, individuals whose background and experience complement those of other Board members.

CORPORATE GOVERNANCE

Board Meetings and Committees

The Board of Directors has appointed an Audit Committee, a Compensation Committee, a Disclosure Committee and a Nominating and Corporate Governance Committee. Below is a table indicating the membership of each of the Audit Committee, Compensation Committee, and Disclosure Committee and how many times the Board of Directors and each such committee met in fiscal year 2014. Each of Mr. Holger Bartel, Mr. Ralph Bartel, Mr. Karg, Mr. Neale-May, and Ms. Reilly attended at least 75 percent of the total number of meetings of the Board of Directors and of the committees on which he or she serves during the period such persons served.

The Company does not require that directors attend the Annual Meeting.

Audit Committee

The Audit Committee's primary responsibilities are to oversee and monitor (i) the integrity of Travelzoo's financial statements, (ii) the qualifications and independence of our independent registered public accounting firm, (iii) the performance of our independent registered public accounting firm and internal audit staff, and (iv) the compliance by Travelzoo with legal and regulatory requirements. A complete description of the committee's responsibilities is set forth in its written charter. A copy of the written charter can be found in Appendix A of our 2008 proxy statement. The Audit Committee is responsible for appointing the independent registered public accounting firm and is directly responsible for the compensation and oversight of the work of our independent registered public accounting firm. The Audit Committee is composed solely of independent directors as defined in the listing standards of the NASDAQ. The Board has determined that Ms. Mary Reilly qualifies as an audit committee financial expert within the meaning of the regulations of the Securities and Exchange Commission.

Compensation Committee

The Compensation Committee reviews and approves the compensation and benefits for the Company's executive officers and directors, and makes recommendations to the Board of Directors regarding such matters. The Compensation Committee also approves the Company's non-equity incentive plans. The Compensation Committee further reviews and discusses with management the Compensation Discussion and Analysis section of this proxy statement. The Report of the Compensation Committee is included herein. The Company is not required to have a Compensation Committee charter since it is a "Controlled Company" under NASDAQ Rule 5615(c), on account of the stock ownership by Azzurro Capital Inc. and the proxy given to Azzurro Capital Inc. by Mr. Holger Bartel.

Disclosure Committee

The Disclosure Committee's primary responsibilities are (i) to design, establish and evaluate controls and other procedures that are designed to ensure the accuracy and timely disclosure of information to the SEC and investment community and (ii) to review and supervise preparation of all SEC filings, press releases and other broadly disseminated correspondence.

Nominating and Corporate Governance Committee

The Nominating Committee assists the Board in identifying qualified individuals to become directors, makes recommendations to the Board concerning the size, structure and composition of the Board and its committees, monitors the process to assess the Board's effectiveness and is primarily responsible for oversight of corporate governance. In evaluating potential nominees to the Board, the Nominating Committee considers, among other things, independence, character, ability to exercise sound judgment, age, demonstrated leadership, skills, including financial literacy, and experience in the context of the needs of the Board. The Nominating Committee considers candidates proposed by shareholders and evaluates them using the same criteria as for other candidates. The Nominating Committee recommended to the full Board each of the current nominees for election to the Board.

The Board's Role in Risk Oversight

The full Board oversees enterprise risk as part of its role in reviewing and overseeing the implementation of the Company's strategic plans and objectives. The risk oversight function is administered both in full Board discussions and in individual committees that are tasked by the Board with oversight of specific risks. On a regular basis, the Board and its committees receive information and reports from management on the status of the Company and the risks associated with the Company's strategy and business plans. In addition, the Audit Committee reviews the Company's risk assessment and risk management policies and procedures at least annually, including steps taken to monitor and control such exposures. The Board believes the continuity of Board membership, as well as the independent directors constituting a majority of the Board and separation of the roles of Chairman and Chief Executive Officer, encourage open discussion and assessment of the Company's ability to manage its risks.

Code of Ethics

We have adopted a code of ethics that applies to our Chief Executive Officer and our Chief Financial Officer, who also serves as our principal accounting officer. This code of ethics is posted on our website located at corporate.travelzoo.com/governance. A copy of the code of ethics is also available in print to stockholders and interested parties without charge upon written request delivered to our Corporate Secretary at Travelzoo Inc., 800 W. El Camino Real, Suite 275, Mountain View, CA 94040.

Communications with Directors

The board has established a process to receive communications from stockholders. Stockholders and other interested parties may contact any member (or all members) of the board, or the non-management directors as a group, any board committee or any chair of any such committee by mail. To communicate with the Board of Directors, any individual directors or any group or committee of directors, correspondence should be addressed to the Board of Directors or any such individual directors or group or committee of directors by either name or title. All such correspondence should be sent "c/o Corporate Secretary" at Travelzoo Inc., 800 W. El Camino Real, Suite 275, Mountain View, CA 94040.

All communications received as set forth in the preceding paragraph will be opened by the Corporate Secretary for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service, patently offensive material or matters deemed inappropriate for the Board of Directors will be forwarded promptly to the addressee. In the case of communications to the board or any group or committee of directors, the Corporate Secretary will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the correspondence is addressed.

Director Compensation

Directors of the Company or its subsidiaries are entitled to receive certain retainers and fees. In 2014, there were no adjustments to the director compensation policy, except the Board of Directors set up the retainer for Chairman of the Board in 2014. The retainers and meeting fees are as follows:

Certain Relationships and Related Party Transactions

The Company maintains policies and procedures to ensure that our directors, executive officers and employees avoid conflicts of interest. Our Chief Executive Officer and Chief Financial Officer are subject to our Code of Ethics and each signs the policy to ensure compliance. Our Code of Ethics requires our leadership to act with honesty and integrity, and to fully disclose to the Audit Committee any material transaction that reasonably could be expected to give rise to an actual or apparent conflict of interest. The Code of Ethics requires that our leadership obtain the prior written approval of the Audit Committee before proceeding with or engaging in any conflict of interest.

Our Audit Committee or a special committee consisting of independent directors ("Special Committee"), with the assistance of legal counsel, reviews all related party transactions involving the Company and any of the Company's principal shareholders or members of our board of directors or senior management or any immediate family member of any of the foregoing. A general statement that the Audit Committee may review related party transactions is set forth in our audit committee charter, which was attached as Appendix A to our proxy statement for the 2008 Annual Meeting of Stockholders which has been filed with the SEC. While we have no written policy, when a potential related party transaction is identified, the Audit Committee or a Special Committee will consider relevant facts and circumstances surrounding each related party transaction and any matters the committee deems appropriate. If the Audit Committee or a Special Committee determines that any such related party transaction creates a conflict of interest situation or would require disclosure under Item 404 of Regulation S-K, as promulgated by the SEC, the transaction must be approved by the committee prior to the Company entering into such transaction or ratified thereafter. ADVISORY VOTE ON THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS (PROPOSAL 2)

Section 14A of the Exchange Act requires that we include in this proxy statement a non-binding stockholder vote on our executive compensation as described herein (commonly referred to as "Say-on-Pay").

We encourage stockholders to review the Compensation Discussion and Analysis included in this proxy statement. Our executive compensation program has been designed to pay for performance and align our executive compensation with business strategies focused on long-term growth and creating value for stockholders while also paying competitively and focusing on the total compensation perspective. We feel this design is evidenced by the following:

• Our goal is to attract, motivate and retain key executives and to reward executives for value creation.

• We provide a significant portion of our total compensation in the form of performance-based compensation; for example, approximately 7% to 34% of our named executive officers' total compensation for 2014 was in the form of performance-based compensation based on the achievement of quarterly corporate financial measures such as revenue, operating income and audience marketing.

• This is not a mechanical process, and our Board of Directors uses its judgment and experience and works with our Compensation Committee to determine the appropriate mix of compensation for each individual.

• The Board of Directors strongly endorses the Company's executive compensation program and unanimously recommends that stockholders vote in favor of the following resolution:

RESOLVED, that the stockholders approve the compensation of our named executive officers, as disclosed pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis and the other tabular and narrative disclosure in the Company's proxy statement for its 2015 Annual Meeting of Stockholders.

Required Vote

Because the vote is advisory, it will not be binding upon the Board of Directors or the Compensation Committee and neither the Board of Directors nor the Compensation Committee will be required to take any action as a result of the outcome of the vote on this proposal. The Compensation Committee will consider the outcome of the vote when considering future executive compensation arrangements. The affirmative vote of the majority of the shares of the Company's Common Stock present in person or represented by proxy and entitled to vote on the proposal will be considered as the approval, by an advisory vote, of the compensation of our named executive officers.

Board of Directors' Recommendation

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE APPROVAL OF THE ADVISORY RESOLUTION RELATING TO THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

COMPENSATION DISCUSSION AND ANALYSIS

We hold annual votes on executive compensation, in accordance with shareholder recommendation made at the 2014 annual meeting. In light of last year's shareholder approval of the compensation for executives, there were no significant changes in executive compensation.

Overview of Compensation Program

The following Compensation Discussion and Analysis, or ("CD&A"), describes our overall compensation philosophy and the primary components of our compensation program. Furthermore, the CD&A explains the process by which the Compensation Committee, or "Committee", determined the 2014 compensation for our Chief Executive Officer, Chief Financial Officer and other most highly compensated officers. We refer to these individuals collectively as the "named executives" or the "named executive officers."

Compensation Philosophy and Objectives

The fundamental objectives of our executive compensation program are to attract and retain highly qualified executive officers, motivate these executive officers to materially contribute to our long-term business success, and align the interests of our executive officers and stockholders by rewarding our executives for individual and corporate performance based on targets established by the Committee.

We believe that achievement of these compensation program objectives enhances long-term profitability and stockholder value. The elements utilized to help achieve the Committee's objectives include the following:

• **Accountability for Individual Performance.** Compensation should in large part depend on the named executive's individual performance in order to motivate and acknowledge the key contributors to our success.

• **Recognition for Business Performance.** Compensation should take into consideration our overall financial performance and overall growth.

• **Attracting and Retaining Talented Executives.** Compensation should generally reflect the competitive marketplace and be designed to attract and retain superior employees in key competitive positions.

We implement our compensation philosophy through setting base salaries for our executive officers, through the use of our executive bonus plan and through reviewing and approving other terms of employment agreements.

Compensation Determination Process

Compensation Committee Members. The Committee is responsible for establishing, overseeing and reviewing executive compensation policies and for approving, validating and benchmarking the compensation and benefits for named executive officers. The Committee is also responsible for determining the fees paid to our outside directors. The Committee includes Mr. Michael Karg (Chair) and Ms. Mary Reilly. Mr. Karg and Ms. Reilly satisfied the independence requirements of the NASDAQ.

Role of Management. During 2014, the Committee engaged in its annual review of executive compensation with the goal of ensuring the appropriate combination of fixed and variable compensation linked to individual and corporate performance. In the course of its review, the Committee considered the advice and input of the Company's CEO and data prepared by management, including a comparison of the current compensation of the named executive officers with publicly available information. Management did rely on a service from Equilar Inc., a compensation research firm, to provide peer executive compensation data from proxies and a compensation survey for comparison purposes. However, management did not receive advice from Equilar in setting our executive compensation. The data utilized by the Committee included salary and total compensation information based on the title, job description, and geographic location of similarly situated executives. The most significant aspects of the CEO's role in the compensation determination process are evaluating employee performance, establishing business performance targets, goals and objectives and recommending salary and bonus levels. The CEO does not participate in discussions regarding his compensation.

The Committee compared the compensation received by the Company's named executive officers with the levels of compensation received by similarly situated executives in the same geographic location in light of the named executives' responsibilities, performance, experience and tenure, in order to arrive at the total compensation package for each of the named executive officers. In some cases, the compensation package that the Committee awarded a named executive officer was at or below the median compensation received by executives compared to third-party data, while in other instances the compensation was higher due to the executive's responsibilities, performance,

experience and tenure.

13

The Committee did not engage an outside consulting firm to provide advice on executive compensation.

Components of Executive Compensation

The Committee has structured an executive compensation program comprised of base salary, cash bonus and non-equity incentive pay.

Base Salary

The Committee considered two types of potential base salary increases for the named executive officers in 2014: (1) "merit increases" based upon each named executive's individual performance; and/or (2) "market adjustments" based upon the salary range for similarly situated executives.

In determining merit increases, the Committee considers the specific responsibilities of the executive and the executive's overall performance and tenure with the Company. In addition, the Committee also considers the CEO's evaluation of each named executive officer in making the decision regarding merit increases.

The Committee determines any market adjustments based on the Committee's comparison of the executive's compensation with statistical information on average compensation for similarly situated executives that is publicly available.

Mr. Christopher Loughlin and Mr. Glen Ceremony base salaries were increased as shown in on the Summary Compensation Table based upon their individual performance and salary ranges for similarly situated executives in 2014. The Committee did not make any changes to the salaries of Mr. Richard Singer, Ms. Shirley Tafoya and Mr. Simon Talling-Smith.

Mr. Ceremony also received a Discretionary Bonus determined by the Board of Directors at their sole and absolute discretion. In exercising such discretion, the Board of Directors took into consideration Mr. Ceremony's individual performance. In evaluating Mr. Ceremony's individual performance during 2014, the Board of Directors considered factors such Mr. Ceremony's role as an advisor to the CEO on how to manage the Company's financial performance, his initiatives to improve the Company's management information systems, his leadership in the areas of corporate governance and business ethics, and the quality of his management of the Company's relationships with the investment community. Other Compensation-Related Matters

Stock Options. The Company grants certain executive officers stock options (which represent the right to purchase a specific number of shares of company common stock at a predetermined price, subject to vesting conditions), to align their incentives with the long-term interests of our stockholders, retain them for the long term, reward them for potential long-term contributions, and provide a total compensation opportunity commensurate with our performance.

Perquisites and Additional Benefits. The Company seeks to maintain an open and inclusive culture in its facilities and operations among executives and other Company employees. Accordingly, the Company does not provide executives with reserved parking spaces or separate dining or other facilities, nor does the Company have programs for providing personal-benefit perquisites to executives, such as club dues or defraying the cost of personal entertainment. Named executive officers and employees may seek reimbursement for business related expenses in accordance with our business expense reimbursement policy.

Employment Agreements. The Company has entered into employment agreements with the named executive officers, some of which contain severance and change of control provisions. The terms of such employment agreements are described in more detail below in Employment Agreements and Potential Payments Upon Termination or Change-in-Control. The Committee believes these agreements are appropriate for a number of reasons, including the following:

- the agreements assist in attracting and retaining executives as we compete for talented employees in a marketplace where such agreements are commonly offered;
- the change in control provisions require terminated executives to execute a release in order to receive severance benefits; and
- the change in control and severance provisions help retain key personnel during rumored or actual acquisitions or similar corporate changes.

Compensation Committee Interlocks & Insider Participation

The current members of our compensation committee are Mr. Karg and Ms. Reilly. In 2014, none of our executive officers served as a member of the compensation committee of another entity, or as a director of another entity, one of whose executive officers served on our compensation committee.

AUDIT COMMITTEE REPORT

The information contained in this report shall not be deemed to be "soliciting material" or "filed" with the SEC or subject to the liabilities of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), except to the extent that Travelzoo specifically incorporates it by reference into a document filed under the Securities Act of 1933, as amended (the "Securities Act") or the Exchange Act.

The Audit Committee oversees Travelzoo's financial reporting process on behalf of the Board of Directors.

Management is primarily responsible for the financial statements and reporting processes including the systems of internal controls, while the independent auditors are responsible for performing an independent audit of Travelzoo's consolidated financial statements in accordance with auditing standards of the Public Company Accounting Oversight Board ("PCAOB"), and expressing an opinion on the conformity of those financial statements with accounting principles generally accepted in the United States.

In this context, the committee has met and held discussions with management and the independent auditors regarding the Company's audited consolidated financial statements for the fiscal year ended December 31, 2014. The committee discussed with Travelzoo's independent auditors the overall scope and plan for their audit. The committee met, at least quarterly, with the independent auditors, with and without management present, and discussed the results of their examinations, their evaluations of Travelzoo's internal controls, and the overall quality of Travelzoo's financial reporting. Management represented to the committee that Travelzoo's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States. The committee has reviewed and discussed the consolidated financial statements with management and the independent auditors, including their judgments as to the quality, not just the acceptability, of Travelzoo's accounting principles and such other matters as are required to be discussed with the committee under auditing standards of the PCAOB.

Travelzoo's independent auditors also provided to the committee the written disclosures required by applicable requirements of the PCAOB regarding the independent accountant's communications with the audit committee concerning independence, and the committee discussed with the independent auditors that firm's independence, including those matters required to be discussed by Statement on Auditing Standards No. 16, as amended.

In reliance on the reviews and discussions referred to above, the committee recommended to the Board of Directors (and the Board of Directors has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2014 filed with the SEC. The committee has not yet selected Travelzoo's independent auditors for fiscal year 2015.

While the committee has the responsibilities and powers set forth in its charter, it is not the duty of the committee to plan or conduct audits or to determine that Travelzoo's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. This is the responsibility of management and the independent auditors. Nor is it the duty of the committee to conduct investigations or to assure compliance with laws and regulations or Travelzoo's business conduct policies.

We have adopted a procedure approved by the SEC called "householding." Under this procedure, a householding notice will be sent to stockholders who have the same address and last name and do not participate in electronic delivery of proxy materials, and they will receive only one copy of our annual report and proxy statement unless one or more of these stockholders notifies us that they wish to not participate in householding and continue receiving individual copies. This procedure reduces our printing costs and postage fees. Each stockholder who participates in householding will continue to receive a separate proxy card.

The Company will promptly deliver, upon oral or written request, a separate copy of the proxy statement and annual report to any stockholder participating in householding. Stockholders who share an address with other stockholders and are eligible for householding, but currently receive multiple copies of our annual reports and proxy statements, or who have multiple accounts in their names, can authorize us to discontinue mailings of multiple annual reports and proxy statements. Requests for additional copies, or requests for a single copy to be delivered to a shared address should be directed to Investor Relations, Travelzoo Inc., 590 Madison Avenue, 37th Floor, New York, New York 10022 or by telephone at (212) 484-4900.
