Item 1.01 Entry Into a Material Definitive Agreement

On July 14, 2010, The First of Long Island Corporation (the “Company”) entered into an underwriting agreement (the “Underwriting Agreement”) with Keefe, Bruyette & Woods, Inc., as sole managing underwriter, to issue and sell 1,250,000 shares of the Company’s common stock at a public offering price of \$24.00 per share in an underwritten public offering (the “Offering”). As part of the Offering, the Company granted the underwriter a 30-day option to purchase up to an additional 187,500 shares of common stock to cover over-allotments, if any. The underwriting discounts and commissions were \$1.32 per share. The net proceeds of the Offering, after underwriting discounts and expenses, and without exercise of the underwriter’s over-allotment option, will be approximately \$28.0 million.

The Underwriting Agreement contains customary representations, warranties and covenants between the Company and the underwriter as of the date of the Underwriting Agreement. These representations, warranties and covenants are not factual information to investors about the Company. A copy of the Underwriting Agreement is filed as Exhibit 1.1 to this Current Report on Form 8-K and is incorporated herein by reference. This description of the material terms of the Underwriting Agreement is qualified in its entirety by reference to that exhibit.

Pursuant to the Underwriting Agreement, the Company and the directors and executive officers of the Company entered into agreements providing for a 90-day “lock-up” period with respect to sales of common stock, subject to certain exceptions.

The shares of common stock were registered under the Securities Act of 1933, as amended, pursuant to a shelf registration statement on Form S-3 (Registration No. 333-167692) declared effective by the Securities and Exchange Commission on July 2, 2010 (the “Registration Statement”). The offer and sale of the shares are described in the Company’s prospectus, constituting a part of the Registration Statement, as supplemented by a final prospectus supplement dated July 14, 2010.
