Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

At the 2013 annual meeting of the Company's shareholders (the "Annual Meeting") held on May 17, 2013, the shareholders of the Company approved amendments (the "Charter Amendments") to the Company's Amended and Restated Articles of Incorporation (the "Articles of Incorporation"). The Charter Amendments, which were filed with the Pennsylvania Department of State on May 20, 2013, provide for the following changes to the Company's Amended and Restated Articles of Incorporation:

Increased Number of Shares of Common Stock the Company May Issue

The Charter Amendments increased the number of shares of common stock, par value \$0.125 per share (the "Common Stock"), the Company is authorized to issue from 275,000,000 shares to 310,000,000 shares and increased the number of authorized shares of the Company's preferred stock, no par value (the "Preferred Stock"), from 1,000 shares to 2,000 shares.

Reverse Stock Split of the Company's Common Stock

Pursuant to the Charter Amendment, the Company is effectuating a one-for-ten reverse split (the "Reverse Split") of its Common Stock. The Company's shareholders approved the Reverse Split at the Annual Meeting, as further described in Item 5.07 hereto. Following the Annual Meeting, the Board of Directors of the Company chose a reverse split ratio of one-for-ten, a ratio within the range approved by the Company's shareholders at the Annual Meeting. The Reverse Split will be effective at 12:01 a.m. on May 22, 2013. Shareholders will receive information from Registrar & Transfer Company, the Exchange Agent for the Reverse Split. The number of shares of Common Stock the Company will be authorized to issue after the Reverse Split will be adjusted to 31,000,000.

Changed the Terms of the Conversion Rate of the Company's Series A Preferred Stock

The Charter Amendments increased the conversion rate of the Company's Series A Preferred Stock, no par value (the "Series A Preferred Stock"), so that such Series A Preferred Stock, together with such Common Stock delivered to Oaktree Capital Management and its affiliated funds ("Oaktree") pursuant to the investment agreement the Company entered into with Oaktree on November 7, 2012 (the "Investment Agreement"), shall equal 67.9% of the Common Stock (on a fully diluted basis immediately following November 19, 2012, the initial date of the Company's recapitalization, and without giving effect to shares of Common Stock and warrants owned by Oaktree prior to that date). Previously, the Series A Preferred Stock was convertible into such shares of the Common Stock that, taken together with the shares of Common Stock delivered to Oaktree pursuant to the Investment Agreement, would equal 64.3795% of the Common Stock (on a fully diluted basis immediately following November 19, 2012, the initial date of the Company's recapitalization, and without giving effect to shares of the Common Stock and warrants owned by Oaktree prior to that date).

A copy of the Charter Amendments is filed as Exhibit 3.3 to this Current Report on Form 8-K, the text of which is incorporated herein by reference.
