Item 7.01.

Regulation FD Disclosure.

On May 22, 2013, Paul J. Sarvadi, Chairman of the Board and Chief Executive Officer, established a new structured, prearranged trading plan (“New Plan”) to sell a portion of his Insperity common shares and exercise options over a six month period in accordance with Rule 10b5-1 of the Securities Exchange Act of 1934. Mr. Sarvadi’s most recent trading plan, which was scheduled to expire in June 2013, was terminated in connection with the establishment of the New Plan.

Under the New Plan, Mr. Sarvadi may sell a maximum of 176,591 shares, of which 34,091 represent shares to be acquired in connection with the exercise of stock options, at predetermined stock prices ranging from approximately \$30 to \$50. These shares represent approximately 9.6% of Mr. Sarvadi’s current common stock and stock option holdings.

The New Plan has been initiated during the company’s open window for insider transactions.

Rule 10b5-1 permits the implementation of a written plan for selling stock at times when insiders are not in possession of material nonpublic information, and allows them to sell stock on a regular basis and in a non-discretionary manner, regardless of any subsequent material nonpublic information they receive.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
