Explanatory Note

On June 5, 2017, Amyris, Inc. (the “Issuer”) filed a Certificate of Amendment of the Restated Certificate of Incorporation with the Secretary of State of Delaware to effect a fifteen-to-one reverse stock split of the shares of the Company’s common stock, par value \$0.0001 per share (the “Common Stock”), effective as of the close of business, Eastern Time, on June 5, 2017 (the “Reverse Stock Split”). All figures in this statement on Schedule 13D (the “Statement”) reflect the Reverse Stock Split.

Item 1. Security and Issuer.

The Statement relates to the Common Stock of the Issuer with its principal executive offices located at 5885 Hollis Street, Suite 100, Emeryville, CA 94608.

Item 2. Identity and Background.

The Statement is being filed by the following persons (each a “Reporting Person” and, collectively, the “Reporting Persons”):

- (1) DSM International B.V. (“DSM International”) and
- (2) Koninklijke DSM N.V. (“Royal DSM”).

DSM and Royal DSM are each organized under the laws of The Netherlands.

The business address of each of the Reporting Persons is HET Overloon 1, 6411 TE Heerlen, Netherlands.

Royal DSM is a manufacturer of life science products, performance materials and chemicals. DSM International is a wholly owned subsidiary of Royal DSM principally engaged in manufacturing industrial products.

Information with respect to the members of the Managing Board and Supervisory Board of Royal DSM (collectively, the “Related Persons”), including the name, business address, present principal occupation or employment and the organization in which such employment is conducted, and citizenship of such persons is listed on the attached Schedule A, which is incorporated herein by reference.

During the last five years, none of the Reporting Persons or Related Persons (i) has been convicted in any criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration.

Pursuant to the Purchase Agreement (as defined below), on May 11, 2017 (the “Closing”) DSM International purchased (i) 25,000 shares of Series B Preferred Stock (as defined below), (ii) Cash Warrants (as defined below) to purchase of 3,968,116 shares of Common Stock and (iii) the Dilution Warrant (as defined below) for aggregate cash consideration of \$25,000,000.

CUSIP No. 03236M101 13DPage 4 of 8 Pages

The purchase price for the shares of Series B Preferred Stock and Warrants (as defined below) was paid from the operating funds of DSM International.

Item 4. Purpose of Transaction.

Securities Purchase Agreement

On May 8, 2017, the Issuer, DSM International and certain other investors entered into Securities Purchase Agreement (the "Purchase Agreement"), for the issuance and sale of shares of the Issuer's Series A 17.38% Convertible Preferred Stock (the "Series A Preferred Stock"), shares of the Issuer's Series B 17.38% Convertible Preferred Stock, (the "Series B Preferred Stock"), two series of warrants to purchase shares of the Issuer's Common Stock at exercise prices of \$7.80 per share and \$9.30 per share (the "Cash Warrants"), and warrants to purchase additional shares of Common Stock in the event the Issuer undertakes certain dilutive transactions (the "Dilution Warrant" and, together with the Cash Warrants, the "Warrants").

On July 7, 2017, the Issuer's stockholders approved (the "Stockholder Approval") the issuance of shares of Common Stock upon the conversion of the Series B Preferred Stock and Warrants sold pursuant to the Purchase Agreement. Following the Stockholder Approval, each share of Series B Preferred Stock is convertible at any time at the option of the holder into approximately 158.7 shares of Common Stock, subject to certain adjustments. Also following the Stockholder Approval, the Cash Warrants became immediately exercisable.

The Dilution Warrant held by DSM International gives DSM International the right to purchase a number of shares of Common Stock, at a price of \$0.0001 per share, sufficient to provide it with full-ratchet anti-dilution protection for any issuance by the Issuer of equity or equity-linked securities during the three year period following Closing at a per share price (including any conversion or exercise price, if applicable) less than \$6.30 per share.

Standstill Requirement

Pursuant to the terms of the Purchase Agreement, from Closing until three months after no Designated Director (as defined below) serves on the Board of the Issuer, the Reporting Persons shall not directly or indirectly, without prior consent of the Issuer, (i) acquire or agree to acquire, tender or exchange offer beneficial ownership of additional voting securities or convertible securities after the Closing that would result in the Reporting Persons beneficially owning more than 33.0% of the Issuer's voting securities; (ii) make or participate in any "solicitation" of "proxies" to vote the Issuer's voting securities or to advise or influence any person with respect to the voting of such securities or deposit any such securities in any voting trust; (iii) make any public announcement of a proposal with respect to any extraordinary transaction involving the Reporting Persons and the Issuer; (iv) effect or seek to effect any recapitalization, reclassification, liquidating or dissolution of the Issuer; (v) publicly disclose any intention, plan or arrangement by Reporting Persons regarding the possibility of any of the events described in clauses (i) through (iv) above; (vi) knowingly take any action that would require the Issuer or the Reporting Persons under applicable laws or exchange rules to make a public announcement regarding any of the events described in clauses (i) through (iv) above; and

CUSIP No. 03236M101 13DPage 5 of 8 Pages

(vii) enter into any discussion, negotiations, agreements or understanding with any other third party with respect to the foregoing.

Registration Rights

Pursuant to the Purchase Agreement, within 30 calendar days of the date of the Stockholder Approval, the Issuer has agreed to file a registration statement on Form S-3 (or other appropriate form if the Issuer is not then S-3 eligible) providing for the resale by DSM International and the other investors of the shares of Common Stock issuable upon conversion or exercise of the Series B Preferred Stock and Cash Warrants. The Issuer has agreed to use commercially reasonable efforts to cause such registration statement to become effective within 181 days following the Closing and commercially reasonable efforts to keep such registration statement effective at all times until (i) no party to the Purchase Agreement owns any shares of Common Stock issuable upon conversion or exercise of the Series B Preferred Stock and Cash Warrants or (ii) the shares of Common Stock issuable upon conversion or exercise of the Series B Preferred Stock and Cash Warrants are eligible for resale under Rule 144 without regard to volume limitations.

Stockholder Agreement

On May 11, 2017, the Issuer and DSM International entered in to a Stockholder Agreement (the “Stockholder Agreement”), pursuant which the Issuer granted DSM International the right, subject to certain restrictions, to designate one director selected by DSM International (the “Designated Director”) to the Issuer’s Board of Directors (the “Board”). DSM International selected Philip Eykerman as the Designated Director and, on May 18, 2017, the Board appointed Mr. Eykerman to serve as a director.

Pursuant to the terms of the Stockholder Agreement, the Issuer has agreed, consistent with the Board’s fiduciary duties, to cause the Designated Director to be re-nominated in the future; provided, that DSM International will cease to have the right to designate any Designated Director at such time as DSM International or its affiliates hold less than 4.5% of the outstanding Common Stock. In addition, for as long as there is a Designated Director serving on the Board, the Issuer has agreed not to engage in certain commercial or financial transactions or arrangements without the consent of any then-serving Designated Director. The Stockholder Agreement also grants DSM International certain pre-emptive rights to purchase additional shares of capital stock of the Issuer in connection with a sale of equity or equity-linked securities by the Issuer in a capital raising transaction for cash, subject to certain exceptions, to maintain its proportionate ownership percentage in the Issuer.
