EMPLOYMENT ARRANGEMENTS

George Morgenstern serves as Chairman of the Board, President and Chief Executive Officer of the Company pursuant to an employment agreement that

Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form DEF 14A

commenced on January 1, 1997 and was amended in March 2002 to extend through December 31, 2003 (the "Employment Agreement"). The Employment Agreement provides for a base salary of \$420,000 per annum (currently \$446,500 due to cost of living adjustments), subject to annual review by the Board and an annual cost of living adjustment, plus contributions to a nonqualified retirement fund equal to 25% of his base salary. Mr. Morgenstern's compensation pursuant to the Employment Agreement also includes the use of two company automobiles, premium payments on a life insurance policy owned by Mr. Morgenstern and other fringe benefits.

7

In August 2002, Mr. Morgenstern agreed to reduce his annual salary by 10% until such time as the Company achieves profitability.

Pursuant to the Employment Agreement, Mr. Morgenstern may at any time prior to December 31, 2003, elect to terminate his employment with the Company and thereafter to continue to serve the Company as a consultant for a period (the "Consulting Period") ending on December 31 of the seventh year following the year in which he first commences to serve as a consultant. During the Consulting Period, Mr. Morgenstern would be entitled to receive an annual consulting fee plus contributions to a nonqualified retirement fund and fringe benefits on the same basis as during the term of his employment as described above. Mr. Morgenstern's annual consulting fee during the Consulting Period would be equal to 50% of his annual salary in effect immediately prior to the Consulting Period through the end of the fourth full calendar year of the Consulting Period, and 25% of such annual salary for the remainder of the Consulting Period (subject in all cases to an annual cost of living adjustment). However, if Mr. Morgenstern elects to become a consultant following a breach by the Company of its obligations under the Employment Agreement or following a change in control of the Company (as defined in the Employment Agreement), Mr. Morgenstern would be entitled to receive his full annual salary until December 31, 2003, and thereafter to receive an annual consulting fee as described above for the balance of the Consulting Period. The Company is obligated under the Employment Agreement to fund at the beginning of the Consulting Period all amounts to become payable to Mr. Morgenstern for consulting services and to fund upon his death all amounts payable to his estate. During the term of the Employment Agreement (including any Consulting Period), Mr. Morgenstern may not engage in a business that is in substantial and direct competition with the business of the Company or any of its subsidiaries.

In addition to the compensation provided for Employment Agreement, in January 2000, the Board approved a bonus of \$150,000 if Mr. Morgenstern remained employed full-time as President and Chief Executive Officer of the Company through December 31, 2001, which bonus was paid in 2001, and a \$150,000 bonus if an equity financing of Comverge of at least \$10 million was completed by December 31, 2000, which bonus was not paid as no qualifying equity financing was completed by the end of 2000.

Yacov Kaufman serves as Vice President and Chief Financial Officer of the Company and as Executive Vice President and Chief Financial Officer of dsIT pursuant to an employment agreement entered into with the Company on January 1, 1999, and amended in June 2002. The amendment to Mr. Kaufman's employment agreement provides for (i) an increase in Mr. Kaufman's salary to \$200,000 retroactive to January 1, 2002.

In August 2002, Mr. Kaufman agreed to reduce his annual salary by 10% until such time as the Company achieves profitability.

Mr. Kaufman may under certain circumstances receive severance payments from the Company. If Mr. Kaufman's employment is voluntarily terminated or is

Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form DEF 14A

terminated by the Company for reasons other than for cause, the Company must pay him an amount equal to 150% of his last month's salary multiplied by the number of years (including partial years) that Mr. Kaufman worked for the Company. This severance obligation, which is customary for executives of Israeli companies, would be reduced by the amount contributed by the Company to certain Israeli pension and severance funds pursuant to Mr. Kaufman's employment agreement. As of December 31, 2001, the unfunded portion of the Company's severance obligation was \$64,000. In addition, the agreement with Mr. Kaufman provides for an additional payment equal to six times his last month's total compensation, payable upon any termination of his employment for reasons other than cause.

8

In addition to the compensation provided for by Mr. Kaufman's employment agreement, in November 2001, the Board approved a \$50,000 bonus and the grant of options to purchase 15,000 shares of Common Stock to Mr. Kaufman in connection with his efforts with respect to the acquisition by the Company's Israeli subsidiary, dsIT, of Endan IT Solutions Ltd. The payment of the bonus and the grant of the options were both contingent upon the closing of the Endan acquisition, which occurred in December 2001.

Robert Chiste serves as Vice Chairman of the Board and Chief Executive Officer of Comverge pursuant to an employment agreement that commenced on September 1, 2001. Mr. Chiste's employment agreement provides for a base salary of \$250,000 per annum, plus an annual bonus up to 75% of his base salary contingent upon achieving performance objectives established each year by the Board of Directors of Comverge. Mr. Chiste is also entitled to a one-time bonus of \$250,000 if Comverge has an initial public offering with gross proceeds of at least \$10 million or there is a change of control in which Comverge receives either \$20 million in cash or \$25 million in publicly traded securities. Mr. Chiste's employment agreement also provides for the reimbursement through March 2003 of up to \$3,500 per month to cover Mr. Chiste's auto, living and personal travel expenses.

In connection with the signing of his employment agreement, Mr. Chiste also received an option to purchase shares of Comverge common stock, representing 6% of the outstanding Comverge shares (on a fully diluted basis), at an exercise price of \$1.20 per share. The exercise price was determined based upon a valuation of Comverge as of July 31, 2001, performed by an independent appraiser. Mr. Chiste's Comverge option will be adjusted to protect against dilution from issuances of common stock until Comverge's paid in capital is at least \$15 million. Under the agreement, Mr. Chiste also received a grant under the Company's 1994 Stock Incentive Plan of a stock option to purchase 75,000 shares of the Common Stock at an exercise price of \$5.95. In addition to the options, pursuant to his employment agreement, Mr. Chiste entered into an agreement with the Company for the purchase of 50,000 shares of the Company's common stock at a price of \$5.95 per share. Mr. Chiste paid for the Common Stock by assigning and endorsing to the Company a 6% subordinated note of Philip Services Corp. (NasdaqNM: PSCD), due April 2010, in the principal amount of \$297,500. The subordinated note, which is assignable, is due April 2010; pays interest semi-annually (in cash or by an additional promissory note); and is subject to repayment in four annual payments beginning in April 2006.

Mr. Chiste will receive retirement payments from Comverge if, after his 60th birthday, his employment agreement is terminated without cause or because of Mr. Chiste's death or disability. Mr. Chiste will not receive any retirement payment if his employment is terminated prior to his 60th birthday. Mr. Chiste's retirement payments will be made over seven years commencing on the date of termination. During the first four years, Mr. Chiste's retirement payments will be equal to 50% of his base salary in effect at the time of his termination, and during the last three years the retirement payments will be

Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form DEF 14A

equal to 25% of the base salary.

Mr. Chiste may in certain circumstances receive severance payments from Comverge. Under his employment agreement, if Mr. Chiste's employment is terminated without cause, Comverge would have to pay Mr. Chiste one year of base salary, or if there has been an IPO for Comverge, three years of base salary plus up to 15% of any excess parachute payment, plus, if such termination is before December 31, 2002, his base salary through December 31. Mr. Chiste will not be entitled to any severance payments under his employment agreement if he voluntarily terminates his employment agreement.

The stock option agreements with the Company's executive officers generally provide for accelerated vesting in the event of a change in control of the Company.

CERTAIN RELATED PARTY TRANSACTIONS

During 2001, the Company paid approximately \$530,000 for legal services rendered and reimbursement of out-of-pocket expenses to Ehrenreich Eilenberg & Krause LLP, a law firm in which Sheldon Krause, a director and Secretary of the Company, is a member. Such fees related to services rendered by Mr. Krause and other members and employees of his firm, as well as certain special and local counsel retained and supervised by his firm who performed services on behalf of the Company. Mr. Krause is the son-in-law of George Morgenstern, Chairman, President and Chief Executive Officer of the Company.

As reported on the Summary Compensation Table above, Shlomie Morgenstern, the son of George Morgenstern, Chairman, President and Chief Executive Officer of the Company, received compensation during 2001 in connection with his position as Vice President-Operations.

In March 2001, the Company retained Malley Associates Capital Management ("Malley Associates"), an asset management firm that is controlled by Susan L. Malley, a director of the Company, to provide discretionary asset management services to the Company with respect to \$2 million of the Company's funds. Investments may include fixed income government and corporate securities, money market mutual funds, short-term money market instruments and equity securities. Malley Associates has complete discretion and authority to invest DSSI's funds in these accounts without prior consultation with DSSI. Investments to date have been limited to debt securities and commercial paper. The agreement provides for a management fee of 1% per annum of the amount under management. In September 2002, the Company and Malley Associates terminated the agreement. Malley Associates no longer provides any asset management or other services to the Company. The aggregate fees paid to Malley Associates from March 2001 through September 2002 were \$25,407.

In July 2001, the Company entered in an arrangement with a corporation wholly-owned by George Morgenstern, the Chairman, President and Chief Executive Officer of the Company, for use by such corporation of approximately 400 of the approximately 4,650 square feet leased by the Company in New York City. Based

Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form DEF 14A

on the Company's lease for its New York City premises, the pro rata full rental cost (including electricity) of the portion of the premises utilized by the corporation is approximately \$1,450 per month. Under this arrangement, the corporation has through October 2002 paid the Company approximately \$2,000 per month for its use of the space (\$550 in excess of the Company's pro rata cost for the space), of which \$10,000 was paid by offset of amounts which the Company owed the corporation for the purchase of office furniture and equipment. In October 2002, the Company entered into a written agreement for the corporation's use of its portion of the premises. The agreement provides for the payment to the Company of \$2,000 per month and is terminable by either party on 60 days written notice to the other.

COMPENSATION REPORT OF THE BOARD OF DIRECTORS

COMPENSATION POLICIES FOR EXECUTIVE OFFICERS

The Company's compensation package for its executive officers consists of three components: (i) base salary; (ii) cash bonus; and (iii) options and/or stock grants. Under guidelines adopted by the Compensation Committee in May 2001, the compensation decisions with respect to the Company's executive officers are generally to be made at the first regularly scheduled Board or Committee meeting (which ever is earlier) in each fiscal year. Prior to that Board meeting, the chief executive officer of the Company is to submit to the compensation committee recommendations for the compensation package of executive officers. The chief executive officer's recommendations are to include bonus recommendations for the preceding fiscal year. The independent directors evaluate the chief executive officer's recommendations, considering the following factors: (i) stock price performance over the previous 12 months; (ii) corporate performance as measured primarily by cash flow from operations; and (iii) the extent to which the executive officer has achieved performance goals established for that year (whether established by an employment agreement or by the Board). The Committee has established a target cap on the annual grant of options and/or restricted stock grants to executive officers of 2% of the then outstanding Common Stock.

In 2001, the Company raised Yacov Kaufman's base salary to \$160,000, representing a cost of living increase over Mr. Kaufman's 2000 base salary. In addition to his base salary, in November 2001, the Board approved a \$50,000 bonus and the grant of options to purchase 15,000 shares of Common Stock to Mr. Kaufman in connection with his efforts with respect to the acquisition of Endan IT Solutions Ltd. The payment of the bonus and the grant of the options were both contingent upon the closing of the Endan acquisition, which occurred in December 2001. Additionally, as part of Mr. Kaufman's overall compensation package for 2001, the Board granted Mr. Kaufman options to purchase 40,000 shares of Common Stock at an exercise price of \$4.80 per share and options to purchase 15,000 shares at an exercise price of \$5.44 per share.

In 2001, in recognition of his increased responsibilities at the Company, the Company raised Mr. Shlomie Morgenstern's base salary from \$160,000 to \$195,000. In 2001 the Company granted a \$15,000 bonus to Mr. Morgenstern to recognize Mr. Morgenstern's management of the Company's Databit subsidiary and the performance of his duties as a director at Comverge and dsIT during 2001. As part of Mr. Morgenstern's overall compensation package for 2001, the Board granted Mr. Morgenstern options to purchase 27,500 shares of Common Stock at an exercise price of \$4.80 per share.

In September 2001, the Company's Comverge subsidiary entered into an employment agreement with Robert Chiste. Mr. Chiste's employment agreement provides for a base salary of \$250,000, an annual bonus of up to 75% of his base salary based upon achieving performance goals set each year by the Comverge

Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form DEF 14A

Board, severance payments upon certain termination events, and reimbursement through March 1, 2003, of up to \$3,500 per month for auto, living and personal travel expenses. The employment agreement was entered into after an extensive search for a CEO for Comverge to build Comverge's business, benefiting the Company and its stockholders. Pursuant to his employment agreement, the Committee in 2001 granted an option to Mr. Chiste to purchase 75,000 shares of Common Stock at an exercise price of \$5.95.

In 2001, Frank Magnotti's base salary was raised to \$185,640, reflecting his increased duties and responsibilities for Comverge's overall sales and marketing activities.

13

BASIS FOR CHIEF EXECUTIVE OFFICER'S COMPENSATION

During 2001, George Morgenstern, Chairman, President and Chief Executive Officer of the Company, had no increase in salary, receiving \$446,341 pursuant to an employment agreement previously entered into with the Company, which was extended by the Board in May 2001 and again in March 2002 and now runs through December 31, 2003. During 2001, Mr. Morgenstern also received an additional \$150,000 bonus, which was approved in 2000, and was payable to Mr. Morgenstern if he remained employed full-time as the President and Chief Executive Officer of the Company until December 31, 2001. In order to provide Mr. Morgenstern with an additional incentive to remain the Company's Chief Executive Officer until December 31, 2003 and not elect consulting status for which Mr. Morgenstern is eligible under his employment agreement, the Board extended to March 2006 the term of 150,000 options previously granted to Mr. Morgenstern and scheduled to expire in April 2001. All other terms of these options remained the same, including the exercise price of \$6.00. The Board's decision to extend the employment agreement and its determination of Mr. Morgenstern's cash compensation in 2001 was based on the Board's belief that Mr. Morgenstern's continued service as Chief Executive Officer during this critical period was in the best interest of the stockholders. The primary basis for the Board's determination to extend the term of Mr. Morgenstern's stock options was to provide additional incentive for Mr. Morgenstern to remain with the Company and enhance long-term stockholder value.

Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form DEF 14A

thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has met and held discussions with management and the external auditors. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Audit Committee reviewed and discussed the consolidated financial statements with management and the external auditors prior to their issuance. The Audit Committee discussed with the external auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

The Company's external auditors also provided to the Audit Committee the disclosures required by Independent Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the external auditors that firm's independence.

Based on the Audit Committee's discussion with management and the external auditors and the Audit Committee's review of the representation of management and the external auditors to the Audit Committee, the Audit Committee recommended to the Board, and the Board approved, the inclusion of the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2001. INDEPENDENT PUBLIC ACCOUNTANTS AND AUDITORS

CHANGE IN ACCOUNTANT

On December 1, 2000, a representative of Deloitte & Touche LLP ("D&T") notified the Company that it did not wish to stand for re-election as the independent accountant for the Company for the 2000 fiscal year audit. Thereafter, the Company retained KPMG LLP ("KPMG") as its independent certified public accountants and auditors.

D&T audited the Company's financial statements for the years ended December 31, 1998 and December 31, 1999, and provided reviews relating to the Company's quarterly reports on Form 10-Q for the first three quarters of 2000. The reports of D&T on the Company's financial statements for the past two fiscal years did not contain an adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years ended December 31, 1998 and 1999 and through December 1, 2000, there were no disagreements between the Company and D&T as to any matter of accounting principles or practices, financial statement disclosure, or audit scope or procedure, which disagreement, if not resolved to the satisfaction of D&T, would have caused it to make reference to the subject matter of the disagreement in their reports on the financial statements for such periods within the meaning of Item 304(a)(1)(iv) of Regulation S-K. During the fiscal years ended December 31, 1998 and 1999 and through December 1, 2000, no reportable events occurred (as defined in item 304(a)(1)(v) of Regulation S-K).

KPMG served as the Company's independent certified public accountants and auditors for the year ended December 31, 2001, and has been selected as its auditors for fiscal year 2002. A representative of KPMG has been invited to and is expected to be present at the Annual Meeting, and such representative will not make a statement at the Annual Meeting but will be available to respond to appropriate questions. The decision to engage KPMG as the independent accountants of the Company was approved by the Audit Committee of the Company's Board.

AUDIT FEES

The aggregate fees billed by KPMG for professional services rendered for the audit of the Company's annual financial statements for the year ended December 31, 2001 and the reviews of the Company's quarterly financial statements for that fiscal year totaled \$146,400.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

The Company did not engage D&T or KPMG to provide systems design and implementation services (as defined in paragraph (c)(4)(ii) of Rule 2-01 of Regulation S-X under the Exchange Act) during the year ended December 31, 2001.

ALL OTHER FEES

For the year ended December 31, 2001, the aggregate fees billed by KPMG for non-audit services, primarily fees relating to the Company's SEC filings,

Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form DEF 14A

totaled \$61,500, and the aggregate fees billed by D&T for non-audit services, primarily relating to registration statements filed by the Company, totaled \$12,000.

17

The Audit Committee of the Company's Board of Directors has considered whether provision of the services covered under the caption "All Other Fees" above is compatible with maintaining KPMG's independence, and has concluded that the provision of such services was compatible with KPMG's independence as the Company's auditors.
