PROXY STATEMENT

SOLICITATION OF PROXIES. This proxy statement is being furnished to the stockholders of NorStar Group, Inc., a Utah corporation, in connection with the solicitation of proxies by our board of directors for use at our special meeting of stockholders to be held at 10:00 a.m., local time, on November 14, 2003, or at any adjournment thereof. A copy of the notice of meeting accompanies this proxy statement. It is anticipated that the mailing of this proxy statement will commence on or about October 21, 2003.

COST OF SOLICITATION. We will bear the costs of soliciting proxies. In addition to the use of the mails, certain directors or officers of our company may solicit proxies by telephone, telegram, facsimile, cable or personal contact. Upon request, we will reimburse brokers, dealers, banks and trustees, or their nominees, for reasonable expenses incurred by them in forwarding proxy material to beneficial owners of shares of our common stock.

OUTSTANDING VOTING SHARES. Only stockholders of record at the close of business on September 19, 2003, the record date for the meeting, will be entitled to notice of and to vote at the meeting. On the record date, we had 34,793,825 outstanding shares of Common Stock, par value \$.01 per share, which are our only securities entitled to vote at the meeting, each share being entitled to one vote.

VOTE REQUIRED FOR APPROVAL. Shares of common stock will vote with respect to the proposals set forth in this proxy statement. Under our Bylaws, Proposals 1, 2 and 3 require the affirmative vote of a majority of the votes eligible to be voted by holders of shares represented at the Special Meeting in person or by proxy. With respect to Proposals 1, 2 and 3, a stockholder in favor or against the Proposal may cast votes, or a stockholder may elect to abstain. Since votes withheld and abstentions will be counted for quorum purposes and are deemed to be present for purposes of the respective proposals, they will have the same effect as a vote against each matter.

Under the NASD Rules of Fair Practice, brokers who hold shares in street name have the authority, in limited circumstances, to vote on certain items when they have not received instructions from beneficial owners. A broker will only have such authority if (i) the broker holds the shares as executor, administrator,

Edgar Filing: NORSTAR GROUP INC - Form PRE 14A

guardian, trustee or in a similar representative or fiduciary capacity with authority to vote or (ii) the broker is acting under the rules of any national securities exchange of which the broker is also a member. Broker abstentions or non-votes will be counted for purposes of determining the presence or absence of a quorum at the meeting. Abstentions are counted in tabulations of the votes cast on proposals presented to stockholders, but broker non-votes are not counted for purposes of determining whether a proposal has been approved.

VOTING YOUR PROXY. Proxies in the accompanying form, properly executed and received by us prior to the Special Meeting and not revoked, will be voted as directed. In the absence of direction from the stockholder, properly executed proxies received prior to the Special Meeting will be voted FOR Proposals 1,2 and 3. You may revoke your proxy by giving written notice of revocation to our Chief Executive Officer at any time before it is voted, by submitting a later-dated proxy or by attending the Special Meeting and voting your shares in person. Stockholders are urged to sign and date the enclosed proxy and return it as promptly as possible in the envelope enclosed for that purpose.

PROPOSAL ONE:

AMENDMENT TO OUR AMENDED ARTICLES OF INCORPORATION TO EFFECT A REVERSE SPLIT OF OUR COMMON STOCK

You are being asked to vote upon an amendment to our Amended Articles of Incorporation which would authorize our board of directors to effect a reverse split of all outstanding shares of our common stock at an exchange ratio of 1:24.852732.

The form of amendment to our Amended Articles of Incorporation to effect the proposed reverse stock split is attached to this proxy statement as Annex A. If the reverse stock split is approved, the number of issued and outstanding shares of common stock would be reduced in accordance with the exchange ratio for the reverse stock split. The par value of the common stock would remain unchanged at \$.01 per share and the number of authorized shares of common stock would remain unchanged. The reverse stock split will become effective upon the filing of the amendment to our Amended Articles of Incorporation with the Utah Secretary of State and upon commencement of trading of our stock under the new stock symbol that will be assigned by the NASD.

REASONS FOR THE REVERSE STOCK SPLIT

By effecting a reverse split of our common stock, we will significantly reduce the number of shares outstanding. As of September 19, 2003, there were 34,793,825 outstanding shares of common stock. If the reverse stock split is approved, there will be 1,400,000 shares of common stock outstanding.

A vote on the reverse split is being sought in conjunction with the recent execution of an Agreement and Plan of Reorganization (the "Agreement") with Gaming & Entertainment Group, Inc., a Nevada corporation ("G&EG"). The Board of Directors of NorStar and G&EG have approved the Agreement. The Agreement is

Edgar Filing: NORSTAR GROUP INC - Form PRE 14A

expressly subject to approval of the reverse stock split by a majority of the NorStar common stockholders. The Agreement provides that G&EG will exchange 100% of its issued and outstanding capital stock for 14,600,000 shares of common stock of NorStar. Following the close of the transaction with G&EG, there will be 16,000,000 shares of common stock issued and outstanding. All issued and outstanding options and warrants to purchase shares of common stock of G&EG will be exchanged for an identical number of options and warrants to purchase shares of common stock of NorStar. The exercise terms for such options and warrants will remain identical. G&EG will pay no cash consideration to NorStar. Following the closing, NorStar will continue to be publicly traded and quoted on the Over The Counter Bulletin Board. A new stock symbol will be obtained following the close of the transaction.

G&EG is a supplier of server-based gaming systems and networked interactive electronic bingo games for the Class II Native American gaming market in the United States as well as the Canadian gaming market. G&EG designs and develops its own systems, software, content and networks to offer a comprehensive gaming system. In conjunction with a major UK-based strategic partner, G&EG also supplies its server-based gaming system and game content library to the Amusement With Prize (AWP) gaming market in the United Kingdom and throughout Europe. In addition, G&EG develops and licenses its comprehensive government accredited online gaming system to major U.S. casino operators for utilization outside of the United States.

CERTAIN EFFECTS OF THE REVERSE STOCK SPLIT

The immediate effects of a reverse stock split would be to reduce the number of shares of common stock outstanding and to increase the trading price of our common stock. However, the effect of any reverse stock split upon the market price of our common stock cannot be predicted, and the history of reverse stock splits for companies in similar circumstances is widely varied. We cannot assure you that the trading price of our common stock after the reverse stock split will rise in exact proportion to the reduction in the number of shares of our common stock outstanding as a result of the reverse stock split. Also, as stated above, we cannot assure you that a reverse stock split will lead to a sustained increase in the trading price of our common stock, or improve the marketability of the Company. The trading price of our common stock may change due to a variety of other facts, including our operating results, other factors related to our business and general market conditions.

The following table reflects the number of shares of common stock that would be outstanding as a result of the proposed reverse stock split, and the approximate percentage reduction in the number of outstanding shares, based on 34,793,825 shares of common stock outstanding as of the record date for the special meeting of stockholders: _

Proposed Reverse Stock Split Ratio	Percentage Reduction	Shares of Common Stock to be Outstanding
1:24.852732	95.98%	1,400,000

The resulting decrease in the number of shares of our common stock outstanding could potentially impact the liquidity of our common stock on the Over-the-Counter Bulletin Board, especially in the case of larger block trades.

EFFECTS ON OWNERSHIP BY INDIVIDUAL STOCKHOLDERS

If the common stock is reverse split, the number of shares held by each stockholder would be reduced by multiplying the number of shares held immediately before the reverse stock split by the exchange ratio, and then

Edgar Filing: NORSTAR GROUP INC - Form PRE 14A

rounding up to the nearest whole share. We will pay one whole share to each stockholder in lieu of any fractional interest in a share to which each stockholder would otherwise be entitled as a result of the reverse stock split, as described in further detail below. The reverse stock split will affect our common stock uniformly and will not affect any stockholder's percentage ownership interests in our company or proportionate voting power, except to the extent that interests in fractional shares would be paid in whole shares.

EFFECT ON OPTIONS, WARRANTS AND OTHER SECURITIES

In addition, all outstanding options, warrants and other securities entitling holders to purchase shares of our common stock, if any, will be adjusted as a result of the reverse stock split, as required by the terms of these securities. In particular, the conversion ratio for each instrument would be reduced, and the exercise price, if applicable, would be increased, in accordance with the terms of each instrument and based on the exchange ratio of the reverse stock split. Also, the number of shares reserved for issuance under our existing stock option and employee stock purchase plans would be reduced proportionally based on the exchange ratio of the reverse stock split. None of the rights currently accruing to holders of the common stock, options, warrants or other securities convertible into common stock would be affected by the reverse stock split.

OTHER EFFECTS ON OUTSTANDING SHARES

The rights and preferences of the outstanding shares of common stock would remain the same after the reverse stock split. Each share of common stock issued pursuant to the reverse stock split would be fully paid and nonassessable.

The reverse stock split will result in some stockholders owning "odd-lots" of less than 100 shares of common stock. Brokerage commissions and other costs of transactions in odd lots are generally higher than the costs of transactions in "round-lots" of even multiples of 100 shares.

-

The common stock is currently registered under Section 12(g) of the Securities Exchange Act of 1934, as amended. As a result, we are subject to the periodic reporting and other requirements of the Exchange Act. The proposed reverse stock split would not affect the registration of the common stock under the Exchange Act.

PROCEDURE FOR EFFECTING THE REVERSE STOCK SPLIT

The reverse stock split will be accomplished by filing the appropriate amendment to our Amended Articles of Incorporation with the Utah Secretary of State. The reverse stock split will become effective upon the filing of the amendment to our Amended Articles of Incorporation with the Utah Secretary of State and upon commencement of trading of our stock under the new stock symbol that will be assigned by the NASD.

As of the effective date of the reverse stock split, each certificate representing shares of our common stock before the reverse stock split would be deemed, for all corporate purposes, to evidence ownership of the reduced number of shares of common stock resulting from the reverse stock split, except that holders of unexchanged shares would not be entitled to receive any dividends or other distributions payable by our company after the effective date until they surrender their old stock certificates for exchange. All options, warrants, convertible debt instruments and other securities would also be automatically adjusted on the effective date.

Our transfer agent will act as the exchange agent for purposes of implementing the exchange of stock certificates. As soon as practicable after the effective date, stockholders and holders of securities convertible into our common stock will be notified of the effectiveness of the reverse split. Stockholders of

Edgar Filing: NORSTAR GROUP INC - Form PRE 14A

record will receive a letter of transmittal requesting them to surrender their stock certificates for new stock certificates reflecting the adjusted number of shares as a result of the reverse stock split. Persons who hold their shares in brokerage accounts or "street name" will not be required to take any further actions to effect the exchange of their certificates. No new certificates will be issued to a stockholder until the stockholder has surrendered the stockholder's outstanding certificate(s) together with the properly completed and executed letter of transmittal to the exchange agent. Until surrender, each certificate representing shares before the reverse stock split will continue to be valid and will represent the adjusted number of shares of the reverse stock split, rounded up to the nearest whole share. Stockholders should not destroy any stock certificate and should not submit any certificates until they receive a letter of transmittal.

FRACTIONAL SHARES

We will not issue fractional shares in connection with the reverse stock split. Instead, any fractional share resulting from the reverse stock split will be rounded up to the nearest whole share. Stockholders who otherwise would be entitled to receive fractional shares because they hold a number of shares not evenly divisible by the exchange ratio will instead receive a whole share upon surrender to the exchange agent of the certificates and a properly completed and executed letter of transmittal.

NO DISSENTERS' RIGHTS

No dissenters' rights are available under the Utah Revised Business Corporation Act or under our Amended Articles of Incorporation or bylaws to any stockholder who dissents from this proposal.

ACCOUNTING CONSEQUENCES

The par value of our common stock would remain unchanged at \$.01 per share after the reverse stock split. Also, the capital account of the Company would remain unchanged, and the Company does not anticipate that any other accounting consequences will arise as a result of the reverse stock split.

FEDERAL INCOME TAX CONSEQUENCES

The following is a summary of material federal income tax consequences of the reverse stock split and does not purport to be complete. It does not discuss any state, local, foreign or minimum income or other tax consequences. Also, it does not address the tax consequences to holders that are subject to special tax rules, including banks, insurance companies, regulated investment companies, personal holding companies, foreign entities, nonresident alien individuals, broker-dealers and tax-exempt entities. The discussion is based on the provisions of the United States federal income tax law as of the date hereof, which is subject to change retroactively as well as prospectively. This summary also assumes that the shares are held as a "capital asset," as defined in the Internal Revenue Code of 1986, as amended (generally, property held for investment). The tax treatment of a stockholder may vary depending upon the particular facts and circumstances of the stockholder. Each stockholder is urged to consult with the stockholder's own tax advisor with respect to the consequences of the reverse stock split.

No gain or loss should be recognized by a stockholder upon the stockholder's exchange of shares pursuant to the reverse stock split. The aggregate tax basis of the shares received in the reverse stock split, including any fraction of a share deemed to have been received, would be the same as the stockholder's aggregate tax basis in the shares exchanged. The stockholder's holding period

Edgar Filing: NORSTAR GROUP INC - Form PRE 14A

for the shares would include the period during which the stockholder held the pre-split shares surrendered in the reverse stock split.

Our beliefs regarding the tax consequence of the reverse stock split are not binding upon the Internal Revenue Service or the courts, and there can be no assurance that the Internal Revenue Service or the courts will accept the positions expressed above. The state and local tax consequences of the reverse stock split may, as to each stockholder, depend upon the state in which he or she resides.

VOTE REQUIRED

The affirmative vote of the holders of a majority of the outstanding shares of our common stock is required to approve the proposed amendment to our Amended Articles of Incorporation to effect a reverse stock split.

-

OUR BOARD RECOMMENDS THAT OUR STOCKHOLDERS VOTE "FOR" THE APPROVAL OF THE PROPOSED AMENDMENT TO OUR AMENDED ARTICLES OF INCORPORATION TO EFFECT THE PROPOSED REVERSE STOCK SPLIT.

PROPOSAL TWO:

AMENDMENT TO OUR AMENDED ARTICLES
OF INCORPORATION TO CHANGE THE NAME OF THE CORPORATION TO
GAMING AND ENTERTAINMENT GROUP, INC.

You are being asked to vote upon an amendment to our Amended Articles of Incorporation for the purpose of authorizing our board of directors to change the name of the corporation to Gaming & Entertainment Group, Inc., or such other

name as may be available. If the name change is approved, it will become effective upon the filing of the amendment to our Amended Articles of Incorporation with the Utah Secretary of State.

The name change to Gaming & Entertainment Group, Inc. is being sought in conjunction with the proposed transaction between NorStar and Gaming & Entertainment Group, Inc. as detailed in Proposal One above.

OUR BOARD RECOMMENDS THAT OUR STOCKHOLDERS VOTE "FOR" THE APPROVAL OF THE PROPOSED AMENDMENT TO OUR AMENDED ARTICLES OF INCORPORATION TO CHANGE THE NAME OF THE CORPORATION TO GAMING & ENTERTAINMENT GROUP, INC.

PROPOSAL THREE:
