ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On October 19, 2004, Apollo Gold Corporation (the Issuer) completed the private placement of a US\$3,000,000 secured debenture and entered into additional agreements which are described below and in Items 2.03 and 3.02. The information set forth below in Items 2.03 and 3.02 is incorporated by reference herein.

Underwriting Agreement

In connection with the placement of the secured debenture, the Issuer entered into an Underwriting Agreement with Regent Mercantile Bancorp, Inc. (Bancorp) on October 19, 2004 (the Underwriting Agreement). Pursuant to the Underwriting Agreement, Bancorp received a work fee of US\$30,000 and an underwriting fee equal to US\$300,000. The Underwriting Agreement contains certain covenants that, among other things, the Issuer will not sell or grant any securities of the Issuer for a period of three-months without the prior consent of Bancorp.

The foregoing description is qualified in its entirety by reference to the Underwriting Agreement which is attached to this Current Report on Form 8-K as Exhibit 1.1.

ITEM 2.03 CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF A REGISTRANT.

Debenture

On October 19, 2004, the Issuer sold US\$3,000,000 of 25% principal amount secured debenture due January 19, 2005 (the Debenture) to Regent Securities Capital Corporation (Regent). The sale of the Debenture closed on October 19, 2004.

The terms of the Debenture are summarized below:

- **Maturity**: The Debenture will mature on January 19, 2005.
- **Interest Payments**: The Debenture will accrue interest at the rate of 25% per annum and will be payable quarterly beginning January 19, 2005.
- **Guaranty**: The Issuer's performance under the Debenture is guaranteed by the Issuer's wholly-owned subsidiary, Apollo Gold, Inc. (Apollo Sub), pursuant to a Guaranty in favor of Regent given by Apollo Sub on October 19, 2004 (the Guaranty). The performance by Apollo Sub of its obligations under the Guaranty is secured by a first priority security interest in all of Apollo Sub's assets, other than Apollo Sub's interest in its wholly owned subsidiary, Florida Canyon Mining, Inc. Apollo Sub's obligations are set forth in a separate Security Agreement between Apollo Sub and Regent entered into on October 19, 2004 (the Security Agreement).
- **Ranking**: The Debenture is secured by a first priority security interest in all of the assets of the Issuer other than the Issuer's interest in its Mexico subsidiary, MINERA SOL de ORO S.A. de C.V, and any and all assets related to the Issuer's Black Fox Property located near Timmins, Ontario, Canada, subordinated only to permitted encumbrances under the Debenture.
- **Covenants**: The Debenture contains certain covenants that, among other things, limit the Issuer's ability to create liens; use assets as security in other transactions; sell certain assets or merge with or into other companies.

· Events of Default: The Debenture contains customary events of default including, without limitation, failure to make required payments, failure to comply with certain agreements or covenants, and certain events of bankruptcy and insolvency. An event of default under the Debenture will allow Regent to execute on the security under the Debenture and call the Guaranty in the event of default remains uncured.

The information contained in Item 1.01 above and Item 3.02 below is hereby incorporated by reference into this Item 2.03. The foregoing description is qualified in its entirety by reference to the Debenture which is attached to this Current Report on Form 8-K as Exhibit 4.1.

ITEM 3.02 UNREGISTERED SALE OF EQUITY SECURITIES

On October 19, 2004, the Company sold the Debenture, described in Item 2.03, to Regent for US\$3,000,000 and also provided Regent with a compensation warrant exercisable for 1,000,000 of the Issuer's common shares (the Warrant). The Warrant is exercisable at an initial exercise price of US\$0.80 per share. The Issuer relied on Regulation S promulgated under the Securities Act of 1933, as amended (the "Securities Act"), as the basis for an exemption from registering the sale of the Debenture and the Warrant under the Securities Act. The Debenture and Warrant were sold to a single purchaser outside of the United States.

Pursuant to the Underwriting Agreement described in Item 1.01 above, the common shares to be issued on exercise of the Warrant are required to be registered under the Securities Act within a reasonable time after the issuance of the Warrant.

Information contained in Items 1.01 and 2.03 above is hereby incorporated by reference into this Item 3.02. The foregoing description is qualified in its entirety by reference to the form of Warrant which is attached to this Current Report on Form 8-K as Exhibit 4.2.
