The parties hereto agree as follows:

ARTICLE I

PURCHASE AND SALE OF PREFERRED STOCK

Section 1.1 Purchase and Sale of Preferred Stock and Warrants.

(a) Upon the following terms and conditions, the Company shall issue and sell to the Purchasers and each of the Purchasers shall purchase from the Company, the number of shares of the Company's Series H Convertible Preferred Stock, no par value per share (the "Preferred Shares"), at a purchase price of \$100,000 per share, set forth opposite such Purchaser's name on Exhibit A hereto, convertible into shares of the Company's Common Stock, no par value per share (the "Common Stock"). The aggregate purchase price for the Preferred Shares and the Warrants shall be up to \$1,083,333. The designation, rights, preferences and other terms and provisions of the Series H Convertible Preferred Stock are set forth in the Certificate of Designation of the Relative Rights and Preferences of the Series H Convertible Preferred Stock attached hereto as Exhibit B (the "Certificate of Designation"). Edgar Filing: MULTIBAND CORP - Form 8-K

executing and delivering this Agreement in accordance with and in reliance upon the exemption from securities registration afforded by Rule 506 of Regulation D ("Regulation D") as promulgated by the United States Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Securities Act") or Section 4(2) of the Securities Act.

(b) Upon the following terms and conditions, each of the Purchasers shall be issued Warrants, in substantially the form attached hereto as Exhibit C (the "Warrants"), to purchase the number of shares of Common Stock, such number to be set forth opposite such Purchaser's name on Exhibit A hereto. The Warrants shall have an exercise price per share equal to \$1.25, shall be exercisable beginning six (6) months and one (1) day following the Closing Date and shall have a term of five (5) years following the date that the Warrants become exercisable.

Section 1.2 The Conversion Shares. The Company has authorized and reserved and covenants to continue to reserve, free of preemptive rights and other similar contractual rights of stockholders, such number of shares of Common Stock equal to one hundred ten percent (110%) of the number of shares of Common Stock as shall from time to time be sufficient to effect the conversion of all of the Preferred Shares and exercise of the Warrants then outstanding. Any shares of Common Stock issuable upon conversion of the Preferred Shares are herein referred to as the "Conversion Shares". Any shares of Common Stock

issuable upon exercise of the Warrants (and such shares when issued) are herein referred to as the "Warrant Shares". The Preferred Shares, the Conversion Shares and the Warrant Shares are sometimes collectively referred to as the "Shares".

Section 1.3 Purchase Price and Closing. The Company agrees to issue and sell to the Purchasers and, in consideration of and in express reliance upon the representations, warranties, covenants, terms and conditions of this Agreement, the Purchasers, severally but not jointly, agree to purchase that number of the Preferred Shares and Warrants set forth opposite their respective names on Exhibit A. The aggregate purchase price of the Preferred Shares and Warrants being acquired by each Purchaser is set forth opposite such Purchaser's name on Exhibit A (for each such Purchaser, the "Purchase Price" and collectively referred to as the "Purchase Prices"). The closing of the purchase and sale of the Preferred Shares and Warrants shall take place at the offices of Jenkens & Gilchrist Parker Chapin LLP, The Chrysler Building, 405 Lexington Avenue, New York, New York 10174 (the "Closing") at 1:00 p.m. (eastern time) upon the satisfaction of each of the conditions set forth in Article IV hereof (the "Closing Date"). ARTICLE II

REPRESENTATIONS AND WARRANTIES

Section 2.1 Representations and Warranties of the Company. The Company hereby makes the following representations and warranties to the Purchasers, except as set forth in the Company's disclosure schedule delivered with this Agreement as follows:

(a) Organization, Good Standing and Power. The Company is a corporation duly incorporated, validly existing and in good standing under the laws of the State of Minnesota and has the requisite corporate power to own, lease and operate its properties and assets and to conduct its business as it is now being conducted. The Company does not have any subsidiaries except as set forth in the Company's Form 10-K for the year ended December 31, 2003, including the accompanying financial statements (the "Form 10-K"), or in the Company's Form

Edgar Filing: MULTIBAND CORP - Form 8-K

10-Q for the fiscal quarters ended June 30, 2004 or March 31, 2004 (collectively, the "Form 10-Q"), or on Schedule 2.1(a) hereto. The Company and each such subsidiary is duly qualified as a foreign corporation to do business and is in good standing in every jurisdiction in which the nature of the business conducted or property owned by it makes such qualification necessary except for any jurisdiction(s) (alone or in the aggregate) in which the failure to be so qualified will not have a Material Adverse Effect (as defined in Section 2.1(c) hereof).

(b) Authorization; Enforcement. The Company has the requisite corporate power and authority to enter into and perform this Agreement, the Registration Rights Agreement attached hereto as Exhibit D (the "Registration Rights Agreement"), the Irrevocable Transfer Agent Instructions (as defined in Section 3.14), the Certificate of Designation, and the Warrants (collectively, the "Transaction Documents") and to issue and sell the Shares and the Warrants in accordance with the terms hereof. The execution, delivery and the performance of the Transaction Documents by the Company and the consummation by it of the transactions contemplated hereby and thereby have been duly and validly authorized by all necessary corporate action, and no further consent or

2

authorization of the Company or its Board of Directors or stockholders is required. This Agreement has been duly executed and delivered by the Company. The other Transaction Documents will have been duly executed and delivered by the Company at the Closing. Each of the Transaction Documents constitutes, or shall constitute when executed and delivered, a valid and binding obligation of the Company enforceable against the Company in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, liquidation, conservatorship, receivership or similar laws relating to, or affecting generally the enforcement of, creditor's rights and remedies or by other equitable principles of general application.

(c) Capitalization. The authorized capital stock of the Company and the shares thereof currently issued and outstanding as of November 16, 2004 are set forth on Schedule 2.1(c) hereto. All of the outstanding shares of the Company's Common Stock and Series H Convertible Preferred Stock have been duly and validly authorized. Except as set forth in this Agreement and the Registration Rights Agreement and as set forth on Schedule 2.1(c) hereto, no shares of Common Stock are entitled to preemptive rights or registration rights and there are no outstanding options, warrants, scrip, rights to subscribe to, calls or commitments of any character whatsoever relating to, or securities or rights convertible into, any shares of capital stock of the Company. Furthermore, except as set forth in this Agreement and the Registration Rights Agreement or on Schedule 2.1(c), there are no contracts, commitments, understandings, or arrangements by which the Company is or may become bound to issue additional shares of the capital stock of the Company or options, securities or rights convertible into shares of capital stock of the Company. Except for customary transfer restrictions contained in agreements entered into by the Company in order to sell restricted securities or as set forth on Schedule 2.1(c) hereto, the Company is not a party to any agreement granting registration or anti-dilution rights to any person with respect to any of its equity or debt securities. The Company is not a party to, and it has no knowledge of, any agreement restricting the voting or transfer of any shares of the capital stock of the Company. Except as set forth on Schedule 2.1(c) hereto, the offer and sale of all capital stock, convertible securities, rights, warrants, or options of the Company issued prior to the Closing complied with all applicable Federal and state securities laws, and no stockholder has a right of rescission or claim for damages with respect thereto which would have a Material Adverse Effect (as defined below). The Company has furnished or made available to the Purchasers

Edgar Filing: MULTIBAND CORP - Form 8-K

true and correct copies of the Company's Articles of Incorporation as in effect on the date hereof (the "Articles"), and the Company's Bylaws as in effect on the date hereof (the "Bylaws"). For the purposes of this Agreement, "Material Adverse Effect" means any material adverse effect on the business, operations, properties, prospects, or financial condition of the Company and its subsidiaries and/or any condition, circumstance, or situation that would prohibit or otherwise materially interfere with the ability of the Company to perform any of its obligations under any Transaction Document in any material respect.

(d) Issuance of Shares. The Preferred Shares and the Warrants to be issued at the Closing have been duly authorized by all necessary corporate action and the Preferred Shares, when paid for or issued in accordance with the terms hereof, shall be validly issued and outstanding, fully paid and nonassessable and entitled to the rights and preferences set forth in the Certificate of Designation. When the Conversion Shares and the Warrant Shares are issued and paid for in accordance with the terms of the Certificate of Designation and the Warrants, respectively, such shares will be duly authorized by all necessary corporate action and validly issued and outstanding, fully paid

3

and nonassessable, and the holders shall be entitled to all rights accorded to a holder of Common Stock.

(e) No Conflicts. The execution, delivery and the performance of the Transaction Documents by the Company, the performance by the Company of its obligations under the Certificate of Designation and the consummation by the Company of the transactions contemplated herein and therein do not and will not (i) violate any provision of the Articles or Bylaws, (ii) conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, mortgage, deed of trust, indenture, note, bond, license, lease agreement, instrument or obligation to which the Company is a party or by which it or its properties or assets are bound, (iii) create or impose a lien, mortgage, security interest, charge or encumbrance of any nature on any property of the Company under any agreement or any commitment to which the Company is a party or by which the Company is bound or by which any of its respective properties or assets are bound, or (iv) result in a violation of any federal, state, local or foreign statute, rule, regulation, order, judgment or decree (including Federal and state securities laws and regulations) applicable to the Company or any of its subsidiaries or by which any property or asset of the Company or any of its subsidiaries are bound or affected, except, in all cases other than violations pursuant to clauses (i) and (iv) above, for such conflicts, defaults, terminations, amendments, accelerations, cancellations and violations as would not, individually or in the aggregate, have a Material Adverse Effect. The business of the Company and its subsidiaries is not being conducted in violation of any laws, ordinances or regulations of any governmental entity, except for possible violations which singularly or in the aggregate do not and will not have a Material Adverse Effect. The Company is not required under Federal, state or local law, rule or regulation to obtain any consent, authorization or order of, or make any filing or registration with, any court or governmental agency in order for it to execute, deliver or perform any of its obligations under the Transaction Documents, or issue and sell the Preferred Shares, the Warrants, the Conversion Shares and the Warrant Shares in accordance with the terms hereof or thereof (other than any filings which may be required to be made by the Company with the Commission or state securities administrators subsequent to the Closing, any registration statement which may be filed pursuant hereto, and the Certificate of Designation); provided that, for purposes of the representation made in this

sentence, the Company is assuming and relying upon the accuracy of the relevant representations and agreements of the Purchasers herein.

(f) Commission Documents, Financial Statements. The Common Stock is registered pursuant to Section 12(b) or 12(g) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and, except as set forth on Schedule 2.1(f) hereto, the Company has timely filed all reports, schedules, forms, statements and other documents required to be filed by it with the Commission pursuant to the reporting requirements of the Exchange Act, including material filed pursuant to Section 13(a) or 15(d) of the Exchange Act (all of the foregoing including filings incorporated by reference therein being referred to herein as the "Commission Documents"). The Company has delivered or made available to each of the Purchasers true and complete copies of the Commission Documents filed with the Commission since June 30, 2004. The Company has not provided to the Purchasers any material non-public information or other information which, according to applicable law, rule or regulation, was required to have been disclosed publicly by the Company but which has not been so disclosed, other than with respect to the transactions contemplated by this Agreement. At the times of their respective filings, the Form 10-K and the Form

4

10-Q complied in all material respects with the requirements of the Exchange Act and the rules and regulations of the Commission promulgated thereunder and other federal, state and local laws, rules and regulations applicable to such documents, and, as of their respective dates, none of the Form 10-K and the Form 10-Q contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. The financial statements of the Company included in the Commission Documents comply as to form in all material respects with applicable accounting requirements and the published rules and regulations of the Commission or other applicable rules and regulations with respect thereto. Such financial statements have been prepared in accordance with United States generally accepted accounting principles ("GAAP") applied on a consistent basis during the periods involved (except (i) as may be otherwise indicated in such financial statements or the notes thereto or (ii) in the case of unaudited interim statements, to the extent they may not include footnotes or may be condensed or summary statements), and fairly present in all material respects the financial position of the Company and its subsidiaries as of the dates thereof and the results of operations and cash flows for the periods then ended (subject, in the case of unaudited statements, to normal year-end audit adjustments).

(g) Subsidiaries. Schedule 2.1(g) hereto sets forth each subsidiary of the Company, showing the jurisdiction of its incorporation or organization and showing the percentage of each person's ownership. For the purposes of this Agreement, "subsidiary" shall mean any corporation or other entity of which at least twenty percent (20%) of the securities or other ownership interest having ordinary voting power (absolutely or contingently) for the election of directors or other persons performing similar functions are at the time owned directly or indirectly by the Company and/or any of its other subsidiaries. All of the outstanding shares of capital stock of each subsidiary have been duly authorized and validly issued, and are fully paid and nonassessable. There are no outstanding preemptive, conversion or other rights, options, warrants or agreements granted or issued by or binding upon any subsidiary for the purchase or acquisition of any shares of capital stock of any subsidiary or any other securities convertible into, exchangeable for or evidencing the rights to subscribe for any shares of such capital stock. (i) No Undisclosed Liabilities. Except as set forth on Schedule 2.1(i) hereto, or in the Commission Documents, neither the Company nor any of its subsidiaries has any liabilities, obligations, claims or losses (whether liquidated or unliquidated, secured or unsecured, absolute, accrued, contingent or otherwise) other than those incurred in the ordinary course of the Company's or its subsidiaries respective businesses since June 30, 2004 and which,

5

individually or in the aggregate, do not or would not have a Material Adverse Effect.

(j) No Undisclosed Events or Circumstances. Except as set forth on Schedule 2.1(j) hereto, no event or circumstance has occurred or exists with respect to the Company or its subsidiaries or their respective businesses, properties, prospects, operations or financial condition, which, under applicable law, rule or regulation, requires public disclosure or announcement by the Company but which has not been so publicly announced or disclosed.

The Form 10-K, Form 10-Q or Schedule 2.1(k) hereto sets forth as of a recent date all outstanding secured and unsecured Indebtedness of the Company or any subsidiary, or for which the Company or any subsidiary has commitments. For the purposes of this Agreement, "Indebtedness" shall mean (a) any liabilities for borrowed money or amounts owed in excess of \$100,000 (other than trade accounts payable incurred in the ordinary course of business), (b) all guaranties, endorsements and other contingent obligations in respect of Indebtedness of others, whether or not the same are or should be reflected in the Company's balance sheet (or the notes thereto), except guaranties by endorsement of negotiable instruments for deposit or collection or similar transactions in the ordinary course of business; and (c) the present value of any lease payments in excess of \$25,000 due under leases required to be capitalized in accordance with GAAP. All leases of the Company and each of its subsidiaries are valid and subsisting and in full force and effect.

(m) Actions Pending. There is no action, suit, claim, investigation, arbitration, alternate dispute resolution proceeding or any other proceeding pending or, to the knowledge of the Company, threatened against the Company or any subsidiary which questions the validity of this Agreement or any of the other Transaction Documents or the transactions contemplated hereby or thereby or any action taken or to be taken pursuant hereto or thereto. Each of the Company and each of its subsidiaries has all franchises,

6

permits, licenses, consents and other governmental or regulatory authorizations and approvals necessary for the conduct of its business as now being conducted by it unless the failure to possess such franchises, permits, licenses, consents and other governmental or regulatory authorizations and approvals, individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect.

(aa) Public Utility Holding Company Act and Investment Company Act Status. The Company is not a "holding company" or a "public utility company" as such terms are defined in the Public Utility Holding Company Act of 1935, as amended. The Company is not, and as a result of and immediately upon the Closing will not be, an "investment company" or a company "controlled" by an "investment company," within the meaning of the Investment Company Act of 1940, as amended.

(bb) ERISA. No liability to the Pension Benefit Guaranty Corporation has been incurred with respect to any Plan by the Company or any of its subsidiaries which has caused or will cause a Material Adverse Effect. The execution and delivery of this Agreement and the issuance and sale of the Preferred Shares will not involve any transaction which is subject to the prohibitions of Section 406 of ERISA or in connection with which a tax could be imposed pursuant to Section 4975 of the Internal Revenue Code of 1986, as amended, provided that, if any of the Purchasers, or any person or entity that owns a beneficial interest in any of the Purchasers, is an "employee pension benefit plan" (within the meaning of Section 3(2) of ERISA) with respect to which the Company is a "party in interest" (within the meaning of Section 3(14) of ERISA), the requirements of Sections 407(d)(5) and 408(e) of ERISA, if applicable, are met. As used in this Section 2.1(bb), the term "Plan" shall mean an "employee pension benefit plan" (as defined in Section 3 of ERISA) which is or has been established or maintained, or to which contributions are or have been made, by the Company or any subsidiary or by any trade or business, whether or not incorporated, which, together with the Company or any subsidiary, is under common control, as described in Section 414(b) or (c) of the Code.

(cc) Dilutive Effect. The Company understands and acknowledges that the number of Conversion Shares issuable upon conversion of the Preferred Shares and the Warrant Shares issuable upon exercise of the Warrants will increase in certain circumstances. The Company further acknowledges that its obligation to issue Conversion Shares upon conversion of the Preferred Shares in accordance with this Agreement and the Certificate of Designation and its obligations to issue the Warrant Shares upon the exercise of the Warrants in accordance with this Agreement and the Warrants, is, in each case, absolute and unconditional regardless of the dilutive effect that such issuance may have on the ownership interest of other stockholders of the Company.

(dd) Independent Nature of Purchasers. The Company acknowledges that the obligations of each Purchaser under the Transaction Documents are several and not joint with the obligations of any other Purchaser, and no Purchaser shall be responsible in any way for the performance of the obligations of any other Purchaser under the Transaction Documents. The decision of each Purchaser to purchase the Shares and Warrants pursuant to this Agreement has been made by such Purchaser independently of any other purchase and independently of any information, materials, statements or opinions as to the business, affairs,

Edgar Filing: MULTIBAND CORP - Form 8-K

operations, assets, properties, liabilities, results of operations, condition (financial or otherwise) or prospects of the Company or of its Subsidiaries which may have made or given by any other Purchaser or by any agent or employee of any other Purchaser, and no Purchaser or any of its agents or employees shall have any liability to any Purchaser (or any other person) relating to or arising from any such information, materials, statements or opinions. The Company acknowledges that nothing contained herein, or in any Transaction Document, and

12

no action taken by any Purchaser pursuant hereto or thereto, shall be deemed to constitute the Purchasers as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Purchasers are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by the Transaction Documents. The Company acknowledges that each Purchaser shall be entitled to independently protect and enforce its rights, including without limitation, the rights arising out of this Agreement or out of the other Transaction Documents, and it shall not be necessary for any other Purchaser to be joined as an additional party in any proceeding for such purpose.

(ee) No Integrated Offering. Neither the Company, nor any of its affiliates, nor any person acting on its or their behalf, has directly or indirectly made any offers or sales of any security or solicited any offers to buy any security under circumstances that would cause the offering of the Shares pursuant to this Agreement to be integrated with prior offerings by the Company for purposes of the Securities Act which would prevent the Company from selling the Shares pursuant to Rule 506 under the Securities Act, or any applicable exchange-related stockholder approval provisions, nor will the Company or any of its affiliates or subsidiaries take any action or steps that would cause the offering of the Shares to be integrated with other offerings. The Company does not have any registration statement pending before the Commission or currently under the Commission's review and, except as set forth on Schedule 2.1(ee) hereto, since April 1, 2004, the Company has not offered or sold any of its equity or debt securities.

(ff) Sarbanes-Oxley Act. The Company is in compliance with the applicable provisions of the Sarbanes-Oxley Act of 2002 (the "Sarbanes-Oxley Act"), and the rules and regulations promulgated thereunder, that are effective as of the date hereof, and intends to comply with other applicable provisions of the Sarbanes-Oxley Act, and the rules and regulations promulgated thereunder, upon the effectiveness of such provisions.

(gg) Nasdaq. The Company has not, in the twelve (12) months preceding the date hereof, received notice from the Nasdaq SmallCap Market to the effect that the Company is not in compliance with the listing or maintenance requirements thereof. The Company is, and has no reason to believe that it will not in the foreseeable future continue to be, in compliance with all such listing and maintenance requirements. The issuance and sale of the securities hereunder does not contravene the rules and regulations of the Nasdaq SmallCap Market.

Section 2.2 Representations and Warranties of the Purchasers. Each of the Purchasers hereby makes the following representations and warranties to the Company with respect solely to itself and not with respect to any other Purchaser:

(a) Organization and Standing of the Purchasers. If the Purchaser is an entity, such Purchaser is a corporation, partnership or other entity duly incorporated or organized, validly existing and in good standing under the laws

Edgar Filing: MULTIBAND CORP - Form 8-K

of the jurisdiction of its incorporation or organization.

(b) Authorization and Power. Each Purchaser has the requisite power and authority to enter into and perform this Agreement and to purchase the Preferred Shares and Warrants being sold to it hereunder. The execution, delivery and

13

performance of this Agreement and the Registration Rights Agreement by such Purchaser and the consummation by it of the transactions contemplated hereby and thereby have been duly authorized by all necessary corporate or partnership action, and no further consent or authorization of such Purchaser or its Board of Directors, stockholders, or partners, as the case may be, is required. Each of this Agreement and the Registration Rights Agreement has been duly authorized, executed and delivered by such Purchaser and constitutes, or shall constitute when executed and delivered, a valid and binding obligation of the Purchaser enforceable against the Purchaser in accordance with the terms thereof.

(c) No Conflicts. The execution, delivery and performance of this Agreement and the Registration Rights Agreement and the consummation by such Purchaser of the transactions contemplated hereby and thereby or relating hereto do not and will not (i) result in a violation of such Purchaser's charter documents or bylaws or other organizational documents or (ii) conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of any agreement, indenture or instrument or obligation to which such Purchaser is a party or by which its properties or assets are bound, or result in a violation of any law, rule, or regulation, or any order, judgment or decree of any court or governmental agency applicable to such Purchaser or its properties (except for such conflicts, defaults and violations as would not, individually or in the aggregate, have a material adverse effect on such Purchaser). Such Purchaser is not required to obtain any consent, authorization or order of, or make any filing or registration with, any court or governmental agency in order for it to execute, deliver or perform any of its obligations under this Agreement or the Registration Rights Agreement or to purchase the Preferred Shares or acquire the Warrants in accordance with the terms hereof, provided that for purposes of the representation made in this sentence, such Purchaser is assuming and relying upon the accuracy of the relevant representations and agreements of the Company herein.

(d) Acquisition for Investment. Each Purchaser is acquiring the Preferred Shares and the Warrants solely for its own account for the purpose of investment and not with a view to or for sale in connection with distribution. Each Purchaser does not have a present intention to sell the Preferred Shares or the Warrants, nor a present arrangement (whether or not legally binding) or intention to effect any distribution of the Preferred Shares or the Warrants to or through any person or entity; provided, however, that by making the representations herein and subject to Section 2.2(h) below, such Purchaser does not agree to hold the Shares or the Warrants for any minimum or other specific term and reserves the right to dispose of the Shares or the Warrants at any time in accordance with Federal and state securities laws applicable to such disposition. Each Purchaser acknowledges that it is able to bear the financial risks associated with an investment in the Preferred Shares and the Warrants and that it has been given full access to such records of the Company and the subsidiaries and to the officers of the Company and its subsidiaries and received such information as it has deemed necessary or appropriate to conduct its due diligence investigation and has sufficient knowledge and experience in investing in companies similar to the Company in terms of the Company's stage of

Edgar Filing: MULTIBAND CORP - Form 8-K

development so as to be able to evaluate the risks and merits of its investment in the Company.

(e) Status of Purchasers. Such Purchaser is an "accredited investor" as defined in Regulation D promulgated under the Securities Act. Such Purchaser is

14

not required to be registered as a broker-dealer under Section 15 of the Exchange Act and such Purchaser is not a broker-dealer.

(f) Opportunities for Additional Information. Each Purchaser acknowledges that such Purchaser has had the opportunity to ask questions of and receive answers from, or obtain additional information from, the executive officers of the Company concerning the financial and other affairs of the Company, and to the extent deemed necessary in light of such Purchaser's personal knowledge of the Company's affairs, such Purchaser has asked such questions and received answers to the full satisfaction of such Purchaser, and such Purchaser desires to invest in the Company.

(g) No General Solicitation. Each Purchaser acknowledges that the Shares were not offered to such Purchaser by means of any form of general or public solicitation or general advertising, or publicly disseminated advertisements or sales literature, including (i) any advertisement, article, notice or other communication published in any newspaper, magazine, or similar media, or broadcast over television or radio, or (ii) any seminar or meeting to which such Purchaser was invited by any of the foregoing means of communications.

(h) Rule 144. Such Purchaser understands that the Shares must be held indefinitely unless such Shares are registered under the Securities Act or an exemption from registration is available. Such Purchaser acknowledges that such Purchaser is familiar with Rule 144 of the rules and regulations of the Commission, as amended, promulgated pursuant to the Securities Act ("Rule 144"), and that such person has been advised that Rule 144 permits resales only under certain circumstances. Such Purchaser understands that to the extent that Rule 144 is not available, such Purchaser will be unable to sell any Shares without either registration under the Securities Act or the existence of another exemption from such registration requirement.

(i) General. Such Purchaser understands that the Shares are being offered and sold in reliance on a transactional exemption from the registration requirements of Federal and state securities laws and the Company is relying upon the truth and accuracy of the representations, warranties, agreements, acknowledgments and understandings of such Purchaser set forth herein in order to determine the applicability of such exemptions and the suitability of such Purchaser to acquire the Shares.

(j) Independent Investment. No Purchaser has agreed to act with any other Purchaser for the purpose of acquiring, holding, voting or disposing of the Shares purchased hereunder for purposes of Section 13(d) under the Exchange Act, and each Purchaser is acting independently with respect to its investment in the Shares.

ARTICLE III

Edgar Filing: MULTIBAND CORP - Form 8-K

COVENANTS

The Company covenants with each of the Purchasers as follows, which covenants are for the benefit of the Purchasers and their permitted assignees (as defined herein).

Section 3.1 Securities Compliance. The Company shall notify the Commission in accordance with its rules and regulations, of the transactions contemplated by any of the Transaction Documents, including filing a Form D with respect to the Preferred Shares, Warrants, Conversion Shares and Warrant Shares as required under Regulation D, and shall take all other necessary action and proceedings as may be required and permitted by applicable law, rule and regulation, for the legal and valid issuance of the Preferred Shares, the Warrants, the Conversion Shares and the Warrant Shares to the Purchasers or subsequent holders.

Section 3.2 Registration and Listing. The Company will cause its Common Stock to continue to be registered under Sections 12(b) or 12(g) of the Exchange Act, will comply in all respects with its reporting and filing obligations under the Exchange Act, will comply with all requirements related to any registration statement filed pursuant to this Agreement or the Registration Rights Agreement, and will not take any action or file any document (whether or not permitted by the Securities Act or the rules promulgated thereunder) to terminate or suspend such registration or to terminate or suspend its reporting and filing obligations under the Exchange Act or Securities Act, except as permitted herein. The Company will take all action necessary to continue the listing or trading of its Common Stock on the Nasdaq SmallCap Market.

Section 3.3 Inspection Rights. The Company shall permit, during normal business hours and upon reasonable request and reasonable notice, each Purchaser or any employees, agents or representatives thereof, so long as such Purchaser shall be obligated hereunder to purchase the Preferred Shares or shall beneficially own any Preferred Shares, or shall own Conversion Shares which, in the aggregate, represent more than 2% of the total combined voting power of all voting securities then outstanding, for purposes reasonably related to such Purchaser's interests as a stockholder to examine and make reasonable copies of and extracts from the records and books of account of, and visit and inspect the properties, assets, operations and business of the Company and any subsidiary, and to discuss the affairs, finances and accounts of the Company and any subsidiary with any of its officers, consultants, directors, and key employees.

Section 3.4 Compliance with Laws. The Company shall comply, and cause each subsidiary to comply, with all applicable laws, rules, regulations and orders, noncompliance with which could have a Material Adverse Effect.

Section 3.5 Keeping of Records and Books of Account. The Company shall keep and cause each subsidiary to keep adequate records and books of account, in which complete entries will be made in accordance with GAAP consistently applied, reflecting all financial transactions of the Company and its subsidiaries, and in which, for each fiscal year, all proper reserves for

16

depreciation, depletion, obsolescence, amortization, taxes, bad debts and other purposes in connection with its business shall be made.

Section 3.6 Reporting Requirements. If the Commission ceases making periodic reports filed under Section 13 of the Exchange Act available via its Election Data Gathering Retrieval and Analysis System, then at a Purchaser's request the Company shall furnish the following to such Purchaser so long as

Edgar Filing: MULTIBAND CORP - Form 8-K

such Purchaser shall be obligated hereunder to purchase the Shares or shall beneficially own any Shares, or shall own Shares which, in the aggregate, represent more than 2% of the total combined voting power of all voting securities then outstanding:

(a) Quarterly Reports filed with the Commission on Form 10-Q as soon as practical after the document is filed with the Commission, and in any event within fifty-five (55) days after the end of each of the first three fiscal quarters of the Company;

(b) Annual Reports filed with the Commission on Form 10-K as soon as practical after the document is filed with the Commission, and in any event within one hundred (100) days after the end of each fiscal year of the Company; and

(c) Copies of all notices and information, including without limitation notices and proxy statements in connection with any meetings, that are provided to holders of shares of Common Stock, contemporaneously with the delivery of such notices or information to such holders of Common Stock.

Section 3.7 Amendments. The Company shall not amend or waive any provision of the Articles or Bylaws in any way that would adversely affect the liquidation preferences, dividends rights, conversion rights, voting rights or redemption rights of the Preferred Shares; provided, however, that any creation and issuance of another series of Junior Stock (as defined in the Certificate of Designation) shall not be deemed to materially and adversely affect such rights, preferences or privileges.

Section 3.8 Other Agreements. The Company shall not enter into any agreement in which the terms of such agreement would restrict or impair the right or ability to perform of the Company or any subsidiary under any Transaction Document.

Section 3.9 Distributions. So long as any Preferred Shares or Warrants remain outstanding, the Company agrees that it shall not (i) declare or pay any dividends or make any distributions to any holder(s) of Common Stock or (ii) purchase or otherwise acquire for value, directly or indirectly, any Common Stock or other equity security of the Company.

Section 3.10 Status of Dividends. The Company covenants and agrees that (i) no Federal income tax return or claim for refund of Federal income tax or other submission to the Internal Revenue Service will adversely affect the Preferred Shares, any other series of its Preferred Stock, or the Common Stock, and any deduction shall not operate to jeopardize the availability to Purchasers of the dividends received deduction provided by Section 243(a)(1) of the Code or any successor provision, (ii) in no report to shareholders or to any governmental body having jurisdiction over the Company or otherwise will it

treat the Preferred Shares other than as equity capital or the dividends paid thereon other than as dividends paid on equity capital unless required to do so by a governmental body having jurisdiction over the accounts of the Company or by a change in generally accepted accounting principles required as a result of action by an authoritative accounting standards setting body, and (iii) other than pursuant to this Agreement or the Certificate of Designation, it will take no action which would result in the dividends paid by the Company on the Preferred Shares out of the Company's current or accumulated earnings and profits being ineligible for the dividends received deduction provided by Section 243(a)(1) of the Code. The preceding sentence shall not be deemed to

Edgar Filing: MULTIBAND CORP - Form 8-K

prevent the Company from designating the Preferred Stock as "Convertible Preferred Stock" in its annual and quarterly financial statements in accordance with its prior practice concerning other series of preferred stock of the Company. Notwithstanding the foregoing, the Company shall not be required to restate or modify its tax returns for periods prior to the Closing Date. In the event that the Purchasers have reasonable cause to believe that dividends paid by the Company on the Preferred Shares out of the Company's current or accumulated earnings and profits will not be treated as eligible for the dividends received deduction provided by Section 243(a)(1) of the Code, or any successor provision, the Company will, at the reasonable request of the Purchasers of 51% of the outstanding Preferred Shares, join with the Purchasers in the submission to the Internal Revenue Service of a request for a ruling that dividends paid on the Shares will be so eligible for Federal income tax purposes, at the Company's expense. In addition, the Company will reasonably cooperate with the Purchasers (at Company's expense) in any litigation, appeal or other proceeding challenging or contesting any ruling, technical advice, finding or determination that earnings and profits are not eligible for the dividends received deduction provided by Section 243(a)(1) of the Code, or any successor provision to the extent that the position to be taken in any such litigation, appeal, or other proceeding is not contrary to any provision of the Code or incurred in connection with any such submission, litigation, appeal or other proceeding. Notwithstanding the foregoing, nothing herein contained shall be deemed to preclude the Company from claiming a deduction with respect to such dividends if (i) the Code shall hereafter be amended, or final Treasury regulations thereunder are issued or modified, to provide that dividends on the Shares should not be treated as dividends for Federal income tax purposes or that a deduction with respect to all or a portion of the dividends on the Shares is allowable for Federal income tax purposes, or (ii) in the absence of such an amendment, issuance or modification and after a submission of a request for ruling or technical advice, the service shall rule or advise that dividends on the shares should not be treated as dividends for Federal income tax purposes. If the Service determines that the Preferred Shares or Conversion Shares constitute debt, the Company may file protective claims for refund.

Section 3.11 Use of Proceeds. The proceeds from the sale of the Preferred Shares will be used by the Company for general corporate purposes, including, without limitation, acquisitions and the retirement of indebtedness owed to the lenders set forth on Schedule 3.11 hereto (the "Acquisition Indebtedness").

Section 3.12 Future Financings; Right of First Offer and Refusal. (a) During the period commencing on the Closing Date and ending on the date that is six (6) months and one (1) day following the Closing Date, the Company covenants and agrees that it will not enter into any subsequent offer or sale to, or exchange with (or other type of distribution to), any third party (a "Subsequent Financing"), of Common Stock or Preferred Stock or any securities convertible, exercisable or exchangeable into Common Stock or Preferred Stock, including debt securities so convertible (collectively, the "Financing Securities"), other than

a Permitted Financing. For purposes of this Agreement, "Permitted Financing" shall mean any transaction involving (i) the Company's issuance of any Financing Securities (other than for cash) in connection with a merger, acquisition or consolidation, (ii) the Company's issuance of Financing Securities in connection with strategic license agreements and other partnering arrangements so long as such issuances are not for the purpose of raising capital, (iii) the Company's issuance of Financing Securities in connection with bona fide firm underwritten public offerings of its securities, (iv) the Company's issuance of Common Stock or the issuance or grants of options to purchase Common Stock pursuant to the

Edgar Filing: MULTIBAND CORP - Form 8-K

Company's stock option plans and employee stock purchase plans outstanding as they now exist, (v) as a result of the exercise of options or warrants or conversion of convertible notes or preferred stock which are granted or issued as of the date of this Agreement, (vi) any Warrants issued to the Purchasers and any warrants issued to the placement agent for the transactions contemplated by this Agreement, (vii) the payment of any dividends on the Preferred Shares, (viii) the issuance of up to 1,000,000 shares of Common Stock at a price per share greater than \$1.00 and (ix) the issuance of secured convertible promissory notes pursuant to the Note Purchase Agreement dated as of November 12, 2004 by and among the Issuer and the signatories thereto (the "Note Purchase Agreement") and shares of Common Stock issuable upon conversion of such secured convertible promissory notes and the payment of interest accrued thereon.

(b) During the period commencing on the Closing Date and ending on the date that is one (1) year following the Closing Date, the Company covenants and agrees to promptly notify (in no event later than five (5) days after making or receiving an applicable offer) in writing (a "Rights Notice") each Purchaser of the terms and conditions of any proposed Subsequent Financing. The Rights Notice shall describe, in reasonable detail, the proposed Subsequent Financing, the proposed closing date of the Subsequent Financing, which shall be within thirty (30) calendar days from the date of the Rights Notice, including, without limitation, all of the terms and conditions thereof and proposed definitive documentation to be entered into in connection therewith. The Rights Notice shall provide each Purchaser an option (the "Rights Option") during the ten (10) Trading Days (as defined in Section 3.17 hereof) following delivery of the Rights Notice (the "Option Period") to inform the Company whether such Purchaser will purchase up to its pro rata portion of the securities being offered in such Subsequent Financing on the same, absolute terms and conditions as contemplated by such Subsequent Financing. If any Purchaser elects not to participate in such Subsequent Financing, the other Purchasers may participate on a pro-rata basis so long as such participation in the aggregate does not exceed the total Purchase Price hereunder. For purposes of this Section, all references to "pro rata" means, for any Purchaser electing to participate in such Subsequent Financing, the percentage obtained by dividing (x) the total number of Preferred Shares purchased by such Purchaser at the Closing by (y) the total number of Preferred Shares purchased at the Closing by all of the Purchasers electing to participate in such Subsequent Financing. Delivery of any Rights Notice constitutes a representation and warranty by the Company that there are no other material terms and conditions, arrangements, agreements or otherwise except for those disclosed in the Rights Notice, to provide additional compensation to any party participating in any proposed Subsequent Financing, including, but not limited to, additional compensation based on changes in the Purchase Price or any type of reset or adjustment of a purchase or conversion price or to issue additional securities at any time after the closing date of a Subsequent Financing. If the Company does not receive notice of exercise of the Rights

19

Option from the Purchasers within the Option Period, the Company shall have the right to close the Subsequent Financing on the scheduled closing date with a third party; provided that all of the material terms and conditions of the closing are the same as those provided to the Purchasers in the Rights Notice. If the closing of the proposed Subsequent Financing does not occur on that date, any closing of the contemplated Subsequent Financing or any other Subsequent Financing shall be subject to all of the provisions of this Section 3.12, including, without limitation, the delivery of a new Rights Notice. The provisions of this Section 3.12(b) shall not apply to issuances of Financing Securities in a Permitted Financing.

(c) During the period commencing on the Closing Date and ending on the

Edgar Filing: MULTIBAND CORP - Form 8-K

date that is thirty six (36) months following the Closing Date, if the Company enters into any Subsequent Financing, then each Purchaser in its sole discretion may exchange its Preferred Shares then outstanding, valued at one hundred percent (100%) of their face value, for the securities issued or to be issued in the Subsequent Financing so long as such exchange is in compliance with applicable securities laws. The Company covenants and agrees to promptly notify in writing the Purchasers of the terms and conditions of any such proposed Subsequent Financing. The Company is under no obligation, nor does the Company have any present intention, to participate in a Subsequent Financing.

Section 3.13 Reservation of Shares. So long as any of the Preferred Shares or Warrants remain outstanding, the Company shall take all action necessary to at all times have authorized, and reserved for the purpose of issuance, no less than the aggregate number of shares of Common Stock needed to provide for the issuance of the Conversion Shares and the Warrant Shares.

Section 3.14 Transfer Agent Instructions. The Company shall issue irrevocable instructions to its transfer agent, and any subsequent transfer agent, to issue certificates, registered in the name of each Purchaser or its respective nominee(s), for the Conversion Shares and the Warrant Shares in such amounts as specified from time to time by each Purchaser to the Company upon conversion of the Preferred Shares or exercise of the Warrants in the form of Exhibit E attached hereto (the "Irrevocable Transfer Agent Instructions"). Prior to registration of the Conversion Shares and the Warrant Shares under the Securities Act, all such certificates shall bear the restrictive legend specified in Section 5.1 of this Agreement. The Company warrants that no instruction other than the Irrevocable Transfer Agent Instructions referred to in this Section 3.14 will be given by the Company to its transfer agent and that the Shares shall otherwise be freely transferable on the books and records of the Company as and to the extent provided in this Agreement and the Registration Rights Agreement. Nothing in this Section 3.14 shall affect in any way each Purchaser's obligations and agreements set forth in Section 5.1 to comply with all applicable prospectus delivery requirements, if any, upon resale of the Shares. If a Purchaser provides the Company with an opinion of counsel, in a generally acceptable form, to the effect that a public sale, assignment or transfer of the Shares may be made without registration under the Securities Act or the Purchaser provides the Company with reasonable assurances that the Shares can be sold pursuant to Rule 144 without any restriction as to the number of securities acquired as of a particular date that can then be immediately sold, the Company shall permit the transfer, and, in the case of the Conversion Shares and the Warrant Shares, promptly instruct its transfer agent to issue one or more certificates in such name and in such denominations as specified by such

20

Purchaser and without any restrictive legend. The Company acknowledges that a breach by it of its obligations under this Section 3.14 will cause irreparable harm to the Purchasers by vitiating the intent and purpose of the transaction contemplated hereby. Accordingly, the Company acknowledges that the remedy at law for a breach of its obligations under this Section 3.14 will be inadequate and agrees, in the event of a breach or threatened breach by the Company of the provisions of this Section 3.14, that the Purchasers shall be entitled, in addition to all other available remedies, to an order and/or injunction restraining any breach and requiring immediate issuance and transfer, without the necessity of showing economic loss and without any bond or other security being required.

Section 3.15 Disposition of Assets. So long as the Preferred Shares remain outstanding, neither the Company nor any of its subsidiaries shall sell, transfer or otherwise dispose of any of its properties, assets and rights

Edgar Filing: MULTIBAND CORP - Form 8-K

including, without limitation, its software and intellectual property, to any person except for sales to customers in the ordinary course of business or with the prior written consent of the holders of a majority of the Preferred Shares then outstanding.

Section 3.16 Reporting Status. So long as any Purchaser beneficially owns any of the Shares, the Company shall timely file all reports required to be filed with the Commission pursuant to the Exchange Act, and the Company shall not terminate its status as an issuer required to file reports under the Exchange Act even if the Exchange Act or the rules and regulations thereunder would permit such termination.

Such a pledge of Common Stock shall not be deemed to be a transfer, sale or assignment of the Common Stock hereunder, and no Purchaser effecting such a pledge of Common Stock shall be required to provide the Company with any notice thereof or otherwise make any delivery to the Company pursuant to this Agreement or any other Transaction Document; provided that a Purchaser and its pledgee shall be required to comply with the provisions of Article V hereof in order to effect a sale, transfer or assignment of Common Stock to such pledgee. At each Purchaser's expense, the Company hereby agrees to execute and deliver such documentation as a pledgee of the Common Stock may reasonably request in connection with any pledge contemplated by this Section 3.19.

ARTICLE V

STOCK CERTIFICATE LEGEND

Section 5.1 Legend. Each certificate representing the Shares shall be stamped or otherwise imprinted with a legend substantially in the following form (in addition to any legend required by applicable state securities or "blue sky" laws):

THESE SECURITIES REPRESENTED BY THIS CERTIFICATE (THE "SECURITIES") HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT") OR ANY STATE SECURITIES LAWS AND MAY NOT BE SOLD, TRANSFERRED OR OTHERWISE DISPOSED OF UNLESS REGISTERED UNDER THE SECURITIES ACT AND UNDER APPLICABLE STATE SECURITIES LAWS OR MULTIBAND CORPORATION SHALL HAVE RECEIVED AN OPINION OF COUNSEL THAT REGISTRATION OF SUCH SECURITIES UNDER THE SECURITIES ACT AND UNDER THE PROVISIONS OF APPLICABLE STATE SECURITIES LAWS IS NOT REQUIRED.

The Company agrees to reissue certificates representing any of the Conversion Shares and the Warrant Shares, without the legend set forth above if at such time, prior to making any transfer of any such securities, such holder thereof shall give written notice to the Company describing the manner and terms of such transfer and removal as the Company may reasonably request. Such proposed transfer and removal will not be effected until: (a) either (i) the Company has received an opinion of counsel reasonably satisfactory to the Company, to the effect that the registration of the Conversion Shares or the Warrant Shares under the Securities Act is not required in connection with such

Edgar Filing: MULTIBAND CORP - Form 8-K

proposed transfer, (ii) a registration statement under the Securities Act covering such proposed disposition has been filed by the Company with the Commission and has become effective under the Securities Act, (iii) the Company has received other evidence reasonably satisfactory to the Company that such registration and qualification under the Securities Act and state securities laws are not required, or (iv) the holder provides the Company with reasonable assurances that such security can be sold pursuant to Rule 144 under the Securities Act; and (b) either (i) the Company has received an opinion of counsel reasonably satisfactory to the Company, to the effect that registration or qualification under the securities or "blue sky" laws of any state is not required in connection with such proposed disposition, or (ii) compliance with applicable state securities or "blue sky" laws has been effected or a valid exemption exists with respect thereto. The Company will respond to any such notice from a holder within five (5) business days. In the case of any proposed transfer under this Section 5.1, the Company will use reasonable efforts to comply with any such applicable state securities or "blue sky" laws, but shall in no event be required, (x) to qualify to do business in any state where it is not then qualified, (y) to take any action that would subject it to tax or to the general service of process in any state where it is not then subject, or (z) to comply with state securities or "blue sky" laws of any state for which registration by coordination is unavailable to the Company. The restrictions on

25

transfer contained in this Section 5.1 shall be in addition to, and not by way of limitation of, any other restrictions on transfer contained in any other section of this Agreement. Whenever a certificate representing the Conversion Shares or Warrant Shares is required to be issued to a Purchaser without a legend, in lieu of delivering physical certificates representing the Conversion Shares or Warrant Shares, provided the Company's transfer agent is participating in the Depository Trust Company ("DTC") Fast Automated Securities Transfer program, the Company shall use its reasonable best efforts to cause its transfer agent to electronically transmit the Conversion Shares or Warrant Shares to a Purchaser by crediting the account of such Purchaser's Prime Broker with DTC through its Deposit Withdrawal Agent Commission ("DWAC") system (to the extent not inconsistent with any provisions of this Agreement).

ARTICLE VI

INDEMNIFICATION

Section 6.1 General Indemnity. The Company agrees to indemnify and hold harmless the Purchasers (and their respective directors, officers, affiliates, agents, successors and assigns) from and against any and all losses, liabilities, deficiencies, costs, damages and expenses (including, without limitation, reasonable attorneys' fees, charges and disbursements) incurred by the Purchasers or any such other persons as a result of any inaccuracy in or breach of the representations, warranties or covenants made by the Company herein. Each Purchaser severally but not jointly agrees to indemnify and hold harmless the Company and its directors, officers, affiliates, agents, successors and assigns from and against any and all losses, liabilities, deficiencies, costs, damages and expenses (including, without limitation, reasonable attorneys' fees, charges and disbursements) incurred by the Company as result of any inaccuracy in or breach of the representations, warranties or covenants made by such Purchaser herein. The maximum aggregate liability of each Purchaser pursuant to its indemnification obligations under this Article VI shall not exceed the portion of the Purchase Price paid by such Purchaser hereunder.

Section 6.2 Indemnification Procedure. Any party entitled to indemnification under this Article VI (an "indemnified party") will give written

Edgar Filing: MULTIBAND CORP - Form 8-K

notice to the indemnifying party of any matters giving rise to a claim for indemnification; provided, that the failure of any party entitled to indemnification hereunder to give notice as provided herein shall not relieve the indemnifying party of its obligations under this Article VI except to the extent that the indemnifying party is actually prejudiced by such failure to give notice. In case any action, proceeding or claim is brought against an indemnified party in respect of which indemnification is sought hereunder, the indemnifying party shall be entitled to participate in and, unless in the reasonable judgment of the indemnified party a conflict of interest between it and the indemnifying party may exist with respect of such action, proceeding or claim, to assume the defense thereof with counsel reasonably satisfactory to the indemnified party. In the event that the indemnifying party advises an indemnified party that it will contest such a claim for indemnification hereunder, or fails, within thirty (30) days of receipt of any indemnification notice to notify, in writing, such person of its election to defend, settle or compromise, at its sole cost and expense, any action, proceeding or claim (or discontinues its defense at any time after it commences such defense), then the indemnified party may, at its option, defend, settle or otherwise compromise or

26

pay such action or claim. In any event, unless and until the indemnifying party elects in writing to assume and does so assume the defense of any such claim, proceeding or action, the indemnified party's costs and expenses arising out of the defense, settlement or compromise of any such action, claim or proceeding shall be losses subject to indemnification hereunder. The indemnified party shall cooperate fully with the indemnifying party in connection with any negotiation or defense of any such action or claim by the indemnifying party and shall furnish to the indemnifying party all information reasonably available to the indemnified party which relates to such action or claim. The indemnifying party shall keep the indemnified party fully apprised at all times as to the status of the defense or any settlement negotiations with respect thereto. If the indemnifying party elects to defend any such action or claim, then the indemnified party shall be entitled to participate in such defense with counsel of its choice at its sole cost and expense. The indemnifying party shall not be liable for any settlement of any action, claim or proceeding effected without its prior written consent. Notwithstanding anything in this Article VI to the contrary, the indemnifying party shall not, without the indemnified party's prior written consent, settle or compromise any claim or consent to entry of any judgment in respect thereof which imposes any future obligation on the indemnified party or which does not include, as an unconditional term thereof, the giving by the claimant or the plaintiff to the indemnified party of a release from all liability in respect of such claim. The indemnification required by this Article VI shall be made by periodic payments of the amount thereof during the course of investigation or defense, as and when bills are received or expense, loss, damage or liability is incurred, so long as the indemnified party irrevocably agrees to refund such moneys if it is ultimately determined by a court of competent jurisdiction that such party was not entitled to indemnification. The indemnity agreements contained herein shall be in addition to (a) any cause of action or similar rights of the indemnified party against the indemnifying party or others, and (b) any liabilities the indemnifying party may be subject to pursuant to the law.

ARTICLE VII

27

Agreement) and (iii) any amendments, modifications or waivers of this Agreement or any of the other Transaction Documents. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent or cure breaches of the provisions of this Agreement or the Registration Rights Agreement and to enforce specifically the terms and provisions hereof or thereof, this being in addition to any other remedy to which any of them may be entitled by law or equity.

Each of the Company and the Purchasers consents to process being served in any such suit, action or proceeding by mailing a copy thereof to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing in this Section 7.2 shall affect or limit any right to serve process in any other manner permitted by law.

Section 7.3 Entire Agreement; Amendment. This Agreement and the other Transaction Documents contain the entire understanding and agreement of the parties with respect to the matters covered hereby and, except as specifically set forth herein or in the Transaction Documents, neither the Company nor any of the Purchasers makes any representations, warranty, covenant or undertaking with

No such amendment shall be effective to the extent that it applies to less than all of the holders of the Preferred Shares then outstanding. No consideration shall be offered or paid to any person to amend or consent to a waiver or modification of any provision of any of the Transaction Documents unless the same consideration is also offered to all of the parties to the Transaction Documents or holders of Preferred Shares, as the case may be.

Attn: _____

LADIES AND GENTLEMEN:

Reference is made to that certain Series H Convertible Preferred Stock Purchase Agreement (the "Purchase Agreement"), dated as of November 16, 2004, by

Edgar Filing: MULTIBAND CORP - Form 8-K

and among Multiband Corporation, a Minnesota corporation (the "COMPANY"), and the purchasers named therein (collectively, the "PURCHASERS") pursuant to which the Company is issuing to the Purchasers shares of its Series H Convertible Preferred Stock, no par value per share, (the "PREFERRED SHARES") and warrants (the "WARRANTS") to purchase shares of the Company's common stock, no par value per share (the "COMMON STOCK"). This letter shall serve as our irrevocable authorization and direction to you (provided that you are the transfer agent of the Company at such time) to issue shares of Common Stock upon conversion of the Preferred Shares (the "CONVERSION SHARES") and exercise of the Warrants (the "WARRANT SHARES") to or upon the order of a Purchaser from time to time upon (i) surrender to you of a properly completed and duly executed Conversion Notice or Exercise Notice, as the case may be, in the form attached hereto as Exhibit I and Exhibit II, respectively, (ii) in the case of the conversion of Preferred Shares, a copy of the certificates (with the original certificates delivered to the Company) representing Preferred Shares being converted or, in the case of Warrants being exercised, a copy of the Warrants (with the original Warrants delivered to the Company) being exercised (or, in each case, an indemnification undertaking with respect to such share certificates or the warrants in the case of their loss, theft or destruction), and (iii) delivery of a treasury order or other appropriate order duly executed by a duly authorized officer of the Company. So long as you have previously received (x) written confirmation from counsel to the Company that a registration statement covering resales of the Conversion Shares or Warrant Shares, as applicable, has been declared effective by the Securities and Exchange Commission (the "SEC") under the Securities Act of 1933, as amended (the "1933 ACT"), and no subsequent notice by the Company or its counsel of the suspension or termination of its effectiveness and (y) a copy of such registration statement, and if the Purchaser represents in writing that the Conversion Shares or the Warrant Shares, as the case may be, were sold pursuant to the Registration Statement, then certificates representing the Conversion Shares and the Warrant Shares, as the case may be, shall not bear any legend restricting transfer of the Conversion Shares and the Warrant Shares, as the case may be, thereby and should not be subject to any stop-transfer restriction. Provided, however, that if you have not previously received (i) written confirmation from counsel to the Company that a registration statement covering resales of the Conversion Shares or Warrant Shares, as applicable, has been declared effective by the SEC under the 1933 Act, and (ii) a copy of such

5

registration statement, then the certificates for the Conversion Shares and the Warrant Shares shall bear the following legend:

"THE SECURITIES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE SECURITIES ACT"), OR ANY STATE SECURITIES LAWS AND MAY NOT BE SOLD, TRANSFERRED OR OTHERWISE DISPOSED OF UNLESS REGISTERED UNDER THE SECURITIES ACT OR APPLICABLE STATE SECURITIES LAWS, OR MULTIBAND CORPORATION SHALL HAVE RECEIVED AN OPINION OF ITS COUNSEL THAT REGISTRATION OF SUCH SECURITIES UNDER THE SECURITIES ACT AND UNDER THE PROVISIONS OF APPLICABLE STATE SECURITIES LAWS IS NOT REQUIRED."

and, provided further, that the Company may from time to time notify you to place stop-transfer restrictions on the certificates for the Conversion Shares and the Warrant Shares in the event a registration statement covering the Conversion Shares and the Warrant Shares is subject to amendment for events then current.

A form of written confirmation from counsel to the Company that a registration statement covering resales of the Conversion Shares and the Warrant

CERTIFICATE OF DESIGNATION OF THE RELATIVE RIGHTS AND PREFERENCES
OF THE
SERIES H CONVERTIBLE PREFERRED STOCK
OF
MULTIBAND CORPORATION

The undersigned, the Chief Executive Officer of Multiband Corporation, a Minnesota corporation (the "Company"), in accordance with the provisions of the Minnesota Business Corporation Act, does hereby certify that, pursuant to the authority conferred upon the Board of Directors by the Articles of Incorporation of the Company, the following resolution creating a series of Series H Convertible Preferred Stock, was duly adopted on November __, 2004:

RESOLVED, that pursuant to the authority expressly granted to and vested in the Board of Directors of the Company by provisions of the Articles of Incorporation of the Company (the "Articles of Incorporation"), there hereby is created out of the shares of Preferred Stock, no par value per share, of the Company authorized in Article 3.1 of the Articles of Incorporation (the "Preferred Stock"), a series of Preferred Stock of the Company, to be named "Series H Convertible Preferred Stock," consisting of fifteen (15) shares, which series shall have the following designations, powers, preferences and relative and other special rights and the following qualifications, limitations and restrictions:

ARTICLE VIII DESIGNATION AND RANK. THE DESIGNATION OF SUCH SERIES OF THE PREFERRED STOCK SHALL BE THE SERIES H CONVERTIBLE PREFERRED STOCK, NO PAR VALUE PER SHARE (THE "SERIES H PREFERRED STOCK"). THE MAXIMUM NUMBER OF SHARES OF SERIES H PREFERRED STOCK SHALL BE FIFTEEN (15) SHARES. THE SERIES H PREFERRED STOCK SHALL RANK SENIOR TO THE COMMON STOCK, NO PAR VALUE PER SHARE (THE "COMMON STOCK"), AND TO ALL OTHER CLASSES AND SERIES OF EQUITY SECURITIES OF THE COMPANY WHICH BY THEIR TERMS DO NOT RANK SENIOR TO THE SERIES H PREFERRED STOCK ("JUNIOR STOCK"). THE SERIES H PREFERRED STOCK SHALL BE SUBORDINATE TO AND RANK JUNIOR TO ALL INDEBTEDNESS OF THE COMPANY NOW OR HEREAFTER OUTSTANDING.

ARTICLE IX DIVIDENDS.

Section 9.1 Payment of Dividends. The holders of record of shares of Series H Preferred Stock shall be entitled to receive, out of any assets at the time legally available therefor, dividends at the rate of six percent (6%) of the stated Liquidation Preference Amount (as defined in Section 4 hereof) per share per annum commencing on the date of issuance (the "Issuance Date") of the Series H Preferred Stock (the "Dividend Payment"), and no more, payable semi-annually at the option of the Company in cash or registered shares of Common Stock. If the Company elects to pay any dividend in registered shares of

Edgar Filing: MULTIBAND CORP - Form 8-K

Common Stock, the number of registered shares of Common Stock to be issued to the holder shall be an amount equal to the quotient of (i) the Dividend Payment divided by (ii) the then effective Conversion Price (as defined in Section 5(d) hereof). If the Company elects to pay any dividends in registered shares of Common Stock, the Company will give the holders of record of shares of the Series H Preferred Stock ten (10) trading days notice prior to the date of the applicable Dividend Payment. In the case of shares of Series H Preferred Stock outstanding for less than a full year, dividends shall be pro rated based on the

12

portion of each year during which such shares are outstanding. Dividends on the Series H Preferred Stock shall be cumulative, shall accrue and be payable semi-annually, on December 31 and June 30 of each year, commencing December 31, 2004, except that if such date is not a business day then the dividends shall be payable on the first immediately succeeding business day. Dividends on the Series H Preferred Stock are prior and in preference to any declaration or payment of any distribution (as defined below) on any outstanding shares of Junior Stock. Such dividends shall accrue on each share of Series H Preferred Stock from day to day whether or not earned or declared so that if such dividends with respect to any previous dividend period at the rate provided for herein have not been paid on, or declared and set apart for, all shares of Series H Preferred Stock at the time outstanding, the deficiency shall be fully paid on, or declared and set apart for, such shares on a pro rata basis with all other equity securities of the Company ranking on a parity with the Series H Preferred Stock as to the payment of dividends before any distribution shall be paid on, or declared and set apart for Junior Stock.

Section 9.2 So long as any shares of Series H Preferred Stock are outstanding, the Company shall not declare, pay or set apart for payment any dividend or make any distribution on any Junior Stock (other than dividends or distributions payable in additional shares of Junior Stock), unless at the time of such dividend or distribution the Company shall have paid all accrued and unpaid dividends on the outstanding shares of Series H Preferred Stock.

Section 9.3 In the event of a dissolution, liquidation or winding up of the Company pursuant to Section 4, all accrued and unpaid dividends on the Series H Preferred Stock shall be payable on the day immediately preceding the date of payment of the preferential amount to the holders of Series H Preferred Stock. In the event of (i) a mandatory redemption pursuant to Section 9 or (ii) a redemption upon the occurrence of a Major Transaction (as defined in Section 8(c)) or a Triggering Event (as defined in Section 8(d)), all accrued and unpaid dividends on the Series H Preferred Stock shall be payable on the day immediately preceding the date of such redemption. In the event of a conversion pursuant to Section 5(a) or Section 5(c), all accrued and unpaid dividends on the Series H Preferred Stock being converted shall be payable on the day immediately preceding the Conversion Date (as defined in Section 5(c)(i)).

Section 9.4 For purposes hereof, unless the context otherwise requires, "distribution" shall mean the transfer of cash or property without consideration, whether by way of dividend or otherwise, payable other than in shares of Common Stock or other equity securities of the Company, or the purchase or redemption of shares of the Company (other than redemptions set forth in Section 8 below or repurchases of Common Stock held by employees or consultants of the Company upon termination of their employment or services pursuant to agreements providing for such repurchase or upon the cashless exercise of options held by employees or consultants) for cash or property.

13

Edgar Filing: MULTIBAND CORP - Form 8-K

ARTICLE X VOTING RIGHTS.

Section 10.1 Class Voting Rights. The Series H Preferred Stock shall have the following class voting rights (in addition to the voting rights set forth in Section 3(b) hereof). So long as any shares of the Series H Preferred Stock remain outstanding, the Company shall not, without the affirmative vote or consent of the holders of at least three-fourths (3/4) of the shares of the Series H Preferred Stock outstanding at the time, given in person or by proxy, either in writing or at a meeting, in which the holders of the Series H Preferred Stock vote separately as a class: (i) amend, alter or repeal the provisions of the Series H Preferred Stock, whether by merger, consolidation or otherwise, so as to adversely affect any right, preference, privilege or voting power of the Series H Preferred Stock; provided, however, that any creation and issuance of another series of Junior Stock shall not be deemed to adversely affect such rights, preferences, privileges or voting powers; (ii) repurchase, redeem or pay dividends on, shares of Common Stock or any other shares of the Company's Junior Stock (other than de minimus repurchases from employees of the Company in certain circumstances); (iii) amend the Articles of Incorporation or By-Laws of the Company so as to affect adversely any right, preference, privilege or voting power of the Series H Preferred Stock; provided, however, that any creation and issuance of another series of Junior Stock shall not be deemed to adversely affect such rights, preferences, privileges or voting powers; (iv) effect any distribution with respect to Junior Stock; (v) reclassify the Company's outstanding securities; (vi) voluntarily file for bankruptcy, liquidate the Company's assets or make an assignment for the benefit of the Company's creditors; or (vii) change the nature of the Company's business.

Section 10.2 General Voting Rights. In addition to the transactions upon which the Series H Preferred Stock shall be entitled to vote separately as a class pursuant to Section 3(a) above and except as otherwise required by Minnesota law, each holder of shares of Series H Preferred Stock shall be entitled to the number of votes equal to the number of shares of Common Stock into which such shares of Series H Preferred Stock could be converted and shall have voting rights and powers equal to the voting rights and powers of the Common Stock (except as otherwise expressly provided herein or as required by law), voting together with the Common Stock as a single class and shall be entitled to notice of any stockholders' meeting in accordance with the Articles of Incorporation and the Bylaws of the Company.

ARTICLE XI LIQUIDATION PREFERENCE.

Section 11.1 In the event of the liquidation, dissolution or winding up of the affairs of the Company, whether voluntary or involuntary, the holders of shares of the Series H Preferred Stock then outstanding shall be entitled to receive, out of the remaining assets of the Company available for distribution to its stockholders, an amount equal to \$100,000 per share (the "Liquidation Preference Amount") of the Series H Preferred Stock plus any accrued and unpaid dividends before any payment shall be made or any assets distributed to the holders of the Common Stock or any other Junior Stock. If the assets of the Company are not sufficient to pay in full the Liquidation Preference Amount plus any accrued and unpaid dividends payable to the holders of outstanding shares of the Series H Preferred Stock and any series of preferred stock or any other class of stock on a parity, as to rights on liquidation, dissolution or winding up, with the Series H Preferred Stock, then all of said assets will be

Edgar Filing: MULTIBAND CORP - Form 8-K

distributed among the holders of the Series H Preferred Stock and the other classes of stock on a parity with the Series H Preferred Stock, if any, ratably in accordance with the respective amounts that would be payable on such shares if all amounts payable thereon were paid in full. The liquidation payment with respect to each outstanding fractional share of Series H Preferred Stock shall be equal to a ratably proportionate amount of the liquidation payment with respect to each outstanding share of Series H Preferred Stock. All payments for which this Section 4(a) provides shall be in cash, property (valued at its fair market value as determined by an independent appraiser reasonably acceptable to the holders of a majority of the Series H Preferred Stock) or a combination thereof; provided, however, that no cash shall be paid to holders of Junior Stock unless each holder of the outstanding shares of Series H Preferred Stock has been paid in cash the full Liquidation Preference Amount plus any accrued and unpaid dividends to which such holder is entitled as provided herein. After payment of the full Liquidation Preference Amount plus any accrued and unpaid dividends to which each holder is entitled, such holders of shares of Series H Preferred Stock will not be entitled to any further participation as such in any distribution of the assets of the Company.

Section 11.2 A consolidation or merger of the Company with or into any other corporation or corporations, or a sale of all or substantially all of the assets of the Company, or the effectuation by the Company of a transaction or series of related transactions in which more than 50% of the voting shares of the Company is disposed of or conveyed, shall not be deemed to be a liquidation, dissolution, or winding up within the meaning of this Section 4. In the event of the merger or consolidation of the Company with or into another corporation, the Series H Preferred Stock shall maintain its relative powers, designations and preferences provided for herein and no merger shall result inconsistent therewith.

Section 11.3 Written notice of any voluntary or involuntary liquidation, dissolution or winding up of the affairs of the Company, stating a payment date and the place where the distributable amounts shall be payable, shall be given by mail, postage prepaid, no less than forty-five (45) days prior to the payment date stated therein, to the holders of record of the Series H Preferred Stock at their respective addresses as the same shall appear on the books of the Company.

ARTICLE XII CONVERSION. THE HOLDER OF SERIES H PREFERRED STOCK SHALL HAVE THE FOLLOWING CONVERSION RIGHTS (THE "CONVERSION RIGHTS"):

Section 12.1 Right to Convert. At any time on or after the Issuance Date, the holder of any such shares of Series H Preferred Stock may, at such holder's option, subject to the limitations set forth in Section 7 herein, elect to convert (a "Conversion") all or any portion of the shares of Series H Preferred Stock held by such person into a number of fully paid and nonassessable shares of Common Stock equal to the quotient of (i) the Liquidation Preference Amount of the shares of Series H Preferred Stock plus any accrued and unpaid dividends being converted, if any, divided by (ii) the

Conversion Price (as defined in Section 5(d) below) then in effect as of the date of the delivery by such holder of its notice of election to convert. In the event of a notice of redemption of any shares of Series H Preferred Stock pursuant to Section 8 hereof, the Conversion Rights of the shares designated for redemption shall terminate at the close of business on the last full day preceding the date fixed for redemption, unless the redemption price is not paid on such redemption date, in which case the Conversion Rights for such shares shall continue until such price is paid in full. In the event of a liquidation,

Edgar Filing: MULTIBAND CORP - Form 8-K

dissolution or winding up of the Company, the Conversion Rights shall terminate at the close of business on the last full day preceding the date fixed for the payment of any such amounts distributable on such event to the holders of Series H Preferred Stock. In the event of such a redemption or liquidation, dissolution or winding up, the Company shall provide to each holder of shares of Series H Preferred Stock notice of such redemption or liquidation, dissolution or winding up, which notice shall (i) be sent at least thirty (30) days prior to the termination of the Conversion Rights and (ii) state the amount per share of Series H Preferred Stock that will be paid or distributed on such redemption or liquidation, dissolution or winding up, as the case may be.

Section 12.2 Mechanics of Conversion. The Conversion of Series H Preferred Stock shall be conducted in the following manner:

(a) Holder's Delivery Requirements. To convert Series H Preferred Stock into full shares of Common Stock on any date (the "Conversion Date"), the holder thereof shall (A) transmit by facsimile (or otherwise deliver), for receipt on or prior to 6:00 p.m., New York time on such date, a copy of a fully executed notice of conversion in the form attached hereto as Exhibit I (the "Conversion Notice"), to the Company, and (B) surrender to a common carrier for delivery to the Company as soon as practicable following such Conversion Date but in no event later than three (3) business days after such date the original certificates representing the shares of Series H Preferred Stock being converted (or an indemnification undertaking with respect to such shares in the case of their loss, theft or destruction) (the "Preferred Stock Certificates") and the originally executed Conversion Notice.

(b) Company's Response. Upon receipt by the Company of a facsimile copy of a Conversion Notice, the Company shall immediately send, via facsimile, a confirmation of receipt of such Conversion Notice to such holder. Upon receipt by the Company of a copy of the fully executed Conversion Notice, the Company or its designated transfer agent (the "Transfer Agent"), as applicable, shall, within three (3) business days following the date of receipt by the Company of the fully executed Conversion Notice (so long as the applicable Preferred Stock Certificates and original Conversion Notice are received by the Company on or before such third business day), issue and deliver to the Depository Trust Company ("DTC") account on the Holder's behalf via the Deposit Withdrawal Agent Commission System ("DWAC") as specified in the Conversion Notice, registered in the name of the holder or its designee, for the number of shares of Common Stock to which the holder shall be entitled. Notwithstanding the foregoing to the contrary, the Company or its Transfer Agent shall only be obligated to issue and deliver the shares to the DTC on a holder's behalf via DWAC if (A) a registration statement providing for the resale of

16

Common Stock issuable upon conversion of the Series H Preferred Stock has been declared effective by the Securities and Exchange Commission (the "Registration Statement"), (B) such conversion is in connection with a sale and (C) such holder has complied with the applicable prospectus delivery requirements. If the number of shares of Preferred Stock represented by the Preferred Stock Certificate(s) submitted for conversion is greater than the number of shares of Series H Preferred Stock being converted, then the Company shall, as soon as practicable and in no event later than three (3) business days after receipt of the Preferred Stock Certificate(s) and at the Company's expense, issue and deliver to the holder a new Preferred Stock Certificate representing the number of shares of Series H Preferred Stock not converted.

(c) Dispute Resolution. In the case of a dispute as to the arithmetic calculation of the number of shares of Common Stock to be issued upon

Edgar Filing: MULTIBAND CORP - Form 8-K

conversion, the Company shall cause its Transfer Agent to promptly issue to the holder the number of shares of Common Stock that is not disputed and shall submit the arithmetic calculations to the holder via facsimile as soon as possible, but in no event later than two (2) business days after receipt of such holder's Conversion Notice. If such holder and the Company are unable to agree upon the arithmetic calculation of the number of shares of Common Stock to be issued upon such conversion within one (1) business day of such disputed arithmetic calculation being submitted to the holder, then the Company shall within one (1) business day submit via facsimile the disputed arithmetic calculation of the number of shares of Common Stock to be issued upon such conversion to the Company's independent, outside accountant. The Company shall cause the accountant to perform the calculations and notify the Company and the holder of the results no later than seventy-two (72) hours from the time it receives the disputed calculations. Such accountant's calculation shall be binding upon all parties absent manifest error. The reasonable expenses of such accountant in making such determination shall be paid by the Company, in the event the holder's calculation was correct, or by the holder, in the event the Company's calculation was correct, or equally by the Company and the holder in the event that neither the Company's or the holder's calculation was correct. The period of time in which the Company is required to effect conversions or redemptions under this Certificate of Designation shall be tolled with respect to the subject conversion or redemption pending resolution of any dispute by the Company made in good faith and in accordance with this Section 5(b)(iii).

(d) Record Holder. The person or persons entitled to receive the shares of Common Stock issuable upon a conversion of the Series H Preferred Stock shall be treated for all purposes as the record holder or holders of such shares of Common Stock on the Conversion Date.

(e) Company's Failure to Timely Convert. If within three (3) business days of the Company's receipt of an executed copy of the Conversion Notice (so long as the applicable Preferred Stock Certificates and original Conversion Notice are received by the Company on or before such third business day) (the "Share Delivery Period") the Transfer Agent shall fail to issue and deliver to a holder the number of shares of Common Stock to which such holder is

17

entitled upon such holder's conversion of the Series H Preferred Stock or to issue a new Preferred Stock Certificate representing the number of shares of Series H Preferred Stock to which such holder is entitled pursuant to Section 5(b)(ii) (a "Conversion Failure"), in addition to all other available remedies which such holder may pursue hereunder and under the Series H Convertible Preferred Stock Purchase Agreement (the "Purchase Agreement") among the Company and the initial holders of the Series H Preferred Stock (including indemnification pursuant to Section 6 thereof), the Company shall pay additional damages to such holder for each business day after such third (3rd) business day that such conversion is not timely effected in an amount equal to 0.005 multiplied by the product of (A) the sum of the number of shares of Common Stock not issued to the holder on a timely basis pursuant to Section 5(b)(ii) and to which such holder is entitled and, in the event the Company has failed to deliver a Preferred Stock Certificate to the holder on a timely basis pursuant to Section 5(b)(ii), the number of shares of Common Stock issuable upon conversion of the shares of Series H Preferred Stock represented by such Preferred Stock Certificate, as of the last possible date which the Company could have issued such Preferred Stock Certificate to such holder without violating Section 5(b)(ii) and (B) the Closing Bid Price (as defined below) of the Common Stock on the last possible date which the Company could have issued such Common Stock and such Preferred Stock Certificate, as the case may be, to such holder without violating Section 5(b)(ii). If the Company fails to pay the

Edgar Filing: MULTIBAND CORP - Form 8-K

additional damages set forth in this Section 5(b)(v) within five (5) business days of the date incurred, then such payment shall bear interest at the rate of 1.5% per month (pro rated for partial months) until such payments are made. The term "Closing Bid Price" shall mean, for any security as of any date, the last closing bid price of such security on the Nasdaq SmallCap Market for such security as reported by Bloomberg, or, if no closing bid price is reported for such security by Bloomberg, the last closing trade price of such security as reported by Bloomberg. If the Closing Bid Price cannot be calculated for such security on such date on any of the foregoing bases, the Closing Bid Price of such security on such date shall be the fair market value as mutually determined by the Company and the holders of a majority of the outstanding shares of Series H Preferred Stock.

Section 12.3 Intentionally Omitted.

Section 12.4 Conversion Price.

(i) The term "Conversion Price" shall mean \$1.00 per share, subject to adjustment under Section 5(e) hereof. Notwithstanding any adjustment hereunder, at no time shall the Conversion Price be greater than \$1.00 per share except if it is adjusted pursuant to Section 5(e)(i) hereof.

(ii) Notwithstanding the foregoing to the contrary, if during any period (a "Black-out Period"), a holder of Series H Preferred Stock is unable to trade any Common Stock issued or issuable upon conversion of the Series H Preferred Stock immediately due to the postponement of filing or delay or suspension of effectiveness of a registration statement or because the

18

Company has otherwise informed such holder of Series H Preferred Stock that an existing prospectus cannot be used at that time in the sale or transfer of such Common Stock (provided that such postponement, delay, suspension or fact that the prospectus cannot be used is not due to factors solely within the control of the holder of Series H Preferred Stock or due to the Company exercising its rights under Section 3(n) of the Registration Rights Agreement (as defined in the Purchase Agreement)), such holder of Series H Preferred Stock shall have the option but not the obligation on any Conversion Date occurring within ten (10) trading days following the expiration of the Black-out Period of using the Conversion Price applicable on such Conversion Date or any Conversion Price selected by such holder of Series H Preferred Stock that would have been applicable had such Conversion Date been at any earlier time during the Black-out Period or within the ten (10) trading days thereafter.

Section 12.5 Adjustments of Conversion Price.

(a) Adjustments for Stock Splits and Combinations. If the Company shall at any time or from time to time after the Issuance Date, effect a stock split of the outstanding Common Stock, the Conversion Price shall be proportionately decreased. If the Company shall at any time or from time to time after the Issuance Date, combine the outstanding shares of Common Stock, the Conversion Price shall be proportionately increased. Any adjustments under this Section 5(e)(i) shall be effective at the close of business on the date the stock split or combination becomes effective.

(b) Adjustments for Certain Dividends and Distributions. If the Company shall at any time or from time to time after the Issuance Date, make or issue or set a record date for the determination of holders of Common Stock

Edgar Filing: MULTIBAND CORP - Form 8-K

entitled to receive a dividend or other distribution payable in shares of Common Stock, then, and in each event, the Conversion Price shall be decreased as of the time of such issuance or, in the event such record date shall have been fixed, as of the close of business on such record date, by multiplying the Conversion Price then in effect by a fraction:

(1) the numerator of which shall be the total number of shares of Common Stock issued and outstanding immediately prior to the time of such issuance or the close of business on such record date; and

(2) the denominator of which shall be the total number of shares of Common Stock issued and outstanding immediately prior to the time of such issuance or the close of business on such record date plus the number of shares of Common Stock issuable in payment of such dividend or distribution.

(c) Adjustment for Other Dividends and Distributions. If the Company shall at any time or from time to time after the Issuance Date, make or issue or set a record date for the determination of holders of Common Stock entitled to receive a dividend or other distribution payable in securities of the Company other than shares of Common Stock, then, and in each event, an appropriate revision to the applicable Conversion Price shall be made and

19

provision shall be made (by adjustments of the Conversion Price or otherwise) so that the holders of Series H Preferred Stock shall receive upon conversions thereof, in addition to the number of shares of Common Stock receivable thereon, the number of securities of the Company which they would have received had their Series H Preferred Stock been converted into Common Stock on the date of such event and had thereafter, during the period from the date of such event to and including the Conversion Date, retained such securities (together with any distributions payable thereon during such period), giving application to all adjustments called for during such period under this Section 5(e)(iii) with respect to the rights of the holders of the Series H Preferred Stock; provided, however, that if such record date shall have been fixed and such dividend is not fully paid or if such distribution is not fully made on the date fixed therefor, the Conversion Price shall be adjusted pursuant to this paragraph as of the time of actual payment of such dividends or distributions; and provided further, however, that no such adjustment shall be made if the holders of Series H Preferred Stock simultaneously receive (i) a dividend or other distribution of shares of Common Stock in a number equal to the number of shares of Common Stock as they would have received if all outstanding shares of Series H Preferred Stock had been converted into Common Stock on the date of such event or (ii) a dividend or other distribution of shares of Series H Preferred Stock which are convertible, as of the date of such event, into such number of shares of Common Stock as is equal to the number of additional shares of Common Stock being issued with respect to each share of Common Stock in such dividend or distribution.

(d) Adjustments for Reclassification, Exchange or Substitution. If the Common Stock issuable upon conversion of the Series H Preferred Stock at any time or from time to time after the Issuance Date shall be changed to the same or different number of shares of any class or classes of stock, whether by reclassification, exchange, substitution or otherwise (other than by way of a stock split or combination of shares or stock dividends provided for in Sections 5(e)(i), (ii) and (iii), or a reorganization, merger, consolidation, or sale of assets provided for in Section 5(e)(v)), then, and in each event, an appropriate revision to the Conversion Price shall be made and provisions shall be made (by adjustments of the Conversion Price or otherwise)

Edgar Filing: MULTIBAND CORP - Form 8-K

so that the holder of each share of Series H Preferred Stock shall have the right thereafter to convert such share of Series H Preferred Stock into the kind and amount of shares of stock and other securities receivable upon reclassification, exchange, substitution or other change, by holders of the number of shares of Common Stock into which such share of Series H Preferred Stock might have been converted immediately prior to such reclassification, exchange, substitution or other change, all subject to further adjustment as provided herein.

(e) Adjustments for Reorganization, Merger, Consolidation or Sales of Assets. If at any time or from time to time after the Issuance Date there shall be a capital reorganization of the Company (other than by way of a stock split or combination of shares or stock dividends or distributions provided for in Section 5(e)(i), (ii) and (iii), or a reclassification, exchange or substitution of shares provided for in Section 5(e)(iv)), or a merger or consolidation of the Company with or into another corporation where the holders of outstanding voting securities prior to such merger or consolidation do not own over 50% of the outstanding voting securities of the merged or consolidated entity, immediately after such merger or consolidation, or the sale of all or

20

substantially all of the Company's properties or assets to any other person (an "Organic Change"), then as a part of such Organic Change an appropriate revision to the Conversion Price shall be made if necessary and provision shall be made if necessary (by adjustments of the Conversion Price or otherwise) so that the holder of each share of Series H Preferred Stock shall have the right thereafter to convert such share of Series H Preferred Stock into the kind and amount of shares of stock and other securities or property of the Company or any successor corporation resulting from Organic Change. In any such case, appropriate adjustment shall be made in the application of the provisions of this Section 5(e)(v) with respect to the rights of the holders of the Series H Preferred Stock after the Organic Change to the end that the provisions of this Section 5(e)(v) (including any adjustment in the Conversion Price then in effect and the number of shares of stock or other securities deliverable upon conversion of the Series H Preferred Stock) shall be applied after that event in as nearly an equivalent manner as may be practicable.

(f) Survival. Upon the full conversion of the Series H Preferred Stock, the provisions of this Section 5(e) shall no longer apply.

Section 12.6 No Impairment. The Company shall not, by amendment of its Articles of Incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Company, but will at all times in good faith, assist in the carrying out of all the provisions of this Section 5 and in the taking of all such action as may be necessary or appropriate in order to protect the Conversion Rights of the holders of the Series H Preferred Stock against impairment. In the event a holder shall elect to convert any shares of Series H Preferred Stock as provided herein, the Company cannot refuse conversion based on any claim that such holder or any one associated or affiliated with such holder has been engaged in any violation of law, unless, an injunction from a court, on notice, restraining and/or enjoining conversion of all or of said shares of Series H Preferred Stock shall have been issued and the Company posts a surety bond for the benefit of such holder in an amount equal to 100% of the Liquidation Preference Amount plus any accrued and unpaid dividends of the Series H Preferred Stock such holder has elected to convert, which bond shall remain in effect until the completion of arbitration/litigation of the dispute and the proceeds of which shall be payable

Edgar Filing: MULTIBAND CORP - Form 8-K

to such holder in the event it obtains judgment.

Section 12.7 Certificates as to Adjustments. Upon occurrence of each adjustment or readjustment of the Conversion Price or number of shares of Common Stock issuable upon conversion of the Series H Preferred Stock pursuant to this Section 5, the Company at its expense shall promptly compute such adjustment or readjustment in accordance with the terms hereof and furnish to each holder of such Series H Preferred Stock a certificate setting forth such adjustment and readjustment, showing in detail the facts upon which such adjustment or readjustment is based. The Company shall, upon written request of the holder of such affected Series H Preferred Stock, at any time, furnish or cause to be

21

furnished to such holder a like certificate setting forth such adjustments and readjustments, the Conversion Price in effect at the time, and the number of shares of Common Stock and the amount, if any, of other securities or property which at the time would be received upon the conversion of a share of such Series H Preferred Stock. Notwithstanding the foregoing, the Company shall not be obligated to deliver a certificate unless such certificate would reflect an increase or decrease of at least one percent of such adjusted amount; provided, however, that any adjustments that by reason of this subsection (g) are not required to be made shall be carried forward and taken into account in any subsequent adjustment.

Section 12.8 Issue Taxes. The Company shall pay any and all issue and other taxes, excluding federal, state or local income taxes, that may be payable in respect of any issue or delivery of shares of Common Stock on conversion of shares of Series H Preferred Stock pursuant thereto; provided, however, that the Company shall not be obligated to pay any transfer taxes resulting from any transfer requested by any holder in connection with any such conversion.

Section 12.9 Notices. All notices and other communications hereunder shall be in writing and shall be deemed given if delivered personally or by facsimile or three (3) business days following being mailed by certified or registered mail, postage prepaid, return-receipt requested, addressed to the holder of record at its address appearing on the books of the Company. The Company will give written notice to each holder of Series H Preferred Stock at least twenty (20) days prior to the date on which the Company closes its books or takes a record (I) with respect to any dividend or distribution upon the Common Stock, (II) with respect to any pro rata subscription offer to holders of Common Stock or (III) for determining rights to vote with respect to any Organic Change, dissolution, liquidation or winding-up and in no event shall such notice be provided to such holder prior to such information being made known to the public. The Company will also give written notice to each holder of Series H Preferred Stock at least twenty (20) days prior to the date on which any Organic Change, dissolution, liquidation or winding-up will take place and in no event shall such notice be provided to such holder prior to such information being made known to the public.

Section 12.10 Fractional Shares. No fractional shares of Common Stock shall be issued upon conversion of the Series H Preferred Stock. In lieu of any fractional shares to which the holder would otherwise be entitled, the Company shall pay cash equal to the product of such fraction multiplied by the average of the Closing Bid Prices of the Common Stock for the five (5) consecutive trading days immediately preceding the applicable Conversion Date.

Section 12.11 Reservation of Common Stock. The Company shall, so long as any shares of Series H Preferred Stock are outstanding, reserve and keep available out of its authorized and unissued Common Stock, solely for the

Edgar Filing: MULTIBAND CORP - Form 8-K

purpose of effecting the conversion of the Series H Preferred Stock, such number of shares of Common Stock as shall from time to time be sufficient to effect the

22

conversion of all of the Series H Preferred Stock then outstanding provided, that the number of shares of Common Stock so reserved shall at no time be less than 110% of the number of shares of Common Stock for which such shares of Series H Preferred Stock and all dividends accrued thereon are at any time convertible. The initial number of shares of Common Stock reserved for conversions of the Series H Preferred Stock and each increase in the number of shares so reserved shall be allocated pro rata among the holders of the Series H Preferred Stock based on the number of shares of Series H Preferred Stock held by each holder of record at the time of issuance of the Series H Preferred Stock or increase in the number of reserved shares, as the case may be. In the event a holder shall sell or otherwise transfer any of such holder's shares of Series H Preferred Stock, each transferee shall be allocated a pro rata portion of the number of reserved shares of Common Stock reserved for such transferor. Any shares of Common Stock reserved and which remain allocated to any person or entity which does not hold any shares of Series H Preferred Stock shall be allocated to the remaining holders of Series H Preferred Stock, pro rata based on the number of shares of Series H Preferred Stock then held by such holder.

Section 12.12 Retirement of Series H Preferred Stock. Conversion of Series H Preferred Stock shall be deemed to have been effected on the applicable Conversion Date. Upon conversion of only a portion of the number of shares of Series H Preferred Stock represented by a certificate surrendered for conversion, the Company shall issue and deliver to such holder at the expense of the Company, a new certificate covering the number of shares of Series H Preferred Stock representing the unconverted portion of the certificate so surrendered as required by Section 5(b)(ii).

Section 12.13 Regulatory Compliance. If any shares of Common Stock to be reserved for the purpose of conversion of Series H Preferred Stock require registration or listing with or approval of any governmental authority, stock exchange or other regulatory body under any federal or state law or regulation or otherwise before such shares may be validly issued or delivered upon conversion, the Company shall, at its sole cost and expense, in good faith and as expeditiously as possible, endeavor to secure such registration, listing or approval, as the case may be.

ARTICLE XIII NO PREEMPTIVE RIGHTS. EXCEPT AS PROVIDED IN SECTION 5 HEREOF AND IN THE PURCHASE AGREEMENT, NO HOLDER OF THE SERIES H PREFERRED STOCK SHALL BE ENTITLED TO RIGHTS TO SUBSCRIBE FOR, PURCHASE OR RECEIVE ANY PART OF ANY NEW OR ADDITIONAL SHARES OF ANY CLASS, WHETHER NOW OR HEREINAFTER AUTHORIZED, OR OF BONDS OR DEBENTURES, OR OTHER EVIDENCES OF INDEBTEDNESS CONVERTIBLE INTO OR EXCHANGEABLE FOR SHARES OF ANY CLASS, BUT ALL SUCH NEW OR ADDITIONAL SHARES OF ANY CLASS, OR ANY BOND, DEBENTURES OR OTHER EVIDENCES OF INDEBTEDNESS CONVERTIBLE INTO OR EXCHANGEABLE FOR SHARES, MAY BE ISSUED AND DISPOSED OF BY THE BOARD OF DIRECTORS ON SUCH TERMS AND FOR SUCH CONSIDERATION (TO THE EXTENT PERMITTED BY LAW), AND TO SUCH PERSON OR PERSONS AS THE BOARD OF DIRECTORS IN THEIR ABSOLUTE DISCRETION MAY DEEM ADVISABLE.

option, to require the Company to redeem all or a portion of such holder's shares of Series H Preferred Stock at a price per share of Series H Preferred Stock equal to 100% of the Liquidation Preference Amount plus any accrued and unpaid dividends (the "Major Transaction Redemption Price"); provided that the Company shall have the sole option to pay the Major Transaction Redemption Price in cash or shares of Common Stock. If the Company elects to pay the Major Transaction Redemption Price in shares of Common Stock, the price per share shall be based upon the Conversion Price then in effect on the day preceding the date of delivery of the Notice of Redemption at Option of Buyer Upon Major Transaction (as hereafter defined) and the holder of such shares of Common Stock shall have demand registration rights with respect to such shares.

Section 15.3 "Major Transaction". A "Major Transaction" shall be deemed to have occurred at such time as any of the following events:

(a) the consolidation, merger or other business combination of the Company with or into another person or entity (other than (A) pursuant to a migratory merger effected solely for the purpose of changing the jurisdiction of incorporation of the Company or (B) a consolidation, merger or other business combination in which holders of the Company's voting power immediately prior to the transaction continue after the transaction to hold, directly or indirectly, the voting power of the surviving entity or entities necessary to elect a majority of the members of the board of directors (or their equivalent if other than a corporation) of such entity or entities).

Section 15.4 "Triggering Event". A "Triggering Event" shall be deemed to have occurred at such time as any of the following events:

(a) so long as any shares of Series H Preferred Stock are outstanding, the effectiveness of the Registration Statement, after it becomes effective, (i) lapses for any reason (including, without limitation, the issuance of a stop order) or (ii) is unavailable to the holder of the Series H Preferred Stock for sale of the shares of Common Stock, and such lapse or unavailability continues for a period of twenty (20) consecutive trading days, and the shares of Common Stock into which such holder's Series H Preferred Stock can be converted cannot be sold in the public securities market pursuant to Rule 144(k) under the Securities Act of 1933, as amended, provided that the cause of such lapse or unavailability is not due to factors solely within the control of such holder of Series H Preferred Stock;

(e) the Company breaches any representation, warranty, covenant or other term or condition of the Purchase Agreement, this Certificate of Designation or any other agreement, document, certificate or other instrument delivered in connection with the transactions contemplated thereby or hereby, except to the extent that such breach would not have a Material Adverse Effect (as defined in the Purchase Agreement) and except, in the case of a breach of a

26

covenant which is curable, only if such breach continues for a period of a least ten (10) days.

Section 15.5 Mechanics of Redemption at Option of Buyer Upon Major Transaction. No sooner than fifteen (15) days nor later than ten (10) days prior to the consummation of a Major Transaction, but not prior to the public announcement of such Major Transaction, the Company shall deliver written notice thereof via facsimile and overnight courier ("Notice of Major Transaction") to each holder of Series H Preferred Stock. At any time after receipt of a Notice of Major Transaction (or, in the event a Notice of Major Transaction is not delivered at least ten (10) days prior to a Major Transaction, at any time within ten (10) days prior to a Major Transaction), any holder of Series H Preferred Stock then outstanding may require the Company to redeem, effective immediately prior to the consummation of such Major Transaction, all of the holder's Series H Preferred Stock then outstanding by delivering written notice thereof via facsimile and overnight courier ("Notice of Redemption at Option of Buyer Upon Major Transaction") to the Company, which Notice of Redemption at Option of Buyer Upon Major Transaction shall indicate (i) the number of shares of Series H Preferred Stock that such holder is electing to redeem and (ii) the applicable Major Transaction Redemption Price, as calculated pursuant to Section 8(a) above.

Section 15.6 Mechanics of Redemption at Option of Buyer Upon Triggering Event. Within one (1) day after the occurrence of a Triggering Event, the Company shall deliver written notice thereof via facsimile and overnight courier ("Notice of Triggering Event") to each holder of Series H Preferred Stock. At any time after the earlier of a holder's receipt of a Notice of Triggering Event and such holder becoming aware of a Triggering Event, any holder of Series H Preferred Stock then outstanding may require the Company to redeem all of the holder's Series H Preferred Stock then outstanding by delivering written notice thereof via facsimile and overnight courier ("Notice of Redemption at Option of Buyer Upon Triggering Event") to the Company, which Notice of Redemption at Option of Buyer Upon Triggering Event shall indicate (i) the number of shares of Series H Preferred Stock that such holder is electing to redeem and (ii) the applicable Triggering Event Redemption Price, as calculated pursuant to Section 8(b) above.

Edgar Filing: MULTIBAND CORP - Form 8-K

Section 15.7 Payment of Redemption Price. Upon the Company's receipt of a Notice(s) of Redemption at Option of Buyer Upon Triggering Event or a Notice(s) of Redemption at Option of Buyer Upon Major Transaction from any holder of Series H Preferred Stock, the Company shall immediately notify each holder of Series H Preferred Stock by facsimile of the Company's receipt of such Notice(s) of Redemption at Option of Buyer Upon Triggering Event or Notice(s) of Redemption at Option of Buyer Upon Major Transaction and each holder which has sent such a notice shall promptly submit to the Company such holder's Preferred Stock Certificates which such holder has elected to have redeemed. Other than with respect to the Triggering Event described in clause (iv) of Section 8(d), the Company shall have the sole option to pay the Redemption Price in cash or shares of Common Stock in accordance with Sections 8(a) and (b) and Section 9 of

27

this Certificate of Designation. The Company shall deliver the applicable Redemption Price immediately prior to the consummation of the Major Transaction or the Triggering Event, as the case may be; provided that a holder's Preferred Stock Certificates shall have been so delivered to the Company; provided further that if the Company is unable to redeem all of the Series H Preferred Stock to be redeemed, the Company shall redeem an amount from each holder of Series H Preferred Stock being redeemed equal to such holder's pro-rata amount (based on the number of shares of Series H Preferred Stock held by such holder relative to the number of shares of Series H Preferred Stock outstanding) of all Series H Preferred Stock being redeemed. If the Company shall fail to redeem all of the Series H Preferred Stock submitted for redemption (other than pursuant to a dispute as to the arithmetic calculation of the Redemption Price), in addition to any remedy such holder of Series H Preferred Stock may have under this Certificate of Designation, the Purchase Agreement or applicable law, the applicable Redemption Price payable in respect of such unredeemed Series H Preferred Stock shall bear interest at the rate of 1.5% per month (prorated for partial months) until paid in full. Until the Company pays such unpaid applicable Redemption Price in full to a holder of shares of Series H Preferred Stock submitted for redemption, such holder shall have the option (the "Void Optional Redemption Option") to, in lieu of redemption, require the Company to promptly return to such holder(s) all of the shares of Series H Preferred Stock that were submitted for redemption by such holder(s) under this Section 8 and for which the applicable Redemption Price has not been paid, by sending written notice thereof to the Company via facsimile (the "Void Optional Redemption Notice"). Upon the Company's receipt of such Void Optional Redemption Notice(s) and prior to payment of the full applicable Redemption Price to such holder, (i) the Notice(s) of Redemption at Option of Buyer Upon Major Transaction shall be null and void with respect to those shares of Series H Preferred Stock submitted for redemption and for which the applicable Redemption Price has not been paid and (ii) the Company shall immediately return any Series H Preferred Stock submitted to the Company by each holder for redemption under this Section 8(d) and for which the applicable Redemption Price has not been paid and (iii) the Conversion Price of such returned shares of Series H Preferred Stock shall be adjusted to the lesser of (A) the Conversion Price and (B) the lowest Closing Bid Price during the period beginning on the date on which the Notice(s) of Redemption of Option of Buyer Upon Major Transaction is delivered to the Company and ending on the date on which the Void Optional Redemption Notice(s) is delivered to the Company; provided that no adjustment shall be made if such adjustment would result in an increase of the Conversion Price then in effect. A holder's delivery of a Void Optional Redemption Notice and exercise of its rights following such notice shall not effect the Company's obligations to make any payments which have accrued prior to the date of such notice other than interest payments. Payments provided for in this Section 8 shall have priority to payments to other stockholders in connection with a Major Transaction.

Section 15.8 Company's Redemption Option.

(A) Commencing one (1) year from the Effectiveness Date (as defined in the Registration Rights Agreement, dated November 16, 2004, between the Company and the purchasers listed on Schedule I thereto), so long as (i) the Closing Bid Price of the Common Stock equals or exceeds \$2.00 for a period of any ten (10) trading days out of fifteen (15) consecutive trading days so long as the first trading day of such fifteen (15) trading day period is following the date that is one (1) year from the Effectiveness Date, (ii) the Registration Statement is effective and has been effective, without lapse or suspension of any kind, for a period sixty (60) consecutive calendar days, or the shares of Common Stock into which the Series H Preferred Stock can be converted may be offered for sale to the public pursuant to Rule 144(k) under the Securities Act of 1933, as amended, (iii) trading in the Common Stock shall not have been suspended by the Securities and Exchange Commission or the Nasdaq SmallCap Market and (iv) the Company is in material compliance with the terms and conditions of the Transaction Documents (as defined in the Purchase Agreement), the Company may redeem all or any portion of such holder's shares of Series H Preferred Stock, plus any accrued but unpaid dividends, upon ten (10) business days prior written notice to the holder (the "Company Redemption Notice") at a redemption price equal to a number of shares of Common Stock equal to the quotient of (a) the Liquidation Preference Amount of the shares of Series H Preferred Stock plus any accrued and unpaid dividends outstanding on the Company Redemption Date (as defined below) divided by (b) the Conversion Price then in effect.

(B) Commencing one (1) year from the Effectiveness Date, so long as (i) the Registration Statement is effective and has been effective, without lapse or suspension of any kind, for a period sixty (60) consecutive calendar days, or the shares of Common Stock into which the Series H Preferred Stock can be converted may be offered for sale to the public pursuant to Rule 144(k) under the Securities Act of 1933, as amended, (ii) trading in the Common Stock shall not have been suspended by the Securities and Exchange Commission or the Nasdaq SmallCap Market and (iii) the Company is in material compliance with the terms and conditions of the Transaction Documents (as defined in the Purchase Agreement), the Company may redeem all or any portion of such holder's shares of Series H Preferred Stock, plus any accrued but unpaid dividends, by providing a Company Redemption Notice to the holder at a cash redemption price equal to (a) in the event the Market Price (as defined below) of the Company's Common Stock is below \$1.00 per share at the time the Company Redemption Notice is sent by the Company via facsimile to the holder, one hundred percent (100%) of the Liquidation Preference Amount plus any accrued and unpaid dividends, or (b) in the event the Market Price of the Company's Common Stock is above \$1.00 per share at the time the Company Redemption Notice is sent by the Company via facsimile to the holder, (1) one hundred twenty percent (120%) of the Liquidation Preference Amount plus any accrued and unpaid dividends if the Company Redemption Notice is given during the period from the Issuance Date through the one (1) year anniversary of the Issuance Date, (2) one hundred twenty five percent (125%) of the Liquidation Preference Amount plus any accrued and unpaid dividends if the Company Redemption Notice is given during the period from the one (1) year anniversary of the Issuance Date through the

two (2) year anniversary, or (3) one hundred thirty percent (130%) of the Liquidation Preference Amount plus any accrued and unpaid dividends if the

Edgar Filing: MULTIBAND CORP - Form 8-K

Company Redemption Notice is given after the two (2) year anniversary of the Issuance Date (the "Company Redemption Price"). "Market Price" shall mean one hundred percent (100%) of the average Closing Bid Price, as defined herein, for the Company's Common Stock for the five (5) trading days prior to the date the Company Redemption Notice is sent by the Company via facsimile to the holder.

(c) Notwithstanding anything contained in this Section 8(h) to the contrary, if the holder has delivered a Conversion Notice to the Company or delivers a Conversion Notice after receipt of the Company's Redemption Notice, the portion of the shares of Series H Preferred Stock designated to be converted may not be redeemed by the Company. The Company may not deliver a Company Redemption Notice to the holder unless the Company has clear and good funds for a minimum of the amount it intends to redeem in a bank account controlled by the Company. The Company Redemption Notice shall state the date of redemption (the "Company Redemption Date"), the Company Redemption Price, the number of shares of the Series H Preferred Stock of such holder to be redeemed and shall call upon the holder to surrender to the Company on the Company Redemption Date at the place designated in the Company Redemption Notice such holder's Series H Preferred Stock. The Company Redemption Date shall be no more than ten (10) trading days after the date on which the holder is notified of the Company's intent to redeem the shares of Series H Preferred Stock (the "Company Redemption Notice Date"). If the Company fails to pay the Company Redemption Price by the eleventh (11th) trading day following the Company Redemption Notice Date, the redemption will be declared null and void and the Company shall lose its right to deliver a Company Redemption Notice to the holder in the future. On or after the Company Redemption Date, the holder shall surrender the Series H Preferred Stock called for redemption to the Company at the place designated in the Company Redemption Notice and shall thereupon be entitled to receive payment of the Company Redemption Price.

Section 15.9 Demand Registration Rights. If the Redemption Price upon the occurrence of a Major Transaction or Triggering Event is paid in shares of Common Stock or shares of Common Stock have been issued on any Conversion Date and such shares have not been previously registered on a registration statement under the Securities Act, a holder of Series H Preferred Stock may make a written request for registration under the Securities Act pursuant to this Section 8(i) of all of its shares of Common Stock issued upon such Major Transaction, Triggering Event or Conversion Date. The Company shall use its reasonable best efforts to cause to be filed and declared effective as soon as reasonably practicable (but in no event later than the ninetieth (90th) day after such holder's request is made) a registration statement under the Securities Act, providing for the sale of all of the shares of Common Stock issued upon such Major Transaction or Triggering Event or on any Conversion Date by such holder. The Company agrees to use its reasonable best efforts to keep any such registration statement continuously effective for resale of the Common Stock for so long as such holder shall request, but in no event later than the

30

date that the shares of Common Stock issued upon such Major Transaction or Triggering Event or Conversion Date may be offered for resale to the public pursuant to Rule 144(k).

ARTICLE XVI INABILITY TO FULLY CONVERT.

Section 16.1 Holder's Option if Company Cannot Fully Convert. If, upon the Company's receipt of a Conversion Notice, the Company cannot issue shares of Common Stock registered for resale under the Registration Statement for any reason, including, without limitation, because the Company (w) does not have a sufficient number of shares of Common Stock authorized and available, (x) is

Edgar Filing: MULTIBAND CORP - Form 8-K

otherwise prohibited by applicable law or by the rules or regulations of any stock exchange, interdealer quotation system or other self-regulatory organization with jurisdiction over the Company or its securities from issuing all of the Common Stock which is to be issued to a holder of Series H Preferred Stock pursuant to a Conversion Notice or (y) fails to have a sufficient number of shares of Common Stock registered for resale under the Registration Statement, then the Company shall issue as many shares of Common Stock as it is able to issue in accordance with such holder's Conversion Notice and pursuant to Section 5(b)(ii) above and, with respect to the unconverted Series H Preferred Stock, the holder, solely at such holder's option, can elect, within five (5) business days after receipt of notice from the Company thereof to:

(a) require the Company to redeem from such holder for those shares of Series H Preferred Stock for which the Company is unable to issue Common Stock in accordance with such holder's Conversion Notice ("Mandatory Redemption") at a price per share equal to the Triggering Event Redemption Price as of such Conversion Date (the "Mandatory Redemption Price"); provided that the Company shall have the sole option to pay the Mandatory Redemption Price in cash or shares of Common Stock;

(b) if the Company's inability to fully convert Series H Preferred Stock is pursuant to Section 9(a)(y) above, require the Company to issue restricted shares of Common Stock in accordance with such holder's Conversion Notice and pursuant to Section 5(b)(ii) above; or

(c) void its Conversion Notice and retain or have returned, as the case may be, the shares of Series H Preferred Stock that were to be converted pursuant to such holder's Conversion Notice (provided that a holder's voiding its Conversion Notice shall not affect the Company's obligations to make any payments which have accrued prior to the date of such notice).

Section 16.2 Mechanics of Fulfilling Holder's Election. The Company shall immediately send via facsimile or express courier service to a holder of Series H Preferred Stock, upon receipt of a facsimile copy of a Conversion Notice from such holder which cannot be fully satisfied as described in Section 9(a) above, a notice of the Company's inability to fully satisfy such holder's Conversion Notice (the "Inability to Fully Convert Notice"). Such Inability to

31

Fully Convert Notice shall indicate (i) the reason why the Company is unable to fully satisfy such holder's Conversion Notice, (ii) the number of Series H Preferred Stock which cannot be converted and (iii) the applicable Mandatory Redemption Price. Such holder shall notify the Company of its election pursuant to Section 9(a) above by delivering written notice via facsimile to the Company ("Notice in Response to Inability to Convert").

Section 16.3 Payment of Mandatory Redemption Price. If such holder shall elect to have its shares redeemed pursuant to Section 9(a)(i) above, the Company shall pay the Mandatory Redemption Price to such holder within ten (10) days of the Company's receipt of the holder's Notice in Response to Inability to Convert; provided that prior to the Company's receipt of the holder's Notice in Response to Inability to Convert the Company has not delivered a notice to such holder stating, to the satisfaction of the holder, that the event or condition resulting in the Mandatory Redemption has been cured and all shares of Common Stock issuable to such holder can and will be delivered to the holder in accordance with the terms of Section 5(b). If the Company shall fail to pay the applicable Mandatory Redemption Price to such holder on a timely basis as described in this Section 9(c) (other than pursuant to a dispute as to the determination of the arithmetic calculation of the Mandatory Redemption Price),

Edgar Filing: MULTIBAND CORP - Form 8-K

in addition to any remedy such holder of Series H Preferred Stock may have under this Certificate of Designation, the Purchase Agreement or applicable law, such unpaid amount shall bear interest at the rate of 1.5% per month (prorated for partial months) until paid in full. Until the full Mandatory Redemption Price is paid in full to such holder, such holder may (i) void the Mandatory Redemption with respect to those Series H Preferred Stock for which the full Mandatory Redemption Price has not been paid, (ii) receive back such Series H Preferred Stock, and (iii) require that the Conversion Price of such returned Series H Preferred Stock be adjusted to the lesser of (A) the Conversion Price then in effect and (B) the lowest Closing Bid Price during the period beginning on the Conversion Date and ending on the date the holder voided the Mandatory Redemption.

Section 16.4 Pro-rata Conversion and Redemption. In the event the Company receives a Conversion Notice from more than one holder of Series H Preferred Stock on the same day and the Company can convert and redeem some, but not all, of the Series H Preferred Stock pursuant to this Section 9, the Company shall convert and redeem from each holder of Series H Preferred Stock electing to have Series H Preferred Stock converted and redeemed at such time an amount equal to such holder's pro-rata amount (based on the number shares of Series H Preferred Stock held by such holder relative to the number shares of Series H Preferred Stock outstanding) of all shares of Series H Preferred Stock being converted and redeemed at such time.

The Company shall (i) not permit any securities other than the Registrable Securities and the securities listed on Schedule II attached hereto to be included in the Registration Statement and (ii) use its reasonable best efforts to cause the Registration Statement to be declared effective under the Securities Act as promptly as possible after the filing thereof, but in any event prior to the Effectiveness Date, and to keep such Registration Statement continuously effective under the Securities Act until such date as is the earlier of (x) the date when all Registrable Securities covered by such Registration Statement have been sold or (y) the date on which the Registrable Securities may be sold without any restriction pursuant to Rule 144 as determined by the counsel to the Company pursuant to a written opinion letter, addressed to the Company's transfer agent to such effect (the "Effectiveness Period").

3. Registration Procedures.

In connection with the Company's registration obligations hereunder, the Company shall:

(a) Prepare and file with the Commission on or prior to the Filing Date, a Registration Statement on Form S-1 (or if the Company is not then eligible to register for resale the Registrable Securities on Form S-1, in which case such registration shall be on another appropriate form in accordance herewith) in accordance with the method or methods of distribution thereof as specified by the Holders (except if otherwise directed by the Holders), and use its reasonable best efforts to cause the Registration Statement to become effective and remain effective as provided herein; provided, however, that not less than three (3) Business Days prior to the filing of the Registration Statement or any related Prospectus or any amendment or supplement thereto (including any document that would be incorporated therein by reference), the Company shall (i) furnish to the Special Counsel, copies of all such documents proposed to be filed, which documents (other than those incorporated by reference) will be subject to the review of such Special Counsel, and (ii) cause its officers and directors, counsel and independent certified public accountants to respond to such inquiries as shall be necessary, in the reasonable opinion of Special Counsel, to conduct a reasonable investigation within the meaning of the

38

Securities Act. Unless otherwise advised by outside counsel to the Company in its reasonable judgment, the Company shall not file the Registration Statement or any such Prospectus or any amendments or supplements thereto to which the Special Counsel shall reasonably object in writing within two (2) Business Days of its receipt thereof; provided, however, that Special Counsel may only object to the filing of the Registration Statement if such objection relates specifically to the Holders or may affect the timely effectiveness of the Registration Statement.

(b) (i) Prepare and file with the Commission such amendments, including post-effective amendments, to the Registration Statement as may be necessary to keep the Registration Statement continuously effective as to the applicable Registrable Securities for the Effectiveness Period and prepare and file with the Commission such additional Registration Statements in order to

Edgar Filing: MULTIBAND CORP - Form 8-K

register for resale under the Securities Act all of the Registrable Securities; (ii) cause the related Prospectus to be amended or supplemented by any required Prospectus supplement, and as so supplemented or amended to be filed pursuant to Rule 424 (or any similar provisions then in force) promulgated under the Securities Act; (iii) respond as promptly as possible, but in no event later than ten (10) Business Days, to any comments or inquiries received from the Commission with respect to the Registration Statement or any amendment thereto and as promptly as possible provide the Holders true and complete copies of all correspondence from and to the Commission relating to the Registration Statement, such correspondence from the Company showing the Company date stamp evidencing the date of receipt; and (iv) comply in all material respects with the provisions of the Securities Act and the Exchange Act with respect to the disposition of all Registrable Securities covered by the Registration Statement during the applicable period in accordance with the intended methods of disposition by the Holders thereof set forth in the Registration Statement as so amended or in such Prospectus as so supplemented.

(c) Notify any Special Counsel as promptly as possible (and, in the case of (i)(A) below, not less than five (5) days prior to such filing) (i)(A) when a Prospectus or any Prospectus supplement or post-effective amendment to the Registration Statement is filed; (B) when the Commission notifies the Company whether there will be a "review" of such Registration Statement and whenever the Commission comments in writing on such Registration Statement and (C) with respect to the Registration Statement or any post-effective amendment, when the same has become effective; (ii) of any request by the Commission or any other federal or state governmental authority for amendments or supplements to the Registration Statement or Prospectus or for additional information; (iii) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement covering any or all of the Registrable Securities or the initiation of any Proceedings for that purpose; (iv) if at any time any of the representations and warranties of the Company contained in any agreement contemplated hereby ceases to be true and correct in all material respects; (v) of the receipt by the Company of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Registrable Securities for sale in any jurisdiction, or the initiation or threatening of any Proceeding for such purpose; and (vi) of the occurrence of any event that makes any statement made in the Registration Statement or Prospectus or any document incorporated or deemed to be incorporated therein by reference untrue in any material respect or that requires any revisions to the Registration Statement, Prospectus or other documents so that, in the case of the Registration Statement or the Prospectus, as the case may be, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

39

(d) Use its reasonable best efforts to avoid the issuance of, or, if issued, obtain the withdrawal of, (i) any order suspending the effectiveness of the Registration Statement or (ii) any suspension of the qualification (or exemption from qualification) of any of the Registrable Securities for sale in any jurisdiction, at the earliest practicable moment.

(e) If requested by the Holders of a majority in interest of the Registrable Securities, (i) promptly incorporate in a Prospectus supplement or post-effective amendment to the Registration Statement such information as the Company reasonably agrees should be included therein and (ii) make all required filings of such Prospectus supplement or such post-effective amendment as soon as practicable after the Company has received notification of the

Edgar Filing: MULTIBAND CORP - Form 8-K

matters to be incorporated in such Prospectus supplement or post-effective amendment.

(f) Furnish to each Holder and any Special Counsel, without charge, at least one conformed copy of each Registration Statement and each amendment thereto, including financial statements and schedules, all documents incorporated or deemed to be incorporated therein by reference, and all exhibits to the extent requested by such Person (including those previously furnished or incorporated by reference) promptly after the filing of such documents with the Commission.

(g) Promptly deliver to each Holder and any Special Counsel, without charge, as many copies of the Prospectus or Prospectuses (including each form of prospectus) and each amendment or supplement thereto as such Holder or Special Counsel may reasonably request. The Company hereby consents to the use of any Prospectus and each amendment or supplement thereto by each of the selling Holders in connection with the offering and sale of the Registrable Securities covered by such Prospectus and any amendment or supplement thereto.

(h) Prior to any public offering of Registrable Securities, use its reasonable best efforts to register or qualify or cooperate with the selling Holders and any Special Counsel in connection with the registration or qualification (or exemption from such registration or qualification) of such Registrable Securities for offer and sale under the securities or Blue Sky laws of such jurisdictions within the United States as any Holder requests in writing, to keep each such registration or qualification (or exemption therefrom) effective during the Effectiveness Period and to do any and all other acts or things necessary or advisable to enable the disposition in such jurisdictions of the Registrable Securities covered by a Registration Statement; provided, however, that the Company shall not be required to qualify generally to do business in any jurisdiction where it is not then so qualified or to take any action that would subject it to general service of process in any such jurisdiction where it is not then so subject or subject the Company to any material tax in any such jurisdiction where it is not then so subject.

(i) Cooperate with the Holders to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be sold pursuant to a Registration Statement, which certificates shall be free of all restrictive legends so long as the Holder has complied with all applicable securities laws in connection with such sale, including the prospectus delivery requirements, and to enable such Registrable Securities to be in such denominations and registered in such names as any Holder may request in writing at least two (2) Business Days prior to any sale of Registrable Securities.

(j) Upon the occurrence of any event contemplated by Section 3(c)(vi), as promptly as possible, prepare a supplement or amendment, including a post-effective amendment, to the Registration Statement or a supplement to the related Prospectus or any document incorporated or deemed to be incorporated therein by reference, and file any other required document so that, as

40

thereafter delivered, neither the Registration Statement nor such Prospectus will contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(k) Use its reasonable best efforts to cause all Registrable Securities relating to the Registration Statement to be listed on the Nasdaq

Edgar Filing: MULTIBAND CORP - Form 8-K

SmallCap Market or any other securities exchange, quotation system or market, if any, on which similar securities issued by the Company are then listed as and when required pursuant to the Purchase Agreement.

(l) Comply in all material respects with all applicable rules and regulations of the Commission and make generally available to its security holders earning statements satisfying the provisions of Section 11(a) of the Securities Act and Rule 158 not later than forty-five (45) days after the end of any 12-month period (or ninety (90) days after the end of any 12-month period if such period is a fiscal year) commencing on the first day of the first fiscal quarter of the Company after the Effectiveness Date, which statement shall conform to the requirements of Rule 158.

(m) The Company may require each selling Holder to furnish to the Company information regarding such Holder and the distribution of such Registrable Securities as is required by law to be disclosed in the Registration Statement, and the Company may exclude from such registration the Registrable Securities of any such Holder who unreasonably fails to furnish such information within a reasonable time after receiving such request.

If the Registration Statement refers to any Holder by name or otherwise as the holder of any securities of the Company, then such Holder shall have the right to require (if such reference to such Holder by name or otherwise is not required by the Securities Act or any similar federal statute then in force) the deletion of the reference to such Holder in any amendment or supplement to the Registration Statement filed or prepared subsequent to the time that such reference ceases to be required.

Each Holder covenants and agrees that (i) it will not sell any Registrable Securities under the Registration Statement until it has received copies of the Prospectus as then amended or supplemented as contemplated in Section 3(g) and notice from the Company that such Registration Statement and any post-effective amendments thereto have become effective as contemplated by Section 3(c) and (ii) it and its officers, directors or Affiliates, if any, will comply with the prospectus delivery requirements of the Securities Act as applicable to them in connection with sales of Registrable Securities pursuant to the Registration Statement.

Each Holder agrees by its acquisition of such Registrable Securities that, upon receipt of a notice from the Company of the occurrence of any event of the kind described in Section 3(c)(ii), 3(c)(iii), 3(c)(iv), 3(c)(v), 3(c)(vi) or 3(n), such Holder will forthwith discontinue disposition of such Registrable Securities under the Registration Statement until such Holder's receipt of the copies of the supplemented Prospectus and/or amended Registration Statement contemplated by Section 3(j), or until it is advised in writing (the "Advice") by the Company that the use of the applicable Prospectus may be resumed, and, in either case, has received copies of any additional or supplemental filings that are incorporated or deemed to be incorporated by reference in such Prospectus or Registration Statement.

(n) If (i) there is material non-public information regarding the Company which the Company's Board of Directors (the "Board") reasonably determines not to be in the Company's best interest to disclose and which the

Company is not otherwise required to disclose, or (ii) there is a significant business opportunity (including, but not limited to, the acquisition or disposition of assets (other than in the ordinary course of business) or any merger, consolidation, tender offer or other similar transaction) available to

Edgar Filing: MULTIBAND CORP - Form 8-K

the Company which the Board reasonably determines not to be in the Company's best interest to disclose, then the Company may (x) postpone or suspend filing of a registration statement for a period not to exceed thirty (30) consecutive days or (y) postpone or suspend effectiveness of a registration statement for a period not to exceed twenty (20) consecutive days; provided that the Company may not postpone or suspend effectiveness of a registration statement under this Section 3(n) for more than forty-five (45) days in the aggregate during any 12-month period; provided, however, that no such postponement or suspension shall be permitted for consecutive twenty (20) day periods arising out of the same set of facts, circumstances or transactions.

4. Registration Expenses.

All fees and expenses incident to the performance of or compliance with this Agreement by the Company, except as and to the extent specified in this Section 4, shall be borne by the Company whether or not the Registration Statement is filed or becomes effective and whether or not any Registrable Securities are sold pursuant to the Registration Statement. The fees and expenses referred to in the foregoing sentence shall include, without limitation, (i) all registration and filing fees (including, without limitation, fees and expenses (A) with respect to filings required to be made with the Nasdaq SmallCap Market and each other securities exchange or market on which Registrable Securities are required hereunder to be listed, (B) with respect to filing fees required to be paid to the National Association of Securities Dealers, Inc. and the NASD Regulation, Inc. and (C) in compliance with state securities or Blue Sky laws (including, without limitation, fees and disbursements of counsel for the Holders in connection with Blue Sky qualifications of the Registrable Securities and determination of the eligibility of the Registrable Securities for investment under the laws of such jurisdictions as the holders of a majority of Registrable Securities may designate)), (ii) printing expenses (including, without limitation, expenses of printing certificates for Registrable Securities and of printing prospectuses if the printing of prospectuses is requested by the Holders of a majority of the Registrable Securities included in the Registration Statement), (iii) messenger, telephone and delivery expenses, (iv) fees and disbursements of counsel for the Company and Special Counsel for the Holders, in the case of the Special Counsel, to a maximum amount of \$5,000, (v) Securities Act liability insurance, if the Company so desires such insurance, and (vi) fees and expenses of all other Persons retained by the Company in connection with the consummation of the transactions contemplated by this Agreement, including, without limitation, the Company's independent public accountants (including the expenses of any comfort letters or costs associated with the delivery by independent public accountants of a comfort letter or comfort letters). In addition, the Company shall be responsible for all of its internal expenses incurred in connection with the consummation of the transactions contemplated by this Agreement (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties), the expense of any annual audit, as well as the fees and expenses incurred in connection with the listing of the Registrable Securities on any securities exchange as required hereunder.

5. Indemnification.

(a) Indemnification by the Company. The Company shall, notwithstanding any termination of this Agreement, indemnify and hold harmless each Holder, the officers, directors, agents, brokers (including brokers who offer and sell Registrable Securities as principal as a result of a pledge or

any failure to perform under a margin call of Common Stock), investment advisors

Edgar Filing: MULTIBAND CORP - Form 8-K

and employees of each of them, each Person who controls any such Holder (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) and the officers, directors, agents and employees of each such controlling Person, to the fullest extent permitted by applicable law, from and against any and all losses, claims, damages, liabilities, costs (including, without limitation, costs of preparation and attorneys' fees) and expenses (collectively, "Losses"), as incurred, arising out of or relating to any untrue or alleged untrue statement of a material fact contained in the Registration Statement, any Prospectus or any form of prospectus or in any amendment or supplement thereto or in any preliminary prospectus, or arising out of or relating to any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus or form of prospectus or supplement thereto, in the light of the circumstances under which they were made) not misleading, except to the extent, but only to the extent, that (i) such untrue statements or omissions are based solely upon information regarding such Holder or such other Indemnified Party furnished in writing to the Company by such Holder expressly for use therein and (ii) that the foregoing indemnity agreement is subject to the condition that, insofar as it relates to any untrue statement, allegedly untrue statement, omission or alleged omission made in any preliminary prospectus but eliminated or remedied in the final prospectus (filed pursuant to Rule 424 of the Securities Act), such indemnity agreement shall not inure to the benefit of any Holder, underwriter, broker or other Person acting on behalf of holders of the Registrable Securities, from whom the Person asserting any loss, claim, damage, liability or expense purchased the Registrable Securities which are the subject thereof, if a copy of such final prospectus had been made available to such Person and such Holder, underwriter, broker or other Person acting on behalf of Holders of the Registrable Securities and such final prospectus was not delivered to such Person with or prior to the written confirmation of the sale of such Registrable Securities to such Person. The Company shall notify the Holders promptly of the institution, threat or assertion of any Proceeding of which the Company is aware in connection with the transactions contemplated by this Agreement.

(b) Indemnification by Holders. Each Holder shall, severally and not jointly, indemnify and hold harmless the Company, its directors, officers, agents and employees, each Person who controls the Company (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act), and the directors, officers, agents and employees of such controlling Persons, to the fullest extent permitted by applicable law, from and against all Losses (as determined by a court of competent jurisdiction in a final judgment not subject to appeal or review), as incurred, arising solely out of or based solely upon any untrue statement of a material fact contained in the Registration Statement, any Prospectus, or any form of prospectus, or arising solely out of or based solely upon any omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus or form of prospectus or supplement thereto, in the light of the circumstances under which they were made) not misleading, to the extent, but only to the extent, that such untrue statement or omission is contained in any information so furnished in writing by such Holder or other Indemnifying Party to the Company specifically for inclusion in the Registration Statement or such Prospectus. Notwithstanding anything to the contrary contained herein, each Holder shall be liable under this Section 5(b) for only that amount as does not exceed the net proceeds to such Holder as a result of the sale of Registrable Securities pursuant to such Registration Statement.

(c) Conduct of Indemnification Proceedings. If any Proceeding shall be brought or asserted against any Person entitled to indemnity hereunder (an "Indemnified Party"), such Indemnified Party promptly shall notify the Person from whom indemnity is sought (the "Indemnifying Party) in writing, and

the Indemnifying Party shall assume the defense thereof, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of all fees and expenses incurred in connection with defense thereof; provided, that the failure of any Indemnified Party to give such notice shall not relieve the Indemnifying Party of its obligations or liabilities pursuant to this Agreement, except (and only) to the extent that it shall be finally determined by a court of competent jurisdiction (which determination is not subject to appeal or further review) that such failure shall have proximately and materially adversely prejudiced the Indemnifying Party.

An Indemnified Party shall have the right to employ separate counsel in any such Proceeding and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party or Parties unless: (1) the Indemnifying Party has agreed in writing to pay such fees and expenses; or (2) the Indemnifying Party shall have failed promptly to assume the defense of such Proceeding and to employ counsel reasonably satisfactory to such Indemnified Party in any such Proceeding; or (3) the named parties to any such Proceeding (including any impleaded parties) include both such Indemnified Party and the Indemnifying Party, and such Indemnified Party shall have been advised by counsel (which shall be reasonably acceptable to the Indemnifying Party) that a conflict of interest is likely to exist if the same counsel were to represent such Indemnified Party and the Indemnifying Party (in which case, if such Indemnified Party notifies the Indemnifying Party in writing that it elects to employ separate counsel at the expense of the Indemnifying Party, the Indemnifying Party shall not have the right to assume the defense thereof and such counsel shall be at the expense of the Indemnifying Party). The Indemnifying Party shall not be liable for any settlement of any such Proceeding effected without its written consent, which consent shall not be unreasonably withheld or delayed. No Indemnifying Party shall, without the prior written consent of the Indemnified Party effect any settlement of any pending Proceeding in respect of which any Indemnified Party is a party, unless such settlement includes an unconditional release of such Indemnified Party from all liability on claims that are the subject matter of such Proceeding.

All fees and expenses of the Indemnified Party (including reasonable fees and expenses to the extent incurred in connection with investigating or preparing to defend such Proceeding in a manner not inconsistent with this Section) shall be paid to the Indemnified Party, as incurred, within ten (10) Business Days of written notice thereof to the Indemnifying Party (regardless of whether it is ultimately determined that an Indemnified Party is not entitled to indemnification hereunder; provided, that the Indemnifying Party may require such Indemnified Party to undertake to reimburse all such fees and expenses to the extent it is finally judicially determined that such Indemnified Party is not entitled to indemnification hereunder).

(d) Contribution. If a claim for indemnification under Section 5(a) or 5(b) is unavailable to an Indemnified Party because of a failure or refusal of a governmental authority to enforce such indemnification in accordance with its terms (by reason of public policy or otherwise), then each Indemnifying Party, in lieu of indemnifying such Indemnified Party, shall contribute to the amount paid or payable by such Indemnified Party as a result of such Losses, in such proportion as is appropriate to reflect the relative benefits received by the Indemnifying Party on the one hand and the Indemnified Party on the other from the offering of the Preferred Shares and Warrants. If, but only if, the allocation provided by the foregoing sentence is not permitted by applicable law, the allocation of contribution shall be made in such proportion as is appropriate to reflect not only the relative benefits referred

Edgar Filing: MULTIBAND CORP - Form 8-K

to in the foregoing sentence but also the relative fault, as applicable, of the Indemnifying Party and Indemnified Party in connection with the actions, statements or omissions that resulted in such Losses as well as any other relevant equitable considerations. The relative fault of such Indemnifying Party

44

and Indemnified Party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission of a material fact, has been taken or made by, or relates to information supplied by, such Indemnifying Party or Indemnified Party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such action, statement or omission. The amount paid or payable by a party as a result of any Losses shall be deemed to include, subject to the limitations set forth in Section 5(c), any reasonable attorneys' or other reasonable fees or expenses incurred by such party in connection with any Proceeding to the extent such party would have been indemnified for such fees or expenses if the indemnification provided for in this Section was available to such party in accordance with its terms.

The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 5(d) were determined by pro rata allocation or by any other method of allocation that does not take into account the equitable considerations referred to in the immediately preceding paragraph. No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

The indemnity and contribution agreements contained in this Section are in addition to any liability that the Indemnifying Parties may have to the Indemnified Parties. Notwithstanding anything to the contrary contained herein, the Holders shall be liable under this Section 5(d) for only that amount as does not exceed the net proceeds to such Holder as a result of the sale of Registrable Securities pursuant to such Registration Statement.

6. Rule 144.

As long as any Holder owns any Shares or Warrants, the Company covenants to timely file (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by the Company after the date hereof pursuant to Section 13(a) or 15(d) of the Exchange Act. As long as any Holder owns any Shares, if the Company is not required to file reports pursuant to Section 13(a) or 15(d) of the Exchange Act, it will prepare and make publicly available in accordance with Rule 144(c) promulgated under the Securities Act annual and quarterly financial statements, together with a discussion and analysis of such financial statements in form and substance substantially similar to those that would otherwise be required to be included in reports required by Section 13(a) or 15(d) of the Exchange Act, as well as any other information required thereby, in the time period that such filings would have been required to have been made under the Exchange Act. The Company further covenants that it will take such further action as any Holder may reasonably request in writing, all to the extent required from time to time to enable such Person to sell the Shares without registration under the Securities Act within the limitation of the exemptions provided by Rule 144 promulgated under the Securities Act, including providing any legal opinions relating to such sale pursuant to Rule 144.

7. Miscellaneous.

(a) Remedies. In the event of a breach by the Company or by a Holder, of any of their obligations under this Agreement, each Holder or the Company, as the case may be, in addition to being entitled to exercise all rights granted by law and under this Agreement, including recovery of damages, will be entitled to specific performance of its rights under this Agreement. The Company and each Holder agree that monetary damages would not provide adequate compensation for any losses incurred by reason of a breach by it of any of the provisions of this Agreement and hereby further agree that, in the event of any action for specific performance in respect of such breach, it shall waive the defense that a remedy at law would be adequate.

(b) No Inconsistent Agreements. Neither the Company nor any of its Subsidiaries has, as of the date hereof entered into and currently in effect, nor shall the Company or any of its Subsidiaries, on or after the date of this Agreement, enter into any agreement with respect to its securities that is inconsistent with the rights granted to the Holders in this Agreement or otherwise conflicts with the provisions hereof. Except as disclosed in Schedule 2.1(c) of the Purchase Agreement, neither the Company nor any of its Subsidiaries has previously entered into any agreement currently in effect granting any registration rights with respect to any of its securities to any Person. Without limiting the generality of the foregoing, without the written consent of the Holders of a majority of the then outstanding Registrable Securities, the Company shall not grant to any Person the right to request the Company to register any securities of the Company, under the Securities Act unless the rights so granted are subject in all respects to the prior rights in full of the Holders set forth herein, and are not otherwise in conflict with the provisions of this Agreement.

(c) No Piggyback on Registrations. Neither the Company nor any of its security holders (other than the Holders in such capacity pursuant hereto or as disclosed on Schedule 2.1(c) of the Purchase Agreement) may include securities of the Company in the Registration Statement, and the Company shall not after the date hereof enter into any agreement providing such right to any of its security holders, unless the right so granted is subject in all respects to the prior rights in full of the Holders set forth herein, and is not otherwise in conflict with the provisions of this Agreement.

(d) Failure to File Registration Statement and Other Events. The Company and the Purchasers agree that the Holders will suffer damages if the Registration Statement is not filed on or prior to the Filing Date and not declared effective by the Commission on or prior to the Effectiveness Date and maintained in the manner contemplated herein during the Effectiveness Period or if certain other events occur. The Company and the Holders further agree that it would not be feasible to ascertain the extent of such damages with precision. Accordingly, if (A) the Registration Statement has not been declared effective on or prior to the Effectiveness Date, or (B) the Registration Statement is not filed on or prior to the Filing Date, or (C) the Company fails to file with the Commission a request for acceleration in accordance with Rule 461 promulgated under the Securities Act within three (3) Business Days of the date that the Company is notified (orally or in writing, whichever is earlier) by the Commission that a Registration Statement will not be "reviewed," or not subject to further review, or (D) the Registration Statement is filed with and declared effective by the Commission but thereafter ceases to be effective as to all Registrable Securities at any time prior to the expiration of the Effectiveness Period, without being succeeded promptly by a subsequent Registration Statement filed with and declared effective by the Commission, or (E) the Company has breached Section 3(n) of this Agreement, or (F) trading in the Common Stock

shall be suspended or if the Common Stock is delisted from the Nasdaq SmallCap Market for any reason for more than three (3) Business Days in the aggregate (any such failure or breach being referred to as an "Event," and for purposes of clauses (A) and (B) the date on which such Event occurs, or for purposes of clause (C) the date on which such three (3) Business Day period is exceeded, or for purposes of clause (D) after more than fifteen (15) Business Days, or for purposes of clause (F) the date on which such three (3) Business Day period is exceeded, being referred to as "Event Date"), the Company shall pay an amount as liquidated damages to each Holder, payable in cash, equal to two percent (2%) for the first calendar month or portion thereof of the Holder's initial investment in the Preferred Shares from the Event Date and one and one quarter percent (1.25%) for each calendar month thereafter or portion thereof from the applicable Event Date until the Event is cured. Notwithstanding anything to the contrary in this Section 7(d), if (I) any of the Events described in clauses (A), (B) or (C) shall have occurred, (II) on or prior to the applicable Event Date, the Company shall have exercised its rights under Section 3(n) hereof and (III) the postponement or suspension permitted pursuant to such Section 3(n) shall remain effective as of such applicable Event Date, then the applicable Event Date shall be deemed instead to occur on the second (2nd) Business Day following the termination of such postponement or suspension.

(e) Failure to Respond to Commission Inquiries/Comments. The Company and the Purchasers agree that the Holders will suffer damages if the Company breaches Section 3(b)(iii) of this Agreement. In the event the Company breaches Section 3(b)(iii), the Company shall pay an amount as liquidated damages to each Holder, payable in cash, equal to one percent (1%) for the first ten (10) day period or portion thereof of the Holder's initial investment in the Preferred Shares and two percent (2%) for each ten (10) day period thereafter or portion thereof until such breach is cured.

(f) Amendments and Waivers. The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, and waivers or consents to or departures from the provisions hereof may not be given, unless the same shall be in writing and signed by the Company and the Holders of a majority of the Registrable Securities outstanding.

(g) Notices. Any and all notices or other communications or deliveries required or permitted to be provided hereunder shall be in writing and shall be deemed given and effective on the earlier of (i) the date of transmission, if such notice or communication is delivered via facsimile at the facsimile telephone number specified for notice prior to 5:00 p.m., New York City time, on a Business Day, (ii) the Business Day after the date of transmission, if such notice or communication is delivered via facsimile at the facsimile telephone number specified for notice later than 5:00 p.m., New York City time, on any date and earlier than 11:59 p.m., New York City time, on such date, (iii) the Business Day following the date of mailing, if sent by nationally recognized overnight courier service or (iv) actual receipt by the party to whom such notice is required to be given. The addresses for such communications shall be with respect to each Holder at its address set forth under its name on Schedule I attached hereto, or with respect to the Company, addressed to:

(h) Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties and their successors and permitted assigns and shall inure to the benefit of each Holder and its successors and assigns. The Company may not assign this Agreement or any of its rights or obligations hereunder without the prior written consent of each Holder. Each Purchaser may assign its rights hereunder in the manner and to the Persons as permitted under the Purchase Agreement.

(i) Assignment of Registration Rights. The rights of each Holder hereunder, including the right to have the Company register for resale Registrable Securities in accordance with the terms of this Agreement, shall be automatically assignable by each Holder to any Affiliate of such Holder or any other Holder or Affiliate of any other Holder of all or a portion of the Registrable Securities if: (i) the Holder agrees in writing with the transferee or assignee to assign such rights, and a copy of such agreement is furnished to the Company within a reasonable time after such assignment, (ii) the Company is, within a reasonable time after such transfer or assignment, furnished with written notice of (a) the name and address of such transferee or assignee, and (b) the securities with respect to which such registration rights are being transferred or assigned, (iii) following such transfer or assignment the further disposition of such securities by the transferee or assignees is restricted under the Securities Act and applicable state securities laws, (iv) at or before the time the Company receives the written notice contemplated by clause (ii) of this Section, the transferee or assignee agrees in writing with the Company to be bound by all of the provisions of this Agreement, and (v) such transfer shall have been made in compliance with all applicable securities laws and in accordance with the applicable requirements of the Purchase Agreement. In addition, each Holder shall have the right to assign its rights hereunder to any other Person with the prior written consent of the Company, which consent shall not be unreasonably withheld. The rights to assignment shall apply to the Holders (and to subsequent) successors and assigns.

(j) Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and, all of which taken together shall constitute one and the same Agreement. In the event that any signature is delivered by facsimile transmission, such signature shall create a valid binding obligation of the party executing (or on whose behalf such signature is executed) the same with the same force and effect as if such facsimile signature were the original thereof.

(k) Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of New York, without giving effect to any of the conflicts of law principles which would result in the application of the substantive law of another jurisdiction. This Agreement shall not be interpreted or construed with any presumption against the party causing this Agreement to be drafted.

(l) Cumulative Remedies. The remedies provided herein are cumulative and not exclusive of any remedies provided by law.

(m) Severability. If any term, provision, covenant or restriction of this Agreement is held to be invalid, illegal, void or unenforceable in any respect, the remainder of the terms, provisions, covenants and restrictions set forth herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated, and the parties hereto shall use their reasonable efforts to find and employ an alternative means to achieve the same or substantially the same result as that contemplated by such term, provision, covenant or restriction. It is hereby stipulated and declared to be the intention of the parties that they would have executed the remaining terms, provisions, covenants and restrictions without including any of such that may be hereafter declared invalid, illegal, void or unenforceable.

(n) Headings. The headings herein are for convenience only, do not constitute a part of this Agreement and shall not be deemed to limit or affect any of the provisions hereof.

(o) Shares Held by the Company and its Affiliates. Whenever the consent or approval of Holders of a specified percentage of Registrable Securities is required hereunder, Registrable Securities held by the Company or its Affiliates (other than any Holder or transferees or successors or assigns thereof if such Holder is deemed to be an Affiliate solely by reason of its holdings of such Registrable Securities) shall not be counted in determining whether such consent or approval was given by the Holders of such required percentage.

IN WITNESS WHEREOF, the parties hereto have caused this Registration Rights Agreement to be duly executed by their respective authorized persons as of the date first indicated above.

For value received, Multiband Corporation, a Minnesota corporation (the "Maker"), hereby promises to pay to the order of _____ (together with its successors, representatives, and permitted assigns, the "Holder"), in accordance with the terms hereinafter provided, the principal amount of _____ (\$_____), together with interest thereon. The outstanding principal balance of this Note shall be due and payable on November __, 2007 (the "Maturity Date") or at such earlier time as provided herein.

ARTICLE XXII

Edgar Filing: MULTIBAND CORP - Form 8-K

Section 22.1 Purchase Agreement. This Note has been executed and delivered pursuant to the Note Purchase Agreement dated as of November 12, 2004 (the "Purchase Agreement") by and among the Maker and the purchasers listed therein. Capitalized terms used and not otherwise defined herein shall have the meanings set forth for such terms in the Purchase Agreement.

Section 22.2 Interest. Beginning on the issuance date of this Note (the "Issuance Date"), the outstanding principal balance of this Note shall bear interest, in arrears, at a rate per annum equal to six percent (6%), payable semi-annually at the option of the Maker in cash or in shares of the Maker's common stock, no par value per share (the "Common Stock"), on December 31 and June 30 of each year, commencing December 31, 2004, except that if such date is not a business day then the interest shall be payable on the first immediately succeeding business day. The number of shares of Common Stock to be issued as

53

payment of accrued and unpaid interest shall be determined by dividing (a) the total amount of accrued and unpaid interest to be converted into Common Stock by (b) the Conversion Price (as defined in Section 3.2 hereof). Interest shall be computed on the basis of a 360-day year of twelve (12) 30-day months and shall accrue commencing on the Issuance Date. Furthermore, upon the occurrence of an Event of Default (as defined in Section 2.1 hereof), then to the extent permitted by law, the Maker will pay interest to the Holder, payable on demand, on the outstanding principal balance of the Note from the date of the Event of Default until such Event of Default is cured at the rate of the lesser of ten percent (10%) and the maximum applicable legal rate per annum.

Section 22.3 Security Agreement. The obligations of the Maker hereunder are secured by a continuing security interest in all of the property and assets of the Maker pursuant to the terms of a security agreement dated as of the date hereof.

Section 22.4 Senior Securities. So long as this Note or any other Note is outstanding, the Maker shall not issue any securities that rank pari passu or senior to this Note without the affirmative vote or consent of the holders of at least seventy-five percent (75%) of the principal amount of the Notes outstanding at the time. Notwithstanding anything in the foregoing to the contrary, the Holder acknowledges that the indebtedness payable to the entities listed on Schedule I attached hereto shall rank senior to the Maker's obligations under this Note and the Other Notes. All other indebtedness of the Company shall rank junior to the Maker's obligations under this Note and the Other Notes.

Section 22.5 Payment on Non-Business Days. Whenever any payment to be made shall be due on a Saturday, Sunday or a public holiday under the laws of the State of New York, such payment may be due on the next succeeding business day and such next succeeding day shall be included in the calculation of the amount of accrued interest payable on such date.

Section 22.6 Transfer. This Note may be transferred or sold, subject to the provisions of Section 4.8 of this Note, or pledged, hypothecated or otherwise granted as security by the Holder.

Section 22.7 Replacement. Upon receipt of a duly executed, notarized and unsecured written statement from the Holder with respect to the loss, theft or destruction of this Note (or any replacement hereof), and without requiring an indemnity bond or other security, or, in the case of a mutilation of this Note, upon surrender and cancellation of such Note, the Maker shall issue a new

Note, of like tenor and amount, in lieu of such lost, stolen, destroyed or mutilated Note.

ARTICLE XXIII

(e) the Maker's notice to the Holder, including by way of public announcement, at any time, of its inability to comply (including for any of the reasons described in Section 3.8(a) hereof) or its intention not to comply with proper requests for conversion of this Note into shares of Common Stock; or

(f) the Maker shall fail to (i) timely deliver the shares of Common Stock upon conversion of the Note or any interest accrued and unpaid, (ii) timely file the Registration Statement or (iii) make the payment of any fees and/or liquidated damages under this Note, the Purchase Agreement or the Registration Rights Agreement, which failure in the case of items (i) and (iii) of this Section 2.1(f) is not remedied within three (3) business days after the incurrence thereof; or

(g) while the Registration Statement is required to be maintained effective pursuant to the terms of the Registration Rights Agreement, the effectiveness of the Registration Statement lapses for any reason (including, without limitation, the issuance of a stop order) or is unavailable to the Holder for sale of the Registrable Securities (as defined in the Registration Rights Agreement) in accordance with the terms of the Registration Rights Agreement, and such lapse or unavailability continues for a period of ten (10) consecutive Trading Days, provided that the Maker has not exercised its rights pursuant to Section 3(n) of the Registration Rights Agreement and the cause of such lapse or unavailability is not due to factors primarily within the control of Holder; or

\$100,000 or (ii) default in the observance or performance of any other agreement or condition relating to any Indebtedness or contained in any instrument or agreement evidencing, securing or relating thereto, or any other event shall occur or condition exist, the effect of which default or other event or condition is to cause, or to permit the holder or holders or beneficiary or beneficiaries of such Indebtedness to cause with the giving of notice if required, such Indebtedness to become due prior to its stated maturity; or

(k) the Maker shall (i) apply for or consent to the appointment of, or the taking of possession by, a receiver, custodian, trustee or liquidator of itself or of all or a substantial part of its property or assets, (ii) make a general assignment for the benefit of its creditors, (iii) commence a voluntary case under the United States Bankruptcy Code (as now or hereafter in effect) or under the comparable laws of any jurisdiction (foreign or domestic), (iv) file a petition seeking to take advantage of any bankruptcy, insolvency, moratorium, reorganization or other similar law affecting the enforcement of creditors' rights generally, (v) acquiesce in writing to any petition filed against it in an involuntary case under United States Bankruptcy Code (as now or hereafter in effect) or under the comparable laws of any jurisdiction (foreign or domestic), (vi) issue a notice of bankruptcy or winding down of its operations or issue a press release regarding same, or (vii) take any action under the laws of any jurisdiction (foreign or domestic) analogous to any of the foregoing; or

(l) a proceeding or case shall be commenced in respect of the Maker, without its application or consent, in any court of competent jurisdiction, seeking (i) the liquidation, reorganization, moratorium, dissolution, winding up, or composition or readjustment of its debts, (ii) the appointment of a trustee, receiver, custodian, liquidator or the like of it or of all or any substantial part of its assets in connection with the liquidation or dissolution of the Maker or (iii) similar relief in respect of it under any law providing for the relief of debtors, and such proceeding or case described in clause (i), (ii) or (iii) shall continue undismissed, or unstayed and in effect, for a period of sixty (60) days or any order for relief shall be entered in an involuntary case under United States Bankruptcy Code (as now or hereafter in effect) or under the comparable laws of any jurisdiction (foreign or domestic) against the Maker or action under the laws of any jurisdiction (foreign or domestic) analogous to any of the foregoing shall be taken with respect to the Maker and shall continue undismissed, or unstayed and in effect for a period of sixty (60) days; or

(m) the failure of the Maker to instruct its transfer agent to remove any legends from shares of Common Stock eligible to be sold under Rule 144 of the Securities Act and issue such unlegended certificates to the Holder within three (3) business days of the Holder's request so long as the Holder has provided reasonable assurances to the Maker that such shares of Common Stock can

be resold pursuant to Rule 144; or

(n) the failure of the Maker to pay any amounts due to the Holder herein or in the Purchase Agreement or the Registration Rights Agreement within three (3) business days of receipt of notice to the Maker; or

Section 23.2 Remedies Upon An Event of Default. If an Event of Default shall have occurred and shall be continuing, the Holder of this Note may at any time at its option, (a) declare the entire unpaid principal balance of this Note, together with all interest accrued hereon, due and payable, and thereupon, the same shall be accelerated and so due and payable, without presentment, demand, protest, or notice, all of which are hereby expressly unconditionally and irrevocably waived by the Maker; provided, however, that upon the occurrence of an Event of Default described in (i) Sections 2.1 (k) or (l), the outstanding principal balance and accrued interest hereunder shall be automatically due and payable and (ii) Sections 2.1 (c)-(j), demand the prepayment of this Note pursuant to Section 3.7 hereof, (b) demand that the principal amount of this Note then outstanding and all accrued and unpaid interest thereon shall be converted into shares of Common Stock at a Conversion Price per share calculated pursuant to Section 3.1 hereof assuming that the date that the Event of Default occurs is the Conversion Date (as defined in Section 3.1 hereof), or (c) exercise or otherwise enforce any one or more of the Holder's rights, powers, privileges, remedies and interests under this Note, the Security Agreement, the Purchase Agreement, the Registration Rights Agreement or applicable law. No course of delay on the part of the Holder shall operate as a waiver thereof or otherwise prejudice the right of the Holder. No remedy conferred hereby shall be exclusive of any other remedy referred to herein or now or hereafter available at law, in equity, by statute or otherwise.

Section 24.1 Conversion Option. At any time on or after the Issuance Date, this Note shall be convertible (in whole or in part), at the option of the Holder (the "Conversion Option"), into such number of fully paid and non-assessable shares of Common Stock (the "Conversion Rate") as is determined by dividing (x) that portion of the outstanding principal balance plus any accrued but unpaid interest under this Note as of such date that the Holder elects to convert by (y) the Conversion Price (as hereinafter defined) then in effect on the date on which the Holder faxes a notice of conversion (the "Conversion Notice"), duly executed, to the Maker (facsimile number (763) 504-3060, Attn.: Chief Financial Officer) (the "Conversion Date"), provided, however, that the Conversion Price shall be subject to adjustment as described in Section 3.6 below. The Holder shall deliver this Note to the Maker at the address designated in the Purchase Agreement at such time that this Note is fully converted. With respect to partial conversions of this Note, the Maker shall keep written records of the amount of this Note converted as of each Conversion Date.

Section 24.2 Conversion Price.

(a) The term "Conversion Price" shall mean \$1.00 per share, subject to adjustment under Section 3.6 hereof. Notwithstanding any adjustment hereunder, at no time shall the Conversion Price be greater than \$1.00 per share except if it is adjusted pursuant to Section 3.6(a)(i) hereof.

Edgar Filing: MULTIBAND CORP - Form 8-K

(b) Notwithstanding any of the foregoing to the contrary, if during any period (a "Black-out Period"), a Holder is unable to trade any Common Stock issued or issuable upon conversion of this Note immediately due to the postponement of filing or delay or suspension of effectiveness of a registration

57

statement or because the Maker has otherwise informed such Holder that an existing prospectus cannot be used at that time in the sale or transfer of such Common Stock (provided that such postponement, delay, suspension or fact that the prospectus cannot be used is not due to factors solely within the control of the Holder of the Notes or due to the Maker exercising its rights under Section 3(n) of the Registration Rights Agreement), such Holder shall have the option but not the obligation on any Conversion Date within ten (10) Trading Days following the expiration of the Black-out Period of using the Conversion Price applicable on such Conversion Date or any Conversion Price selected by such Holder that would have been applicable had such Conversion Date been at any earlier time during the Black-out Period or within the ten (10) Trading Days thereafter. In no event shall the Black-out Period have any effect on the Maturity Date of this Note.

(c) The term "Closing Bid Price" shall mean, for any security as of any date, the last closing bid price of such security on the Nasdaq SmallCap Market for such security as reported by Bloomberg, or, if no closing bid price is reported for such security by Bloomberg, the last closing trade price of such security as reported by Bloomberg. If the Closing Bid Price cannot be calculated for such security on such date on any of the foregoing bases, the Closing Bid Price of such security on such date shall be the fair market value as mutually determined by the Maker and the holders of a majority of the principal amount of the Notes outstanding.

Section 24.3 Mechanics of Conversion.

(a) Not later than three (3) Trading Days after any Conversion Date, the Maker or its designated transfer agent, as applicable, shall issue and deliver to the Depository Trust Company ("DTC") account on the Holder's behalf via the Deposit Withdrawal Agent Commission System ("DWAC") as specified in the Conversion Notice, registered in the name of the Holder or its designee, for the number of shares of Common Stock to which the Holder shall be entitled. In the alternative, not later than three (3) Trading Days after any Conversion Date, the Maker shall deliver to the applicable Holder by express courier a certificate or certificates which shall be free of restrictive legends and trading restrictions (other than those required by Section 5.1 of the Purchase Agreement) representing the number of shares of Common Stock being acquired upon the conversion of this Note (the "Delivery Date"). Notwithstanding the foregoing to the contrary, the Maker or its transfer agent shall only be obligated to issue and deliver the shares to the DTC on the Holder's behalf via DWAC (or certificates free of restrictive legends) if such conversion is in connection with a sale and the Holder has complied with the applicable prospectus delivery requirements. If in the case of any Conversion Notice such certificate or certificates are not delivered to or as directed by the applicable Holder by the Delivery Date, the Holder shall be entitled by written notice to the Maker at any time on or before its receipt of such certificate or certificates thereafter, to rescind such conversion, in which event the Maker shall immediately return this Note tendered for conversion, whereupon the Maker and the Holder shall each be restored to their respective positions immediately prior to the delivery of such notice of revocation, except that any amounts described in Sections 3.3(b) and (c) shall be payable through the date notice of

Edgar Filing: MULTIBAND CORP - Form 8-K

rescission is given to the Maker.

(b) The Maker understands that a delay in the delivery of the shares of Common Stock upon conversion of this Note beyond the Delivery Date could result in economic loss to the Holder. If the Maker fails to deliver to the Holder such shares via DWAC or a certificate or certificates pursuant to this Section hereunder by the Delivery Date, the Maker shall pay to such Holder, in cash, an

58

amount per Trading Day for each Trading Day until such shares are delivered via DWAC, certificates are delivered or the Holder effects a Buy-In pursuant to Section 3.3(c) hereof (provided that the Buy-In amount is paid by the Maker to the Holder within three business days of written notice to the Maker), together with interest on such amount at a rate of 10% per annum, accruing until such amount and any accrued interest thereon is paid in full, equal to the greater of (A) (i) 1% of the aggregate principal amount of the Notes requested to be converted for the first five (5) Trading Days after the Delivery Date and (ii) 2% of the aggregate principal amount of the Notes requested to be converted for each Trading Day thereafter and (B) \$2,000 per day (which amount shall be paid as liquidated damages and not as a penalty). Nothing herein shall limit a Holder's right to pursue actual damages for the Maker's failure to deliver certificates representing shares of Common Stock upon conversion within the period specified herein and such Holder shall have the right to pursue all remedies available to it at law or in equity (including, without limitation, a decree of specific performance and/or injunctive relief). Notwithstanding anything to the contrary contained herein, the Holder shall be entitled to withdraw a Conversion Notice, and upon such withdrawal the Maker shall only be obligated to pay the liquidated damages accrued in accordance with this Section 3.3(b) through the date the Conversion Notice is withdrawn. The Maker shall not be liable for any payments under this Section 3.3(b) if the Maker's failure to deliver the shares on the Delivery Date was the result of events beyond the Maker's control including events such as fire, flood, strikes, labor troubles or other industrial disturbances, riots and insurrections, war and acts of terrorism. The Maker shall immediately notify the Holder of the occurrence of such an event. Immediately after such event no longer is continuing, the Maker shall deliver the shares.

(c) In addition to any other rights available to the Holder, if the Maker fails to deliver to the Holder such certificate or certificates pursuant to Section 3.3(a) by the Delivery Date and if after the Delivery Date the Holder purchases (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by such Holder of the Conversion Shares which the Holder anticipated receiving upon such conversion (a "Buy-In"), then the Maker shall pay in cash to the Holder (in addition to any remedies available to or elected by the Holder) an amount equal to (A) the aggregate amount paid by such Holder for the shares of Common Stock so purchased minus (B) the aggregate amount of net proceeds, if any, received by such Holder from the sale of the shares of Common Stock issued by the Maker pursuant to such conversion, together with interest thereon at a rate of the lesser of 10% and the maximum applicable legal rate per annum, accruing until such amount and any accrued interest thereon is paid in full (which amount shall be paid as liquidated damages and not as a penalty). For example, if the Holder purchases shares of Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted conversion of \$10,000 aggregate principal amount of this Note, the Maker shall be required to pay the Holder \$1,000, plus interest. The Holder shall provide the Maker written notice indicating the amounts payable to the Holder in respect of the Buy-In.

Section 24.4 Ownership Cap and Certain Conversion Restrictions.

Edgar Filing: MULTIBAND CORP - Form 8-K

(a) Notwithstanding anything to the contrary set forth in Section 3 of this Note, at no time may the Holder convert all or a portion of this Note if the number of shares of Common Stock to be issued pursuant to such conversion, when aggregated with all other shares of Common Stock owned by the Holder at such time, the number of shares of Common Stock which would result in the Holder beneficially owning (as determined in accordance with Section 13(d) of the Exchange Act and the rules thereunder) more than 4.9% of all of the Common Stock

59

outstanding at such time; provided, however, that upon the Holder providing the Maker with sixty-one (61) days notice (pursuant to Section 4.1 hereof) (the "Waiver Notice") that the Holder would like to waive this Section 3.4(a) with regard to any or all shares of Common Stock issuable upon conversion of this Note, this Section 3.4(a) will be of no force or effect with regard to all or a portion of the Note referenced in the Waiver Notice; provided, further, that this provision shall be of no further force or effect during the sixty-one (61) days immediately preceding the Maturity Date. The Holder of this Note may waive this Section 3.4(a) by so indicating on the signature page to the Purchase Agreement, any such waiver to be effective on and as of the date hereof.

(b) Notwithstanding anything to the contrary set forth in Section 3 of this Note, at no time may the Holder convert all or a portion of this Note if the number of shares of Common Stock to be issued pursuant to such conversion, when aggregated with all other shares of Common Stock owned by the Holder at such time, would result in the Holder beneficially owning (as determined in accordance with Section 13(d) of the Exchange Act and the rules thereunder) in excess of 9.9% of the then issued and outstanding shares of Common Stock outstanding at such time; provided, however, that upon the Holder providing the Maker with a Waiver Notice that the Holder would like to waive Section 3.4(b) of this Note with regard to any or all shares of Common Stock issuable upon conversion of this Note, this Section 3.4(b) shall be of no force or effect with regard to all or a portion of the Note referenced in the Waiver Notice; provided, further, that this provision shall be of no further force or effect during the sixty-one (61) days immediately preceding the Maturity Date. The Holder of this Note may waive this Section 3.4(b) by so indicating on the signature page to the Purchase Agreement, any such waiver to be effective on and as of the date hereof.

Section 24.5 Intentionally Omitted.

Section 24.6 Adjustment of Conversion Price.

(a) The Conversion Price shall be subject to adjustment from time to time as follows:

(i) Adjustments for Stock Splits and Combinations. If the Maker shall at any time or from time to time after the Issuance Date, effect a stock split of the outstanding Common Stock, the applicable Conversion Price in effect immediately prior to the stock split shall be proportionately decreased. If the Maker shall at any time or from time to time after the Issuance Date, combine the outstanding shares of Common Stock, the applicable Conversion Price in effect immediately prior to the combination shall be proportionately increased. Any adjustments under this Section 3.6(a)(i) shall be effective at the close of business on the date the stock split or combination occurs.

(ii) Adjustments for Certain Dividends and Distributions. If the Maker shall at any time or from time to time after the Issuance Date, make or issue or set a record date for the determination of holders of Common Stock

Edgar Filing: MULTIBAND CORP - Form 8-K

entitled to receive a dividend or other distribution payable in shares of Common Stock, then, and in each event, the applicable Conversion Price in effect immediately prior to such event shall be decreased as of the time of such issuance or, in the event such record date shall have been fixed, as of the

60

close of business on such record date, by multiplying, the applicable Conversion Price then in effect by a fraction:

(1) the numerator of which shall be the total number of shares of Common Stock issued and outstanding immediately prior to the time of such issuance or the close of business on such record date; and

(1) (2) the denominator of which shall be the total number of shares of Common Stock issued and outstanding immediately prior to the time of such issuance or the close of business on such record date plus the number of shares of Common Stock issuable in payment of such dividend or distribution.

(iii) Adjustment for Other Dividends and Distributions. If the Maker shall at any time or from time to time after the Issuance Date, make or issue or set a record date for the determination of holders of Common Stock entitled to receive a dividend or other distribution payable in other than shares of Common Stock, then, and in each event, an appropriate revision to the applicable Conversion Price shall be made and provision shall be made (by adjustments of the Conversion Price or otherwise) so that the holders of this Note shall receive upon conversions thereof, in addition to the number of shares of Common Stock receivable thereon, the number of securities of the Maker which they would have received had this Note been converted into Common Stock on the date of such event and had thereafter, during the period from the date of such event to and including the Conversion Date, retained such securities (together with any distributions payable thereon during such period), giving application to all adjustments called for during such period under this Section 3.6(a)(iii) with respect to the rights of the holders of this Note and the Other Notes; provided, however, that if such record date shall have been fixed and such dividend is not fully paid or if such distribution is not fully made on the date fixed therefor, the Conversion Price shall be adjusted pursuant to this paragraph as of the time of actual payment of such dividends or distributions.

(iv) Adjustments for Reclassification, Exchange or Substitution. If the Common Stock issuable upon conversion of this Note at any time or from time to time after the Issuance Date shall be changed to the same or different number of shares of any class or classes of stock, whether by reclassification, exchange, substitution or otherwise (other than by way of a stock split or combination of shares or stock dividends provided for in Sections 3.6(a)(i), (ii) and (iii), or a reorganization, merger, consolidation, or sale of assets provided for in Section 3.6(a)(v)), then, and in each event, an appropriate revision to the Conversion Price shall be made and provisions shall be made (by adjustments of the Conversion Price or otherwise) so that the Holder shall have the right thereafter to convert this Note into the kind and amount of shares of stock and other securities receivable upon reclassification, exchange, substitution or other change, by holders of the number of shares of Common Stock into which such Note might have been converted immediately prior to such reclassification, exchange, substitution or other change, all subject to further adjustment as provided herein.

(v) Adjustments for Reorganization, Merger, Consolidation or Sales of Assets. If at any time or from time to time after the Issuance Date there shall be a capital reorganization of the Maker (other than by way of a

Edgar Filing: MULTIBAND CORP - Form 8-K

stock split or combination of shares or stock dividends or distributions

61

provided for in Section 3.6(a)(i), (ii) and (iii), or a reclassification, exchange or substitution of shares provided for in Section 3.6(a)(iv)), or a merger or consolidation of the Maker with or into another corporation where the holders of outstanding voting securities prior to such merger or consolidation do not own over fifty percent (50%) of the outstanding voting securities of the merged or consolidated entity, immediately after such merger or consolidation, or the sale of all or substantially all of the Maker's properties or assets to any other person (an "Organic Change"), then as a part of such Organic Change an appropriate revision to the Conversion Price shall be made and provision shall be made (by adjustments of the Conversion Price or otherwise) so that the Holder shall have the right thereafter to convert such Note into the kind and amount of shares of stock and other securities or property of the Maker or any successor corporation resulting from Organic Change. In any such case, appropriate adjustment shall be made in the application of the provisions of this Section 3.6(a)(v) with respect to the rights of the Holder after the Organic Change to the end that the provisions of this Section 3.6(a)(v) (including any adjustment in the applicable Conversion Price then in effect and the number of shares of stock or other securities deliverable upon conversion of this Note and the Other Notes) shall be applied after that event in as nearly an equivalent manner as may be practicable.

(b) No Impairment. The Maker shall not, by amendment of its Articles of Incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Maker, but will at all times in good faith, assist in the carrying out of all the provisions of this Section 3.6 and in the taking of all such action as may be necessary or appropriate in order to protect the Conversion Rights of the Holder against impairment. In the event a Holder shall elect to convert any Notes as provided herein, the Maker cannot refuse conversion based on any claim that such Holder or any one associated or affiliated with such Holder has been engaged in any violation of law, violation of an agreement to which such Holder is a party or for any reason whatsoever, unless, an injunction from a court, or notice, restraining and or enjoining conversion of all or of said Notes shall have issued and the Maker posts a surety bond for the benefit of such Holder in an amount equal to one hundred percent (100%) of the amount of the Notes the Holder has elected to convert, which bond shall remain in effect until the completion of arbitration/litigation of the dispute and the proceeds of which shall be payable to such Holder in the event it obtains judgment.

(c) Certificates as to Adjustments. Upon occurrence of each adjustment or readjustment of the Conversion Price or number of shares of Common Stock issuable upon conversion of this Note pursuant to this Section 3.6, the Maker at its expense shall promptly compute such adjustment or readjustment in accordance with the terms hereof and furnish to the Holder a certificate setting forth such adjustment and readjustment, showing in detail the facts upon which such adjustment or readjustment is based. The Maker shall, upon written request of the Holder, at any time, furnish or cause to be furnished to the Holder a like certificate setting forth such adjustments and readjustments, the applicable Conversion Price in effect at the time, and the number of shares of Common Stock and the amount, if any, of other securities or property which at the time would be received upon the conversion of this Note. Notwithstanding the foregoing, the Maker shall not be obligated to deliver a certificate unless such certificate would reflect an increase or decrease of at least one percent (1%) of such adjusted amount; provided, however, that any adjustments that by reason of this

Edgar Filing: MULTIBAND CORP - Form 8-K

subsection (c) are not required to be made shall be carried forward and taken into account in any subsequent adjustment.

62

(d) Issue Taxes. The Maker shall pay any and all issue and other taxes, excluding federal, state or local income taxes, that may be payable in respect of any issue or delivery of shares of Common Stock on conversion of this Note pursuant thereto; provided, however, that the Maker shall not be obligated to pay any transfer taxes resulting from any transfer requested by the Holder in connection with any such conversion.

(e) Fractional Shares. No fractional shares of Common Stock shall be issued upon conversion of this Note. In lieu of any fractional shares to which the Holder would otherwise be entitled, the Maker shall pay cash equal to the product of such fraction multiplied by the average of the Closing Bid Prices of the Common Stock for the five (5) consecutive Trading Days immediately preceding the Conversion Date.

(f) Reservation of Common Stock. The Maker shall at all times when this Note shall be outstanding, reserve and keep available out of its authorized but unissued Common Stock, such number of shares of Common Stock as shall from time to time be sufficient to effect the conversion of this Note and all interest accrued thereon; provided, that the number of shares of Common Stock so reserved shall at no time be less than 110% of the number of shares of Common Stock for which this Note and all interest accrued thereon are at any time convertible. The Maker shall increase the authorized number of shares of Common Stock if at any time the unissued number of authorized shares shall not be sufficient to satisfy the Maker's obligations under this Section 3.6(f).

(g) Regulatory Compliance. If any shares of Common Stock to be reserved for the purpose of conversion of this Note or any interest accrued thereon require registration or listing with or approval of any governmental authority, stock exchange or other regulatory body under any federal or state law or regulation or otherwise before such shares may be validly issued or delivered upon conversion, the Maker shall, at its sole cost and expense, in good faith and as expeditiously as possible, endeavor to secure such registration, listing or approval, as the case may be.

Section 3.7 Prepayment.

(a) Prepayment Upon an Event of Default. Notwithstanding anything to the contrary contained herein, upon the occurrence of an Event of Default described in Sections 2.1(c)-(1) hereof, the Holder shall have the right, at such Holder's option, to require the Maker to prepay in cash all or a portion of this Note at a price equal to the Triggering Event Prepayment Price (as defined in Section 3.7(c) below) applicable at the time of such request (the "Event of Default Prepayment Price"). Nothing in this Section 3.7(a) shall limit the Holder's rights under Section 2.2 hereof.

(b) Prepayment Option Upon Major Transaction. In addition to all other rights of the Holder contained herein, simultaneous with the occurrence of a Major Transaction (as defined below), the Holder shall have the right, at the Holder's option, to require the Maker to prepay all or a portion of the Holder's Notes at a price equal to one hundred percent (100%) of the aggregate principal amount of this Note plus all accrued and unpaid interest (the "Major Transaction Prepayment Price"); provided that the Maker shall have the sole option to pay

63

Edgar Filing: MULTIBAND CORP - Form 8-K

the Major Transaction Prepayment Price in cash or shares of Common Stock. If the Maker elects to pay the Major Transaction Prepayment Price in shares of Common Stock, the price per share shall be based upon the Conversion Price then in effect on the day preceding the date of delivery of the Notice of Prepayment at Option of Holder Upon Major Transaction (as hereafter defined) and the Holder of such shares of Common Stock shall have demand registration rights with respect to such shares.

(c) Prepayment Option Upon Triggering Event. In addition to all other rights of the Holder contained herein, after a Triggering Event (as defined below), the Holder shall have the right, at the Holder's option, to require the Maker to prepay all or a portion of the Holder's Notes in cash at a price equal to one hundred percent (100%) of the aggregate principal amount of this Note plus all accrued and unpaid interest (the "Triggering Event Prepayment Price," and, collectively with the "Major Transaction Prepayment Price," the "Prepayment Price").

(d) Intentionally Omitted.

(e) "Major Transaction." A "Major Transaction" shall be deemed to have occurred at such time as any of the following events:

(i) the consolidation, merger or other business combination of the Maker with or into another Person (as defined in Section 4.13 hereof) (other than (A) pursuant to a migratory merger effected solely for the purpose of changing the jurisdiction of incorporation of the Maker or (B) a consolidation, merger or other business combination in which holders of the Maker's voting power immediately prior to the transaction continue after the transaction to hold, directly or indirectly, the voting power of the surviving entity or entities necessary to elect a majority of the members of the board of directors (or their equivalent if other than a corporation) of such entity or entities).

(ii) the sale or transfer of more than fifty percent (50%) of the Maker's assets (based on the fair market value as determined in good faith by the Maker's Board of Directors) other than inventory in the ordinary course of business in one or a related series of transactions; or

(iii) closing of a purchase, tender or exchange offer made to the holders of more than fifty percent (50%) of the outstanding shares of Common Stock in which more than fifty percent (50%) of the outstanding shares of Common Stock were tendered and accepted.

(f) "Triggering Event." A "Triggering Event" shall be deemed to have occurred at such time as any of the following events:

(i) so long as any Notes are outstanding, the effectiveness of the Registration Statement, after it becomes effective, (i) lapses for any reason (including, without limitation, the issuance of a stop order) or (ii) is unavailable to the Holder for sale of the shares of Common Stock, and such lapse or unavailability continues for a period of twenty (20) consecutive Trading Days, and the shares of Common Stock into which the Holder's Notes can be converted cannot be sold in the public securities market pursuant to Rule 144(k), provided that the cause of such lapse or unavailability is not due to factors primarily within the control of the Holder of the Notes; and provided

further that a Triggering Event shall not have occurred if and to the extent the

Edgar Filing: MULTIBAND CORP - Form 8-K

Maker exercised its rights set forth in Section 3(n) of the Registration Rights Agreement;

the suspension from listing, without subsequent listing on any one of, or the failure of the Common Stock to be listed on at least one of the OTC Bulletin Board, Nasdaq National Market, Nasdaq SmallCap Market, The New York Stock Exchange, Inc. or The American Stock Exchange, Inc., for a period of five (5) consecutive Trading Days;

the Maker's notice to any holder of the Notes, including by way of public announcement, at any time, of its inability to comply (including for any of the reasons described in Section 3.8) or its intention not to comply with proper requests for conversion of any Notes into shares of Common Stock; or

the Maker's failure to comply with a Conversion Notice tendered in accordance with the provisions of this Note within ten (10) business days after the receipt by the Maker of the Conversion Notice.

(g) Intentionally Omitted.

(h) Mechanics of Prepayment at Option of Holder Upon Major Transaction. No sooner than fifteen (15) days nor later than ten (10) days prior to the consummation of a Major Transaction, but not prior to the public announcement of such Major Transaction, the Maker shall deliver written notice thereof via facsimile and overnight courier ("Notice of Major Transaction") to the Holder of this Note. At any time after receipt of a Notice of Major Transaction (or, in the event a Notice of Major Transaction is not delivered at least ten (10) days prior to a Major Transaction, at any time within ten (10) days prior to a Major Transaction), any holder of the Notes then outstanding may require the Maker to prepay, effective immediately prior to the consummation of such Major Transaction, all of the holder's Notes then outstanding by delivering written notice thereof via facsimile and overnight courier ("Notice of Prepayment at Option of Holder Upon Major Transaction") to the Maker, which Notice of Prepayment at Option of Holder Upon Major Transaction shall indicate (i) the number of Notes that such holder is electing to prepay and (ii) the applicable Major Transaction Prepayment Price, as calculated pursuant to Section 3.7(b) above.

(i) Mechanics of Prepayment at Option of Holder Upon Triggering Event. Within one (1) business day after the occurrence of a Triggering Event, the Maker shall deliver written notice thereof via facsimile and overnight courier ("Notice of Triggering Event") to each holder of the Notes. At any time after the earlier of a holder's receipt of a Notice of Triggering Event and such holder becoming aware of a Triggering Event, any holder of this Note and the Other Notes then outstanding may require the Maker to prepay all of the Notes on a pro rata basis by delivering written notice thereof via facsimile and overnight courier ("Notice of Prepayment at Option of Holder Upon Triggering Event") to the Maker, which Notice of Prepayment at Option of Holder Upon Triggering Event shall indicate (i) the amount of the Note that such holder is electing to have prepaid and (ii) the applicable Triggering Event Prepayment Price, as calculated pursuant to Section 3.7(c) above. A holder shall only be permitted to require the Maker to prepay the Note pursuant to Section 3.7 hereof

for the greater of a period of ten (10) days after receipt by such holder of a Notice of Triggering Event or for so long as such Triggering Event is continuing.

Edgar Filing: MULTIBAND CORP - Form 8-K

(j) Intentionally Omitted.

(k) Payment of Prepayment Price. Upon the Maker's receipt of a Notice(s) of Prepayment at Option of Holder Upon Triggering Event or a Notice(s) of Prepayment at Option of Holder Upon Major Transaction from any holder of the Notes, the Maker shall immediately notify each holder of the Notes by facsimile of the Maker's receipt of such Notice(s) of Prepayment at Option of Holder Upon Triggering Event or Notice(s) of Prepayment at Option of Holder Upon Major Transaction and each holder which has sent such a notice shall promptly submit to the Maker such holder's certificates representing the Notes which such holder has elected to have prepaid. The Maker shall deliver the applicable Triggering Event Prepayment Price, in the case of a prepayment pursuant to Section 3.7(i), to such holder within five (5) business days after the Maker's receipt of a Notice of Prepayment at Option of Holder Upon Triggering Event and, in the case of a prepayment pursuant to Section 3.7(h), the Maker shall deliver the applicable Major Transaction Prepayment Price immediately prior to the consummation of the Major Transaction; provided that a holder's original Note shall have been so delivered to the Maker; provided further that if the Maker is unable to prepay all of the Notes to be prepaid, the Maker shall prepay an amount from each holder of the Notes being prepaid equal to such holder's pro-rata amount (based on the number of Notes held by such holder relative to the number of Notes outstanding) of all Notes being prepaid. If the Maker shall fail to prepay all of the Notes submitted for prepayment (other than pursuant to a dispute as to the arithmetic calculation of the Prepayment Price), in addition to any remedy such holder of the Notes may have under this Note and the Purchase Agreement, the applicable Prepayment Price payable in respect of such Notes not prepaid shall bear interest at the rate of one percent (1%) per month (prorated for partial months) until paid in full. Until the Maker pays such unpaid applicable Prepayment Price in full to a holder of the Notes submitted for prepayment, such holder shall have the option (the "Void Optional Prepayment Option") to, in lieu of prepayment, require the Maker to promptly return to such holder(s) all of the Notes that were submitted for prepayment by such holder(s) under this Section 3.7 and for which the applicable Prepayment Price has not been paid, by sending written notice thereof to the Maker via facsimile (the "Void Optional Prepayment Notice"). Upon the Maker's receipt of such Void Optional Prepayment Notice(s) and prior to payment of the full applicable Prepayment Price to such holder, (i) the Notice(s) of Prepayment at Option of Holder Upon Triggering Event or the Notice(s) of Prepayment at Option of Holder Upon Major Transaction, as the case may be, shall be null and void with respect to those Notes submitted for prepayment and for which the applicable Prepayment Price has not been paid, (ii) the Maker shall immediately return any Notes submitted to the Maker by each holder for prepayment under this Section 3.7(k) and for which the applicable Prepayment Price has not been paid and (iii) the Conversion Price of such returned Notes shall be adjusted to the lesser of (A) the Conversion Price as in effect on the date on which the Void Optional Prepayment Notice(s) is delivered to the Maker and (B) the lowest Closing Bid Price during the period beginning on the date on which the Notice(s) of Prepayment at Option of Holder Upon Major Transaction or the Notice(s) of Prepayment at Option of Holder Upon Triggering Event, as the case may be, is delivered to the Maker and ending on the date on which the Void Optional Prepayment Notice(s) is delivered to the Maker; provided that no adjustment shall be made if such adjustment would result in an increase of the Conversion Price then in effect. A holder's delivery of a Void Optional Prepayment Notice

and exercise of its rights following such notice shall not effect the Maker's obligations to make any payments which have accrued prior to the date of such notice. Payments provided for in this Section 3.7 shall have priority to payments to other stockholders in connection with a Major Transaction.

(1) Maker's Prepayment Option.

(i) Commencing one (1) year following the Effectiveness Date (as defined in the Registration Rights Agreement, dated November 12, 2004, between the Maker and the purchasers listed on Schedule I thereto), so long as (A) the Closing Bid Price of the Common Stock equals or exceeds \$2.00 for a period of any ten (10) Trading Days out of fifteen (15) consecutive Trading Days so long as the first Trading Day of such fifteen (15) Trading Day period is following the date that is one (1) year from the Effectiveness Date, (B) the Registration Statement is effective and has been effective, without lapse or suspension of any kind, for a period sixty (60) consecutive calendar days, or the shares of Common Stock into which this Note and the Other Notes can be converted may be offered for sale to the public pursuant to Rule 144(k) under the Securities Act of 1933, as amended, (C) trading in the Common Stock shall not have been suspended by the Securities and Exchange Commission or the Nasdaq SmallCap Market and (D) the Maker is in material compliance with the terms and conditions of the Transaction Documents, the Maker may prepay all or any portion of this Note, plus any accrued but unpaid interest, upon ten (10) business days prior written notice to the Holder (the "Maker Prepayment Notice") at a cash prepayment price equal to one hundred percent (100%) of the outstanding principal amount of this Note plus any accrued and unpaid interest.

(ii) Commencing one (1) year following the Effectiveness Date, so long as (A) the Registration Statement is effective and has been effective, without lapse or suspension of any kind, for a period sixty (60) consecutive calendar days, or the shares of Common Stock into which this Note can be converted may be offered for sale to the public pursuant to Rule 144(k) under the Securities Act of 1933, as amended, (B) trading in the Common Stock shall not have been suspended by the Securities and Exchange Commission or the Nasdaq SmallCap Market and (C) the Maker is in material compliance with the terms and conditions of the Transaction Documents (as defined in the Purchase Agreement), the Maker may prepay all or any portion of this Note, plus any accrued but unpaid interest, upon providing to the Holder a Maker Prepayment Notice at a cash prepayment price equal to (1) in the event the Market Price (as defined below) of the Maker's Common Stock is below \$1.00 per share at the time the Maker Prepayment Notice is sent by the Maker via facsimile to the Holder, one hundred percent (100%) of the outstanding principal amount of this Note plus any accrued and unpaid interest or (2) in the event the Market Price of the Maker's Common Stock is above \$1.00 per share at the time the Maker Prepayment Notice is sent by the Maker via facsimile to the Holder, (a) one hundred twenty percent (120%) of the outstanding principal amount of this Note plus any accrued and unpaid interest if the Maker Prepayment Notice is given during the period from the date Issuance Date through the one (1) year anniversary of the Issuance Date, (b) one hundred twenty five percent (125%) of the outstanding principal amount of this Note plus any accrued and unpaid interest if the Maker Prepayment Notice is given during the period from the one (1) year anniversary of the Issuance Date through the two (2) year anniversary, or (c) one hundred thirty percent (130%) of the outstanding principal amount of this Note plus any accrued and unpaid interest if the Maker Prepayment Notice is given after the two (2) year anniversary of the Issuance Date.

(iii) Notwithstanding anything contained in this Section 3.7(1) to the contrary, if the Holder has delivered a Conversion Notice to the Maker or delivers a Conversion Notice after receipt of the Maker's Prepayment Notice, the portion of this Note designated to be converted may not be prepaid

by the Maker. The Maker may not deliver a Maker Prepayment Notice to the Holder

Edgar Filing: MULTIBAND CORP - Form 8-K

unless the Maker has clear and good funds for a minimum of the amount it intends to prepay in a bank account controlled by the Maker. The Maker Prepayment Notice shall state the date of prepayment (the "Maker Prepayment Date"), the prepayment price, the principal amount of the Notes of such Holder to be prepaid and shall call upon the Holder to surrender to the Maker on the Maker Prepayment Date at the place designated in the Maker Prepayment Notice such Holder's Note. The Maker Prepayment Date shall be no more than ten (10) Trading Days after the date on which the Holder is notified of the Maker's intent to prepay this Note (the "Maker Prepayment Notice Date"). If the Maker fails to pay the prepayment price by the eleventh (11th) Trading Day following the Maker Prepayment Notice Date, the prepayment will be declared null and void and the Maker shall lose its right to deliver a Maker Prepayment Notice to the Holder in the future. On or after the Maker Prepayment Date, the Holder shall surrender this Note to the Maker at the place designated in the Maker Prepayment Notice and shall thereupon be entitled to receive payment of the prepayment price. "Market Price" shall mean one hundred percent (100%) of the average Closing Bid Price, as defined herein, for the Maker's Common Stock for the five (5) Trading Days prior to the date the Maker Prepayment Notice is sent by the Maker via facsimile to the Holder.

Section 3.8 Inability to Fully Convert.

(a) Holder's Option if Maker Cannot Fully Convert. If, upon the Maker's receipt of a Conversion Notice, the Maker cannot issue shares of Common Stock registered for resale under the Registration Statement for any reason, including, without limitation, because the Maker (w) does not have a sufficient number of shares of Common Stock authorized and available, (x) is otherwise prohibited by applicable law or by the rules or regulations of any stock exchange, interdealer quotation system or other self-regulatory organization with jurisdiction over the Maker or any of its securities from issuing all of the Common Stock which is to be issued to the Holder pursuant to a Conversion Notice or (y) fails to have a sufficient number of shares of Common Stock registered for resale under the Registration Statement, then the Maker shall issue as many shares of Common Stock as it is able to issue in accordance with the Holder's Conversion Notice and, with respect to the unconverted portion of this Note, the Holder, solely at Holder's option, can elect to:

require the Maker to prepay that portion of this Note for which the Maker is unable to issue Common Stock in accordance with the Holder's Conversion Notice (the "Mandatory Prepayment") at a price per share equal to the Triggering Event Prepayment Price as of such Conversion Date (the "Mandatory Prepayment Price");

(ii) if the Maker's inability to fully convert is pursuant to Section 3.8(a)(x) above, require the Maker to issue restricted shares of Common Stock in accordance with such holder's Conversion Notice;

(iii) void its Conversion Notice and retain or have returned, as the case may be, this Note that was to be converted pursuant to the Conversion Notice (provided that the Holder's voiding its Conversion Notice shall not effect the Maker's obligations to make any payments which have accrued prior to the date of such notice).

In the event a Holder shall elect to convert any portion of its Notes as provided herein, the Maker cannot refuse conversion based on any claim that such Holder or any one associated or affiliated with such Holder has been engaged in

any violation of law, violation of an agreement to which such Holder is a party or for any reason whatsoever, unless, an injunction from a court, on notice,

Edgar Filing: MULTIBAND CORP - Form 8-K

restraining and or adjoining conversion of all or of said Notes shall have been issued and the Maker posts a surety bond for the benefit of such Holder in an amount equal to 130% of the principal amount of the Notes the Holder has elected to convert, which bond shall remain in effect until the completion of arbitration/litigation of the dispute and the proceeds of which shall be payable to such Holder in the event it obtains judgment.

(b) Mechanics of Fulfilling Holder's Election. The Maker shall immediately send via facsimile to the Holder, upon receipt of a facsimile copy of a Conversion Notice from the Holder which cannot be fully satisfied as described in Section 3.8(a) above, a notice of the Maker's inability to fully satisfy the Conversion Notice (the "Inability to Fully Convert Notice"). Such Inability to Fully Convert Notice shall indicate (i) the reason why the Maker is unable to fully satisfy such holder's Conversion Notice, (ii) the amount of this Note which cannot be converted and (iii) the applicable Mandatory Prepayment Price. The Holder shall notify the Maker of its election pursuant to Section 3.8(a) above by delivering written notice via facsimile to the Maker ("Notice in Response to Inability to Convert").

(c) Payment of Prepayment Price. If the Holder shall elect to have its Notes prepaid pursuant to Section 3.8(a)(i) above, the Maker shall pay the Mandatory Prepayment Price to the Holder within thirty (30) days of the Maker's receipt of the Holder's Notice in Response to Inability to Convert, provided that prior to the Maker's receipt of the Holder's Notice in Response to Inability to Convert the Maker has not delivered a notice to the Holder stating, to the satisfaction of the Holder, that the event or condition resulting in the Mandatory Prepayment has been cured and all Conversion Shares issuable to the Holder can and will be delivered to the Holder in accordance with the terms of this Note. If the Maker shall fail to pay the applicable Mandatory Prepayment Price to the Holder on a timely basis as described in this Section 3.8(c) (other than pursuant to a dispute as to the determination of the arithmetic calculation of the Prepayment Price), in addition to any remedy the Holder may have under this Note and the Purchase Agreement, such unpaid amount shall bear interest at the rate of two percent (2%) per month (prorated for partial months) until paid in full. Until the full Mandatory Prepayment Price is paid in full to the Holder, the Holder may (i) void the Mandatory Prepayment with respect to that portion of the Note for which the full Mandatory Prepayment Price has not been paid, (ii) receive back such Note, and (iii) require that the Conversion Price of such returned Note be adjusted to the lesser of (A) the Conversion Price as in effect on the date on which the Holder voided the Mandatory Prepayment and (B) the lowest Closing Bid Price during the period beginning on the Conversion Date and ending on the date the Holder voided the Mandatory Prepayment.

(d) Pro-rata Conversion and Prepayment. In the event the Maker receives a Conversion Notice from more than one holder of the Notes on the same day and the Maker can convert and prepay some, but not all, of the Notes pursuant to this Section 3.8, the Maker shall convert and prepay from each holder of the Notes electing to have its Notes converted and prepaid at such time an amount equal to such holder's pro-rata amount (based on the principal amount of the Notes held by such holder relative to the principal amount of the Notes outstanding) of all the Notes being converted and prepaid at such time.

Section 3.9 No Rights as Shareholder. Nothing contained in this Note shall be construed as conferring upon the Holder, prior to the conversion of this Note, the right to vote or to receive dividends or to consent or to receive notice as a shareholder in respect of any meeting of shareholders for the election of directors of the Maker or of any other matter, or any other rights as a shareholder of the Maker.

Amounts set forth or provided for

herein with respect to payments, conversion and the like (and the computation thereof) shall be the amounts to be received by the holder thereof and shall not, except as expressly provided herein, be subject to any other obligation of the Maker (or the performance thereof). The Maker acknowledges that a breach by it of its obligations hereunder will cause irreparable and material harm to the Holder and that the remedy at law for any such breach may be inadequate. Therefore the Maker agrees that, in the event of any such breach or threatened breach, the Holder shall be entitled, in addition to all other available rights and remedies, at law or in equity, to seek and obtain such equitable relief,

Edgar Filing: MULTIBAND CORP - Form 8-K

including but not limited to an injunction restraining any such breach or threatened breach, without the necessity of showing economic loss and without any bond or other security being required.

Section 25.5 Enforcement Expenses. The Maker agrees to pay all costs and expenses of enforcement of this Note, including, without limitation, reasonable attorneys' fees and expenses.

Section 25.6 Binding Effect. The obligations of the Maker and the Holder set forth herein shall be binding upon the successors and assigns of each such party, whether or not such successors or assigns are permitted by the terms hereof.

Section 25.8 Compliance with Securities Laws. The Holder of this Note acknowledges that this Note is being acquired solely for the Holder's own account and not as a nominee for any other party, and for investment, and that the Holder shall not offer, sell or otherwise dispose of this Note. Each of the Maker and the Holder (i) hereby irrevocably submits to the exclusive jurisdiction of the United States District Court sitting in the Southern District of New York and the courts of the State of New York located in New York county for the purposes of any suit, action or proceeding arising out of or relating to this Note and (ii) hereby waives, and agrees not to assert in any such suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of such court, that the suit, action or proceeding is brought in an inconvenient forum or that the venue of the suit, action or proceeding is improper. Each of the Maker and the Holder consents to process being served in any such suit, action or

proceeding by mailing a copy thereof to such party at the address in effect for notices to it under the Purchase Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing in this Section 4.9 shall affect or limit any right to serve process in any other manner permitted by law. Each of the Maker and the Holder hereby agree that the prevailing party in any suit, action or proceeding arising out of or relating to this Note shall be entitled to reimbursement for reasonable legal fees from the non-prevailing party.

Section 25.12 Maker Waivers. Except as otherwise specifically provided herein, the Maker and all others that may become liable for all or any part of the obligations evidenced by this Note, hereby waive presentment, demand, notice of nonpayment, protest and all other demands' and notices in connection with the delivery, acceptance, performance and enforcement of this Note, and do hereby consent to any number of renewals of extensions of the time or payment hereof and agree that any such renewals or extensions may be made without notice to any such persons and without affecting their liability herein and do further consent to the release of any person liable hereon, all without affecting the liability of the other persons, firms or Maker liable for the payment of this Note, AND DO HEREBY WAIVE TRIAL BY JURY.

(a) No delay or omission on the part of the Holder in exercising its rights under this Note, or course of conduct relating hereto, shall operate as a waiver of such rights or any other right of the Holder, nor shall any waiver by the Holder of any such right or rights on any one occasion be deemed a waiver of the same right or rights on any future occasion.

(b) THE MAKER ACKNOWLEDGES THAT THE TRANSACTION OF WHICH THIS NOTE IS A PART IS A COMMERCIAL TRANSACTION, AND TO THE EXTENT ALLOWED BY APPLICABLE LAW, HEREBY WAIVES ITS RIGHT TO NOTICE AND HEARING WITH RESPECT TO ANY PREJUDGMENT REMEDY WHICH THE HOLDER OR ITS SUCCESSORS OR ASSIGNS MAY DESIRE TO USE.
