#### **Item 4. Description of Securities.**

The Company's authorized capital stock consists of 250,000,000 shares of Common Stock, par value \$0.001 and 5,000,000 shares of Preferred Stock, par value \$0.001.

The holders of Common Stock are entitled to one vote for each share of record on all matters to be voted on by shareholders. There is no cumulative voting with respect to the election of directors or any other matter.

The holders of Common Stock are entitled to receive, ratably, dividends when, as and if declared by the Board of Directors out of funds legally available therefore. The current policy of the Board of Directors, however, is to retain earnings, if any, for the operation and expansion of the Company's business.

Upon liquidation, dissolution, or winding up of the Company, the holders of Common Stock are entitled to share ratably in all assets that are legally available for distribution, after payment of or provision for all debts and liabilities and after provision is made for each class of stock, if any, having preference over the Common Stock.

The holders of Common Stock do not have preemptive, subscription, redemption or conversion rights under the Company's Articles of Incorporation, as amended. There are no redemption or sinking fund provisions applicable to the Common Stock. The outstanding shares of Common Stock are fully paid and nonassessable.

In January 2004, the Company designated 3,500 shares as Series A Convertible Preferred Stock with each share convertible into 1,000 shares of the Company's common stock. In November 2005, the Company increased the designation of the Series A Convertible Preferred Stock to 6,000 shares, and amended the rights and preferences of the Series A Convertible Preferred Stock to change the conversion rate to 8,333.33 shares of the Company's common stock for each share of Series A Convertible Preferred Stock. There are currently 5,133 shares of Series A Convertible Preferred Stock issued and outstanding convertible into 42,774,983 shares of common stock in the aggregate. Upon certain changes in control, the Company could be required to redeem the Series A Preferred Stock at its original issue price of \$1,000 per share.

In July 2005, the Company designated 3,000,000 shares of Series B Convertible Preferred Stock, of which 2,500,000 are issued and outstanding. The holders of the Series B Convertible Preferred Stock may convert each share of Series B Convertible Preferred Stock into 75.6 shares of the Company's common stock, or 189,000,000 shares of common stock in the aggregate. The Series B Convertible Preferred Stock does not pay a dividend.

**Item 5. Interests of Named Experts and Counsel.**

In general, Directors and Officers are indemnified with respect to actions taken in good faith in a manner reasonably believed to be in, or not opposed to, the best interests of the Company, and with respect to any criminal action or proceeding, actions that the indemnitee had no reasonable cause to believe were unlawful. Furthermore, the personal liability of the Directors is limited as provided in the Company's Articles of Incorporation, and in indemnification agreements entered into with each director.

**Item 9.**

**Undertakings.**

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by section 10(a) (3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-3, Form S-8 or Form F-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial BONA FIDE offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's Annual Report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial BONA FIDE offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
