PROXY STATEMENT

**Annual Meeting of Stockholders
To be held on April 19, 2007**

The accompanying proxy and this proxy statement have been prepared by our management for the board of directors. Your proxy is being solicited by the board of directors for use at our 2007 annual meeting of stockholders to be held at the offices of the Corporation, Industrial Zone, Street No. 1, Lot No. 14, Higuillar Ward, Dorado, Puerto Rico, 00646, on Thursday, April 19, 2007 at 9:00 A.M. or at any adjournment thereof. This proxy statement contains information about the matters to be considered at the meeting or any adjournments or postponements of the meeting and is first being mailed to stockholders, together with the related proxy and a copy of our annual report on Form 10-KSB for the fiscal year ended October 31, 2006 and Form 10-QSB for the fiscal quarter ended January 31, 2007 on or about March 28, 2007.

ABOUT THE MEETING

What is being considered at the meeting?

You will be voting for:

- The election of five directors to the board of directors to serve until the next annual meeting of stockholders and until their successors are elected and qualified;
- A proposal to amend our 2005 Long-Term Incentive Plan;
- A proposal to approve the selection of Horwath Velez & Co. PSC as the Corporation's independent certified public accountants for the fiscal year ending October 31, 2007; and
- The transaction of such other and further business as may properly come before the meeting.

In addition, our management will report on our performance during 2006 and respond to your questions.

Who is soliciting your proxy?

Your proxy is being solicited by our board of directors.

Who is entitled to vote at the meeting?

You may vote if you owned stock as of the close of business on March 14, 2007, which is the record date for determining who is eligible to vote at the annual meeting. Each share of common stock is entitled to one vote.

How do I vote?

You can vote either by attending the meeting and voting at the meeting or by completing, signing and returning the enclosed proxy card.

Can I change my mind after I vote?

Yes, you may change your mind at any time before the polls close at the meeting. You can change your vote by signing another proxy with a later date and returning it to us prior to the meeting or by voting again at the meeting.

What if I sign and return my proxy card but I do not include voting instructions?

If you sign your proxy card and return it to us but you do not include voting instructions as to any proposal, your proxy will be voted FOR the election of the board of directors' nominees for directors, the amendment of our 2005 Long-Term Incentive Plan, and the selection of Horwath Velez & Co. PSC as our independent certified public accountants for the fiscal year ending October 31, 2007. If you include voting instructions on some, but not all, of the proposals, your proxy will be voted in accordance with your instruction on those matters for which you included voting instructions and FOR any other proposals.

What does it mean if I receive more than one proxy card?

It means that you have multiple accounts with brokers and/or our transfer agent. Please vote all of these shares. We recommend that you contact your broker and/or our transfer agent to consolidate as many accounts as possible under the same name and address. Our transfer agent is American Stock Transfer & Trust Co., 59 Maiden Lane, New York, NY 10038.

Will my shares be voted if I do not provide my proxy?

Yes, if they are held in a brokerage account. Your shares may be voted under certain circumstances if they are held in the name of the brokerage firm. Brokerage firms generally have the authority to vote shares where the customers did not provide specific voting instructions, on certain routine matters, including the election of directors. When a brokerage firm votes its customer's in this manner, these shares are also counted for purposes of establishing a quorum.

If you hold your shares directly in your own name, they will not be voted if you neither sign and deliver a proxy nor attend and vote at the meeting.

How many votes must be present to hold the meeting?

In order for us to conduct our meeting, we must have a quorum. We will have a quorum, and be able to conduct the meeting, if a majority of our outstanding shares as of March 14, 2007, are present at the meeting. Your shares will be counted as being present at the meeting if you attend the meeting or if you properly return a proxy by mail or if you fail to give your broker voting instructions and the broker votes your shares on any matter.

On March 14, 2007, we had 19,615,539 shares of common stock issued and outstanding. This number of shares does not include treasury stock.

What vote is required to elect directors?

Directors are elected by a plurality of the votes cast, which means that, as long as a quorum is present, the five nominees for director who receive the most votes will be elected. Abstentions will have no effect on the voting outcome with respect to the election of directors.

What vote is required to approve the other matters being brought before the meeting?

The proposals to approve an amendment to our 2005 Long-Term Incentive Plan and to approve the selection of Horwath Velez & Co. PSC as our independent auditors for the year ended October 31, 2007 require the approval of a majority of shares of common stock present at the meeting as long as a quorum is present.

Who is paying the cost of the meeting?

We will pay for preparing, printing and mailing this proxy statement. Proxies may be solicited on our behalf by our directors, officers or employees in person or by telephone, electronic transmission and facsimile transmission. We will reimburse banks, brokers and other custodians, nominees and fiduciaries for their out-of-pocket costs of sending the proxy materials to our beneficial owners.

Our board of directors is recommending that the five incumbent directors named below be re-elected. If any nominee becomes unavailable for any reason, a situation which is not anticipated, a substitute nominee may be proposed by the board, and any shares represented by proxy will be voted for the substitute nominee, unless the board reduces the number of directors.

Vote Required

Provided that a quorum is present at the annual meeting, the five directors receiving the most votes are elected as directors for a term of one year and until their successors are elected and qualified.

The board of directors recommends a vote FOR the nominees listed above.

Directors' Compensation

We do not pay any cash fees to our directors. Pursuant to our 2005 long-term incentive plan, each independent director receives an option to purchase 25,000 shares of common stock on the date of his or her election, and, on January 1st of each year thereafter, the independent director receives an option to purchase 5,000 shares. These options have a term of five years and an exercise price equal to the fair market value on the date of grant.

The following table sets forth information concerning the compensation of non-employee directors for the year ended October 31, 2006 and the number of shares of common stock subject to outstanding options at October 31, 2006.

Name	Fees earned or paid in cash	Option awards (\$)	Total (\$)	Shares Subject to Outstanding Options

Edgar Filing: Pharma-Bio Serv, Inc. - Form DEF 14A

Since January 25, 2006, our board of directors has had two committees - the audit committee and the compensation committee. Kirk Michel, Howard Spindel and Irving Wiesen, each of whom is an independent director, are the members of both committees. Mr. Spindel is the audit committee financial expert. Neither committee met prior to February 2006. Prior to January 25, 2006, Mr. Perlysky was our sole director.

Our audit committee will be involved in discussions with our independent auditor with respect to the scope and results of our year-end audit, our quarterly results of operations, our internal accounting controls and the professional services furnished by the independent auditor.

Our board of directors has adopted a written charter for the audit committee which the audit committee reviews and reassesses for adequacy on an annual basis. A copy of the Audit Committee's current charter is attached to this proxy statement as Appendix A.

The compensation committee serves as the stock option committee for our stock option plan, and it reviews and approves any employment agreements with management and changes in compensation for our executive officers. A copy of the Compensation Committee's current charter is attached to this proxy statement as Appendix B.

For the fiscal year ended October 31, 2006, we had two meetings of the board of directors and two audit committee meetings. All of the directors attended all meetings of the board. All of the members of the audit committee attended all meetings of the committees, except for Irvin Wisen who missed one meeting of the audit committee. Our compensation committee did not meet during the fiscal year ended October 31, 2006.

in the case of a special meeting of stockholders called for the purpose of electing directors, the notice must be received a reasonable time before we begin to print and mail our proxy materials.

The notice delivered by a stockholder must be accompanied by a written consent of each proposed nominee to being named as a nominee and to serve as a director if elected. The stockholder must be a stockholder of record on the date on which he gives the notice described above and on the record date for the determination of stockholders entitled to vote at the meeting.

Any person who desires to nominate a candidate for director at our 2008 annual meeting should provide the information required not later than December 20, 2007.

APPROVAL OF AN AMENDMENT TO THE 2005 LONG-TERM INCENTIVE PLAN

In October 2005, the board of directors adopted, and in April 2006, the stockholders approved, the 2005 long-term incentive plan, covering 2,500,000 shares of common stock.

The 2005 plan provides for the grant of incentive and non-qualified options, stock grants, stock appreciation rights and other equity-based incentives to employees, including officers, and consultants. The 2005 plan is to be administered by a committee of independent directors. In the absence of a committee, the plan is administered by the board of directors. The 2005 plan is administered by the compensation committee. Independent directors are not eligible for discretionary options. However, each newly elected independent director receives at the time of his or her election, a five-year option to purchase 25,000 shares of common stock at the market price on the date of his or her election. In addition, the plan provides for the annual grant of an option to purchase 5,000 shares of common stock on the first trading day of January in each year, commencing January 2007. The options to directors have a term of five years and become exercisable cumulatively as to 50% of the shares subject to the option six months from the date of grant and as to the remaining 50% 18 months from the date of grant.

Options intended to be incentive stock options must be granted at an exercise price per share which is not less than the fair market value of the common stock on the date of grant and may have a term which is not longer than ten years. If the option holder holds 10% of our common stock, the exercise price must be at least 110% of the fair market value on the date of grant and the term of the option cannot exceed five years.

The board of directors believes that in order to compensate its independent directors for their services to the Corporation it would be in the best interests of the Corporation to amend the 2005 long-term incentive plan to increase the number of options granted to its independent directors annually from 5,000 to 10,000. Further, the board of directors believes that the 2005 long-term incentive plan should be further amended to provide for a grant of a five-year option to purchase 5,000 shares of common stock at the market price to advisory board members on the date of his or her election and a grant of 5,000 annually. The Board of Directors believe that the amendments to the 2005 long-term incentive plan are necessary to ensure that the Company can attract and retain the services of qualified board members and provide us with the ability and flexibility to provide a compensation package which compares favorably with those offered by other companies. Each independent director received an automatic grant of options to purchase 5,000 shares of common stock at \$.75 per share, which was the fair market value on the date of grant. If the amendment to the 2005 plan is approved, each independent director will receive, on the date the stockholders approve the amendment, the automatic grant of an option to purchase 5,000 shares of common stock at the fair market value on that date.

Set forth below is a summary of the 2005 plan, as amended, but this summary is qualified in its entirety by reference to the full text of the 2005 plan, as amended, a copy of which is included as Appendix C to this proxy statement.

Federal Income Tax Consequences

The following is a brief summary of the federal income tax consequences as of the date hereof with respect to awards under the 2005 plan for participants who are both citizens and residents of the United States. This description of the federal income tax consequences is based upon law and Treasury interpretations in effect on the date of this proxy statement (including proposed and temporary regulations which may be changed when finalized), and it should be understood that this summary is not exhaustive, that the law may change and further that special rules may apply with respect to situations not specifically discussed herein, including federal employment taxes, foreign, state and local taxes and estate or inheritance taxes. In particular, this discussion does not deal with the tax status of option grants or other equity-based incentives under the tax laws of the Commonwealth of Puerto Rico. Accordingly, participants are urged to consult with their own qualified tax advisors.

Non-Qualified Options

No taxable income will be realized by the participant upon the grant of a non-qualified option. On exercise, the excess of the fair market value of the stock at the time of exercise over the option price of such stock will be compensation and (i) will be taxable at ordinary income tax rates in the year of exercise, (ii) will be subject to withholding for federal income tax purposes and (iii) generally will be an allowable income tax deduction to us. The participant's tax basis for stock acquired upon exercise of a non-qualified option will be equal to the option price paid for the stock, plus any amounts included in income as compensation. If the participant pays the exercise price of an option in whole or in part with previously-owned shares of common stock, the participant's tax basis and holding period for the newly-acquired shares is determined as follows: As to a number of newly-acquired shares equal to the number of previously-owned shares used by the participant to pay the exercise price, no gain or loss will be recognized by the participant on the date of exercise and the participant's tax basis and holding period for the previously-owned shares will carry over to the newly-acquired shares on a share-for-share basis, thereby deferring any gain inherent in the previously-owned shares. As to each remaining newly acquired share, the participant's tax basis will equal the fair market value of the share on the date of exercise and the participant's holding period will begin on the day after the exercise date. The participant's compensation income and our deduction will not be affected by whether the exercise price is paid in cash or in shares of common stock. Special rules, discussed below under "Incentive Stock Options - Disposition of Incentive Option Shares," will apply if a participant surrenders previously-owned shares acquired upon the exercise of an incentive option that have not satisfied certain holding period requirements in payment of any or all of the exercise price of a non-qualified option.

Disposition of Option Shares

When a sale of the acquired shares occurs, a participant will recognize capital gain or loss equal to the difference between the sales proceeds and the tax basis of the shares. Such gain or loss will be treated as capital gain or loss if the shares are capital assets. The capital gain or loss will be long-term capital gain or loss treatment if the shares have been held for more than 12 months. There will be no tax consequences to us in connection with a sale of shares acquired under an option.

Incentive Stock Options

The grant of an ISO will not result in any federal income tax to a participant. Upon the exercise of an incentive option, a participant normally will not recognize any income for federal income tax purposes. However, the excess of the fair market value of the shares transferred upon the exercise over the exercise price of such shares (the "spread") generally will constitute an adjustment to income for purposes of calculating the alternative minimum tax of the participant for the year in which the option is exercised. As a result of the exercise a participant's federal income tax liability may be increased. If the holder of an incentive stock option pays the exercise price, in full or in part, with shares of previously acquired common stock, the exchange should not affect the incentive stock option tax treatment of the exercise. No

gain or loss should be recognized on the exchange and the shares received by the participant, equal in number to the previously acquired shares exchanged therefor, will have the same basis and holding period as the previously acquired shares. The participant will not, however, be able to utilize the old holding period for the purpose of satisfying the incentive stock option holding period requirements described below. Shares received in excess of the number of previously acquired shares will have a basis of zero and a holding period, which commences as of the date the common stock is issued to the participant upon exercise of the incentive option. If an exercise is effected using shares previously acquired through the exercise of an incentive stock option, the exchange of the previously acquired shares will be considered a disposition of such shares for the purpose of determining whether a disqualifying disposition has occurred.

Disposition of Incentive Option Shares

If the incentive option holder disposes of the stock acquired upon the exercise of an incentive stock option (including the transfer of acquired stock in payment of the exercise price of another incentive stock option) either within two years from the date of grant or within one year from the date of exercise, the option holder will recognize ordinary income at the time of such disqualifying disposition to the extent of the difference between the exercise price and the lesser of the fair market value of the stock on the date the incentive option is exercised or the amount realized on such disqualifying disposition. Any remaining gain or loss is treated as a short-term or long-term capital gain or loss, depending on how long the shares were held prior to the disqualifying disposition. In the event of such disqualifying disposition, the incentive stock option alternative minimum tax treatment described above may not apply (although, where the disqualifying disposition occurs subsequent to the year the incentive stock option is exercised, it may be necessary for the participant to amend his return to eliminate the tax preference item previously reported).

Our Deduction

We are not entitled to a tax deduction upon either exercise of an incentive option or disposition of stock acquired pursuant to such an exercise, except to the extent that the option holder recognized ordinary income in a disqualifying disposition.

Stock Grants

A participant who receives a stock grant under the 2005 plan generally will be taxed at ordinary income rates on the fair market value of shares when they vest, if subject to vesting or other restrictions, or, otherwise, when received. However, a participant who, within 30 days after receiving such shares, makes an election under Section 83(b) of the Code, will recognize ordinary income on the date of issuance of the stock equal to the fair market value of the shares on that date. If a Section 83(b) election is made, the holding period for the shares will commence on the day after the shares are received and no additional taxable income will be recognized by the participant at the time the shares vest. However, if shares subject to a Section 83(b) election are forfeited, no tax deduction is allowable to the participant for the forfeited shares. Taxes are required to be withheld from the participant at the time and on the amount of ordinary income recognized by the participant. We will be entitled to a deduction at the same time and in the same amount as the participant recognizes income.

Stock Appreciation Rights

The grant of stock appreciation rights will not result in any federal income tax to a participant. Upon the exercise of a stock appreciation or phantom stock right, a participant will recognize ordinary income in an amount equal to the cash or the fair market value of the stock, if any, received by the participant. At such time, we will be entitled to a tax deduction for the amount of income recognized by the participant. To date, we have not granted stock appreciation rights under any of our plans.

Vote Required

The proposal to approve an amendment to the 2005 plan requires the approval of a majority of the shares of common stock present and voting, provided that a quorum is present.

The board of directors recommends a vote **FOR** the proposal.

SELECTION OF INDEPENDENT AUDITOR

We are seeking consent to the selection of Horwath Velez & Co. PSC (“Horwath”) as our independent public accountant for the year ending October 31, 2007. The audit committee has approved the selection of Horwath as our independent public accountant.

Horwath has been our independent since September 25, 2006. At no time since our engagement of Horwath had any direct or indirect financial interest in or any connection with us, or with any of our respective subsidiaries other than as independent accountant.

Our former auditor was Kevane Soto Pasarell Grant Thornton LLP (“Kevane”), who was replaced on September 25, 2006. Kevane has been the independent accountant for Plaza Consulting Group prior to our acquisition of Plaza in January 2006, and its report on the financial statements of Plaza Consulting Group at October 31, 2005 and for the two years then ended is included in our report on Form 8-K relating to our acquisition of Plaza Consulting Group in a transaction accounted for as a reverse acquisition. Through the date of the termination of the auditor-client relationship, there were no disagreements with Kevane, whether or not resolved, on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure.

Audit Fees

General

We were billed by Horwath during 2006 as follows:

Description of services	2006

Tax fees		
All other fees		1,900
	\$	43,900

Audit fees	\$	22,427	\$	21,500

All other fees		40,144		—

Independence of Auditor

Our audit committee has determined that the provision of services by Horwath other than for audit related services is compatible with maintaining the independence of Horwath as our independent accountant.

Vote Required

The proposal to approve the selection of Horwath Velez & Co. PSC as our independent accountant requires the approval of a majority of the shares of common stock present and voting, provided that a quorum is present.

The board of directors recommends a vote **FOR** the proposal.

Ms. Plaza holds a M.S. in Environmental Management from the University of Houston in Clear Lake and a B.S. in Chemical Engineering from the University of Puerto Rico. Nélida Plaza was recognized by Casiano Communications as one of the 40 under 40 distinguished executives in Puerto Rico.

Elizabeth Plaza and Nélida Plaza are sisters. There is no other family relationship among our officers and directors.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act requires our executive officers and directors, and persons who own more than 10% of our common stock, to file reports regarding ownership of, and transactions in, our securities with the Securities and Exchange Commission and to provide us with copies of those filings. Based solely on our review of the

Edgar Filing: Pharma-Bio Serv, Inc. - Form DEF 14A

copies of such forms received by us, or written representations from certain reporting persons, the following officers, directors and 10% stockholders were late in filing a Form 3 or 4: Each of Ms. Elizabeth Plaza, Ms. Nelida Plaza, Mr. Kirk Michel, Mr. Howard Spindel and Mr. Irving Wiesen had a Form 3 which was due on February 4, 2006. These Form 3s were filed during the period February 21, 2006 through February 27, 2006. Mr. Dov Perlysky did not file a Form 3. He did, however, file a Form 4 on December 28, 2006 for transactions which occurred on January 25, 2006. Mr. Morera has not filed a Form 3.

Code of Ethics

We have adopted a Code of Ethics that applies to all its senior management and directors.

Executive Compensation**Summary Compensation Table**

Set forth below is information for our chief executive officer and the only other officer whose compensation exceeded \$100,000 for the fiscal year ended October 31, 2006.

Name and Principal Position	Year	Salary (\$)	Option Awards (\$)	All Other Compensation (\$)	Total (\$)
Elizabeth Plaza, president and chief executive officer	2006	173,378	-	34,423	207,801
	2005	-	-	281,521	281,521
Nélida Plaza, vice president	2006	130,120	-	17,094	147,214
	2005	84,723	-	54,688	139,411

On October 23, 2004, Plaza Consulting Group, which was then wholly owned by Elizabeth Plaza, had granted Nélida Plaza an option to purchase 500 shares of its common stock at an exercise price of \$138.19 per share. At the consummation of the reverse merger in January 2006, we granted Ms. Nélida Plaza options to purchase 131,455 shares of common stock at an exercise price of \$.7344 per share, the fair market value on the date of grant, of which an option to purchase 94,083 shares of our common stock was issued to replace the Plaza Consulting option.

No bonuses were paid to any of the officers and no stock or other equity compensation was provided to any of the officers during the years ended October 31, 2006 and 2005.

Other compensation for Elizabeth Plaza represents payment of personal expenses which we paid on behalf of Ms. Plaza, who was the sole stockholder of Plaza up to January 25, 2006. It also includes a \$2,069 monthly payment of a lease obligation of the Company for the vehicle assigned to her.

Other compensation paid to Nélida Plaza includes the following:

Description	Years Ended October 31,	
	2006	2005
Housing	\$ 4,428	\$ 25,175
Life insurance	2,005	12,034
Tuition for her child	—	11,280
Car allowance	1,000	6,000
Payments of lease obligation for the vehicle assigned to her	9,660	—
Other	—	199
	\$ 17,094	\$ 54,688

Payments for housing, child tuition and car allowances to the above executive officers were discontinued after December 31, 2005.

Prior to the reverse acquisition, Plaza was taxed as a Subchapter N corporation under the Puerto Rico tax law, which is similar to treatment as an S Corporation under the Internal Revenue Code. As a result, Elizabeth Plaza was taxed on

Plaza's income. Up to December 2005, we did not pay Elizabeth Plaza any salary. We made distributions to Ms. Plaza in the amount of \$834,000 for the year ended October 31, 2006 and approximately \$8.0 million for the year ended October 31, 2005.

As a result of our acquisition of Plaza, Plaza's status as a Subchapter N corporation terminated on January 25, 2006, the date of our acquisition of Plaza. Ms. Plaza is responsible for any taxes which are payable as a result of the Plaza's loss of its Subchapter N status under the Puerto Rico tax laws. However, we, and not Ms. Plaza, are responsible for any taxes on the Plaza's taxable income during the period from the December 1, 2005 to January 24, 2006, which amounted to \$125,227, and was paid on June 15, 2006 .

Employment Agreements

On January 25, 2006, we entered into employment agreements with Elizabeth Plaza and Nérida Plaza. Our agreement with Elizabeth Plaza initially provided that Ms. Plaza will serve as our president and chief executive officer for a period of 18 months, for which she will receive a salary at the annual rate of \$250,000. For 18 months thereafter, Ms. Plaza will serve as a consultant for which she will receive compensation at the annual rate of \$75,000. In January 2007, this agreement was amended to extend the employment agreement to December 31, 2007. As a result of the amendment, the consulting term will commence immediately following the employment term and will end on January 31, 2009. During the term of her employment, we will also provide Ms. Plaza with an automobile allowance at the annual rate of \$24,828, discretionary bonuses and stock options or other equity-based incentives as shall be determined by our compensation committee, except that her bonus shall not be less than 4% nor more than 50% of her salary. If we terminate Ms. Plaza's employment other than for cause or as a result of her death or disability, we are required to pay Ms. Plaza the balance of her compensation for her employment terms and her consulting term and other benefits, including a pro rata portion of the bonus that would have been paid to her, and her obligations under her non-competition provision terminate. Since the bonus is discretionary, with a minimum bonus of 4% of Ms. Plaza's salary, unless the compensation committee shall have provided for a greater bonus prior to the termination of Ms. Plaza's employment without cause, Ms. Plaza would not be entitled to a bonus greater than \$10,000, which is 4% of \$250,000, the amount of the bonus to be based on the remaining employment term.

Our agreement with Nérida Plaza provides that Ms. Plaza will serve as vice president for a term of three years for which she will receive annual compensation at the annual rate of \$150,000. She is also entitled to bonus compensation as is determined by the compensation committee, not to exceed 50% of her salary. We also agreed to make the lease payments on the automobile she currently leases. Such payments are at the annual rate of approximately \$11,600. If we terminate Ms. Plaza's employment other than for cause or as a result of her death or disability, we are required to pay Ms. Plaza her compensation for the balance of the term and other benefits, including a pro rata portion of the bonus that would have been paid to her, and her obligations under her non-competition provision terminate. Since Ms. Plaza's employment contract provides for a discretionary bonus, unless the compensation committee shall have provided for a bonus to Ms. Plaza prior to the termination of her employment without cause, Ms. Plaza would not be entitled to any bonus payment.

The employment agreements with both Elizabeth Plaza and Nérida Plaza provide that during the term of the agreement and for two years thereafter, the executive will not, directly or indirectly engage in a competing business or solicit any customer or seek to persuade any customer to reduce the amount of business it does with us or seek to persuade any employee to leave our employ.

We entered into an employment agreement with Mr. Morera pursuant to which we pay Mr. Morera an annual salary of \$80,000. The agreement has a one-year term, which we may extend for up to two years. We granted Mr. Morera stock options to purchase 90,000 shares of common stock at \$0.7344, which was the fair market value on the date of grant.

Consulting Agreement

On January 26, 2006, we entered into a one-year consulting agreement with Dov Perlysky, pursuant to which we agreed to pay Mr. Perlysky a 5% commission on business generated by Mr. Perlysky's efforts. This agreement terminated on January 26, 2007. No commission was paid to Mr. Perlysky pursuant to this agreement.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

On January 25, 2006, we acquired Plaza from Elizabeth Plaza, as the sole stockholder of Plaza. At the closing, we paid Ms. Plaza \$10,000,000 and issued to Ms. Plaza 1,150,000 shares of common stock. In addition, we will pay Ms. Plaza three payments, each in the amount of \$2,750,000, on January 25, 2007, 2008 and 2009. With Ms. Plaza's consent, we are making the \$2.75 million payment in two installments, one in January 2007 and the second in February 2007. As a condition to closing, Plaza was required to have a net tangible book value of not less than \$5,500,000, of which at least \$2,000,000 was to be in cash, as of November 30, 2005, with the excess to be paid to Ms. Plaza. The amount due to Ms. Plaza under this provision was \$88,161 and was paid on June 15, 2006. Pursuant to the merger agreement, we were required to reimburse Ms. Plaza for income tax which she paid on our income from December 1, 2005 until January 24, 2006. This amounted to \$125,227 and was paid on June 15, 2006.

San Juan Holdings represented Plaza and Elizabeth Plaza in connection with the reverse acquisition. For such services, we issued 600,000 shares of common stock and warrants to purchase 2,500,000 shares of common stock, with an exercise price of \$0.06 per share, to San Juan Holdings. In our private placement of series A preferred stock and warrants, San Juan Holdings purchased three units. The purchase price for the three units was \$750,000. The broker, which is an affiliate of San Juan Holdings, waived the commission and the non-accountable expense allowance with respect to such sales, and as a result, San Juan Holdings purchased the three units for a net payment of \$652,500. The three units were comprised of 75,000 shares of series A preferred stock and warrants to purchase 510,600 shares of common stock. The shares of series A preferred stock became converted into 1,021,200 shares of common stock. We also issued 919 shares of common stock to San Juan Holdings as a result of our failure to filing the registration statement of which this prospectus is a part in a timely manner. We also paid an affiliate of San Juan Holdings a broker's commission and non-accountable expense allowance of \$195,000 for sales made to other purchasers in the private placement, and we issued to the affiliate three-year warrants to purchase an aggregate of 275,724 shares of common stock at an exercise price of \$0.7344 per share.

KEMA Advisors, Inc., of which Kirk Michel, a director, is managing director, purchased one unit, consisting of 25,000 shares of series A preferred stock and warrants to purchase an aggregate of 170,200 shares of common stock for \$250,000. The shares of series A preferred stock became converted into 340,400 shares of common stock. We also issued 306 shares of common stock to KEMA Advisors for our failure to file the registration statement in a timely manner. KEMA Advisors is a selling stockholder.

In January 2006, we acquired certain assets of a United States based company that performs consulting services for the pharmaceutical and biotech industries from Mark Fazio for \$300,000. The acquired assets include a client list and a validation compliance service business. The purchase price was paid in three installments, each in the amount of \$100,000. At the time of the purchase we had no relationship with Mr. Fazio, and he was subsequently elected as executive vice president and chief operating officer. He served in those capacities until March 31, 2006.

Purpose

(the "Company"), (b) the performance of the Company's internal audit function, and (c) the compliance by the Company with legal and regulatory requirements; and (2) be directly responsible for the appointment, compensation and oversight of the Company's independent auditor employed by the Company for the purpose of preparing or issuing an audit report or related work (the "Outside Auditor").

Committee Membership

The Audit Committee shall consist of no fewer than three members, as determined annually by the Board; provided, however, that in the event the Company has less than three independent directors, as hereinafter defined, the Audit Committee shall have such number of members as equals the number of independent directors. The members of the Audit Committee shall meet the independence and expertise requirements of the principal stock exchange or market on which the Company's securities are traded and Section 10A(m)(3) of the Securities Exchange Act of 1934 (the "Exchange Act") and the rules and regulations of the Securities and Exchange Commission (the "Commission"); provided, however, that if the Company's securities are not traded on an exchange or market which has a definition of independence, then independence shall be determined in accordance with the rules of the Nasdaq Stock Market. Audit Committee members shall not serve simultaneously on the audit committees of more than two other public companies without the approval of the full Board.

The members of the Audit Committee shall be appointed annually by the Board. Audit Committee members may be replaced by the Board at any time. The Board shall designate the Chairman or Chairwoman ("Chairperson") of the Audit Committee.

Committee Authority and Responsibilities

The basic responsibility of the members of the Audit Committee is to exercise their business judgment to act in what they reasonably believe to be in the best interests of the Company and its stockholders. In discharging that obligation, members should be entitled to rely on the honesty and integrity of the Company's senior executives and its outside advisors and auditors, to the fullest extent permitted by law.

The Audit Committee shall prepare any report which required by the rules of the Commission to be included in the Company's proxy statement for its annual meeting.

The Audit Committee shall be responsible directly for the appointment (subject, if applicable, to stockholder ratification), retention, termination, compensation and terms of engagement, evaluation, and oversight of the work of the Outside Auditor (including resolution of disagreements between management and the Outside Auditor regarding financial reporting). The Outside Auditor shall report directly to the Audit Committee.

The Audit Committee shall oversee the integrity of the audit process, financial reporting and internal accounting controls of the Company, oversee the work of the Company's management, internal auditors (the "Internal Auditors") and the Outside Auditor in these areas, oversee management's development of, and adherence to, a sound system of

internal accounting and financial controls, review whether the Internal Auditors and the Outside Auditor objectively assess the Company's financial reporting, accounting practices and internal controls, and provide an open avenue of communication among the Outside Auditor, the Internal Auditors and the Board. It is the responsibility of:

o management of the Company and the Outside Auditor, under the oversight of the Audit Committee and the Board, to plan and conduct financial audits and to determine that the Company's financial statements and disclosures are complete and accurate in accordance with generally accepted accounting principles ("GAAP") and applicable rules and regulations and fairly present, in all material respects, the financial condition of the Company;

o management of the Company, under the oversight of the Audit Committee and the Board, to assure compliance by the Company with applicable legal and regulatory requirements; and

o the Internal Auditors, under the oversight of the Audit Committee and the Board, to review the Company's internal transactions and accounting which do not require involvement in the detailed presentation of the Company's financial statements.

The Audit Committee shall pre-approve all audit services and non-audit services (including the fees and terms thereof) to be performed for the Company by the Outside Auditor to the extent required by and in a manner consistent with applicable law.

The Audit Committee shall meet as often as it determines necessary or appropriate, but not less frequently than quarterly. The Chairperson shall preside at each meeting and, in the absence of the Chairperson, one of the other members of the Audit Committee shall be designated as the acting chair of the meeting. The Chairperson (or acting chair) may direct appropriate members of management and staff to prepare draft agendas and related background information for each Audit Committee meeting. To the extent practical, any background materials, together with the agenda for the meeting, should be distributed to the Audit Committee members in advance of the meeting. All meetings of the Audit Committee shall be held pursuant to the by-laws of the Company with regard to notice and waiver thereof, and written minutes of each meeting, in the form approved by the Audit Committee, shall be duly filed in the Company records. Reports of meetings of the Audit Committee shall be made to the Board at its next regularly scheduled meeting following the Audit Committee meeting accompanied by any recommendations to the Board approved by the Audit Committee.

The Audit Committee may form and delegate authority to subcommittees consisting of one or more members when appropriate.

The Audit Committee shall have the authority, to the extent it deems necessary or appropriate, to retain independent legal, accounting or other advisers. The Company shall provide for appropriate funding, as determined by the Audit Committee, for payment of compensation to the Outside Auditor for the purpose of rendering or issuing an audit report and to any advisers employed by the Audit Committee, subject only to any limitations imposed by applicable rules and regulations. The Audit Committee may request any officer or associate of the Company or the Company's outside counsel or Outside Auditor to attend a meeting of the Audit Committee or to meet with any members of, or consultants to, the Audit Committee. The Audit Committee shall meet with management, the Internal Auditors and the Outside Auditor in separate executive sessions at least quarterly to discuss matters for which the Audit Committee has responsibility.

(b) Option Grants. Options granted under the Plan shall be subject to the following terms and conditions and shall contain such additional terms and conditions, not inconsistent with the terms of the Plan, as the Committee, in its sole discretion, shall deem desirable:

(i) Option Price. The option price per share of Stock purchasable under a Stock Option shall be determined by the Committee at the time of grant.

(ii) Option Term. The term of each Stock Option shall be fixed by the Committee, but no Stock Option shall be exercisable more than ten (10) years after the date the Option is granted.

(iii) Exercisability. Stock Options shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Committee at or after grant. If the Committee provides, in its sole discretion, that any Stock Option is exercisable only in installments, the Committee may waive such installment exercise provisions at any time at or after grant in whole or in part, based on such factors as the Committee shall, in its sole discretion, determine.

(iv) Method of Exercise.

(A) Subject to whatever installment exercise provisions apply under Section 5(b)(iii) of the Plan, Stock Options may be exercised in whole or in part at any time during the option period, by giving written notice of exercise to the Company specifying the number of shares to be purchased. Such notice shall be accompanied by payment in full of the purchase price, either by check, note or such other instrument, securities or property as the Committee may accept. As and to the extent determined by the Committee, in its sole discretion, at or after grant, payments in full or in part may also be made in the form of Stock already owned by the optionee or, in the case of the exercise of a Non-Qualified Stock Option, Restricted Stock or Deferred Stock subject to an award hereunder (based, in each case, on the Fair Market Value of the Stock on the date the option is exercised, as determined by the Committee).

(B) If payment of the option exercise price of a Non-Qualified Stock Option is made in whole or in part in the form of Restricted Stock or Deferred Stock, the Stock issuable upon such exercise (and any replacement shares relating thereto) shall remain (or be) restricted or deferred, as the case may be, in accordance with the original terms of the Restricted Stock award or Deferred Stock award in question, and any additional Stock received upon the exercise shall be subject to the same forfeiture restrictions or deferral limitations, unless otherwise determined by the Committee, in its sole discretion, at or after grant.

(C) No shares of Stock shall be issued until full payment therefor has been received by the Company. In the event of any exercise by note or other instrument, the shares of Stock shall not be issued until such note or other instrument shall have been paid in full, and the exercising optionee shall have no rights as a stockholder until such payment is made.

(D) Subject to Section 5(b)(iv)(C) of the Plan, an optionee shall generally have the rights to dividends or other rights of a stockholder with respect to shares subject to the Option when the optionee has given written notice of exercise, has paid in full for such shares, and, if requested, has given the representation described in Section 14(a) of the Plan.

(v) Non-Transferability of Options. No Stock Option shall be transferable by the optionee otherwise than by will or by the laws of descent and distribution, and all Stock Options shall be exercisable, during the optionee's lifetime, only by the optionee.

(vi) Termination by Death. Subject to Section 5(b)(ix) of the Plan with respect to Incentive Stock Options, if an optionee's employment by the Company and any Subsidiary or Affiliate terminates by reason of death, any Stock Option held by such optionee may thereafter be exercised, to the extent such option was exercisable at the time of death or on such accelerated basis as the Committee may determine at or after grant (or as may be determined in accordance with procedures established by the Committee), by the legal representative of the estate or by the legatee of the optionee under the will of the optionee, for a period of one year (or such other period as the Committee may specify at grant) from the date of such death or until the expiration of the stated term of such Stock Option, whichever period is the shorter.

(vii) Termination by Reason of Disability or Retirement. Subject to Section 5(b)(ix) of the Plan with respect to Incentive Stock Options, if an optionee's employment by the Company and any Subsidiary or Affiliate terminates by reason of a Disability or Normal or Early Retirement, any Stock Option held by such optionee may thereafter be exercised by the optionee, to the extent it was exercisable at the time of termination or on such accelerated basis as the Committee may determine at or after grant (or as may be determined in accordance with procedures established by the Committee), for a period of one year (or such other period as the Committee may specify at grant) from the date of such termination of employment or until the expiration of the stated term of such Stock Option, whichever period is the shorter; provided, however, that, if the optionee dies within such one-year period (or such other period as the Committee shall specify at grant), any unexercised Stock Option held by such optionee shall thereafter be exercisable to the extent to which it was exercisable at the time of death for a period of one year from the date of such death or until the expiration of the stated term of such Stock Option, whichever period is the shorter. In the event of termination of employment by reason of Disability or Normal or Early Retirement, if an Incentive Stock Option is exercised after the expiration of the exercise periods that apply for purposes of Section 422 of the Code, such Stock Option will thereafter be treated as a Non-Qualified Stock Option.

(viii) Other Termination. Unless otherwise determined by the Committee (or pursuant to procedures established by the Committee) at or after grant, if an optionee's employment by the Company and any Subsidiary or Affiliate terminates for any reason other than death, Disability or Normal or Early Retirement, the Stock Option shall thereupon terminate; provided, however, that if the optionee is involuntarily terminated by the Company or any Subsidiary or Affiliate without Cause, including a termination resulting from the Subsidiary, Affiliate or division in which the optionee is employed or engaged, ceasing, for any reason, to be a Subsidiary, Affiliate or division of the Company, such Stock Option may be exercised, to the extent otherwise exercisable on the date of termination, for a period of three months (or seven months in the case of a person subject to the reporting and short-swing profit provisions of Section 16 of the Exchange Act) from the date of such termination or until the expiration of the stated term of such Stock Option, whichever is shorter.

(ix) Incentive Stock Options.

(A) Anything in the Plan to the contrary notwithstanding, no term of the Plan relating to Incentive Stock Options shall be interpreted, amended or altered, nor shall any discretion or authority granted under the Plan be so exercised, so as to disqualify the Plan under Section 422 of the Code, or, without the consent of the optionee(s) affected, to disqualify any Incentive Stock Option under such Section 422.

(B) To the extent required for “incentive stock option” status under Section 422(d) of the Code (taking into account applicable Treasury regulations and pronouncements), the Plan shall be deemed to provide that the aggregate Fair Market Value (determined as of the time of grant) of the Stock with respect to which Incentive Stock Options are exercisable for the first time by the optionee during any calendar year under the Plan and/or any other stock option plan of the Company or any Subsidiary or parent corporation (within the meaning of Section 425 of the Code) shall not exceed \$100,000. If Section 422 is hereafter amended to delete the requirement now in Section 422(d) that the plan text expressly provide for the \$100,000 limitation set forth in Section 422(d), then this Section 5(b)(ix)(B) shall no longer be operative and the Committee may accelerate the dates on which the incentive stock option may be exercised.

(C) To the extent permitted under Section 422 of the Code or the applicable regulations thereunder or any applicable Internal Revenue Service pronouncement:

(I) If (x) a participant’s employment is terminated by reason of death, Disability or Retirement and (y) the portion of any Incentive Stock Option that is otherwise exercisable during the post-termination period specified under Sections 5(b)(vi) and (vii) of the Plan, applied without regard to the \$100,000 limitation contained in Section 422(d) of the Code, is greater than the portion of such option that is immediately exercisable as an “incentive stock option” during such post-termination period under Section 422, such excess shall be treated as a Non-Qualified Stock Option; and

(II) if the exercise of an Incentive Stock Option is accelerated by reason of a Change in Control, any portion of such option that is not exercisable as an Incentive Stock Option by reason of the \$100,000 limitation contained in Section 422(d) of the Code shall be treated as a Non-Qualified Stock Option.

(x) Buyout Provisions. The Committee may at any time offer to buy out for a payment in cash, Stock, Deferred Stock or Restricted Stock an option previously granted, based on such terms and conditions as the Committee shall establish and communicate to the optionee at the time that such offer is made.

(xi) Settlement Provisions. If the option agreement so provides at grant or is amended after grant and prior to exercise to so provide (with the optionee’s consent), the Committee may require that all or part of the shares to be issued with respect to the spread value of an exercised Option take the form of Deferred or Restricted Stock which shall be valued on the date of exercise on the basis of the Fair Market Value (as determined by the Committee) of such Deferred or Restricted Stock determined without regard to the deferral limitations and/or forfeiture restrictions involved.

6. Stock Appreciation Rights.

(a) Grant and Exercise.

(i) Stock Appreciation Rights may be granted in conjunction with all or part of any Stock Option granted under the Plan. In the case of a Non-Qualified Stock Option, such rights may be granted either at or after the time of the grant of such Stock Option. In the case of an Incentive Stock Option, such rights may be granted only at the time of the grant of such Stock Option.

(ii) A Stock Appreciation Right or applicable portion thereof granted with respect to a given Stock Option shall terminate and no longer be exercisable upon the termination or exercise of the related Stock Option, subject to such provisions as the Committee may specify at grant where a Stock Appreciation Right is granted with respect to less than the full number of shares covered by a related Stock Option.

(iii) A Stock Appreciation Right may be exercised by an optionee, subject to Section 6(b) of the Plan, in accordance with the procedures established by the Committee for such purpose. Upon such exercise, the optionee shall be entitled to receive an amount determined in the manner prescribed in said Section 6(b). Stock Options relating to exercised Stock Appreciation Rights shall no longer be exercisable to the extent that the related Stock Appreciation Rights have been exercised.

(b) Terms and Conditions. Stock Appreciation Rights shall be subject to such terms and conditions, not inconsistent with the provisions of the Plan, as shall be determined from time to time by the Committee, including the following:

(i) Stock Appreciation Rights shall be exercisable only at such time or times and to the extent that the Stock Options to which they relate shall be exercisable in accordance with the provisions of this Section 6 and Section 5 of the Plan; provided, however, that any Stock Appreciation Right granted to an optionee subject to Section 16(b) of the Exchange Act subsequent to the grant of the related Stock Option shall not be exercisable during the first six months of its term, except that this special limitation shall not apply in the event of death or Disability of the optionee prior to the expiration of the six-month period. The exercise of Stock Appreciation Rights held by optionees who are subject to Section 16(b) of the Exchange Act shall comply with Rule 16b-3 thereunder to the extent applicable.

(ii) Upon the exercise of a Stock Appreciation Right, an optionee shall be entitled to receive an amount in cash and/or shares of Stock equal in value to the excess of the Fair Market Value of one share of Stock over the option price per share specified in the related Stock Option multiplied by the number of shares in respect of which the Stock Appreciation Right shall have been exercised, with the Committee having the right to determine the form of payment. When payment is to be made in shares of Stock, the number of shares to be paid shall be calculated on the basis of the Fair Market Value of the shares on the date of exercise. When payment is to be made in cash, such amount shall be based upon the Fair Market Value of the Stock on the date of exercise, determined in a manner not inconsistent with Section 16(b) of the Exchange Act and the rules of the Commission thereunder.

(iii) Stock Appreciation Rights shall be transferable only when and to the extent that the underlying Stock Option would be transferable under Section 5(b)(v) of the Plan.

(iv) Upon the exercise of a Stock Appreciation Right, the Stock Option or part thereof to which such Stock Appreciation Right is related shall be deemed to have been exercised only to the extent of the number of shares issued under the Stock Appreciation Right at the time of exercise based on the value of the Stock Appreciation Right at such time.

(v) In its sole discretion, the Committee may grant Stock Appreciation Rights that become exercisable only in the event of a Change in Control and/or a Potential Change in Control, subject to such terms and conditions as the Committee may specify at grant; provided that any such Stock Appreciation Rights shall be settled solely in cash.

(vi) The Committee, in its sole discretion, may also provide that, in the event of a Change in Control and/or a Potential Change in Control, the amount to be paid upon the exercise of a Stock Appreciation Right shall be based on the Change in Control Price, subject to such terms and conditions as the Committee may specify at grant.

7. Restricted Stock.

(a) Administration. Shares of Restricted Stock may be issued either alone, in addition to or in tandem with other awards granted under the Plan and/or cash awards made outside of the Plan. The Committee shall determine the eligible persons to whom, and the time or times at which, grants of Restricted Stock will be made, the number of shares to be awarded, the price (if any) to be paid by the recipient of Restricted Stock, subject to Section 7(b) of the Plan, the time or times within which such awards may be subject to forfeiture, and all other terms and conditions of the awards. The Committee may condition the grant of Restricted Stock upon the attainment of specified performance goals or such other factors as the Committee may, in its sole discretion, determine. The provisions of Restricted Stock awards need not be the same with respect to each recipient.

(b) Awards and Certificates.

- (i) The prospective recipient of a Restricted Stock award shall not have any rights with respect to such award unless and until such recipient has executed an agreement evidencing the award and has delivered a fully executed copy thereof to the Company, and has otherwise complied with the applicable terms and conditions of such award.
 - (ii) The purchase price for shares of Restricted Stock may be equal to or less than their par value and may be zero.
 - (iii) Awards of Restricted Stock must be accepted within a period of 60 days (or such shorter period as the Committee may specify at grant) after the award date, by executing a Restricted Stock Award Agreement and paying the price, if any, required under Section 7(b)(ii).
 - (iv) Each participant receiving a Restricted Stock award shall be issued a stock certificate in respect of such shares of Restricted Stock. Such certificate shall be registered in the name of such participant, and shall bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such award.
-

(v) The Committee shall require that (A) the stock certificates evidencing shares of Restricted Stock be held in the custody of the Company until the restrictions thereon shall have lapsed, and (B) as a condition of any Restricted Stock award, the participant shall have delivered a stock power, endorsed in blank, relating to the Restricted Stock covered by such award.

(c) Restrictions and Conditions. The shares of Restricted Stock awarded pursuant to this Section 7 shall be subject to the following restrictions and conditions:

(i) Subject to the provisions of the Plan and the award agreement, during a period set by the Committee commencing with the date of such award (the "Restriction Period"), the participant shall not be permitted to sell, transfer, pledge or assign shares of Restricted Stock awarded under the Plan. Within these limits, the Committee, in its sole discretion, may provide for the lapse of such restrictions in installments and may accelerate or waive such restrictions in whole or in part, based on service, performance and/or such other factors or criteria as the Committee may determine, in its sole discretion.

(ii) Except as provided in this Section 7(c)(ii) and Section 7(c)(i) of the Plan, the participant shall have, with respect to the shares of Restricted Stock, all of the rights of a stockholder of the Company, including the right to vote the shares and the right to receive any regular cash dividends paid out of current earnings. The Committee, in its sole discretion, as determined at the time of award, may permit or require the payment of cash dividends to be deferred and, if the Committee so determines, reinvested, subject to Section 14(e) of the Plan, in additional Restricted Stock to the extent shares are available under Section 3 of the Plan, or otherwise reinvested. Stock dividends, splits and distributions issued with respect to Restricted Stock shall be treated as additional shares of Restricted Stock that are subject to the same restrictions and other terms and conditions that apply to the shares with respect to which such dividends are issued, and the Committee may require the participant to deliver an additional stock power covering the shares issuable pursuant to such stock dividend, split or distribution. Any other dividends or property distributed with regard to Restricted Stock, other than regular dividends payable and paid out of current earnings, shall be held by the Company subject to the same restrictions as the Restricted Stock.

(iii) Subject to the applicable provisions of the award agreement and this Section 7, upon termination of a participant's employment or other services with the Company and any Subsidiary or Affiliate for any reason during the Restriction Period, all shares still subject to restriction will vest, or be forfeited, in accordance with the terms and conditions established by the Committee at or after grant.

(iv) If and when the Restriction Period expires without a prior forfeiture of the Restricted Stock subject to such Restriction Period, certificates for an appropriate number of unrestricted shares, and other property held by the Company with respect to such Restricted Shares, shall be delivered to the participant promptly.

(d) Minimum Value Provisions. In order to better ensure that award payments actually reflect the performance of the Company and service of the participant, the Committee may provide, in its sole discretion, for a tandem Stock Option or performance-based or other award designed to guarantee a minimum value, payable in cash or Stock to the recipient of a Restricted Stock award, subject to such performance, future service, deferral and other terms and conditions as may be specified by the Committee.

8. Deferred Stock.

(a) Administration. Deferred Stock may be awarded either alone, in addition to or in tandem with other awards granted under the Plan and/or cash awards made outside of the Plan. The Committee shall determine the eligible persons to whom and the time or times at which Deferred Stock shall be awarded, the number of shares of Deferred Stock to be awarded to any person, the duration of the period (the "Deferral Period") during which, and the conditions under which, receipt of the Stock will be deferred, and the other terms and conditions of the award in addition to those

set forth in Section 8(b). The Committee may condition the grant of Deferred Stock upon the attainment of specified performance goals or such other factors or criteria as the Committee shall, in its sole discretion, determine. The provisions of Deferred Stock awards need not be the same with respect to each recipient.

(b) Terms and Conditions. The shares of Deferred Stock awarded pursuant to this Section 8 shall be subject to the following terms and conditions:

(i) Subject to the provisions of the Plan and the award agreement referred to in Section 8(b)(vi) of the Plan, Deferred Stock awards may not be sold, assigned, transferred, pledged or otherwise encumbered during the Deferral Period. At the expiration of the Deferral Period (or the Elective Deferral Period referred to in Section 8(b)(v) of the Plan, where applicable), share certificates representing the shares covered by the Deferred Stock award shall be delivered to the participant or his legal representative.

(ii) Unless otherwise determined by the Committee at grant, amounts equal to any dividends declared during the Deferral Period with respect to the number of shares covered by a Deferred Stock award will be paid to the participant currently, or deferred and deemed to be reinvested in additional Deferred Stock, or otherwise reinvested, all as determined at or after the time of the award by the Committee, in its sole discretion.

(iii) Subject to the provisions of the award agreement and this Section 8, upon termination of a participant's employment with the Company and any Subsidiary or Affiliate for any reason during the Deferral Period for a given award, the Deferred Stock in question will vest, or be forfeited, in accordance with the terms and conditions established by the Committee at or after grant.

(iv) Based on service, performance and/or such other factors or criteria as the Committee may determine, the Committee may, at or after grant, accelerate the vesting of all or any part of any Deferred Stock award and/or waive the deferral limitations for all or any part of such award.

(v) A participant may elect to further defer receipt of an award (or an installment of an award) for a specified period or until a specified event (the "Elective Deferral Period"), subject in each case to the Committee's approval and to such terms as are determined by the Committee, all in its sole discretion. Subject to any exceptions adopted by the Committee, such election must generally be made at least twelve months prior to completion of the Deferral Period for such Deferred Stock award (or such installment).

(vi) Each award shall be confirmed by, and subject to the terms of, a Deferred Stock agreement executed by the Company and the participant.

(c) Minimum Value Provisions. In order to better ensure that award payments actually reflect the performance of the Company and service of the participant, the Committee may provide, in its sole discretion, for a tandem Stock Option or performance-based or other award designed to guarantee a minimum value, payable in cash or Stock to the recipient of a deferred stock award, subject to such performance, future service, deferral and other terms and conditions as may be specified by the Committee.

9. Stock Purchase Rights.

(a) Awards and Administration. The Committee may grant eligible participants Stock Purchase Rights which shall enable such participants to purchase Stock (including Deferred Stock and Restricted Stock):

(i) at its Fair Market Value on the date of grant;

(ii) at a percentage of such Fair Market Value on such date, such percentage to be determined by the Committee in its sole discretion;

(iii) at an amount equal to Book Value on such date; or

(iv) at an amount equal to the par value of such Stock on such date.

The Committee shall also impose such deferral, forfeiture and/or other terms and conditions as it shall determine, in its sole discretion, on such Stock Purchase Rights or the exercise thereof. The terms of Stock Purchase Rights awards need not be the same with respect to each participant. Each Stock Purchase Right award shall be confirmed by, and be subject to the terms of, a Stock Purchase Rights Agreement.

(b) Exercisability. Stock Purchase Rights shall generally be exercisable for such period after grant as is determined by the Committee not to exceed sixty (60) days. However, the Committee may provide, in its sole discretion, that the Stock Purchase Rights of persons potentially subject to Section 16(b) of the Exchange Act shall not become exercisable until six months and one day after the grant date, and shall then be exercisable for ten trading days at the purchase price specified by the Committee in accordance with Section 9(a) of the Plan.

10. Other Stock-Based Awards.

(a) Administration.

(i) Other awards of Stock and other awards that are valued in whole or in part by reference to, or are otherwise based on, Stock (“Other Stock-Based Awards”), including, without limitation, performance shares, convertible preferred stock (to the extent a series of preferred stock has been or may be created by, or in accordance with a procedure set forth in, the Company’s certificate of incorporation), convertible debentures, warrants, exchangeable securities and Stock awards or options valued by reference to Fair Market Value, Book Value or performance of the Company or any Subsidiary, Affiliate or division, may be granted either alone or in addition to or in tandem with Stock Options, Stock Appreciation Rights, Restricted Stock, Deferred Stock or Stock Purchase Rights granted under the Plan and/or cash awards made outside of the Plan.

(ii) Subject to the provisions of the Plan, the Committee shall have authority to determine the persons to whom and the time or times at which such award shall be made, the number of shares of Stock to be awarded pursuant to such awards, and all other conditions of the awards. The Committee may also provide for the grant of Stock upon the completion of a specified performance period. The provisions of Other Stock-Based Awards need not be the same with respect to each recipient.

(b) Terms and Conditions. Other Stock-Based Awards made pursuant to this Section 10 shall be subject to the following terms and conditions:

(i) Subject to the provisions of the Plan and the award agreement referred to in Section 10(b)(v) of the Plan, shares of Stock subject to awards made under this Section 10 may not be sold, assigned, transferred, pledged or otherwise encumbered prior to the date on which the shares are issued, or, if later, the date on which any applicable restriction, performance or deferral period lapses.

(ii) Subject to the provisions of the Plan and the award agreement and unless otherwise determined by the Committee at grant, the recipient of an award under this Section 10 shall be entitled to receive, currently or on a deferred basis, interest or dividends or interest or dividend equivalents with respect to the number of shares covered by the award, as determined at the time of the award by the Committee, in its sole discretion, and the Committee may provide that such amounts (if any) shall be deemed to have been reinvested in additional Stock or otherwise reinvested.

(iii) Any award under Section 10 and any Stock covered by any such award shall vest or be forfeited to the extent so provided in the award agreement, as determined by the Committee, in its sole discretion.

(iv) In the event of the participant's Retirement, Disability or death, or in cases of special circumstances, the Committee may, in its sole discretion, waive in whole or in part any or all of the remaining limitations (if any) imposed with respect to any or all of an award pursuant to this Section 10.

(v) Each award under this Section 10 shall be confirmed by, and subject to the terms of, an agreement or other instrument by the Company and by the participant.

(vi) Stock (including securities convertible into Stock) issued on a bonus basis under this Section 10 may be issued for no cash consideration.

11. Change in Control Provisions.

(a) Impact of Event. In the event of a "Change in Control," as defined in Section 11(b) of the Plan, or a "Potential Change in Control," as defined in Section 11(c) of the Plan, except to the extent otherwise determined by the Committee or the Board at or after grant (subject to any right of approval expressly reserved by the Committee or the Board at the time of such determination), the following acceleration and valuation provisions shall apply:

(i) Any Stock Appreciation Rights outstanding for at least six months and any Stock Options awarded under the Plan not previously exercisable and vested shall become fully exercisable and vested and any Incentive Stock Options may, with the consent of the holders thereof, be treated as Non-Qualified Stock Options.

(ii) The restrictions and deferral limitations applicable to any Restricted Stock, Deferred Stock, Stock Purchase rights and Other Stock-Based Awards, in each case to the extent not already vested under the Plan, shall lapse and such shares and awards shall be deemed fully vested.

(iii) The value of all outstanding Stock Options, Stock Appreciation Rights, Restricted Stock, Deferred Stock, Stock Purchase Rights and Other Stock-Based Awards, in each case to the extent vested (including such rights which shall have become vested pursuant to Sections 11(a)(i) and (ii) of the Plan), shall be purchased by the Company ("cashout") in a manner determined by the Committee, in its sole discretion, on the basis of the "Change in Control Price" as defined in Section 11(d) of the Plan as of the date such Change in Control or such Potential Change in Control is determined to have occurred or such other date as the Committee may determine prior to the Change in Control, unless the Committee shall, contemporaneously with or prior to any particular Change of Control or Potential Change of Control, determine that this Section 11(a)(iii) shall not be applicable to such Change in Control or Potential Change in

Control.

(b) Definition of “Change in Control.” For purposes of Section 11(a) of the Plan, a “Change in Control” means the happening of any of the following after the completion of the acquisition of Plaza Consulting Group, Inc., a Puerto Rico corporation (the “Acquisition Effective Date”):

(i) When any “person” (as defined in Section 3(a)(9) of the Exchange Act and as used in Sections 13(d) and 14(d) of the Exchange Act, including a “group” as defined in Section 13(d) of the Exchange Act, but excluding the Company and any Subsidiary and any employee benefit plan sponsored or maintained by the Company or any Subsidiary and any trustee of such plan acting as trustee) directly or indirectly becomes the “beneficial owner” (as defined in Rule 13d-3 under the Exchange Act, as amended from time to time), of securities of the Company representing thirty percent (30%) or more of the combined voting power of the Company’s then outstanding securities; provided, however, that a Change of Control shall not arise if such acquisition is approved by the board of directors or if the board of directors or the Committee determines that such acquisition is not a Change of Control or if the board of directors authorizes the issuance of the shares of Stock (or securities convertible into Stock or upon the exercise of which shares of Stock may be issued) to such persons; or

(ii) When, during any period of twenty-four consecutive months during the existence of the Plan, the individuals who, at the beginning of such period, constitute the Board (the “Incumbent Directors”) cease for any reason other than death, Disability or Retirement to constitute at least a majority thereof, provided, however, that a director who was not a director at the beginning of such 24-month period shall be deemed to have satisfied such 24-month requirement (and be an Incumbent Director) if such director was elected by, or on the recommendation of, or with the approval of, at least two-thirds of the directors who then qualified as Incumbent Directors either actually (because they were directors at the beginning of such 24-month period) or by prior operation of this Section 11(b)(ii); provided, however, that all directors who are elected to the board not later than six months after the Acquisition Effective Date shall be deemed to be an Incumbent Director and shall be deemed to have satisfied the 24-month requirement set forth in this Section 11(b)(ii); or

(iii) The occurrence of a transaction requiring stockholder approval for the acquisition of the Company by an entity other than the Company or a Subsidiary through purchase of assets, or by merger, or otherwise unless approved by a majority of Incumbent Directors.

(c) Definition of Potential Change in Control. For purposes of Section 11(a) of the Plan, a “Potential Change in Control” means the happening of any one of the following:

(i) The approval by stockholders of an agreement by the Company, the consummation of which would result in a Change in Control of the Company as defined in Section 11(b) of the Plan; or

(ii) The acquisition of beneficial ownership, directly or indirectly, by any entity, person or group (other than the Company or a Subsidiary or any Company employee benefit plan or any trustee of such plan acting as such trustee) of securities of the Company representing five percent or more of the combined voting power of the Company’s outstanding securities and the adoption by the Board of Directors of a resolution to the effect that a Potential Change in Control of the Company has occurred for purposes of the Plan.

(d) Change in Control Price. For purposes of this Section 11, “Change in Control Price” means the highest price per share paid in any transaction reported on the principal stock exchange on which the Stock is traded or the average of the highest bid and asked prices as reported by the principal stock exchange or market on which the Stock is traded, or paid or offered in any bona fide transaction related to a Potential or actual Change in Control of the Company at any time during the sixty-day period immediately preceding the occurrence of the Change in Control (or, where applicable, the occurrence of the Potential Change in Control event), in each case as determined by the Committee except that, in the case of Incentive Stock Options and Stock Appreciation Rights relating to Incentive Stock Options, such price shall be based only on transactions reported for the date on which the optionee exercises such Stock Appreciation Rights, Incentive Stock Options or, where applicable, the date on which a cashout occurs under Section 11(a)(iii).

12.

Amendments and Termination.

(a) The Board may amend, alter, or discontinue the Plan, but no amendment, alteration, or discontinuation shall be made which would impair the rights of an optionee or participant under a Stock Option, Stock Appreciation Right, Restricted or Deferred Stock award, Stock Purchase Right or Other Stock-Based Award theretofore granted, without the optionee’s or participant’s consent, and no amendment will be made without approval of the stockholders if such amendment requires stockholder approval under state law or if stockholder approval is necessary in order that the Plan comply with Rule 16b-3 of the Commission under the Exchange Act or any substitute or successor rule or if stockholder approval is necessary in order to enable the grant pursuant to the Plan of options or other awards intended to confer tax benefits upon the recipients thereof.

(b) The Committee may amend the terms of any Stock Option or other award theretofore granted, prospectively or retroactively, but no such amendment shall impair the rights of any holder without the holder's consent. The Committee may also substitute new Stock Options for previously granted Stock Options (on a one for one or other basis), including previously granted Stock Options having higher option exercise prices.

(c) Subject to the provisions of Sections 12(a) and (b) of the Plan, the Board shall have broad authority to amend the Plan to take into account changes in applicable securities and tax laws and accounting rules, as well as other developments, and, in particular, without limiting in any way the generality of the foregoing, to eliminate any provisions which are not required to be included as a result of any amendment to Rule 16b-3 of the Commission pursuant to the Exchange Act.

13. Unfunded Status of Plan.

The Plan is intended to constitute an “unfunded” plan for incentive and deferred compensation. With respect to any payments not yet made to a participant or optionee by the Company, nothing contained in this Plan shall give any such participant or optionee any rights that are greater than those of a general creditor of the Company. In its sole discretion, the Committee may authorize the creation of trusts or other arrangements to meet the obligations created under the Plan to deliver Stock or payments in lieu of or with respect to awards under this Plan; provided, however, that, unless the Committee otherwise determines with the consent of the affected participant, the existence of such trusts or other arrangements shall be consistent with the “unfunded” status of the Plan.

14. General Provisions.

(a) The Committee may require each person purchasing shares pursuant to a Stock Option or other award under the Plan to represent to and agree with the Company in writing that the optionee or participant is acquiring the shares without a view to distribution thereof. The certificates for such shares may include any legend which the Committee deems appropriate to reflect any restrictions on transfer. All certificates or shares of Stock or other securities delivered under the Plan shall be subject to such stock-transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations, and other requirements of the Commission, any stock exchange upon which the Stock is then listed, and any applicable Federal or state securities law, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

(b) Nothing contained in this Plan shall prevent the Board from adopting other or additional compensation arrangements, subject to stockholder approval if such approval is required; and such arrangements may be either generally applicable or applicable only in specific cases.

(c) Neither the adoption of the Plan nor the grant of any award pursuant to the Plan shall confer upon any employee of the Company or any Subsidiary or Affiliate any right to continued employment with the Company or a Subsidiary or Affiliate, as the case may be, nor shall it interfere in any way with the right of the Company or a Subsidiary or Affiliate to terminate the employment of any of its employees at any time.

(d) No later than the date as of which an amount first becomes includible in the gross income of the participant for Federal income tax purposes with respect to any award under the Plan, the participant shall pay to the Company, or make arrangements satisfactory to the Committee regarding the payment of, any Federal, state, or local taxes of any kind required by law to be withheld with respect to such amount. Unless otherwise determined by the Committee, withholding obligations may be settled with Stock, including Stock that is part of the award that gives rise to the withholding requirement. The obligations of the Company under the Plan shall be conditional on such payment or arrangements and the Company and its Subsidiaries or Affiliates shall, to the extent permitted by law, have the right to deduct any such taxes from any payment of any kind otherwise due to the participant.

(e) The actual or deemed reinvestment of dividends or dividend equivalents in additional Restricted Stock (or in Deferred Stock or other types of Plan awards) at the time of any dividend payment shall only be permissible if sufficient shares of Stock are available under Section 3 of the Plan for such reinvestment (taking into account then outstanding Stock Options, Stock Purchase Rights and other Plan awards).

15. Effective Date of Plan.

he Plan shall be effective as of the date the Plan is approved by the Board, subject to the approval of the Plan by a majority of the votes cast by the holders of the Company’s Stock at the next annual or special meeting of stockholders. Any grants made under the Plan prior to such approval shall be effective when made (unless otherwise specified by the Committee at the time of grant), but shall be conditioned on, and subject to, such approval of the Plan by such

stockholders.

16. Term of Plan.

Stock Option, Stock Appreciation Right, Restricted Stock award, Deferred Stock award, Stock Purchase Right or Other Stock-Based Award may be granted pursuant to the Plan, until ten (10) years from the date the Plan was approved by the Board, unless the Plan shall be terminated by the Board, in its discretion, prior to such date, but awards granted prior to such termination may extend beyond that date.
