THEREUNDER**

This Information Statement is being mailed on or about December 13, 2007 to holders of record on December 13, 2007, of shares of common stock, \$0.001 par value per share (the *Common Stock*), of Turnaround Partners, Inc., a Nevada corporation (the *Company*), in connection with an anticipated change in a majority of the members of the Company's Board of Directors (the *Board*). The information contained in this Information Statement regarding the persons designated to become directors of the Company has been furnished to the Company by third parties and the Company assumes no responsibility for its accuracy or completeness. The information contained in this Information Statement is being provided pursuant to Section 14(f) of the Securities Exchange Act of 1934, as amended (the *Exchange Act*) and Rule 14f-1 of the U.S. Securities and Exchange Commission (the *SEC*) thereunder.

On December 5, 2007 (the *Closing Date*), the Company entered into a Stock Purchase Agreement (the *Purchase Agreement*) with Mr. Timothy J. Connolly, an individual and Viewpoint Capital, LLC, a Nevada limited liability company (the *Investor*) pursuant to which the Company issued to the Investor one (1) share of the Company's Series E convertible preferred stock, par value \$0.001 per share (*Series E Preferred*), which such Series E Preferred is convertible into Three Million Four Hundred Thousand Dollars (\$3,400,000) worth of common stock of the Company, par value \$0.001 per share (*Common Stock*) in exchange for the transfer by the Investor to the Company of Four Million (4,000,000) unrestricted, free-trading shares of common stock of Asset Capital Group, Inc., a Nevada corporation (*ACGU Common Stock*) having a value of Three Million Four Hundred Thousand Dollars (\$3,400,000) based on the closing price of ACGU Common Stock as of the Closing Date as reported on the Pink Sheets, LLC. ACGU Common Stock trades under the symbol *ACGU.PK*. In light of the fact that the Company is prohibited from issuing shares of its Common Stock below par (\$0.001) and at the time of the transaction the Common Stock was trading below par, the Investor acquired an indirect controlling interest in the Company's Common Stock equal to

96.63% by virtue of the Investor's ownership of the Series E Preferred.

Effective as of the Closing Date, Mr. Connolly resigned as Vice Chairman of the Board and as President and Chief Executive Officer of the Company, however Mr. Connolly shall continue to serve as President and Chief Executive Officer of Corporate Strategies, Inc., a Texas corporation and wholly-owned subsidiary of the Company (*CSI*) with the understanding that the business of CSI will be discontinued or spun off to its stockholders. In addition, Mr.

Connolly shall continue to receive the same compensation as he has received through the Closing Date for his aforementioned continued services to CSI through December 31, 2008, which such date may be extended by mutual agreement by and among the parties to the Purchase Agreement.

WE ARE NOT ASKING YOU FOR A PROXY, AND YOU ARE REQUESTED NOT TO SEND US A PROXY.

The consummation of the transactions described in the Purchase Agreement shall result in a change in control of the Company. As a result, Fred S. Zeidman, a current director of the Company, will resign effective upon the 10th day following the mailing of this Information Statement. Mr. Timothy J. Connolly resigned from his positions as President, Chief Executive Officer and as a Board Member on the Closing Date, effective immediately.

This Information Statement is being delivered to you to provide information regarding anticipated changes in the membership of the Board as a result of the consummation of the Purchase Agreement and is provided for information purposes only. TERMS OF THE STOCK PURCHASE AGREEMENT

General

Under the terms of the Purchase Agreement, the Company acquired the ACGU Common Stock from the Investor in exchange for the issuance by the Company to the Investor of one (1) share of the Company's Series E Preferred, which such Series E Preferred is convertible into Three Million Four Hundred Thousand Dollars (\$3,400,000) worth of Common Stock. The purchase qualifies as a transaction in securities exempt from registration or qualification under the Securities Act of 1933, as amended (the *Act*).

As a result of the consummation of the Purchase Agreement, the Investor acquired an indirect controlling interest (approximately 96.63%) in the Common Stock by virtue of the Investor's ownership of one (1) share of Series E Preferred. Specifically, the Investor shall have the right to convert its one (1) share of Series E Preferred at any time up to January 30, 2008 into that number of shares of Common Stock equal to Three Million Four Hundred Thousand Dollars (\$3,400,000) based on the closing price of the Common Stock on the trading date immediately preceding such date of conversion. In light of the fact the Company's Common Stock was trading below par at the time of the transaction and that the Company is prohibited from issuing shares below par, the Investor is entitled to convert its one (1) share of Series E Preferred into 3,400,000,000 shares of Common Stock. Furthermore, the Investor shall be entitled to cast a number of votes equal to Three Billion Four Hundred Million (3,400,000,000) shares of Common Stock prior to conversion on all matters submitted to the stockholders of the Company for approval, and shall be

entitled to vote on all matters on which the Common Stock shall be entitled to vote.

Mr. Connolly (and his spouse) also agreed on the Closing Date to relinquish certain non-dilutive rights in favor of Mr. Connolly (and his spouse) contained in Seven Hundred (700) shares of Series D convertible preferred stock held by Mr. Connolly (and his spouse) effective June 30, 2009 (instead of the previous date of December 31, 2010) in exchange for the Company conveying all rights to the names Turnaround Partners, Inc. , Corporate Strategies, Inc. and Kipling Holdings, Inc. , as well as all title to all furniture and equipment in the Houston office of the Company. The parties to the Purchase Agreement also agreed that the names of these companies shall be changed within sixty (60) days following the Closing Date.

Agreement of Directors to Resign

Effective as of the Closing Date, Mr. Connolly resigned as Vice Chairman of the Board and as President and Chief Executive Officer of the Company, however Mr. Connolly shall continue to serve as President and Chief Executive Officer of Corporate Strategies, Inc., a Texas corporation and wholly-owned subsidiary of the Company (*CSI*) with the understanding that the business of CSI will be discontinued or spun-off to its stockholders. In addition, Mr. Connolly shall continue to receive the same compensation as he has received through the Closing Date for his aforementioned continued services to CSI through December 31, 2008, which such date may be extended by mutual agreement by and among the parties to the Purchase Agreement.

Furthermore, Mr. Russell Kidder was appointed to serve as President, Chief Executive Officer and as a Director of the Company effective as of the Closing Date. Not earlier than ten (10) days following the mailing of this Information Statement, Mr. Fred S. Zeidman shall resign as Chairman of the Board and as a Director and Mr. Kidder will be the sole director. It is anticipated that additional directors will be named to the Board in the future.

BUSINESS

General

On August 31, 2005 (the *Merger Date*), NuWave Technologies, Inc. (n/k/a Turnaround Partners, Inc. and also referred to herein as *NuWave*) entered into a merger agreement with Corporate Strategies, Inc. (*Corporate Strategies*) and the stockholders of Corporate Strategies. The transaction was reflected as a reverse acquisition since control of the Company passed to the stockholders of Corporate Strategies. Subsequent to the merger, the Company changed its name to Emerge Capital Corp.

During August 2005, the shares of the equipment leasing subsidiary of Corporate Strategies were distributed to its stockholders. The mortgage brokerage subsidiary was sold in December 2005. In February 2006, the

2

Company sold one of its real estate development subsidiaries. The Company disposed of these subsidiaries in order to focus primarily on the business activities of Corporate Strategies going forward. In November of 2006, we migrated from Delaware to Nevada, and simultaneously changed their name to Turnaround Partners, Inc.

Operations

Principal Services and Our Market

The Company is an established provider of restructuring strategies, turnaround execution and business development services for emerging and re-emerging public companies. The Company markets its services to individual public companies, hedge funds, institutional investors and banks that have significant exposure in troubled micro-cap public companies. These companies are typically either in operational or financial difficulty and may be in default of lending or equity agreements, and as a result, they may be facing bankruptcy or liquidation if their operations are not turned around.

The Company is generally compensated with a combination of cash payments on a monthly or quarterly basis, and outright grants of equity in the form of common stock and/or warrants for purchasing common stock. We believe this compensation plan aligns our interests with the client company's stockholders because our ultimate compensation is maximized by successfully increasing stockholders value. This performance based compensation arrangement clearly demonstrates that our interests are consistent with both our clients and their stockholders.

The Company minimizes risk from our restructuring/turnaround clients by implementing the following policies:

The Company will not assume the financial obligations of the client company in any circumstance. In most cases, the financial institution with the greatest risk has referred the Company to the transaction.

The Company requires the client or their investor to provide the client company with working capital necessary to execute the turnaround plan.

The Company requires the client to fully indemnify the Company against any actions, with the exception of gross negligence or malfeasance.

If the client has officer and director insurance, we require the client to add the Company or any of the Company's contractors as insured parties under the policy.

Should the Company consider altering any of the policies above, it will require a vote of the Board to waive them and agree to the maximum amount of risk that the Company will assume.

Competition for Our Services

Competition for the services we provide comes mainly from turnaround management and restructuring firms, financial advisory firms, business consulting firms and crisis management groups, many of which have substantially more capital resources than the Company.

Due to the large amount of capital provided by institutional funds into the sector over the last three (3) years, the Company is optimistic that business conditions should result in significant growth opportunities for companies positioned in the restructuring and turnaround management sector.

To date, a significant portion of our business has come from an institutional fund (YA Global Investments, L.P.) that invests primarily in micro-cap companies.

Employees

As of December 10, 2007, the Company has four (4) part time employees and employs the services of two (2) others on a contract basis. The controller and data entry clerk are considered contract employees whom also work for an affiliated company as contract employees.

Dividends

Dividends, if any, will be contingent upon our revenues and earnings, if any, capital requirements and financial conditions. The payment of dividends, if any, will be within the discretion of the Board. The Company

8

presently intends to retain all earnings, if any, for use in its business operations and accordingly, the Board does not anticipate declaring any cash dividends for the foreseeable future. We have not paid any cash dividends on our Common Stock.

Anti-Takeover Effects of Provisions of the Articles of Incorporation, Bylaws and Nevada Law

Authorized and Unissued Stock

The authorized but unissued shares of our Common Stock and preferred stock are available for future issuance without the approval of our stockholders. These additional shares may be utilized for a variety of corporate purposes including but not limited to future public or direct offerings to raise additional capital, corporate acquisitions and employee incentive plans. The issuance of such shares may also be used to deter a potential takeover of the Company that may otherwise be beneficial to our stockholders by diluting the shares held by a potential suitor or issuing shares to a stockholder that will vote in accordance with the desires of the Board. A takeover may be beneficial to stockholders because, among other reasons, a potential suitor may offer stockholders a premium for their shares of stock compared to the then-existing market price.

Nevada Law

We are subject to Sections 78.411 through 78.444 of the Nevada Revised Statutes which prohibits persons deemed interested stockholders from engaging in a business combination with a Nevada corporation for three (3) years following the date these persons become interested stockholders. Generally, an interested stockholder is a person who, together with affiliates and associates, owns, or within three (3) years prior to the determination of interested stockholder status did own, ten percent (10%) or more of a corporation's voting stock. Generally, a business combination includes a merger, asset or stock sale, or other transaction resulting in a financial benefit to the interested stockholder. The existence of this provision may have an anti-takeover effect with respect to transactions not approved in advance by the Board of Directors.

We are also subject to Sections 78.378 through 78.3793 of the Nevada Revised Statutes, commonly referred to as the control share law, so long as we have two hundred (200) or more shareholders of record, at least one hundred (100) of whom are in Nevada. The control share law provides, among other things, that a person (individually or in association with others) who acquires a controlling interest (which, under the definition in the control share law, can be as small as twenty percent (20%) of the voting power in the election of directors) in a corporation will obtain voting rights in

the control shares only to the extent such rights are conferred by a vote of the disinterested stockholders. In addition, in certain cases where the acquiring party has obtained such stockholder approval for voting rights, stockholders who voted against conferring such voting rights will be entitled to demand payment by the corporation of the fair value of their shares.

The Nevada Revised Statutes further allow a company's board of directors to consider factors other than offering price in deciding upon whether to reject or approve a tender offer or proposed merger or similar transaction. These factors include:

the effect on employees, suppliers and customers;
the economy of Nevada and the nation;

the effect on the communities in which offices of the corporation are located; and
the long-term as well as short-term interests of the corporation and its stockholders, including the possibility that these interests may be better served by continued independence.

The provisions of Nevada law and our Articles of Incorporation and Bylaws could have the effect of discouraging others from attempting hostile takeovers and, as a consequence, they may also inhibit temporary fluctuations in the market price of our Common Stock that often result from actual or rumored hostile takeover attempts. Such provisions may also have the effect of preventing changes in our management. It is possible that these provisions could make it more difficult to accomplish transactions which stockholders may otherwise deem to be in their best interests.

Shares subject to securities exercisable or convertible into shares of Common Stock that are currently exercisable or exercisable within sixty (60) days of December 10, 2007 are deemed to be beneficially owned by the person holding such derivative securities for the purpose of computing the percentage of ownership of such persons, but are not treated as outstanding for the purpose of computing the percentage ownership of any other person.

LITIGATION

In the normal course of business, we are named as defendant in lawsuits in which claims are asserted against us. In our opinion, the liabilities, if any, which may ultimately result from such lawsuits, are not expected to have a material adverse effect on our financial position, results of operations or cash flows. As of December 10, 2007, there is no outstanding litigation.

INDEMNIFICATION OF DIRECTORS AND OFFICERS

Sections 7502, 751, and 752 of the Nevada General Corporation Law empower a corporation to indemnify its directors and officers and to purchase insurance with respect to liability arising out of their capacity or status as directors and officer. However, these provisions do not eliminate or limit the liability of our directors and officers: (a) for any breach of their duty of loyalty to the Company or its stockholders; (b) for any acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (c) for any transaction from which they derived an improper personal benefit. Nevada law provides that the indemnification permitted by that law shall not be deemed exclusive of any other rights to which the directors and officers may be entitled under a corporation's bylaws, any agreement, a vote of stockholders or otherwise. We will indemnify our directors and officers to the maximum amount that we are able. Under Nevada law, the directors have a fiduciary duty to us that is not eliminated by these referenced sections and, in appropriate circumstances, equitable remedies such as injunctive or other forms of nonmonetary relief may be available. In addition, each director will continue to be subject to liability under Nevada law for breach of their duty of loyalty to us for acts or omissions which are found by a court of competent jurisdiction to be not in good faith or that involve intentional misconduct, or knowing violations of law, for actions leading to improper personal benefit to them, and for payment of dividends or approval of stock repurchases or redemptions that

are prohibited by Nevada law. These Sections do not affect a director's or an officer's responsibilities under any other laws, such as the federal securities laws.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling us pursuant to our Articles of Incorporation or Bylaws, it is the opinion of the SEC that such indemnification is against public policy as expressed in the act and is therefore unenforceable.
