Item 2.01: Completion of Acquisition of Assets

On February 6, 2008, Multiband Corporation (Multiband) purchased, pursuant to a Supplemental Agreement and Plan of Share Exchange, 51% of the outstanding shares of Michigan Microtech, Inc., previously a wholly owned subsidiary of DirecTECH Holding Company, Inc. which equaled 1,020,000 MMT common shares. The consideration paid for the shares was 1,490,000 shares of restricted Multiband common stock and a promissory note, due in February 2013, for \$2,246,000. Financial statements required to be filed pursuant to SEC Form 8-K Item 9.01 will be filed no later than 71 calendar days from the date of this filing.

Based on its internal review of pro forma financial statements related to the acquisition, the Company believes it will have sufficient equity, as of March 31, 2008, to comply with NASDAQ minimum equity requirements. However, a final determination of same shall be made once independent auditors review of the transaction is completed.

Also, all signing parties to the October 31, 2007 Plan of Merger Agreement involving Multiband Corporation and DirecTECH Holding Company, Inc. have agreed to extend the time to reach a definitive agreement in the matter from March 31, 2008 to December 31, 2008.

Signatures

Pursuant to the requirements of the Securities and Exchange Act of 1934, the registrant has duly caused this Form 8-K report to be signed on its behalf by the undersigned hereunto duly authorized.
