IN CONSIDERATION of the mutual covenants contained in this Agreement, the parties hereby agree as follows:

SECTION 1. SECTION 1. Authorization of Sale of the Shares. Subject to the terms and conditions of this Agreement, the Company has authorized the issuance and sale of its ordinary shares, par value NIS 0.01 per share, of the Company ("Ordinary Shares" and the "Shares"), at the Price Per Shares (as defined below), representing an aggregate purchase price for all the Shares of US\$300,000.

SECTION 2. SECTION 2. Agreement to Sell and Purchase the Shares. At the Closing (as defined below), the Company shall, subject to the terms of this Agreement, issue and sell to the Purchasers, and the Purchasers shall buy from the Company, severally and not jointly, upon the terms and conditions hereinafter set forth, the Shares at a price per share equal to the higher of the closing price of an Ordinary Share on the NASDAQ Capital Market on the trading day prior to the date of the Closing and the average closing price of an Ordinary Share on the NASDAQ Capital Market during the 30 trading days prior to the date of the Closing (the "Price Per Share" and together for all Shares, the "Purchase Price"). (c) The Company's obligation to complete the purchase and sale of the Shares and deliver such stock certificates to the Purchasers at the Closing shall be subject to the following conditions, any one or more of which may be waived by the Company:

(i) (i) receipt by the Company of same-day funds equal to the Purchase Price, as set forth in Section 2, for the Shares being purchased at the Closing;

4.1 Organization and Qualification. The Company has been duly incorporated and is validly existing under the laws of the State of Israel and the Company is duly qualified to do business as a foreign corporation in each jurisdiction in which qualification is required, except where failure to so qualify would not have a Material Adverse Effect (as defined below). The Company's subsidiaries (each a "Subsidiary" and collectively the "Subsidiaries") are listed on Exhibit 8.1 to the Company's Annual Report on Form 20-F for the year ended December 31, 2007, filed with the Securities and Exchange Commission (the "2007 Annual Report"). For the purposes of this Agreement the term "Material Adverse Effect" shall mean a material adverse effect on the condition (financial or otherwise), properties, business or results of operations of the Company and its Subsidiaries, taken as a whole other than any effect arising from or relating to (A) general economic conditions, (B) the negotiation, execution, announcement or performance of this Agreement or the consummation of the transactions contemplated hereunder or (C) any change in the Company's share price or trading volume in and of itself (but not excluding the underlying cause of any such change pursuant to this clause (C)).

4.6 No Defaults or Consents. Except as set forth in the SEC Documents, neither the execution, delivery and performance of this Agreement by the Company nor the consummation of any of the transactions contemplated hereby (including, without limitation, the issuance and sale by the Company of the Shares) will give rise to a right to terminate or accelerate the due date of any payment due under, or conflict with or result in the breach of any term or provision of, or constitute a default (or an event which with notice or lapse of time or both would constitute a default) under, except such defaults that individually or in the aggregate would not cause a Material Adverse Effect, or require any consent or waiver under any material agreement, mortgage, deed of trust, lease, franchise, license, indenture, permit or other material agreement or instrument to which the Company or any of its Subsidiaries is a party or by which either the Company or its Subsidiaries or any of its or their respective properties or businesses is bound, or any material franchise, license, permit, judgment, decree, order, statute, rule or regulation applicable to the Company or any of its Subsidiaries, except for such consents or waivers which have already been obtained or will be obtained prior to the Closing.

4.7 No Material Adverse Change. Except as set forth in the SEC Documents: (i) the Company and its Subsidiaries have not incurred any material liabilities or obligations, indirect, or contingent, or entered into any material contract, agreement or other transaction that is not in the ordinary course of business or that could reasonably be expected to result in a Material Adverse Effect; (ii) the Company and its Subsidiaries have not sustained any material loss or interference with their businesses or properties from fire, flood, windstorm, accident or other calamity; (iii) neither the Company nor its Subsidiaries have paid or declared any dividends or other distributions with respect to their capital stock and none of the Company or any Subsidiary is in a default in the payment of principal or interest on any material outstanding debt obligations; (iv) there has not been any change in the capital stock of the Company or its Subsidiaries other than the sale of the Shares hereunder and shares or options issued pursuant to employee equity incentive plans or purchase plans approved by the Company's Board of Directors, or indebtedness material to the Company or its Subsidiaries (other than in the ordinary course of business and any required scheduled payments); and (v) there has not occurred any event that has caused or could reasonably be expected to cause a Material Adverse Effect.

4.8 SEC Documents. To the extent that any SEC Document is available under the Commission's EDGAR (Electronic Data Gathering, Analysis, and Retrieval) system, such SEC Document shall be deemed to have been delivered to the Purchasers. None of the SEC Documents, at the time they were filed with the Commission, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. Since January 1, 2008, the Company has timely filed (within applicable extension periods) all reports, schedules, forms, statements and other documents required to be filed by it with the Commission pursuant to the reporting requirements of the Securities Exchange Act of 1934, as amended (the "Exchange Act").

Except as disclosed in the SEC Documents filed prior to the date hereof, there is no action, suit, proceeding, inquiry or investigation before or by any court, public board, government agency, self-regulatory organization or body, including, without limitation, the Commission or the NASDAQ Stock Market, pending or, to the knowledge of the Company or any of its Subsidiaries, threatened against or affecting the Company, any of its Subsidiaries, or any of their respective directors or officers in their capacities as such.

4.10 Foreign Corrupt Practices. Neither the Company, nor any of its Subsidiaries, nor, to the knowledge of the Company, any director, officer, agent, employee or other person acting on behalf of the Company or any Subsidiary has, in the course of his actions for, or on behalf of, the Company, used any corporate funds for any unlawful contribution, gift, entertainment or other unlawful expenses relating to political activity; made any direct or indirect unlawful payment to any foreign or domestic government official or employee from corporate funds; violated or is in violation of any provision of the U.S. Foreign Corrupt Practices Act of 1977; or made any bribe, rebate, payoff, influence payment, kickback or other unlawful payment to any foreign or domestic government official or employee.

4.11 Financial Statements. The consolidated financial statements of the Company and the related notes and schedules thereto included in its Exchange Act filings comply as to form in all material respects with the requirements of the Exchange Act and fairly present the financial position, results of operations, shareholders' equity and cash flows of the Company and its consolidated Subsidiaries at the dates and for the periods specified therein. Such financial statements and the related notes and schedules thereto have been prepared in accordance with generally accepted accounting principles in the United States consistently applied throughout the periods involved (except as otherwise noted therein); provided, however, that the unaudited financial statements are subject to normal year-end audit adjustments (which are not expected to be material) and do not contain all footnotes required under generally accepted accounting principles.

4.12 No Integrated Offering. Neither the Company, nor any of its affiliates, nor any person acting on its or their behalf, has directly or indirectly made any offers or sales of any security or solicited any offers to buy any security under circumstances that would cause this offering of Shares to be integrated with any prior offering of securities of the Company for purposes of any applicable stockholder approval provisions.

4.13 No Brokers. The Company has taken no action which would give rise to any claim by any person for brokerage commissions, finder's fees or similar payments by the Purchasers relating to this Agreement or the transactions contemplated hereby.

4.14 Tax Status. Except as set forth in the SEC Documents, the Company and each of its Subsidiaries has made or filed all Israeli, U.S. federal, state and local income and all other tax returns, reports and declarations required by any jurisdiction to which it is subject (unless and only to the extent that the Company and each of its Subsidiaries has set aside on its books provisions reasonably adequate for the payment of all unpaid and unreported taxes) and has paid all taxes and other governmental assessments and charges that are material in amount, shown or determined to be due on such returns, reports and declarations, except those being contested in good faith and has set aside on its books provisions reasonably adequate for the payment of all taxes for periods subsequent to the periods to which such returns, reports or declarations apply. Except as set forth in the SEC Documents, there are no unpaid taxes in any material amount claimed to be due by the tax authority of any jurisdiction, and to the knowledge of the Company, the officers of the Company know of no basis for any such claim. Except as set forth in the SEC Documents, the Company has not executed a waiver with respect to any statute of limitations relating to the assessment or collection of any federal, state or local tax. Except as set forth in the SEC Documents, the Company has received no notice that any of its tax returns is presently being audited by any tax authority.
