Exhibit 99: Press Release of West Bancorporation, Inc. dated October 24, 2008

Certain statements in this report constitute “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995, including statements preceded by, followed by or that include the words “believes,” “expects,” “should,” or “anticipates,” or references to estimates or similar expressions. Such forward-looking statements are based upon certain underlying assumptions, risks and uncertainties. Because of the possibility of change in the underlying assumptions, actual results could differ materially from these forward-looking statements. The Company may not complete a sale of preferred stock under the Treasury’s program because of a number of factors, including, among other things, the Company not being approved under the program, the failure to obtain shareholder approval of the amendment to the restated articles of incorporation, or the failure to satisfy other closing conditions. The Company undertakes no obligation to revise or update such forward-looking statements to reflect current events or circumstances after the date hereof or to reflect the occurrence of unanticipated events.
