Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On March 15, 2011, Repros Therapeutics Inc. (the “Company”) received notice from the Nasdaq Stock Market that the Company’s Series A Warrants (RPRXW) and Series B Warrants (RPRXZ) (collectively, the “Warrants”) have not had a minimum of two active and registered market makers, as required for continued inclusion by Listing Rule 5560(a) (the “Rule”). The Company has been provided until April 14, 2011 to regain compliance with the Rule. If, at anytime before such date, the Warrants have at least two active and registered market makers for 10 consecutive trading days, the Company will have achieved compliance with the Rule. If compliance is not demonstrated by the Company by such date, the Warrants will be delisted from the Nasdaq Capital Market. The Company believes that, due to certain technical issues, relevant information related to the active and registered market makers for the Warrants was not being disseminated regarding quotes, which resulted in the issuance of such notice. The Company believes that such technical issues have been resolved and, therefore, the Company anticipates that it will demonstrate compliance with the Rule within the requisite time period.
