INFORMATION ABOUT THE MEETING AND VOTING

**What is the date of the Annual Meeting and where will it be
held?**

The Annual Meeting will be held on Monday, May 23, 2011, commencing at 9:00 a.m. (local time) at The Core Club located at 66 East 55th Street, New York, New York, 10022.

What will I be voting on at the Annual Meeting?

At the Annual Meeting, you will be asked to:

1. elect five directors for one-year terms expiring in 2012 and until their successors are duly elected and qualified; and
2. consider and act on such matters as may properly come before the Annual Meeting and any adjournment thereof.

The Board of Directors does not know of any matters that may be considered at the Annual Meeting other than the matters set forth above.

Who can vote at the Annual Meeting?

The record date for the determination of holders of our Common Stock entitled to notice of and to vote at the Annual Meeting, or any adjournment or postponement thereof, is the close of business on April 8, 2011. As of the record date, 90,186,901 shares of our Common Stock, par value \$0.01 per share (Common Stock) were issued and outstanding and entitled to vote at the Annual Meeting.

How many votes do I have?

Each share of Common Stock has one vote on each matter considered at the Annual Meeting or any adjournment or postponement thereof. The enclosed proxy card shows the number of shares of Common Stock you are entitled to vote.

TABLE OF CONTENTS

How may I vote?

You may vote in person at the Annual Meeting or by proxy. Instructions for in person voting can be obtained by calling our proxy solicitor, Morrow & Co. LLC, at 1-800-414-4313. Stockholders may submit their votes by proxy by mail by completing, signing, dating and returning their proxy in the enclosed envelope. Stockholders also have the following two options for authorizing a proxy to vote their shares:

via the Internet at <http://www.morrowco.com/ARcapital.htm>; or
by telephone, by calling 1-866-395-9266.

For those stockholders with Internet access, we encourage you to authorize a proxy to vote your shares via the Internet, a convenient means of authorizing a proxy that also provides cost savings to us. In addition, when you authorize a proxy to vote your shares via the Internet or by telephone prior to the Annual Meeting date, your proxy authorization is recorded immediately and there is no risk that postal delays will cause your vote by proxy to arrive late and, therefore, not be counted. For further instructions on authorizing a proxy to vote your shares, see your proxy card enclosed with this Proxy Statement. You may also vote your shares at the Annual Meeting. If you attend the Annual Meeting, you may submit your vote in person, and any previous votes that you submitted by mail or authorized by Internet or telephone will be superseded by the vote that you cast at the Annual Meeting.

How will proxies be voted?

Shares represented by valid proxies will be voted at the Annual Meeting in accordance with the directions given. If the enclosed proxy card is signed and returned without any directions given, the shares will be voted FOR election of the nominees for director named in the proxy.

The Board of Directors does not intend to present, and has no information indicating that others will present, any business at the Annual Meeting other than as set forth in the attached Notice of Annual Meeting of Stockholders. However, if other matters requiring the vote of our stockholders come before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote the proxies held by them in their discretion.

How can I change my vote or revoke a proxy?

You have the unconditional right to revoke your proxy at any time prior to the voting thereof by (i) submitting a later-dated proxy either by telephone, via the Internet or in the mail to our proxy solicitor at the following address: Morrow & Co., LLC, 200A Executive Drive, Edgewood, NY 11717, or (ii) by attending the Annual Meeting and voting in person. No written revocation of your proxy shall be effective, however, unless and until it is received at, or prior to, the Annual Meeting.

What if I return my proxy but do not mark it to show how I am voting?

If your proxy card is signed and returned without specifying your choices, your shares will be voted as recommended by the Board of Directors.

What vote is required to elect directors?

There is no cumulative voting in the election of our directors. Each director is elected by the affirmative vote of a majority of votes cast at the meeting. Any shares not voted (whether by abstention, broker non-vote, or otherwise) have no impact on the vote. A broker non-vote occurs when a broker who holds shares for the beneficial owner does not vote on a proposal because the broker does not have discretionary voting authority for that proposal and has not received instructions from the beneficial owner of the shares.

What constitutes a quorum ?

The presence at the Annual Meeting, in person or represented by proxy, of stockholders entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting constitutes a quorum. Abstentions and broker non-votes will be counted as present for the purpose of establishing a quorum; however, abstentions and broker non-votes will not be counted as votes cast.

TABLE OF CONTENTS

Will you incur expenses in soliciting proxies?

We are soliciting the proxy on behalf of the Board of Directors, and we will pay all costs of preparing, assembling and mailing the proxy materials. We have retained Morrow & Co. to aid in the solicitation of proxies. Morrow & Co. will receive a fee of approximately \$14,400 which includes the reimbursement for certain costs and out of pocket expenses incurred in connection with their services, all of which will be paid by us. In addition, our directors and officers may solicit proxies by telephone or fax, without receiving any additional compensation for their services. We will request banks, brokers, custodians, nominees, fiduciaries and other record holders to forward copies of this Proxy Statement to people on whose behalf they hold shares of Common Stock and to request authority for the exercise of proxies by the record holders on behalf of those people. In compliance with the regulations of the U.S. Securities and Exchange Commission (the SEC), we will reimburse such persons for reasonable expenses incurred by them in forwarding proxy materials to the beneficial owners of shares of our Common Stock.

As the date of the Annual Meeting approaches, certain stockholders may receive a telephone call from a representative of Morrow & Co. if their votes have not yet been received. Proxies that are obtained telephonically will be recorded in accordance with the procedures described below. The Board of Directors believes that these procedures are reasonably designed to ensure that both the identity of the stockholder casting the vote and the voting instructions of the stockholder are accurately determined.

In all cases where a telephonic proxy is solicited, the Morrow & Co. representative is required to ask for each stockholder's full name and address, or the zip code or control number, and to confirm that the stockholder has received the proxy materials in the mail. If the stockholder is a corporation or other entity, the Morrow & Co. representative is required to ask for the person's title and confirmation that the person is authorized to direct the voting of the shares. If the information solicited agrees with the information provided to Morrow & Co., then the Morrow & Co. representative has the responsibility to explain the process, read the proposal listed on the proxy card and ask for the stockholder's instructions on the proposal. Although the Morrow & Co. representative is permitted to answer questions about the process, he or she is not permitted to recommend to the stockholder how to vote, other than to read any recommendation set forth in this Proxy Statement. Morrow & Co. will record the stockholder's instructions on the card. Within 72 hours, the stockholder will be sent a letter or mailgram to confirm his or her vote and asking the stockholder to call Morrow & Co. immediately if his or her instructions are not correctly reflected in the confirmation.

What does it mean if I receive more than one proxy card?

Some of your shares may be registered differently or held in a different account. You should authorize a proxy to vote the shares in each of your accounts by mail, by telephone or via the Internet. If you mail proxy cards, please sign, date and return each proxy card to guarantee that all of your shares are voted. If you hold your shares in registered form and wish to combine your stockholder accounts in the future, you should call us at (212) 415-6500 or contacting us at 405 Park Avenue, 15th Floor, New York, NY 10022, Attention: Brian Block. Combining accounts reduces excess printing and mailing costs, resulting in cost savings to us that benefit you as a stockholder.

What if I receive only one set of proxy materials although there are multiple stockholders at my address?

The SEC has adopted a rule concerning the delivery of documents filed by us with the SEC, including proxy statements and annual reports. The rule allows us to, with the consent of affected stockholders, send a single set of any annual report, proxy statement, proxy statement combined with a prospectus or information statement to any

household at which two or more stockholders reside if they share the same last name or we reasonably believe they are members of the same family. This procedure is referred to as Householding. This rule benefits both you and us. It reduces the volume of duplicate information received at your household and helps us reduce expenses. Each stockholder subject to Householding will continue to receive a separate proxy card or voting instruction card.

We will promptly deliver, upon written or oral request, a separate copy of our Annual Report or Proxy Statement as applicable, to a stockholder at a shared address to which a single copy was previously delivered. If you received a single set of disclosure documents for this year, but you would prefer to receive your own copy, you may request separate copies by calling us at (212) 415-6500 or contacting us at 405 Park Avenue,

15th Floor, New York, NY 10022, Attention: Brian Block. Likewise, if your household currently receives multiple copies of disclosure documents and you would like to receive one set, please contact us.

Whom should I call for additional information about voting by proxy or authorizing a proxy by telephone or Internet to vote my shares?

Please call Morrow & Co., our proxy solicitor, at 1-800-414-4313.

How do I submit a stockholder proposal for next year's annual meeting or proxy materials, and what is the deadline for submitting a proposal?

In order for a stockholder proposal to be properly submitted for presentation at our 2012 annual meeting, we must receive written notice of the proposal at our executive offices during the period beginning on November 21, 2011 and ending at 5:00 p.m., Eastern Time, on December 21, 2011. If you wish to present a proposal for inclusion in the proxy material for next year's annual meeting, we must receive written notice of your proposal at our executive offices no later than December 21, 2011. All proposals must contain the information specified in, and otherwise comply with, our bylaws (Bylaws). Proposals should be sent via registered, certified or express mail to: 106 York Road, Jenkintown, PA 19046, Attention: Brian S. Block, Chief Financial Officer. For additional information, see the section in this Proxy Statement captioned Stockholder Proposals for the 2012 Annual Meeting.

UNLESS SPECIFIED OTHERWISE, THE PROXIES WILL BE VOTED FOR THE ELECTION OF THE NOMINEES TO SERVE AS DIRECTORS OF THE COMPANY UNTIL THE ANNUAL MEETING IN 2012 AND UNTIL THEIR SUCCESSORS ARE DULY ELECTED AND QUALIFIED. IN THE DISCRETION OF THE PROXY HOLDERS, THE PROXIES WILL ALSO BE VOTED FOR OR AGAINST SUCH OTHER MATTERS AS MAY PROPERLY COME BEFORE THE ANNUAL MEETING. MANAGEMENT IS NOT AWARE OF ANY OTHER MATTERS TO BE PRESENTED FOR ACTION AT THE ANNUAL MEETING. PROPOSAL 1 DOES NOT GIVE RIGHT TO ANY STATUTORY RIGHT OF A STOCKHOLDER TO DISSSENT AND OBTAIN THE APPRAISAL OF OR PAYMENT FOR SUCH STOCKHOLDERS SHARES.

PROPOSAL 1

ELECTION OF DIRECTORS

The Board of Directors, including our independent directors, is responsible for monitoring and supervising the performance of our day-to-day operations by American Realty Capital Advisor, LLC (the Advisor). Directors are elected annually by our stockholders, and there is no limit on the number of times a director may be elected to office.

Each director serves until the next annual meeting of stockholders or (if longer) until his or her successor is duly elected and qualifies. The Company's Articles of Amendment and Restatement (the Charter) and Bylaws provide that the number of directors shall be fixed by a resolution of the Board of Directors; provided, however, that from the commencement of the Company's ongoing initial public offering the number of directors shall never be less than three or greater than nine. The number of directors on the Board is currently fixed at five.

The Board of Directors has proposed the following nominees for election as directors, each to serve for a term ending at the 2012 annual meeting of stockholders and until his successor is duly elected and qualifies: Messrs. Nicholas S. Schorsch, William M. Kahane, Leslie D. Michelson, William G. Stanley, and Robert H. Burns. Each nominee currently serves as a director.

The proxy holder named on the enclosed proxy card intends to vote FOR the election of each of the five nominees. If you do not wish your shares to be voted for particular nominees, please identify the exceptions in the designated space provided on the proxy card or, if you are authorizing a proxy to vote your shares by telephone or the Internet, follow the instructions provided when you authorize a proxy. Directors will be elected by a majority of votes cast at the Annual Meeting, provided that a quorum is present. Any shares not voted (whether by abstention, broker non-vote, or otherwise) have no impact on the vote.

If, at the time of the Annual Meeting, one or more of the nominees should become unable to serve, shares represented by proxies will be voted for the remaining nominees and for any substitute nominee or nominees designated by the Board of Directors. No proxy will be voted for a greater number of persons than the number of nominees described in this Proxy Statement.

The table set forth below lists the names and ages of each of the nominees and the position and office that each nominee currently holds with the Company:

Mr. Schorsch founded and formerly served as President, Chief Executive Officer and vice chairman of American Financial Realty Trust (AFRT) from its inception as a REIT in September 2002 until August 2006. AFRT was a publicly traded REIT that invested exclusively in offices, operation centers, bank branches, and other operating real estate assets that are net leased to tenants in the financial service industry, such as banks and insurance companies.

From 1995 to September 2002, Mr. Schorsch served as Chief Executive Officer and president of American Financial Resource Group (AFRG), AFRT's predecessor, a private equity firm founded for the purpose of acquiring operating companies and other assets in a number of industries. sectors from 1974 to 1979. From 1981 to 1992, Mr. Kahane worked at Morgan Stanley & Co., specializing in real estate and become a managing director in 1989. In 1992, Mr. Kahane left Morgan Stanley to establish a real estate advisory and asset sales business known as Milestone Partners which continues to operate and of which Mr. Kahane is currently the Chairman. Mr. Kahane worked very closely with Mr. Schorsch while a trustee at AFRT (April 2003 to August 2006), during which time Mr. Kahane served as chairman of the finance committee of the board of trustees. Mr. Kahane has been a managing director of GF Capital Management & Advisors LLC, a New York-based merchant banking firm, where he has directed the firm's real estate investments since 2001. GF Capital offers comprehensive wealth management services through its subsidiary TAG Associates LLC, a leading multi-client family office and portfolio management services company with approximately \$5 billion of assets under management. Since 2008, Mr. Kahane has served as a member of the Investment Committee of Aetos Capital Asia III Advisors LLC, an investment fund managed by Aetos Capital, which is focused on investments in real estate and related assets primarily in Japan and China. From 1997 until 2005, Mr. Kahane also was on the board of directors of Catellus Development Corp., an NYSE growth-oriented real estate development company, where he served as chairman. Mr. Kahane serves as a trustee of Occidental College and is a member of the Board of Trustees of Temple Emanu-El in New York City.

We believe that Mr. Kahane's current experience as Director and President of NYRR, ARC RCA, ARC HT, PEARC, ARCP and BDCA, his experience as Chief Operating Officer of ARC Northcliffe and his significant investment banking experience in real estate make him well qualified to serve as a member of our Board of Directors.

Leslie D. Michelson

Leslie D. Michelson was appointed as an Independent Director of our Company on January 22, 2008. Mr. Michelson has also served as an Independent Director of NYRR since 2009 and BDCA and ARC HT since January 2011. Mr. Michelson has served as the chairman and Chief Executive Officer of Private Health Management, a retainer-based primary care medical practice management company since April 2007. Mr. Michelson served as vice chairman and Chief Executive Officer of the Prostate Cancer Foundation, the world's largest private source of prostate cancer research funding, from April 2002 until December 2006 and currently serves on its board of directors. Mr. Michelson served on the board of directors of Catellus Development Corp. from 1997 until 2004 when the company was sold to ProLogis. Mr. Michelson was a member of the Audit Committee of the board of directors for 5 years and served at various times as the Chairman of the Audit Committee and the Compensation Committee. From April 2001 to April 2002, he was an investor in, and served as an advisor or director of, a portfolio of entrepreneurial healthcare, technology and real estate companies. From March 2000 to August 2001, he served as Chief Executive Officer and as a director of Acurian, Inc., an Internet company that accelerates clinical trials for new prescription drugs. From June 1998 to February 1999, Mr. Michelson served as chairman and co-Chief Executive Officer of Protocare, Inc., a manager of clinical trials for the pharmaceutical industry and disease management firm. From 1988 to 1998, he served as chairman and Chief Executive Officer of Value Health Sciences, Inc., an applied health services research firm he co-founded. Mr. Michelson has been a director of Nastech Pharmaceutical Company Inc., a NASDAQ-traded biotechnology company focused on innovative drug delivery technology, from 2004 to 2008, of Highlands Acquisition Company, an AMEX-traded special purpose acquisition company, from 2007 to 2009, and of G&L Realty Corp., a NYSE-traded medical office building REIT from 1995 to 2001, and of Landmark Imaging, a privately held diagnostic imaging and treatment company from 2007 to 2010. Also since June 2004 and through the present, he has been and is a director and Vice Chairman of ALS-TDI, a philanthropy dedicated to curing Amyotrophic Lateral Sclerosis (ALS), commonly known as Lou Gehrig's disease. Mr. Michelson

received his B.A. from The Johns Hopkins University in 1973 and a J.D. from Yale Law School in 1976.

We believe that Mr. Michelson's current experience as a Director of NYRR, BDCA and ARC HT, his previous experience as a member of the Board of Directors of Catellus Development Corp. and his legal education make him well qualified to serve as a member of our Board of Directors.

Mr. Stanley served as an auditor for General Electric Capital from 1977 to 1979 and as a registered representative for Capital Analysts, Inc. of Radnor, Pennsylvania, a national investment advisory firm that specialized in sophisticated planning for high net worth individuals from 1979 to 1991. Robert H. Burns

Robert H. Burns was appointed as an Independent Director of our Company on January 22, 2008. Mr. Burns has also served as an Independent Director of NYRR since 2009 and ARCT III since January 2011. Mr. Burns is a hotel industry veteran with an international reputation and over thirty years of hotel, real estate, food and beverage and retail experience. He founded and built the luxurious Regent International Hotels brand, which he sold in 1992. From 1970 to 1992, Mr. Burns served as chairman and Chief Executive Officer of Regent International Hotels, where he was personally involved in all strategic and major operating decisions. Mr. Burns and his team of professionals performed site selection, obtained land use and zoning approvals, performed all property due diligence, financed each project by raising both equity and arranging debt, oversaw planning, design and construction of each hotel property, and managed each asset. Each Regent hotel typically contained a significant food and beverage element and high-end retail component, frequently including luxury goods such as clothing, jewelry, as well as retail shops. In fact, Mr. Burns is extremely familiar with the retail landscape as his flagship hotel in Hong Kong was part of a mixed-use complex anchored by a major enclosed shopping center connected to the Regent Hong Kong. Mr. Burns opened the first Regent hotel in Honolulu, Hawaii, in 1970. From 1970 to 1979, the company opened and managed a number of prominent hotels, but gained truly international recognition in 1980 with the opening of The Regent Hong Kong, which brought a new dimension in amenities and service to hotels in the city and attracted attention throughout the world. In all, Mr. Burns developed over 18 major hotel projects including the Four Seasons Hotel in New York City, the Beverly Wilshire Hotel in Beverly Hills, the Four Seasons Hotel in Milan, Italy, and the Four Seasons Hotel in Bali, Indonesia. Mr. Burns currently serves as chairman of Barings Chrysalis Emerging Markets Fund, a position he has held since 1991, and as a director of Barings Asia Pacific Fund, a position he has held since 1986. Additionally, he

has been a member of the executive committee of the board of directors of Jazz at Lincoln Center in New York City since 2000. He also chairs the Robert H. Burns Foundation which he founded in 1992. The Robert H. Burns Foundation funds the education of Asian students at American schools. Mr. Burns frequently lectures at Stanford Business School. Mr. Burns served as a faculty member at the University of Hawaii from 1963 to 1994 and as president of the Hawaii Hotel Association from 1968 to 1970. Mr. Burns began his career in Sheraton's Executive Training Program in 1958, and advanced within Sheraton

and then within Westin Hotels from 1962 to 1963. He later spent eight years with Hilton International Hotels from 1963 to 1970. Mr. Burns graduated from the School of Hotel Management at Michigan State University in 1958 and the University of Michigan's Graduate School of Business in 1960 after serving three years in the U.S. Army in Korea. For the past five years Mr. Burns has devoted his time to owning and operating Villa Feltrinelli on Lago di Garda, in Northern Italy, a small, luxury hotel, and working on developing hotel projects in Asia, focusing on Vietnam and China.

We believe that Mr. Burns' current experience as a director of NYRR and ARCT III and his experience as a real estate developer for over 40 years, during which he developed over eighteen 18 major hotel projects, make him well qualified to serve as a member of our Board of Directors.

The Board of Directors recommends that the stockholders vote FOR the election of Nicholas S. Schorsch, William M. Kahane, Leslie D. Michelson, William G. Stanley and Robert H. Burns as members of the Board of Directors to serve until the 2012 Annual Stockholders Meeting and until their successors are duly elected and qualified.

Information About the Board of Directors and its Committees

The Board of Directors ultimately is responsible for the management and control of our business and operations. We have no employees and have retained the Advisor to manage our day-to-day operations, including the acquisition of our properties. The Advisor is indirectly wholly owned and controlled by Nicholas S. Schorsch, our Chairman and Chief Executive Officer, and William M. Kahane, our President, Chief Operating Officer and Director (collectively, the Sponsor).

The Board of Directors held a total of 21 meetings during the fiscal year ended December 31, 2010 and took action by written consent on seven occasions. Each incumbent director attended at least 75% of the total number of meetings of the Board of Directors with the exception of Robert H. Burns. All of the Directors attended the annual stockholders meeting in 2010. We anticipate that all directors and nominees will attend the Annual Meeting.

The Board of Directors has approved and organized an Audit Committee, Nominating and Corporate Governance Committee and Conflicts Committee. The Company does not currently have a compensation committee. The Board of Directors carries out the responsibilities typically associated with compensation committees. The Company does not have any employees and compensation of directors is set by the entire Board. The Board of Directors does not believe that any marked efficiencies or enhancements would be achieved by the creation of a separate compensation committee at this time.

Leadership Structure of the Board of Directors

Nicholas S. Schorsch serves as both our Chairman of the Board and our Chief Executive Officer. As Chief Executive Officer, Mr. Schorsch is responsible for the daily operations of the Company and implementing the Company's business strategy. The Board of Directors believes that because the Chief Executive Officer is ultimately responsible for ensuring the successful operation of the Company and its business, which is also the main focus of the Board's deliberations, the Chief Executive Officer is the most qualified director to act as Chairman. The Board of Directors may modify this structure to best address the Company's circumstances for the benefit of its stockholders when appropriate.

Although each of Leslie D. Michelson, William G. Stanley and Robert H. Burns are independent directors, the Board has not appointed a lead independent director at this time. The Board of Directors believes that the current structure is appropriate, as the Company has no employees and is externally managed by its Advisor, whereby all operations are conducted by the Advisor or its affiliates. Additionally, as members of the Board of Directors are elected annually, the Board believes that its existing corporate governance practices ensure appropriate management accountability to the Company's stockholders.

Oversight of Risk Management

The Board of Directors and its committees have an active role in overseeing the management of risks applicable to the Company. The entire Board is actively involved in overseeing risk management for the Company through its approval of all property acquisitions, assumptions of debt and its oversight of the

Company's executive officers and Advisor. The Audit Committee oversees management of accounting, financial, legal and regulatory risks. The Nominating and Corporate Governance Committee manages risks associated with independence of the members of the Board. The Conflicts Committee is responsible for reviewing and approving all transactions with affiliated parties and resolving other conflicts of interest between the Company and its subsidiaries, on the one hand, and the Sponsor, any director, the Advisor or their respective affiliates, on the other hand.

Audit Committee

The Board of Directors established an Audit Committee in January 2008. The charter of Audit Committee is available to any shareholder who requests it c/o American Realty Capital Trust, Inc., 106 York Road, Jenkintown, PA 19046.

The Audit Committee Charter is also available on the Company's website at <http://www.americanrealtycap.com/materials> by clicking on Audit Committee Charter. Our Audit Committee consists of Messrs. Leslie D. Michelson, William G. Stanley and Robert H. Burns, each of whom is independent within the meaning of the applicable (i) provisions set forth in the Charter and (ii) requirements set forth in the Securities Exchange Act of 1934, as amended (the Exchange Act) and the applicable SEC rules. The Board has determined that Mr. Michelson is qualified as an Audit Committee financial expert as defined in Item 407(d)(5) of Regulation S-K and the rules and regulations of the SEC.

The Audit Committee, in performing its duties, monitors:

- our financial reporting process;
- the integrity of our financial statements;
- compliance with legal and regulatory requirements;
- the independence and qualifications of our independent and internal auditors, as applicable; and
- the performance of our independent and internal auditors, as applicable.

Unless otherwise determined by the Board of Directors, no member of the Audit Committee may serve as a member of the audit committee of more than two other public companies. The Audit Committee approved the filing of each of the Company's Quarterly Reports and Annual Report for the fiscal year ended December 31, 2010.

The Audit Committee's report on our financial statements for the fiscal year ended December 31, 2010 is discussed below under the heading Audit Committee Report.

Nominating and Corporate Governance Committee

The Company has a standing Nominating and Corporate Governance Committee currently composed of all members of the Board. The Board adopted a Charter for the Nominating and Corporate Governance Committee in January 2008. The Nominating and Corporate Governance Committee Charter is available on the Company's website at <http://www.americanrealtycap.com/materials> by clicking on Nominating and Corporate Governance Committee Charter. The primary purposes of the Nominating and Corporate Governance Committee are (i) to assist the Board in identifying qualified individuals to become directors of the Company, (ii) to recommend director candidates to fill vacancies on the Board and to stand for election by the stockholders at the annual meeting, (iii) to recommend committee assignments, (iv) to periodically assess the performance of the Board and (v) to review and recommend to the Board appropriate corporate governance policies and procedures for the Company, including developing and recommending a code of business conduct and ethics for the Company's Chief Executive Officers and senior financial officers and annually reviewing such code. The Nominating and Corporate Governance Committee believes that diversity is an important attribute of the members who comprise our Board of Directors and that the members should represent an array of backgrounds and experiences. In making its determinations, the Nominating and Corporate

Governance Committee reviews the appropriate experience, skills and characteristics required of directors in the context of our business. This review includes, in the context of the perceived needs of the Board at that time, issues of knowledge, experience, judgment and skills relating to the understanding of the real estate industry, accounting or financial expertise. This review also includes the candidate's ability to attend regular Board meetings and to devote a sufficient amount of time and effort in preparation for such

meetings. The Nominating and Corporate Governance Committee also gives consideration to the Board having a diverse and appropriate mix of backgrounds and skills, the requirements in our Charter and each nominee's ability to exercise independence of thought, objective perspective and mature judgment and understand our business operations and objectives.

Stockholders who would like to propose an independent director candidate for the consideration of the Board of Directors may do so by following the procedures under the section entitled "Stockholder Proposals for the 2012 Annual Meeting - Stockholder Proposals and Nominations for Directors to Be Presented at Meetings" on page 26 of this Proxy Statement.

Conflicts Committee

The Company has a standing Conflicts Committee which consists of Leslie D. Michelson, William G. Stanley and Robert H. Burns, our three independent directors. The Board adopted a Charter of the Conflicts Committee in January 2008. The Conflicts Committee Charter is available on the Company's website at <http://www.americanrealtycap.com/materials> by clicking on "Conflicts Committee Charter."

The primary purpose of the Conflicts Committee is to approve transactions, and resolve other conflicts of interest, between the Company and its subsidiaries, on the one hand, and the Sponsor, any director, the Advisor or their respective affiliates, on the other hand. The Conflicts Committee is responsible for reviewing and approving all transactions with affiliated parties, all purchase or leases of properties from or sales or leases to an affiliate, and reviewing and approving all agreements and amendments to agreements between the Company and affiliates, including the Sponsor or Advisor and their subsidiaries.

The Conflicts Committee reviews our policies and reports to confirm that they are being followed by us and are in the best interests of our stockholders.

In March 2011, Realty Capital Securities, LLC, the affiliated entity retained by the Company to act as dealer manager in connection with the Company's initial public offering, adopted best practices guidelines related to affiliated transactions applicable to all the issuers whose securities are traded on its platform (which includes the Company) that requires that each such issuer adopt guidelines that, except under limited circumstances, (i) restrict such issuer from entering into co-investment or other business transactions with another investment program sponsored by the American Realty Capital group of companies and (ii) restrict sponsors of investment programs from entering into co-investment or other business transactions with their sponsored issuers. Accordingly, on March 17, 2011, all of the members of the Board voted to approve the Company's affiliated transaction best practices policy which incorporates the dealer manager's best practices guidelines. Please read "Certain Relationships and Related Transactions - Policies and Procedures for Review of Related Party Transactions" for a discussion of the Company's affiliated transaction best practices policy.

Certain of the factors considered by the Conflicts Committee are set forth in the financial statements (including the notes thereto) and Management's Discussion and Analysis of Financial Condition and Results of Operations contained in our Annual Report on Form 10-K for the year ended December 31, 2010. The Conflicts Committee reviewed the material transactions between the Sponsor, the Advisor and their respective affiliates, on the one hand, and us, on the other hand, which occurred during the fiscal year ended December 31, 2010. The Conflicts Committee has determined that all our transactions and relationships with our Sponsor, Advisor and their respective affiliates during the fiscal year ended December 31, 2010 were fair and were approved in accordance with the policies referenced in "Certain Relationships and Related Transactions" below.

Director Independence

Our charter and bylaws provide for a Board of Directors with no fewer than three and no more than nine directors, a majority of whom must be independent. An independent director is defined under our Charter and means a person who is not, and within the last two years has not been, directly or indirectly associated with the Company, the Sponsors, the Advisor or any of their affiliates by virtue of:

- ownership of an interest in the Sponsor, the Advisor or any of their affiliates, other than the Company;
 - employment by the Company, the Sponsor, the Advisor or any of their affiliates;
 - service as an officer or director of the Sponsor, the Advisor or any of their affiliates, other than as a director of the Company;
 - performance of services, other than as a director of the Company;
 - service as a director of more than three real estate investment trusts organized by the Sponsor or advised by the Advisor; or
 - maintenance of a material business or professional relationship with the Sponsor, the Advisor or any of their affiliates.
- An independent director cannot be associated with us, the Sponsor or the Advisor as set forth above either directly or indirectly. An indirect association with the Sponsor or the Advisor includes circumstances in which a director's spouse, parent, child, sibling, mother- or father-in-law, son- or daughter-in-law or brother- or sister-in-law, is or has been associated with us, the Sponsor, the Advisor, or any of their affiliates.

A business or professional relationship is considered material if the aggregate gross revenue derived by the director from the Advisor or the Sponsor and their affiliates exceeds five percent of either the director's annual gross income during either of the last two years or the director's net worth on a fair market value basis.

The Board of Directors has considered the independence of each director and nominee for election as a director in accordance with the elements of independence set forth in the listing standards of the New York Stock Exchange (NYSE). Based upon information solicited from each nominee, the Board of Directors has affirmatively determined that Leslie D. Michelson, William G. Stanley and Robert H. Burns have no material relationship with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company) and are independent within the meaning of NYSE's director independence standards and Audit Committee independence standards, as currently in effect.

In January 2008, our Stock Option Plan was approved by our Board of Directors and stockholders. Pursuant to our Stock Option Plan, our independent directors are eligible to receive annual nondiscretionary awards of nonqualified stock options. The Stock Option Plan is designed to enhance our profitability and value for the benefit of our stockholders by enabling us to offer independent directors stock-based incentives, thereby creating a means to raise the level of equity ownership by such individuals in order to attract, retain and reward such individuals and strengthen the mutuality of interests between such individuals and our stockholders.

We have authorized and reserved 1,000,000 shares of our Common Stock for issuance under our Stock Option Plan. The Board of Directors may make appropriate adjustments to the number of shares available for awards and the terms of outstanding awards under our stock option plan to reflect any change in our capital structure or business, stock dividend, stock split, recapitalization, reorganization, merger, consolidation or sale of all or substantially all of our assets.

Our Stock Option Plan provides for the automatic grant of a nonqualified stock option to each of our independent directors, without any further action by our Board of Directors or the stockholders, to purchase 3,000 shares of our Common Stock on the date of each annual stockholder's meeting. The exercise price for all stock options granted under our Stock Option Plan will be fixed at \$10.00 per share until the termination of our initial public offering, and thereafter the exercise price for stock options granted to our independent

directors will be equal to the fair market value of a share on the last business day preceding the annual meeting of stockholders. The term of each such option will be 10 years. Options granted to non-employee directors will vest and become exercisable on the second anniversary of the date of grant, provided that the independent director is a director on the Board of Directors on that date.

Notwithstanding any other provisions of our stock option plan to the contrary, no stock option issued pursuant thereto may be exercised if such exercise would jeopardize our status as a REIT under the Internal Revenue Code. The total number of options granted will not exceed 10% of the total outstanding shares at the time of grant. During the year December 31, 2010, vested options to purchase 9,000 shares at \$10.00 per share and unvested options to purchase 18,000 shares at \$10.00 per share remained outstanding with a weighted average contractual remaining life of approximately 8.3 years. The expense required to be recorded by the Company was insignificant.

Restricted Share Plan

In January 2010, the Board of Directors adopted our Restricted Share Plan. The Restricted Share Plan provides for the automatic grant of 3,000 restricted shares of Common Stock to each of the independent directors, without any further action by the board of directors or the stockholders, on the date of each annual stockholders meeting. Restricted stock issued to independent directors will vest over a five-year period following the first anniversary of the date of grant in increments of 20% annually. The Restricted Share Plan provides us with the ability to grant awards of restricted shares to our directors, officers and employees (if we ever have employees), employees of the Advisor and its affiliates, employees of entities that provide services to us, directors of the Advisor or of entities that provide services to us, certain of our consultants and certain consultants to the Advisor and its affiliates or to entities that provide services to us. The total number of common shares reserved for issuance under the Restricted Share Plan is equal to 1.0% of our authorized shares of Common Stock, or 2,400,000 shares.

Restricted share awards entitle the recipient to Common Stock under terms that provide for vesting over a specified period of time or upon attainment of pre-established performance objectives. Such awards would typically be forfeited with respect to the unvested shares upon the termination of the recipient's employment or other relationship with us. Restricted shares may not, in general, be sold or otherwise transferred until restrictions are removed and the shares have vested. Holders of restricted shares may receive cash distributions prior to the time that the restrictions on the restricted shares have lapsed. Any distributions payable in Common Stock will be subject to the same restrictions as the underlying restricted shares. As of December 31, 2010, 9,000 shares had been issued to independent Directors under the Restricted Share Plan at a fair value of \$10.00 per share. The fair value of the shares will be expensed ratably over the five-year vesting period. For the year ended December 31, 2010, expense of \$11,250 was recorded for the director restricted shares.

In June 2010, our independent Directors approved and authorized the issuance of up to 1,500,000 restricted shares of Common Stock to the Advisor equaling 1% of authorized shares under the primary offering, subject to certain terms and conditions. On September 13, 2010, the Advisor granted 1,400,000 restricted shares to key executives. Of the total restricted shares granted, 50% vest over a five year period commencing with the two year anniversary of the grant date and remaining 50% vest only to the extent our net asset value plus distributions paid to stockholders equals 106% of the original selling price of our Common Stock. For the year ended December 31, 2010, \$420,000 of expense was recorded for these restricted shares.

Kahane, our President and a member of our Board of Directors, indirectly own a majority of the ownership and voting interests of Realty Capital Securities, LLC. Edward M. Affiliated Transaction Best Practices Policy

In March 2011, Realty Capital Securities, LLC, the affiliated entity retained by the Company to act as dealer manager in connection with the Company's initial public offering, adopted best practices guidelines related to affiliated transactions applicable to all the issuers whose securities are traded on its platform (which includes the Company) that requires that each such issuer adopt guidelines that, except under limited circumstances, (i) restrict such issuer from entering into co-investment or other business transactions with another investment program sponsored by the American Realty Capital group of companies and (ii) restrict sponsors of investment programs from entering into co-investment or other business transactions with their sponsored issuers.

Accordingly, on March 17, 2011, all of the members of the Board of Directors voted to approve the Company's affiliated transaction best practice policy which provides that we may not enter into any co-investments or any other business transaction with, or provide funding or make loans to, directly or indirectly, any investment program or other entity sponsored by the American Realty Capital group of companies or otherwise controlled or sponsored, or in which ownership (other than certain minority interests) is held, directly or indirectly, by Nicholas Schorsch and/or William Kahane, that is a non-traded REIT or private investment vehicle in which ownership interests are offered through securities broker-dealers in a public or private offering. We may, however, enter into a joint investment with a Delaware statutory trust (a DST) or a group of unaffiliated tenant in common owners (TICs) in connection with a private retail securities offering by a DST or to TICs, provided that such investments are in the form of pari passu equity investments, are fully and promptly disclosed to the stockholders of the Company and are fully documented among the parties with all the rights, duties and obligations assumed by the parties as are normally attendant to such an equity investment. The Company must also retain a controlling interest in the underlying investment and the transaction must be approved by the independent directors of the Board of Directors after due and documented deliberation, including deliberation of any conflicts of interest. The Board of Directors must determine that the co-investment is fair, both financially and otherwise. In the case of such co-investment, the Advisor will be permitted to charge fees at no more than the rate corresponding to the Company's percentage co-investment and in line with the fees ordinarily attendant to such transaction. At any one time, our investment in such co-investments will not exceed 10% of the value of our portfolio.

Investment Rights and Obligations

Our ability to make investments in our target assets is governed by an investment opportunity allocation agreement with ARCT II, ARCT III and us (ARC Funds). Pursuant to the investment opportunity allocation provisions applicable to the ARC Funds, if our Advisor determines that a target asset is appropriate for acquisition by us and one or more ARC Funds, it will present such investment opportunity to our board of directors and the board of directors (or the equivalent) of such ARC Funds. If a majority of our board of directors, including a majority of our independent directors, and a majority of the board of directors (or the equivalent), including a majority of the independent directors

(if applicable), of one or more ARC Funds vote to acquire the target property, then such target property will be subject to the following process: (1) if the target asset is a single property, the acquisition will be subject to rotation among the ARC Funds; (2) if the target assets are part of a portfolio, any industrial and office target assets will allocated to ARCT II and any retail target assets will be divided among the ARC Funds, based upon industry diversification and geographical diversification.

TABLE OF CONTENTS

ARCP's investment objective is to acquire short term net lease properties (remaining terms of 3 to 8 years) while the ARC Funds investment objectives is to acquire longer term net lease properties (remaining terms of 10 years or longer). For this reason, ARCP is not a party to the investment opportunity allocation agreement.

Borrowing Policies

Our Operating Partnership may, with the approval from our independent Board of Directors, utilize unsecured revolving equity lines in connection with property acquisitions as opportunities present themselves, which equity shall be repaid as we raise common equity.

In July 2010, we entered into a credit agreement with Capital One, N.A. (Capital One) to obtain a secured revolving credit facility in an aggregate maximum principal amount of \$30.0 million. The proceeds of loans made under the credit agreement will be used to finance the acquisition of net leased, investment or non-investment grade properties. The initial term of the credit agreement is 30 months, which may be extended by 12 months, subject to satisfaction of certain conditions, including payment of an extension fee. Any loan made under the credit agreement shall bear floating interest at per annum rates equal to either one month LIBOR plus 3.25% or three month LIBOR plus 3.25%, at our sole option. In the event of a default, Capital One has the right to terminate its obligations under the credit agreement, including the funding of future loans, and to accelerate the payment on any unpaid principal amount of all outstanding loans. We have collateralized the line of credit with certain of our properties. The Capital One line of credit has been used from time to time in 2010 to purchase property. As of December 31, 2010, there were no amounts outstanding on the Capital One line of credit.

In August 2010, we entered into a credit agreement with U.S. Bank, N.A. (U.S. Bank) to obtain a secured revolving credit facility in an aggregate maximum principal amount of \$20.0 million, which was increased to \$30.0 million in February 2011. The proceeds of loans made under the credit agreement will be used to finance the acquisition of net leased, investment or non-investment grade properties. The initial term of the credit agreement is 24 months, with a one-time extension option of 12 months, subject to satisfaction of certain conditions, including payment of an extension fee. Any loan made under the credit agreement shall bear floating interest at a per annum rate equal to one month LIBOR plus 3.25%. In the event of a default, U.S. Bank has the right to suspend the funding of future loans and to accelerate the payment on any unpaid principal amount of the outstanding loans. We intend to collateralize the line of credit with certain properties which we currently own or will acquire. As of December 31, 2010, there were no amounts outstanding on the U.S. Bank line of credit.

Certain Conflict Resolution Procedures

Every transaction that we enter into with the Advisor or its affiliates will be subject to an inherent conflict of interest. Our Board may encounter conflicts of interest in enforcing our rights against any affiliate in the event of a default by or disagreement with an affiliate or in invoking powers, rights or options pursuant to any agreement between us and the Advisor or any of its affiliates.

In order to reduce or eliminate certain potential conflicts of interest, our charter contains a number of restrictions relating to (a) transactions we enter into with our Sponsor, our Advisor, any director or their affiliates, (b) certain future offerings, and (c) allocation of investment opportunities among affiliated entities. These restrictions include, among others, the following:

We will not purchase or lease properties in which our Sponsor, or Advisor, any of our directors or any of their respective affiliates has an interest without a determination by a majority of the directors, including a majority of the

independent directors, not otherwise interested in such transaction that such transaction is fair and reasonable to us and at a price to us no greater than the cost of the property to the seller or lessor unless there is substantial justification for any amount that exceeds such cost and such excess amount is determined to be reasonable. In no event will we acquire any such property at an amount in excess of its appraised value. We will not sell or lease properties to our Sponsor, or Advisor, any of our directors or any of their respective affiliates unless a majority of the directors, including a majority of the independent directors not otherwise interested in the transaction, determines that the transaction is fair and reasonable to us;

22

TABLE OF CONTENTS

We will not make any loans to our Sponsor, our Advisor, any of our directors or any of their respective affiliates, except that we may make or invest in mortgage, bridge or mezzanine loans involving our Sponsor, our Advisor, our directors or their respective affiliates, provided that an appraisal of the underlying property is obtained from an independent appraiser and a majority of the directors, including a majority of the independent directors, not otherwise interested in the transaction determine that the transaction is fair and reasonable to us and on terms no less favorable to us than those available from third parties. In addition, our sponsor, our Advisor any of our directors and any of their respective affiliates will not make loans to us or to joint ventures in which we are a joint venture partner unless approved by a majority of the directors, including a majority of the independent directors not otherwise interested in the transaction as fair, competitive and commercially reasonable, and no less favorable to us than comparable loans between unaffiliated parties;

Our Advisor and its affiliates will be entitled to reimbursement, at cost, for actual expenses incurred by them on behalf of us or joint ventures in which we are a joint venture partner; provided, however, that we will not reimburse our Advisor for the amount, if any, by which our total operating expenses, including the advisor asset management fee, paid during the previous fiscal year exceeded the greater of: (a) 2% of our average invested assets for that fiscal year, or (b) 25% of our net income, before any additions to reserves for depreciation, bad debts or other similar non-cash reserves and before any gain from the sale of our assets, for that fiscal year;

In the event that an investment opportunity becomes available that is suitable, under all of the factors considered by the Advisor, for both us and one or more other entities affiliated with the Advisor, and for which more than one of such entities has sufficient uninvested funds, then the entity that has had the longest period of time elapse since it was offered an investment opportunity will first be offered such investment opportunity. It will be the duty of our Board of Directors, including the independent directors, to insure that this method is applied fairly to us. In determining whether or not an investment opportunity is suitable for more than one program, the Advisor, subject to approval by our Board of Directors, shall examine, among others, the following factors:

the anticipated cash flow of the property to be acquired and the cash requirements of each program;
the effect of the acquisition both on diversification of each program's investments by type of property, geographic area and tenant concentration;

the policy of each program relating to leverage of properties;

the income tax effects of the purchase to each program;

the size of the investment; and

the amount of funds available to each program and the length of time such funds have been available for investment.

If a subsequent development, such as a delay in the closing of a property or a delay in the construction of a property, causes any such investment, in the opinion of the Advisor, to be more appropriate for a program other than the program that committed to make the investment, the Advisor may determine that another program affiliated with the Advisor or its affiliates will make the investment. Our Board of Directors has a duty to ensure that the method used by the Advisor for the allocation of the acquisition of properties by two or more affiliated programs seeking to acquire similar types of properties is applied fairly to us.
