FOR ANNUAL MEETING OF SHAREHOLDERS COMSTOCK MINING INC.

TO BE HELD JUNE 23, 2011

APPROXIMATE DATE OF MAILING JUNE 7, 2011

This Proxy Statement sets forth certain information with respect to the accompanying proxy to be used at the 2011 Annual Meeting (the Meeting) of Shareholders of Comstock Mining Inc., or at any adjournments or postponements thereof, for the purposes set forth in the accompanying Notice of Annual Meeting. The Board of Directors has designated **The Gold Hill Hotel, 1540 Main Street, Virginia City, Nevada 89440**, as the place of the Meeting. The Meeting will be called to order at 9:30 a.m., Pacifica Daylight Time, on Thursday, June 23, 2011.

The Board of Directors solicits this proxy and urges you to vote immediately. Unless the context otherwise indicates, reference to Comstock, we, us, our or the Company means Comstock Mining Inc.

Our Annual Report on Form 10-K for the fiscal year ended December 31, 2010 (the Annual Report), is being mailed concurrently with this Proxy Statement to our shareholders. Our Annual Report is not incorporated by reference into this Proxy Statement and shall not be considered a part of this Proxy Statement or soliciting materials, unless otherwise specifically stated herein.

QUESTIONS AND ANSWERS FOR ANNUAL MEETING

Q: Who is asking for my vote and why am I receiving this document?

A: The Board of Directors asks that you vote on the matters listed in the Notice of Annual Meeting of Shareholders, which are more fully described in this Proxy Statement.

We are providing this Proxy Statement and related proxy card to our shareholders in connection with the solicitation by the Board of Directors of proxies to be voted at the Meeting. A proxy, if duly executed and not revoked, will be voted in accordance with the specific instructions noted on the proxy and, if it does not contain specific instructions, will be voted in accordance with the recommendations of the Board of Directors set forth in this Proxy Statement.

Q: Who is entitled to vote?

A: You may vote if you owned shares of our common stock (Common Stock) or shares of our convertible preferred stock (Preferred Stock) on June 7, 2011, the date established by the Board of Directors under Nevada law and our by-laws for determining shareholders entitled to notice of and to vote at the Meeting. On the record date, there were outstanding 23,882,470 shares of Common Stock and 63,088 shares of Preferred Stock. Each share of Common Stock outstanding on the record date is entitled to one vote. Each share of Preferred Stock outstanding on the record date is entitled to one vote for each share of Common Stock into which such Preferred Stock may be converted on the record date, except with respect to Series A-1 Convertible Preferred Stock, which entitles the holders thereof to five votes for each share of Common Stock into which such Preferred Stock may be converted on the record date.

Q: What is a proxy?

A proxy is your legal designation of another person to vote the stock you own. If you designate someone as your proxy or proxy holder in a written document, that document also is called a proxy or a proxy card. Messrs. William A: Nance and Scott Jolcover have been designated as proxies or proxy holders for the Meeting. Proxies properly executed and received by our Secretary prior to the Meeting and not revoked will be voted in accordance with the terms thereof.

1

Q: What is a voting instruction?

A: A voting instruction is the instruction form you receive from your bank, broker or its nominee if you hold your shares of Common Stock in street name. The instruction form instructs you how to direct your bank, broker or its nominee, as record holder, to vote your shares of Common Stock.

Q: What am I voting on at the Meeting?

A: You will be voting on the following matters at the Meeting:

Election of the five nominees named in this Proxy Statement to the Board of Directors;

Ratification of Deloitte & Touche LLP as independent registered public accounting firm for the Company;

Approval of the adoption of the Comstock Mining Inc. 2011 Equity Incentive Plan (the Plan); and

Any other business that may properly come before the Meeting or any adjournments or postponements thereof.

Q: How many votes must be present to hold the Meeting?

A: In order for the Meeting to be conducted, a majority of the shares entitled to vote as of the record date must be present in person or represented by proxy at the Meeting. This is referred to as a quorum. Abstentions, withheld votes and shares held of record by a bank, broker or its nominee (broker shares) that are voted on any matter (including an abstention or withheld vote by broker shares) are included in determining the number of votes present. Broker shares that are not voted on any matter will not be included in determining whether a quorum is present.

Q: What vote is needed to elect directors?

A: The election of each nominee for director requires the affirmative vote of the holders of a plurality of the shares of Common Stock and Preferred Stock voted in the election of directors.

Q: What vote is needed to ratify the appointment of Deloitte & Touche LLP?

A: The ratification of the appointment of Deloitte & Touche LLP requires that the votes cast in favor of the ratification exceed the number of votes cast in opposition to the ratification.

Q: What vote is needed to approve the adoption of the Plan?

A: The approval of the adoption of the Plan requires that the votes cast in favor of the Plan exceed the number of votes cast in opposition to the Plan.

Q: What are the voting recommendations of the Board of Directors?

A: The Board of Directors recommends that shareholders vote **FOR** all of the proposed nominees for director and **FOR** the Plan.

Q: How do I vote?

A: Registered shareholders (shareholders who hold Common Stock in certificated form as opposed to through a bank, broker, or other nominee) may vote in person at the Meeting or by proxy. Registered shareholders may send their proxies by completing, signing and dating the enclosed proxy card and returning it in the enclosed postage-paid envelope.

Shareholders who hold Common Stock through banks, brokers or other nominees (street name shareholders) who wish to vote at the Meeting should be provided voting instructions from the institution that holds their shares. If this has not occurred, please contact the institution that holds your shares. Street name shareholders may also be eligible to vote their shares electronically by following the voting instructions provided by the bank, broker or other nominee that holds the shares, using either the toll-free telephone number or the Internet address provided on the voting instruction, or otherwise complete, date and sign the voting instruction and return it promptly in the enclosed postage-paid envelope.

The deadline for votes received by mail is 5:00 p.m., Pacific Daylight Time, on June 22, 2011.

Q: Can I attend the Meeting?

The Meeting is open to all holders of our Common Stock and Preferred Stock as of the record date, June 7, 2011.

A: You may vote by attending the Meeting and voting in person. Even if you plan to attend the Meeting, however, we encourage you to vote your shares by proxy. We will not permit cameras, recording devices and other electronic devices at the Meeting.

Q: Can I change or revoke my vote?

A: Any shareholder giving a proxy may change or revoke it at any time before it is voted at the Meeting. A proxy can be changed or revoked by delivering a later dated proxy, or written notice of revocation, to our Secretary at the address listed under Shareholder Proposals, or

appearing at the Meeting and voting in person.

If you decide to vote by completing, signing, dating and returning the enclosed proxy card, you should retain a copy of the proxy card in the event that you decide later to change or revoke your proxy at the Meeting. Your attendance at the Meeting will not itself revoke a proxy.

If you are a shareholder whose stock is held in street name with a bank, broker or other nominee, you must follow the instructions found on the voting instruction card provided by the bank, broker or other nominee, or contact your bank, broker or other nominee in order to change or revoke your previously given proxy.

Q: How will my shares be voted if I sign, date and return my proxy card or voting instruction card, but do not provide complete voting instructions with respect to each proposal?

Shareholders should specify their choice for each matter on the enclosed proxy. If no specific instructions are given, it is intended that all proxies that are signed and returned will be voted **FOR** the election of all nominees for director, **FOR** the ratification of the appointment of Deloitte & Touche LLP and **FOR** the Plan. As to any other A: business that may properly come before the Meeting, the persons named in the enclosed proxy card or voting instruction will vote the shares of Common Stock or Preferred Stock represented by the proxy in the manner as the Board of Directors may recommend, or otherwise in the proxy holders' discretion. The Board of Directors does not presently know of any other such business.

Q: How will my shares be voted if I do not return my proxy card or my voting instruction?

It will depend on how your ownership of shares is registered. If you own your shares as a registered holder, which means that your shares are registered in your name with Corporate Stock Transfer, our transfer agent, your shares will only be voted if Corporate Stock Transfer receives specific voting instructions from you. Otherwise, your A: unvoted shares will not be represented at the Meeting and will not count toward the quorum requirement, which is explained under Questions and Answers How many votes must be present to hold the Meeting? above, unless you attend the Meeting to vote them in person.

If you are a shareholder whose shares of Common Stock are held in street name, which means that your shares are registered in the name of your bank, broker or other nominee, your bank, broker or other nominee may not vote your shares in its discretion (with certain limited exceptions) unless you have provided voting instructions to the bank, broker or its nominee.

Under the rules of the NYSE Amex LLC (**AMEX**), your broker may vote your shares in its discretion on routine matters. Based on the rules of the NYSE, we believe that the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm is a routine matter for which brokerage firms may vote in their discretion on behalf of their clients if no voting instructions are provided. Therefore, if you are a shareholder whose shares of Common Stock are held in street name with a bank, broker or other nominee and you do not return your voting instruction card, your bank, broker or other nominee may vote your shares on the ratification of the appointment by the Audit Committee of Deloitte & Touche LLP as our independent registered public accounting firm.

Q: How are abstentions and broker non-votes counted?

Abstentions and broker non-votes and, with respect to the election of directors, withheld votes, will not be included in the vote totals for the election of directors or the vote totals for the approval of the Plan and thus will not affect the outcome of the vote for these proposals.

Q: Where can I find the results of the Meeting?

We intend to announce preliminary voting results at the Meeting and publish final results through a Current Report on Form 8-K that we will file with the Securities and Exchange Commission (the **SEC**) within four business days of the Meeting.

Q: Who pays for the solicitation of proxies?

A: We will pay for the cost of the solicitation of proxies.

Q: Could other matters be decided at the Meeting?

A: As of the date of the mailing of this Proxy Statement, the Board of Directors did not know of any other business that might be brought before the Meeting. However, if any other matters should properly come before the Meeting or any adjournment or postponement thereof, it is the intention of the persons named in the accompanying proxy to vote on such matters as they, in their discretion, may determine.

Q: Where can I find the corporate governance materials?

Our Corporate Governance Guidelines, including our independence standards for members of the Board of Directors, our Code of Business Conduct and the charters of our Audit and Finance Committee, Compensation Committee and Nominating and Governance Committee, are available on our Internet website at <http://www.comstockmining.com/investors/corporate-governance> and are available in print to any shareholder upon request by contacting our investor relations department as described below.

Box 1118, Virginia City, Nevada 89440, Attention: Chairman of the Nominating and Governance Committee. The Chairman of the Nominating and Governance Committee and his or her duly authorized agents are responsible for collecting and organizing shareholder communications. Absent a conflict of interest, the Chairman of the Nominating and Governance Committee is responsible for evaluating the materiality of each shareholder communication and determining whether further distribution is appropriate, and, if so, whether to (1) the full Board of Directors, (2) one or more committee members, (3) one or more Board members and/or (4) other individuals or entities.

Each nominee has consented to being named as such and to serve as such if elected. Messrs. Jolcover, Nance and Reseigh presently serve as a director. Proxies will be voted for the election of the persons named below (or if for any reason such persons are unavailable, of such substitutes as the Board of Directors may designate) as directors for the ensuing year. The Board of Directors has no reason to believe that any of the nominees will be unavailable. Each nominee who is elected will serve as a director until his or her successor is elected at our 2012 annual meeting of shareholders or until his or her earlier resignation or removal.

Set forth below is information concerning the age, principal occupation, employment and directorships during the past five years and positions with the Company of each nominee and director, the year in which he first became a director of the Company and his term of office as a director. Also set forth below is a brief discussion of the specific experience, qualifications, attributes or skills that led to the conclusion that each nominee and director should serve as a director as of the date of this proxy statement, in light of the Company's business and structure.

Pursuant to the terms of the Company's Series A-1 Convertible Preferred Stock, Mr. Winfield is entitled to a seat on the Board of Directors and is also entitled to designate another member to the Board. He currently serves as Intergroup's Chairman of the Board, President and Chief Executive Officer, having first been appointed as such in 1987. Mr. Winfield also serves as President, Chairman and Chief Executive Officer of Intergroup's subsidiaries, Santa Fe Financial Corporation (Santa Fe) and Portsmouth Square, Inc. (Portsmouth), both public companies. Mr. Winfield has extensive experience as an entrepreneur and investor, as well as managerial and leadership experience from serving as a chief executive officer and director of public companies. Mr. Winfield will serve as Chairman for the Company.

Robert A. Reseigh; age 64; director since September 2008. Mr. Reseigh has over 40 years of experience in the mining and underground construction industries. Following graduation from the Colorado School of Mines in 1968 with a Masters degree in Mining Engineering, and service in the U.S. Army, Mr. Reseigh joined Peter Kiewit Sons and progressively held the positions of Project Engineer, Superintendent, Project Manager, and Estimator before being promoted to District Manager, Vice President, and Area Manager. Bob retired from Kiewit after 18 years of service, and joined Atkinson Construction in the capacity of Executive Vice President where he ran the Underground Group for 15 years prior to joining Barnard Construction where he most recently was a Senior Advisor overseeing the expansion of Barnard's tunnel, shaft construction and rehabilitation businesses.

Mr. Reseigh's career specialized in underground construction, both domestically and overseas. He is one of the most experienced and knowledgeable individuals in the country in deep shaft and drill and blast tunnel work, having been responsible for in excess of 6 miles of shaft sinking and 55 miles of tunnel/horizontal mine development in his career.

In addition, his work has involved both mine development and heavy civil projects, including subways, outfalls, railroads, dams, pump storage, water and sewer, marine construction, and municipal work. Mr. Reseigh served in executive positions at a large mining company and several construction companies during his professional career. His roles encompassed significant operational management, providing him knowledge and experience in an array of functional areas critical to public companies.

He holds an Associates Degree with further studies in Technical Industrial Education from Southern Illinois University. Mr. Jolcover's mining experience and his broad knowledge of precious metals mining in the Comstock District led the Board to conclude that he should serve as one of its directors.

Corrado De Gasperis; age 45; Mr. De Gasperis was elected as President and CEO of the Company in April 2010. In addition to serving as President and CEO of the Company, Mr. De Gasperis is also the Company's Principal Financial Officer. Barzel operated a network of 15 manufacturing, processing and distribution facilities in the United States and Canada that offered a wide range of metal solutions to a variety of industries, from construction and industrial manufacturing to transportation, infrastructure development and mining. Mr. De Gasperis resigned from Barzel in September 2009, after Barzel reached an agreement to sell substantially all of its assets in a planned transaction that was consummated in a sale pursuant to Section 363 of the U.S. Bankruptcy Code following a multiple party bidding process with suitors focused on both in-court and out-of-court transactions. Barzel and substantially all of its U.S. and Canadian subsidiaries entered into an Asset Purchase Agreement with Chriscott USA Inc. and 4513614 Canada Inc. pursuant to which certain liabilities of Barzel were assumed and substantially all of the assets of Barzel and all of its outstanding stock were purchased for \$65.0 million in cash.

The Board of Directors recommends that shareholders vote FOR all of the nominees listed above.

We are managed under the direction of the Board of Directors, which has adopted Corporate Governance Guidelines to set forth certain corporate governance practices. The Corporate Governance Guidelines are available on our website at <http://www.comstockmining.com/investors/corporate-governance>. The information contained on our website is not part of this Proxy Statement.

Independence of Directors

The Board of Directors has determined that Messrs. Jolcover, Nance and Reseigh are independent directors within the listing standards of the Amex and the independence standards of our Corporate Governance Guidelines.

In order for a director to be considered independent by the Board of Directors, he or she must (1) be free of any relationship that, applying the rules of the AMEX, would preclude a finding of independence and (2) not have any material relationship (either directly or as a partner, shareholder or officer of an organization) with us or any of our affiliates or any executive officer of us or any of our affiliates (exclusive of relationships based solely upon investment). In evaluating the materiality of any such relationship, the Board of Directors takes into consideration whether disclosure of the relationship would be required by the proxy rules under the Exchange Act. If disclosure of the relationship is required, the Board of Directors must make a determination that the relationship is not material as a prerequisite to finding that the director is independent.

Board of Directors Meetings

The Board of Directors meets on a regularly scheduled basis during the year to review significant developments affecting us and to act on matters requiring Board of Directors approval, and may hold special meetings between scheduled meetings when appropriate. During 2010, the Board of Directors held seven meetings. Each of the directors attended over 75% of the aggregate of (1) the total number of meetings of all committees of the Board of Directors on which the director then served and (2) the total number of meetings of the Board of Directors.

Board of Directors Leadership Structure and Role in Risk Oversight

Our Company is led by William J. Nance, who has served as our Chairman of the Board since 2007. On an annual basis, each director and executive officer is obligated to disclose any transactions with our Company and any of its subsidiaries in which a director or executive officer, or any member of his or her immediate family, have a direct or indirect material interest. Based on these disclosures, the Board of Directors has determined that each of our nominees, with the exception of Mr. De Gasperis and Mr. Winfield, qualify as independent under the listing standards of AMEX, federal securities laws and SEC rules with respect to members of boards of directors and members of all board committees on which he serves.

The Board is responsible for overseeing risk management, and receives periodic reports from management. The Board leadership structure is used by other smaller reporting companies in the United States, and we believe that this leadership structure is effective for the Company. We believe that having a separate Chairman and President is the correct form of leadership for our Company. We have two leaders for our Company and oversight of Company

operations by experienced directors. We believe that our directors provide effective oversight of the risk management function, especially through dialogue between the Board and our management.

The Nominating and Governance Committee of the Board reviews at least annually the skills and characteristics of new and existing directors, including diversity.

Board

On December 31, 2010, our Board adopted Corporate Governance Guidelines, a Code of Conduct and a written charter for each committee that, at a minimum, are intended to satisfy the requirements of the listing standards of the AMEX. These guidelines cover such matters as purpose and powers, composition, meetings,

procedures, required responsibilities and discretionary activities which our Board or the appropriate committee should periodically consider undertaking. Each committee is authorized to exercise all power of our Board with respect to matters within the scope of its charter.

Our Corporate Governance Guidelines and committee charters are not intended to, and do not, expand or increase the duties, liabilities or responsibilities of any director under any circumstance beyond those that a director would otherwise have under applicable laws, rules and regulations in the absence of such Governance Guidelines or charters.

Corporate Governance Guidelines

The Governance Guidelines provides, among other things, that:

a majority of the directors shall be independent within the meaning of the listing standards of the AMEX; if a member of the Audit and Finance Committee simultaneously serves on an audit committee of more than three public companies, our Board must determine that such simultaneous service would not impair the ability of such member to effectively serve on the Audit and Finance Committee; our Board shall meet in regular sessions at least four times annually (including telephonic meetings and the annual retreat described below); our Board may have an annual retreat with executive officers at which there will be a full review of financial statements and financial disclosures, long-term strategies, plans and risks, and current developments in corporate governance; and

Mr. Faber is the only member of management who currently serves as a Comstock director. All of our non-management directors and nominees except Mr. Winfield, are independent under applicable AMEX guidelines.

Code of Conduct

The Code of Conduct applies to all employees, including senior executives and financial officers, as well as to all directors. It is intended, at a minimum, to comply with the listing standards of the AMEX, as well as the Sarbanes-Oxley Act of 2002 and the SEC rules adopted thereunder. Only our Board or the Audit and Finance Committee may waive the provisions of our Code of Conduct and Ethics with respect to executive officers and directors.

Board Committees

The Board has established three standing committees, the Audit and Finance Committee, the Compensation Committee and the Nominating and Governance Committee, and periodically establishes other committees, in each case so that certain important matters can be addressed in greater depth than may be possible in a meeting of the entire Board. Under the committee charters described below, members of the three standing committees must be independent directors within the meaning of the listing standards of the NYSE Amex. Further, members of the Audit and Finance Committee must be independent directors within the meaning of the Sarbanes-Oxley Act of 2002, must satisfy the expertise requirements of the listing standards of the AMEX and must include an audit committee financial expert within the meaning of the SEC rules. Our Board has determined that the three standing committees currently consist of members who satisfy such requirements.

Audit and Finance Committee

The Audit and Finance Committee assists our Board in discharging and performing its duties and responsibilities with respect to the financial affairs of the Company.

Without limiting the scope of such activities, the Audit and Finance Committee has responsibility to, among other things:

select, retain, determine appropriate compensation of (and provide for payment of such compensation), evaluate and, as appropriate, terminate and replace the independent registered public accounting firm;

9

review and, as appropriate, approve, prior to commencement, all audit and non-audit services to be provided by the independent registered public accounting firm;

review regularly with management, the director of internal audit and the independent registered public accounting firm any audit problems or difficulties and management's responses thereto;

resolve or direct the resolution of all material disagreements between management and the independent registered public accounting firm regarding accounting and financial reporting;

review with management and the independent registered public accounting firm, among other things, all reports delivered by the independent registered public accounting firm with respect to critical accounting policies and practices used, alternative treatments of financial information available under generally accepted accounting principles and other written communications between the independent registered public accounting firm and management, together with their ramifications and the preferred treatment by the independent registered public accounting firm;

meet at least once annually with management, the director of the internal audit department, the General Counsel and the independent registered public accounting firm in separate sessions;

assess the adequacy of codes of conduct, including codes relating to ethics, integrity, conflicts of interest, confidentiality, public disclosure and insider trading and, as appropriate, adopt changes thereto;

direct the establishment and maintenance of procedures for the receipt and retention of, and the treatment of, complaints received regarding accounting, internal control or auditing matters; and

direct the establishment and maintenance of procedures for the confidential and anonymous submission by employees of concerns regarding questionable accounting or auditing matters.

Members of the Audit and Finance Committee are William J. Nance and Scott Jolcover. Winfield as a director; and, provided further that pursuant to the terms of the employment agreement of Mr. De Gasperis, the Company agreed to take and cause to be taken all such action as may be necessary to elect Mr. De Gasperis as a director of the Company under certain circumstances, which circumstances were satisfied in October 2010.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Board of Directors has adopted a written related person transaction policy that governs the review, approval or ratification of covered related person transactions. The Audit and Finance Committee manages this policy. The policy generally provides that we may enter into a related person transaction only if the Audit and Finance Committee approves or ratifies such transaction in accordance with the guidelines set forth in the policy and if the transaction is on terms comparable to those that could be obtained in arm's length dealings with an unrelated third party; or the transaction is approved by the disinterested members of the Board of Directors; or the transaction involves compensation approved by our Executive Compensation Committee. For information about certain relationships between our director nominees and the Company, please see below:

Northern Comstock LLC

On October 20, 2010, the Company entered into an operating agreement to form Northern Comstock LLC (Northern Comstock) with Mr. Winfield, and an entity controlled by Mr. Winfield, DWC Resources, Inc. (DWC). As part of the operating agreement, the Company obtained the exclusive rights of production and exploration on certain property formerly owned by DWC in Storey County, Nevada (the DWC Property) and two parcels leased by Mr. John Winfield in Storey County, Nevada from the Sutro Tunnel Company (the Sutro Property) and Virginia City Ventures (the VCV Property).

Pursuant to the terms of the Operating Agreement for Northern Comstock, DWC Resources, Inc. contributed the DWC Property to Northern Comstock and John Winfield contributed his rights under the Sutro Property and the VCV Property to Northern Comstock. The Company contributed 862.5 shares of Series A-1 Preferred Stock and will contribute its services in the area of mine exploration, development and production to Northern Comstock. The terms of the Operating Agreement provide that on each anniversary of the Operating Agreement, up to and including the thirty-ninth (39th) anniversary, the Company will make additional capital contributions in the amount of \$862,500, in the form of Series A-1 Preferred Stock or cash (upon request of Northern Comstock, which request for cash can be denied by the Company in certain circumstances). Under certain circumstances, the additional capital contributions can be accelerated. The Company had previously entered into letters of intent with respect to the DWC Property and Sutro Property on August 13, 2008, the terms of which were expressly superseded by the Operating Agreement.

The Operating Agreement further provides the Company with the exclusive rights of development, production, mining and exploration on the respective properties and requires the Company to make certain capital expenditures of not less than \$750,000 over five years with respect to each parcel. Under the terms of the Operating Agreement: (i) all cash flows from the bullion or other minerals recovered from the ore mined out of the ground but untreated and minerals produced from the milling or reduction of ore to a higher grade produced from the DWC Property, Sutro Property or VCV Property, as applicable, or finished products produced from any such property, will be distributed to the Company after certain distributions to the other members of Northern Comstock of up to 6% of net smelter returns with respect to DWC and 2% with respect to Mr. Winfield, in each case subject to the price of gold per ounce and the amount of ounces produced; (ii) an annual distribution of 500 and 362.5 shares of Series A-1 Preferred Stock will be set aside for distribution to DWC and Mr. Winfield, respectively, but such distribution will be retained by Northern Comstock unless DWC and Mr. Winfield otherwise instruct the Company to distribute the shares to them (subject to the limitations mentioned above); and (iii) all other distributions of cash or other property of Northern Comstock shall be permitted only with the prior written consent of all members. In accordance with the Operating Agreement, Northern is managed, and the conduct of its affairs, operations and activities are controlled, exclusively by or under the direction of Mr. Winfield; however, given that the exclusive right to perform the primary business of Northern

Comstock is granted to the Company under the Operating Agreement, the only actions left to be performed by Mr. Winfield, as manager, are generally ministerial in nature such as maintaining books and records relating to capital contributions and distributions.

Mineral production from the DWC-contributed property is subject to a royalty on a sliding scale. At gold prices over \$750 per ounce, production of the first 500,000 ounces is subject to a 3% NSR. Production over 500,000 ounces is subject to a 6% NSR. Mineral production from the DWC-contributed property is also subject to a 1% NSR payable to Mr. Art Wilson.

Mineral production on the Sutro property is subject to a royalty on a sliding scale to John Winfield. At gold prices over \$250 per ounce, production of the first 500,000 ounces is subject to a 1% NSR. Production over 500,000 ounces is subject to a 2% NSR. A separate royalty of 5% NSR is also payable to the Sutro Tunnel Company on all production from the property. Mineral production from the VCV property is subject to a 5% NSR.

Tax Indemnification

On October 20, 2010, the Company exchanged all of its senior secured convertible and senior indebtedness owed to Mr. Winfield and certain affiliated entities (the Winfield Group) for newly created Series A-1 Preferred Stock. At December 31, 2010, the Winfield Group, collectively, was the beneficial owner of 64.9% of our outstanding common shares. In connection with the retirement of the former indebtedness, each member of the Winfield Group agreed that if any taxing authority makes a determination that the value of any of the Series A-1 Preferred Stock delivered to such member is properly treated as ordinary income to such member (a Proposed Adjustment), he or it will exercise and pursue in good faith any and all administrative rights to appeal such Proposed Adjustment, including, without limitation, by filing a protest, petition, or any other document that preserves his or its right to appeal such Proposed Adjustment. The Company agreed that, if a final, non-appealable administrative determination (an Administrative Determination) is made that the value of any portion of the Series A-1 Preferred Stock is properly treated as ordinary income to such member of the Winfield Group, it will indemnify such member for (i) any incremental federal, state and local income tax, penalties and interest such member is actually obligated to pay out-of-pocket as a result of such determination, after taking into account (a) all increases in federal, state and local income taxes actually payable as a result of the receipt of any such indemnity payment and (b) the deduction to which such member would be entitled for federal income tax purposes for state and local income taxes paid (the Indemnity Amount), and (ii) its reasonable legal and accounting expenses incurred with respect to the protest of the Proposed Adjustment. The Company may at its option, pay the Indemnity Amount either in cash or in a number of common shares equal to the Indemnity Amount divided by the average of the volume weighted average closing prices of common shares for the 5 consecutive trading days ending on the trading day that is immediately prior to the date of such payment.

Special Voting Rights

Provided that at least 25% of the preferred shares of the Company issued on or prior to October 20, 2010, including the Series A-1 Preferred Stock (the Preferred Shares), are still outstanding, and as long as the Winfield Group still holds at least 25% of the Preferred Shares, the Company shall not, without the affirmative vote of the Winfield Group, enter into any transaction for the acquisition of any business, property or asset pursuant to which the Company will incur indebtedness to finance such acquisition in principal amount in excess of \$500,000, pay any dividends to holders of Preferred Shares in cash in an amount to exceed \$500,000, engage in a private placement or public offering of any common stock or common stock equivalents of the Company, enter into a Change of Control Transaction, as defined in each certificate of designation of the Company or enter into any transaction that would constitute a Fundamental Transaction, as defined in each certificate of designation of the Company.

Further, provided that the Winfield Group holds 25% or more of the Preferred Shares, (i) Mr. Winfield will be a member of the Company's board of directors and (ii) the Winfield Group shall have the right, upon written request to the Company, to nominate a member of the Company's board of directors (Board Nominee) and the Company shall take or cause to be taken all actions so that Mr. Winfield and the Board Nominee are each nominated and recommended for re-election to the board. The Board Nominee shall meet the requirements for an independent director under the listing rules of the principal exchange or market on which the common stock of the Company is then listed, satisfy the requirements set forth in the Company's Corporate Governance Guidelines and Nominating and Governance Committee Charter as reasonably determined by the Nominating and Governance Committee of the board, and not be prohibited from serving as a director of the Company under Section 8 of the Clayton Antitrust Act

or any other applicable law. Alternatively, the Winfield Group can designate as the Board Nominee a member of the then existing board of directors.

- The amounts in this column reflect the aggregate grant date fair value of stock awards and option awards computed in accordance with FASB ASC Topic 718. Our Company recognizes stock-based compensation expense over the requisite service period of the individual grant, which generally equals the vesting period. The fair value of the award is based upon the market price, volatility, the risk-free interest rate, and dividend yields of the underlying common stock as of the date of grant and is amortized over the applicable vesting period using the straight-line method. The Company uses newly issued shares of common stock to satisfy option exercises and stock awards. The fair value of each option grant was estimated at the date of grant using the Black-Scholes-Merton option-pricing model. Black-Scholes-Merton utilizes assumptions related to volatility, the risk free interest rate, the dividend yield, and employee exercise behavior. Expected volatilities utilized in the model are based primarily on the historical volatility of the common share price and other factors.

Rights on Termination of Employment. If Mr. De Gasperis employment is terminated without cause, if his employment is terminated due to his disability or if he resigns for good reason (each term as defined in his agreement), subject to his executing a release in our favor, Mr. De Gasperis shall be entitled to:

THE AUDIT AND FINANCE COMMITTEE REPORT

The Audit and Finance Committee of the Board of Directors is composed of two independent directors and operates under a written charter adopted by the Board of Directors. The Audit and Finance Committee approves the selection of our independent registered public accounting firm.

Management is responsible for our disclosure controls, internal controls and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of our consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and for issuing a report thereon. The Audit and Finance Committee's primary responsibility is to monitor and oversee these processes and to report thereon to the Board of Directors. In this context, the Audit and Finance Committee has met privately with management, the internal auditors and Deloitte & Touche LLP, our independent registered public accounting firm, all of whom have unrestricted access to the Audit and Finance Committee.

The Audit and Finance Committee has discussed with Deloitte & Touche LLP the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU Section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T, including the scope of the auditor's responsibilities and whether there are any significant accounting adjustments or any disagreements with management.

The Audit and Finance Committee also has received the written disclosures and the letter from Deloitte & Touche LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence, and has discussed with Deloitte & Touche LLP that firm's independence from the Company.

The Audit and Finance Committee has reviewed and discussed the consolidated financial statements with management and Deloitte & Touche LLP. Based on this review and these discussions, the representation of management that the consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the report of Deloitte & Touche LLP to the Audit and Finance Committee, the Audit and Finance Committee recommended that the Board of Directors include the audited consolidated financial statements in our Annual Report on Form 10-K for the year ended December 31, 2010 filed with the SEC.

The Audit and Finance Committee also reviews with management and the independent registered public accounting firm the results of that firm's review of the unaudited financial statements that are included in our quarterly reports on Form 10-Q.

Audit and Finance Committee Pre-Approval Policy

The charter of our Audit and Finance Committee provides that the duties and responsibilities of our Audit and Finance Committee include the pre-approval of all audits, audit-related, tax, and other services permitted by law or applicable SEC regulations (including fee and cost ranges) to be performed by our independent auditor. Any pre-approved services that will involve fees or costs exceeding pre-approved levels will also require specific pre-approval by the Audit and Finance Committee. Unless otherwise specified by the Audit and Finance Committee in pre-approving a service, the pre-approval will be effective for the 12-month period following pre-approval. The Audit and Finance Committee will not approve any non-audit services prohibited by applicable SEC regulations or any services in connection with a transaction initially recommended by the independent auditor, the purpose of which may be tax avoidance and the tax treatment of which may not be supported by the Internal Revenue Code and related regulations.

To the extent deemed appropriate, the Audit and Finance Committee may delegate pre-approval authority to the Chairman of the Audit and Finance Committee or any one or more other members of the Audit and Finance Committee provided that any member of the Audit and Finance Committee who has exercised any such delegation must report any such pre-approval decision to the Audit and Finance Committee at its next scheduled meeting. The Audit and Finance Committee will not delegate to management the pre-approval of services to be performed by the independent auditor.

Our Audit and Finance Committee requires that our independent auditor, in conjunction with our Principal Financial Officer, be responsible for seeking pre-approval for providing services to us and that any request for pre-approval must inform the Audit and Finance Committee about each service to be provided and must provide detail as to the particular service to be provided. Our Audit and Finance Committee Chair and Audit and Finance Committee Financial Expert is Mr. William J. Nance.

Fees Billed by our Auditors

The Audit and Finance Committee reviews the fees charged by our independent registered public accounting firm. During the fiscal years ended December 31, 2010 and December 31, 2009, we were billed the following fees set forth below in connection with services rendered by that firm to us.

PROPOSAL NO. 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed Deloitte & Touche LLP, an independent registered public accounting firm, as our independent registered public accounting firm for the fiscal year ending December 31, 2011. A representative of Deloitte & Touche LLP is expected to be present at the Meeting with an opportunity to make a statement and to be available to respond to appropriate questions.

Deloitte & Touche LLP's principal function is to audit the consolidated financial statements of the Company and its subsidiaries and, in connection with that audit, to review certain related filings with the SEC and to conduct limited reviews of the financial statements included in our quarterly reports.

The Board of Directors and Audit Committee recommend that shareholders vote FOR ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2011.

Appointment of our independent registered public accounting firm is not required to be submitted to a vote of the shareholders of the Company for ratification by our by-laws or otherwise. However, the Board of Directors is submitting the appointment of Deloitte & Touche LLP to the shareholders for ratification as a matter of good corporate practice. If the shareholders do not ratify the appointment, the Audit Committee will reconsider whether to retain the firm. In such event, the Audit Committee may retain Deloitte & Touche LLP, notwithstanding the fact that the shareholders did not ratify the appointment or may select another nationally recognized accounting firm without resubmitting the matter to shareholders. Even if the appointment is ratified, the Audit Committee reserves the right, in its discretion, to select a different nationally recognized accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its shareholders. Under the Sarbanes-Oxley Act of 2002 and the rules of the SEC promulgated thereunder, the Audit Committee is solely responsible for the appointment, compensation and oversight of the work of our independent registered public accounting firm.

PROPOSAL NO. 3 PROPOSAL TO APPROVE THE ADOPTION OF THE COMSTOCK MINING INC. 2011 EQUITY INCENTIVE PLAN.

General

Stockholders of the Company are being asked to approve the Comstock Mining Inc. 2011 Equity Incentive Plan (*Plan*). If approved by stockholders, the Plan will replace the equity plans previously adopted by the Company, including, without limitation, those adopted in 2005 and 2006 (the *Existing Plans*) which will be frozen and will remain in effect only to the extent of awards outstanding under the Existing Plans as of the date the stockholders approve the Plan (no future awards under the Existing Plans will be made after stockholder approval of the Plan). The Board of Directors approved the Plan on June 6, 2011, subject to stockholder approval at the annual meeting.

The Company's philosophy is to align total compensation with the goal of the Company for creating wealth, in the same manner, for all stakeholders. The adoption of the Plan is intended to support that philosophy and the interest of the Company and its stockholders by providing appropriate forms of stock-based compensation alternatives that strengthen the ability of the Company to attract, motivate and retain directors, employees and others in a position to affect the financial and operational performance of the Company. If approved, the Plan will be an important component of the total compensation package offered to employees and directors, reflecting the importance that Comstock places on motivating and rewarding superior results with long-term, performance-based incentives.

The Board of Directors recommends that stockholders vote *FOR* the proposal to approve the Comstock Mining Inc. 2011 Equity Incentive Plan. Proxies solicited and received by the Board of Directors will be voted *FOR* this proposal.

Description of the Plan

The following is a summary of the principal features of the Plan and its operation and is qualified by reference to the full text of the Plan, a copy of which is attached as Appendix A to this Proxy Statement.

Administration. The Plan will be administered by the Compensation Committee (*Committee*). Subject to the terms of the Plan, the Committee has the power to select the executive officers (including *covered employees* as defined in Internal Revenue Code Section 162(m)) who are eligible to receive awards under the Plan, the type and amount of incentive awards to be awarded, and the terms and conditions of such awards and to otherwise approve the total amount of awards that may be granted to different levels of employees in Comstock. The Committee may delegate its authority under the Plan described in the preceding sentence to officers or other employees of Comstock, but may not take any action in contravention of Rule 16b-3 promulgated under the Exchange Act, the performance-based compensation exception under Internal Revenue Code Section 162(m), or the Sarbanes-Oxley Act of 2002. The Committee also has the authority to interpret the Plan and establish, amend or waive rules necessary or appropriate for the administration of the Plan. The Board may administer the Plan in place of the Committee. The Company intends to file a registration statement on Form S-8, pursuant to which shares of the Company's common stock issued under the Plan may be offered and sold.

Eligibility. Any employee of Comstock or a subsidiary of Comstock providing services to Comstock or any of its subsidiaries who is specifically identified by the Committee, and any non-employee director of Comstock or any of its subsidiaries is eligible to receive awards under the Plan. While all of our employees and non-employee directors would be eligible to participate in the Plan, it is expected that most awards under the Plan would be made to our senior officers, managers, and technical and professional personnel. The approximate number of persons in each category of participants is: named executive officers (2); non-executive director group (4); and non-executive officer employee group (23).

Shares Subject to the Plan. The maximum number of shares of the Company's common stock, par value \$0.000666 per share, that may be delivered pursuant to awards granted under the Plan is 6,000,000 shares of common stock. Any shares subject to an award under the Plan that are forfeited or terminated, expire unexercised, lapse or are otherwise canceled in a manner such that the shares of common stock covered by such award are not issued may be used again for awards under the Plan. The maximum number of shares

deliverable pursuant to awards granted under the Plan is subject to adjustment by the Committee in the event of certain dilutive changes in the number of outstanding shares. Upon stockholder approval of the Plan, the Existing Plans will no longer be available for use for new awards. The closing sales price of the Company's common stock on June 3, 2011 was \$3.02.

Awards Available for Grant. Awards may be made under the Plan in the form of options (incentive stock options or nonqualified stock options), stock grants (whether or not subject to restrictions and other stock based awards (which would include stock appreciation rights, stock units and dividend equivalents, among others), or any combination of the foregoing. The administrator of the Plan may make grants under the Plan at any time after it is adopted by the Board of Directors. Grants made prior to approval of the Plan by the stockholders that are intended to be 162(m) Awards will be subject to and contingent on the stockholders' approval. If the stockholders fail to approve the Plan at the annual meeting, the Plan will terminate and no further grants may be made under the Plan and the Existing Plans will continue according to their terms as in effect prior to the Board of Directors' approval of the Plan. Any grants made prior to the stockholders meeting, but after Board of Directors' approval (that are not subject to stockholder approval under the Plan) will remain outstanding in accordance with the original terms of the grant.

No more than 6,000,000 shares of common stock may be issued under the Plan or transferred upon exercise or settlement of incentive stock options. Awards with respect to shares of common stock, other than dividend equivalents, granted to any one individual under the Plan may not be made with respect to more than 3,000,000 shares of common stock, in the aggregate, in any consecutive 12-month period, subject to adjustment as described in the Plan.

Adjustment of Shares. If (i) any reincorporation, recapitalization, reorganization, reclassification, stock dividend, stock split, reverse stock split or other change in the capital stock of the Corporation shall occur, (ii) any asset or stock acquisition or divestiture, merger, consolidation, share exchange, spin-off, split-up or other business combination involving the Company shall occur, (iii) any unusual and material impairment, judgment, settlement, change in accounting principles, change in tax or other laws, rules or regulations, change in fiscal year, gain or loss or other corporate event or transaction involving the Company shall occur or (iv) any dividend or distribution (other than a cash dividend that is ordinary in nature and amount) shall be declared or made with respect to the Common Stock or if any Change in Control shall occur, the number of shares deliverable upon the exercise of, or in respect of, an award under the Plan shall be appropriately increased or decreased, and appropriate adjustments shall be made including, in the purchase price or exercise price per share, and the number of shares available under the Plan, and other terms of the awards to reflect such events, as determined by the administrator.

Amendment of the Plan. The Board of Directors has the power and authority to terminate or amend the Plan at any time; provided, however, that, to the extent that the Board of Directors determines that the listing requirements of any national securities exchange or quotation system on which Comstock's common stock is then listed or quoted, or the Internal Revenue Code or related Treasury regulations, require stockholder approval in order to maintain compliance with such listing requirements or to maintain any favorable tax advantages or qualifications, then the Plan shall not be amended without approval of the Company's stockholders. No amendment to the Plan may adversely affect any rights of a holder of an outstanding award under the Plan without such holder's consent. The Committee may amend any grant letter at any time. No amendment to the Plan and no amendment to any award agreement may materially adversely affect any rights of a holder of an outstanding award under the Plan without the holder's consent, unless the right has been reserved in the Plan or award agreement.

The Plan contains limitations with respect to awards that may be made. If stockholders approve the Plan, the following limitations will apply to any awards made under the Plan:

Transferability. Rights under any award granted under the Plan may be transferred only as may be approved by the Committee. However, incentive stock options will in all events be nontransferable otherwise than by will or the laws of descent and distribution.

Change in Control. It is expected that the award agreements will provide that in the event of a Change in Control (as defined in the Plan), all outstanding awards will become 100% vested, free of all restrictions, immediately and fully exercisable, and deemed earned in full and payable as of the day immediately preceding the Change in Control.

Repricing. The Committee generally may not reprice, replace or regrant or modify the exercise price or base price of any award granted under the Plan other than that which occurs as a result of an adjustment of shares, as described above. This limitation is more fully described in the Plan

Deferrals. The Committee may permit the deferral of settlement of awards granted under the Plan.

Termination of the Plan. The Plan will terminate no later than the day before the tenth anniversary of the date the Board of Directors approved the Plan, unless the Plan is terminated earlier.

Award Agreements and Term. All awards under the Plan will be authorized by the Committee and evidenced by an award agreement setting forth the terms and conditions of such award. An award agreement may, but need not be, executed or acknowledged by the recipient of the award. No new awards may be granted under the Plan after ten years from the date on which it is approved by the Board of Directors.

Stock Options. A grant of a stock option entitles a participant to purchase from Comstock a specified number of shares of Comstock's common stock at a specified price per share. In the discretion of the Committee, stock options may be granted as nonqualified stock options or incentive stock options, but incentive stock options may only be granted to employees of Comstock or a subsidiary. No stock options may be exercisable for more than ten years from the date of grant.

The Committee may fix any price as the purchase price per share of the Company's common stock which may be purchased under a stock option, but the purchase price must be at least equal to the fair market value of the Company's common stock on the date of grant. The purchase price for shares of common stock acquired on exercise of a stock option must be paid in cash or, if approved by the Committee, by (i) delivery of shares of Comstock's common stock by the optionee with a fair market value equal to the exercise price of the stock option, (ii) the withholding of shares that would otherwise be issuable upon exercise, (iii) participation in a broker-assisted cashless exercise arrangement, or (iv) other methods outlined in the Plan, including a combination of payment methods.

Stock Appreciation Rights (SARs). The grant of an SAR provides the holder with the right to receive a payment in shares of Comstock's common stock equal to the excess of the fair market value of a specified number of shares of common stock on the date the SAR is exercised over an SAR price specified in the applicable award agreement. The SAR price specified in an award agreement must be equal to or greater than the fair market value of Comstock's common stock on the date of the grant of the SAR. No SAR may be exercisable for more than ten years from the date of grant.

Restricted Stock. A grant of restricted stock is an award of shares of Comstock's common stock subject to restrictions or limitations set forth in the Plan and in the related award agreement. The award agreement for restricted stock will specify the time or times within which such award may be subject to forfeiture and any performance goals or employment goals that must be met in order to remove any restrictions on such award. Except for limitations on transfer or limitations set forth in the applicable award agreement, holders of restricted stock shall have all of the rights of a shareholder of the Company, including the right to vote the shares, and the right to receive any dividends thereon, unless otherwise provided in the applicable award agreement.

Other Awards. The Committee may grant to any participant other forms of awards payable in shares of Comstock's common stock or cash including Phantom Stock Awards, Restricted Stock Unit Awards, and others described in the

Plan. The terms and conditions of such other form of award shall be specified by the applicable award agreement. Such other awards may be granted for no cash consideration, other than services already rendered, or for such other consideration as may be specified by the award agreement.

Performance-Based Awards. Awards may be granted under the Plan that are subject to the attainment of pre-established performance goals (or objectives) over a specified performance period. Performance-based awards may be payable in stock or cash. The award agreement for a performance-based award will specify the performance period, the performance (objectives) to be achieved during the performance period, and the maximum or minimum settlement values. Performance (objectives) set by the Committee may relate to any of the following: stock price; earnings or earnings per share; stockholder return; return on capital, investment or stockholders' equity; cash flow or throughput; return on assets employed; operating profit; working capital; market share; net worth; inventory turnover; completion of significant projects or implementation of significant new processes; or achievement of strategic objectives.

Termination of Employment, Death, Disability and Retirement. The Committee shall specify in each award agreement the terms and conditions for becoming vested in, and exercising (where applicable), awards upon a participant's termination of employment, death and disability.

Federal Income Tax Consequences

The following is a general summary as of the date of this Proxy Statement of the United States federal income tax consequences associated with the grant of awards under the Plan. The federal tax laws may change and the federal, state and local tax consequences for any participant will depend upon his or her individual circumstances. Also, this information may not be applicable to employees or to participants who are not residents of the United States. Participants have been and are encouraged to seek the advice of a qualified tax advisor regarding the tax consequences of participation in the Plan.

Nonqualified Stock Options. A participant receiving a nonqualified stock option will not recognize income and the Company will not be allowed a deduction at the time the option is granted. When a participant exercises a nonqualified stock option, the participant will have ordinary income equal to the excess, if any, of the fair market value of the stock on the date of exercise over the option price. The Company will be entitled to a deduction for federal income tax purposes in an equal amount. When a participant disposes of shares acquired by the exercise of the option, any amount received in excess of the fair market value of the shares on the date of exercise will be treated as short-term or long-term capital gain, depending upon whether the participant held the shares for more than one year following the exercise of the option. If the amount received is less than the fair market value of the shares on the date of exercise, the loss will be treated as short-term or long-term capital loss, depending upon whether the participant held the shares for more than one year following the exercise of the option.

Incentive Stock Options. Incentive stock options granted under the Plan are intended to meet the requirements of Internal Revenue Code Section 422 to qualify as incentive stock options. A participant receiving a grant of incentive stock options will not recognize income and the Company will not be allowed a deduction at the time such an option is granted. When a participant exercises an incentive stock option while employed by the Company or within the three-month (one year for disability) period after termination of employment, no ordinary income will be recognized by the participant at that time (and no deduction will be allowed to the Company) but the excess of the fair market value of the shares acquired by such exercise over the option price will be taken into account in determining the participant's alternative minimum taxable income for purposes of the federal alternative minimum tax. If the shares acquired upon exercise are not disposed of until more than two years after the date of grant and one year after the date of transfer of the shares to the participant (statutory holding periods), the excess of the sale proceeds over the aggregate option price of such shares will be taxable as long-term capital gain, and the Company will not be entitled to any federal income tax deduction. Except in the event of death, if the shares are disposed of prior to the expiration of the statutory holding periods (a Disqualifying Disposition), the excess of the fair market value of such shares at the time of exercise over the aggregate option price (but not more than the gain on the disposition if the disposition is a

transaction on which a loss, if sustained, would be recognized) will be ordinary income at the time of such Disqualifying Disposition (and the Company will be entitled to a federal tax deduction in a like amount), and the balance of the gain, if any, will be capital gain (short-term or long-term depending upon whether the participant held the shares for more than one year following the exercise of the option). To the extent that the aggregate fair market value of stock (determined on the date of grant) with respect to which incentive options become exercisable for the first time during any calendar year exceeds \$100,000, such excess options will be treated as nonqualified options.

Payment Using Shares. If a participant pays the exercise price of a nonqualified or incentive stock option with previously-owned shares of Comstock's common stock and the transaction is not a Disqualifying Disposition, the shares received equal to the number of shares surrendered are treated as having been received in a tax-free exchange.

The shares received in excess of the number surrendered will not be taxable if an incentive stock option is being exercised, but will be taxable as ordinary income to the extent of their fair market value if a nonqualified stock option is being exercised. The participant does not recognize income and the Company receives no deduction as a result of the tax-free portion of the exchange transaction. If the use of previously acquired incentive stock option shares to pay the exercise price of another incentive stock option constitutes a Disqualifying Disposition, the tax results are as described in the preceding paragraph. The income treatment will apply to the shares disposed of, but will not affect the favorable tax treatment of the shares received.

Restricted Stock. While a Restricted Stock Award remains unvested or otherwise subject to a substantial risk of forfeiture, a participant will not recognize compensation income and the Company will not be allowed a deduction. When an award vests or otherwise ceases to be subject to a substantial risk of forfeiture, the excess of the fair market value of the award on the date of vesting or the cessation of the substantial risk of forfeiture over the amount paid, if any, by the participant for the award will be ordinary income to the participant and will be claimed as a deduction for federal income tax purposes by the Company (subject to Internal Revenue Code Section 162(m)). Upon disposition of the shares received, the gain or loss recognized by the participant will be treated as capital gain or loss, and the capital gain or loss will be short-term or long-term depending upon whether the participant held the shares for more than one year following the vesting or cessation of the substantial risk of forfeiture. However, by filing a Section 83(b) election with the Internal Revenue Service within 30 days after the date of grant, a participant's ordinary income and commencement of holding period and the Company's deduction will be determined as of the date of grant. In such a case, the amount of ordinary income recognized by such a participant and deductible by the Company will be equal to the excess of the fair market value of the award as of the date of grant over the amount paid, if any, by the participant for the award. If such election is made and a participant thereafter forfeits his or her award, no refund or deduction will be allowed for the amount previously included in such participant's income.

Stock Appreciation Rights and Phantom Stock Awards. A participant granted SARs, phantom stock awards, performance awards or other awards under the Plan generally will not recognize income and Comstock will not be allowed a deduction at the time such award is granted. When a participant receives payment upon the exercise of a SAR, or upon becoming vested in a Phantom Stock Award or performance award, the amount paid to the participant for the award will be ordinary income to the participant and will be claimed as a deduction for federal income tax purposes by the Company (subject to Internal Revenue Code Section 162(m)).

Certain Limitations on Deductibility of Executive Compensation. With certain exceptions, Internal Revenue Code Section 162(m) denies a deduction to a publicly held corporation for compensation paid to certain executive officers in excess of \$1 million per executive per taxable year (including any deduction with respect to the exercise of a nonqualified stock option or stock appreciation right, or the disqualifying disposition of stock purchased pursuant to an incentive stock option). One such exception applies to certain performance-based compensation, provided that such compensation has been approved by stockholders in a separate vote and certain other requirements are met. If approved by our stockholders, we believe that the nonqualified stock options, stock appreciation rights, and other performance-based awards granted under the Plan should qualify for the performance-based compensation exception to Section 162(m).

Requirements Regarding Deferred Compensation. Certain of the benefits under the Plan may constitute deferred compensation within the meaning of Internal Revenue Code Section 409A, a provision governing nonqualified deferred compensation plans. Failure to comply with the requirements of Section 409A regarding participant elections and the timing of payment distributions could result in the affected participants being required to recognize ordinary income for federal tax purposes earlier than expected, and to be subject to substantial penalties. It is intended that the

benefits under the Plan will not be subject to the additional tax imposed by Internal Revenue Code Section 409A. To the extent there are any ambiguities in the Plan, the Plan will be interpreted and administered according to the requirements of Internal Revenue Code Section 409A.

ERISA. The Company believes that the Plan is not subject to any of the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and is not qualified under Internal Revenue Code Section 401(a).

Awards Granted under the Plan

As of the date of this Proxy Statement, no awards have been granted under the Plan. All executive officers, employees and directors would be eligible to participate in the Plan and, because the Committee has the discretion to grant awards under the Plan, it is not possible to determine future awards that will be received by executive officers, employees and directors under the Plan. No New Plan Benefits table has been included in this Proxy Statement because neither the dollar value nor number of units to be granted to any eligible participant under the Plan has been determined or is determinable at this time, with the exception of Mr. DeGasperis who is expected to be eligible to receive an award up to 50% of the shares issuable pursuant to the Plan.

SHAREHOLDER PROPOSALS

Under applicable regulations of the SEC, any shareholder desiring to make a proposal to be acted upon at the 2012 annual meeting of shareholders must present such proposal to our Secretary at P.O. Such notice generally must be delivered not later than the close of business on the tenth business day prior to the annual meeting.

The shareholder's notice must include:

CERTAIN MATTERS RELATING TO PROXY MATERIALS AND ANNUAL REPORTS

Electronic Access of Proxy Materials and Annual Reports

This Proxy Statement and our Annual Report on Form 10-K are available on our Internet website at <http://www.comstockmining.com/investors/regulatory-filings>. Shareholders can elect to access future proxy statements and annual reports over the Internet instead of receiving paper copies in the mail. Providing these documents over the Internet will reduce our printing and postage costs and the number of paper documents shareholders would otherwise receive. We will notify shareholders who consent to accessing these documents over the Internet when such documents will be available. Once given, a shareholder's consent will remain in effect until such shareholder revokes it by notifying us otherwise at Secretary, Comstock Mining Inc., P.O. Box 1118, Virginia City, Nevada 89440. Shareholders of record voting by mail can choose this option by marking the appropriate box on the proxy card included with this Proxy Statement and shareholders of record voting by telephone or over the Internet can choose this option by following the instructions provided by telephone or over the Internet, as applicable. Beneficial owners whose shares are held in street name should refer to the information provided by the institution that holds such beneficial owner's shares and follow the instructions on how to elect to access future proxy statements and annual reports over the Internet, if this option is provided by such institution. Paper copies of these documents may be requested by writing us at Investor Relations, Comstock Mining Inc., P.O. Box 1118, Virginia City, Nevada 89440 or by telephoning (775) 847-5272.

Householding of Proxy Materials and Annual Reports for Record Owners

The SEC rules permit us, with your permission, to deliver a single proxy statement and annual report to any household at which two or more shareholders of record reside at the same address. Each shareholder will continue to receive a separate proxy card. This procedure, known as householding, reduces the volume of duplicate information you receive and helps to reduce our expenses. Shareholders of record voting by mail can choose this option by marking the appropriate box on the proxy card included with this Proxy Statement and shareholders of record voting by telephone or over the Internet can choose this option by following the instructions provided by telephone or over the Internet, as applicable. Once given, a shareholder's consent will remain in effect until such shareholder revokes it by notifying our Secretary as described above. If you revoke your consent, we will begin sending you individual copies of future mailings of these documents within 30 days after we receive your revocation notice. Shareholders of record who elect to participate in householding may also request a separate copy of future proxy statements and annual reports by contacting our investor relations department as described above.

Separate Copies for Beneficial Owners

Institutions that hold shares in street name for two or more beneficial owners with the same address are permitted to deliver a single proxy statement and annual report to that address. Any such beneficial owner can request a separate copy of this Proxy Statement or the Annual Report on Form 10-K by contacting our investor relations department as described above. The Shares delivered under this Plan may consist of authorized but unissued Shares, treasury Shares or issued Shares that have been reacquired by the Company on the open market or otherwise. Notwithstanding anything contained herein to the contrary, in no event shall the number of Shares subject to Awards granted to any one Participant during any one calendar year exceed 50% of the aggregate number of Shares that may be delivered under the Plan.

3.2 Calculation of Shares. To the extent that any Award is terminated, forfeited or cancelled or expires or is otherwise surrendered or returned to the Company, in each case prior to delivery of Shares thereunder, or is paid or settled in cash, the underlying Shares will no longer be charged against the aggregate number set forth in Section 3.1 (until they become subject to another Award) and may again be made subject to Awards under this Plan. For purposes of calculating the number of Shares used and available for use under this Plan (i) only Shares underlying Awards that have been or, by their terms, may be settled by delivery of Shares shall be charged against such number, (ii) Awards in respect of which payment of cash is made in lieu of delivery of Shares shall be deemed to have been terminated prior to the delivery of Shares thereunder, (iii) Shares deliverable or delivered under Substitute Awards shall not be charged against such number, (iv) shares retained by or relinquished to the Corporation in payment of any Exercise Price or satisfaction of any tax withholding obligation in respect of an Award shall not be charged against such number and (v) outstanding Shares delivered to the Corporation in payment of any Exercise Price or satisfaction of any tax withholding obligation in respect of an Award shall be added to such number.

Such adjustment shall be conclusive and binding for all purposes.

3.4 Permissible Adjustment on a Change in Control. Without limiting the adjustments required or permitted under Section 3.3, but subject to the requirements of Section 162(m), in the case of a Section 162(m) Award, and Section 409A, in the case of an Award that provides for the deferral of compensation within the meaning of Section 409A, the Committee may prescribe additional provisions relating to the effect of a Change in Control or a Corporate Event on an Award. Such provisions need not be in an Award Agreement, will not require the consent of a Participant and may include: (i) acceleration of the vesting and exercisability of any Award; (ii) extension of time periods for satisfying vesting or Transferability conditions with respect to, or exercising or realizing payments, rights, benefits or gains from, any Award; (iii) elimination or modification of conditions related to vesting, Transferability or exercisability of or payments, rights, benefits or gains under, any Award; (iv) provision for the settlement of any Award with an equivalent value in other securities, cash or properties; (v) requirement that outstanding Awards that are in-the-money be settled in cash in an amount equal to the amount by which they are in-the-money, as determined by the Committee; (vi) requirement that Participants surrender their outstanding Awards that are in-the-money in exchange for a settlement immediately following the Change in Control, as determined by the Committee; (vii) cancellation of any or all Awards that are not in-the-money without consideration; and (viii) cancellation or forfeiture of any Awards that are not vested as of the date of the Change in Control without consideration. Such surrender, settlement and cancellation shall take place as of the date of the Change in Control or such other date as the Committee may specify. For purposes of this Section 3, an Award is deemed to be in-the-money if the excess of the Fair Market Value as of the date of the Change in Control over the Award Price is a positive value.

3.5 Permissible Adjustment on a Corporate Events. Without limiting the adjustments required or permitted under Section 3.3, except as provided in Section 10.2(a) (and without otherwise limiting the authority granted hereunder to the Committee), the Committee shall have the authority, to effect, at any time and from time to time, upon the occurrence of a Corporate Event (i) the cancellation of any or all outstanding Awards and the grant in substitution therefor of new Awards covering the same or different numbers or kinds of securities and having an Award Price which may be the same as or different than the Award Price of the Awards being cancelled, (ii) the cancellation of any or all outstanding Awards in exchange for payment to the applicable Participants of an amount equal to (A) an equivalent value in other securities, cash or properties or (B) an amount equal to the amount by which they are in-the-money which may be no consideration for Awards that are not in-the-money, as determined by the Committee and (iii) the amendment of the terms and conditions of any and all outstanding Awards; provided, however, that no such action shall materially adversely affect the rights or benefits of a Participant under any outstanding Award without the consent of such Participant.

Subject to the requirements of Section 162(m), in the case of a Section 162(m) Award, and Section 409A, in the case of an Award that provides for the deferral of compensation within the meaning of Section 409A, the Committee shall have authority to accelerate the vesting, exercisability or payment of any and all outstanding Awards at any time or on the occurrence of any event or circumstance.

In order to facilitate the grant of Awards under this Plan to Participants who are foreign nationals, or who are employed by the Company outside of the United States, the Committee may prescribe such special terms for Awards, approve such supplements or amendments to, or alternative versions of, this Plan, as it may consider necessary, appropriate or expedient to accommodate differences in local law,

A-7

rule, regulation, tax policy or custom without thereby affecting the terms of this Plan for any other purpose; provided, however, that no such supplements, amendments or alternative versions shall include any provisions that are inconsistent with the terms of this Plan, as then in effect, unless this Plan could have been supplemented or amended to eliminate such inconsistency without further approval by the stockholders under rules of any market or exchange on which the Shares are then listed.

4. Administration and Approval

4.1 Committee. This Plan shall be administered by the Committee, which shall have all rights, powers and authorities necessary, appropriate or expedient in connection therewith. Neither the Company nor any member of the Committee shall be liable for any action, omission or determination made in good faith with respect to this Plan or any Award, including any failure of an Award to qualify as a Section 162(m) Award or an Incentive Stock Option Award or meet the requirements for exemption from or compliance with Section 409A. Except to the extent prohibited by applicable laws, rules or regulations, the Committee shall have the authority to delegate administration of this Plan, in whole or in part, to third party service providers and administrators as well as Employees. Without limiting the preceding sentence, but subject to Section 10.2(a), the Committee shall have the authority to delegate to the CEO, or his designee, authority to (i) administer the Plan and (ii) designate Employees to participate in a pool of Awards, the terms and conditions of which (including the aggregate number of Shares subject to Awards within the pool) shall have been specified by the Committee. Where appropriate in order to give effect to a delegation under this Section 4.1, references to the Committee shall also include the CEO or such designee.

4.2 Discretionary Authority. Subject only to the express limitations of this Plan, the Committee shall have authority to determine the Eligible Persons to whom, and the time or times at which, Awards are granted, the type of Awards granted, the number of Shares subject to Awards, the Award Price (if any) of Awards, the time or times at which Awards vest and become exercisable or payable, the form in which Awards become payable, the term of Awards, the procedures for exercise and settlement of Awards and all other terms and conditions of Awards. Subject only to the express limitations of this Plan, the Committee shall have sole authority to interpret this Plan and each Award, to make all factual determinations under this Plan and each Award (including determinations as to the achievement of Performance Measures), and to make all other decisions necessary or advisable for administration of this Plan and any Award. The Committee shall have the authority to prescribe, amend and rescind rules and regulations relating to this Plan and the administration thereof. The Committee may amend this Plan or any Award Agreement to correct any defect, error or omission or to reconcile any inconsistency herein or therein. The determinations of the Committee under this Plan need not be uniform and may be made selectively among Persons who receive, or are eligible to receive, Awards, whether or not such Persons are similarly situated. All interpretations, determinations, decisions and actions by the Committee may be made in the exercise of its sole discretion and shall be final and binding upon all parties.

4.3 Terms of Awards. The Committee shall establish the material terms and conditions of each Award at the time it grants such Award. Such terms and conditions may include payment of any Award Price in Shares, cash or a combination thereof (which form of payment may be either prescribed by the Committee or subject to the discretion of the Company or the Participant), Performance Measures, tandem or reload features, vesting schedules (and provisions regarding acceleration of vesting), registration provisions (including indemnification and contribution arrangements), provisions relating to withholding of taxes, Transferability provisions, forfeiture and clawback provisions, anti-dilution provisions and provisions relating to the effect of a Change in Control or Corporate Event, provisions relating to voting, dividends and distributions, and exercise provisions (including provisions relating to conditional exercises, net exercises and timing of payment of Award Prices). Subject to Sections 3.4 and 3.5, each Award shall be evidenced by an Award Agreement that shall include such terms and conditions.

4.4 Section 409A. Notwithstanding anything contained herein to the contrary, the terms of the Plan are intended to, and shall be interpreted and applied so as to, comply in all respects with Section 409A. The Committee may amend the terms of any Award in order to cure any potential defects under Section 409A, in a manner deemed appropriate by the Committee, without the consent of the Participant. It is the intention of the Corporation that no Award be subject to the additional tax imposed by Section 409A(b)(5)(i) of the Code.

A-8

Without limiting the generality of the foregoing, it is intended that (i) all Options will be granted in a manner so that they will be exempt from Section 409A and (ii) all other Awards will be granted in a manner so that they either (a) do not provide for a deferral of compensation subject to Section 409A or (b) will be subject to Section 409A. If an Award is intended to be subject to Section 409A, then the Award shall be settled and paid in a single lump sum as of a specified date upon the Participant's Separation from Service or upon the earlier of such dates, as specified by the Committee at the time of grant, and shall otherwise be granted, administered, settled and paid in accordance with Section 409A; provided, however, that no such settlement or payment shall be made to a Specified Employee upon a Separation from Service before the date which is 6 months after the date of the Specified Employee's Separation from Service (or, if earlier, the date of death of the Specified Employee); provided, further, that Performance Share Awards and Performance Unit Awards may be paid upon a Change in Control that is a permissible payment event under Section 409A. Nothing in this Section 4.4 shall be construed as an admission that any of the compensation and or benefits payable under this Plan constitutes deferred compensation subject to Section 409A.

4.5 Notices. The Corporation shall use reasonable efforts to inform Participants of (i) the record date, if any, for any Corporate Event sufficiently in advance to enable them to exercise vested Awards or, if otherwise permitted by the terms thereof then in effect, unvested Awards prior to such record date and (ii) any adjustments pursuant to Section 3.3, 3.4, 3.5 or 3.6; provided, however, that neither the Company nor any director, officer, employee, agent, consultant or representative of the Company shall be liable for failure to do so and the failure to do so shall not affect the authorization, validity, enforceability or consummation of any Corporate Event.

4.6 Stockholder Approval.

(a) To make Awards of Incentive Stock Options, this Plan must be approved by the stockholders in a manner intended to comply with Sections 422(b)(i) of the Code no later than the earlier of (i) 12 months following the Effective Date and (ii) the date an Award is first settled under the Plan.

(b) To make Section 162(m) Awards, until such time as this Plan is approved by the stockholders in a manner intended to comply with Section 162(m), any such Awards must be contingent on such stockholder approval and no such Awards may be settled prior to such stockholder approval. In addition, to make Section 162(m) Awards following the expiration of any prior stockholder approval, this Plan must be reapproved by the stockholders in accordance with the requirements of Section 162(m).

5. Eligibility and Awards

All Eligible Persons are eligible to be selected by the Committee to receive an Award under this Plan. Except as otherwise agreed by the Company, no Person shall have a right to receive an Award or, having received an Award in the past, have a right to again receive an Award. The Committee is expected to consult with the CEO before granting Awards, except in cases where the Committee determines that such consultation would be inappropriate; provided, however, the authorization, validity and enforceability of any Award shall not be adversely affected due to any failure to so consult.

6. Stock Option Awards

6.1 Grant of Option Awards. An Option Award may be granted to any Eligible Person selected by the Committee; provided, however, that, in addition to any other limitations required to comply with the applicable provisions of the Code, Incentive Stock Options shall be granted only to Employees. Unless otherwise designated by the Committee and complying with the applicable provisions of the Code, each Option shall be a Non-Qualified Stock Option.

6.2 Exercise Price. Except in the case of Substitute Awards, the Committee shall prescribe the Exercise Price per Share under each Option Award; provided, however, that the Exercise Price per Share under an Option Award (other than a Substitute Award) shall not be less than the Fair Market Value per Share on the Grant Date.

6.3 Vesting; Term of Option Award. The Committee shall prescribe the number of Shares covered by an Option Award and the time or times at which, and the conditions upon which, each Option Award shall

A-9

become vested and exercisable, if any. The Committee shall prescribe the term of each Option Award; provided, however, that no Option Award shall have a term that is longer than ten years after the applicable Grant Date.

6.4 Repricing. Notwithstanding anything contained herein to the contrary, the Committee shall not have authority, without stockholder approval, to (i) amend previously granted Option Awards to reduce the Exercise Price of such Option Awards or (ii) except pursuant to Sections 3.3, 3.4 or 3.5, cancel such Option Awards and grant replacement Awards with a lower Exercise Price than the Option Awards being cancelled.

6.5 Exercise of Option Award. Subject to such terms and conditions set forth in this Plan or as may be prescribed by the Committee, an exercisable Option Award may be exercised in whole or in part at any time during the term thereof by delivery of written notice to the Corporation, together with payment of the aggregate Exercise Price applicable to the Shares underlying such Option Award, or the part thereof, exercised. Such payment shall be made in cash; provided, however, that the Committee may: (i) allow a delay in payment of up to thirty (30) days from the date of exercise; (ii) allow payment, in whole or in part, through the delivery of Shares already owned by the Participant, duly endorsed for Transfer to the Corporation with a Fair Market Value on the date of delivery equal to such aggregate Exercise Price; (iii) allow payment, in whole or in part, through the surrender of Shares then issuable upon exercise of such Award having a Fair Market Value on the date of exercise equal to such aggregate Exercise Price; (iv) allow payment, in whole or in part, through the delivery of a full recourse promissory note bearing interest (at no less than such rate as shall then preclude the imputation of interest under the Code) and payable upon such terms as may be prescribed by the Committee; (v) if the Shares are then publicly traded, allow payment, in whole or in part, through the delivery of a notice that the Participant has placed a market sell order with a broker with respect to Shares issuable upon such exercise and that the broker has been directed to pay a portion of the net proceeds of the sale to the Corporation sufficient to pay such aggregate Exercise Price; or (vi) allow payment through any combination thereof. In the case of a promissory note, the Committee may also prescribe the form of such note and the security, if any, to be given for such note.

6.6 Additional Rules for Incentive Stock Options.

(a) No Incentive Stock Option shall be granted to a Participant to the extent that, as a result of such grant, the aggregate Fair Market Value (determined as of the proposed Grant Date) of the Shares with respect to which incentive stock options under Section 422 of the Code are exercisable for the first time in any calendar year under this Plan and all other plans of the Company would exceed the maximum amount permitted under Section 422(d) of the Code. This limitation shall be applied by taking incentive stock options under Section 422 of the Code into account in the order in which granted.

(b) No Incentive Stock Option Award shall provide that such Incentive Stock Option may be exercised later than three months following termination of employment of the Participant with the Company, except to the extent permitted under special rules relating to death and disability in accordance with Section 422 of the Code.

(c) Notwithstanding anything contained herein to the contrary, the terms and conditions of an Incentive Stock Option Award may contain such additional terms and conditions, not inconsistent with the terms of this Plan, as are deemed necessary or desirable by the Committee so as to cause such Incentive Stock Option to qualify as an incentive stock option under Section 422 of the Code; provided, however, the authorization, validity and enforceability of any Incentive Stock Option Award shall not be adversely affected due to a failure to comply with Section 422 of the Code. Such terms and conditions, together with the terms of this Plan, shall be interpreted so as to cause such Incentive Stock Option to qualify as an incentive stock option under Section 422 of the Code. Such terms and conditions shall include, if applicable, limitations on Incentive Stock Options granted to owners of ten percent or more of the Company. An Incentive Stock Option shall be treated as a Non-Qualified Stock Option to the extent that requirements applicable to incentive stock options under Section 422 of the Code shall not be satisfied, shall not be Transferable

other than by will or by the laws of descent and distribution, and shall be exercisable during the lifetime of the applicable Participant only by such Participant.

A-10

(d) If Shares acquired by exercise of an Incentive Stock Option are disposed within two years following the Grant Date or one year following the delivery of such Shares to the Participant upon exercise thereof, such Participant must be required to, promptly following such disposition, notify the Company in writing of the date and terms of such disposition and provide such other information regarding such disposition as the Company may request.

7. Stock Appreciation Rights Awards

7.1 Grant of SAR Awards. An SAR Award may be granted to any Eligible Person selected by the Committee.

7.2 Base Price. Except in the case of Substitute Awards, the Committee shall prescribe the base price under each SAR Award; provided, however, that the base price per Share under a SAR Award (other than a Substitute Award) shall not be less than the Fair Market Value of a Share on the Grant Date.

7.3 Vesting; Term of SAR Award. The Committee shall prescribe the number of Shares covered by SAR Award and the time or times at which, and the conditions upon which, each SAR Award shall become vested and exercisable, if any. The Committee shall prescribe the term of each SAR Award; provided, however, that no SAR Award shall have a term that is longer than ten years after the applicable Grant Date.

7.4 Exercise of SAR Award. Subject to such terms and conditions set forth in this Plan or as may be prescribed by the Committee, an SAR Award may be exercised in whole or in part at any time during the term thereof by delivery of written notice to the Corporation. Upon exercise of an SAR Award in whole or in part, the Participant shall be entitled to receive such number of Shares that in the aggregate have a Fair Market Value equal to the excess, if any, of (i) the Fair Market Value of the Shares underlying such SAR Award or the part thereof exercised as of the date of exercise over (ii) the aggregate base price applicable to such Shares.

7.5 Freestanding Awards. Notwithstanding anything contained herein to the contrary, no SAR Award shall be awarded in tandem with an Option Award.

8. Restricted Stock Awards

8.1 Grant of Restricted Stock Awards. A Restricted Stock Award may be granted to any Eligible Person selected by the Committee.

8.2 Purchase Price. A Restricted Stock Award may provide for an award of Shares without requiring payment of any purchase price, or may require the Participant to pay a specified purchase price, for the Shares underlying such Restricted Stock Award. The Committee shall prescribe any such purchase price under any Restricted Stock Award.

8.3 Vesting. The Committee shall prescribe the time or times at which, and the conditions upon which, each Restricted Stock Award shall become vested, if any.

8.4 Restrictions. The Shares underlying a Restricted Stock Award may be immediately Transferable or subject to restrictions on Transfer. The Committee shall prescribe the time or times at which, and the conditions upon which, each Restricted Stock Award shall become Transferable. The Committee shall prescribe the term for satisfying any conditions to Transferability; provided, however, that such term shall not be longer than seven years after the Grant Date. The Committee may prescribe that the certificates representing the Shares underlying a Restricted Stock Award shall remain in the physical custody of the Company or an agent designated by the Company until all such restrictions and conditions have been satisfied on or are waived, terminated or expired.

8.5 Forfeiture. Unless otherwise prescribed by the Committee, failure to satisfy any conditions and restrictions to vesting or Transferability shall result in the forfeiture (and return to the Corporation) by the Participant of the Shares underlying the applicable Restricted Stock Award and the return by the Company to the Participant of any purchase price paid by the Participant in respect thereof.

8.6 Rights as Stockholder. Subject to the terms and conditions set forth in this Plan or as may be prescribed by the Committee, the Participant will have all rights of a stockholder with respect to the Shares

A-11

underlying a Restricted Stock Award, including the right to vote such Shares and, subject to such requirements as the Committee may prescribe (including requirements as to vesting, Transferability, custody and forfeiture consistent with those applicable to the underlying Shares), to receive all dividends and other distributions paid with respect to such Shares, at the same time and form as other stockholders of the Corporation receive such dividends or distributions or such other time and form as may be prescribed by the Committee.

8.7 Section 83(b) Election. The Committee may prescribe that a Restricted Stock Award is conditioned upon the applicable Participant refraining from making an election with respect to such Restricted Stock Award under Section 83(b) of the Code. Irrespective of whether a Restricted Stock Award is so conditioned, the applicable Award Agreement shall specify that, if the applicable Participant makes an election pursuant to Section 83(b) of the Code with respect to such Restricted Stock Award, such Participant shall be required to promptly file a copy of such election with the Corporation.

9. Restricted Stock Unit Awards and Phantom Stock Awards

9.1 Grant of Restricted Stock Unit Awards and Phantom Stock Award. A Restricted Stock Unit Award or a Phantom Stock Award may be granted to any Eligible Person selected by the Committee.

9.2 Vesting. The Committee shall prescribe the time or times at which, and the conditions upon which, each Restricted Stock Unit Award and Phantom Stock Award shall become vested, if any. The Committee shall prescribe the term for satisfying any such requirements; provided, however, that such term shall not be longer than ten years after the applicable Grant Date.

9.3 Benefit Upon Vesting. Subject to such terms and conditions set forth in this Plan or as may be prescribed by the Committee, upon vesting of a Restricted Stock Unit Award and Phantom Stock Award, the applicable Participant shall be entitled to receive Shares (with respect to Restricted Stock Unit Awards) or cash (with respect to Phantom Stock Awards) in an amount equal to the Fair Market Value of the Shares underlying such Award on such date.

9.4 Dividends. Subject to the terms and conditions of this Plan or as may be prescribed by the Committee, the Participant will have, subject to such requirements as the Committee may prescribe (including requirements as to vesting, custody and forfeiture consistent with those applicable to the underlying Shares), the right to receive all dividends and other distributions paid with respect to Shares underlying a Restricted Stock Unit Award and a Phantom Stock Award, at the same time and form as other stockholders of the Corporation receive such dividends or distributions or such other time and form as may be prescribed by the Committee.

10. Performance Share Awards and Performance Unit Awards

10.1 Grant of Performance Share Awards and Performance Unit Awards.

(a) Performance Share Awards and Performance Unit Awards may be granted to any Eligible Person selected by the Committee. Performance Share Awards and Performance Unit Awards shall be based on the achievement, over a specified period, of Performance Measures as prescribed by the Committee. Performance Share Awards and Performance Unit Awards may be paid in Shares, cash or a combination thereof as prescribed by the Committee.

(b) Notwithstanding anything contained herein to the contrary, the Committee's obligations under Section 10.2 cannot be delegated.

10.2 Qualified Performance-Based Compensation.

(a) The Committee may specify Awards are intended to be considered qualified performance-based compensation under Section 162(m). In connection with granting Section 162(m) Awards, the Committee must satisfy the requirements of Section 162(m) with respect to who is entitled to grant such Awards. To the extent applicable, any Award intended to constitute a Section 162(m) Award shall be conditioned on the achievement of one or more Performance Objectives during a Performance Period. The Committee shall use reasonable efforts to take such action as is required so that Awards intended to constitute Section 162(m) Awards comply with Section 162(m). Notwithstanding anything contained herein to the contrary, Section 162(m) Awards shall be granted only by vote or consent of a committee or by unanimous vote or

A-12

consent of the Board where at least two directors shall satisfy the requirements for an outside director under Section 162(m) and the grant of Section 162(m) Awards and establishment of Performance Objectives and Performance Periods shall be made during the times specified and in accordance with the terms of Section 162(m). To the extent that any such Awards are intended to be qualified performance-based compensation under Section 162(m), no such Award may be made as an alternative to another Award that is not designated as qualified performance-based compensation but instead must be separate and apart from all other Awards.

(b) When Performance Share Awards or Performance Unit Awards intended to be considered qualified performance-based compensation are granted, the Committee shall establish (i) the objective Performance Objectives that must be met, (ii) the Performance Period during which performance will be measured, (iii) the maximum amounts that may be paid if the Performance Objectives are met and (iv) any other conditions that the Committee deems appropriate and consistent with this Plan and the requirements of Section 162(m) for qualified performance-based compensation. The Committee shall establish the Performance Objectives either before the beginning of the Performance Period or during a period ending no later than the earlier of (A) 90 days after the beginning of the Performance Period or (B) the date on which 25% of the Performance Period has been completed or such other date as may be required or permitted under Section 162(m). The Committee may, at any time during the first 90 days of the Performance Period (or, if shorter, the first 25% of the Performance Period, as allowed under Section 162(m)), adjust or modify the calculation of a Performance Objective. Performance Objectives must be established in a written form within the time prescribed by Section 162(m). The Performance Objectives shall satisfy the requirements for qualified performance-based compensation, including the requirement that the achievement of the Performance Objectives be substantially uncertain at the time they are established and that the Performance Objectives be established in such a way that a third party with knowledge of the relevant facts could determine whether and to what extent the Performance Objectives have been met. Except as provided in this Section 10.2(b), the Committee shall not have discretion to increase the amount of compensation that is payable upon achievement of Performance Objectives.

(c) The Committee shall certify and announce the results for the Performance Period to all relevant Participants. The Committee shall determine the amount, if any, to be paid pursuant to each Award based on the achievement of the Performance Objectives and the terms of each Award Agreement.

(d) The Committee may provide that Awards shall be settled, in whole or in part, in the event of the Participant's death or Disability, a Change in Control or under other circumstances consistent with Section 162(m) and Section 409A.

(e) Unless the Committee prescribes otherwise, Performance Share Awards and Performance Unit Awards will be payable in a lump sum prior to the 15th day of the third month of the year immediately following the year in which the end of the Performance Period occurs in accordance with the applicable short-term deferral exception provisions of Section 409A or, in accordance with procedures established by the Committee and the applicable provisions of Section 409A, on a deferred basis.

11. Substitute Awards, Dividend Equivalents and Other Awards

Substitute Awards, Dividend Equivalents and Awards other than Option, Stock Appreciation Right, Restricted Stock, Restricted Stock Unit, Phantom Stock, Performance Share and Performance Unit Awards may be granted to any Eligible Person selected by the Committee. Such other Awards may be granted alone or in addition to any other Awards granted under this Plan and may be paid in Shares or cash as the Committee shall determine. The terms and conditions of such Awards shall be prescribed by the Committee.

12. Requirements for Issuance of Shares and Restrictions on Transfer

12.1 Share Certificates and Delivery.

- (a) Shares issued hereunder may be evidenced in such manner as the Corporation may deem necessary, appropriate or expedient, including book entry registration or issuance of a physical certificate, which may be retained by the Secretary of the Corporation or such escrow agent as the Corporation may appoint. Shares issued hereunder may be delivered in such manner as the Corporation may deem necessary, appropriate or

A-13

expedient, which may include delivery in book entry form by causing the Shares to be credited to the Participant's account (to be opened and maintained by the Participant) at such brokerage firm as may be designated from time to time by the Corporation to assist in the administration of the Plan (the Broker). When Shares are delivered in book-entry form, such delivery as well as all subsequent Transfers and other matters relating to the Shares will be subject, in addition to all other provisions hereof, to the rules and requirements imposed by the Broker and such administrative rules and requirements as may be imposed by the Corporation.

(b) Prior to vesting and payment of any applicable loans, the Shares will be subject to stop transfer instructions given by the Corporation to the Broker and the transfer agent for the Shares. Upon vesting of any Shares, such stop transfer instructions will be terminated (except to the extent that any Shares may be subject to loans or sold to satisfy applicable withholding requirements). Upon forfeiture of any Shares, the Broker and such transfer agent will be instructed to debit such Shares from such account and return them to the Corporation. Each physical certificate and each book entry, in each case relating to Shares may include such restrictive legends in such forms as the Corporation may deem convenient, expedient, necessary or appropriate relating to the restrictions under this Plan or the applicable Award Agreement, as applicable, applicable securities, tax or other laws or applicable rules of any securities exchange or market.

12.2 Delivery of Cash. All cash payments in satisfaction of an Award (other than Dividend Equivalents) shall equal the Fair Market Value of the Shares to which the cash payment relates, determined as of the Exercise Date or the settlement date of the Award, as applicable, and such payment shall be made within 3 business days thereafter.

12.3 Securities Laws. Notwithstanding anything contained herein or in any Award Agreement to the contrary, no Shares shall be issued or Transferred in connection with any Award unless and until all requirements under securities and other laws, rules and regulations, under the rules of any securities exchange or market on which the Common Stock is then listed and under Company policies and procedures shall have been complied with.

12.4 Legends. Certificates and book entries representing Shares issued or Transferred under this Plan may be subject to such stop-transfer orders and other restrictions, and bear such other legends, as the Corporation may deem necessary, appropriate or expedient.

12.5 Registration. The Corporation shall use commercially reasonable efforts to file, at its expense, a registration statement or statements on Form S-8 (or any applicable successor Form) to register the sale, issuance, transfer or resale of the Shares subject to this Plan under the Securities Act, at such time or times as the Corporation may deem necessary, appropriate or expedient. Any issuance, transfer or resale of Shares pursuant to such registration statement or statements shall be subject to (i) the continued effectiveness of such registration statement or statements and (ii) any blackout, insider trading, short-swing profits, holdback or other trading restrictions which the Corporation may impose or to which the Participant may be subject, by law, rule or regulation, under Company policies, or otherwise. For so long as the Shares subject to this Plan are not registered for issuance by the Corporation, the Corporation shall be under no obligation to issue or deliver any Shares pursuant to an Award unless such Shares may be issued and delivered without such registration pursuant to an available exemption therefrom, the terms and conditions of such exemption shall have been fully complied with and the Corporation elects to rely thereon (which it shall be under no obligation to do). In connection therewith, the Participant may be required to make representations similar to those set forth in Annex A.

12.6 No Company Liability. The Corporation shall have no liability to a Participant in respect of any loss, expense, cost, damage or claim in respect of an Award due to a delay in delivery or issuing, or failure to deliver or issue, any Share or to notify the Participant that an Award may be exercised or settled due to the fact that the Corporation is unable or reasonably believes that it is unable to deliver Shares in compliance with applicable securities, tax and other laws, rules and regulations or force majeure. In addition, the Corporation shall have no liability in respect of any

Award that expires prior to exercise or settlement, or that is terminated, cancelled or otherwise forfeited, pursuant to the terms of this Plan or the applicable Award Agreement.

A-14

12.7 Indemnification. Any Participant for whom the resale of Shares is included in a registration statement or statements will indemnify the Corporation, each of its directors and officers and each Person who Controls the Corporation (other than such Participant) against all claims, losses, damages, expenses and liabilities (or actions in respect thereof) arising out of or based upon any untrue statement (or alleged untrue statement) of a material fact contained in any such registration statement or statements, or any omission (or alleged omission) to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse the Corporation, each of its directors and officers and each Person controlling the Corporation (other than such Participant) for all legal and any other expenses reasonably incurred in connection with investigating or defending any such claim, loss, damage, liability or action, in each case to the extent, but only to the extent, that such untrue statement (or alleged statement) or omission (or alleged omission) is made in such registration statement or statements in reliance upon and in conformity with written information furnished to the Corporation by such Participant with respect to such Participant; provided, however, that the liability of any such Participant under this Section 12.7 shall be limited to the amount of proceeds received by such Participant in the resale giving rise to such liability.

12.8 Market Stand-Off Agreement. In the event of a public offering of the Corporation's securities and upon request of the Corporation, each Participant shall agree not to sell, make any short sale of, loan, grant any option for the purchase of, or otherwise dispose of any Shares or take any similar actions as may be specified by the Corporation, without the prior written consent of the Corporation for such period of time (not to exceed one hundred eighty (180) days from the effective date of the applicable registration statement or statements) as may be specified by the Corporation.

13. Miscellaneous Plan Provisions

13.1 Conflicts. In the event of a conflict between the terms of this Plan and any Award Agreement, the terms of this Plan shall prevail.

13.2 Forfeiture Events. Unless otherwise provided in an Award Agreement, in addition to any otherwise applicable continued employment or performance conditions as prescribed by the Committee, a Participant's rights, payments, gains and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture and recoupment by or at the direction of the Committee upon termination of employment for Cause, violation of Company policies, breach of noncompetition, confidentiality or other restrictive covenants, engagement in Detrimental Conduct and any other events specified by the Committee and set forth in an Award Agreement.

13.3 No Transfer of Awards; Plan Binding; Beneficiaries. Unless otherwise prescribed by the Committee, Awards shall not be Transferable, except by will or by the laws of descent and distribution, and, during the lifetime of a Participant, Awards shall be exercised only by the Participant or by his guardian or legal representative. This Plan shall be binding upon the Corporation and its successors and the Participants and their permitted successors in interest. Each Participant shall have the right to designate a beneficiary or beneficiaries who shall be entitled to take any action, make any election and receive any rights, payments, benefits or gains under an applicable Award following such Participant's death.

13.4 Deferrals of Payment. Notwithstanding anything contained herein to the contrary, the Committee may permit a Participant to defer the receipt of payment or delivery of cash, securities, rights or other property that would otherwise be due to such Participant by virtue of the exercise of or the satisfaction of vesting or other conditions or restrictions with respect to an Award. If any such deferral is to be permitted, the Committee shall establish the rules and procedures relating to such deferral, including the period of time in advance of payment or delivery when an election to defer is required to be made, the time period of the deferral, the events that would result in payment or delivery of the deferred amount, the interest or other earnings attributable to the deferred amount and the method of funding (if any) attributable to the deferred amount. Any deferrals made pursuant to this Section 13.4 shall be made in a manner

and subject to terms and conditions so as to comply with Section 409A.

13.5 Rights as Stockholder. Except as otherwise provided in this Plan, no Participant shall have any rights (including rights with respect to voting, dividends or distributions) with respect to any securities underlying an Award until the date such securities are delivered to the Participant.

A-15

13.6 Employment or Service. Nothing in this Plan, in the grant of any Award or in any Award Agreement shall confer upon any Eligible Person or Participant the right to continue in any capacity in which he is employed by, or otherwise serves, the Company and shall not interfere in any way with any right that the Company would otherwise have to terminate his or her employment or other service at any time.

13.7 Other Compensation and Benefit Plans. After the Effective Date, no further awards shall be granted under any of the Terminated Plans. The adoption of this Plan shall not affect any future stock incentive or other compensation plans of the Company and shall not preclude the Company from establishing any other forms of stock incentive or other compensation for Employees, Non-Employee Directors or other Persons. The amount of any compensation deemed to be received by a Participant pursuant to an Award shall not constitute compensation with respect to which any other benefits of such Participant are determined, including benefits under any bonus, pension, profit sharing, life insurance or salary continuation plan, except as otherwise specifically provided by the terms of such plan. The Plan shall not entitle Eligible Persons or Participants to any future compensation. The Plan is not an element of the Employees' base salary or base compensation and shall not be considered as part of such in the event of severance, redundancy, or resignation. The Company has no obligation to offer incentive plans to Eligible Persons or Participants in the future. This Plan shall be effective only for the time period specified herein. The Company assumes no obligation to any Participant under this Plan with respect to any doctrine or principle of acquired rights or similar concept.

13.8 Tax Withholding. The Participant or his successor in interest shall be responsible for payment of all taxes and other charges required by law to be withheld from an Award or securities, cash or other property paid or delivered in settlement of an Award. Payment shall be made: (i) in cash or by check; (ii) at the discretion of the Committee, in Shares, valued at the Fair Market Value of such Shares on the applicable date; (iii) by deduction from the settlement of the applicable Award; (iv) at the discretion of the Committee, by a combination of the methods described above; or (v) by such other method as may be approved by the Committee. Without limiting the foregoing, the Company may deduct from other compensation, including wages, to be paid by the Company or withhold from any Shares or cash or other property deliverable under this Plan in settlement of an Award, in the amount of any federal, state or local taxes that the Company is required to withhold with respect to such Awards.

13.9 Unfunded Plan. This Plan shall be unfunded. Neither the Company nor any other Person shall be required to establish any special or separate fund or to make any other segregation of assets to assure the settlement of any Awards. Nothing contained in this Plan and no action taken pursuant hereto shall create or be construed to create a fiduciary relationship between the Company or any other Person and any Participant (or any of his successors in interest). No Participant or other Person shall under any circumstances acquire any property interest in any specific assets of the Company or any other Person. To the extent that any Person acquires a right to receive settlement from the Corporation hereunder, such right shall be no greater than the right of an unsecured general creditor of the Corporation. Neither the adoption of this Plan nor the setting aside of securities, cash or other property by the Company with which to discharge its obligations hereunder shall be deemed to create a trust or other funded arrangement. The Company shall have the right to implement or set aside securities, cash or other property in a grantor trust, subject to the claims of the Company's creditors, to discharge its obligations under this Plan.

13.10 Interpretation. Unless otherwise expressly stated in the Plan:

13.11 Severability. If any provision of this Plan or any Award is or becomes, or is deemed by the Committee to be, invalid, illegal or unenforceable in any jurisdiction or as to any Person or Award, or would disqualify this Plan or any Award under any law, rule or regulation deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to the applicable laws, rules or regulations or, if it cannot be so construed or deemed amended without, in the determination of the Committee, materially altering the intent of this Plan or such Award, such provision shall be stricken as to such jurisdiction, Person or Award and the remainder of this Plan and such Award shall remain in full force and effect.

13.12 GOVERNING LAW. THE VALIDITY, INTERPRETATION, PERFORMANCE AND ENFORCEMENT OF THIS PLAN SHALL BE GOVERNED BY THE LAWS OF THE STATE OF NEVADA (WITHOUT GIVING EFFECT TO ANY CHOICE OR CONFLICT OF LAW RULE THAT WOULD CAUSE THE APPLICATION OF THE LAWS OF ANY JURISDICTION OTHER THAN THE INTERNAL LAWS OF THE STATE OF NEVADA).

13.14 Assignment and Successor. The obligations of the Corporation under the Plan shall be binding upon any successor Person, whether resulting from the merger, consolidation, reorganization, asset sale or otherwise. The Corporation shall take all such actions as may be necessary so the Plan and any Award Agreement entered into hereunder is binding on each such successor. This Plan shall be binding upon each Participant, his beneficiaries, his estate (which includes his executor or administrator) and his Transferees.

13.15 Compliance with Law.

(a) Notwithstanding anything contained herein or in any Award Agreement to the contrary, the Committee may amend, supplement or cancel any Award to the extent necessary to comply with applicable law, rule or regulation.

(b) With respect to Participants subject to Section 16 of the Exchange Act transactions under this Plan are intended to comply with all applicable conditions of Rule 16b-3 under the Exchange Act. To the extent that compliance with any Plan provision applicable solely to such Participants that is included solely for purposes of complying with Rule 16b-3

is not required in order to bring a transaction by such Participant in compliance with Rule 16b-3, it shall be deemed null and void as to such transaction, to the extent permitted by applicable laws, rules and regulations and deemed advisable by the Committee. To the extent any provision in the Plan or action by the Committee involving such Participants is deemed not to comply with an applicable condition of Rule 16b-3, it shall be deemed null and void as to such Participants, to the extent permitted by law and deemed advisable by the Committee.

A-17

13.16 Limitation of Liability.

(a) Except for indemnification provisions specifically set forth in this Plan or an Award Agreement, no Person shall be liable for any special, indirect, incidental, consequential or punitive damages arising out of any breach of this Plan or an Award Agreement, even if informed of the possibility of such damages in advance.

(b) Except for performance of payment obligations, no Person shall be liable for its failure to perform under this Plan or an Award Agreement, and the obligation of any Person to perform hereunder and thereunder shall be suspended, to the extent that performance is made impracticable, delayed or prevented, in whole or in part, due to any occurrence beyond its reasonable control, including: acts of God; inclement weather; floods; accidents; strikes; lockouts; fires; wars; equipment failures; labor disputes; labor sabotage; riots; terrorism; demonstrations; embargoes; laws, rules, regulations, orders or decrees of governmental or other authorities, whether valid or invalid (including import or export prohibitions or priorities, requisitions, allocations and price adjustment restrictions); inability to obtain or unavoidable delay in obtaining necessary power, materials, facilities, services or equipment; or interruption or unavoidable delay in communication or transportation. If the obligations of a Person are suspended pursuant to the preceding sentence, such Person shall use commercially reasonable efforts to remedy the cause of the suspension as expeditiously as possible, except that such requirement shall not require the settlement of strikes, lockouts or other labor difficulties, the incurrence of capital expenses, or the employment of additional personnel.

13.17 Leave. If approved by the Committee, an Employee's absence or leave because of military or governmental service, disability or other reason shall not be considered an interruption of employment for any purpose under the Plan; provided, however, that, to the extent that an Award under this Plan is subject to Section 409A, such absence or leave shall be considered a Separation from Service to the extent so provided by Section 409A.

13.18 Effective Date. This Plan shall become effective on the date of approval of this Plan by the Board.

13.19 Termination. The authority to grant new Awards under this Plan shall terminate on the date immediately preceding the tenth anniversary of the Effective Date. The Board may, at any earlier date, terminate this Plan.
