PROSPECTUS SUPPLEMENT

DATED SEPTEMBER 14, 2012

TO

PROSPECTUS DATED MAY 31, 2012

INSPIREMD, INC.

This Prospectus Supplement, dated September 14, 2012 (“Supplement No. 1”), supplements that certain Prospectus filed with the Securities and Exchange Commission (the “SEC”) and dated May 31, 2012 (the “Prospectus”) and should be read in conjunction with the Prospectus.

This Supplement No.1 is qualified by reference to the Prospectus except to the extent that the information herein contained modifies or supersedes the information contained in the Prospectus.

Our common stock is quoted on the regulated quotation service of the OTC Bulletin Board under the symbol "NSPR.OB". On September 13, 2012, the last reported sale price of our common stock as reported on the OTC Bulletin Board was \$2.38 per share.

Investing in our common stock is highly speculative and involves a high degree of risk. You should carefully consider the risks and uncertainties in the section entitled "Risk Factors" beginning on page 5 of the Prospectus before making a decision to purchase our stock.

Neither the Securities and Exchange Commission nor any state securities commission has approved or disapproved of these securities or passed upon the adequacy or accuracy of the Prospectus. Any representation to the contrary is a criminal offense.

Risk Factors

The following risk factor is inserted on page 5 of the Prospectus under the subheading “Risks Related to Our Business”:

The report of our independent auditors contains an explanatory paragraph as to our ability to continue as a going concern, which could prevent us from obtaining new financing on reasonable terms or at all.

Because we have had recurring losses and negative cash flows from operating activities and have significant future commitments, the report of Kesselman & Kesselman, our independent auditors, with respect to our financial statements at June 30, 2012, December 31, 2011 and 2010, and for the six month period ended June 30, 2012 and for the years ended December 31, 2011, 2010 and 2009, contains an explanatory paragraph as to our potential inability to continue as a going concern. This opinion indicates that our auditors believe that substantial doubt exists regarding our ability to remain in business. Such an opinion may adversely affect our ability to obtain new financing on reasonable terms or at all.

Selling Stockholders

The following amends and restates the table under the section entitled “Selling Stockholder” of the Prospectus with respect to the stockholders listed on the table below, to (i) reflect the fact that the shares being offered include both shares of common stock issuable upon the exercise of warrants and the conversion of debentures and (ii) account for transfers of shares listed in such table that InspireMD, Inc. is aware of since the date of the Prospectus. Such transfers are as follows:

on September 14, 2012, Genesis Asset Opportunity Fund LP transferred warrants to purchase 24,500 shares of common stock of InspireMD, Inc. at an exercise price of \$1.23 per share to PI Financial Corp.

The table, therefore, is amended and restated as follows in order to (i) correct the footnote disclosure in the column labeled “number of shares offered” to reflect the fact that the shares being offered include both shares of common stock issuable upon the exercise of warrants and the conversion of debentures, (ii) update the holdings of Harborview Master Fund, L.P., David Stefansky, The Corbran LLC, Genesis Asset Opportunity Fund LP, Endicott Management Partners, LLC and Eisenberg Family Foundation, and (iii) add PI Financial Corp. as a Selling Stockholder:
