BSM may also enter into agreements with third parties for and on behalf of the Company and retain professional services, such as legal counsel, appraiser, insurer, transfer agent, investment banks, as BSM deems necessary or advisable. BSM will further provide the Company with qualified personnel to serve as chief executive officer and chief operating officer, which persons shall devote as much of their time to the management of the Company and its subsidiaries as the Company deems necessary. BSM may also from time to time provide other senior officers or personnel to the Company.

In addition, BSM will provide the Company with qualified personnel to serve as Chief Executive Officer and Chief Operating Officer.

The initial term of the Consulting Agreement is until December 31, 2013 and it will automatically renew for a one-year term on each anniversary of that date. The Company and BSM can each terminate the Consulting Agreement for convenience upon 90 days prior written notice. The Company can also terminate immediately upon written notice in the event of (i) any act of fraud, misappropriation of funds or embezzlements by BSM, (ii) willful misconduct, bad faith or gross negligence, (iii) material breach of the agreement which remains uncured for 45 days, (iv) bankruptcy or insolvency, or (v) dissolution of BSM. For the services provided, including the compensation of the Company’s Chief Executive Officer and Chief Operating Officer, under the Consulting Agreement, the Company will pay BSM a service fee of \$50,000 per month and reimburse BSM for all of its documented business expenses incurred directly on behalf of the Company. The parties

shall apply their best effort to renegotiate the service fee by December 31, 2012, to reflect the actual services being provided by BSM and expected services to be provided during the calendar year 2013 and on a going forward basis. BSM is also eligible for a discretionary performance based fee, which shall be payable in cash or non-cash equitable compensation at the sole discretion of the independent directors of the Company or by the Company if the chief executive officer is not an employee, officer or affiliate of BSM.

In addition, the Company shall bear all costs and expenses that are directly attributable to the salaries, bonuses and fringe benefits payable to accounting and operations employees of BSM, to the extent of the accounting, operating and other administrative services provided by BSM on behalf of the Company.

Under the Consulting Agreement, BSM does not assume any responsibility other than to render the services in good faith and is not responsible for any actions of the board of directors or other governing body of any of the Company's subsidiaries and has no responsibility for the directors, officers and employees of the Company and its subsidiaries. The Company has the obligation to indemnify BSM, its affiliates and their respective directors, managers, members, officers, employees and other representatives to the full extent permitted by the law, for any losses and liabilities arising out of acts or omissions of such person in connection with the provision of services under the Consulting Agreement, unless such act or omission constitutes bad faith, willful misconduct, gross negligence or reckless disregard of BSM's duties. BSM shall, to extent lawful, indemnify the Company for any losses and liabilities arising out of BSM's breach of the Consulting Agreement, bad faith, willful misconduct, gross negligence or reckless disregard of BSM's duties.
