PARTIAL DEREGISTRATION OF SHARES OF COMMON STOCK

These post-effective amendments relate to the following Registration Statements on Form S-8 (collectively, the “Prior Registration Statements”) of Jamba, Inc. (“Jamba”):

File No. 333-139128, pertaining to the registration of 5,000,000 shares of common stock, par value \$0.001 per share of Jamba (“Common Stock”), issuable under Jamba’s 2006 Employee, Director and Consultant Stock Plan (the “2006 Plan”) which was filed with the Securities and Exchange Commission (the “SEC”) and became effective on December 5, 2006; and

File No. 333-167449, pertaining to the registration of an additional 3,000,000 shares of Common Stock issuable under the 2006 Plan which was filed with the SEC and became effective on June 10, 2010.

At the Annual Meeting of Stockholders of Jamba held on May 14, 2013, Jamba’s stockholders approved the Jamba, Inc. 2013 Equity Incentive Plan (the “2013 Plan”) to replace the 2006 Plan. Effective that date, the 2006 Plan was suspended, and no additional awards will be made thereunder. Effective immediately upon the filing of these Post-Effective Amendments to the Prior Registration Statements, Jamba hereby deregisters an aggregate of 187,326 shares of Common Stock (as adjusted for Jamba’s 5 for 1 reverse stock split effective May 31, 2013, the “Reverse Split”) previously registered for offer and sale under the 2006 Plan. The deregistered shares represent shares of Common Stock remaining available for future issuance under the 2006 Plan (the “Excess Shares”). Up to an additional 1,357,190 shares (as adjusted for the Reverse Split) subject to outstanding awards under the 2006 Plan that expire, are terminated or canceled without having been exercised or settled in full, or if shares acquired pursuant to an award subject to forfeiture or repurchase under the 2006 Plan are forfeited or repurchased by Jamba for an amount not greater than the holder’s purchase price (the “Carry Forward Shares”) will also be deregistered upon such forfeiture, lapse, expiration or termination. The Prior Registration Statements will remain in effect as to the 2006 Plan to cover the potential issuance of shares of Common Stock upon the exercise of the awards to which the Carry Forward Shares are subject. Under the terms of the 2013 Plan, upon the expiration, termination, cancellation, forfeiture or repurchase of the subject awards, the Carry Forward Shares will become available for issuance under the 2013 Plan, will be deregistered from the Prior Registration Statements and will be carried forward to the New Registration Statement (as defined below).

Contemporaneously with the filing of these Post-Effective Amendments to the Prior Registration Statements covering the 2006 Plan, Jamba is filing a new Registration Statement on Form S-8 to register 1,787,932 shares of Common Stock (as adjusted for the Reverse Split) for issuance under the 2013 Plan, together with up to 1,357,190 Carry Forward Shares (as adjusted for the Reverse Split) when they become eligible for issuance under the terms of the 2013 Plan as described above (the “New Registration Statement”). In accordance with Instruction E to the General Instructions to Form S-8 and the principles set forth in Interpretations 89 under Section G of the Manual of Publicly Available Telephone Interpretations of the Division of Corporate Finance of the SEC (July 1997), these Post-Effective Amendments to the Prior Registration Statements covering the 2006 Plan are hereby filed to (i) deregister the Excess

Shares and (ii) carry forward when eligible under the terms of the 2013 Plan and the applicable award grants, up to 1,357,190 of the Carry Forward Shares (as adjusted for the Reverse Split) and the registration fees paid in respect thereof from the Prior Registration Statements to the New Registration Statement.
