Prior to his current roles, Mr. Alexander served the Issuer and the Bank in various executive capacities since October 2001, and has served on their respective boards of directors since that time as well. Contemporaneously with the commencement of his service to the Issuer and the Bank, Mr. Alexander began to accumulate beneficial ownership of the Issuer’s common stock, par value \$0.01 per share (the “Common Stock”), through: (i) the exchange of his shares of MNB Bancshares, Inc. (“MNB”) common stock in connection with the merger of MNB and the Issuer; (ii) the allocation to his account of certain shares of Common Stock pursuant to an employee stock ownership plan; (iii) various purchases of Common Stock; and (iv) the receipt of stock options from the Issuer as a part of his overall compensation package. On February 19, 2008, in connection with the future vesting of certain stock options, Mr. Alexander’s beneficial ownership of the Common Stock, as calculated pursuant to Rule 13d-3, reached 5.2%, exceeding 5.0% for the first time. As a result, Mr. Alexander became subject to the filing requirements of Regulation 13D-G at that time.

Due to his service as a director and executive officer of the Issuer, Mr. Alexander’s beneficial ownership of the Common Stock has been reported in each of the Issuer’s definitive proxy statements filed with the Securities and Exchange Commission (the “SEC”) since April 2002. In addition, filings pursuant to Section 16 of the Securities Exchange Act of 1934, as amended (the “Act”), have been made on behalf of Mr. Alexander since October 2001.

Unless otherwise stated, the number of shares beneficially owned by Mr. Alexander is reported in this form as of March 18, 2014. The number and price of Issuer shares involved in any transaction prior to such date have been adjusted herein to reflect annual 5% stock dividends paid by the Issuer in December of each year.
