We encourage you to vote via the Internet, if possible, as it saves us significant time and processing costs. TO BE HELD ON FEBRUARY 3, 2015**

Notice is hereby given to the owners of shares of common stock (the **Stockholders**) of Golub Capital BDC, Inc. (the **Company**) that:

The 2015 Annual Meeting of Stockholders (the **Annual Meeting**) of the Company will be held at the offices of Dechert LLP, located at 1095 Avenue of the Americas, New York, New York, on February 3, 2015 at 9:30 a.m., Eastern Time, for the following purposes:

You have the right to receive notice of, and to vote at, the Annual Meeting if you were a Stockholder of record at the close of business on December 10, 2014. We are furnishing proxy materials to our Stockholders on the Internet, rather than mailing printed copies of those materials to each Stockholder. If you received a Notice of Internet Availability of Proxy Materials by mail, you will not receive a printed copy of the proxy materials unless you request them. Instead the Notice of Internet Availability of Proxy Materials will instruct you as to how you may access and review the proxy materials, and vote your proxy, on the Internet.

Your vote is extremely important to us. If you are unable to attend the Annual Meeting, we encourage you to vote your proxy on the Internet by following the instructions provided on the Notice of Internet Availability of Proxy Materials. You may also request from us free of charge hard copies of the proxy statement and a proxy card by following the instructions on the Notice of Internet Availability of Proxy Materials. In the event there are not sufficient votes for a quorum or to approve the proposals at the time of the Annual Meeting, the Annual Meeting may be adjourned in order to permit further solicitation of proxies by the Company.

**THE BOARD, INCLUDING EACH OF THE INDEPENDENT DIRECTORS, UNANIMOUSLY
RECOMMENDS THAT YOU VOTE FOR EACH OF THE PROPOSALS.**

PROXY STATEMENT

For

**2015 Annual Meeting of Stockholders
To Be Held on February 3, 2015**

This document will give you the information you need to vote on the matters listed on the accompanying Notice of Annual Meeting of Stockholders ("Notice of Annual Meeting"). Much of the information in this Proxy Statement is required under rules of the Securities and Exchange Commission ("SEC"), and some of it is technical in nature. If there is anything you do not understand, please contact us at 312-205-5050.

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of Golub Capital BDC, Inc. (the "Company," Golub Capital BDC, we, us or our) for use at our 2015 Annual Meeting of Stockholders (the "Annual Meeting") to be held on Tuesday, February 3, 2015 at 9:30 a.m., Eastern Time, at the offices of Dechert LLP, located at 1095 Avenue of the Americas, New York, New York, and at any postponements or adjournments thereof. This Proxy Statement and the Company's Annual Report for the fiscal year ended September 30, 2014, are being provided to stockholders of the Company of record as of December 10, 2014 (the "Stockholders") via the Internet on or about December 15, 2014. In addition, a Notice of Annual Meeting and a Notice of Internet Availability of Proxy Materials are being sent to Stockholders of record as of December 10, 2014.

We encourage you to vote your shares, either by voting in person at the Annual Meeting or by voting by proxy, which means that you authorize someone else to vote your shares. Shares represented by duly executed proxies will be voted in accordance with your instructions. If you execute a proxy without specifying your voting instructions, your shares will be voted in accordance with the Board's recommendation. If any other business is brought before the Annual Meeting, your shares will be voted at the Board's discretion unless you specifically state otherwise on your proxy.

You may revoke a proxy at any time before it is exercised by notifying the Company's Secretary in writing, by submitting a properly executed, later-dated proxy, or by voting in person at the Annual Meeting. Any Stockholder entitled to vote at the Annual Meeting may attend the Annual Meeting and vote in person, whether or not he or she has previously voted his or her shares via proxy or wishes to change a previous vote.

You will be eligible to vote your shares electronically via the Internet, telephone, or by mail by following the instructions on the Notice of Internet Availability of Proxy Materials.

Purpose of Annual Meeting

At the Annual Meeting, you will be asked to vote on the following proposals:

1. To elect two Class II directors of the Company who will each serve for a term of three years or until his successor is duly elected and qualified; and
2. To ratify the selection of McGladrey LLP (McGladrey) to serve as the Company's independent registered public accounting firm for the fiscal year ending September 30, 2015.

1

Voting Securities

You may vote your shares at the Annual Meeting only if you were a Stockholder of record at the close of business on December 10, 2014 (the Record Date). There were 47,119,498 shares of the Company's common stock (the Common Stock) outstanding on the Record Date. Each share of Common Stock is entitled to one vote.

Quorum Required

A quorum must be present at the Annual Meeting for any business to be conducted. The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of Common Stock outstanding on the Record Date will constitute a quorum. Shares held by a broker or other nominee for which the nominee has not received voting instructions from the record holder and does not have discretionary authority to vote the shares on non-routine proposals (which are considered broker non-votes with respect to such proposals) will be treated as shares present for quorum purposes. If there are not enough votes for a quorum, the chairman of the Annual Meeting will adjourn the Annual Meeting to permit the further solicitation of proxies.

Votes Required

Election of Director

The election of a director requires the vote of a majority of the shares of Common Stock cast at the Annual Meeting in person or by proxy. Stockholders may not cumulate their votes. If you vote Withhold Authority with respect to a nominee, your shares will have the effect of a vote against the person indicated.

Ratification of Independent Registered Public Accounting Firm

The affirmative vote of a majority of the votes cast at the Annual Meeting in person or by proxy is required to ratify the appointment of McGladrey LLP to serve as the Company's independent registered public accounting firm. Abstentions will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal.

Broker Non-Votes

Broker non-votes are described as votes cast by a broker or other nominee on behalf of a beneficial holder who does not provide explicit voting instructions to such broker or nominee and who does not attend the meeting. Proposal 1 is a non-routine matter. As a result, if you hold shares in street name through a broker, bank or other nominee, your broker, bank or nominee will **not** be permitted to exercise voting discretion with respect to Proposal 1, the election of two Class II directors. Thus, if you do not give your broker or nominee specific instructions on how to vote for you or do not vote for yourself by returning a proxy card or by other arrangement with your broker or nominee, your shares will have no effect on Proposal 1.

Proposal 2, the ratification of the selection of McGladrey LLP, is a routine matter. As a result, if you beneficially own your shares and you do not provide your broker or nominee with proxy instructions, by returning a proxy card or by other arrangement with your broker or nominee, your broker or nominee will be able to vote your shares for you on this routine matter.

Adjournment and Additional Solicitation. If there appear not to be enough votes to approve the proposals at the Annual Meeting, the Stockholders who are represented in person or by proxy may vote to adjourn the Annual Meeting to permit further solicitation of proxies. Joshua M. Levinson and Ross A. Teune are the persons named as proxy and will vote proxies held by one of them for such adjournment, unless marked to be voted against any proposal for which an adjournment is sought, to permit the further solicitation of proxies.

A Stockholder vote may be taken on any of the proposals in this Proxy Statement prior to any such adjournment if there are sufficient votes for approval of such proposal.

Information Regarding This Solicitation

The Company will bear the expense of the solicitation of proxies for the Annual Meeting, including the cost of preparing and posting this Proxy Statement and the Annual Report to the Internet and the cost of mailing the Notice of Annual Meeting of Stockholders, the Notice of Internet Availability of Proxy Materials and any requested proxy materials to Stockholders. The Company intends to use the services of GC Advisors LLC (GC Advisors), the Company's investment adviser, to aid in the distribution and collection of proxy votes. The Company expects to pay market rates for such services. If brokers, trustees, or fiduciaries and other institutions holding shares in their own names or in the names of their nominee, which shares are beneficially owned by others, forward the proxy materials to, and obtain proxies from, such beneficial owners, the Company will reimburse such persons for their reasonable expenses in so doing.

No additional compensation will be paid to directors, officers or regular employees for such services. If the Company retains a solicitor, the Company has estimated that it would pay approximately \$35,000 for such services. If the Company engages a solicitor, you could be contacted by telephone on behalf of the Company and urged to vote. The solicitor will not attempt to influence how you vote your shares, but only ask that you take the time to cast a vote. You may also be asked if you would like to vote over the telephone and to have your vote transmitted to our proxy tabulation firm.

Stockholders may provide their voting instructions through the Internet, by telephone, or by mail by following the instructions on the Notice of Internet Availability of Proxy Materials. These options require Stockholders to input the Control Number, which is provided with the Notice of Internet Availability of Proxy Materials. If you vote using the Internet, after visiting www.voteproxy.com and inputting your Control Number, you will be prompted to provide your voting instructions. Stockholders will have an opportunity to review their voting instructions and make any necessary changes before submitting their voting instructions and terminating their Internet link. Stockholders who vote via the Internet, in addition to confirming their voting instructions prior to submission, will, upon request, receive an e-mail confirming their instructions.

If a Stockholder wishes to participate in the Annual Meeting but does not wish to give a proxy by Internet, the Stockholder may attend the Annual Meeting in person or request and submit a proxy card by following the instructions on the Notice of Internet Availability of Proxy Materials.

Any proxy authorized pursuant to this solicitation may be revoked by notice from the person giving the proxy at any time before it is exercised. A revocation may be effected by resubmitting voting instructions via the Internet voting site, by telephone, by obtaining and properly completing another proxy card that is dated later than the original proxy card and returning it, by mail, in time to be received before the Annual Meeting, by attending the Annual Meeting and voting in person, or by a notice, provided in writing and signed by the Stockholder, delivered to the Company's Secretary on any business day before the date of the Annual Meeting.

PROPOSAL 1: ELECTION OF DIRECTORS

In accordance with the Company's bylaws, the Board currently has six members. Directors are divided into three classes and are elected for staggered terms of three years each, with a term of office of one of the three classes of directors expiring each year. After this election, the terms of Class I, II and III will expire in 2017, 2018 and 2016, respectively. Each director will hold office for the term to which he or she is elected or until his or her successor is duly elected and qualifies.

A Stockholder can vote for, or withhold his or her vote from, any nominee. In the absence of instructions to the contrary, it is the intention of the persons named as proxies to vote such proxy FOR the election of each nominee named below. If a nominee should decline or be unable to serve as a director, it is intended that the proxy will be voted for the election of such person as is nominated by the Board as a replacement. The Board has no reason to believe that either Mr. John T. Baily or Mr. Kenneth F. Bernstein will be unable or unwilling to serve.

Corporate Governance

We believe that maintaining the highest standards of corporate governance is a crucial part of our business, and we are committed to having in place the necessary controls and procedures designed to ensure compliance with applicable laws, rules and regulations.

Director Independence

NASDAQ corporate governance rules require listed companies to have a board of directors with at least a majority of independent directors. Under NASDAQ corporate governance rules, in order for a director to be deemed independent, our Board must determine that the individual does not have a relationship that would interfere with the director's

exercise of independent judgment in carrying out his or her responsibilities. On an annual basis, each member of our Board is required to complete an independence questionnaire designed to provide information to assist the Board in determining whether the director is independent under NASDAQ corporate governance rules, the 1940 Act and our corporate governance guidelines. Our Board has determined that each of our directors, other than Mr. Lawrence E. Golub and Mr. David B. Golub, is independent under the listing standards of the NASDAQ Stock Market LLC, the Exchange Act and the 1940 Act. Our governance guidelines require any director who has previously been determined to be independent to inform

the Chairman of the Board, the Chairman of the Nominating and Corporate Governance Committee and our Corporate Secretary of any change in circumstance that may cause his or her status as an Independent Director to change. The Board limits membership on the Audit Committee, the Nominating and Corporate Governance Committee and the Compensation Committee to Independent Directors.

The Board's Oversight Role in Management

The Board's role in management of the Company is one of oversight. Oversight of the Company's investment activities extends to oversight of the risk management processes employed by GC Advisors as part of its day-to-day management of our investment activities. The Board reviews risk management processes at both regular and special board meetings throughout the year, consulting with appropriate representatives of GC Advisors as necessary and periodically requesting the production of risk management reports or presentations. The goal of the Board's risk oversight function is to ensure that the risks associated with our investment activities are accurately identified, thoroughly investigated and responsibly addressed. The Audit Committee of the Board (which consists of all the Independent Directors) is responsible for approving our independent accountants, reviewing with our independent accountants the plans and results of the audit engagement, approving professional services provided by our independent accountants, reviewing the independence of our independent accountants and reviewing the adequacy of our internal accounting controls. The Audit Committee is also responsible for aiding the Board in fair value pricing debt and equity securities that are not publicly traded or for which current market values are not readily available.

Stockholders should note, however, that the Board's oversight function cannot eliminate all risks or ensure that particular events do not adversely affect the value of investments. The Compensation Committee's risk oversight responsibilities include reviewing the reimbursement by the Company to the Administrator of the allocable portion of the Company's chief financial officer and chief compliance officer and their respective staffs on an annual basis.

The Board's Composition and Leadership Structure

The 1940 Act requires that at least a majority of the Company's directors not be interested persons (as defined in the 1940 Act) of the Company. Currently, four of the Company's six directors are Independent Directors (and are not interested persons). However, Lawrence E. Golub, Chief Executive Officer of Golub Capital, and therefore an interested person of Golub Capital BDC, serves as Chairman of the Board. The Board believes that it is in the best interests of investors for Mr. Golub to lead the Board because of his broad experience with the day-to-day management and operation of other investment funds and his significant background in the financial services industry, as described below. The Board does not have a lead independent director. However, William M. Webster IV, the Chairman of the Audit Committee and the Nominating and Corporate Governance Committee, is an Independent Director and acts as a liaison between the Independent Directors and management between meetings of the Board. He is also involved in the preparation of agendas for Board and committee meetings. The Board believes that its leadership structure is appropriate in light of the characteristics and circumstances of the Company because the structure allocates areas of responsibility among the individual directors and the committees in a manner that enhances effective oversight. The Board also believes that its small size creates a highly efficient governance structure that provides ample opportunity for direct communication and interaction between GC Advisors and the Board.

Information About Each Director's Experience, Qualifications, Attributes or Skills

Below is additional information about each director (supplementing the information provided in the table above) that describes some of the specific experiences, qualifications, attributes and/or skills that each director possesses, and which the Board believes has prepared each director to be effective. The Board believes that the significance of each director's experience, qualifications, attributes and/or skills is an individual matter (meaning that experience or a factor that is important for one director may not have the same value for another) and that these factors are best evaluated at the Board level, with no single director, or particular factor, being indicative of Board effectiveness. However, the

Board believes that directors need to have the ability to review, evaluate, question and discuss critical information provided to them and to interact effectively with Company management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties. The Board believes that its members satisfy this standard. Experience relevant to having this ability may be achieved through a director's educational background, business, professional training or practice (*e.g.*, finance, accounting or law), public service or academic

positions, experience from service as a board member (including the Board of the Company) or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations, and/or other life experiences. To assist them in evaluating matters under federal and state law, the Independent Directors are counseled by their own independent legal counsel, who participates in Board meetings and interacts with GC Advisors, and also may benefit from information provided by the Company's counsel. Both Independent Directors and Company's counsels have significant experience advising funds, including other business development companies, and fund board members. The Board and its committees have the ability to engage other experts as appropriate. The Board evaluates its performance on an annual basis.

Certain Relationships and Related Party Transactions

We have entered into agreements with GC Advisors, in which members of our senior management and members of GC Advisors' investment committee have ownership and financial interests. Members of our senior management and the investment committee also serve as principals of other investment advisers affiliated with GC Advisors that do and may in the future sponsor or manage accounts with investment objectives similar to ours. In addition, our executive officers and directors and the members of GC Advisors and its investment committee serve or may serve as officers, directors or principals of entities that operate in the same, or related, line of business as we do or of accounts managed or sponsored by our affiliates. These accounts may have investment objectives similar to our investment objective.

Subject to certain 1940 Act restrictions on co-investments with affiliates, GC Advisors offers us the right to participate in all investment opportunities that it determines are appropriate for us in view of our investment objective, positions, policies, strategies and restrictions as well as regulatory requirements and other relevant factors. Such offers are subject to the exception that, in accordance with GC Advisors' code of ethics and allocation policies, we might not participate in each individual opportunity but will, on an overall basis, be entitled to participate equitably with other entities sponsored or managed by GC Advisors and its affiliates. The Board regularly reviews the allocation policy of GC Advisors and annually reviews the code of ethics of GC Advisors.

GC Advisors and its affiliates have both subjective and objective policies and procedures in place and designed to manage the potential conflicts of interest between GC Advisors' fiduciary obligations to us and its similar fiduciary obligations to other clients. To the extent that we compete with entities sponsored or managed by GC Advisors or its affiliates for a particular investment opportunity, GC Advisors will allocate investment opportunities across the entities for which such opportunities are appropriate, consistent with (1) its internal conflict of interest and allocation policies, (2) the requirements of the Investment Advisers Act of 1940, as amended (the "Advisers Act"), and (3) certain restrictions under the 1940 Act regarding co-investments with affiliates. GC Advisors' allocation policies are intended to ensure that, over time, we may generally share equitably with other accounts sponsored or managed by GC Advisors or its affiliates in investment opportunities, particularly those involving a security with limited supply or involving differing classes of securities of the same issuer which may be suitable for us and such other accounts. There can be no assurance that GC Advisors' or its affiliates' efforts to allocate any particular investment opportunity fairly among all clients for whom such opportunity is appropriate will result in an allocation of all or part of such opportunity to us. Not all conflicts of interest can be expected to be resolved in our favor.

GC Advisors has historically sponsored or managed, and currently sponsors or manages, accounts with similar or overlapping investment strategies and has put in place a conflict-resolution policy that addresses the co-investment restrictions set forth under the 1940 Act. GC Advisors seeks to ensure the equitable allocation of investment opportunities when we are able to invest alongside other accounts sponsored or managed by GC Advisors and its affiliates. When we invest alongside such other accounts, such investments are made consistent with GC Advisors' allocation policy. Under this allocation policy, if an investment opportunity is appropriate for us and another similar eligible account, the opportunity will be allocated pro rata based on relative total capital of each of us and such other eligible accounts, subject to minimum and maximum investment size limits. In situations in which co-investment with other entities sponsored or managed by GC Advisors or its affiliates is not permitted or appropriate, such as when, in the absence of exemptive relief described below, we and such other entities would be making different investments in the same issuer, GC Advisors will need to decide whether we or such other entity or entities will proceed with the investment. GC Advisors will make these determinations based on its policies and procedures, which generally require that such opportunities be offered to eligible accounts on a basis that will be fair and equitable over time, including, for example, through random or rotational methods.

We have in the past and expect in the future to co-invest on a concurrent basis with other affiliates of GC Advisors, unless doing so is impermissible with existing regulatory guidance, applicable regulations, the terms of any exemptive

relief granted to us and our allocation procedures. Certain types of negotiated co-investments may be made only if we receive an order from the SEC permitting us to do so. There can be no assurance that we will obtain any such order.

We and GC Advisors have submitted an exemptive

application to the SEC to permit greater flexibility to negotiate the terms of co-investments if our Board determines that it would be advantageous for us to co-invest with other accounts sponsored or managed by GC Advisors or its affiliates in a manner consistent with our investment objective, positions, policies, strategies and restrictions as well as regulatory requirements and other pertinent factors.

GC Advisors and its affiliates have other clients with similar or competing investment objectives, including several private funds that are pursuing an investment strategy similar to ours, some of which are continuing to seek new capital commitments. In serving these clients, GC Advisors may have obligations to other clients or investors in those entities. Our investment objective may overlap with such affiliated accounts. GC Advisors' allocation procedures are designed to allocate investment opportunities among the accounts sponsored or managed by GC Advisors and its affiliates in a manner consistent with its obligations under the Advisers Act. If two or more accounts with similar investment strategies are actively investing, GC Advisors will seek to allocate investment opportunities among eligible accounts in a manner that is fair and equitable over time and consistent with its allocation policy.

Our senior management, members of GC Advisors' investment committee and other investment professionals from GC Advisors may serve as directors of, or in a similar capacity with, companies in which we invest or in which we are considering making an investment. Through these and other relationships with a company, these individuals may obtain material non-public information that might restrict our ability to buy or sell the securities of such company under the policies of the company or applicable law. In addition, we have adopted a formal Code of Ethics that governs the conduct of our and GC Advisors' officers, directors and employees. Our officers and directors also remain subject to the duties imposed by both the 1940 Act and the General Corporation Law of the State of Delaware.

We have entered into an investment advisory agreement (the "Investment Advisory Agreement") with GC Advisors pursuant to which we pay GC Advisors a base management fee and incentive fee. The Investment Advisory Agreement became effective upon the pricing of our initial public offering and was amended and restated on July 16, 2010 to effectuate a fee offsetting arrangement, thereby assuring that the management fees paid by our stockholders (whether directly or indirectly) do not exceed those in the original Investment Advisory Agreement. Our Board reapproved the Investment Advisory Agreement for a one-year term in May 2014. The incentive fee is computed and paid on income that we may not have yet received in cash. This fee structure may create an incentive for GC Advisors to make certain types of investments. Additionally, we rely on investment professionals from GC Advisors to assist our Board with the valuation of our portfolio investments. GC Advisors' base management fee and incentive fee are based on the value of our investments and there may be a conflict of interest when personnel of GC Advisors are involved in the valuation process of our portfolio investments. For the fiscal year ending September 30, 2014, GC Advisors earned a base management fee, together with the collateral management fee described below, of \$17.1 million and an incentive fee of \$10.1 million.

We have entered into a license agreement with Golub Capital LLC under which Golub Capital LLC granted us a non-exclusive, royalty-free license to use the name "Golub Capital."

Under an administration agreement (the "Administration Agreement"), Golub Capital LLC furnishes us with office facilities and equipment and provides clerical, bookkeeping, recordkeeping and other administrative services at such facilities. Under our Administration Agreement, Golub Capital LLC performs, or oversees the performance of, our required administrative services, which include, among other things, being responsible for the financial records that we are required to maintain and preparing reports to our stockholders and reports filed with the SEC. GC Advisors is the sole member of and controls Golub Capital LLC. Our Board reapproved the Administration Agreement for a one-year term in May 2014. For the fiscal year ending September 30, 2014, the Company reimbursed GC Advisors \$2.6 million for the services described above.

GC Advisors is an affiliate of Golub Capital, with whom it has entered into a staffing agreement (the Staffing Agreement). Under this agreement, Golub Capital makes available to GC Advisors experienced investment professionals and access to the senior investment personnel and other resources of Golub Capital and its affiliates. The Staffing Agreement provides GC Advisors with access to deal flow generated by the professionals of Golub Capital and its affiliates and commits the members of GC Advisors investment committee to serve in that capacity. GC Advisors seeks to capitalize on what we believe to be the significant

deal origination, credit underwriting, due diligence, investment structuring, execution, portfolio management and monitoring experience of Golub Capital's investment professionals.

GC Advisors serves as collateral manager to our indirect subsidiary, Golub Capital BDC 2010-1 LLC and our direct subsidiary, Golub Capital BDC CLO 2014 LLC, under a collateral management agreement and receives a fee for providing these services that is offset against the base management fee payable by us under the Investment Advisory Agreement.

Golub Capital LLC serves as administrative agent for Senior Loan Fund LLC, an unconsolidated Delaware limited liability company that invests in senior secured loans and is co-managed by Golub Capital BDC and RGA Reinsurance Company. Pursuant to the Administrative and Loan Services Agreement between Senior Loan Fund LLC and Golub Capital LLC, Golub Capital LLC provides certain loan servicing and administrative functions to Senior Loan Fund LLC and is reimbursed for certain of its costs and expenses by Senior Loan Fund LLC.

The Audit Committee, in consultation with the Company's Chief Executive Officer, Chief Compliance Officer and legal counsel, has established a written policy to govern the review of potential related party transactions. The Audit Committee conducts quarterly reviews of any potential related party transactions and, during these reviews, it also considers any conflicts of interest brought to its attention pursuant to the Company's Code of Conduct or Code of Ethics.

The Company does not know of any direct or indirect financial interest of McGladrey in the Company. Representative(s) of McGladrey will attend the Annual Meeting, will have the opportunity to make a statement if they desire to do so and will be available to answer questions.

Audit Fees: Audit fees consist of fees billed for professional services rendered for the audit of our year-end financial statements and services that are normally provided by McGladrey in connection with statutory and regulatory filings. Audit fees related to the fiscal years ended September 30, 2014 and 2013 billed to the Company were \$594,447 and \$535,713, respectively. Of the audit fees billed, \$134,949 and \$195,099 related to N-2-Registration Statement and Prospectus filings during 2014 and 2013, respectively.

Audit-Related Fees: Audit-related services consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not reported under Audit Fees. These services include attest services that are not required by statute or regulation and consultations concerning financial accounting and reporting standards. There were no audit related fees billed by McGladrey during the fiscal years ended September 30, 2014 and 2013.

Tax Fees: Tax fees consist of fees billed for professional services for tax compliance. These services include assistance regarding federal, state, and local tax compliance. There were no tax fees billed by McGladrey during the fiscal years ended September 30, 2014 and 2013.

All Other Fees: Other fees would include fees billed for products and services other than the services reported above. There were no other fees billed during the fiscal years ended September 30, 2014 and 2013.

The Audit Committee has established a pre-approval policy that describes the permitted audit, audit-related, tax and other services to be provided by McGladrey, the Company's independent auditor. The policy requires that the Audit Committee pre-approve the audit and permissible non-audit services performed by the independent auditor in order to assure that the provision of such service does not impair the auditor's independence. While there were no audit-related fees, tax fees and other fees incurred in the fiscal year ended September 30, 2014, if any of these would have been incurred, they would have been approved by the Audit Committee.

Any requests for audit, audit-related, tax and other services that have not received general pre-approval must be submitted to the Audit Committee for specific pre-approval, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated must report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent auditor to management.

Audit Committee Report⁽¹⁾

The following is the report of the Audit Committee with respect to the Company's audited financial statements for the fiscal year ended September 30, 2014.

The Audit Committee has reviewed and discussed the Company's audited financial statements with management and McGladrey LLP, the Company's independent registered public accounting firm, with and without management present. The Audit Committee included in its review results of McGladrey's examinations, the Company's internal controls and the quality of the Company's financial reporting. The Audit Committee also reviewed the Company's procedures and internal control processes designed to ensure full, fair and adequate financial reporting and disclosures, including procedures for certifications by the Company's chief executive officer and chief financial officer that are required in periodic reports filed by the Company with the SEC. The Audit Committee is satisfied that the Company's internal control system is adequate and that the Company employs appropriate accounting and auditing procedures.

The Audit Committee also has discussed with McGladrey matters relating to McGladrey's judgments about the quality, as well as the acceptability, of the Company's accounting principles as applied in its financial reporting as required by Statement of Auditing Standards No. 61 (Communication With Those Charged With Governance). In addition, the Audit Committee has discussed with McGladrey its independence from management and the Company, as well as the matters in the written disclosures received from McGladrey and required by Public Company Accounting Oversight Board Rule 3526 (Communication with Audit Committee Concerning Independence). The Audit Committee received a letter from McGladrey confirming its independence and discussed it with them. The Audit Committee reviewed and approved the amount of audit fees paid to McGladrey for the fiscal year ended September 30, 2014. The Audit Committee discussed and reviewed with McGladrey the Company's critical accounting policies and practices, internal controls, other material written communications to management, and the scope of McGladrey's audits and all fees paid to McGladrey during the fiscal year. The Audit Committee adopted guidelines requiring review and pre-approval by the Audit Committee of audit and non-audit services performed by McGladrey for the Company. The Audit Committee has reviewed and considered the compatibility of McGladrey's performance of non-audit services with the maintenance of McGladrey's independence as the Company's independent registered public accounting firm. In its consideration of whether to recommend that stockholders ratify the selection of McGladrey as the Company's independent registered public accounting firm for the fiscal year ended September 30, 2015, the Audit Committee considered both the continued independence of McGladrey from the Company and management and whether retaining McGladrey was in the best interests of the Company and its stockholders.

Based on the Audit Committee's review and discussions referred to above, the Audit Committee recommended to the Board (and the Board has approved) that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2014 for filing with the SEC. In addition, the Audit Committee has engaged McGladrey to serve as the Company's independent registered public accounting firm for the fiscal year ending September 30, 2015, and has directed that the selection of McGladrey should be submitted to Stockholders for ratification.
