(III) GRANTING RELATED RELIEF

The reorganized debtors in the above-captioned jointly administered cases (collectively, the "Reorganized Debtors") hereby move (the "Motion"), pursuant to sections 105(a), 1142, and 1146 of title 11 of the United States Code (the "Bankruptcy Code"), Rules 4001 and 6004 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), Rules 4001-2 and 6004-1 of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the "Local Rules"), sections VII.B, VII.F, VII.H, and XIII of the *Modified Second Amended Joint Chapter 11 Plan of Reorganization of Syms Corp. and Its Subsidiaries* (the "Plan") and paragraphs 7, 18, 21, and 49 of the *Findings of Fact, Conclusions of Law and Order Confirming the Modified Second Amended Joint Chapter*

11 Plan of Reorganization of Syms Corp. and Its Subsidiaries (D.I. 1983) (the “Confirmation Order”) for entry of an order, substantially in the form of **Exhibit A** hereto (the “Proposed Order”), (i) authorizing the Reorganized Debtors to enter into the Loan (as defined below) and effectuate the transactions contemplated therein; (ii) authorizing the Reorganized Debtors to effectuate a transaction(s) to maximize the value of all or any portion of the Trinity Property and any other Syms Owned Real Estate, including by developing, selling, or otherwise transferring such assets pursuant to the Plan and Confirmation Order and approving protective measures to preserve the Reorganized Debtors’ significant net operating losses (“NOLs”); (iii) waiving any and all mortgage recording, transfer, stamp, or similar taxes that may otherwise be incurred due to the transfer of any interest in Syms Owned Real Estate, including but not limited to the Loan, the development, sale, transfer, and/or other transaction involving all or any portion of the Trinity Property including any subsequent financing (including seller financing) secured by the Trinity Property, pursuant to section 1146 of the Bankruptcy Code, the Plan, and Confirmation Order; and (iv) granting such other relief as may be just and proper. In support of the Motion, the Reorganized Debtors respectfully state as follows:

The Reorganized Debtors and the last four digits of their respective taxpayer identification numbers are as follows:
1 Filene's Basement, LLC (8277), Syms Corp. (5228), Syms Clothing, Inc. (3869), and Syms Advertising Inc. (5234).
The Reorganized Debtors’ address is 717 Fifth Avenue, Suite 1303, New York, NY 10022.

2 Capitalized terms used but not defined herein shall have the meaning ascribed to them in the Plan.

PRELIMINARY STATEMENT

1. By this Motion, the Reorganized Debtors seek approval of transactions that will allow the Reorganized Debtors to fulfill the primary objective of the Plan, the achievement of a General Unsecured Claim Satisfaction. The creditor representative and his counsel have been involved in the process leading to the filing of this Motion and are supportive of this Motion and the transactions contemplated herein. Specifically, the Reorganized Debtors request this Court's approval of a secured debt financing, and the transactions contemplated therein, that will provide the Reorganized Debtors with up to \$50 million, an amount more than sufficient to pay any remaining unpaid Allowed Claims and reserve for any remaining Disputed Claims in accordance with the Plan.

2

2. While the Reorganized Debtors are entering into a secured financing at this time to accelerate their ability to pay all creditors, they also continue work on the pre-development and marketing of their most valuable asset—the lower Manhattan property at 42 Trinity Place and 67 Greenwich Street and related air rights (the “Trinity Property”). The Reorganized Debtors have made significant progress in the pre-leasing, programming, and design for the Trinity Property as a mixed-use commercial and residential building of over 280,000 gross square feet. Over the last two years, Lower Manhattan has continued to evolve into a premier and proven location for residential development. Current market indicators such as recent sales prices for development sites as well as contracts for comparable residential luxury condominiums in the area have established a sale price of over \$2,500 per sellable square foot, demonstrating that the Trinity Property is worth far more than the parties believed when the Plan was confirmed. In addition, a signed Letter of Intent to develop and sell the base of the building as a commercial condominium unit (which would constitute approximately 30% of the entire building) enhances the value of the residential units above and further strengthens the value of the Trinity Property. As reinforced by the proposed \$50 million debt financing, the tremendous value of the Trinity Property affords the Reorganized Debtors the opportunity to carefully consider all possible alternatives. In order to fully realize the value of the Trinity Property, the Reorganized Debtors have hired a reputable brokerage firm to market the Trinity Property and manage a sale process to seek the highest offers for interest, in whole or in part. Through the pre-development and marketing of the Trinity Property, the Reorganized Debtors seek to embark on a path that will obtain the highest and best risk-adjusted value for the Trinity Property for the benefit of their stakeholders.

3. Due to the enormity of these transactions and the significant consequences they will have on the administration of the Reorganized Debtors' bankruptcy cases, the parties involved are understandably hesitant to move forward without approval from this Court that the financing and any possible transaction involving the Trinity Property are authorized under and pursuant to the Plan and Confirmation Order. In connection therewith, the parties request, out of an abundance of caution, that the Court confirm that the mortgage and/or sale or other transaction regarding the Trinity Property (i) are approved by the Court and (ii) will not be subject to any recording, transfer, stamp, or similar tax. Additionally, the Reorganized Debtors request that the Court approve proposed amendments to the certificate of incorporation of Reorganized Syms that will preserve the value of the Reorganized Debtors' NOLs for the benefit of all stakeholders.

4. The relief requested in this Motion is in the best interests of the Reorganized Debtors' stakeholders by providing the Reorganized Debtors with the means to fulfill the objectives set forth in the Plan. For these reasons, the Reorganized Debtors request that the Court enter the Proposed Order and grant such other relief as may be just and proper.

Jurisdiction

5. The Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2). Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

6. The bases for the relief requested herein are sections 105, 1142, and 1146 of the Bankruptcy Code, Bankruptcy Rules 4001 and 6004, Local Rules 4001-2 and 6004-1, sections VII.B, VII.F, VII.H, and XIII of the Plan, and paragraphs 7, 18, 21, and 49 of the Confirmation Order.

Background

A. General Background

7. On August 30, 2012, the Court entered the Confirmation Order. Pursuant to the Confirmation Order, the Court confirmed the Plan.

8. On September 14, 2012, the Effective Date of the Plan occurred.

B. Relevant Plan Provisions

9. The Plan requires that Excess Cash be distributed to holders of Allowed Claims subject to the Plan Waterfall. “Excess Cash” is defined, as relevant, as “all Cash proceeds realized by the Reorganized Company from the sale or assignment or use of Syms Assets, including the Syms Owned Real Estate, or Filene’s Assets, settlements, or any other sources, net of the costs and expenses of such transactions,” less certain operating costs and specified distributions to creditors. Plan § 1.69, 1.110. The Plan Waterfall is described at Article IV of the Plan, and sets forth the order in which creditors are to be paid from Excess Cash generated by the Reorganized Debtors. *See id.* § IV.

10. Upon payment of all Allowed Claims in full and reserving Cash for any remaining Disputed Claims, the Reorganized Debtors achieve a “General Unsecured Claim Satisfaction” under the Plan. Specifically, the Plan defines a “General Unsecured Claim Satisfaction” as “when Claims in Syms and Filene’s Class 3 (Convenience Claims), Syms Class 4 (General Unsecured Claims), Filene’s Class 4 (General Unsecured Short-Term Claims) and Filene’s Class 5 (General Unsecured Long-Term Claims) have been paid in full their Distributions under the Plan, and any Disputed Claims in such Classes have been Disallowed or reserved for in Cash by the Reorganized Company, which reserve shall be funded contemporaneously with the pro rata distribution to the Holders of the allowed Unsecured Claims in such Class.” Plan § 1.86.

11. The Plan and Confirmation Order authorize the Reorganized Debtors to incur secured debt and use the proceeds to achieve a General Unsecured Claim Satisfaction. Generally, the Plan and Confirmation Order state that “[f]ollowing the Effective Date, the Reorganized Company may issue new debt or equity capital in accordance with applicable law, as and to the extent authorized by the Board of Directors of Reorganized Syms and consistent with the Plan.” Plan § VII.F; *see also* Confirmation Order ¶ 21 (same).

12. The Plan imposes only certain limited restrictions on the Reorganized Debtors’ ability to issue debt and grant liens. Specifically, the Plan provides that “[t]he Reorganized Company shall be permitted to incur debt [and] grant liens...without any restrictions...other than...[s]o long as Plan obligations are unpaid under the Plan Waterfall, and unless otherwise required to be used to fund the Operating Reserves, 100% of net cash proceeds from each transaction, including the incurrence of any debt, lien or other obligation...received by the Reorganized Company, shall be treated as Excess Cash and used to fund distributions under the Plan Waterfall.” Plan § VII.F(1).

13. The Plan also authorizes the Reorganized Debtors to sell or otherwise dispose of Syms Owned Real Estate, including the Trinity Property, to achieve a General Unsecured Claim Satisfaction. *See, e.g.*, Plan § VII.B (“As of the Effective Date, the Reorganized Company shall...use, acquire and dispose of its property, including by operating, leasing and disposing of the Syms Owned Real Estate...”); Confirmation Order ¶ 7 (same). As with debt financing, the Plan imposes only certain limited restrictions on the Reorganized Debtors’ ability to dispose of Syms Owned Real Estate: “The Reorganized Company shall be permitted to...sell all or any portion of any asset without any restrictions...other than...[s]o long as Plan obligations are unpaid under the Plan Waterfall, and unless otherwise required to be used to fund the Operating Reserves, 100% of net cash proceeds from each transaction...shall be treated as Excess Cash and used to fund distributions under the Plan Waterfall.” Plan § VII.F.

14. Transfers of property pursuant to the Plan are not subject to any recording, transfer, stamp, or similar tax. Paragraph 18 of the Confirmation Order provides that “[p]ursuant to Bankruptcy Code section 1146(a)...any agreement regarding the transfer of title to or ownership of any of the Debtors’ real or personal property to any Person or entity after the Effective Date, will not be subject to any document recording tax, stamp tax, real estate transfer tax, mortgage recording tax, Uniform Commercial Code filing or recording tax, or other similar tax or governmental assessment.” Confirmation Order ¶ 18; *see also* Plan § VII.H (same). Moreover, the Confirmation Order directs state and local governmental officials and agents to “forego the collection of any such tax or governmental assessment and to accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment.” Confirmation Order ¶ 18.

C. The Trinity Property

15. The Trinity Property is located in Lower Manhattan at 38-42 Trinity Place and 67 Greenwich Street. In addition to the two buildings that make up the Trinity Property, the Reorganized Debtors also own an additional 16,500 square feet of “air rights,” floor area development rights which can be transferred from an adjacent property by virtue of a zoning land use and development agreement and used as part of the redevelopment of the Trinity Property. In total, the redevelopment would consist of approximately 235,000 square feet of zoning floor area. The Trinity Property is one of the last remaining development sites in Lower Manhattan that is regularly shaped and of a substantial size. When redeveloped, it will have unobstructed water and urban scape views. It is in walking distance to waterfront parks and enjoys superior access from highways and mass transit. In addition to a significant as-of-right program, the site also has potential for up-zoning through a subway bonus as well as potential as a larger assemblage site. As noted above, recently developed site sales as well as condominium contracts have established Lower Manhattan as a proven location for high value residential condominiums. Understanding these evolving market conditions, the Reorganized Debtors have made significant pre-development progress to date developing a program for a 280,000 gross square foot mixed-use building that includes luxury residential condominiums as well as a strong commercial base use, which will enhance the value of these tower residential units, which would start at an elevation of approximately 135 feet.

16. The Reorganized Debtors have engaged in an ongoing marketing process, including hiring an established brokerage firm to assist with achieving the highest and best price for the Trinity Property in whole or in part. The Reorganized Debtors have also been approached by a wide range of prospective partners and purchasers. During this process the Reorganized Debtors have received indications of interest from various credible third parties that demonstrate that the value of the Trinity Property is, in whole or in part, much higher than the parties believed when the Plan was confirmed in 2012. The Reorganized Debtors intend to continue the process of marketing the Trinity Property and will continue to work on pre-development activities in order to ensure the most appropriate risk-adjusted path to value-maximization for their stakeholders, whether through a sale, joint venture, or development on its own.

17. As a further effort to maximize value in connection with the development, sale, transfer, and/or other transaction involving all or any portion of the Trinity Property, the Reorganized Debtors request that this Court approve amendments to the certificate of incorporation of Reorganized Syms that will preserve the Reorganized Debtors' valuable NOLs.³ The amendments to the certificate of incorporation will restrict stockholders' ability to enter into certain transfers of stock, and will impose certain restrictions on stock ownership, that may otherwise result in significant limitations being imposed on the Reorganized Debtors' use of their NOLs. These protections are fully supported by the creditor representative and are similar to protections previously approved by this Court before the Effective Date pursuant to the *Final Order Pursuant to Bankruptcy Code Sections 105, 362 and 541 and Bankruptcy Rule 3001 Establishing Procedures and Restrictions on Equity Transfers* (D.I. 392) (the "Final NOL Order"). Similarly, the amendments include provisions to facilitate the implementation of an NOL rights plan if the Reorganized Debtors deem advisable. As such, the proposed amendments are in the best interest of the Reorganized Debtors' creditors and other stakeholders.

D. The Reorganized Debtors' Progress Since the Effective Date

18. In addition to their efforts to develop and market their interests in the Trinity Property, the Reorganized Debtors have made significant progress in administering these chapter 11 cases and conducting all aspects of their business. As of the Effective Date, the Reorganized Debtors owned thirteen Near Term Properties, three Medium Term Properties, and the Trinity Property, and there were approximately 3,130 proofs of claim and approximately 3,200 scheduled claims with a face value of approximately \$320 million. As of December 31, 2014, Reorganized Debtors will have accomplished the following, among other things:

- the sale of 14 properties, generating aggregate net sale proceeds of approximately \$83.7 million;

³The proposed amended certificate of incorporation of Reorganized Syms is attached hereto as **Exhibit B**.

- distribution of approximately \$83.6 million in Excess Cash to claimants on account of Allowed Claims;
- reconciliation and resolution of all but approximately 52 Disputed Claims, which number includes:

29 Claims related to the Reorganized Debtors' insurance coverage, the majority of which are personal injury claims that are being handled in the ordinary course in conjunction with the Reorganized Debtors' insurance carrier as provided in the Plan.

13 Claims asserted by the Debtors' former landlords. The Reorganized Debtors are currently in negotiations regarding each of these Claims (approximately half of which are redundant of other Claims filed by the same landlord and/or its affiliates), and will continue to communicate and negotiate with these landlords and/or file objections to such Claims to the extent such negotiations are unsuccessful.

10 trade claims, the majority of which are the subject of a pending claims objection and/or ongoing negotiations with the Reorganized Debtors.

- the activation of repositioning for West Palm Beach and Paramus properties with brand new, financially capable national retailers paying strong rental rates for new or renovated structures at these prime locations;

- establishment of a leasing plan for the Westbury property that has resulted in multiple redevelopment options which are currently being evaluated for activation in 2015; and

- reinvestment in the Reorganized Debtors' intellectual property with the launch of a new Filene's Basement web-based retailer in 2015.

E. The Loan

19. To promptly achieve a General Unsecured Claim Satisfaction, the Reorganized Debtors are seeking to incur up to \$50 million in debt financing secured by a first mortgage lien on the Trinity Property (the “Loan”). The principal terms of the Loan are as follows:⁴

Lender(s):	Sterling National Bank (“ <u>Sterling</u> ”) and Israel Discount Bank of New York (“ <u>IDB</u> NY”).
Borrower:	A special purpose entity to be formed and wholly-owned by Trinity Place Holdings, Inc., which entity shall hold fee title to the Trinity Property.
Guarantor:	Trinity Place Holdings, Inc.
Principal Amount:	Initial term loans totaling \$40 million, with the option, if certain conditions are met, to add one or more incremental term loans in an aggregate principal amount not to exceed \$10 million.
Security:	A first mortgage lien on the Trinity Property, assignment of all current and future rents and/or leases associated with the Trinity Property, and a blanket lien on any other assets of the borrower. To satisfy the Reorganized Debtors’ obligations to creditors pursuant to the Confirmation Order and Plan and, following payment of such obligations and/or reserving for the potential future payment of currently disputed obligations in accordance with the Plan, for such other lawful purposes as the borrower or its parent shall elect.
Use of Proceeds:	
Term:	Two years, with a six-month extension at the option of the borrower, so long as no event of default shall have occurred and be continuing.
Bankruptcy Court Approval:	This Court’s approval is a condition precedent to obtaining the Loan.

A copy of the applicable Loan Agreement and Carveout Guaranty are attached hereto as **Exhibit C** and **Exhibit D**, respectively. The description of the principal terms of the Loan in this Motion are qualified in all respects by the terms of the Loan Agreement and Carveout Guaranty. In the event of any inconsistency between the description of the Loan in this Motion and the terms of the Loan Agreement and Carveout Guaranty, the terms of the Loan Agreement and Carveout Guaranty shall control.

The Loan Agreement and related financing documents, specifically the \$20,000,000 Promissory Note payable to SNB, \$20,000,000 Promissory Note payable to IDB, Carveout Guaranty, Mortgage and Security Agreement, Assignment of Leases and Rents, Environmental Compliance and Indemnification Undertaking, ADA Compliance and Indemnification Undertaking, Pledge Agreement (Blocked Account) (for the Blocked Account at SNB), Pledge Agreement (Blocked Account) (for the Blocked Account at IDB), and the Blocked Account Control Agreement (for the Blocked Account at IDB) shall collectively be referred to herein as the “Loan Documents.”

20. Additionally, in connection with the Loan, the Reorganized Debtors intend to form new special purpose entities, each to be a wholly owned subsidiary of Reorganized Syms, for the purpose of owning the remaining Syms Owned Real Estate. Each special purpose entity will own a single parcel of Syms Owned Real Estate in accordance with that entity's governance documents.

RELIEF REQUESTED

21. By this Motion, the Reorganized Debtors respectfully request that the Court enter the Proposed Order and thereby: (i) authorize, to the extent necessary, the Reorganized Debtors to enter into the Loan and effectuate the transactions contemplated therein; (ii) authorize the Reorganized Debtors to effectuate a transaction(s) to maximize the value of all or any portion of the Trinity Property and any other Syms Owned Real Estate, including by developing, selling, or otherwise transferring such assets pursuant to the Plan and Confirmation Order; (iii) authorize the Reorganized Debtors to amend the certificate of incorporation of Reorganized Syms to preserve NOLs; and (iv) waive any and all mortgage recording, transfer, stamp, or similar taxes that may otherwise be incurred due to the transfer of any interest in Syms Owned Real Estate, including but not limited to the Loan, the development, sale, transfer, and/or other transaction involving all or any portion of the Trinity Property including any subsequent financing (including seller financing) secured by the Trinity Property, pursuant to section 1146 of the Bankruptcy Code, the Plan, and Confirmation Order.

22. As noted, the Reorganized Debtors have involved the creditor representative and his counsel in the process that led to the filing of this Motion, and the creditor representative is supportive of this Motion and the transactions contemplated herein.

BASIS FOR RELIEF

A. The Plan and Confirmation Order Authorize the Reorganized Debtors to Incur Secured Debt, and Doing So Is in the Best Interest of All Stakeholders.

23. As described above, the Plan and Confirmation Order unequivocally authorize the Reorganized Debtors to incur secured debt. The Plan states that “[f]ollowing the Effective Date, the Reorganized Company may issue new debt or equity capital in accordance with applicable law, as and to the extent authorized by the Board of Directors of Reorganized Syms and consistent with the Plan.” Plan § VII.F; Confirmation Order ¶ 21. The only relevant limitation upon the Reorganized Debtors’ ability to incur debt is the requirement to use the net cash proceeds to fund distributions under the Plan Waterfall. *See* Plan § VII.F(1).

24. Here, entering into the Loan and the transactions contemplated therein is not only authorized by the Plan and Confirmation Order, but is in the best interests of the Reorganized Debtors’ creditors and other stakeholders. Consistent with the Plan’s requirements, the proceeds of the Loan will be used, *inter alia*, to satisfy any unpaid Allowed Claims pursuant to the Plan Waterfall and reserve for any remaining Disputed Claims in accordance with the Plan. In this manner, entering into the Loan allows the Reorganized Debtors to promptly satisfy their obligations to creditors under the Plan and achieve a General Unsecured Claim Satisfaction, the primary objective of the Plan. Moreover, the liquidity offered by the Loan allows the Reorganized Debtors to continue to develop and pursue various options for the Trinity Property upon a commercially reasonable timeline, without pressure to prematurely monetize the asset. As such, the Reorganized Debtors submit that entry into the Loan and the transactions contemplated therein should be approved as a sound exercise of their business judgment and in the best interests of the Reorganized Debtors, their creditors, and other stakeholders.

The Plan and Confirmation Order Authorize the Reorganized Debtors to Develop, Sell, Transfer, and/or Enter Into B. Any Other Transaction Involving All or Any Portion of Syms Owned Real Estate, Including the Trinity Property, and Doing So Is in the Best Interest of All Stakeholders.

25. The Plan and Confirmation Order are clear that the sale of the Syms Owned Real Estate, including the Trinity Property, is the primary means by which the Reorganized Debtors may satisfy their obligations under the Plan. *See, e.g.*, Plan § VII.B; Confirmation Order ¶ 7. Moreover, the Plan provides that the Trinity Property “will be developed or sold over an extended period of time.” Plan § VII.C. Through their ongoing development and marketing processes, the Reorganized Debtors intend to continue to work to maximize the value of the Syms Owned Real Estate, including their most valuable asset, the Trinity Property.

26. As the Court is aware, the transactions will result in taxable gains under the Internal Revenue Code, making the preservation of the Reorganized Debtors’ sizeable NOLs an important part of maximizing the return to stakeholders in connection with the sale, development, or other transaction involving the Trinity Property. Indeed, this Court has previously recognized the importance of safeguarding the Debtors’ NOLs by entering the Final NOL Order on December 14, 2011. Although there are several alternative ways to seek to protect the Reorganized Debtors’ NOLs, Delaware law permits this Court to enable the Reorganized Debtors to protect those NOLs through the proposed amendments to Reorganized Syms’ certificate of incorporation which, of all options, is the most effective means of preventing the inadvertent loss of or significant limitation on the Reorganized Debtors’ valuable NOLs⁵.

Specifically, section 303 of the Delaware General Corporation Law provides that the Reorganized Debtors’ actions⁵ pursuant to an order of this Court operate “with like effect as if exercised and taken by unanimous action of the directors and stockholders of the corporation.” 8 Del. C. § 303(a).

27. The proposed transactions involving the Trinity Property and approval of the proposed amendments to Reorganized Syms' certificate of incorporation are thus in the best interests of the Reorganized Debtors, their creditors, and other stakeholders.

C. The Plan and Confirmation Order Waive any Recording, Transfer, Stamp, or Similar Taxes that May Otherwise Apply in Connection with the Loan or Any Transfer of Syms Owned Real Estate.

28. Neither the Loan (and the transactions contemplated therein) nor the sale and/or other transfer of any interest in the Trinity Property or any other Syms Owned Real Estate or any Equity Interests is subject to any recording, transfer, mortgage recording, stamp, or similar tax. *See* Confirmation Order ¶ 18; Plan § VII.H; 11 U.S.C. § 1146; *City of N.Y. v. Baldwin League of Indep. Schs. (In re Baldwin League of Indep. Schs.)*, 110 B.R. 125, 128 (S.D.N.Y. 1990) (“Debtor is exempt under Section 1146[a] of the Bankruptcy Code from paying the mortgage recording tax sought by the City.”). The Confirmation Order directs state and local governmental officials and agents, pursuant to section 1146 of the Bankruptcy Code, to “forego the collection of any such tax or governmental assessment and to accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment.” Confirmation Order ¶ 18.

29. Given the large size of the transactions discussed above and the tremendous value of the Trinity Property, the potential recording and transfer taxes in connection with the Loan and any transfer of any interest in the Trinity Property—now or in the future—would likely be significant, material charges. As a consequence, the parties involved in these transactions seek confirmation from this Court that such taxes may not be assessed pursuant to the Confirmation Order and Plan. Thus, for the benefit of their creditors and other stakeholders under the Plan who will reap the benefit of such transactions, the Reorganized Debtors request that the Court confirm that such taxes may not be assessed or collected by any taxing authority or recording office.

D. Relief from the Fourteen-Day Waiting Period Under Bankruptcy Rule 6004(h) is Appropriate.

30. Bankruptcy Rule 6004(h) provides that unless the Court orders otherwise, all orders authorizing the sale of property pursuant to section 363 of the Bankruptcy Code are automatically stayed for fourteen days after entry of the order.

31. The purpose of Bankruptcy Rule 6004(h) is to provide sufficient time for an objecting party to appeal before an order can be implemented. *See* Advisory Committee Notes to Fed. R. Bankr. P. 6004(h). Although Bankruptcy Rule 6004(h) and the Advisory Committee Notes are silent as to when a court should “order otherwise” and eliminate or reduce the fourteen-day period, the leading treatise on bankruptcy suggests that the stay period should be eliminated to allow the sale to close “immediately” in all cases where there has been no objection to the sale procedure. 10 Collier on Bankruptcy ¶¶ 6004.09 (Resnick & Sommer, 16th rev. ed. 2013). The treatise further provides that if an objecting party informs the court of its intent to appeal, the stay may be reduced to the amount of time actually necessary to file such appeal. *Id.*

32. To the extent that Bankruptcy Rule 6004(h)’s fourteen-day waiting period applies to the Loan or sale and/or other transaction involving the Syms Owned Real Estate, including the Trinity Property, waiver of the waiting period is appropriate to expedite and remove uncertainty regarding such transactions. A fourteen-day stay may unnecessarily delay, complicate, or jeopardize the proposed transactions and related benefits to the Reorganized Debtors’ stakeholders. Waiving the fourteen-day stay is also in the interests of general unsecured creditors, who will receive distributions at an earlier date if the Proposed Order granting this Motion is immediately effective. Under these circumstances, the Reorganized Debtors submit that a waiver of the fourteen-day stay period under Bankruptcy Rules 6004(h) is appropriate.

NOTICE

33. The Reorganized Debtors have provided notice of this Motion by first class mail to (i) the U.S. Trustee; (ii) all holders of Disputed Claims; (iii) counsel to Sterling; (iv) counsel to IDBNY; (v) all federal, state, county, and local and foreign regulatory or taxing authorities or recording offices which have a reasonably known interest in the relief requested by the Motion; (vi) all current stockholders of Reorganized Syms; and (vii) those parties entitled to notice pursuant to Bankruptcy Rule 2002. In light of the nature of the relief requested in this Motion, the Reorganized Debtors respectfully submit that no further notice is necessary.

WHEREFORE, for the reasons stated above, the Reorganized Debtors respectfully request that the Court grant the Motion, enter the Proposed Order attached hereto as **Exhibit A**, and grant such other relief as may be just and proper.

6. Special Voting Rights of the Series A Director. For so long as the Board of Directors is constituted pursuant to Section 2 of Article Fifth:

(i) without the affirmative vote of the Series A Director, the Corporation shall not (whether by merger, consolidation or otherwise), directly or indirectly (through any Subsidiary or otherwise), enter into any transaction with an Insider or an Affiliate (other than transactions between the Corporation and any of its direct or indirect Subsidiaries, which transactions have also been approved by the Series A Committee); and

4

(ii) at the end of the two year period commencing on the Effective Date, the sum of \$500,000, to be funded from Net Proceeds realized by the Corporation from the sale of assets, settlements or any other sources, before such proceeds become Excess Cash, shall be set aside in an Emergency Fund Reserve to be used, by the Corporation with the consent of the Series A Director, for operating and other expenses. The Series A Director may at any time reduce the amount of funds in the Emergency Fund Reserve and make such reduced funds Excess Cash.

7. Disposition of Medium Term Properties and Near Term Properties.

(i) If the Syms and Filene's Class 3 (Convenience Claims) and the Syms Unsecured Creditors in Syms Class 4 General Unsecured Claims are not paid their full distributions under the Plan by October 1, 2013, the Series A Committee shall have the exclusive authority from that date forward to sell the Near Term Properties and to direct the sale process for any unsold Near Term Properties, whether by auction or otherwise, which sale process shall be done in a commercially reasonable manner consistent with maximizing the value of the Near Term Properties; and

(ii) If the Filene's Class 4A and B General Unsecured (Short-Term) Claims and Filene's Class 5A and B General Unsecured (Long-Term) Claims are not paid their full distributions under the Plan by October 1, 2014, the Series A Committee shall have the exclusive authority from that date forward to sell the Medium Term Properties and Near Term Properties and to direct the sale process for any unsold Medium Term Properties and Near Term Properties, whether by auction or otherwise, which sale process shall be done in a commercially reasonable manner consistent with maximizing the value of the Medium Term Properties and Near Term Properties, provided that such deadline may be extended up to April 1, 2015 (A) with the consent of the holder of the Series A Preferred Stock or (B) if the Independent Director concludes that the Corporation is proceeding in good faith to lease and sell the Medium Term Properties and Near Term Properties such that additional time is appropriate because the Corporation still has a reasonable prospect of leasing and selling the Medium Term Properties and Near Term Properties within any extension period.

8. Certain Covenants.

(i) In furtherance and not in limitation of the Corporation's obligations to comply with the terms of the Plan and the other provisions of this Certificate of Incorporation, the Corporation shall comply with the provisions of Article IV of the Plan (Plan Waterfall), Article VII. F. of the Plan (Capital Raising And Use Of Cash Proceeds), Article VII. G.3. of the Plan (Operating Reserves), and Article VIII of the Plan (Provisions Governing Distributions).

(ii) The amount allocated in the second year of the Budget for the Corporate Overhead Reserve and the Pension Reserve shall be funded in the last quarter of the first year, unless the Board of Directors determines that the delay of such funding would provide the Corporation with inadequate liquidity to operate in accordance with the Budget.

(iii) On the two-year anniversary of the Effective Date, the Board of Directors shall review and revise the Sub-Category Reserve amounts set forth in the Plan for the third and fourth year periods after the Effective Date, provided that any increase in the aggregate amount of the cap increases for the Sub-Category Reserves shall not exceed the amounts set forth in Sections VII.G.3(2) and (3) of the Plan without the consent of the holder of the Series A Preferred Stock except that, (i) by majority vote of the Board of Directors, amounts in the Corporate Overhead Reserve may be reallocated to the Carry Cost/Repair/TI Reserve and (ii) by majority vote of the Board of Directors, which shall include the affirmative vote of the Independent Director, amounts in the Corporate Overhead Reserve may be reallocated to the Trinity Carry Reserve.

(iv) For so long as the Board of Directors is constituted pursuant to Section 2 or Section 3(iii) of Article Fifth, the Corporation may only sell or otherwise dispose of a majority interest in the Trinity Joint Venture to a non-Insider if (x) there has been (or will be as a result of such sale) a General Unsecured Claim Satisfaction and to the extent a General Unsecured Claim Satisfaction has occurred, the Redeemed Stockholder has received full payment of its Plan distributions, or (y) the holder of the Series A Preferred Stock or to the extent the General Unsecured Claim Satisfaction has occurred, Marcy Syms (or her personal representatives in the event of her death or incapacity) consents.

9. Record Holders. To the fullest extent permitted by applicable law, the Corporation may deem and treat the record holder of the share of Series A Preferred Stock and the record holder of the share of Series B Preferred Stock as the applicable true and lawful owner thereof for all purposes, and the Corporation shall not be affected by any notice to the contrary.

10. Notices. All notices or communications in respect of the Series A Preferred Stock or Series B Preferred Stock (with a copy to the Redeemed Stockholder) shall be sufficiently given if given in writing and delivered in person or by first class mail, postage prepaid, or if given in such other manner as may be permitted in this Certificate of Incorporation or the Corporation's by-laws or by applicable law or regulation. Notwithstanding the foregoing, if the Series A Preferred Stock or Series B Preferred Stock is issued in book-entry form through The Depository Trust Corporation or any similar facility, such notices may be given to the holder of the Series A Preferred Stock or the holder of the Series B Preferred Stock, as applicable, in any manner permitted by such facility.

C. SPECIAL STOCK

1. No Dividends. No dividends or distributions may be declared, paid or made on the Special Stock.

2. Liquidation Rights. The Special Stock shall rank junior to the Series A Preferred Stock and Series B Preferred Stock, and senior to the Common Stock, as to distributions of assets on any liquidation, dissolution or winding up of

the Corporation. In the event of any liquidation, dissolution or winding up of the affairs of the Corporation, whether voluntary or involuntary, the holder of the Special Stock shall be entitled to receive for its share of stock, out of the assets of the Corporation or proceeds thereof (whether capital or surplus) available for distribution to stockholders of the Corporation, an amount equal to the par value of such share.

3. **Redemption.** The Special Stock shall, subject to lawfully available funds, be automatically redeemed at such time as the Special Stock Ownership Threshold is no longer satisfied, at a per share redemption price equal to the par value of one share of Special Stock.

4. **Voting Rights.** Except as expressly provided in this Certificate of Incorporation or as otherwise required by applicable law, the holder of the Special Stock shall not be entitled to vote such share on any matters submitted to a vote of stockholders of the Corporation. For so long as the Special Stock is outstanding, without the affirmative vote of the holder of the Special Stock, the Corporation shall not (whether by merger, consolidation or otherwise) amend, alter or repeal any provision of this Certificate of Incorporation or the Corporation's by-laws in a manner that alters or changes the powers, preferences, or special rights of the Special Stock so as to affect the Special Stock adversely.

5. **Record Holder.** To the fullest extent permitted by applicable law, the Corporation may deem and treat the record holder of the share of Special Stock as the applicable true and lawful owner thereof for all purposes, and the Corporation shall not be affected by any notice to the contrary.

6. **Notices.** All notices or communications in respect of the Special Stock shall be sufficiently given if given in writing and delivered in person or by first class mail, postage prepaid, or if given in such other manner as may be permitted in this Certificate of Incorporation or the Corporation's by-laws or by applicable law or regulation. Notwithstanding the foregoing, if the Special Stock is issued in book-entry form through The Depository Trust Corporation or any similar facility, such notices may be given to the holder of the Special Stock in any manner permitted by such facility.

D. DESIGNATION PREFERRED STOCK

Subject to the rights of the holders of the Series A Preferred Stock, the Series B Preferred Stock and the Special Stock, and subject to the limitations prescribed by law, the Board of Directors is authorized, subject to any limitations prescribed by law or expressly set forth in this Certificate of Incorporation, to provide for the issuance of shares of Designation Preferred Stock in series, and by filing a certificate pursuant to the applicable law of the State of Delaware (such certificate being hereinafter referred to as a "Preferred Stock Designation"), to establish from time to time the number of shares to be included in each such series, and to fix the designation, powers, preferences, and rights of the shares of each such series and any qualifications, limitations or restrictions thereof. The number of authorized shares of Designation Preferred Stock may be increased or decreased (but not below the number of shares thereof then outstanding) by the affirmative vote of the holders of a majority of the voting power of all of the then-outstanding shares of capital stock of the Corporation entitled to vote thereon, without a vote of the holders of the Designation Preferred Stock, or of any series thereof, unless a vote of any such holders is required pursuant to the terms of any Preferred Stock Designation.

FIFTH: The provisions of this Article (including the provisions relating to the election, designation and appointment of directors and the terms of directors) have been adopted pursuant to the final clause of the first sentence, and the second sentence, of Section 141(a) of the DGCL. Except as otherwise provided in this Certificate of Incorporation, the business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors elected, appointed and/or designated in the manner set forth in this Article. Except as otherwise provided in this Certificate of Incorporation, the provisions of the DGCL that otherwise apply to directors or a board of directors shall apply to the directors of the Corporation and the Board of Directors.

1. Staggered Board. Upon the effectiveness of the amendment or restatement of this Certificate of Incorporation first inserting this sentence (such time, the "Effective Time"), the Board of Directors shall be divided into two classes, as nearly equal in number as possible, designated Class I and Class II. Class I directors shall initially serve until the first annual meeting of stockholders following the Effective Time, and Class II directors shall initially serve until the second annual meeting of stockholders following the Effective Time, in each case subject to automatic termination of directorships as set forth in this Article. Commencing with the first annual meeting of stockholders following the Effective Time, directors of each class the term of which shall then expire shall be elected to hold office for a term ending at the second annual meeting following such persons' election and until the election and qualification of their respective successors in office, subject to automatic termination of directorships as set forth in this Article. Commencing with the Effective Time, (i) the initial Class I directors shall be the Series A Director and the Independent Director, and (ii) the initial Class II directors shall be the EC Directors. The Special Stock Director shall be a Class II director. In case of any increase or decrease, from time to time, in the number of directors, the number of directors in each class shall be apportioned as nearly equal as possible. Any director may be removed from office at any time, with or without cause, by the affirmative vote of the holders of a majority in voting power of the shares of capital stock of the Corporation entitled to elect such director.

2. Board of Directors – Generally. Except as set forth in Section 3 of this Article below, for so long as the Series A Preferred Stock is outstanding, the Board of Directors shall be comprised of five directors, as follows:

(i) two directors who (A) as of the effective time of the amendment or restatement of the Certificate of Incorporation first inserting this amended clause (A), are the persons serving as EC Directors at such effective time; and (B) following the Effective Date shall be elected by the holders of Common Stock pursuant to the Corporation's by-laws (the "EC Directors"); provided, however, that on and after the first date that the Special Stock Ownership Threshold is no longer satisfied, the number of EC Directors shall be increased from two to three EC Directors, with each EC Director elected in accordance with the foregoing provisions of this subparagraph (i)(B);

(iii) from and after the issuance of Special Stock and until the first date that the Special Stock Ownership Threshold is no longer satisfied, one director who shall be elected by the holder of the Special Stock, voting as a separate class to the exclusion of the holders of Common Stock, Designation Preferred Stock and any Preferred Stock (such director, the "Special Stock Director"); and

(iv) one director who shall be (A) designated and appointed to the Board of Directors on the Effective Date by the mutual agreement of the Equity Committee and the Creditors' Committee and (B) following the Effective Date, shall be nominated by the EC Directors with the reasonable consent of the holder of the Series A Preferred Stock and, following such nomination, shall be elected by the holder of the Series A Preferred Stock, voting as a separate class to the exclusion of the holders of Common Stock, the Special Stock, any series of Designation Preferred Stock and any other Preferred Stock (the "Independent Director"), provided that such director shall (I) meet the requirements of an independent director under the standards of the NASDAQ Stock Market and (II) not be an Affiliate of (v) any holder of the Special Stock, (w) any Unsecured Creditor that holds a Claim in an amount that is greater than \$50,000, (x) any holder of two percent or more of the Corporation's Common Stock, (y) any Backstop Party or (z) any person or entity included in the definition of the Redeemed Stockholder.

Notwithstanding anything herein to the contrary, on the first date that the Special Stock Ownership Threshold is no longer satisfied, the term of the Special Stock Director shall automatically terminate, the person formerly holding such directorship shall cease to be a director of the Corporation and the size of the Board will be automatically reduced by one directorship. Immediately following such reduction, the size of the Board of Directors shall automatically be increased by one directorship, which shall be an EC Director.

3. Board of Directors - Contingencies.

(i) If there has not been a General Unsecured Claim Satisfaction by October 1, 2016, then, effective on such date, (A) the term(s) of the EC Director(s) then in office, except the oldest EC Director in age then in office, shall automatically terminate (provided that if there is only one EC Director in office on such date, then such director's term shall not terminate), the term of the Independent Director and the term of the Special Stock Director shall automatically terminate, and the persons formerly holding such directorships shall cease to be directors of the Corporation, all without the need for any action by the Board of Directors or the stockholders of the Corporation, (B) immediately following such termination of directorships and the resultant automatic reduction in the size of the Board of Directors to two (2) directors (the one EC Director and the Series A Director), the size of the Board of Directors shall automatically be increased so that the Board of Directors is comprised of a total of nine (9) authorized directorships with the seven (7) directorships created thereby to be filled (and thereafter elected) solely by the holder of the Series A Preferred Stock, voting as a separate class to the exclusion of the holders of Common Stock, the Special Stock, any series of Designation Preferred Stock and any other Preferred Stock (such additional directors shall also each be a Series A Director, and together will be "Series A Directors"). Thereafter, upon the occurrence of a General Unsecured Claim Satisfaction after October 1, 2016, the Corporation shall immediately redeem the Series A Preferred Stock, the terms of all Series A Directors shall automatically terminate, the persons holding such directorships immediately prior to such termination shall cease to be directors of the Corporation and the size of the Board of Directors shall be automatically reduced to one (1) authorized directorship. Subject to Section 3(ii) of this Article below, following the redemption of the Series A Preferred Stock (whether before or after October 1, 2016), (a) all directors shall be elected exclusively by the holders of Common Stock and any series of Designation Preferred Stock entitled to vote thereon, and (b) notwithstanding anything in this Certificate of Incorporation or the Corporation's by-laws to the contrary, but subject to the terms of any series of Designation Preferred Stock, the total number of directors comprising the Board of Directors may be fixed from time to time solely by resolution of the Board of Directors, and vacancies and newly created directorships may be filled solely by a majority of the directors

then in office, even if less than a quorum.

(ii) If the Series A Preferred Stock has been redeemed but the Redeemed Stockholder has not received the Initial Majority Shareholder Payment and the Subsequent Majority Shareholder Payment by October 16, 2016, then, effective on such date, (A) the terms of all of the directors then in office except for the oldest EC Director in age shall automatically terminate and the persons formerly holding such directorships shall cease to be directors of the Corporation, all without the need for any action by the Board of Directors or the stockholders of the Corporation, (B) immediately following such termination of directorships and the resultant automatic reduction in the size of the Board of Directors to one (1) director, the size of the Board of Directors shall automatically be increased so that the Board of Directors is comprised of a total of four (4) authorized directorships with the three (3) directorships created thereby to be filled solely by the holder of the Series B Preferred Stock, voting as a separate class to the exclusion of the holders of Common Stock, the Special Stock, the Designation Preferred Stock and any other Preferred Stock (such additional directors, the “Series B Directors”). Thereafter, upon the payment of the Initial Majority Shareholder Payment and the Subsequent Majority Shareholder Payment in full after October 16, 2016, the Corporation shall redeem the Series B Preferred Stock, the terms of all Series B Directors shall automatically terminate, the persons holding such directorships immediately prior to such termination shall cease to be directors of the Corporation and the size of the Board of Directors shall be automatically reduced to one (1) authorized directorship. Following the redemption of the Series B Preferred Stock after the prior redemption of the Series A Preferred Stock (whether before or after October 16, 2016), (a) all directors shall be elected exclusively by the holders of Common Stock and any series of Designation Preferred Stock entitled to vote thereon, and (b) notwithstanding anything in this Certificate of Incorporation or the Corporation’s by-laws to the contrary, but subject to the terms of any series of Designation Preferred Stock, the total number of directors comprising the Board of Directors may be fixed from time to time solely by resolution of the Board of Directors, and vacancies and newly created directorships may be filled solely by a majority of the directors then in office, even if less than a quorum.

(iii) If the Series A Preferred Stock has been redeemed on or before October 1, 2016 (and subject to Section 3(ii) of this Article above) then, effective on such date, the terms of the Series A Director and the Independent Director shall automatically terminate, the persons formerly holding those directorships shall cease to be directors of the Corporation, and the size of the Board will be automatically reduced to three (3) (subject to the right of the Board of Directors to change such number as set forth in this Article), all without the need for any action by the Board of Directors or the stockholders of the Corporation.

4. Vacancies. In the event (i) a Series A Director is removed, resigns or is unable to serve as a member of the Board of Directors, the holder of the Series A Preferred Stock, voting as a separate class to the exclusion of the holders of Common Stock, the Special Stock, the Designation Preferred Stock and all other series of Preferred Stock, shall have the sole right to fill such vacancy; (ii) the Independent Director is removed, resigns or is unable to serve as a member of the Board of Directors prior to the first annual meeting following the Effective Date, the Board of Directors may fill such vacancy; provided that the Series A Committee and the EC Directors shall mutually agree on an Independent Director to fill such vacancy who (I) meets the requirements of an independent director under the standards of the NASDAQ Stock Market and (II) is not an Affiliate of (v) any holder of the Special Stock, (w) any Unsecured Creditor that holds a Claim in an amount that is greater than \$50,000, (x) any holder of two percent or more of the Corporation's Common Stock, (y) any Backstop Party or (z) any person or entity included in the definition of the Redeemed Stockholder; (iii) an EC Director is removed, resigns or is unable to serve as a member of the Board of Directors, or there is an increase in the number of EC Directors (including pursuant to Section 2(i) of this Article Fifth), a majority of the remaining EC Director(s) then in office, if any, shall have the sole right to fill such vacancy (and if there are no remaining EC Directors, such vacancy shall be filled in the manner set forth in the Corporation's by-laws); (iv) any director elected by the holder of the Series B Preferred Stock is removed, resigns or is unable to serve as a member of the Board of Directors, the holder of the Series B Preferred Stock, voting as a separate class to the exclusion of the holders of Common Stock, the Special Stock, the Designation Preferred Stock and all other series of Preferred Stock, shall have the sole right to fill such vacancy; or (v) any director elected by the holder of the Special Stock is removed, resigns or is unable to serve as a member of the Board of Directors, the holder of the Special Stock, voting as a separate class to the exclusion of the holders of Common Stock and Preferred Stock and Designation Preferred Stock, shall have the sole right to fill such vacancy.

“Securities Ownership” means any direct or indirect ownership of Corporation Securities, including any ownership by virtue of application of constructive ownership rules, with such direct, indirect, and constructive ownership determined under the provisions of Code Section 382 and the Treasury Regulations thereunder.

“Substantial Stockholder” means a Person with a Percentage Securities Ownership of 4.75% or more.

“Substantial Stockholder Transaction” means any Transfer described in clause (i) or (ii) of paragraph (b) of this Article Fourteenth.

“Tax Benefit” means the net operating loss carryovers, capital loss carryovers, general business credit carryovers, alternative minimum tax credit carryovers and foreign tax credit carryovers, as well as any loss or deduction attributable to a “net unrealized built-in loss” within the meaning of Code Section 382 (or any similar tax attribute for state and/or local purposes), of the Corporation or any direct or indirect subsidiary thereof.

“Transfer” means the acquisition or disposition, directly or indirectly, of ownership of Corporation Securities by any means, including, without limitation, (i) the creation or grant of any pledge (or other security interest), right or option with respect to Corporation Securities, including an option within the meaning of Treasury Regulation § 1.382-4(d)(8), (ii) the exercise of any such pledge, right or option, (iii) any sale, assignment, conveyance or other disposition, or (iv) any other transaction treated under the applicable rules under Section 382 of the Code as a direct or indirect acquisition or disposition (including the acquisition of an ownership interest in a Substantial Stockholder), but shall not include the acquisition of any such rights unless, as a result, the acquirer would be considered an owner within the meaning of the U.S. federal income tax laws.

(b) *Restrictions on Transfers.* Any attempted Transfer of Corporation Securities from and after the Restriction Effective Date and prior to the Expiration Date and any attempted Transfer of Corporation Securities pursuant to an agreement entered into prior to the Expiration Date shall be prohibited and void *ab initio*—

(i) if the transferor is a Substantial Stockholder or such Transfer results in a decrease in the Percentage Securities Ownership of any Substantial Stockholder;

(ii) to the extent that, as a result of such Transfer (or any series of Transfers of which such Transfer is a part), either—

(1) any Person or group of Persons would become a Substantial Stockholder, or

(2) the Percentage Securities Ownership in the corporation of any Substantial Stockholder would be increased.

Notwithstanding the foregoing, the provisions of this paragraph (b) shall not preclude the Transfer to the Depository Trust Company (“DTC”), Clearing and Depository Services (“CDS”) or any other securities intermediary, as such term is defined in § 8-102(14) of the Uniform Commercial Code, of Corporation Securities not previously held through DTC, CDS or such intermediary or the settlement of any transactions in Corporation Securities entered into through the facilities of a national securities exchange, any national securities quotation system or any electronic or other alternative trading system; *provided* that, if such Transfer or the settlement of the transaction would result in a Prohibited Transfer, such Transfer shall nonetheless be a Prohibited Transfer subject to all of the provisions and limitations set forth in the remainder of this Article Fourteenth.

(c) *Exceptions.*

(i) The restrictions set forth in paragraph (b) of this Article Fourteenth shall not apply to an attempted Transfer that is a Substantial Stockholder Transaction if the transferor or the transferee obtains the prior written approval of the Board of Directors. In addition and without limiting the foregoing, the Board may determine that the restrictions set forth in this Article Fourteenth shall not apply to any particular transaction or transactions, in whole or in part, whether or not a request has been made to the Board, including a Request pursuant to paragraph (c)(ii) below, subject to any conditions that the Board deems reasonable and appropriate in connection therewith; *provided*, that the Board may approve any Transfer notwithstanding the effect on Tax Benefits if it determines that such approval is in the best interests of the Corporation.

(ii) Any Person who desires to effect an otherwise Prohibited Transfer (a “Requesting Person”) shall, prior to the date of the transaction for which the Requesting Person seeks authorization (the “Proposed Transaction”), request in writing (a “Request”) that the Board of Directors review the Proposed Transaction and authorize or not authorize the Proposed Transaction in accordance with this paragraph (c)(ii). A Request shall be delivered to the Secretary of the Corporation at the Corporation’s principal place of business. Such Request shall be deemed to have been received by the Corporation when actually received. A Request shall include—

- (1) the name, address and telephone number of the Requesting Person;
- (2) the number and Percentage Securities Ownership of Corporation Securities (by type) then beneficially owned by the Requesting Person;
- (3) a reasonably detailed description of the Proposed Transaction or Proposed Transactions for which the Requesting Person seeks authorization; and
- (4) a request that the Board of Directors authorize the Proposed Transaction pursuant to paragraph (c) of this Article Fourteenth.

The Board of Directors shall, in good faith, endeavor to respond to each Request within twenty (20) Business Days of receiving such Request; provided, however, that the failure of the Board to respond during such twenty (20) Business Day period shall not be deemed to be a consent to the Transfer. The Board of Directors may authorize a Proposed Transaction unless the Board of Directors determines in good faith that the Proposed Transaction, considered alone or with other transactions (including, without limitation, past transactions or contemplated transactions), would create a material risk that the Tax Benefits may be jeopardized. Any determination by the Board of Directors not to authorize a Proposed Transaction shall cause such Proposed Transaction to be deemed a Prohibited Transfer.

The Board of Directors may impose any conditions that it deems reasonable and appropriate in connection with authorizing any Proposed Transaction. In addition, the Board of Directors may require an affidavit, representations and/or other documentation from such Requesting Person, including an opinion of counsel to be rendered by counsel acceptable to the Board, in each case as to such matters as the Board determines with respect to the preservation of the Tax Benefits.

(iii) If so required by the Board of Directors, any Requesting Person who makes a Request to the Board of Directors shall reimburse the Corporation, within thirty (30) days of demand therefor, for all reasonable out-of pocket costs and expenses incurred by the Corporation with respect to any Proposed Transaction, including, without limitation, the Corporation's reasonable costs and expenses incurred in determining whether to authorize the Proposed Transaction, which costs may include, but are not limited to, any expenses of counsel and/or tax advisors engaged by the Board of Directors to advise the Board of Directors or deliver an opinion thereto. The Board of Directors may require, as a condition to its consideration of the Request, that the Requesting Person execute an agreement in form and substance satisfactory to the Corporation providing for the reimbursement of such costs and expenses.

(iv) Any authorization of the Board of Directors hereunder may be given prospectively or retroactively.

(d) *Legend.*

(i) Each certificate or book-entry, and any notice of issuance provided to stockholders, representing shares of common stock of the Corporation shall, if so determined by the Board of Directors, conspicuously include the following legend:

“THE CERTIFICATE OF INCORPORATION, AS AMENDED (THE “CERTIFICATE OF INCORPORATION”), OF THE CORPORATION CONTAINS RESTRICTIONS PROHIBITING THE TRANSFER (AS DEFINED IN THE CERTIFICATE OF INCORPORATION) OF ANY STOCK OF THE CORPORATION (INCLUDING THE CREATION OR GRANT OF CERTAIN OPTIONS) WITHOUT THE PRIOR AUTHORIZATION OF THE BOARD OF DIRECTORS OF THE CORPORATION (THE “BOARD OF DIRECTORS”) IF SUCH TRANSFER AFFECTS THE PERCENTAGE OF STOCK OF THE CORPORATION (WITHIN THE MEANING OF SECTION 382 OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED (THE “CODE”) AND THE TREASURY REGULATIONS PROMULGATED THEREUNDER) THAT IS TREATED AS OWNED BY A HOLDER OF 4.75% OR MORE OF THE OUTSTANDING STOCK, AS DETERMINED UNDER THE CODE AND SUCH TREASURY REGULATIONS (A “SUBSTANTIAL STOCKHOLDER”). IF THE TRANSFER RESTRICTIONS ARE VIOLATED, THEN THE TRANSFER WILL BE VOID AB INITIO AND THE PURPORTED TRANSFEREE OF THE STOCK WILL BE REQUIRED TO TRANSFER EXCESS SECURITIES TO THE CORPORATION’S AGENT. IN THE EVENT OF A TRANSFER WHICH DOES NOT INVOLVE SECURITIES OF THE CORPORATION WITHIN THE MEANING OF THE DELAWARE GENERAL CORPORATION LAW (“INDIRECT SECURITIES”) BUT WHICH WOULD VIOLATE THE TRANSFER RESTRICTIONS, THE PURPORTED TRANSFEREE (OR THE RECORD OWNER) OF THE INDIRECT SECURITIES WILL BE REQUIRED TO TRANSFER SUFFICIENT INDIRECT SECURITIES PURSUANT TO THE TERMS PROVIDED FOR IN THE CERTIFICATE OF INCORPORATION TO CAUSE THE SUBSTANTIAL STOCKHOLDER TO NO LONGER BE IN VIOLATION OF THE TRANSFER RESTRICTIONS. THE CORPORATION WILL FURNISH WITHOUT CHARGE TO THE HOLDER OF RECORD OF THIS CERTIFICATE A COPY OF THE RELEVANT GOVERNING DOCUMENTS, CONTAINING THE ABOVE-REFERENCED TRANSFER RESTRICTIONS, UPON WRITTEN REQUEST TO THE CORPORATION AT ITS PRINCIPAL PLACE OF BUSINESS.”

The Board of Directors may also require that any certificates representing shares of common stock of the Corporation that are subject to conditions imposed by the Board of Directors under paragraph (c) of this Article Fourteenth bear a conspicuous legend referencing any applicable restrictions imposed by the Board of Directors.

(ii) The Corporation shall have the power to make appropriate notations upon its stock transfer records and to instruct any transfer agent, registrar, securities intermediary or depository with respect to the requirements of this Article Fourteenth for any uncertificated Corporation Securities or Corporation Securities held in an indirect holding system, and the Corporation shall provide notice of the restrictions on transfer and ownership to holders of uncertificated shares in accordance with applicable law.

Without limiting the foregoing, the Corporation may make such arrangements or issue such instructions to its stock transfer agent as may be determined by the Board of Directors to be necessary or advisable to implement this Article Fourteenth, including, without limitation, authorizing such transfer agent to require an affidavit from a Purported Transferee regarding such Person’s actual and constructive ownership of stock and other evidence that a Transfer will not be prohibited by this Article Fourteenth, as a condition to registering any transfer.

(e) *Excess Securities.* No employee or agent of the Corporation shall record any Prohibited Transfer, and the purported transferee of such a Prohibited Transfer (the "Purported Transferee") shall not be recognized as a stockholder of the Corporation for any purpose whatsoever in respect of the Corporation Securities which are the subject of the Prohibited Transfer (the "Excess Securities"). The Purported Transferee shall not be entitled with respect to such Excess Securities to any rights of stockholders of the Corporation, including, without limitation, the right to vote such Excess Securities and to receive dividends or distributions, whether liquidating or otherwise, in respect thereof, if any, and the Excess Securities shall be deemed to remain with the transferor unless and until the Excess Securities are transferred to the Agent pursuant to paragraph (f) of this Article Fourteenth or until an approval is obtained under paragraph (c) of this Article Fourteenth. After the Excess Securities have been acquired in a Transfer that is not a Prohibited Transfer, such Corporation Securities shall cease to be Excess Securities. For this purpose, any Transfer of Excess Securities not in accordance with the provisions of paragraph (e) or paragraph (f) of this Article Fourteenth shall also be a Prohibited Transfer.

(f) *Transfer to Agent.*

(i) If the Board of Directors determines that a Transfer of Corporation Securities constitutes a Prohibited Transfer pursuant to paragraph (b)(ii) of this Article Fourteenth, then, upon written demand by the Corporation sent within thirty (30) days of the date on which the Board of Directors determines that the attempted Transfer would result in Excess Securities, the Purported Transferee shall transfer or cause to be transferred any certificate or other evidence of ownership of the Excess Securities within the Purported Transferee's possession or control, together with any dividends or other distributions that were received by the Purported Transferee from the Corporation with respect to the Excess Securities ("Prohibited Distributions"), to an agent designated by the Board of Directors (the "Agent"). The Agent shall thereupon sell to a buyer or buyers, which may include the Corporation, the Excess Securities transferred to it in one or more arm's-length transactions; provided, however, that any such sale must not constitute a Prohibited Transfer; and provided further that the Agent shall effect such sale or sales in an orderly fashion and shall not be required to effect any such sale within any specific time frame if, in the Agent's discretion, such sale or sales would disrupt the market for the Corporation Securities or otherwise would adversely affect the value of the Corporation Securities. If the Purported Transferee has resold the Excess Securities before receiving the Corporation's demand to surrender Excess Securities to the Agent, the Purported Transferee shall be deemed to have sold the Excess Securities for the Agent, and shall be required to transfer to the Agent any Prohibited Distributions and proceeds of such sale, except to the extent that the Corporation grants written permission to the Purported Transferee to retain a portion of such sales proceeds not exceeding the amount that the Purported Transferee would have received from the Agent pursuant to paragraph (g) of this Article Fourteenth if the Agent, rather than the Purported Transferee, had resold the Excess Securities.

(ii) If the Board of Directors determines that a Transfer of Corporation Securities constitutes a Prohibited Transfer pursuant to paragraph (b)(i) of this Article Fourteenth, the purported transferor of such Prohibited Transfer (the "Purported Transferor") shall, upon written demand by the Corporation, deliver to the Agent the sales proceeds from the Prohibited Transfer (in the form received, *i.e.*, whether in cash or other property), and the Agent shall thereupon sell any non-cash consideration to a buyer or buyers in one or more arm's-length transactions. If the Purported Transferee is determinable and any Excess Securities have not been resold, the Agent (after deducting amounts necessary to cover its costs and expenses incurred in connection with its duties hereunder) shall, to the extent possible, return the Excess Securities and any Prohibited Distributions to the Purported Transferor, and shall reimburse the Purported Transferee from the sales proceeds received from the Purported Transferor (or the proceeds from the disposition of any non-cash consideration) for the cost of any Excess Securities.

If the Purported Transferee is not determinable, or to the extent the Excess Securities have been resold or it is not otherwise possible to return the Excess Securities to the Purported Transferor, the Agent (after deducting amounts necessary to cover its costs and expenses incurred in connection with its duties hereunder) shall use the proceeds to acquire on behalf of the Purported Transferor, in one or more arm's-length transactions, an equal amount of Corporation Securities in replacement of the Excess Securities sold; provided, however, that, to the extent the amount of proceeds is not sufficient to fund the purchase price of such Corporation Securities and the Agent's costs and expenses, the Purported Transferor shall promptly fund such amounts upon demand by the Agent. Any remaining amounts held by the Agent shall be paid in accordance with paragraph (g)(iii) of this Article Fourteenth.

(g) *Application of Proceeds.* The Agent shall apply any proceeds of a sale by it of Excess Securities and, if the Purported Transferee has previously resold the Excess Securities, any amounts received by it from a Purported Transferee, together, in either case, with any Prohibited Distributions, as follows:

(i) first, such amounts shall be paid to the Agent to the extent necessary to cover its costs and expenses incurred in connection with its duties hereunder;

(ii) second, any remaining amounts shall be paid to the Purported Transferee, up to the amount paid by the Purported Transferee for the Excess Securities (or the fair market value at the time of the Transfer, in the event the purported Transfer of the Excess Securities was, in whole or in part, a gift, inheritance or similar Transfer) which amount shall be determined at the discretion of the Board of Directors; and

(iii) third, any remaining amounts shall be paid to one or more organizations qualifying under section 501(c)(3) of the Code (or any comparable successor provision) selected by the Board of Directors; provided, however, that if the Excess Securities (including any Excess Securities arising from a previous Prohibited Transfer not sold by the Agent in a prior sale or sales) represent a 5% or greater Percentage Securities Ownership in any class of Corporation Securities, then any such remaining amounts to the extent attributable to the disposition of the portion of such Excess Securities exceeding a 5% Percentage Securities Ownership interest in such class shall be paid to two or more

organizations qualifying under section 501(c)(3) of the Code selected by the Board of Directors, such that no organization qualifying under section 501(c)(3) of the Code shall be deemed to possess a Percentage Securities Ownership in excess of 4.75%.

The Purported Transferee of Excess Securities shall have no claim, cause of action or any other recourse whatsoever against any transferor of Excess Securities. The Purported Transferee's sole right with respect to such shares shall be limited to the amount payable to the Purported Transferee pursuant to paragraph (g) of this Article Fourteenth. In no event shall the proceeds of any sale of Excess Securities pursuant to paragraph (g) of this Article Fourteenth inure to the benefit of the Corporation or the Agent, except to the extent used to cover costs and expenses incurred by the Agent in performing its duties hereunder.

(h) *Modification of Remedies for Certain Indirect Transfers.* In the event of any Transfer which does not involve a transfer of securities of the Corporation within the meaning of the DGCL ("Indirect Securities"), but which would cause a Substantial Stockholder to violate a restriction on Transfers provided for in this Article Fourteenth, the application of paragraph (f) and paragraph (g) hereof shall be modified as described in this paragraph (h). In such case, no such Substantial Stockholder shall be required to dispose of any interest that is not an Indirect Security, but such Substantial Stockholder and/or any Person whose ownership of Indirect Securities is attributed to such Substantial Stockholder shall be deemed to have disposed of and shall be required to dispose of sufficient Indirect Securities (which Indirect Securities shall be disposed of in the inverse order in which they were acquired) to cause such Substantial Stockholder, following such disposition, not to be in violation of this Article Fourteenth. Such disposition shall be deemed to occur simultaneously with the Transfer giving rise to the application of this provision, and such number of Indirect Securities that are deemed to be disposed of shall be considered Excess Securities and shall be disposed of through the Agent as provided in paragraph (f) and paragraph (g) of this Article Fourteenth; provided that the maximum aggregate amount payable either to such Substantial Stockholder, or to such other Person that was the direct holder of such Excess Securities, in connection with such sale shall be the fair market value of such Excess Securities at the time of the purported Transfer. All expenses incurred by the Agent in disposing of such Excess Securities shall be paid out of any amounts due such Substantial Stockholder or such other Person.

The purpose of paragraph (h) of this Article Fourteenth is to extend the restrictions in paragraph (b) and paragraph (f) of this Article Fourteenth to situations in which there is a Substantial Stockholder Transaction without a direct Transfer of Corporation Securities, and this paragraph (h), along with the other provisions of Article Fourteenth, shall be interpreted to produce the same results, with differences as the context requires, as a direct Transfer of Corporation Securities.

(i) *Legal Proceedings.* If the Purported Transferee fails to surrender the Excess Securities or the proceeds of a sale thereof to the Agent within thirty (30) days from the date on which the Corporation makes a written demand pursuant to paragraph (f) of this Article Fourteenth (whether or not made within the time specified in such paragraph), then the Corporation shall use its reasonable best efforts to take all actions necessary to enforce the provisions hereof, and/or enjoin or rescind any violation hereof, including the institution of legal proceedings to compel the surrender. Nothing in this paragraph (i) shall (x) be deemed inconsistent with any Transfer of the Excess Securities provided in this Article Fourteenth being void *ab initio*, (y) preclude the Corporation in its discretion from immediately bringing legal proceedings without a prior demand or (z) cause any failure of the Corporation to act within the time periods set forth in this Article Fourteenth to constitute a waiver or loss of any right of the Corporation under this Article Fourteenth.

(j) *Liability.* Any stockholder subject to the provisions of this Article Fourteenth who knowingly violates the provisions of this Article Fourteenth, and any Persons controlling, controlled by or under common control with such stockholder, shall be jointly and severally liable to the Corporation for, and shall indemnify and hold the Corporation harmless against, any and all damages suffered as a result of such violation, including but not limited to damages resulting from a reduction in, or elimination of, the corporation's ability to utilize its Tax Benefits, and attorneys' and auditors' fees incurred in connection with such violation.

(k) *Obligation to Provide Information.* At the request of the Corporation, any Person that is a beneficial, legal or record holder of Corporation Securities, any proposed transferor or transferee and any Person controlling, controlled by or under common control with the proposed transferor or transferee shall provide such information as the Corporation may reasonably request as may be necessary from time to time in order to determine compliance with this Article Fourteenth or the status of the Corporation's Tax Benefits. In furtherance thereof, as a condition to the registration of the Transfer of any Corporation Securities, any Person who is a beneficial, legal or record holder of Corporation Securities, any proposed transferor or transferee and any Person controlling, controlled by or under common control with the proposed transferor or transferee shall provide an affidavit containing such information as the Corporation may reasonably request from time to time in order to determine compliance with this Article Fourteenth or the status of the Tax Benefits of the Corporation.

(l) *Board Authority.*

(i) All determinations and interpretations of the Board of Directors shall be interpreted or determined, as the case may be, by the Board of Directors in its sole discretion and shall be conclusive and binding for all purposes of this Article Fourteenth. The Board shall have the power to determine all matters necessary for assessing compliance with this Article Fourteenth, including, without limitation,—

(1) the identification of Substantial Stockholders;

(2) whether a Transfer is a Substantial Stockholder Transaction or a Prohibited Transfer;

(3) the Percentage Securities Ownership of any Substantial Stockholder;

(4) whether an instrument constitutes an Indirect Security;

(5) the amount (or fair market value) due to a Purported Transferee pursuant to paragraph (g) of this Article Fourteenth; and

(6) any other matters which the Board of Directors determines to be relevant;

and the good faith determination of the Board of Directors on such matters shall be conclusive and binding for all the purposes of this Article Fourteenth. In addition, the Board of Directors may, to the extent permitted by law, from time to time establish, modify, amend or rescind any bylaws, regulations, policies and procedures of the Corporation not inconsistent with the provisions of this Article Fourteenth for purposes of determining whether any Transfer of Corporation Securities would jeopardize the Corporation's ability to preserve and use the Tax Benefits and for the orderly application, administration and implementation of this Article Fourteenth.

(ii) Nothing contained in this Article Fourteenth shall limit the authority of the Board of Directors to take such other action, to the extent permitted by law, as it deems necessary or advisable to protect the Corporation and its stockholders in preserving the Tax Benefits. Without limiting the generality of the foregoing, in the event of a change in law making one or more of the following actions necessary or desirable, the Board of Directors may, by adopting a written resolution,—

(1) modify the ownership interest percentage in the Corporation or the Persons or groups covered by this Article Fourteenth;

(2) modify the definitions of any terms set forth in this Article Fourteenth; or

(3) modify the terms of this Article Fourteenth as appropriate to prevent an ownership change for purposes of Section 382 of the Code as a result of any changes in applicable Treasury Regulations or otherwise;

provided, however, that the Board of Directors shall not cause there to be such modification unless it determines, by adopting a written resolution, that such action is reasonably necessary or advisable to preserve the Tax Benefits or that the continuation of these restrictions is no longer reasonably necessary for the preservation of the Tax Benefits. Such written resolution of the Board of Directors shall be filed with the Secretary of the Corporation. Stockholders of the Corporation shall be notified of such determination through such method of notice as the Secretary of the Corporation shall deem appropriate.

(iii) In the case of an ambiguity in the application of any of the provisions of this Article Fourteenth, including any definition used herein, the Board of Directors shall have the power to determine the application of such provisions with respect to any situation based on its reasonable belief, understanding or knowledge of the circumstances. In the event this Article Fourteenth requires an action by the Board of Directors but fails to provide specific guidance with respect to such action, the Board of Directors shall have the power to determine the action to be taken so long as such action is not contrary to the provisions of this Article Fourteenth. All such actions, calculations, interpretations and determinations which are taken or made by or on behalf of the Board of Directors in good faith shall be conclusive and binding on the Corporation, the Agent, and all other parties for all other purposes of this Article Fourteenth.

(iv) The Board of Directors, to the fullest extent permitted by law, may exercise the authority granted by this Article Fourteenth through duly authorized officers or agents of the Corporation.

(v) Nothing in this Article Fourteenth shall be construed to limit or restrict the Board of Directors in the exercise of its fiduciary duties under applicable law.

(m) *Reliance.* The Corporation and the members of the Board of Directors shall be fully protected in relying in good faith upon the information, opinions, reports or statements of the chief executive officer, the chief operating officer or the chief accounting officer, and any other duly appointed officer of the Corporation or of the Corporation's legal counsel, independent auditors, transfer agent, investment bankers or other employees and agents in making the determinations and findings contemplated by this Article Fourteenth, and the members of the Board of Directors shall not be responsible for any good faith errors made in connection therewith. For purposes of determining the existence and identity of, and the amount of any Corporation Securities owned by any shareholder, the Corporation is entitled to rely on the existence and absence of filings of Schedule 13D or 13G under the Exchange Act (or similar filings), as of any date, subject to its actual knowledge of the ownership of Corporation Securities.

(n) *Benefits.* Nothing in this Article Fourteenth shall be construed to give to any Person, other than the Corporation or the Agent, any legal or equitable right, remedy or claim under this Article Fourteenth. This Article Fourteenth shall be for the sole and exclusive benefit of the Corporation and the Agent.

(o) *Severability.* If any provision of this Article Fourteenth or any application of any provision thereunder is determined to be invalid, the validity of the remaining provisions shall be unaffected and application of such provision shall be affected only to the extent necessary.

(p) *Waiver.* With regard to any power, remedy or right provided herein or otherwise available to the Corporation or the Agent under this Article Fourteenth, (i) no waiver will be effective unless expressly contained in a writing signed by the waiving party and (ii) no alteration, modification or impairment will be implied by reason of any previous waiver, extension of time, delay or omission in exercise or other indulgence.

(q) *Limitation of Liability.* To the maximum extent permitted by Delaware law, no director of the Corporation shall be liable for any breach of any duty under this Article Fourteenth, it being understood that no director shall be responsible to the Corporation, any holder of Corporation Securities or any other Person for any action taken or omitted to be taken under this Article Fourteenth. In particular, without creating any liability to any Person, the Board may distinguish between holders of Corporation Securities in connection with any Request under this Article Fourteenth.

(r) *Application of Restrictions.* To the fullest extent permitted by law, but subject to the other provisions of this Article Fourteenth, the restrictions on ownership and transfer set forth in this Article Fourteenth shall apply to all shares of Corporation Securities (whether issued before, on or after the Restriction Effective Date), except with respect to shares of Corporation Securities that the holder or owner thereof can establish, by sufficient factual evidence presented to the Corporation, were (i) issued prior to the Restriction Effective Date and (ii) were not voted in favor of the amendment and restatement of the Certificate of Incorporation first inserting this Article Fourteenth (the conditions set forth in clauses (i) and (ii), the “Conditions”). Except as otherwise determined by a court of competent jurisdiction, the Board of Directors (or a committee thereof) shall have the power and authority to determine whether sufficient evidence has been presented to determine that the Conditions have been satisfied, and such determination shall be conclusive and binding on the Corporation and all persons and entities.

ARTICLE II

COMMITMENTS; LOANS.

Section 2.1 Borrowing.

(a) Each Lender hereby severally agrees, on the terms and subject to the conditions of this Agreement, to make a Loan (individually an “Initial Loan” and, collectively, the “Initial Loans”) to the Borrower on the Effective Date in a principal amount equal to such Lender’s Commitment Amount set forth on Schedule 1.1 on such date.

(b) In addition, in the event that one or more Incremental Commitments are established pursuant to Section 2.16, each Incremental Lender hereby severally agrees, on the terms and subject to the conditions of this Agreement, to make an Incremental Loan to the Borrower on the effective date of each such Incremental Commitment (the “Incremental Commitment Effective Date”), in a principal amount equal to such Incremental Commitment.

The Borrower shall borrow the Initial Loans in a single borrowing on the Effective Date and any Incremental Loans in a single borrowing on the Incremental Commitment Effective Date applicable thereto. The Lenders’ respective Initial Commitments shall terminate at the close of business on the Effective Date and their Incremental Commitments shall terminate at the close of business on the Incremental Commitment Effective Date. All Loan proceeds shall be disbursed to the Borrower by depositing the amount thereof in an account of the Borrower designated by the Borrower and maintained with the Administrative Agent. Amounts repaid or prepaid in respect of the principal of any Loans may not be reborrowed.

Section 2.2 Evidence of Loans.

(a) The Loan made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and by the Administrative Agent in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be conclusive absent manifest error of the amount of the Loans made by the Lenders to the Borrower and the interest accrued and payments made thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

(b) The Borrower shall execute and deliver Notes to the Lenders (through the Administrative Agent), which Notes shall evidence the Lenders' respective Loans in addition to the accounts and records specified above.

Section 2.3 Repayment and Prepayment of Loans.

(a) The Loans shall be interest-only until the Maturity Date. The principal amount of the Loans then outstanding shall be paid in full on the Maturity Date (as it may be extended pursuant to Section 2.15).

(b) The Borrower shall have the right to prepay the Loans at any time, in whole or in part, without premium or penalty, in the minimum amounts specified in Section 2.8.

(c) To the extent the Administrative Agent or any Lender receives payment of any amount under the Loan Documents, whether by way of payment by the Borrower, set-off or otherwise, which payment is subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, other law or equitable cause, in whole or in part, then, to the extent of such payment received, the Obligations or part thereof intended to be satisfied thereby shall be revived and shall continue in full force and effect.

Section 2.4 Interest.

(a) The Borrower shall pay to the Administrative Agent for the account of each Lender interest on the unpaid principal amount of the Loan made by such Lender for the period commencing on the date such Loan is made until it is paid in full, at a rate per annum equal to the greater of (i) the WSJ Prime Rate plus one and a quarter percent (1.25%) or (ii) four and a half percent (4.5%) (the "Contract Rate"); provided, however, that the Contract Rate shall be automatically increased by one and a half percent (1.5%) per annum during any period in which the Borrower does not maintain available credit balances in its deposit accounts with the Administrative Agent (other than the Blocked Account) sufficient to make payments then due hereunder and under the other Loan Documents.

(b) Notwithstanding the foregoing, after the occurrence and during the continuance of an Event of Default, the Borrower shall pay interest on the Loans, and on any other amounts payable by the Borrower hereunder or under any other Loan Documents, after as well as before judgment, at the applicable Post-Default Rate.

(c) Interest accrued on the Loans shall be payable monthly in arrears on the first day of each month (commencing with _____, 2015) and upon any payment or prepayment of the Loans (but only on the principal amount so paid or prepaid); provided, however, that interest that is payable at the Post-Default Rate shall be payable from time to time on demand of the Administrative Agent in accordance with the terms hereof.

(d) Each payment of interest shall be debited on the due date thereof from the Borrower's operating account with the Administrative Agent, or, if sufficient funds are unavailable in such account on such day, from any other account of the Borrower maintained with the Administrative Agent.

(e) If the Administrative Agent has not received the full amount of any payment (other than a principal payment) within seven (7) days after its due date, the Borrower shall pay a late fee to the Administrative Agent for the ratable benefit of the Lenders in an amount equal to three percent (3%) of the overdue payment. The Borrower will pay the late fee promptly but only once with respect to each late payment.

(f) Anything in this Agreement or any of the Notes to the contrary notwithstanding, the obligation of the Borrower to make payments of interest shall be subject to the limitation that payments of interest shall not be required to be made to any Lender to the extent that such Lender's receipt thereof would not be permissible under the law or laws applicable to such Lender limiting rates of interest that may be charged or collected by such Lender. Any such payments of interest that are not made as a result of the limitation referred to in the preceding sentence shall be made by the Borrower to such Lender on the earliest interest payment date or dates on which the receipt thereof would be permissible under the laws applicable to such Lender limiting rates of interest that may be charged or collected by such Lender. Such deferred interest shall not bear interest.

Section 2.5 Fees.

(a) The Borrower shall pay to the Administrative Agent for the ratable benefit of the Lenders, on the Effective Date, a one-time fee (the "Origination Fee") in the amount of Two Hundred Thousand Dollars and 00/100 (\$200,000.00). The Origination Fee shall be deemed earned when paid and shall not be refundable.

(b) The Borrower shall pay to the Administrative Agent for its own account, on the Effective Date, a one-time tax service fee (the "Tax Service Fee"), in the amount of Four Hundred Twenty Dollars and 00/100 (\$420.00).

(c) The Origination Fee and the Tax Service Fee are hereinafter sometimes referred to individually as a "Fee" and collectively as the "Fees".

Section 2.6 Use of Proceeds.

The proceeds of the Loans may be used by the Borrower solely as follows: (a) to declare or pay dividends or distributions of any kind on its outstanding stock or membership interests to Limited Guarantor, which proceeds shall be used by Limited Guarantor solely to satisfy Allowed Claims pursuant to the Confirmed Plan, the Confirmation Order and the Consent Order or for such other purposes as provided by the Confirmed Plan, the Confirmation Order and the Consent Order, and (b) after the payment of such Allowed Claims and/or the establishment of reserves for the potential future payment of any Disputed Claims as required by the Confirmed Plan, the Confirmation Order or the Consent Order, for such other lawful purposes as the Borrower may elect; provided, however, that no Loan proceeds may be used to construct any improvements on or make any alterations to the Property.

Section 2.7 Computations.

Interest and Fees shall be computed on the basis of a year of 360 days and actual days elapsed (including the first day but excluding the last) occurring in the period for which payable.

Section 2.8 Minimum Amounts of Borrowings and Repayments.

All borrowings shall exhaust the full remaining amount of the Commitments: (i) Borrowings made pursuant to Section 2.1(a) shall exhaust the Total Commitment Amount as in effect on such date and (ii) in the event of the establishment of one or more Incremental Commitments as provided in Section 2.16, the Borrower may borrow, on the relevant Incremental Commitment Effective Date, an amount equal to the full amount of such Incremental Commitment. Except for prepayments that result in the repayment in full of the Loans, each prepayment of principal of Loans hereunder shall be in a minimum amount of \$1,000,000 and, if in excess thereof, in integral multiples of \$100,000.

Section 2.9 Time and Method of Payments.

All payments of principal, interest and other amounts (including indemnities) payable by the Borrower hereunder shall be made in Dollars, in immediately available funds, to the Administrative Agent at the Principal Office not later than 1:00 p.m. on the date on which such payment shall become due (and the Administrative Agent or any Lender for whose account any such payment is to be made may, but shall not be obligated to, debit the amount of any such payment that is not made by such time to any ordinary deposit account of the Borrower with the Administrative Agent or such Lender, as the case may be). Each payment received by the Administrative Agent hereunder for the account of a Lender shall be paid promptly to such Lender, in like funds, for the account of such Lender's Lending Office for application in respect of which such payment is made.

Section 2.10 Lending Offices.

The Loans made by each Lender shall be made and maintained at such Lender's applicable Lending Office.

Section 2.11 Several Obligations.

The failure of any Lender to make any Loan to be made by it on the date specified therefor shall not relieve the other Lenders of their respective obligations to make their Loans on such date, but no Lender shall be responsible for the failure of the other Lenders to make Loans to be made by such other Lenders.

Section 2.12 Pro Rata Treatment Among Lenders.

Except as otherwise provided herein: (a) each borrowing of Loans under Section 2.1 will be made from the Lenders, and each payment of Fees (other than the Tax Service Fee, which shall be paid to and for the benefit of the Administrative Agent) shall be made for the account of the Lenders, pro rata according to their respective Pro Rata Shares and (b) each payment, repayment and prepayment of principal of or interest on the Loans will be made to the Administrative Agent for the account of the Lenders pro rata in accordance with the respective unpaid principal amounts of the Loans held by such Lenders.

Section 2.13 Non-Receipt of Funds by the Administrative Agent.

Unless the Administrative Agent shall have received notice from a Lender or the Borrower (in such capacity, the “Payor”) prior to the date on which such Lender is to make payment to the Administrative Agent of the proceeds of a Loan to be made by it hereunder or the Borrower is to make a payment to the Administrative Agent for the account of one or more of the Lenders, as the case may be (such payment being herein called the “Required Payment”), which notice shall be effective upon receipt, that the Payor does not intend to make the Required Payment to the Administrative Agent, the Administrative Agent may assume that the Required Payment has been made and may, in reliance upon such assumption (but shall not be required to), make the amount thereof available to the intended recipient on such date and, if the Payor has not in fact made the Required Payment to the Administrative Agent, the recipient of such payment shall, on demand, repay to the Administrative Agent the amount made available to it together with interest thereon in respect of each day during the period commencing on the date such amount was so made available by the Administrative Agent until the date the Administrative Agent recovers such amount at a rate per annum equal to (i) when the recipient is a Lender, the Federal Funds Rate for such day, or (ii) when the recipient is the Borrower, the rate of interest applicable to such Loan.

Section 2.14 Sharing of Payments and Set-Off Among Lenders.

The Borrower hereby agrees that, in addition to (and without limitation of) any right of setoff, banker’s lien or counterclaim a Lender may otherwise have, each Lender shall be entitled, at its option, to offset balances held by it at any of its offices against any principal of or interest on any of its Loans hereunder or any fee or other amount payable to it, that is not paid when due and with respect to which all applicable grace periods have lapsed (regardless of whether such balances are then due the Borrower), in which case it shall promptly notify the Borrower and the Administrative Agent thereof, provided that its failure to give such notice shall not affect the validity thereof. If other than as expressly provided elsewhere herein, any Lender shall obtain on account of its Loans, any payment (whether voluntary, involuntary, through the exercise of any right of set-off, banker’s lien, counterclaim or otherwise) of principal or interest in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (a) notify the Administrative Agent of such fact, and (b) purchase from the other Lenders such participations in their Loans as shall be necessary to cause such purchasing Lender to share the excess payment in respect of its Loans or such participations, as the case may be, pro rata with each of them. To such end all the Lenders shall make appropriate adjustments among themselves (by the resale of participations sold or otherwise) if such payment is rescinded or must otherwise be restored. The Borrower agrees that any Lender so purchasing a participation in the Loans held by the other Lenders may exercise all rights of set-off, banker’s lien, counterclaim or similar rights with respect to such participation as fully as if such Lender were a direct holder of Loans in the amount of such participation. Nothing contained herein shall require any Lender to exercise any such right or shall affect the right of any Lender to exercise and retain the benefits of exercising, any such right with respect to any other indebtedness or obligation of the Borrower. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

Section 2.15 Extension of Maturity Date.

The Borrower may extend the initial Maturity Date from January __, 2017 to a date no later than July __, 2017 by written notice to the Administrative Agent delivered at least thirty (30) days, but not more than ninety (90) days, prior to the initial Maturity Date, provided that no Event of Default has occurred and is continuing on the date of such notice or on the initial Maturity Date. Promptly upon receipt of such written notice, the Administrative Agent shall deliver a copy to each Lender and the initial Maturity Date shall be deemed so extended.

Section 2.16 Additional Commitments.

At any time prior to the Maturity Date (as such date may be extended pursuant to Section 2.15), the Borrower may, by written notice (an "Increase Request") to the Administrative Agent (which shall promptly deliver copies to the Lenders) request that the Total Commitment Amount be increased by the amount specified in such notice (any such increase herein called an "Incremental Commitment" and any loans made pursuant to an Incremental Commitment herein called "Incremental Loans"); provided, however, that (i) no Incremental Commitment shall be less than \$5,000,000, (ii) the aggregate Incremental Commitments requested by the Borrower hereunder shall in no event exceed \$10,000,000, (iii) after giving effect to all Incremental Commitments requested by the Borrower hereunder, the Total Commitment Amount shall not exceed the lesser of (x) \$50,000,000 or (y) 50% of the Appraised Value of the Property, (iv) the proceeds of the Incremental Loans shall only be used in compliance with Section 2.6, (v) no Event of Default shall have occurred and be continuing on the date on which any Incremental Commitment becomes effective or would result from such Incremental Commitment or from borrowing the Incremental Loans, (vi) the Incremental Loans shall bear the same interest rate and shall have the same Maturity Date (as such date may be extended pursuant to Section 2.15) and amortization schedule as the Initial Loans hereunder (i.e., there shall be no required prepayments prior to the Maturity Date, except upon acceleration pursuant to Article VII) and (vii) the Incremental Commitments and the Incremental Loans shall be subject to such other terms and conditions, the delivery of such documents (including documents required to reflect increases in the Mortgage and the Title Policy) and the payment of such fees and taxes (including origination fees in an amount equal to one-half of one percent of the Incremental Commitment, legal fees and mortgage recording taxes on the increase in the amount of the Mortgage) as the Borrower, the Incremental Lenders and the Administrative Agent may agree. Each Incremental Loan and the collateral therefor will be pari passu with the Initial Loan. Each Increase Request shall specify the identity of each existing Lender and Eligible Assignee to whom the Borrower proposes any portion of the requested Incremental Commitments be allocated and the amounts of such allocations (each such existing Lender (to the extent of its Incremental Commitment) and Eligible Assignee herein called an "Incremental Lender"); provided, however, that (A) the Borrower shall offer the Incremental Commitments to the existing Lenders before offering them to any Eligible Assignee that is not a Lender already, (B) any existing Lender approached to provide all or a portion of the Incremental Commitments may elect or decline, in its sole discretion, to provide all or any portion of such Incremental Commitment offered to it and (C) any Eligible Assignee to whom the Borrower proposes any portion of the requested Incremental Commitments be allocated that is not already a Lender shall be satisfactory to the Administrative Agent (whose approval shall not be unreasonably withheld or delayed) and shall become a party to this Agreement by completing and delivering to the Administrative Agent a duly executed accession agreement in a form reasonably satisfactory to the Administrative Agent and the Borrower (an "Accession Agreement"). Upon the effectiveness of any Accession Agreement to which any Eligible Assignee is a party, (i) such Eligible Assignee shall thereafter be deemed to be a party to this Agreement and shall be

entitled to all rights, benefits and privileges accorded a Lender and subject to all obligations of a Lender hereunder and (ii) Schedule 1.1 shall be deemed to have been amended to reflect the Commitment of such Eligible Assignee as provided in such Accession Agreement. The Borrower shall borrow the full amount of each Incremental Commitment on the date such Incremental Commitment becomes effective. All Incremental Commitments shall constitute Commitments, all Incremental Loans shall constitute Loans, and all Incremental Lenders shall constitute Lenders, for purposes of this Agreement and all other Loan Documents.

Section 2.17 Defaulting Lenders.

Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) The Commitment and the Exposure of such Defaulting Lender shall not be included in determining whether all Lenders or Required Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 9.5, other than in respect of an increase in the amount of such Defaulting Lender's Commitment or an extension of the Maturity Date), provided that any waiver, amendment or modification requiring the consent of all Lenders, and any waiver, amendment or modification which, if determined adversely to a Defaulted Lender, would adversely affect such Defaulting Lender differently than other affected Lenders, shall require the consent of such Defaulting Lender; and

(b) Any amount payable to any Defaulting Lender hereunder (whether on account of principal, interest, fees or otherwise) shall, in lieu of being distributed to such Defaulting Lender, be retained by the Administrative Agent in a segregated account and subject to any applicable requirements of law, be applied (i) first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder, (ii) second, pro rata, to the payment of any amounts owing to the Borrower or the Lenders as a result of any judgment of a court of competent jurisdiction obtained by the Borrower or any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement and (iii) third, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction, provided that if such payment is a prepayment of the principal amount of any Loan, such payment shall be applied solely to prepay the Loans of all non-Defaulting Lenders pro rata prior to being applied to the prepayment of any Loan of any Defaulting Lender.

(c) In the event that the Administrative Agent and the Borrower each agrees, in a writing signed by the Administrative Agent and the Borrower, that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then on such date such Lender shall purchase at par such of the Loans of the other Lenders as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans in accordance with its Pro Rata Share. Except as expressly modified by this Section 2.17, the performance by the Borrower under any Loan Documents shall not be excused or otherwise modified, nor shall its rights be increased, as a result of this Section 2.17.

(d) In the event that any Lender becomes a Defaulting Lender, the Borrower shall have the right, at its own expense, upon notice to such Lender and the Administrative Agent, to require such Lender to transfer and assign without recourse (in accordance with and subject to the restrictions contained in Section 9.12) all its interest, rights and obligations under this Agreement to one or more Eligible Assignees acceptable to (i) the Borrower (unless an Event of Default has occurred and is continuing) and (ii) the Administrative Agent, which consent, in each case shall not be unreasonably withheld or delayed, which financial institution shall assume such obligations; provided that (A) no such assignment shall conflict with any law, rule or regulation or order of any Governmental Authority and (B) the Borrower or the assignee or assignees, as the case may be, shall pay to such Defaulting Lender in immediately available funds on the date of such assignment the principal of and interest accrued to the date of payment on the Loans made by it hereunder and all other amounts accrued for its account or owed to it hereunder. Any Lender being replaced shall execute and deliver an Assignment and Assumption covering such Lender's Loans and Commitment and otherwise comply with this Section. If a Lender being replaced refuses to execute and deliver such Assignment and Assumption or otherwise comply with this Section, such Lender hereby irrevocably constitutes and appoints the Administrative Agent as such Lender's attorney-in-fact, which power of attorney is coupled with an interest and irrevocable, to do so on such Lender's behalf. Administrative Agent shall distribute an amended Schedule of Lenders, which shall thereafter be incorporated into this Agreement, to reflect adjustments to Lenders and their Commitments. Upon receipt by such Defaulting Lender of all amounts required to be paid to such Lender pursuant to this Section, the Administrative Agent shall be entitled (but not obligated) and authorized to execute an Assignment and Assumption on behalf of such Defaulting Lender, and any such Assignment and Assumption so executed by the Administrative Agent and the assignee shall be effective for purposes of this Section 2.17 and Section 9.12. A Defaulting Lender shall not be required to make any such assignment if, prior to the Administrative Agent's approval of such assignment, the circumstances entitling the Borrower to require such assignment cease to apply.

ARTICLE III

REPRESENTATIONS AND WARRANTIES.

The Borrower hereby represents and warrants to the Lenders and the Administrative Agent as of the date hereof that:

Section 3.1 Organization.

(a) Each Loan Party is duly organized and validly existing under the laws of its state of organization and has the power to own its assets and to transact the business in which it is presently engaged.

(b) Each Loan Party is in good standing in its state of organization and in each state in which the character of the properties owned or the business transacted requires qualification, except to the extent that the failure to do so could not be reasonably expected to have a Material Adverse Effect.

Section 3.2 Power, Authority, Consents.

Each Loan Party has the power to execute, deliver and perform the Loan Documents to be executed by it. The Borrower has the power to request extensions of credit and has taken all necessary action, corporate or otherwise, to authorize the borrowings hereunder on the terms and conditions of this Agreement. Each Loan Party has taken all necessary action, corporate or otherwise, to authorize the execution, delivery and performance of the Loan Documents to be executed by it. No consent or approval of any Person (including, without limitation, any equity holder of any Loan Party), no consent or approval of any landlord or mortgagee (excluding the Lenders and the Administrative Agent), no waiver of any Lien or right of distraint or other similar right and no consent, license, certificate of need, approval, authorization or declaration of any applicable governmental authority, bureau or agency, is or will be required in connection with the execution, delivery or performance by any Loan Party of, the extensions of credit under, or the validity or enforceability of, any of the Loan Documents to which it is a party, except for consents which have been duly and validly obtained on or prior to the date hereof and are currently in full force and effect.

Section 3.3 No Violation of Law or Agreements.

The execution and delivery by the Loan Parties of the Loan Documents to which they are party, the performance by the Loan Parties thereunder and the extensions of credit to Borrower hereunder, will not violate any provision of law and will not conflict with or result in a breach of any order, writ, injunction, ordinance, resolution, decree, or other similar document or instrument of any court or governmental authority, bureau or agency, domestic or foreign, or any certificate of incorporation or by-laws or other organizational document of any Loan Party, or create (with or without the giving of notice or lapse of time, or both) a default under or breach of any agreement, bond, note or indenture to which any Loan Party is party, or by which any Loan Party is bound or any of its properties or assets is affected, except for such defaults and breaches which in the aggregate could not have a Material Adverse Effect, or result in the imposition of any Lien of any nature whatsoever upon the Property.

Section 3.4 Due Execution, Validity, Enforceability.

This Agreement and each other Loan Document to which any Loan Party is a party has been duly executed and delivered by such Loan Party and each constitutes the valid and legally binding obligation of such Loan Party, enforceable in accordance with its terms, except as such enforcement may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, or other similar laws, now or hereafter in effect, relating to or affecting the enforcement of creditors' rights generally and except that the remedy of specific performance and other equitable remedies are subject to judicial discretion.

Section 3.5 Title to Properties.

The Borrower has good, marketable and insurable title in fee simple to the Property, except for Permitted Liens and such additional defects in title as could not, individually or in the aggregate, have a Material Adverse Effect.

Section 3.6 Judgments, Actions, Proceedings.

Except as set forth on Schedule 3.6, there are no outstanding judgments, investigations, actions or proceedings, including, without limitation, any Environmental Proceeding, pending before any court or governmental authority, bureau or agency, with respect to or, to the best of the Borrower's knowledge, threatened against or affecting any Loan Party or any Loan Party's assets involving, in the case of any court proceeding, a Material Amount nor, to the best of the Borrower's knowledge, is there any reasonable basis for the institution of any such action or proceeding that is probable of assertion, nor are there any pending actions or proceedings in which any Loan Party is a plaintiff or complainant, involving, in the case of any court proceeding, a Material Amount.

Section 3.7 No Defaults, Compliance With Laws.

Except as set forth on Schedule 3.7, none of the Loan Parties is in default under any agreement, ordinance, resolution, decree, bond, note, indenture, order or judgment to which it is a party or by which it is bound, or any other agreement or other instrument by which any of the properties or assets owned by it or used in the conduct of its business is affected, which default could have a Material Adverse Effect. Borrower has complied and is in compliance in all respects with all applicable laws, ordinances and regulations, resolutions, ordinances, decrees, executive orders, judgments and other similar documents and instruments of all courts and governmental authorities, bureaus and agencies, domestic and foreign, including, without limitation, all applicable provisions of the Americans with Disabilities Act (42 U.S.C. §12101-12213) and the regulations issued thereunder and all applicable Environmental

Laws and Regulations, non-compliance with which could have a Material Adverse Effect.

Section 3.8 Financial Statements.

Each of the Financial Statements is complete and presents fairly the financial position of the Limited Guarantor as at its date and the results of operations of the Limited Guarantor for the fiscal period ended on such date, and has been prepared in accordance with GAAP. The Limited Guarantor has no material obligation, liability or commitment, direct or contingent (including, without limitation, any Environmental Liability), that is not reflected in the Financial Statements. There has been no material adverse change in the financial position or operations of the Limited Guarantor since the date of the latest balance sheet included in the Financial Statements (the "Latest Balance Sheet"). The Loan Parties' fiscal year is the twelve-month period ending on March 1 in each year.

Section 3.9 Tax Returns.

Each Loan Party has filed all federal, state and local tax returns required to be filed by it and has not failed to pay any taxes, or interest and penalties relating thereto, on or before the due dates thereof, except where such failure to file or failure to pay could not, individually or in the aggregate, have a Material Adverse Effect. Except to the extent that reserves therefor are reflected in the Financial Statements: (i) there are no material federal, state or local tax liabilities of any Loan Party, due or to become due for any tax year ended on or prior to the date of the Latest Balance Sheet relating to such entity, whether incurred in respect of or measured by the income of such entity, that are not properly reflected in the Latest Balance Sheet relating to such entity, and (ii) there are no material claims pending or, to the knowledge of the Borrower, proposed or threatened against any Loan Party for past federal, state or local taxes, except those, if any, as to which proper reserves are reflected in the Financial Statements.

Section 3.10 Intangible Assets.

Each Loan Party possesses all patents, trademarks, service marks, trade names, and copyrights, and rights with respect to the foregoing, necessary to conduct its business as now conducted and as proposed to be conducted, without any conflict with the patents, trademarks, service marks, trade names, and copyrights and rights with respect to the foregoing, of any other Person.

Section 3.11 Regulation U.

No part of the proceeds of the Loans will be used directly or indirectly for: (a) any purpose other than as set forth in Section 2.6, or (b) the purpose of purchasing or carrying, or for payment in full or in part of Indebtedness that was incurred for the purposes of purchasing or carrying, any "margin stock", as such term is defined in §221.3 of Regulation

U of the Board of Governors of the Federal Reserve System, 12 C.F.R., Chapter II, Part 221.

Section 3.12 Name Changes, Mergers, Acquisitions.

Except as set forth on Schedule 3.13 hereto, no Loan Party has within the six-year period immediately preceding the date of this Agreement changed its name, been the surviving entity of a merger or consolidation, or, except in the ordinary course of business, acquired all or substantially all of the assets of any Person.

Section 3.13 Full Disclosure.

Neither the Financial Statements nor any certificate, opinion, or any other statement made or furnished in writing to the Administrative Agent or any Lender by or on behalf of any Loan Party in connection with this Agreement or the transactions contemplated herein or pursuant hereto, contains any untrue statement of a material fact, or omits to state a material fact necessary in order to make the statements contained therein or herein not misleading, as of the date such statement was made. There is no fact known to the Borrower that has, or would in the now foreseeable future have, a Material Adverse Effect, which fact has not been set forth herein, in the Financial Statements, in filings with the Securities and Exchange Commission or in any certificate, opinion or other written statement so made or furnished to the Administrative Agent or the Lenders.

Section 3.14 Licenses and Approvals.

Borrower has all necessary licenses, permits and governmental authorizations, including, without limitation, licenses, permits and authorizations arising under or relating to Environmental Laws and Regulations, to own and operate its properties and to carry on its business as now conducted, the absence of which would have a Material Adverse Effect.

Section 3.15 ERISA.

ARTICLE VIII
THE ADMINISTRATIVE AGENT

Section 8.1 The Administrative Agent

(a) Appointment of Administrative Agent.

Sterling National Bank is hereby appointed as the Administrative Agent hereunder and under each of the Loan Documents, and the Lenders hereby irrevocably authorize the Administrative Agent to act as their agent and to take such actions as the Lenders are obligated or entitled to take under the provisions of this Agreement and the other Loan Documents and to exercise such powers as are set forth herein or therein, together with such other powers as are reasonably incidental thereto. The Administrative Agent agrees to act in substantially the same manner that it would act in dealing with a loan held for its own account ("Servicing Standard"). The Administrative Agent shall not have a fiduciary relationship with respect to the Lenders by reason of this Agreement. In performing its functions and duties

under this Agreement, The Administrative Agent shall act solely as agent of the Lenders and does not assume, and shall not be deemed to have assumed, any obligations toward or relationship of agency or trust with or for the Borrower or any other Loan Party. As used in this Agreement, the term "Administrative Agent" shall be deemed to include Sterling National Bank and/or any successor Administrative Agent appointed pursuant to Section 8.13. Unless the Servicing Standard or the standards of care set forth in this Article require otherwise, the Administrative Agent (a) shall have no duties or responsibilities except those expressly set forth in this Agreement and in the other Loan Documents, and shall not by reason of this Agreement or any other Loan Document be a trustee or fiduciary for any of Lenders; (b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders, provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability unless properly indemnified to the satisfaction of the Administrative Agent, or that is contrary to this Agreement, any other Loan Document or applicable law; (c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Lender serving as Administrative Agent or any of its Affiliates in any capacity unless such item is material and is required to be delivered to a Lender under the terms of the Loan Documents; (d) shall not be responsible to Lenders for or have any duty to ascertain or inquire into (i) any recitals, statements, representations or warranties contained in this Agreement, any other Loan Document or in any certificate or other document referred to or provided for in, or received by any Lender under this Agreement or any other Loan Document, (ii) the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or any other document referred to or provided for herein or therein, (iii) any failure by the Borrower or any other Loan Party to perform any of such party's obligations hereunder or thereunder, or (iv) the satisfaction of any condition set forth herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent; and (e) shall not be responsible to Lenders for any action taken or omitted to be taken by the Administrative Agent hereunder or under any other Loan Document provided for herein or therein or in connection herewith or therewith, except for the Administrative Agent's willful misfeasance or willful breach of this Agreement, or gross negligence in the performance of its duties or by reason of reckless disregard of its duties (as determined by a court of competent jurisdiction from which all appeal has been exhausted). The Administrative Agent shall be deemed not to have knowledge of any default or event of default unless and until notice describing such default or event of default is given to the Administrative Agent by the Borrower or a Lender.

To the extent that any action is to be taken, any information is to be delivered to or by any Lender, any determination is to be made, or any consent is to be given or withheld by any Lender, any such action, delivery, determination or consent shall be taken, made or given or withheld, as the case may be, by the Administrative Agent or any successor agent thereto at the direction of the Required Lenders, as provided for herein.

The Administrative Agent may deem and treat the payee of any Note as the holder thereof for all purposes hereof unless and until the Administrative Agent shall have been notified of the assignment thereof.

(b) Reliance on the Administrative Agent. All acts of and communications by the Administrative Agent, as agent for the Lenders, shall be deemed legally conclusive and binding; and the Lenders acknowledge that Borrower or any third party (including any court) shall rely on any and all communications or acts of the Administrative Agent with respect to the exercise of any rights or the granting of any consent, waiver or approval on behalf of the Lenders in all circumstances where an action by Lenders is required or permitted pursuant to this Agreement or the provisions of any other Loan Document or by applicable laws without the right or necessity of making any inquiry of Lenders as to the authority of the Administrative Agent with respect to such matter.

In no event shall any of the foregoing limit the rights or obligations of any Lender with respect to any other Lender pursuant to the terms of this Agreement.

(c) Powers. The Administrative Agent shall, subject to Section 8.1 and Section 8.4(b) of this Agreement, have and may exercise all powers that Lenders have under the Loan Documents and shall exercise such powers on behalf of the Lenders.

(d) Action on Instructions of Lenders. The Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, hereunder and under any other Loan Document in accordance with written instructions signed by the Required Lenders, and such instructions and any action taken or failure to act pursuant thereto shall be binding on all Lenders. Each Lender, severally to the extent of its Pro Rata Share, hereby agrees to indemnify the Administrative Agent against and hold it harmless from any and all liability, cost and expense that it may incur by reason of taking or continuing to take any such action, provided that the foregoing shall not release the Administrative Agent from liability for its willful misfeasance or willful breach of this Agreement or gross negligence in the performance of its duties or by reason of reckless disregard of its duties (as determined by a court of competent jurisdiction from which all appeal has been exhausted).

(e) Employment of Agents and Counsel. The Administrative Agent may undertake any of its duties as the Administrative Agent hereunder and under any other Loan Document by or through employees, agents, and attorneys-in-fact and shall not be responsible for the negligence or misconduct of any such agents or attorneys-in-fact selected by the Administrative Agent in good faith and shall not be liable to the Lenders except as to money or securities received by them or their authorized agents, or for the Administrative Agent's gross negligence or willful misconduct (as determined by a court of competent jurisdiction from which all appeal has been exhausted) in hiring, retaining or overseeing of any such agents or attorneys-in-fact. The Administrative Agent shall be entitled to advice of counsel concerning all matters pertaining to the agency hereby created and its duties hereunder and under any Loan Document. The Administrative Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Affiliates. The exculpatory provisions of this Section 8.1(e) shall apply to any such sub-agent and to the Affiliates of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

(f) Reliance on Documents; Counsel. The Administrative Agent shall be entitled to rely upon any notice, consent, certificate, affidavit, letter, telegram, statement, paper or document believed by it to be genuine and correct and to have been signed or sent by the proper person or persons, and, in respect to legal matters, upon the opinion of counsel selected by the Administrative Agent, which counsel may be an employee of the Administrative Agent, provided that the foregoing shall not release the Administrative Agent from liability for its gross negligence or willful misconduct (as determined by a court of competent jurisdiction from which all appeal has been exhausted). Any such counsel shall be deemed to be acting on behalf of Lenders in assisting the Administrative Agent with respect to the Loans, and shall be precluded from also representing the Administrative Agent in any matter in which the interests of the Administrative Agent and the Lenders may differ.

(g) Payment of Expenses. Each Lender shall be responsible for and shall pay to the Administrative Agent upon demand each Lender's respective Pro Rata Share of all reasonable expenditures (including, without limitation, outside counsel fees and the allocated cost of internal counsel) incurred by the Administrative Agent to the extent such expenditures are not reimbursed by Borrower, any other Loan Party or other parties for which the Administrative Agent is entitled to reimbursement hereunder or under the Loan Documents (a) in connection with the preparation, execution, delivery, administration and enforcement of the Loan Documents, (b) for collection of the Obligations, (c) for any amounts (excluding principal and interest on the Loans and loan fees), and (d) for enforcement of any remedies under the Loan Documents; each Lender shall indemnify the Administrative Agent and hold the Administrative Agent harmless from and against, to the extent of each Lender's respective Pro Rata Share, all damages or liabilities, including but not limited to damages or liabilities resulting from the presence on the Premises of hazardous materials, suffered or incurred by the Administrative Agent by reason of its acting or having acted as, or pursuant to its rights and responsibilities as, lender or mortgagee under the Loan Documents, except any damages or liabilities resulting from the Administrative Agent's willful misfeasance or willful breach of this Agreement or gross negligence in the performance of its duties or by reason of reckless disregard of its duties (as determined by a court of competent jurisdiction from which all appeal has been exhausted). Each Lender shall make all payments due and owing to the Administrative Agent under this Agreement or the other Loan Documents, as and when same become due, by federal reserve wire for transfer to the Administrative Agent in accordance with the wire instructions provided by the Administrative Agent from time to time.

Section 8.2 Priority.

Each Lender's undivided interests in the Loans shall be of equal priority with the interest of each other Lender.

Section 8.3 Collection of Payments.

(a) The Administrative Agent shall collect all payments of interest, principal and other sums due at any time or in connection with the Loans and/or the Loan Documents. Sterling National Bank will hold the Loan Documents (other than the other Lenders' Notes) as Administrative Agent for itself and the Pro Rata benefit of the Lenders as

evidence of the Loan and the Collateral and will receive all payments made by Borrower, Limited Guarantor or others on account of principal, interest, expenses and fees, holding each Lender's Pro Rata Share thereof for the benefit of such Lender to be applied in accordance with the terms hereof. Each Lender shall hold its own Note.

(b) The Administrative Agent shall be entitled to retain in full all amounts collected with respect to the Obligations which are: (i) reimbursements for expenditures made by the Administrative Agent with respect to which a Lender did not pay its Pro Rata Share and (ii) interest accrued on sums added to the amount due under the Loan as a result of expenditures made by the Administrative Agent to cure defaults under the Loan Documents and with respect to which a Lender did not pay its Pro Rata Share. Payments received from or on behalf of the Borrower with respect to the Obligations shall be allocated first to items listed in this Section 8.3(b) prior to items contained in Section 8.3(c).

(c) With respect to items of interest, principal, reimbursement of expenses for which any Lender has paid such Lender's Pro Rata Share to the Administrative Agent, and other amounts paid by Borrower, Limited Guarantor or other parties or otherwise collected by the Administrative Agent on or in connection with the Loans, out of all sums which are received by the Administrative Agent by 1:00 p.m. (New York City time) the Administrative Agent shall remit to each Lender on the date of collection its Pro Rata Share thereof; out of all such sums collected by the Administrative Agent after 1:00 p.m. (New York City time) the Administrative Agent shall remit to each Lender its Pro Rata Share thereof on or before the next succeeding business day in immediately available funds by wire transfer in accordance with the wire transfer instructions provided by such Lender from time to time. In the event the Administrative Agent does not remit such payment within the time period provided herein, it shall pay to Co-Lender interest on such payment at the Federal Funds rate from the date such payment should have been remitted to the date such amount is paid.

(d) Unless the Administrative Agent shall have received notice from Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that Borrower will not make such payment, the Administrative Agent may assume that Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption and pursuant to the foregoing paragraphs, distribute to the Lenders the amount due. In such event, if Borrower has not in fact made such payment or for any reason such payment is required to be returned to Borrower or paid to any other Person pursuant to any bankruptcy or insolvency law, any sharing clause in the Loan Documents or otherwise, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender, without interest thereon, unless the Administrative Agent is required to return such amount with interest thereon, in which case, with interest thereon at the rate that the Administrative Agent is required to pay in connection therewith for each day from and including the date such amount is distributed to such Lender to but excluding the date of payment to the Administrative Agent.

(e) The transfer of funds to any Lender by the Administrative Agent is made on a nonrecourse basis. The Administrative Agent shall have no duty or obligation whatsoever to make any payments to any Lender except from corresponding payments received by the Administrative Agent from Borrower or any other Person pursuant to the Loan Documents.

(f) Each Lender represents and warrants as of the date hereof that it is entitled to receive payments hereunder and under the Loan Documents without the withholding of any tax.

Section 8.4 Authority.

(a) Subject to Section 9.5, the Lenders hereby authorize the Administrative Agent to act on behalf of the Lenders, to the extent herein provided, to exercise such powers as are, in the Administrative Agent's good faith determination, incidental to the Administrative Agent's exercise of its rights and responsibilities hereunder and under the other Loan Documents, including the receipt of all payments of principal, interest, fees and expense reimbursements payable under or in connection with the Loans and/or the other Loan Documents, with full power and authority, on behalf of the Lenders, to determine whether conditions for borrowing have been satisfied, to institute and maintain against Borrower or any other Loan Party actions, suits or proceedings for the protection, collection and enforcement of the other Loan Documents and realization upon any Collateral and to take such other actions for the protection, collection and enforcement of the Loan Documents and realization upon any Collateral as it may deem necessary or appropriate, each in accordance with the terms of this Agreement and the other Loan Documents.

(b) the Administrative Agent may, at its option, at any time request instructions from the Lenders with respect to any actions or approvals which, by the terms of this Agreement or of any of the other Loan Documents, the Administrative Agent is permitted or required to take or to grant without instructions from the Lenders, and if such instructions are promptly requested, the Administrative Agent shall be absolutely entitled to refrain from taking any action or to withhold any approval and shall not be under any liability whatsoever for refraining from taking any action or withholding any approval under any of the Loan Documents until it shall have received such instructions from the Lenders. Without limiting the foregoing, the Lenders shall not have any right of action whatsoever against the Administrative Agent as a result of the Administrative Agent acting or refraining from acting under this Agreement or any of the other Loan Documents in accordance with the instructions of the Lenders. As to any matters not expressly provided for by this Agreement or any other Loan Document, the Administrative Agent shall in all cases be fully protected in acting, or in refraining from acting, hereunder or thereunder in accordance with instructions given by the Required Lenders and such instructions to the Administrative Agent and any action taken or not taken pursuant thereto shall be binding on all Lenders.

(c) The Lenders authorize and direct the Administrative Agent to enter into the Loan Documents for the benefit of the Lenders. The Lenders agree that any action taken by the Administrative Agent in accordance with the provisions of this Agreement or any other Loan Document, and the exercise by the Administrative Agent of the powers set forth herein or therein, together with such other powers as are, in the Administrative Agent's good faith determination, reasonably incidental thereto, shall be authorized and binding upon the Lenders, except for actions specifically requiring the approval of the Lenders. All communications from the Administrative Agent to the Lenders requesting the Lenders' determination, consent, approval or disapproval (i) shall be given in the form of a written notice to each Lender, (ii) shall be accompanied by a description of the matter or item as to which such determination, approval, consent or disapproval is requested, or shall advise each Lender where such matter or item may be inspected, or shall otherwise describe the matter or issue to be resolved, (iii) shall include, if requested by the Lenders and to the extent not previously provided to the Lenders, a summary of all oral information provided to the Administrative Agent by the Borrower, and all available written materials, in each case relating to the matter or issue to be resolved, and (iv) shall include the Administrative Agent's recommended course of action or determination in respect thereof. The Lenders shall reply promptly, but in any event within fifteen (15) days after receipt of the request therefor from the Administrative Agent (the "Reply Period"). If a Lender shall fail to give written notice to the Administrative Agent that it approves or consents to the recommendation or determination of the Administrative Agent within the Reply Period, such Lender shall be deemed to have approved of or consented to such recommendation or determination being recommended by the Administrative Agent.

Section 8.5 Rights of the Administrative Agent as Lender.

With respect to its interest in the Loans, the Administrative Agent in its capacity as a Lender hereunder shall have the same rights and powers hereunder as any other Lender and may exercise the same as though it were not acting as the Administrative Agent, and the terms "Lender" and "Lenders" shall include the Administrative Agent in its capacity as a Lender. The Administrative Agent and the Administrative Agent's parent, affiliates or subsidiaries may (without having to account therefor to any Lender) accept deposits from, lend money to (on a secured or unsecured basis), and generally engage in any kind of banking, trust or other business with Borrower or any of its Affiliates as if it were not acting as the Administrative Agent. Lenders and Lenders' parents, affiliates or subsidiaries may (without having to account therefor to any other Lender or the Administrative Agent) accept deposits from, lend money to (on a secured or unsecured basis), and generally engage in any kind of banking, trust or other business with Borrower or any of its Affiliates.

Section 8.6 Standards of Care and Loan Administration.

(a) The Administrative Agent agrees to service the Loans in accordance with the Administrative Agent's usual practices in the ordinary course of its business, modified from time to time as it deems appropriate under the circumstances, and to exercise the same care in administering the Loans and all Collateral as the Administrative Agent customarily exercises in administering similar loans. In this regard, the Administrative Agent, may from time to time, consistent with its usual practices for administering similar loans and subject to Section 9.5, waive non-material defaults of Borrower or Limited Guarantor provided that the waiver of such defaults will not materially adversely

affect the Property or any other Collateral or the ability of the Administrative Agent to enforce the rights and remedies of the Lenders under the Loan Documents.

(b) The Administrative Agent shall not have any liability, express or implied, for any action taken or omitted to be taken by the Administrative Agent or for any failure or delay in exercising any right or power possessed by the Administrative Agent hereunder or under any of the other Loan Documents except for actual losses, if any, suffered by any Lender to the extent caused by or resulting from the Administrative Agent's willful misfeasance or willful breach of this Agreement, or gross negligence in the performance of its duties or by reason of reckless disregard of its duties (as determined by a court of competent jurisdiction from which all appeal has been exhausted). Without limiting the foregoing, the Administrative Agent, its directors, officers, agents and employees: (i) may consult with legal counsel, independent public accountants, appraisers, and other experts selected by the Administrative Agent, and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such persons, (ii) may rely on, and shall incur no liability by acting upon, any conversation, notice, consent, certificate, statement, order, or any document or other writing (including, without limitation, telegraph, telex, facsimile transmission, or other telecommunication device) believed by the Administrative Agent in good faith and with the exercise of commercially reasonable judgment to be genuine and correct and to have been signed, sent, or made by the proper person, (iii) makes no warranty or representation of any kind or character relating to Borrower, Limited Guarantor or the Property, and shall not be responsible for the correctness as to form, the due execution, legality, validity, enforceability, genuineness, sufficiency, or collectability of any of the Loan Documents, for any failure by Borrower or any person to perform its obligations thereunder, for Borrower's use of the proceeds therefrom, or for the preservation of the Property or the loss, depreciation, or release thereof, (v) makes no warranty or representation as to, and assumes no responsibility for, the authenticity, validity, accuracy, or completeness of any notice, financial statement, or other document or information received by any Lender in connection with, or otherwise referred to in, any of the Loan Documents, and (vi) shall not be required to make any inquiry concerning the observance or performance of any agreements contained in, or conditions of, any of the Loan Documents, or to inspect the property, books or records of Borrower or any other Person, except as is customary for the Administrative Agent acting in a commercially reasonable manner.

(c) Should the Administrative Agent commence any proceeding or in any way seek to enforce the Administrative Agent's or the Lenders' rights or remedies under the Loan Documents, irrespective of whether as a result thereof the Administrative Agent shall acquire title to the Property or any other Collateral, Lenders, upon demand therefor from time to time, shall contribute their respective Pro Rata Share of the reasonable actual costs and/or expenses of any such enforcement or acquisition, including fees of receivers or trustees, court costs, title insurer charges, filing and recording fees, appraisers' fees and fees and expenses of attorneys to the extent not otherwise reimbursed by Borrower or Limited Guarantor. Without limiting the generality of the foregoing, the Lenders shall contribute their respective Pro Rata Share of all reasonable actual costs and expenses incurred by the Administrative Agent (including, without limitation, all outside attorneys' fees and expenses and allocated costs of internal counsel) if the Administrative Agent employs counsel for advice or other representation (whether or not any suit has been or shall be filed) with respect to the Property or any other Collateral or any part thereof, or any of the Loan Documents, or the attempt to enforce any security interest or lien on any Collateral, or to enforce any rights of the Administrative Agent or the Lenders or any of Borrower's or any other party's obligations under any of the Loan Documents (collectively, "Costs"). Provided that no Lender shall be liable for any of the foregoing Costs to the extent such Costs arise from the gross negligence or willful misconduct of the Administrative Agent (as determined by a court of competent jurisdiction from which all appeal has been exhausted) or the failure of the Administrative Agent to follow the directions of the Required Lenders or all of the Lenders, as the case may be. The foregoing indemnity shall survive the payment of the Obligations and the termination or non-renewal of this Agreement.

Any request by the Administrative Agent for reimbursement of Costs shall be in the form of a certificate from the Administrative Agent to each Lender as to the nature and amount for which the Administrative Agent claims reimbursement from Lenders pursuant to this Section 8.6(c). Any such request shall include reasonable evidence that such Costs meet the criteria set forth in this Section 8.6(c) and have been incurred by the Administrative Agent.

Any Costs which are required to be reimbursed by Lenders to the Administrative Agent in accordance with this Section 8.6(c) and which are not reimbursed to the Administrative Agent within ten (10) Business Days after demand therefor in accordance with this Section 8.6(c) shall accrue interest at the Federal Funds Rate from and after the eleventh (11th) Business Day after the date that such reimbursement request was made through and including the date of reimbursement by such Lender.

Any Costs which are subsequently recovered from Borrower, Limited Guarantor or any other Person shall be returned to each Lender in proportion to the Pro Rata Share of said Costs previously remitted by each Lender to the Administrative Agent.

Section 8.7 Non-Reliance on the Administrative Agent and Other Lenders.

Each Lender agrees that such Lender has, independently and without reliance on the Administrative Agent or any of the other Lenders, and based on such documents and information as such Lender has deemed appropriate, made such Lender's own credit analysis of Borrower and the other Loan Parties and has made such Lender's own decision to enter into this Agreement and the other Loan Documents and that such Lender shall, independently and without reliance upon the Administrative Agent or any of the other Lenders, and based on such documents and information as such Lender shall deem appropriate at the time, continue to make such Lender's own analysis and decisions in taking or not taking action under this Agreement and the Loan Documents. Other than determining whether payments due to the Administrative Agent under the Loan Documents have in fact been made and determining, based solely on the review of compliance certificates delivered to the Administrative Agent by Borrower or Limited Guarantor, whether Borrower and Limited Guarantor are in compliance with the covenants set forth in this Agreement, the Administrative Agent shall not be required to keep itself informed as to the performance or observance by Borrower or Limited Guarantor of any term or provision of this Agreement or any of the other Loan Documents or any other document referred to as provided for herein or therein or to inspect the properties or books of Borrower or Limited Guarantor. The Administrative Agent shall provide each Lender with any information received by the Administrative Agent from Borrower or Limited Guarantor which is required to be provided to Lenders hereunder and with a copy of any notice of default received by the Administrative Agent from Borrower or any Lender. Except for notices, reports and other documents expressly required to be furnished to Lenders by the Administrative Agent, the Administrative Agent shall not have any duty or responsibility to provide any Lender with any other credit or other information concerning the affairs, financial condition or business of Borrower or Limited Guarantor that may come into the possession of the Administrative Agent.

Section 8.8 Failure to Act.

Except for action expressly required of the Administrative Agent hereunder or under any of the other Loan Documents, the Administrative Agent shall in all cases be fully justified in failing or refusing to act hereunder and thereunder unless the Administrative Agent shall receive further assurances to the Administrative Agent's complete satisfaction from Lenders of their indemnification obligations under Section 8.6(c) hereof against any and all liability and expense that may be incurred by the Administrative Agent by reason of the Administrative Agent taking or continuing to take or failing to take any such action.

Section 8.9 Action by the Administrative Agent.

Each of the entities comprising Lenders hereby appoints the Administrative Agent as agent and bailee for the purpose of perfecting the security interests in and liens upon the Property and the other Collateral, in accordance with Article 9 of the Uniform Commercial Code in effect in the State where the Property is located or the State where Borrower is organized, can be perfected only by possession (or where the security interest of a secured party with possession has priority over the security interest of another secured party). Each Lender hereby appoints the Administrative Agent as such Lender's attorney-in-fact for the purpose of executing the Loan Documents on such Lender's behalf.

(a) In the event that all or any portion of the Property or any other Collateral is acquired by the Administrative Agent as the result of the exercise of any remedies hereunder or under any other Loan Document, or is retained in satisfaction of all or any part of the Borrower's obligations under the Loan Documents, title to any such Collateral or any portion thereof shall be held in the name of a nominee or subsidiary of each Lender in accordance with such Lender's Pro Rata Share and pursuant to an agreement to be approved by the Required Lenders. The Administrative Agent shall prepare a recommended course of action for such Collateral and submit it to the Lenders for approval by the Required Lenders (upon such approval, the "Post-Default Plan"). The Administrative Agent shall administer the Collateral in accordance with the Post-Default Plan, and upon demand therefor from time to time, the Lenders will contribute their respective Pro Rata Share of all costs and expenses incurred by the Administrative Agent pursuant to the Post-Default Plan, including any operating losses and all necessary operating reserves. To the extent there is net operating income from such Collateral, the Administrative Agent shall, in accordance with the Post-Default Plan, make distributions to the Lenders. All such distributions shall be made to the Lenders in accordance with their respective Pro Rata Share. In no event shall the provisions of this subsection or the Post-Default Plan require the Administrative Agent or any Lender to take an action which would cause the Administrative Agent or such Lender to be in violation of any applicable regulatory requirements.

(b) If at any time or times any Lender shall receive (i) by payment, foreclosure, setoff or otherwise, any proceeds or other Collateral or any payments with respect to the obligations of Borrower to such Lender arising under, or relating to, this Agreement or any of the Loan Documents except for any such proceeds or payments received by such Lender from the Administrative Agent or otherwise pursuant to the terms of this Agreement, or (ii) payments from the Administrative Agent hereunder in excess of such Lender's ratable portion of the relevant distributions by the Administrative Agent hereunder, such Lender shall promptly turn the same over to the Administrative Agent, in kind, and with such endorsements as may be required to negotiate the same to the Administrative Agent, or in same day funds, as applicable, for the account of all of the Lenders and for application to the obligations hereunder in accordance with the applicable provisions of this Agreement.

Section 8.10 Books and Records.

The Administrative Agent will at all times keep and maintain proper books of account and records reflecting the interest of the Lenders in the Loans, in a manner satisfactory to bank examiners from regulatory authorities having jurisdiction over the Administrative Agent, which books of account and records shall be accessible for inspection by any Lender at all times during normal business hours upon not less than five (5) banking days' notice by such Lender to the Administrative Agent. The Administrative Agent shall record in its records the following information (the "Lender Records"): name and address of Lenders, the amount of the Lenders' respective commitments and the percentage of the Loans owing to such Lender from time to time.

Section 8.11 Information to Lenders.

The Administrative Agent shall provide to Lenders such information in the Administrative Agent's possession as to the status of the Loans, the status of principal and interest payments, Collateral values, lien status and any factual information bearing on the continued creditworthiness of Borrower and Limited Guarantor and such other information regarding the Borrower, Limited Guarantor, the Property, the Lenders' Committed Amounts and the Lenders' Pro Rata Shares as the Lenders may, from time to time, reasonably request and the Administrative Agent shall promptly update those records as necessary.

Section 8.12 Notice of Event of Default, Exercise of Remedies, Foreclosure, etc.

(a) The Administrative Agent shall not (unless it has actual knowledge) be deemed to have knowledge or notice of the occurrence of any Event of Default unless and until the Administrative Agent has received written notice from a Lender or Borrower specifying such Event of Default.

(b) In the event of the occurrence of an Event of Default and if the Administrative Agent, in the Administrative Agent's sole and absolute discretion, determines that any action is to be taken by the Administrative Agent on behalf of Lenders in connection therewith, or the Administrative Agent is instructed to take action by the Required Lenders, the Administrative Agent shall send a notice (the "Action Notice") to each Lender recommending a course of action (which may include a recommendation to refrain from taking any action) and Lenders shall promptly consult in good faith to either confirm the Administrative Agent's suggested course of action (or inaction) or to arrive at a course of action which shall be mutually acceptable to all Lenders in their reasonable discretion. Such course of action shall address, among other issues, (i) the exercise of remedies and the manner in which a foreclosure or additional remedies shall be conducted, (ii) the interests of all of the Lenders at a foreclosure sale or auction and whether Lenders or their nominees shall succeed to title to the Mortgaged Property or any other Collateral and (iii) issues pertaining to the operation, management, maintenance, leasing and/or the sale of the Property or any other Collateral. The Administrative Agent shall promptly implement any such agreed upon course of action (or inaction) on behalf of Lenders. Notwithstanding anything to the contrary contained herein, if Lenders are unable to agree on a course of action (or inaction) within ten (10) Days of the date of the Action Notice, the Administrative Agent shall have the right (but not the obligation), upon notice to Lenders, to take such course of action (or refrain from taking such action) as the Administrative Agent deems appropriate and the Administrative Agent may continue to proceed on such course of action, or refrain from taking such action, until the Administrative Agent receives notice to the contrary from the Required Lenders ("Agent Discretion Standard"). Provided and on condition that the Administrative Agent has acted in accordance with this Subsection 8.12(b) and the Agent Discretion Standard, Lenders hereby acknowledge and agree that the Administrative Agent shall have no obligation to take any action unless failure to do so would be willful misfeasance or willful breach of this Agreement, or gross negligence in the performance of its duties or by reason of reckless disregard of its duties (as determined by a court of competent jurisdiction from which all appeal has been exhausted).

(c) Provided that Lenders have agreed to a foreclosure or auction in accordance with Subsection 8.12(b) (or the Administrative Agent has exercised the Agent Discretion Standard), upon a foreclosure sale or auction and subject to the terms and provisions of this Agreement, the Administrative Agent shall have the right to bid at the foreclosure sale or auction on behalf of Lenders. Any bid entered by the Administrative Agent in an amount not in excess of the total indebtedness due under the Notes plus expenses and all other amounts which are recoverable from the proceeds of the sale (collectively, the "Judgment Amount") shall be deemed to have been entered on behalf and for the benefit of Lenders, and, if such bid is the successful bid, the Administrative Agent shall cause a referee's deed (as to the Property) or the applicable title instrument (as to all other Collateral) to be issued to the Administrative Agent (or the Administrative Agent's nominee) in trust for Lenders, and the Administrative Agent (or the Administrative Agent's nominee) shall hold title subject to the terms and provisions of Subsection 8.12(d) and Subsection 8.12(e) on behalf of, and as trustee for, Lenders.

(d) The Administrative Agent and Lenders hereby acknowledge and agree that if title to (i) the Property or (ii) any other Collateral is obtained by the Administrative Agent (or the Administrative Agent's nominee) for the benefit of Lenders, such asset(s) shall not be held as a permanent investment, but shall be marketed and sold as soon as possible, taking into account then current economic and market conditions. Subject to Subsection 8.12(b), each Lender shall, upon demand therefor from time to time, contribute such Lender's Pro Rata Share of all costs, fees and expenses (including, without limitation, outside attorney's fees and disbursements and the allocated costs of internal counsel) suffered or incurred by the Administrative Agent (or the Administrative Agent's nominee) in connection with the operation, management, maintenance, leasing and/or sale of all or any part of the Property or any other Collateral. Funds received from the ownership, operation or sale of the Property or any other Collateral (net of operating expenses or transaction costs in connection with such ownership, operation or sale) shall constitute debt service payments and shall be applied first, to reimburse the Administrative Agent for any Costs, and thereafter, in accordance with Section 8.3. Lenders shall consult with the Administrative Agent and attempt to determine a mutually acceptable course of action relating to, but not limited to, the management, operation and leasing of the Property and any other Collateral as well as the sale of the Property and any other Collateral; provided, however, if Lenders cannot agree on a mutually acceptable course of action, the Administrative Agent shall have the right (but not the obligation) to apply the Agent Discretion Standard upon notice to Lenders.

(e) Notwithstanding anything to the contrary contained herein, each Lender shall have the right to enter a bid in an amount in excess of the Judgment Amount and, if such bid is the successful bid, such Lender shall acquire the Property or other Collateral, as the case may be, for such Lender's own account and, provided and on the condition that the non-bidding party is, by not later than the date of delivery to the bidding party (or such bidding party's nominee) of the referee's deed or other title instrument, paid in full all amounts owed to the non-bidding party under this Agreement and the other Loan Documents, the non-bidding party shall have no further interest in the Property or other Collateral, as the case may be, and the terms and provisions of Subsection 8.12(b) shall be null and void and of no further force or effect.

(f) The Lenders agree that they will only take action, or institute actions or proceedings, against the Borrower or Limited Guarantor or any other person under any Loan Documents with respect to exercising claims against the Borrower (except for rights of set-off and other rights to payments in accordance with Sections 2.16 and 9.4) or Limited Guarantor or rights in any Collateral through the Administrative Agent and in accordance with the terms hereof.

Section 8.13 Successor Administrative Agent.

(a) The Administrative Agent may resign from the performance of all of its functions and duties hereunder at any time, by giving at least thirty (30) days' prior written notice to the Lenders and Borrower. Such resignation shall take effect on the date set forth in such notice or as otherwise provided below. Such resignation by the Administrative Agent as Administrative Agent shall not affect its rights or obligations hereunder and under the other Loan Documents as a Lender. If the Administrative Agent is guilty of gross negligence or willful misconduct (as determined by a court of competent jurisdiction from which all appeal has been exhausted), the Lenders may remove the Administrative Agent from its role as the Administrative Agent for the Lenders, without affecting the Administrative Agent's rights or obligations as a Lender hereunder and under the other Loan Documents.

(b) Upon resignation by the Administrative Agent, or any successor Administrative Agent, the Required Lenders shall appoint a successor Administrative Agent, which successor agent shall be either one of the Initial Lenders or another Lender that is consented to by the Borrower (which consent shall not be unreasonably withheld or delayed and shall not be required after the occurrence and during the continuance of an Event of Default). If no successor agent is appointed prior to the effective date of the resignation of the Administrative Agent, the Administrative Agent may appoint, after consulting with the Lenders (other than the Lender which is the Administrative Agent resigning), a successor agent from among such other Lenders (it being understood and agreed that if such successor agent is not an Initial Lender, its appointment shall be subject to the consent of the Borrower, which shall not be unreasonably withheld or delayed and shall not be required after the occurrence and during the continuance of an Event of Default). Upon the acceptance of any appointment as Administrative Agent hereunder by a successor agent, the Administrative Agent's resignation shall become effective and such successor agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the Administrative Agent upon the recordation of a written designation and acceptance, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents other than its liability, if any, for duties and obligations accrued prior to its retirement. After any retiring Administrative Agent's resignation hereunder as an Administrative Agent, the provisions of this Section shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as the Administrative Agent hereunder and under the other Loan Documents. The new Administrative Agent shall promptly deliver to the Borrower a copy of the designation and acceptance.

(c) If no successor agent has accepted appointment as Administrative Agent by the date which is thirty (30) days after the date of a retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nonetheless thereupon become effective and the Lenders shall perform all of the duties of the Administrative Agent hereunder until such time, if any, as the Lenders (other than the Lender which has resigned as Administrative Agent) appoint a successor agent as provided for above. The resigning Administrative Agent shall have continuing liability for any act of willful misfeasance or willful breach of this Agreement or gross negligence in the performance of its duties or by reason of reckless disregard of its duties (as determined by a court of competent jurisdiction from which all appeal has been exhausted) committed by it during the period it was the Administrative Agent under this Agreement.

ARTICLE IX

MISCELLANEOUS PROVISIONS

Section 9.1 Fees, Costs and Expenses; Indemnity.

(a) The Borrower will promptly pay all reasonable out of pocket costs and expenses of the Administrative Agent (including the reasonable out of pocket fees and disbursements of counsel to the Administrative Agent and the cost of all appraisals, surveys, title insurance policies, environmental assessments, tax service, engineering, inspections, searches, and recording) in connection with the preparation, execution and delivery, administration, interpretation and enforcement of this Agreement, the other Loan Documents and all other agreements, instruments and documents relating to this transaction, the consummation of the transactions contemplated by all such documents, the preservation of all rights of the Lenders and the Administrative Agent, the negotiation, preparation, execution and delivery of any amendment, modification or supplement of or to, or any consent or waiver under, any such document (or any such instrument that is reasonably proposed by Agent but not executed and delivered) and with any claim or action threatened, made or brought against any of the Lenders or the Administrative Agent arising out of or relating to any extent to this Agreement, the other Loan Documents or the transactions contemplated hereby or thereby (other than a claim or action resulting from the gross negligence, willful misconduct, or intentional violation of law by the Administrative Agent and/or the Lenders).

(b) In addition, the Borrower will promptly pay all out-of-pocket costs and expenses (including the reasonable fees and disbursements of counsel) suffered or incurred by each Lender in connection with its enforcement of the payment of the Notes held by it or any other sum due it under this Agreement or any of the other Loan Documents or any of its other rights hereunder or thereunder. In addition to the foregoing, the Borrower shall indemnify each Lender and the Administrative Agent and each of their respective Related Parties against, and hold each of them harmless from, any actual losses, liabilities, damages, penalties, claims, costs and expenses (including reasonable attorneys' fees and disbursements) suffered or incurred by any of them arising out of, resulting from or in any manner connected with, the execution, delivery and performance of each of the Loan Documents, making Loans hereunder and any and all transactions related to or consummated in connection with the Loan Documents and/or the Loans (other than as a result of the gross negligence, willful misconduct or intentional violation of law by the party seeking indemnification), including actual losses, liabilities, damages, penalties, claims, costs and expenses suffered or incurred by any Lender or the Administrative Agent or any of their respective Related Parties arising out of or related to any Environmental Liability or Environmental Proceeding, or in investigating, preparing for, defending against, or providing evidence, producing documents or taking any other action in respect of any commenced or threatened litigation, administrative proceeding or investigation under any federal securities law or any other statute of any jurisdiction, or any regulation, or at common law or otherwise against the Administrative Agent, the Lenders or any of their Related Parties, that is alleged to arise out of or is based upon: (i) any untrue statement or alleged untrue statement of any material fact by any Loan Party or any of Affiliate of a Loan Party in any document or schedule filed with the Securities and Exchange Commission or any other Governmental Authority; (ii) any omission or alleged omission to state any material fact required to be stated in such document or schedule, or necessary to make the statements made therein, in light of the circumstances under which made, not misleading; (iii) any acts, practices or omissions or alleged acts, practices or omissions of any Loan Party or any Affiliates or agents of a Loan Party related to the making of any acquisition,

purchase of shares or assets pursuant thereto, financing of such purchases or the consummation of any other transactions contemplated by any such acquisitions that are alleged to be in violation of any federal securities law or of any other statute, regulation or other law of any jurisdiction applicable to the making of any such acquisition, the purchase of shares or assets pursuant thereto, the financing of such purchases or the consummation of the other transactions contemplated by any such acquisition; or (iv) any withdrawals, termination or cancellation of any such proposed acquisition for any reason whatsoever. The indemnity set forth herein shall be in addition to any other obligations or liabilities of the Borrower to the Administrative Agent and the Lenders hereunder, at common law or otherwise. The provisions of this Section shall survive the payment of the Obligations and the termination of this Agreement.

(c) Notwithstanding anything to the contrary herein, the Borrower will not be obligated to pay any costs or expenses suffered or incurred by the Administrative Agent or any Lender in connection with any voluntary assignment by any Lender of its Loans or any portion thereof or any voluntary sale by any Lender of a participation therein.

Section 9.2 Taxes.

If, under any law in effect on the date of the extension of any credit hereunder, or under any retroactive provision of any law subsequently enacted, it shall be determined that any federal, state or local tax is payable in respect of the issuance of any Note, or in connection with the filing or recording of any assignments, mortgages, financing statements, or other documents (whether measured by the amount of Indebtedness secured or otherwise) as contemplated by this Agreement, then the Borrower will pay any such tax and all interest and penalties, if any, and will indemnify the Lenders and the Administrative Agent against and save each of them harmless from any actual loss or actual damage resulting from or arising out of the nonpayment or delay in payment of any such tax. If any such tax or taxes shall be assessed or levied against any Lender or any other holder of a Note, such Lender, or such other holder, as the case may be, may notify the Borrower and make immediate payment thereof, together with interest or penalties in connection therewith, and shall thereupon be entitled to and shall receive prompt reimbursement therefor from the Borrower. Notwithstanding any other provision contained in this Agreement, the covenants and agreements of the Borrower in this Section shall survive payment of the Obligations and termination of this Agreement.

Section 9.3 Payments.

All payments by the Borrower on account of principal, interest, fees and other charges (including any indemnities) shall be made to the Administrative Agent at the Principal Office in U.S. Dollars and in immediately available funds, by wire transfer or otherwise, not later than 1:00 p.m. on the date such payment is due. Any such payment made on such date but after such time shall, if the amount paid bears interest, be deemed to have been made on, and interest shall continue to accrue and be payable thereon until, the next succeeding Business Day. If any payment of principal or interest becomes due on a day other than a Business Day, such payment may be made on the next succeeding Business Day and such extension shall be included in computing interest in connection with such payment. All payments hereunder and under the Notes shall be made without set-off or counterclaim and in such amounts as may be necessary in order that all such payments shall not be less than the amounts otherwise specified to be paid under this Agreement and the Notes (without regard to withholding for or on account of: (i) any present or future taxes, levies, imposts, duties or other similar charges of whatever nature imposed by any government or any political subdivision or taxing authority thereof, other than any tax (except those referred to in clause (ii) below) on or measured by the net income of the Lender to which any such payment is due pursuant to applicable federal, state and local income tax laws, and (ii) deduction of amounts equal to the taxes on or measured by the net income of such Lender payable by such Lender with respect to the amount by which the payments required to be made under this sentence exceed the amounts otherwise specified to be paid in this Agreement and the Notes). Upon payment in full of any Note, the Lender holding such Note shall mark the Note "Paid" and return it to the Borrower.

Section 9.4 Lien on and Set-off of Deposits.

As security for the due payment and performance of all the Obligations, the Borrower hereby grants to the Administrative Agent for the ratable benefit of the Lenders a Lien on any and all deposits or other sums at any time credited by or due from the Administrative Agent or any Lender to the Borrower, whether in regular or special depository accounts or otherwise, and any and all monies, securities and other property of the Borrower, and the proceeds thereof, now or hereafter held or received by or in transit to any Lender or the Administrative Agent from or for the Borrower, whether for safekeeping, custody, pledge, transmission, collection or otherwise, and any such deposits, sums, monies, securities and other property, may at any time after the occurrence and during the continuance of any Event of Default be set-off, appropriated and applied by any Lender or the Administrative Agent against any of the Obligations, whether or not any of such Obligations is then due or is secured by any collateral.

Section 9.5 Modifications, Consents and Waivers; Entire Agreement.

(a) Neither this Agreement, nor any other Loan Document, nor any terms hereof or thereof may be amended, supplemented or modified except in accordance with the provisions of this Section. The Required Lenders and each Loan Party that is a signatory to the relevant Loan Document may or, with respect to those Loan Documents to which the Lenders are not party, with the written consent of the Required Lenders, the Administrative Agent and each Loan Party that is a signatory to the relevant Loan Document may, from time to time, (a) enter into written amendments, supplements or modifications to such Loan Document or (b) waive, on such terms and conditions as the Required Lenders or the Administrative Agent, as the case may be, may specify in such instrument, any of the requirements of such Loan Documents or any Default or Event of Default and its consequences; provided, however, that no such waiver and no such amendment, supplement or modification shall (i) reduce (by way of forgiveness or otherwise) or increase the principal amount of any Loan, postpone any date fixed by this Agreement or any other Loan Document for any payment or mandatory prepayment of principal, interest, fees or other amounts to the Lenders (or any of them) hereunder or under any other Loan Document, including the Maturity Date (subject to the Borrower's right to extend the initial Maturity Date pursuant to Section 2.15), change the amount or stated rate of any interest or fees payable hereunder (provided that the waiver of applicability of the Post-Default Rate and any increase in the Contract Rate specified in the proviso to Section 2.4(a) shall not constitute a change in the rate of interest or fees for purposes of this clause (i)) or extend the scheduled date of any payment thereof, or increase the amount or extend the expiration date of any Lender's Commitment, or change any Lender's Pro Rata Share, in each case without the written consent of each Lender directly affected thereby; (ii) eliminate or reduce the voting rights of any Lender under, or otherwise amend any provisions of, this Section without the written consent of such Lender; (iii) waive any of the conditions set forth in Section 4.1, reduce any percentage specified in the definition of Required Lenders, consent to the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement or any of the other Loan Documents, amend or modify Section 9.12 or the definition of "Eligible Assignee" so as to make less restrictive the prohibitions against the Borrower and its Affiliates becoming Lenders or participants, release the Mortgage or any other collateral for the Obligations in whole or in part, release the Limited Guarantor from its obligations under the Limited Guarantee, or change any provision hereof requiring ratable funding or ratable sharing of payments or setoffs or otherwise related to the pro rata treatment of Lenders, in each case without the written consent of all the Lenders; or (iv) amend, modify or waive any provision of Article VIII without the written consent of the Administrative Agent. Any such waiver and any such amendment, supplement or modification shall apply equally to each of the Lenders and shall be binding upon the Loan Parties, the Lenders, the Administrative Agent and all future holders of the Loans. In the case of any waiver, the Loan Parties, the Lenders and the Administrative Agent shall be restored to their former position and rights hereunder and under the other Loan Documents, and any Default or Event of Default waived shall be deemed to be cured and not continuing; but no such waiver shall extend to any subsequent or other Default or Event of Default, or impair any right consequent thereon.

(b) In the event that (x) the Borrower or the Administrative Agent has requested that the Lenders consent to a departure from or waiver of any provisions of the Loan Documents or agree to any amendment thereto, (y) the consent, waiver or amendment in question requires the agreement of all Lenders or all affected Lenders and (z) the Required Lenders have agreed to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a "Non-Consenting Lender."

- (c) The Borrower may, at its sole expense and effort, upon notice to any Non-Consenting Lender and the Administrative Agent, (x) require such Non-Consenting Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 9.12), all of its interests, rights and obligations under this Agreement and all other Loan Documents to one or more Eligible Assignees that are willing to agree to such consent, waiver or amendment and that shall assume such obligations (any of which assignee may be another Lender, if a Lender accepts such assignment in its sole discretion), provided that:
- (i) the Borrower shall have paid to the Administrative Agent the assignment fee specified in Section 9.12;
 - (ii) such Non-Consenting Lender shall have received payment of an amount equal to the outstanding principal amount of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents from the assignee (to the extent of such outstanding principal) or the Borrower (in the case of accrued interest, fees and all other amounts);
 - (iii) such Non-Consenting Lender shall (i) execute and deliver an Assignment and Assumption with respect to all of such Lender's Commitment and outstanding Loans and (ii) deliver any Notes evidencing such Loans to the Administrative Agent (or a lost or destroyed note indemnity in lieu thereof); provided that the failure of any such Lender to execute an Assignment and Assumption or deliver such Notes shall not render such sale and purchase (and the corresponding assignment) invalid and such assignment shall be recorded in the Register and the Notes shall be deemed to be canceled upon such failure;
 - (iv) the Eligible Assignee shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender with respect to the period preceding such assignment;
 - (v) such assignment does not conflict with applicable Laws;
 - (vi) the Administrative Agent cannot be replaced other than in accordance with Section 8.13;

Notwithstanding the foregoing, a Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

Section 9.6 Remedies Cumulative; Counterclaims.

Each and every right granted to the Administrative Agent and the Lenders hereunder or under any other document delivered hereunder or in connection herewith, or allowed them by law or equity, shall be cumulative and may be exercised from time to time. No failure on the part of the Administrative Agent or any Lender or the holder of any Note to exercise, and no delay in exercising, any right shall operate as a waiver thereof, nor shall any single or partial exercise of any right preclude any other or future exercise thereof or the exercise of any other right. The due payment and performance of the Obligations shall be without regard to any counterclaim, right of offset or any other claim whatsoever that the Borrower may have against any Lender or the Administrative Agent and without regard to any other obligation of any nature whatsoever that any Lender or the Administrative Agent may have to the Borrower, and no such counterclaim or offset shall be asserted by the Borrower (unless such counter-claim or offset would, under applicable law, be permanently and irrevocably lost if not brought in such action) in any action, suit or proceeding instituted by any Lender or the Administrative Agent for payment or performance of the Obligations.

Section 9.7 Further Assurances.

At any time and from time to time, upon the request of the Administrative Agent, the Borrower shall execute, deliver and acknowledge or cause to be executed, delivered and acknowledged, such further documents and instruments and do such other acts and things as the Administrative Agent may reasonably request in order to fully effect the purposes of this Agreement, the other Loan Documents and any other agreements, instruments and documents delivered pursuant hereto or in connection with the Loans.

Section 9.8 Notices.

All notices, requests, reports and other communications pursuant to this Agreement shall be in writing, either by letter (delivered by hand or commercial messenger service or sent by certified mail, return receipt requested, except for routine reports delivered pursuant to Section 5.3 which may be sent by ordinary first-class mail) or facsimile, addressed, with respect to each party hereto, to its address set forth below its name on the signature pages hereof. Any notice, request, demand or other communication hereunder shall be deemed to have been given on: (x) the day on which it is telecopied to such party at its facsimile number specified below (provided that such notice shall be effective only if followed by one of the other methods of delivery set forth herein) or delivered by receipted hand or such commercial messenger service to such party at its address specified below, or (y) on the third Business Day after the day deposited in the mail, postage prepaid, if sent by mail. Any party hereto may change the Person, address or facsimile number to whom or which notices are to be given hereunder, by notice duly given hereunder; provided, however, that any such notice regarding a change shall be deemed to have been given hereunder only when actually received by the party to which it is addressed.

Section 9.9 Counterparts.

This Agreement may be signed in any number of counterparts with the same effect as if the signatures thereto and hereto were upon the same instrument.

Section 9.10 Severability.

The provisions of this Agreement are severable, and if any clause or provision hereof shall be held invalid or unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision in this Agreement in any jurisdiction. Each of the covenants, agreements and conditions contained in this Agreement is independent and compliance by the Borrower with any of them shall not excuse non-compliance by the Borrower with any other. All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or be otherwise within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists.

Section 9.11 Binding Effect; No Assignment or Delegation by Borrower.

This Agreement shall be binding upon and inure to the benefit of the Borrower and its successors and to the benefit of the Lenders and the Administrative Agent and their respective successors and assigns. The rights and obligations of the Borrower under this Agreement shall not be assigned or delegated without the prior written consent of the Administrative Agent and the Lenders, and any purported assignment or delegation without such consent shall be null and void.

Section 9.12 Assignments and Participations by Lenders.

Any Lender (an "Assignor") may, in accordance with applicable law, at any time and from time to time assign to any Eligible Assignee (an "Assignee") all or any part of its rights and obligations under this Agreement and the other Loan Documents pursuant to an Assignment and Assumption executed by such Assignee, such Assignor and any other Person whose consent is required pursuant to this paragraph, and delivered to the Administrative Agent for its acceptance and recording in the Register; provided that (i) the consent of the Administrative Agent (which shall not be unreasonably withheld or delayed) shall be required in the case of any assignment of a Loan, in whole or in part, to a Person that is not a Lender or an Affiliate of a Lender, (ii) in the case of any assignment by an Initial Lender of its

Loan, in whole or in part, to a Person that is not an Affiliate of such Initial Lender, the consent of the other Initial Lender (which shall not be unreasonably withheld or delayed) shall be required, (iii) the consent of the Administrative Agent (which shall not be unreasonably withheld or delayed) and, so long as no Event of Default shall have occurred and be continuing at the time of such proposed assignment, the Borrower (which shall not be unreasonably withheld or delayed and shall be deemed to have been given if the Borrower has not responded to a proposed assignment within ten (10) Business Days following its receipt of notice of such proposed assignment) shall be required in the case of any assignment of a Commitment to a Person that is not a Lender or a Lender Affiliate and (iv) unless otherwise agreed by the Borrower and the Administrative Agent, no such assignment to an Assignee (other than any Lender or any Affiliate of a Lender) shall be in an aggregate principal amount of less than \$10,000,000, in each case except in the case of an assignment of all of a Lender's interests under this Agreement and the other Loan Documents. Upon such execution, delivery, acceptance and recording, from and after the effective date determined pursuant to such Assignment and Assumption, (x) the Assignee thereunder shall be a party hereto and, to the extent provided in such Assignment and Assumption, have the rights and obligations of a Lender hereunder with a Commitment and/or Loans as set forth therein, and (y) the Assignor thereunder shall, to the extent provided in such Assignment and Assumption, be released from its obligations under this Agreement and the other Loan Documents (and, in the case of an Assignment and Assumption covering all of an Assignor's rights and obligations under this Agreement and the other Loan Documents, such Assignor shall cease to be a party hereto and thereto); provided, however, that, notwithstanding such assignment, an assigning Lender shall retain the benefit of all indemnities provided by the Borrower hereunder for the period prior to the effective date of such Assignment and Assumption.

(a) The Administrative Agent shall, on behalf of the Borrower, maintain at the Principal Office a copy of each Assignment and Assumption delivered to it and a register (the "Register") for the recordation of the names and addresses of the Lenders and the Commitment of, and the principal amount (and stated interest) of the Loans owing to, each Lender from time to time, which Register shall be made available to the Borrower and any Lender upon reasonable request. The entries in the Register shall be conclusive, in the absence of manifest error, and the Borrower, each other Loan Party, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register as the owner of the Loans and any Notes evidencing the Loans recorded therein for all purposes of this Agreement. Any assignment of any Loan, whether or not evidenced by a Note, shall be effective only upon appropriate entries with respect thereto being made in the Register (and each Note shall expressly so provide). Any assignment or transfer of all or part of a Loan evidenced by a Note shall be registered on the Register only upon surrender for registration of assignment or transfer of the Note evidencing such Loan, accompanied by a duly executed Assignment and Assumption, and thereupon one or more new Notes shall be issued to the designated Assignee.

(b) Upon its receipt of an Assignment and Assumption executed by an Assignor, an Assignee and any other Person whose consent is required by this Section, together with payment to the Administrative Agent of a registration and processing fee of \$4,000 (such fee not to be payable with respect to assignments to an Assignor's Affiliate and such fee not to be payable by the Borrower, except for an assignment pursuant to Section 2.17(d) or Section 9.5(c)), the Administrative Agent shall (i) promptly accept such Assignment and Assumption and (ii) record the information contained therein in the Register on the effective date determined pursuant thereto.

(c) The Borrower, upon receipt of written notice from the relevant Lender, agrees to issue Notes to any Lender requiring Notes to facilitate transactions of the type described above.

(d) Each Lender may, at its sole expense, without the prior consent of the Administrative Agent, the other Lenders or the Borrower, sell participations to one or more Persons (other than a natural person, a Defaulting Lender or a Person who, if it were to become a Lender hereunder, would constitute a Defaulting Lender, or any Loan Party or any Affiliate of a Loan Party) (each, a “Participant”) in all or a portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of its Commitment, the Loans owing to it, and the Note held by it); provided, however, that: (A) such Lender’s obligations under this Agreement (including, without limitation, its Commitment hereunder) shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (C) such Lender shall remain the holder of any such Note for all purposes of this Agreement, and the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification that would change the amount, interest rate or maturity of the Loans or any other matter that requires unanimous consent of all of the Lenders. The Borrower agrees that if any Obligations are due or unpaid, or shall have been declared or shall have become due and payable upon the occurrence of an Event of Default, each Participant shall, to the maximum extent permitted by applicable law, be deemed to have the right of setoff in respect of its participating interest in the Loans to the same extent as if the amount of its participating interest were owing directly to it as a Lender under this Agreement, provided that by purchasing such participating interest, such Participant shall be deemed to have agreed to share with the Lenders the proceeds thereof as provided in Sections 2.14 and 8.9(b) as fully as if it were a Lender hereunder.

(e) Any Lender may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section, disclose to the assignee or participant or proposed assignee or participant, any information relating to any Loan Party furnished to such Lender by or on behalf of such Loan Party, other than confidential information furnished to such Lender under a confidentiality agreement with such Loan Party.

(f) Anything in this Section to the contrary notwithstanding, any Lender may at any time pledge and assign, or grant a security interest in, all or any portion of its rights under this Agreement (including under its Note(s), if any) to secure obligations of such Lender, including any pledge or assignment, or grant of a security interest, to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment, or grant of a security interest, shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee or grantee for such Lender as a party hereto.

Section 9.13 FATCA.

If a payment made to any Lender hereunder would be subject to United States federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment.

Section 9.14 GOVERNING LAW; CONSENT TO JURISDICTION; WAIVER OF TRIAL BY JURY.

THE BORROWER, THE ADMINISTRATIVE AGENT AND EACH LENDER HEREBY EXPRESSLY AND IRREVOCABLY WAIVE ANY CLAIM OR DEFENSE IN ANY SUCH ACTION OR PROCEEDING BASED ON ANY ALLEGED LACK OF PERSONAL JURISDICTION, IMPROPER VENUE OR FORUM NON CONVENIENS OR ANY SIMILAR BASIS. THE BORROWER SHALL NOT BE ENTITLED IN ANY SUCH ACTION OR PROCEEDING TO ASSERT ANY DEFENSE GIVEN OR ALLOWED UNDER THE LAWS OF ANY STATE OTHER THAN THE STATE OF NEW YORK UNLESS SUCH DEFENSE IS ALSO GIVEN OR ALLOWED BY THE LAWS OF THE STATE OF NEW YORK. NOTHING IN THIS SECTION SHALL AFFECT OR IMPAIR IN ANY MANNER OR TO ANY EXTENT THE RIGHT OF THE ADMINISTRATIVE AGENT OR ANY LENDER, IN CONNECTION**

(b) The Borrower shall ensure that (i) no person who owns a controlling interest in or otherwise controls the Borrower or the Limited Guarantor is or shall be listed on the Specially Designated Nationals and Blocked Person List or other similar lists maintained by the Office of Foreign Assets Control (“OFAC”) or the Department of the Treasury or included in any Executive Orders of the President of the United States of America (“Executive Orders”), that prohibits or limits the Lenders from making any advance or extension of credit to the Borrower or from otherwise conducting business with the Borrower, and (ii) the proceeds of the Loans shall not be used to violate any of the foreign asset control regulations of OFAC or any enabling statute or Executive Order relating thereto. Further, the Borrower shall comply, and cause the Limited Guarantor to comply, with all applicable Bank Secrecy Act laws and regulations, as amended.

(c) The Borrower shall, following a request by the Administrative Agent or any Lender, provide all documentation and other information that the Administrative Agent or such Lender reasonably requests in order to comply with its ongoing obligations under applicable “know your customer” and anti-money laundering rules and regulations, including the USA Patriot Act.

Section 9.16 No Advisory or Fiduciary Responsibility.

In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower acknowledges and agrees that: (i) (A) the arranging and other services regarding this Agreement or any of the transactions contemplated hereby provided by the Administrative Agent and the Lenders are arm's-length commercial transactions between the Borrower and its Affiliates, on the one hand, and the Administrative Agent and the Lenders, on the other hand, (B) the Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) the Borrower is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) in connection with the process leading to such transactions, (A) the Administrative Agent and each Lender is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as a financial advisor, agent or fiduciary for the Borrower or any of its Affiliates, and (B) neither the Administrative Agent nor any Lender has any obligation to the Borrower or any of its Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and its Affiliates, and neither the Administrative Agent nor any Lender has any obligation to disclose any of such interests to the Borrower or its Affiliates. To the fullest extent permitted by law, the Borrower hereby waives and releases any claims that it may have against the Administrative Agent and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty, arising on or before the date of this Agreement in connection with any aspect of any transactions contemplated hereby.

Section 9.17 Permitted Agreements.

ARTICLE II
NATURE AND SCOPE OF GUARANTY

2.1 Guaranty of Certain Obligations. Subject to the terms hereof, effective immediately on the date hereof (and without any notice or further act or condition of any kind), Guarantor hereby irrevocably and unconditionally agrees that it shall be liable to the Administrative Agent for the ratable benefit of the Lenders (and their respective successors and permitted assigns) for the payment in full when due of all Guaranteed Obligations. Guarantor hereby irrevocably and unconditionally covenants and agrees that it is liable for the Guaranteed Obligations as a primary obligor and not merely as a surety.

2.2 Nature of Guaranty. This Guaranty is an irrevocable, absolute, continuing guaranty of payment, and is not a guaranty of collection. This Guaranty may not be revoked by Guarantor, and shall continue to be effective with respect to any Guaranteed Obligations arising or created after any attempted revocation by Guarantor and after Guarantor's liquidation and dissolution (and in any such event, this Guaranty shall be binding upon Guarantor's successors and assigns). The fact that, at any time, or from time to time, the Loan Obligations or the Guaranteed Obligations may be increased or reduced, shall not release or discharge the obligation of Guarantor to the Administrative Agent for the ratable benefit of Lenders with respect to the Guaranteed Obligations. This Guaranty may be enforced by the Administrative Agent, and shall not be discharged by the assignment or negotiation of all or part of any Note. This Guaranty shall survive any reinstatement of the Loan Obligations or any portion thereof.

2.3 Guaranteed Obligations Not Reduced by Offset. The Guaranteed Obligations, and the liabilities and obligations of Guarantor to Administrative Agent and Lenders hereunder, shall not be reduced, discharged or released because, or by reason, of any existing or future offset, claim or defense of Borrower or any other Person against Administrative Agent or any Lender or against payment of any Loan Obligations or Guaranteed Obligations, whether such offset, claim or defense arises in connection with the Loan Obligations or the Guaranteed Obligations (or the transactions creating any Loan Obligations or Guaranteed Obligations) or otherwise (other than, in any such case, the defense of payment of the Guaranteed Obligation in question).

2.4 Payment by Guarantor. If all or any part of the Guaranteed Obligations shall not be punctually paid when due, whether at demand, maturity, acceleration or otherwise, Guarantor shall, upon demand by Administrative Agent and without presentment, protest, notice of protest, notice of non-payment, notice of intention to accelerate the maturity, notice of acceleration of the maturity or any other notice whatsoever, pay in lawful money of the United States of America, the amount then due on the Guaranteed Obligations, to Administrative Agent's address as set forth herein. Such demand(s) may be made at any time coincident with or after the time for payment of all or part of the Guaranteed Obligations pursuant to the terms of the Loan Documents. Such demand shall be deemed made, given and received in accordance with the notice provisions hereof.

2.5 No Duty to Accelerate or Pursue Others. It shall not be necessary for Administrative Agent (and Guarantor hereby waives any rights which Guarantor may have to require Administrative Agent), in order to enforce the obligations of Guarantor hereunder, first to (a) accelerate the Loan Obligations or the Guaranteed Obligations or take any other action or exercise any remedy available to it under any Loan Document or by operation of Law, (b) provide any notice to or make any demand upon any Person other than the Guarantor, (c) institute suit or exhaust its remedies against Borrower or others liable on the Loan Obligations or the Guaranteed Obligations or any other Person, (d) enforce Administrative Agent's or Lenders' rights against any collateral which shall ever have been given to secure the Loan Obligations or the Guaranteed Obligations, (e) enforce Administrative Agent's or Lenders' rights against any other guarantors of the Loan Obligations or the Guaranteed Obligations, (f) join Borrower or any other Person liable on the Loan Obligations or the Guaranteed Obligations in any action seeking to enforce this Guaranty, (g) exhaust any remedies available to Administrative Agent or any Lender against any collateral which shall ever have been given to secure the Loan Obligations or the Guaranteed Obligations, or (h) resort to any other means of obtaining payment of the Loan Obligations or the Guaranteed Obligations. Neither Administrative Agent nor any Lender shall be required to mitigate damages or take any other action to reduce, collect or enforce the Loan Obligations or the Guaranteed Obligations.

2.6 **Waivers.** Guarantor acknowledges having reviewed the provisions of the Loan Documents, and hereby waives notice of (i) any loans or advances made by any Lender to Borrower, (ii) acceptance of this Guaranty, (iii) any amendment, extension, increase, waiver, consent or other modification of the Loan Agreement, Mortgage, or any other Loan Documents, (iv) the execution and delivery by Borrower, Administrative Agent or any Lender of any other loan or credit agreement or of Borrower's execution and delivery of any promissory notes or other documents arising under the Loan Documents or in connection with the Loan Obligations or the Guaranteed Obligations, (v) the occurrence of any Event of Default, (vi) any Lender's transfer or disposition of its share of the Loan Obligations or the Guaranteed Obligations, or any part thereof, (vii) sale or foreclosure (or posting or advertising for sale or foreclosure) of any collateral for the Loan Obligations or the Guaranteed Obligations, (viii) protest, proof of nonpayment or default by Borrower, or (ix) except to the extent expressly required by the terms hereof or the Loan Agreement, all demands and notices of every kind in connection with this Guaranty or the Loan Documents.

2.7 **Payment of Expenses.** In the event that Guarantor should breach or fail to timely perform any provisions of this Guaranty, Guarantor shall, within 5 days following demand by Administrative Agent, pay Administrative Agent all out of pocket costs and expenses (including court costs and reasonable attorneys' fees and disbursements) incurred by Administrative Agent or any Lender in the enforcement hereof or the preservation of Administrative Agent's or Lenders' rights hereunder. All costs and expenses will accrue interest at the highest default rate in any instrument evidencing the Loan Obligations until payment is actually received by the Administrative Agent. Subject to Section 7.14 hereof, the covenant contained in this Section shall survive the payment and performance of the Guaranteed Obligations.

2.8 **Effect of Bankruptcy.** In the event that, pursuant to any insolvency, bankruptcy, reorganization, receivership or other debtor relief law, or any judgment, order or decision thereunder, Administrative Agent or any Lender must rescind or restore any payment or any part thereof received by Administrative Agent or such Lender in satisfaction of the Loan Obligations or the Guaranteed Obligations, as set forth herein, then any prior release or discharge from the terms of this Guaranty, or credit, given to Guarantor by Administrative Agent or any Lender shall be without effect and this Guaranty shall be restored and remain in full force and effect to the extent of such payment so restored. It is the intention of Borrower and Guarantor that, subject to Section 7.14 hereof, the Guarantor's obligations hereunder shall not be discharged except by Borrower's indefeasible payment in full of the Guaranteed Obligations, that in the event of any such rescission or restoration by Administrative Agent or any Lender with respect to any payment as provided above in this paragraph, then to the extent of such rescission or restoration the Guaranteed Obligations shall also be restored and shall remain in effect.

2.9 **Waiver of Subrogation, Reimbursement and Contribution.** Notwithstanding anything to the contrary contained in this Guaranty, Guarantor hereby unconditionally and irrevocably defers, until the indefeasible payment in full of the Loan Obligations, all rights it may now or hereafter have under any agreement, at law or in equity (including, without limitation, any law subrogating Guarantor to the rights of Administrative Agent or any Lender), to assert any claim against or seek contribution, indemnification or any other form of reimbursement from Borrower, or any other Person liable for payment of any or all of the Guaranteed Obligations, for any payment made by Guarantor under or in connection with this Guaranty.

2.10 **Borrower.** The term "Borrower" as used herein shall include any new or successor corporation, association, partnership (general or limited), limited liability company, joint venture, trust or other individual or organization formed as a result of any merger, reorganization, sale or transfer of Borrower or any interest in Borrower.

2.11 **Other Guaranties.** This Guaranty is separate, distinct and in addition to any liability or obligations that Borrower or any other guarantor may have under any other guaranty or indemnity executed by Borrower or such other guarantor in connection with the Loan Obligations.

ARTICLE III
EVENTS AND CIRCUMSTANCES NOT REDUCING
OR DISCHARGING GUARANTOR'S OBLIGATIONS

Guarantor hereby (i) consents and agrees to each of the following, and agrees that Guarantor's obligations under this Guaranty shall not be released, diminished, impaired, reduced or adversely affected by any of the following, except to the extent expressly required by the terms hereof, and (ii) waives any common law, equitable, statutory or other rights (including without limitation, except to the extent required by the terms hereof, rights to notice) which Guarantor might otherwise have as a result of or in connection with any of the following:

3.1 **Modifications.** Subject to Section 7.5 hereof, any amendment, renewal, extension, increase, modification, alteration or rearrangement of all or any part of the Loan Obligations, the Loan Agreement, the Mortgage, or any other Loan Documents or any other document, instrument, contract or understanding between Borrower and Administrative Agent or any Lender or any other Person pertaining to the Loan Obligations or the Guaranteed Obligations, or any failure of Administrative Agent to notify Guarantor of any such action.

3.2 Adjustment. Any adjustment, indulgence, forbearance or compromise that might be granted or given by Administrative Agent or any Lender to Borrower.

3.3 Condition of Borrower or Guarantor. The insolvency, bankruptcy, arrangement, adjustment, composition, liquidation, disability, dissolution or lack of power of Borrower, Guarantor or any other Person at any time liable for the payment of all or part of the Loan Obligations or the Guaranteed Obligations; or any death or dissolution of Borrower or Guarantor or any sale, lease or transfer of any or all of the assets of Borrower or Guarantor or any changes in the shareholders, partners or members of Borrower or Guarantor; or any reorganization of Borrower or Guarantor.

3.4 Invalidity of Guaranteed Obligations. The invalidity, illegality or unenforceability against Borrower or any other Person at any time liable for the payment of all or part of the Loan Obligations or the Guaranteed Obligations or any document or agreement executed in connection with the Loan Obligations or the Guaranteed Obligations for any reason whatsoever, including, without limitation, the fact that (a) the Loan Obligations or the Guaranteed Obligations or any part thereof exceeds the amount permitted by law, (b) the act of creating the Loan Obligations or the Guaranteed Obligations or any part thereof is *ultra vires*, (c) the officers or representatives executing the Loan Agreement, the Mortgage, or any other Loan Documents or otherwise creating the Loan Obligations or the Guaranteed Obligations acted in excess of their authority, (d) the Loan Obligations or the Guaranteed Obligations violate applicable usury laws, (e) Borrower or any other Person at any time liable for the payment of all or part of the Loan Obligations or the Guaranteed Obligations has valid defenses (other than payment), claims or offsets (whether at law, in equity or by agreement) which render the Loan Obligations or the Guaranteed Obligations wholly or partially unenforceable against or uncollectible from Borrower or any other Person at any time liable for the payment of all or part of the Loan Obligations or the Guaranteed Obligations, (f) the creation, performance or repayment of the Loan Obligations or the Guaranteed Obligations (or the execution, delivery and performance of any document or instrument representing part of the Loan Obligations or the Guaranteed Obligations or executed in connection with the Loan Obligations or the Guaranteed Obligations or given to secure the repayment of the Loan Obligations or the Guaranteed Obligations) is illegal, uncollectible or unenforceable, or (g) the Loan Agreement, the Mortgage or any of the other Loan Documents have been forged or otherwise are irregular or not genuine or authentic, it being agreed that Guarantor shall remain liable hereon regardless of whether Borrower or any other Person be found not liable on the Loan Obligations or the Guaranteed Obligations or any part thereof for any reason (other than by reason of payment in full thereof).

3.5 Release of Obligors. Any full or partial release of the liability of Borrower on the Loan Obligations or the Guaranteed Obligations or any part thereof, or of any co-guarantors, or any other Person now or hereafter liable, whether directly or indirectly, jointly, severally, or jointly and severally, to pay, perform, guarantee or assure the payment of the Loan Obligations or the Guaranteed Obligations, or any part thereof, it being recognized, acknowledged and agreed by Guarantor that Guarantor may be required to pay the Guaranteed Obligations in full without assistance or support of any other Person, and Guarantor has not been induced to enter into this Guaranty on the basis of a contemplation, belief, understanding or agreement that any other Person will be liable to pay or perform the Loan Obligations or the Guaranteed Obligations, or that Administrative Agent or any Lender will look to any other Person to pay or perform any of the Loan Obligations or the Guaranteed Obligations.

3.6 **Other Collateral.** The taking or accepting of any other security, collateral or guaranty, or other assurance of payment, for all or any part of the Loan Obligations or the Guaranteed Obligations.

3.7 **Release of Collateral.** Any release, surrender, exchange, subordination, deterioration, waste, loss or impairment (including without limitation negligent, willful, unreasonable or unjustifiable impairment) by any Person of any collateral, property or security at any time existing in connection with, or assuring or securing payment of, all or any part of the Loan Obligations or the Guaranteed Obligations.

3.8 **Care and Diligence.** The failure of Administrative Agent, any Lender or any other Person to exercise diligence or reasonable care in the preservation, protection, enforcement, sale or other handling or treatment of all or any part of any collateral, property or security, including but not limited to any neglect, delay, omission, failure or refusal of Administrative Agent or any Lender (a) to take or prosecute any action for the collection of any of the Loan Obligations or the Guaranteed Obligations, (b) to foreclose, or initiate any action to foreclose, or, once commenced, prosecute to completion any action to foreclose upon any security therefor, or (c) to take or prosecute any action in connection with any instrument or agreement evidencing or securing all or any part of the Loan Obligations or the Guaranteed Obligations.

3.9 **Unenforceability.** The fact that any collateral, security, security interest or lien contemplated or intended to be given, created or granted as security for the repayment of the Loan Obligations or the Guaranteed Obligations, or any part thereof, shall not be properly perfected or created, or shall prove to be unenforceable or subordinate to any other security interest or lien, it being recognized and agreed, as between Administrative Agent, Lenders and Guarantor, that Guarantor is not entering into this Guaranty in reliance on, or in contemplation of the benefits of, the validity, enforceability, collectibility or value of any of the collateral for the Loan Obligations or the Guaranteed Obligations.

3.10 **Offset.** Any existing or future right of offset, claim or defense of Borrower against Administrative Agent or any Lender, or any other Person, or against payment of the Loan Obligations or the Guaranteed Obligations, whether such right of offset, claim or defense arises in connection with the Loan Obligations or the Guaranteed Obligations (other than the indefeasible payment in full of the Guaranteed Obligations) or the transactions creating the Loan Obligations and the Guaranteed Obligations.

3.11 **Merger.** The reorganization, merger or consolidation of Borrower into or with any other Person.

3.12 **Preference.** Any payment by Borrower to Administrative Agent or any Lender that is returned, recovered or otherwise paid, in whole or in part, in settlement of a suit, claim or other demand seeking avoidance and recovery of such payment as a preference or fraudulent conveyance under bankruptcy laws or applicable state law, or if for any reason Administrative Agent or any Lender is required to refund such payment or pay such amount to Borrower or any other Person.

3.13 **Other Actions Taken or Omitted.** Any other action taken or omitted to be taken with respect to the Loan Documents, the Loan Obligations, the Guaranteed Obligations, or the security and collateral therefor, whether or not such action or omission prejudices Guarantor or increases the likelihood that Guarantor will be required to pay the Guaranteed Obligations pursuant to the terms hereof; and it is the unambiguous and unequivocal intention of Guarantor that Guarantor shall be obligated to pay the Guaranteed Obligations when due, notwithstanding any occurrence, circumstance, event, action, or omission whatsoever, whether contemplated or un contemplated, and whether or not otherwise or particularly described herein, which obligation shall be deemed satisfied only upon the indefeasible payment in full of the Guaranteed Obligations.

ARTICLE IV REPRESENTATIONS AND WARRANTIES

To induce Administrative Agent and Lenders to enter into the Loan Agreement, the Mortgage and the other Loan Documents, and extend and maintain credit to Borrower, Guarantor represents and warrants as of the date hereof to

Administrative Agent for the benefit of the Lenders as follows:

4.1 Benefit. Guarantor is an Affiliate of Borrower, and is the direct legal and beneficial owner of 100% of the equity interests in Borrower, and has received, or will receive, direct or indirect and substantial benefit from the Loan.

4.2 Familiarity and Reliance. Guarantor is familiar with, and has independently reviewed books and records regarding, the financial condition of Borrower, and is familiar with the value of any and all collateral intended to be created as security for the payment of the Loan Obligations and the Guaranteed Obligations; however, as between Administrative Agent, Lenders and Guarantor, Guarantor is not relying on such information, or the financial condition of Borrower, the collateral or any other condition, as an inducement to enter into this Guaranty.

4.3 No Representation by Administrative Agent or Lenders. Neither Administrative Agent nor any Lender, nor any other Person on behalf of Administrative Agent or any Lender, has made any representation, warranty or statement to Guarantor in order to induce Guarantor to execute this Guaranty.

4.4 Guarantor's Financial Condition. As of the date hereof, and after giving effect to this Guaranty and the contingent obligation evidenced hereby, Guarantor is solvent and has assets which, fairly valued, exceed its obligations, liabilities (including contingent liabilities fairly estimated) and debts, and has property and assets sufficient to satisfy and repay its obligations and liabilities, as and when the same become due.

4.5 Legality; Due Authorization; Enforceability. The execution, delivery and performance by Guarantor of this Guaranty, and the consummation of the transactions contemplated hereunder, do not and will not contravene or conflict with any law, statute or regulation whatsoever to which Guarantor is subject, or constitute a default under or result in the breach of, any indenture, mortgage, charge, lien, or any contract, agreement or other instrument to which Guarantor is a party or which may be applicable to Guarantor. This Guaranty is a legal and binding obligation of Guarantor and is enforceable in accordance with its terms, except as limited by bankruptcy, insolvency or other laws of general application relating to the enforcement of creditors' rights and subject, as to enforceability, to general principals of equity regardless of whether enforcement is sought in a proceeding in equity or at law.

4.6 Litigation. There are no actions, suits or proceedings at law or in equity by or before any Governmental Authority or other agency now pending or, to Guarantor's knowledge, threatened, against or affecting Guarantor which would reasonably be expected to materially adversely affect the ability of Guarantor to perform its obligations under this Guaranty.

4.7 Survival. All representations and warranties made by Guarantor herein shall survive the execution hereof.

ARTICLE V
SUBORDINATION OF CERTAIN INDEBTEDNESS

5.1 Subordination of All Guarantor Claims. As used herein, the term "Guarantor Claims" shall mean all debts and liabilities of Borrower to Guarantor, whether such debts and liabilities now exist or are hereafter incurred or arise, or whether the obligations of Borrower thereon be direct, contingent, primary, secondary, several, joint and several, or otherwise, and irrespective of whether such debts or liabilities be evidenced by note, contract, open account, or otherwise, and irrespective of any Person in whose favor such debts or liabilities may, at their inception, have been, or may hereafter be, created, or the manner in which they have been or may hereafter be acquired by Guarantor. The Guarantor Claims shall include, without limitation, all rights and claims of Guarantor against Borrower (arising as a result of subrogation or otherwise) as a result of Guarantor's payment of all or a portion of the Guaranteed Obligations. After the occurrence and during the existence of an Event of Default, or the occurrence of an event which would, with the giving of notice or the passage of time, or both, constitute an Event of Default, Guarantor shall not receive or collect, directly or indirectly, from Borrower or any other Person, any amount upon the Guarantor Claims, until the indefeasible payment in full of the Loan Obligations and the Guaranteed Obligations.

5.2 Claims in Bankruptcy. In the event of receivership, bankruptcy, reorganization, arrangement, debtor's relief, or other insolvency proceedings involving Borrower as debtor, Administrative Agent and Lenders shall have the right to prove their respective claims in any such proceeding so as to establish its rights hereunder and receive directly, from the receiver, trustee or other court custodian, dividends and payments which would otherwise be payable upon Guarantor Claims. Guarantor hereby assigns such dividends and payments to Administrative Agent for the benefit of the Lenders to the extent of the Guaranteed Obligations. Should Administrative Agent receive, for

application against the Guaranteed Obligations, any dividend or payment which is otherwise payable to Guarantor, and which, as between Borrower and Guarantor, shall constitute a credit against the Guarantor Claims, then, upon the indefeasible payment and performance in full to Administrative Agent and Lenders of the Loan Obligations and the Guaranteed Obligations, Guarantor shall become subrogated to the rights of Administrative Agent and Lenders to the extent that such payments to Administrative Agent on the Guarantor Claims have contributed toward the liquidation of the Guaranteed Obligations, and such subrogation shall be with respect to that proportion of the Guaranteed Obligations which would have been unpaid if Administrative Agent had not received dividends or payments upon the Guarantor Claims.

5.3 **Payments Held in Trust.** In the event that, notwithstanding anything to the contrary in this Guaranty, Guarantor should receive any funds, payment, claim or distribution which is prohibited by this Guaranty, then Guarantor agrees to hold in trust for Administrative Agent an amount equal to the amount of all funds, payments, claims or distributions so received (but only to the extent of the Guaranteed Obligations), and Guarantor further agrees that it shall have absolutely no dominion over (or equitable or beneficial ownership of) the amount of such funds, payments, claims or distributions so received, and Guarantor covenants promptly to pay the same to Administrative Agent.

5.4 **Liens Subordinate.** Guarantor agrees that any liens, security interests, judgment liens, charges or other encumbrances upon Borrower's assets securing payment of the Guarantor Claims shall be and remain inferior and subordinate to any liens, security interests, judgment liens, charges or other encumbrances upon Borrower's assets securing payment of the Loan Obligations and the Guaranteed Obligations, regardless of whether such liens, security interests, judgment liens, charges or other encumbrances in favor of Guarantor or Administrative Agent presently exist or are hereafter created or attach. Without the prior written consent of Administrative Agent, Guarantor shall not (i) exercise or enforce any right it may have against Borrower, or (ii) foreclose, repossess, sequester, or otherwise take steps, or institute any action or proceeding (judicial or otherwise, including, without limitation, the commencement of, or joinder in, any liquidation, bankruptcy, rearrangement, debtor's relief or insolvency proceeding), to enforce any liens, mortgages, deeds of trust, security interests, collateral rights, judgments or other encumbrances on assets of Borrower securing payment of the Guarantor Claims held by Guarantor.

ARTICLE VI COVENANTS

6.1 **Financial Information.** The Guarantor hereby represents and warrants, as of the date hereof, that all financial statements of the Guarantor heretofore delivered to the Administrative Agent by or on behalf of the Guarantor are true and correct in all material respects and fairly present the financial condition of the Guarantor as of the respective dates of such financial statements. No material adverse change has occurred in any financial condition reflected in any such financial statement since the date of such financial statement. In addition, the Guarantor covenants that so long as the Loan Obligations remain outstanding and unpaid, the Guarantor will, or will cause the Borrower to, furnish to the Administrative Agent, unless otherwise consented to in writing by the Administrative Agent, all of the financial statements of the Guarantor specified in Section 5.3 of the Loan Agreement.

ARTICLE VII MISCELLANEOUS

7.1 **Waiver.** No failure to exercise, and no delay in exercising, on the part of Administrative Agent or any Lender, any right hereunder, shall operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right. The rights of Administrative Agent hereunder

shall be in addition to all other rights provided by law. No modification or waiver of any provision of this Guaranty, nor any consent to departure therefrom, shall be effective unless in writing, and no such consent or waiver shall extend beyond the particular case and purpose involved. No notice or demand given in any case shall constitute a waiver of the right to take other action in the same, similar or other instances without such notice or demand except to the extent such a notice or demand is required by the terms hereof.

7.2 Notices. All notices, consents, approvals and requests required or permitted hereunder shall be in writing, and shall be either hand delivered or sent, by (a) certified or registered U.S. mail, Return Receipt Requested, first class postage prepaid, or (b) expedited prepaid delivery service, either commercial (e.g., Federal Express or comparable national courier) or U.S. Postal Service, with proof of attempted delivery. THIS GUARANTY SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE SUBSTANTIVE LAWS OF THE STATE OF NEW YORK AND THE APPLICABLE LAWS OF THE UNITED STATES OF AMERICA. ANY LEGAL SUIT, ACTION OR PROCEEDING AGAINST ADMINISTRATIVE AGENT OR GUARANTOR ARISING OUT OF OR RELATING TO THIS GUARANTY MAY BE INSTITUTED IN ANY FEDERAL OR STATE COURT IN NEW YORK COUNTY, NEW YORK, AND ADMINISTRATIVE AGENT, LENDERS (BY THEIR ACCEPTANCE HEREOF)

7.4 Invalid Provisions. If any provision of this Guaranty is held to be illegal, invalid, or unenforceable under present or future laws effective during the term of this Guaranty, then such provision shall be fully severable, and this Guaranty shall be construed and enforced as if such illegal, invalid or unenforceable provision had never comprised a part of this Guaranty, and the remaining provisions of this Guaranty shall remain in full force and effect and shall not be affected by the illegal, invalid or unenforceable provision or by its severance from this Guaranty.

7.5 Amendments and Waivers. No term or provision of this Guaranty may be amended, waived or otherwise modified except pursuant an instrument in writing executed by the party (or an authorized representative of the party) against whom enforcement of such amendment, waiver or modification is sought.

7.6 Parties Bound; Assignment; Joint and Several. This Guaranty shall be binding upon and inure to the benefit of the parties hereto and their respective successors, permitted assigns and legal representatives; provided, however, that Guarantor may not, without the prior written consent of Administrative Agent, assign any of its rights, powers, duties or obligations hereunder.

7.7 Headings. Section headings are for convenience of reference only and shall in no way affect the interpretation of this Guaranty.

7.8 **Consideration.** Guarantor is the direct, legal and beneficial owner of 100% of the direct equity interests in Borrower and will substantially benefit from the Loans made by Lenders to Borrower pursuant to the Loan Agreement.

7.9 **Counterparts.** To facilitate execution, this Guaranty may be executed in as many counterparts as may be convenient or required. It shall not be necessary that the signature of, or on behalf of, each party, or that the signature of all Persons required to bind any party, appear on each counterpart. All counterparts shall collectively constitute a single instrument. It shall not be necessary, in making proof of this Guaranty, to produce or account for more than a single counterpart containing the respective signatures of, or on behalf of, each of the parties hereto. Any signature page to any counterpart may be detached from such counterpart, without impairing the legal effect of the signatures thereon, and thereafter attached to another counterpart identical thereto except having attached to it additional signature pages.

7.10 **Rights and Remedies.** If Guarantor becomes liable for any indebtedness owing by Borrower to Administrative Agent or any Lender, by endorsement or otherwise, other than under this Guaranty, then such liability shall not be in any manner impaired or affected hereby, and the rights of Administrative Agent and Lenders hereunder shall be cumulative of any and all other rights that Administrative Agent and Lenders may ever have against Guarantor. The exercise by Administrative Agent or any Lender of any right or remedy hereunder or under any other instrument, or at law or in equity, shall not preclude the concurrent or subsequent exercise of any other right or remedy.

7.11 **Entirety.** THIS GUARANTY EMBODIES THE FINAL, ENTIRE AGREEMENT OF GUARANTOR AND ADMINISTRATIVE AGENT WITH RESPECT TO GUARANTOR'S GUARANTY OF THE GUARANTEED OBLIGATIONS AND SUPERSEDES ANY AND ALL PRIOR COMMITMENTS, AGREEMENTS, REPRESENTATIONS, AND UNDERSTANDINGS, WHETHER WRITTEN OR ORAL, RELATING TO THE SUBJECT MATTER HEREOF, EXCEPT AS PROVIDED IN THE LOAN DOCUMENTS. THIS GUARANTY IS INTENDED BY GUARANTOR AND ADMINISTRATIVE AGENT AS A FINAL AND COMPLETE EXPRESSION OF THE TERMS OF THE GUARANTY, AND NO COURSE OF DEALING BETWEEN GUARANTOR AND ADMINISTRATIVE AGENT, NO COURSE OF PERFORMANCE, NO TRADE PRACTICES, AND NO EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS OR DISCUSSIONS OR OTHER EXTRINSIC EVIDENCE OF ANY NATURE SHALL BE USED TO CONTRADICT, VARY, SUPPLEMENT OR MODIFY ANY TERM OF THIS GUARANTY AGREEMENT. THERE ARE NO ORAL AGREEMENTS BETWEEN GUARANTOR AND ADMINISTRATIVE AGENT OR ANY LENDER RELATING TO THE GUARANTEED OBLIGATIONS.

7.12 **Waiver of Right To Trial By Jury.** GUARANTOR, AND BY THEIR ACCEPTANCE HEREOF, ADMINISTRATIVE AGENT AND LENDERS, AGREE NOT TO ELECT A TRIAL BY JURY OF ANY ISSUE TRIABLE OF RIGHT BY JURY, AND WAIVES ANY RIGHT TO TRIAL BY JURY FULLY TO THE EXTENT THAT ANY SUCH RIGHT SHALL NOW OR HEREAFTER EXIST WITH REGARD TO THIS GUARANTY OR ANY CLAIM, COUNTERCLAIM OR OTHER ACTION ARISING IN CONNECTION THEREWITH. THIS

WAIVER OF RIGHT TO TRIAL BY JURY IS GIVEN KNOWINGLY AND VOLUNTARILY BY EACH OF ADMINISTRATIVE AGENT, LENDERS AND GUARANTOR, AND IS INTENDED TO ENCOMPASS INDIVIDUALLY EACH INSTANCE AND EACH ISSUE AS TO WHICH THE RIGHT TO A TRIAL BY JURY WOULD OTHERWISE ACCRUE. EACH PARTY IS HEREBY AUTHORIZED TO FILE A COPY OF THIS PARAGRAPH IN ANY PROCEEDING AS CONCLUSIVE EVIDENCE OF THIS WAIVER.

7.13 **No Third Party Beneficiaries.** This Guaranty is solely between the Guarantor and the Administrative Agent, and solely for the benefit of the Administrative Agent, the Lenders and any subsequent holder or holders of any Note, and nothing in this Guaranty, whether express or implied, shall be construed to give any other Person any legal or equitable right, remedy or claim under or in respect of this Guaranty.

7.14 Release of Maintenance Obligation on Cutoff Date. Guarantor shall have no obligations with respect to Maintenance Obligations first occurring after the earlier to occur of (x) the first anniversary of the date, if any, on which Administrative Agent (or its designee) takes title to the Property by foreclosure, deed-in-lieu of foreclosure or otherwise or (y) the first anniversary of the date, if any, on which Borrower tenders a deed to the Property to Administrative Agent (or its designee)(the earlier of the forgoing dates, the “Cut-Off Date”), and the term “Guaranteed Obligations” shall be deemed to exclude any Maintenance Obligations first occurring after the Cut-off Date, notwithstanding anything to the contrary contained in this Guaranty; provided that with respect to a tender of a deed that is not accepted by Administrative Agent (or its designee), the Cut-Off Date shall not be deemed to occur until Borrower and Guarantor, at their sole cost and expense, shall have furnished to Administrative Agent a Phase I environmental assessment of the Property (i) conducted by an environmental engineer or consultant reasonably acceptable to Administrative Agent (but who shall in no event have less than ten (10) years’ experience in conducting similar assessments on properties in the general geographical location of the Property); (ii) covering such subjects as are addressed in the Environmental Report and (iii) that concludes, in the Administrative Agent’s reasonable discretion, that the Property does not contain any Hazardous Substances in violation of applicable law.

Trinity Place Holdings Secures Loan

Proceeds to Fully Retire Claims and Fund Predevelopment in Lower Manhattan

New York, NY (December 31, 2014). Trinity Place Holdings Inc. (the “Company”) (OTC: TPHS) announced today that it has filed a motion seeking bankruptcy court approval of a \$40 million loan facility secured by its properties located at 42 Trinity Place and 67 Greenwich Street in Lower Manhattan. The loan will be provided by Sterling National Bank and Israel Discount Bank of New York and will close and be funded following court approval. Trinity is the successor to Syms Corp. and Filene’s Basement which emerged from Chapter 11 bankruptcy in September 2012 with a significant portfolio of real estate and other legacy assets.

Proceeds from the loan will be used by the Company to pay or reserve for all remaining claims and to make strategic investments in its remaining assets and potential new opportunities. Once the claims are paid or reserved for to the satisfaction of the court, the Company will have substantially fulfilled its obligations under the plan for reorganization.

Proceeds from the loan will also be used for further predevelopment work on Trinity’s Lower Manhattan holdings at 42 Trinity Place and 67 Greenwich Street. The Company has made significant progress on this project to date, including defining the program and developing a conceptual design for a mixed-use building of over 280,000 gross square feet as well as reaching preliminary terms with prospective users for the commercial base of the building. Significant interest in the development of the property has led the Company to hire Eastdil Secured to proceed with a formal and organized process to help evaluate the most appropriate risk-adjusted path to value maximization for shareholders which may or may not result in a possible sale of the property in whole or in part with a joint venture partner.

“Sterling National Bank is excited to participate in the growth of Trinity Place Holdings with the current loan facility. Their developing business plan is exciting and their success to date is impressive. We look forward to a long term relationship with the Company,” stated Jim Peoples, President of Sterling Banking Group.

“This new loan facility provided by Sterling National Bank and Israel Discount Bank of New York bolsters Trinity Place Holdings’ growth plans as a new business. We will fulfill the obligations under the plan as promised and take key steps forward to create additional value for our stakeholders,” stated Matthew Messinger, President & CEO of Trinity Place Holdings. “The loan also supports our predevelopment work in Paramus, NJ, Westbury, NY and West Palm Beach, Florida and in particular at our 42 Trinity Place and 67 Greenwich Street properties in the exceptionally strong market of Lower Manhattan.”

The facility also provides for up to an additional \$10 million of proceeds to be made available subject to certain conditions and approvals.

The motion filed with the court to approve the loan facility also seeks approval of other matters including a charter amendment to protect the Company’s net operating losses (“NOL’s”) as an asset of the Company. Further details on the loan and the motion will be included in a Form 8-K filed with the SEC later today.

Note 1 – The Company

As further described below, the predecessor to Trinity Place Holdings Inc. (“Trinity” or the “Company”), Syms Corp. (“Syms”), together with its subsidiaries (the “Debtors”), filed voluntary petitions for relief under Chapter 11 of Title 11 of the United States Bankruptcy Code (“Bankruptcy Code” or “Chapter 11”) in the United States Bankruptcy Court for the District of Delaware (the “Court”) on November 2, 2011. On August 30, 2012, the Court entered an order confirming the Modified Second Amended Joint Chapter 11 Plan of Reorganization of Syms Corp. and its Subsidiaries (the “Plan”). On September 14, 2012, the Plan became effective and the Debtors consummated their reorganization under Chapter 11 through a series of transactions contemplated by the Plan and emerged from bankruptcy. As part of those transactions, reorganized Syms merged with and into Trinity, with Trinity as the surviving corporation and successor issuer pursuant to Rule 12g-3 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”).

Unless otherwise noted, references to the “Company”, “we” and “our” relate to Syms prior to the merger and to Trinity following the merger. The Company’s fiscal year ends on the Saturday closest to the last day of February each year.

Overview

Trinity owns commercial real estate and a variety of intellectual property assets focused on the consumer sector. Trinity’s business plan includes the monetization of commercial real estate properties and a condominium which it owned as of September 14, 2012, the effective date of the Plan, and the sale or development of 28-42 Trinity Place in Lower Manhattan, referred to as the Trinity Place Property. As described below, the Company has sold a number of its properties since the effective date of the Plan and is undertaking a review of various strategic, developmental and other value-enhancing alternatives for certain of its remaining commercial real estate properties, including the Trinity Place Property. As of November 29, 2014 the Company owned (and continues to own as of January 13, 2015) four properties.

Owned Properties

Certain information about the Company's owned properties is set forth below:

Property Location	Building Size (estimated square feet)	
West Palm Beach, FL	112,000	
Westbury, NY	92,000	
Paramus, NJ	77,000	
New York, NY (Trinity Place Property)	57,000	*
Total Square Feet	338,000	

*The Trinity Place Property consists of a vacant 6-story commercial building of approximately 57,000 square feet, yielding approximately 174,000 square feet of zoning floor area as-of-right. The Company also has ownership of approximately 60,000 square feet of development rights from adjacent tax lots, one of which is owned in fee by the Company which is improved with a 4-story landmark building which cannot be demolished.

The Company is undertaking a review of various strategic, developmental and other value-enhancing alternatives for certain of its commercial real estate properties, including the Trinity Place Property. To date, no specific course of action has been determined. The Company has retained advisors, including architects, construction experts and attorneys to assist it in its evaluation and review of cost estimates and monetization strategies. There remains a range of estimated values that may be realized for the Company's properties.

The Company is also exploring the licensing of its intellectual property assets, including its rights to the Filene's Basement trademark, the Stanley Blacker and Maine Bay brands, and the intellectual property associated with the Running of the Brides event and An Educated Consumer is Our Best Customer slogan.

The Company expects to continue evaluating the best way in which to monetize its remaining assets for the benefit of stockholders and creditors.

Brokerage Agreements

The Company has engaged commercial real estate brokers to coordinate or assist with the sale, rental and/or development of its remaining properties. While terms may vary, the agreements generally provide for commissions ranging from 1% to 3.5% in the case of sales, and 1.5% to 5% of the base rent on the primary term in the case of rentals, payable only upon closing of a sale transaction or execution of a lease agreement, as applicable.

Competition

The markets in which the Company's properties are located are inherently competitive. In some of these markets, principally the smaller markets, the Company expects there may be more limited buyer or tenant prospects for the Company's property, while larger markets may in general offer more attractive supply and demand characteristics to the Company.

Competitive factors with respect to the Company's Trinity Place Property may have a more material effect on the Company as it is the Company's most valuable real estate asset. Various municipal entities are making and have indicated an intent to continue to make significant investments in the immediate vicinity of the Trinity Place Property in order to continue to support the growth of the neighborhood as a vibrant 24/7 community to work, visit and live. Several privately funded commercial and residential developments are being built or are proposed to take advantage of the increasing desirability of the neighborhood. The impact of these changing supply and demand characteristics is uncertain, and they could positively or negatively impact the Company's evolving plan to maximize the value of its Trinity Place Property.

Company History

Prior to filing for bankruptcy, Syms and its wholly-owned subsidiary, Filene's Basement, LLC ("Filene's," "Filene's, LLC" or "Filene's Basement"), collectively owned and operated a chain of 46 "off-price" retail stores.

Chapter 11 Cases

Syms and its subsidiaries filed voluntary petitions for reorganization relief under Chapter 11 in the Court on the petition date and were operating as debtors-in-possession through September 14, 2012, at which time the Plan became effective and reorganized Syms merged with and into Trinity. During the Chapter 11 cases, the Debtors sold their inventory and much of their furniture, fixtures and equipment, ceased retail operations at all of their stores and vacated all their leased retail store and distribution center locations.

As of the petition date, the Debtors were lessees under 35 commercial real estate leases. On December 16, 2011, the Court entered an order that approved the Debtors' proposed procedures for the marketing and disposition of their leases. The lease marketing process resulted in the sale of the Debtors' interest in, or consensual termination of, certain of the Debtors' leases. The Debtors rejected several other leases effective as of December 31, 2011. Under the Bankruptcy Code, when a debtor rejects a real estate lease, the rejection is considered a breach that gives rise to a claim for damages resulting from the breach of the lease, which claims are subject to certain caps and limitations imposed by the Bankruptcy Code.

Chapter 11 Plan

On August 30, 2012, the Court entered an order confirming the Plan, and the Plan became effective on September 14, 2012. Upon the effective date of the Plan and pursuant to its terms, Syms and its subsidiaries were reorganized and, subject to the obligations under the Plan, discharged of all claims. To effect the reorganization, Syms was reincorporated in Delaware by way of a merger with and into Trinity. As a result of the merger, each share of Syms was converted into one share of Trinity. Under the Plan, Trinity will attempt to monetize its real estate assets over time in a manner intended to maximize their value for the benefit of creditors and shareholders, as further described below. Under the Plan, Syms creditors holding Allowed Claims (as defined in the Plan) are entitled to payment of those claims in full. The Plan also provides for Filene's, LLC creditors to receive recoveries from the monetization of certain of Trinity's assets. Filene's, LLC Class 4A General Unsecured (Short-Term) creditors holding Allowed Claims are entitled to payment in full and Filene's, LLC Class 5A (Long-Term) creditors holding Allowed Claims are entitled to a recovery of 75% on their claims.

Claims Payment Process

The Company is in the process of reconciling, objecting to and resolving various claims associated with the discharge of liabilities pursuant to the Plan. During the period from the effective date of the Plan through March 2, 2013, the Company's first fiscal year-end following emergence from Chapter 11, the Company paid approximately \$26.2 million to holders of Allowed Claims as defined in and in accordance with the Plan. During the fiscal year ended March 1, 2014, the Company made additional cash payments to holders of Allowed Claims, together with other payments required under the Plan, including to the former Majority Shareholder, in an aggregate amount of approximately \$33.7 million. The Company made payments of an additional \$22.5 million through the thirty-nine weeks ended November 29, 2014 and subsequently an additional \$7.5 million through December 31, 2014, representing total payments of approximately \$89.9 million since emergence.

The Company expects to pay additional Syms and Filene's Class 3 Convenience Claims, Syms Class 4 General Unsecured Claims and Filene's Class 4 General Unsecured (Short-Term Claims), and Filene's Class 5 (General Unsecured (Long Term) Claims) out of Net Proceeds (as defined in the Plan) as they become Allowed Claims in accordance with the terms of the Plan. As of January 13, 2015, based on the reconciliation work to date and the payments made as described above, the Company believes that the remaining estimated aggregate allowed amount of creditor claims, together with the net amount due to the former Majority Shareholder, is between \$37 million and \$39 million. Because holders of Allowed Filene's, LLC Class 5A (General Unsecured (Long-Term) Claims) (as defined in the Plan) are entitled to a 75% recovery, the remaining estimated aggregate amount of cash distributions to creditors, the former Majority Shareholder and the multiemployer pension plan (payable through 2019) under the Plan is estimated between \$32 million and \$35 million.

The Plan and the Company's certificate of incorporation provide that if the holders of Allowed Filene's Class 4 (General Unsecured (Short-Term) Claims) and Class 5 (General Unsecured (Long-Term) Claims), as defined in the Plan, are not paid their full distributions under the Plan by October 1, 2014 (the "Creditor Payment Date"), then, subject to the extension of the Creditor Payment Date to April 1, 2015 under certain circumstances, the director designated by the holder of the Series A preferred stock (the "Series A Director") will be entitled to direct the sale process for any remaining "Near-Term Properties" or "Medium-Term Properties," each as defined in the Plan, pursuant to a commercially reasonable process consistent with maximizing the value of those properties.

The payments through September 30, 2014 constituted the full distributions payable to the holders of the Allowed Syms and Filene's Class 3 (Convenience Claims) Creditors and the Allowed Syms General Unsecured and Filene's General Unsecured (Short-Term) Creditors in Syms and Filene's Class 4, respectively, the Syms Class 5 Union Pension Plan, and the Filene's Class 5 (General Unsecured (Long Term) Claims), all as defined in the Plan. As a result, the Series A Director did not acquire control of the sale process of the Company's remaining unsold "Near-Term Properties" and "Medium-Term Properties," as defined in the Plan. Additionally, at a meeting of the Board of Directors of the Company held on September 24, 2014, the Creditor Payment Date was extended to April 1, 2015 in accordance with the terms of the Company's certificate of incorporation and the Plan.

The process of reconciling claims is different from the process of actually resolving claims. Accordingly, the above estimates are based primarily on the Company's identification and reconciliation of the amounts of asserted claims to the Company's books and records, and not on the negotiation or settlement of specific claims. Because of the ongoing reconciliation and settlement processes, the ultimate amount of allowed claims and the ultimate amount of distributions under the Plan could be materially different from the Company's current estimates.

The Plan and the Company's certificate of incorporation also provide that if there has not been a General Unsecured Claim Satisfaction, as defined in the Plan, by October 1, 2016, then the size of the Board of Directors shall automatically increase to nine members, seven of which are to be elected by the holder of the Series A preferred stock. If a General Unsecured Claim Satisfaction has occurred but the required payments to the former Majority Shareholder have not been made in full by October 16, 2016, then the size of the Board of Directors will automatically be adjusted to four members, three of whom would be elected by the former Majority Shareholder. In each case, the Board of Directors will remain controlled by the holder of the Series A preferred stock or the former Majority Shareholder, as applicable, until the required payments are made.

Rights Offering and Redemption of Former Majority Shareholder

In connection with the Plan, Syms entered into an Equity Commitment Agreement, (the "ECA"), among (i) Syms, (ii) Marcy Syms, (iii) the Laura Merns Living Trust, (iv) the Marcy Syms Revocable Living Trust (together with Marcy Syms and the Laura Merns Living Trust, the "former Majority Shareholder") and (v) certain members of the Official Committee of Syms Equity Security Holders and their affiliates, referred to as the Backstop Parties. The ECA provided that, pursuant to and upon the effective date of the Plan, the former Majority Shareholder would sell all of its shares of Syms common stock to Syms at a price of \$2.49 per share. Accordingly, on September 14, 2012, immediately following the effectiveness of the Plan, the former Majority Shareholder sold all of its 7,857,794 shares of common stock to Syms. Payment for the shares will be made to the former Majority Shareholder in accordance with the Plan as the Company's real estate assets are monetized. The net amount due to the former Majority Shareholder was initially \$17.8 million and was included as a liability on the Company's Consolidated Statement of Net Assets as of March 2, 2013. On October 1, 2013, the Company met its Plan obligation to pay the former Majority Shareholder \$10.7 million of that amount and has a remaining obligation to former Majority Shareholder on the Company's Consolidated Statements of Net Assets as of November 29, 2014 and March 1, 2014 of \$7.1 million, which is included in the estimated remaining distributions to creditors.

Under the terms of the Plan, the Company is restricted from making any distributions, dividends or redemptions on its common stock until after the former Majority Shareholder payments are made in full. The certificate of incorporation of the Company provides for a share of Series B preferred stock owned by the former Majority Shareholder and entitling the former Majority Shareholder to control a majority of the Board of Directors if the former Majority Shareholder payments are not made by October 16, 2016, provided that and conditional upon the General Unsecured Claim Satisfaction having occurred.

Edgar Filing: Trinity Place Holdings Inc. - Form 424B3

In connection with the ECA and pursuant to the Plan, Syms conducted a rights offering in which it offered to sell to all existing shareholders, other than the former Majority Shareholder, who qualified as “accredited investors” within the meaning of Regulation D under the Securities Act of 1933 as amended (the “Securities Act”), the right to purchase their pro rata portion of 10,040,160 new shares of the Company’s common stock (the “Rights Offering”).

The foregoing descriptions of certain transactions, payments and other matters contemplated by the Plan are summaries only and do not purport to be complete and are qualified in all respects by the actual provisions of the Plan and related documents.

Operating Reserves

Under the Plan, the Company's corporate budget is composed of certain operating reserves to fund working capital and the Company's operations. Pursuant to the Plan, these reserves were initially funded from the proceeds realized by the Company from the sale of assets, settlements or any other sources in the first year following the Plan's effective date on September 14, 2012. For the two year period from September 14, 2012 through September 13, 2014, the amounts to be funded and used in these reserves were set under the Plan as follows: (i) a corporate overhead reserve of \$5.0 million in the aggregate, (ii) a \$3.8 million pension fund reserve (of which \$2.0 million is to fund the minimum annual payments due under the Syms pension plan and \$1.8 million is to fund the minimum quarterly payments due to Local 1102 for the allowed amount of the claims for pension withdrawal liability), (iii) a carry cost/repair/tenant improvement reserve of \$9.0 million in the aggregate, and (iv) a reserve for carry costs of the Trinity Place Property of \$3.0 million in the aggregate. Subsequent to September 14, 2014, additional amounts are to be funded to those four reserves plus a discretionary reserve and an emergency fund reserve of \$0.5 million each.

The Company's \$5 million corporate overhead reserve initially contemplated by the Plan was depleted prior to the end of the two-year period following the Plan effective date, primarily due to greater than expected professional fees. In January 2014, the holder of the Company's Series A Preferred Stock, which has the sole authority to approve an increase in the operating reserves, consented to an increase in the corporate overhead reserve to \$11 million, subject to certain limitations and a reduction of up to approximately \$0.8 million if certain anticipated expenses are not incurred. Up to \$2.5 million of corporate overhead expenses previously paid by the Company from available cash will count toward and be reimbursed from the increased corporate overhead reserve following receipt of net cash proceeds from future property sales.

Under the Plan, the consent of the holder of the Series A preferred stock is required for an increase in the aggregate cap for any reserve and the use of funds in a reserve for expenses designated to be paid from another reserve, except that, (i) by a majority vote of the Board of Directors, amounts in the corporate overhead reserve may be reallocated to the carry cost/repair/tenant improvement reserve and (ii) by a majority vote of the Board of Directors, and with the consent of the "Independent Director," as described in the Plan, amounts in the corporate overhead reserve may be reallocated to the Trinity Place Property carry reserve (see Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations—Liquidity and Capital Resources, for additional discussion).

Note 2 – Basis of Presentation

Liquidation Basis of Accounting

In response to the Chapter 11 filing the Company adopted the liquidation basis of accounting effective on October 30, 2011, which was the beginning of the fiscal month closest to the petition date. Under the liquidation basis of accounting, assets are stated at their net realizable value, liabilities are stated at their net settlement amount and estimated costs over the period of liquidation are accrued to the extent reasonably determinable.

The Company does not believe it would qualify for fresh start accounting if it were to emerge from liquidation. Under fresh-start accounting, assets and liabilities are adjusted to fair value. Since fresh-start accounting would likely not apply if the Company were to emerge from liquidation, the Company's accounting basis could revert back to the going concern basis of accounting, resulting in all remaining assets and liabilities at that date being adjusted to their net book value less an adjustment for depreciation and/or amortization calculated from the date the Company entered liquidation through the date it emerged from liquidation. Accordingly, if a change in accounting basis were to occur, it would likely result in a decrease in the reporting basis of the respective assets and liabilities. The Company can provide no guarantee that it will emerge from liquidation as a going concern entity, nor can it guarantee the method of accounting that would be adopted upon emergence from liquidation.

The preparation of the accompanying consolidated financial statements in conformity with the liquidation basis of accounting requires management to make significant estimates and assumptions about future events. These estimates and the underlying assumptions affect the reported amounts of assets and liabilities. These estimates include, among others, realizable value of real estate and other assets, accrued liquidation costs, lease settlement costs, and deferred tax assets. Actual results could differ from those estimates.

Estimated Costs of Liquidation

Significant estimates and judgment are required to determine the accrued costs of liquidation, which reflects all other remaining operating expenses and contractual commitments such as payroll and related expenses, lease termination costs, professional fees and other outside services to be incurred during the liquidation period. The company's accrued costs expected to be incurred in liquidation and recorded payments made related to the accrued liquidation costs are as follows (in thousands):

	Balance November 29, 2014	Adjustments to Reserves	Payments	Balance March 1, 2014
Estimated Costs of Liquidation				
Real estate related carrying costs	\$ 4,658	\$ (1,800)	\$ (4,503)	\$ 10,961
Professional fees	3,546	\$ 2,724	\$ (2,844)	3,666
Payroll related costs	1,594	\$ 352	\$ (1,475)	2,717
Other	80	\$ (373)	\$ (115)	568
	\$ 9,878	\$ 903	\$ (8,937)	\$ 17,912

The assumptions underlying the estimated accrued costs of liquidation of \$9.9 million as of November 29, 2014 contemplated all changes in estimates resulting from the Plan.

The Company reviewed all of its operating expenses and contractual commitments such as payroll and related expenses, lease termination costs, property carrying costs and professional fees to determine the estimated costs to be incurred during the liquidation period. The liquidation period is currently anticipated to conclude by July 2015.

The following discussion explains the adjustments to the costs of liquidation reserves as recorded during the thirty-nine week period ended November 29, 2014:

Adjustments to decrease the reserve for real estate related carrying costs of approximately \$1.8 million were recorded during the thirty-nine weeks ended November 29, 2014. The adjustments were mainly the result of estimated selling expenses for the Trinity Place Property and the actual selling expenses related to the sale of the Secaucus Lease.

Adjustments to increase the reserve for professional fees of approximately \$2.7 million were recorded during the thirty-nine week period ended November 29, 2014. The majority of the increase reflects the increased costs resulting from the complexities of litigation related to the bankruptcy cases.

Adjustments to Fair Value of Assets and Liabilities

The following table summarizes adjustments to the fair value of assets and liabilities under the liquidation basis of accounting during the thirty-nine week period ended November 29, 2014 (in thousands):

Adjustments of Assets and Liabilities to Net Realizable Value	March 2, 2014 through November 29, 2014
Adjust real estate to estimated net realizable value	\$ 25
Adjust other claims to net realizable value	(40)
	\$ (15)

The following discussion explains the adjustments to the fair value of assets and liabilities under the liquidation basis of accounting as recorded during the thirty-nine weeks ended November 29, 2014:

During the thirty-nine weeks ended November 29, 2014, there was an increase of approximately \$14,000 related to other claims payouts as the Company continues its reconciliation of claims as well as an additional \$26,000 of costs related to the sale of common stock in the prior fiscal year.

Note 3 – New Accounting Pronouncements

There are no proposed or recently issued accounting standards that are expected to have a material impact on the Company.

Note 4 – Financial Position

As of November 29, 2014, the Company had total cash of \$16.6 million, of which approximately \$8.1 million was cash and cash equivalents and approximately \$8.5 million was restricted cash. As of March 1, 2014, the Company had total cash of \$15.3 million, of which approximately \$9.7 million was cash and cash equivalents and approximately \$5.6 million was restricted cash. The change in total cash during the period was primarily from the payment of Allowed Claims in accordance with the terms of the Plan, professional fees related to the Chapter 11 cases, the sales of properties, and the daily operations of the Company.

The Company has estimated claims liabilities recorded in its consolidated financial statements of approximately \$39.7 million and \$62.1 million at November 29, 2014 and March 1, 2014, respectively. The claims liability includes the obligation to former Majority Shareholder of approximately \$7.1 million at November 29, 2014 and March 1, 2014 (see Note 9 - Related Party Transactions), and a liability for the multi-employer pension plan of approximately \$4.2 million and \$5.3 million at November 29, 2014 and March 1, 2014, respectively, which is payable in quarterly distributions of \$0.2 million until completely paid (see Note 6 - Pension Plan).

For a discussion of the Company's payment of claims and the extension of the creditor payment date, see the discussion in the Claims Payment Process section in Note 1.

The Company believes that it would be able to fund its operations through net cash proceeds generated from property sales; however, the Plan imposes restrictions on the amount of operating expenses that the Company is allowed to incur and pay from such net cash proceeds. As previously discussed, the Company's \$5 million corporate overhead reserve initially contemplated by the Plan has been depleted, primarily due to greater than expected professional fees, and the Company has obtained the consent of the holder of the Company's Series A Preferred Stock who has the sole authority to approve an increase in the operating reserves, to increase the corporate overhead reserve to \$11 million, subject to certain limitations and a reduction of up to approximately \$0.8 million if certain anticipated expenses are not incurred. Up to \$2.5 million of corporate overhead expenses previously paid by the Company from available cash will count toward and be reimbursed from the increased corporate overhead reserve following receipt of net cash proceeds from future property sales. In addition, during fiscal year 2013, the Company raised \$13.0 million, net of \$0.5 million in offering costs, from the issuance of stock, which can be used to, among other things, fund overhead and other expenses. The Company believes through the sale of its assets and cash on hand, along with the possibility of additional equity and/or debt financing, it will have the cash necessary to satisfy its required claims distributions and operating activities as contemplated by the plan. On December 31, 2014, the Company filed a motion (the "Motion") with the Court to approve, among other things, a proposed loan facility. For more information on the Motion, see Note 10 - Subsequent Events as well as the Current Report Form 8-K filed by the Company on December 31, 2014, which attaches a copy of the Motion, including the proposed loan facility and charter amendment, as Exhibit 10.1 thereto.

Note 5 – Other Assets

Other assets include trademark license intangibles, with a balance of \$0.9 million as of November 29, 2014 and March 1, 2014, and security deposits with a balance of \$0.2 million and \$1.3 million as of November 29, 2014 and March 1, 2014, respectively.

Note 6 – Pension Plan

Syms sponsored a defined benefit pension plan for certain eligible employees not covered under a collective bargaining agreement. The pension plan was frozen effective December 31, 2006. As of November 29, 2014 and March 1, 2014, the Company had a recorded liability of \$2.8 million and \$3.5 million, respectively, within accrued expenses which represents the estimated cost to the Company of terminating the plan in a standard termination, which would require the Company to make additional contributions to the plan so that the assets of the plan are sufficient to satisfy all benefit liabilities.

The Company had contemplated other courses of action, including a distress termination, whereby the PBGC would take over the plan. On February 27, 2012, Syms notified the PBGC and other affected parties of its consideration to terminate the plan in a distress termination. However, the estimated total cost associated with a distress termination was approximately \$15 million. As a result of the cost savings associated with the standard termination approach, Syms elected not to terminate the plan in a distress termination and formally notified the PBGC of this decision. The Company will maintain the Syms pension plan and make all contributions required under applicable minimum funding rules; provided, however, that the Company may terminate the Syms pension plan from and after January 1, 2017. In the event that the Company terminates the Syms pension plan, the Company intends that any such termination shall be a standard termination. Although the Company has accrued the liability associated with a standard termination, it has not taken any steps to commence such a termination and has made no commitment to do so by a certain date.

Certain employees covered by collective bargaining agreements participate in multiemployer pension plans. Syms ceased to have an obligation to contribute to these plans in 2012, thereby triggering a complete withdrawal from the plans within the meaning of section 4203 of the Employee Retirement Income Security Act of 1974. Consequently, the Company is subject to the payment of a withdrawal liability to these pension funds. The Company had a recorded liability of \$4.2 million and \$5.3 million which is reflected in accrued expenses as of November 29, 2014 and March 1, 2014, respectively, and is included as part of the net claims distribution. The Company is required to make quarterly distributions in the amount of \$0.2 million until this liability is completely paid to the multiemployer plan.

In accordance with minimum funding requirements and court ordered allowed claims distributions, the Company paid approximately \$2.4 million to the Syms sponsored plan and approximately \$2.8 million to the multiemployer plans from September 17, 2012 through November 29, 2014 of which \$0.7 million and \$1.2 million were funded during the thirty-nine weeks ended November 29, 2014 to the Syms sponsored plan and to the multiemployer plans, respectively.

Note 7 – Contingencies

The Company is a party to routine litigation incidental to its former business. Some of the actions to which the Company is a party are covered by insurance and are being defended or reimbursed by the Company's insurance carriers. Based on advice of counsel and available information and taking into account accruals where they have been established, management currently believes that any liabilities ultimately resulting from this routine litigation will not, individually or in the aggregate, have a material adverse effect on the Company's consolidated financial position or net assets (liquidation basis).

Note 8 – Income Taxes

Under liquidation basis accounting all future estimated taxes are accrued as of the reporting date net of the benefit expected to be derived from available net operating loss carry forwards (“NOLs”). Accordingly, it is not appropriate to record a separate deferred tax asset on the same NOLs. A valuation allowance of approximately \$83.7 million was recorded through March 2, 2013. The valuation allowance was reduced by approximately \$23.8 million during the fiscal year ended March 1, 2014 to \$59.9 million primarily due to the increase in the values of the Company’s real estate during the fiscal year ended March 1, 2014 and decreased by \$1.4 million during the thirty-nine weeks ended November 29, 2014 to \$58.5 million.

Note 9 – Related Party Transactions

Under the terms of the Plan, the Company is restricted from making any distributions, dividends or redemptions until after the former Majority Shareholder payments are made in full. The Certificate of Incorporation provides for a preferred series share, held by the former Majority Shareholder and which is pledged as security and held in escrow, entitling the former Majority Shareholder to control a majority of the Board of Directors if the former Majority Shareholder payments are not made by October 16, 2016, provided and conditioned upon the general unsecured claim satisfaction having occurred.

In addition, as part of the Plan, the former Majority Shareholder agreed to repay the Company \$1.6 million for all premiums paid by the Company on her behalf after the adoption of the Sarbanes-Oxley Act of 2002, as well as \$0.2 million for the net present value of pre-Sarbanes-Oxley premiums, for a total of \$1.8 million. At November 29, 2014 and March 1, 2014, the value of these premiums was recorded as an offset against the payment due under the Plan to the former Majority Shareholder on account of the redemption of the former Majority Shareholder's shares of Syms common stock. On October 1, 2013 the Company met its Plan obligation to pay the former Majority Shareholder \$10.7 million and has a remaining liability of \$7.1 million due to the former Majority Shareholder recorded on its Consolidated Statements of Net Assets as of November 29, 2014 and March 1, 2014.

Ms. Syms, the Company and Filene's, LLC also entered into an agreement in connection with the Plan whereby the rights to the "Syms" name and to any images of Ms. Syms and her family members were assigned to Ms. Syms. The impact of this provision of the Plan has been reflected in the estimated net realizable value of the trademarks within other assets as of November 29, 2014 and March 1, 2014.

Note 10 – Subsequent Events

Payment of Claims

In accordance with the Plan, the Company made additional payments through December 31, 2014 that constituted the full distributions payable to the then presently Allowed Claims (as defined in the Plan) to the holders of Syms Class 2B and Filene's Class 4, as defined in the Plan, in an aggregate amount of approximately \$7.5 million, of which payments were made from the Company's restricted cash balance as reported for the fiscal period ended November 29, 2014.

Motion filed with Bankruptcy Court

On December 31, 2014, the Company filed a motion (the "Motion") with the Court seeking the following from the Court:

authority to enter into a \$40 million loan facility, with the option if certain conditions are met, to add additional term loans not to exceed \$10 million to be provided by Sterling National Bank and Israel Discount Bank of New York and secured by the Trinity Place Property;

authority to develop, sell or otherwise transfer the Syms Owned Real Estate in whole or in part (as such term is defined in the Plan), including the Trinity Place Property, pursuant to the Plan and Findings of Fact, Conclusions of Law and Order Confirming the Modified Second Amended Joint Chapter 11 Plan of Reorganization of Syms Corp. and Its Subsidiaries (the "Confirmation Order");

authority to amend the certificate of incorporation of the Company to preserve the NOLs by virtue of certain restrictions on transfers of stock and stock ownership that may otherwise result in limitations on the NOLs;

confirmation that no mortgage recording, transfer, or similar taxes that may otherwise be incurred due to the transfer of any interest in Syms Owned Real Estate shall be due pursuant to section 1146 of Chapter 11 of the United States Code and the Confirmation Order.

The hearing on the Motion is scheduled for January 21, 2015. For more information on the Motion, see the Current Report on Form 8-K filed by the Company on December 31, 2014, which attaches a copy of the Motion, including the proposed loan facility and charter amendment, as Exhibit 10.1 thereto.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

When used in this Quarterly Report, the words "anticipate," "believe," "estimate," "expect," "intend," "plan," and similar expressions, as they relate to the Company or the management of the Company, identify forward-looking statements. Such statements reflect the current views of the Company with respect to future events, the outcome of which is subject to certain risks, including among others, the restrictions contained in the Plan and our certificate of incorporation, including restrictions that may be imposed as a result of certain voting and approval rights of the holder of our Series A preferred stock, the occurrence or lack thereof of some or all of the items contemplated by the Motion, the adequacy of reserves for Company operating expenses, the influence of certain majority stockholders, the Company's ability to use net operating loss carryforwards to offset future taxable income for U.S. federal income tax purposes, certain conflicts of interest as a result of certain of our directors having affiliations with certain of our stockholders, competition in the real estate business, the ability of the Company to comply with environmental or other laws, the risk of potential uninsured losses and/or claims, asset values, the outcome of litigation, general economic and market conditions, higher than anticipated costs, unanticipated difficulties which may arise with respect to the Company and other factors which may be outside the Company's control or that are not currently known to the Company. Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results or outcomes may vary materially from those contemplated by any forward looking statements. Subsequent written and oral forward-looking statements attributable to the Company or persons acting on its behalf are expressly qualified in their entirety by the cautionary statements in this paragraph and elsewhere described in this Quarterly Report and other reports filed with the SEC.

Disposition of Retail Operations; Implementation of Liquidation Accounting

Prior to November 2, 2011, all of the Company's and Filene's business operations consisted primarily of running retail operations. On November 2, 2011, Syms and its subsidiaries filed voluntary petitions for relief under Chapter 11 of the Bankruptcy Code. In response to the Chapter 11 filing, the Company implemented the liquidation basis of accounting effective on October 30, 2011, which was the beginning of the fiscal month closest to the petition date. The liquidation basis of accounting is appropriate when the liquidation of a company appears imminent and the net realizable value of its assets is reasonably determinable. Under this basis of accounting, assets and liabilities are stated at their net realizable value and estimated costs through the liquidation date are provided to the extent reasonably determinable.

Critical Accounting Policies and Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the appropriate application of certain accounting policies, many of which require us to make estimates and assumptions about future events and their impact on amounts reported in the consolidated financial statements and related notes. Since future events and their impact cannot be determined with certainty, the actual results will inevitably differ from the Company's estimates. Such differences could be material to the consolidated financial statements.

The Company believes that its application of accounting policies, and the estimates inherently required by the policies, are reasonable. These accounting policies and estimates are reevaluated periodically, and adjustments are made when facts and circumstances dictate a change. Historically, the Company has found the application of accounting policies to be appropriate, and actual results have not differed materially from those determined using necessary estimates.

The Company has identified certain significant accounting policies that have been applied to the Company's financial reporting after the adoption of liquidation basis of accounting. These policies are described below:

Accrued Liquidation Costs – Under the liquidation basis of accounting, management is required to make significant estimates and judgments regarding the anticipated costs of liquidation. These estimates are subject to change based upon work required for the claims settlement process, changes in market conditions and changes in the strategy surrounding the sale of properties. The Company reviews, on a quarterly basis, the estimated fair value of its assets and all other remaining operating expenses and contractual commitments such as payroll and related expenses, lease termination costs, professional fees, alternative minimum income taxes and other outside services to determine the estimated costs to be incurred during the liquidation period.

Pension Expense – The Company will terminate its pension plans. Under the liquidation basis of accounting, actuarial valuation analyses are prepared annually to determine the fair value, or termination value, of the plans. These valuations and the ultimate liability to settle the plans may result in adjustments driven by changes in assumptions due to market conditions. The liabilities related to these pension plans will be settled at the same payout percentage as all other unsecured creditor claims.

Long-Lived Assets – Real estate and other long-lived assets are recorded at estimated net realizable value based on valuations, purchase agreements and/or letters of intent from interested third parties, when available.

Income Taxes – To the extent that income taxes, including alternate minimum income taxes, are expected to be incurred as a result of the liquidation of the Company's properties, such costs are reflected in accrued expenses. As of November 29, 2014 and March 1, 2014 a total of \$1.2 million has been accrued. As part of the process of estimating income taxes to be incurred during the liquidation period, management has taken into consideration the extent to which NOLs are expected to be available to offset income otherwise taxable on the sale of properties. This involved a process of estimating the extent to which each property had a fair value in excess of its tax basis (a "built in gain") as of the date of emerging from bankruptcy on September 14, 2012. The Company has analyzed the impact of the change in control that occurred on September 14, 2012 when the Company emerged from bankruptcy could have on its ability to utilize its NOLs. While the analysis is complex and subject to subjective determinations and uncertainties, the Company believes that it should qualify for treatment under Section 382(1)(5) of the Internal Revenue Code of 1986, as amended (the "Code"). As a result, the Company believes that its NOLs are not currently subject to an annual limitation under Code Section 382 even though an "ownership change" (as defined under Code Section 382) occurred on September 14, 2012. Also, as a result of the passage of two years from emergence without a subsequent Section 382 ownership change, the pre-emergence federal NOLs will not be forfeited, although they would still become subject to an annual limitation, in the event of such an ownership change in the future.

Results of Operations

Edgar Filing: Trinity Place Holdings Inc. - Form 424B3

For an entity reporting under the liquidation basis of accounting, the entity is required to present a statement of net assets (which replaces a balance sheet), whereby the assets are reported at estimated realizable amounts and the liabilities are reported at estimated settlement amounts; and a statement of changes in net assets in liquidation (which replaces the statement of operations), which reports changes in estimated fair value and other adjustments recognized during the fiscal year.

Operating Activities for the Thirty-Nine Weeks Ended November 29, 2014

Certain information about the properties of the Company sold during the thirty-nine weeks ended November 29, 2014, including the proceeds generated, net of brokerage commissions and sale costs, is set forth below:

Property Location	Type of Property	Building Size (estimated square feet)	Net Proceeds (\$ in millions)	Date of Sale
Berwyn, PA	Short term property	69,000	\$ 3.0	April, 2014
Secaucus, NJ	Short term property	340,000	28.0	May, 2014
Williamsville, NY	Short term property	102,000	2.4	September, 2014
Total		511,000	\$ 33.4	

The liquidation basis of accounting requires management to make significant estimates and judgments. The Company adjusts its real estate assets to reflect the estimated net realizable value of the owned property. The net realizable value is estimated, by considering a number of factors and the views of multiple parties from various vantage points, including input from a third party valuation expert. As a result of the above sales transactions, the value of the Company's real estate assets decreased from \$157.7 million as of March 1, 2014 to \$123.0 million as of November 29, 2014. During the same thirty-nine week period, the Company used the aggregate net proceeds from asset sales to pay approximately \$22.5 million of allowed claims in accordance with the terms of the Plan, reducing the Company's liabilities under the Plan.

In addition to the sale transactions, the Company received an additional \$1.1 million in rents and other cash receipts during the thirty-nine weeks ended November 29, 2014. Subsequent to November 29, 2014, the Company paid \$7.5 million of allowed claims in accordance with the terms of the Plan, using the restricted cash balance as reported for the fiscal period ended November 29, 2014, reducing the Company's liabilities under the Plan.

The Company's cash operating costs and expenses for the thirty-nine weeks ended November 29, 2014 were approximately \$10.1 million, of which approximately \$5.8 million pertained to real estate related costs, \$2.8 million related to professional fees and \$1.5 million related to payroll costs. As previously noted, overhead expenses have exceeded the original projections and are outpacing the budgeted reserves, primarily due to professional fees; however the Company has obtained the consent of its Series A stockholder to an increase in operating reserves.

As of November 29, 2014, the net assets of the Company available to Common Shareholders was \$87.6 million, a slight decrease from \$88.5 million as of March 1, 2014, primarily due to an increase in the estimated costs of liquidation expenses. Total assets decreased from \$175.4 million at March 1, 2014 to \$140.8 million at November 29,

2014 primarily as a result of claims payments made in accordance with the Plan as well as payments of liquidation expenses from the proceeds received from the sales of properties during the period. Liabilities decreased approximately \$33.7 million primarily as a result of such payments.

The Company reviews, on a quarterly basis, the estimated fair value of its assets and all other remaining operating expenses and contractual commitments such as payroll and related expenses, lease termination costs, professional fees, alternative minimum income taxes and other outside services in order to determine the estimated costs to be incurred during the remaining liquidation period.

Liquidity and Capital Resources

As of November 29, 2014, the Company had total cash of \$16.6 million, of which approximately \$8.1 million was cash and cash equivalents and approximately \$8.5 million was restricted cash. As of March 1, 2014, the Company had total cash of \$15.3 million, of which approximately \$9.7 million was cash and cash equivalents and approximately \$5.6 million was restricted cash. The change in total cash during the period was primarily from the payment of Allowed Claims in accordance with the terms of the Plan, professional fees related to the Chapter 11 cases, the sales of properties, and the daily operations of the Company.

The Company believes that it would be able to fund its operations through net cash proceeds from property sales; however, the Plan imposes restrictions on the amount of operating expenses that the Company is allowed to incur and pay from such net cash proceeds. As previously discussed, the Company's \$5 million corporate overhead reserve initially contemplated by the Plan has been depleted, primarily due to greater than expected professional fees, and the Company has obtained the consent of the holder of the Company's Series A Preferred Stock, who has the sole authority to approve an increase in the operating reserves, to increase the corporate overhead reserve to \$11 million, subject to certain limitations and a reduction of up to approximately \$0.8 million if certain anticipated expenses are not incurred. Up to \$2.5 million of corporate overhead expenses previously paid by the Company from generally available cash will count toward and be reimbursed from the increased corporate overhead reserve following receipt of net cash proceeds from future property sales. In addition, during fiscal 2013, the Company raised \$13.0 million, net of \$0.5 million in offering costs, from the issuance of stock, which can be used to, among other things, fund overhead and other expenses. The Company believes through the sale of its assets and cash on hand, along with the possibility of additional equity and/or debt financing, it will have the cash necessary to satisfy its required claims distributions and operating activities as contemplated by the Plan. On December 31, 2014, the Company filed a Motion with the Court to approve, among other things, a proposed loan facility. For more information on the Motion, see Note 10 - Subsequent Events as well as the Current Report on Form 8-K filed by the Company on December 31, 2014, which attaches a copy of the Motion, including the proposed loan facility and charter amendments, as Exhibit 10.1 thereto.

Under the Plan, the proceeds of a common equity financing can be used to fund operating expenses in excess of the reserves and for other uses, while the proceeds of a debt financing, following the establishment of reserves, generally must be used to pay creditor claims.

Pursuant to the Plan, with limited exceptions, any Excess Cash (as defined in the Plan) from property sales not applied to fund operating expenses must be distributed in accordance with the priorities established in the Plan. Consistent with the terms of the Plan, the Company made payments to creditors and the former Majority Shareholder of \$33.7 million during the fiscal year ended March 1, 2014, \$22.5 million during the thirty-nine weeks ended November 29, 2014 and subsequently an additional \$7.5 million through December 31, 2014.

Net Operating Losses

The Company believes that the Rights Offering and the redemption of the Syms shares owned by the former Majority Shareholder that occurred in connection with the Company's emergence from bankruptcy on September 14, 2012 resulted in the Company undergoing an "ownership change," as that term is used in Section 382 of the Internal Revenue Code of 1986, as amended (the "Code"). However, the Company has analyzed the impact of such ownership change on its ability to utilize its NOLs, and while the analysis is complex and subject to subjective determinations and uncertainties, the Company believes that it should qualify for treatment under Section 382(l)(5) of the Code. As a result, the Company currently believes that its NOLs are not subject to an annual limitation under Code Section 382. However, if the Company were to undergo a subsequent ownership change in the future, the Company's NOLs could be subject to limitation under Code Section 382. The Company believes that its U.S. Federal NOLs as of the emergence date were approximately \$162.8 million and believes its U.S. Federal NOLs at November 29, 2014 are approximately \$189.5 million. As a result of the passage of two years from emergence without a subsequent Section 382 ownership change, the \$162.8 million of pre-emergence federal NOL's will not be forfeited, although they would still become subject to an annual limitation, in the event of such an ownership change in the future. Notwithstanding the above, even if all of the Company's regular U.S. Federal income tax liability for a given year is reduced to zero by virtue of utilizing its NOLs, the Company may still be subject to the U.S. Federal alternative minimum tax (which imposes a tax generally equal to the amount by which 20% of a corporation's alternative minimum taxable income exceeds the corporation's regular tax liability, and is calculated in a manner that may reduce the benefit of NOLs) and to state, local or other non-Federal income taxes.

Recent Accounting Pronouncements

There are no proposed or recently issued accounting standards that are expected to have a material impact on the Company.

Item 3. Quantitative and Qualitative Disclosures about Market Risk

Not Applicable.

Item 4. Controls and Procedures

a) Evaluation of Disclosure Controls and Procedures

The Company's management, with the participation of the Company's Chief Executive Officer (the "CEO") and Chief Financial Officer (the "CFO"), evaluated the effectiveness of the Company's disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) promulgated under the Exchange Act as of the end of the period covered by this Quarterly Report on Form 10-Q. Based on this evaluation, the CEO and CFO concluded that the Company's disclosure controls and procedures were effective as of the end of the period covered by this Quarterly Report on Form 10-Q, to ensure that information that is required to be disclosed by the Company in the reports it files or submits under the Exchange Act, is recorded, processed, summarized and reported, within the time periods specified in the SEC's rules and forms.

b) Changes in Internal Control Over Financial Reporting

There were no material changes in the Company's internal control over financial reporting during the thirteen week period ended November 29, 2014, that materially affected, or are reasonably likely to materially affect, the Company's internal control over financial reporting.

Part II. Other Information

Item 1. Legal Proceedings

The Company is a party to routine legal proceedings, which are primarily incidental to its former business. Some of the actions to which the Company is a party are covered by insurance and are being defended or reimbursed by the Company's insurance carriers. Based on advice of counsel and available information and taking into account accruals where they have been established, management currently believes that any liabilities ultimately resulting from this routine litigation will not, individually or in the aggregate, have a material adverse effect on the Company's consolidated financial position or net assets (liquidation basis). Additionally, as discussed in Item 1, the Company operates under the Plan that was approved in connection with the resolution of the Chapter 11 cases involving Syms and its subsidiaries.

On May 8, 2012, the Company filed a motion with the Court for the entry of an order approving the Company's assumption of the lease for the property located at One Syms Way, Secaucus, New Jersey. The landlord asserted a cure claim of approximately \$3.5 million, plus attorneys' fees and costs. The Company contested all but approximately \$5,000 of that amount. On February 19, 2013, the Court ruled that the cure claim should be reduced and allowed at approximately \$1.25 million, but reserved ruling on the claims for attorneys' fees and a relatively minor rent issue. Based on an agreement with the landlord in July 2013, the Company established a reserve of \$1.25 million for the potential payment of cure claims associated with assumption of the lease, which reserve had been accrued as a liability as of March 2, 2013.

On March 24, 2014, the Company filed a motion to assume, assign, and sell the Secaucus Lease to ASG Equities Secaucus LLC ("ASG"), which offer was subsequently increased by ASG to \$29 million plus the release of the cure claims reserve held by the Company on account of a dispute with the Company's landlord (the "ASG Motion"). As a result of the ASG Motion, the liability was removed as of March 1, 2014. On April 29, 2014, over the objection of the Company's landlord, the Bankruptcy Court approved the Company's decision to assume, assign, and sell the Secaucus Lease to ASG, as the highest and best offer for the Secaucus Lease (the "Approval Order"), subject to certain conditions. On April 30, 2014, the landlord filed a motion requesting the Bankruptcy Court to reconsider the Approval Order. Following additional negotiations, the Company, the landlord, and ASG settled the landlord's objections to the Approval Order. As a consequence, on May 16, 2014, the Bankruptcy Court entered an amended Approval Order (the "Amended Approval Order") approving the settlement and the sale of the Secaucus Lease to ASG. Pursuant to the Amended Approval Order, the sale of the Secaucus Lease to ASG closed on May 20, 2014.
