## **Item 1.01 Entry Into a Material Definitive Agreement.**

### *Entry into Second Amended and Restated Credit Agreement*

On April 24, 2015, Lumber Liquidators Holdings, Inc. (the “Company”) and its domestic subsidiaries, including Lumber Liquidators, Inc. (“LLI”) and Lumber Liquidators Services, LLC (“LL Services” and, collectively with LLI, the “Borrowers”), entered into a Second Amended and Restated Credit Agreement (the “Credit Agreement”) with Bank of America, N.A. as administrative agent, collateral agent and lender (the “Bank”). The Credit Agreement amended and restated the Amended and Restated Revolving Credit Agreement that was entered into between Lumber Liquidators, Inc. and the Bank on February 21, 2012 and amended on March 27, 2015 (the “Existing Revolver”). Under the Credit Agreement, the Bank increased the maximum amount of borrowings under the revolving credit facility (the “Revolving Credit Facility”) from \$50 million under the Existing Revolver to \$100 million (but subject to the borrowing base described below). The Borrowers also have the option to increase the Revolving Credit Facility up to a maximum of \$175 million subject to the satisfaction of the conditions to such increase specified in the Credit Agreement.

The payment and performance of the Borrowers’ obligations under the Revolving Credit Facility (as well as certain cash management and bank product obligations that may be owing to the Bank or its affiliates by any of the Borrowers or the Guarantors described below) are guaranteed by the Company and its other domestic subsidiaries other than LLI and LL Services (collectively, together with the Company, the “Guarantors”) and are secured by first-priority security interests in all of the Borrowers’ and Guarantors’ inventory, accounts receivable, credit card receivables, deposit accounts, securities accounts containing proceeds of inventory or receivables, and certain related general intangibles, insurance proceeds, letters of credit and letter of credit rights, commercial tort claims, chattel paper, instruments, supporting obligations, documents, investment property and payment intangibles of the Borrowers and the Guarantors, and the proceeds of any of the foregoing, and all books and records of the Borrowers and the Guarantors relating to any of the foregoing.

The Revolving Credit Facility matures on April 24, 2020. The Borrowers’ right to obtain any loan or letter of credit under the Revolving Credit Facility is subject to their compliance with customary funding conditions as specified in the Credit Agreement, including that all representations and warranties of the Borrowers and the Guarantors in the Credit Agreement and related loan or collateral documents must be true and correct in all material respects, no default or event of default may then exist under the Credit Agreement (both before and after giving effect to each credit extension under it), and that the total outstanding loans and letters of credit may not exceed the maximum aggregate amount of credit permitted to be outstanding under the Credit Agreement after giving effect to the new loan or letter of credit.

The Revolving Credit Facility is available to the Borrowers up to the lesser of (1) \$100 million or (2) a borrowing base equal to the sum of specified percentages of the Borrowers’ eligible credit card receivables and eligible inventory in the United States (the percentages and eligibility requirements for the borrowing base are specified in the Credit Agreement), less certain reserves established by the Bank in accordance with the terms of the Credit Agreement.

Edgar Filing: Lumber Liquidators Holdings, Inc. - Form 8-K

Letters of credit are subject to a sublimit of \$20 million under the Credit Agreement, an increase from \$10 million under the Existing Revolver. The Credit Agreement requires prepayment of the loans under the Revolving Credit Facility and cash collateralization of the letters of credit outstanding under the Revolving Credit Facility if and to the extent that the aggregate outstanding amount of such loans and letters of credit exceed the maximum amount then permitted to be outstanding under the terms of the Credit Agreement.

The Credit Agreement generally maintains the interest rates and fees of the Existing Revolver. Loans outstanding under the Revolving Credit Facility can bear interest based on the Base Rate or the LIBOR Rate, each as defined in the Credit Agreement. Interest on Base Rate loans is charged at varying per annum rates computed by applying a margin ranging from 0.125% to 0.375% over the Base Rate (which is defined in the Credit Agreement as the greatest of the Bank's prime rate, a specified federal funds rate plus 0.50%, or the one-month LIBOR Rate plus 1.00%), depending on the Borrowers' average daily excess borrowing availability under the Revolving Credit Facility during the most recently completed fiscal quarter. Interest on LIBOR Rate loans and fees for standby letters of credit are charged at varying per annum rates computed by applying a margin ranging from 1.125% to 1.375% over the applicable LIBOR Rate (for one, two, three or six month interest periods as selected by the Borrowers) depending on the Borrowers' average daily excess borrowing availability under the Revolving Credit Facility during the most recently completed fiscal quarter. The Borrowers also pay a fee for each commercial letter of credit that is issued under the Revolving Credit Facility at the rate that is one-half of the rate then used to compute fees for standby letters of credit under the Revolving Credit Facility. In addition, the Borrowers pay an unused commitment fee of 0.15% per annum on the average daily unused amount of the Revolving Credit Facility during the most recently completed fiscal quarter. Interest on Base Rate loans and all letter of credit fees are payable quarterly and interest on each LIBOR Rate loan is payable at the end of the loan's interest period (but not less frequently than quarterly). In the event there is ever more than one lender under the Revolving Credit Facility, the Borrowers also will pay a fronting fee for each letter of credit issued thereunder at a rate to be mutually agreed by the Borrowers and the letter of credit issuer (but not to exceed 0.125% per annum). If an event of default exists under the Credit Agreement, the Bank may increase the rates used to compute interest on loans and fees for letters of credit by two percentage points (2.00%).

The Credit Agreement contains a financial covenant to maintain a fixed charge coverage ratio of at least 1.0 to 1.0, calculated quarterly on a trailing four quarters basis, that becomes effective only when specified availability under the Revolving Credit Facility falls below the greater of \$10 million or 10% of the maximum revolver amount. The Credit Agreement also contains a number of covenants that, among other things, grant certain inspection rights to the Bank and limit or restrict the Company's cash management and the ability of the Company and its subsidiaries to incur additional liens; make acquisitions or investments; incur additional indebtedness; engage in mergers, consolidations, liquidations, dissolutions or dispositions; pay dividends or other restricted payments; prepay certain indebtedness; engage in transactions with affiliates; and use proceeds. The Credit Agreement contains customary events of default. If an event of default occurs, the lenders are entitled to accelerate the advances made thereunder and exercise rights against the collateral.

As of April 24, 2015, a total of \$20,871,000 of loans and letters of credit were outstanding under the Revolving Credit Facility.

The foregoing description of the Credit Agreement is qualified in its entirety by reference to the full text of the Credit Agreement, which has been filed with this Current Report on Form 8-K as Exhibit 10.1 and is incorporated herein by reference.
