Item 1.01. Entry into a Material Definitive Agreement.

On December 11, 2017, Sorrento Therapeutics, Inc. (the “Company”) entered into a Securities Purchase Agreement (the “Securities Purchase Agreement”) with certain accredited investors (collectively, the “Purchasers”), pursuant to which, among other things, the Company agreed to issue and sell to the Purchasers, in a private placement transaction (the “Private Placement”), (1) convertible promissory notes in an aggregate principal amount of \$50,000,000 (the “Notes”), which will accrue simple interest at a rate equal to 5.0% per annum and mature upon the earlier to occur of (a) the date that is five years from the date of issuance, and (b) the date of the closing of a change in control of the Company (the “Maturity Date”), and (2) warrants to purchase shares of the common stock of the Company, par value \$0.0001 per share (“Common Stock”). Upon the closing of the Private Placement (the “Closing”), the Company will issue to each Purchaser (1) a Note with a face value equal to the amount of the Purchaser’s investment, and (2) a warrant to purchase such number of shares of Common Stock as is equal to 55% of the number of shares of Common Stock into which such Purchaser’s Note is initially convertible (each, a “Warrant”). The aggregate number of shares Common Stock issuable upon exercise of the Warrants will be 12,121,210 shares.

At any time and from time to time before the Maturity Date, each Purchaser shall have the option to convert any portion of the outstanding principal amount of such Purchaser’s Note into shares of Common Stock at a price per share of \$2.26875, subject to adjustment for stock splits, reverse stock splits, stock dividends and similar transactions. Accrued but unpaid interest on the Notes shall be paid in cash semi-annually in arrears on or prior to the 30th day of June or 31st day of December of each calendar year commencing with the year ending December 31, 2018. If a Purchaser elects to convert any of the principal amount of their Note, then all accrued but unpaid interest on such portion of the principal amount shall become due and payable in cash.

Each Warrant will have an exercise price of \$2.61 per share, subject to adjustment for stock splits, reverse stock splits, stock dividends and similar transactions, will become exercisable on the date that is 181 days following the date of the Closing, will have a term of five and a half years from the date of issuance and will be exercisable on a cash basis, unless there is not an effective registration statement covering the resale of the shares issuable upon exercise of the Warrants (the “Warrant Shares”), in which case the Warrants shall also be exercisable on a cashless exercise basis.

In connection with the Private Placement, at the Closing, the Company and the Purchasers will enter into a Registration Rights Agreement (the “Registration Rights Agreement”) pursuant to which, among other things, the Company will agree to prepare and file one or more registration statements with the Securities and Exchange Commission (the “SEC”) for the purpose of registering for resale the shares of Common Stock issuable upon conversion of the Notes (the “Note Shares”) and the Warrant Shares. Under the Registration Rights Agreement, the Company will agree to file a registration statement with the SEC registering all of the Note Shares and the Warrant Shares for resale by no later than the date 45 days after the closing of the transactions contemplated by the Securities Purchase Agreement.

Edgar Filing: Sorrento Therapeutics, Inc. - Form 8-K

In addition, the Notes contain restrictive covenants and event of default provisions that are customary for transactions of this type.
