**Item 1.01**

**Entry into a Material Definitive Agreement.**

On June 22, 2018, Charles & Colvard, Ltd. (the “Company”) amended its Exclusive Supply Agreement (the “Supply Agreement”) with Cree, Inc. (“Cree”), pursuant to a First Amendment to Exclusive Supply Agreement (the “Amendment”).

Pursuant to the terms of the Supply Agreement, which was set to expire on June 24, 2018, the Company agreed to exclusively purchase from Cree, and Cree agreed to exclusively supply, 100% of the Company’s requirements for silicon carbide (SiC) materials in quarterly installments that must equal or exceed a set minimum order quantity and certain specifications. The Amendment extends the term of the Supply Agreement until June 25, 2023, and provides the Company with one option, subject to certain conditions, to unilaterally extend the term of the Supply Agreement for an additional two-year period following the expiration of the initial term. In addition, the Amendment establishes a process by which Cree may begin producing different SiC material based on the Company’s specifications, and permits the Company to purchase certain amounts of SiC materials from third parties under limited conditions.

The Company’s total purchase commitment under the Amendment from July 2018 until June 2023 is approximately \$52.9 million.

The foregoing description of the Amendment does not purport to be complete and is qualified in its entirety by reference to the Amendment, a copy of which is filed as Exhibit 10.1 to this Form 8-K and is incorporated herein by reference. A copy of the press release announcing the Amendment is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
