Record Date and Share Ownership

Stockholders of record at the close of business on February 11, 2005 (the Record Date) are entitled to notice of and to vote at the meeting and at any adjournment(s) thereof. At the Record Date, 30,664,387 shares of our Common Stock, \$0.01 par value, were issued and outstanding.

Revocability of Proxies

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use (i) by delivering to us at our principal offices (Attention: Scott H. Miller, Senior Vice President and General Counsel) a written notice of revocation or a duly executed proxy bearing a later date or (ii) by attending the meeting and voting in person. Please note, however, that if your shares are held of record by a broker, bank or other nominee and you wish to vote at the meeting, you must obtain a proxy issued in your name from that record holder.

Attendance at the Annual Meeting

All stockholders of record as of the Record Date may attend the Annual Meeting. Please note that cameras, recording devices and other electronic devices will not be permitted at the Annual Meeting. No items will be allowed into the Annual Meeting that might pose a concern for the safety of those attending.

Voting and Costs of Solicitation

On all matters, other than the election of directors, each share has one vote. See Election of Directors Vote Required for a description of your cumulative voting rights with respect to the election of directors.

If you are a stockholder of record as of the Record Date, you may vote in person at the Annual Meeting, vote by proxy using the enclosed proxy card, vote by proxy over the telephone or vote by proxy on the Internet. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy to ensure your vote is counted. As stated above, you may still attend the Annual Meeting and vote in person if you have already voted by proxy.

To vote in person: Come to the Annual Meeting and we will give you a ballot at the time of voting;

To vote using the proxy card: Simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, the designated proxies will vote your shares as you direct;

To vote over the telephone: Dial toll-free 1-800-690-6903 using a touch-tone phone and follow the recorded instructions. You will be asked to provide the control number from the enclosed proxy card. Your vote must be received by 11:59 P.M. Eastern Time on April 6, 2005 to be counted.

To vote on the Internet: go to www.proxyvote.com to complete an electronic proxy card. You will be asked to provide the control number from the enclosed proxy card. Your vote must be received by 11:59 P.M. Eastern Time on April 6, 2005 to be counted.

If you return a signed and dated proxy card without marking any voting directions, your shares will be voted:

Edgar Filing: COHERENT INC - Form DEF 14A

For the election of all nine nominees for director, provided that in the event cumulative voting occurs, the proxy holders will cumulate votes using their judgment so as to have as many of the nominees set forth herein elected as director; and

For ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending October 1, 2005.

If any other matter is properly presented at the Annual Meeting, your proxy holders (one of the individuals named on your proxy card) will vote your shares in their discretion.

The cost of this solicitation will be borne by us. We may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation material to such beneficial owners. In addition, proxies may be solicited by certain of our directors, officers and regular employees, without additional compensation, personally or by telephone or facsimile.

Quorum; Abstentions; Broker Non-Votes

Our Bylaws provide that stockholders holding a majority of the shares of Common Stock issued and outstanding and entitled to vote on the Record Date shall constitute a quorum at meetings of stockholders. Votes will be counted by the inspector of election appointed for the annual meeting, who will separately count For and (with respect to proposals other than the election of directors) Against votes, abstentions and broker non-votes. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received instructions with respect to that proposal from the beneficial owner. Abstentions will be counted towards the vote total for each proposal, and will have the same effect as Against votes. Because directors are elected by a plurality vote, abstentions in the election of directors have no impact once a quorum exists. Broker non-votes have no effect and will not be counted towards the vote total for any proposal, but will be counted for purposes of determining the presence or absence of a quorum for the transaction of business.

If you hold shares in your name, and you sign and return a proxy card without giving specific voting instructions, your shares will be voted as recommended by our Board on all matters and as the proxy holders may determine in their discretion with respect to any other matters that properly come before the meeting.

Deadline for Receipt of Stockholder Proposals

Proposals of stockholders that are intended to be presented by such stockholders at the 2006 Annual Meeting must be received by us no later than the close of business on the 60th day nor earlier than the close of business on the 90th day prior to the 2006 Annual Meeting and must otherwise be in compliance with applicable laws and regulations in order to be considered for inclusion in the proxy statement and form of proxy relating to that meeting.

The attached proxy card grants to the proxy holders discretionary authority to vote on any matter raised at the Annual Meeting of Stockholders. Any stockholder may present a matter from the floor for consideration at a meeting so long as certain procedures are followed. Under the federal securities laws, for such a matter to be deemed properly presented by a stockholder at our 2006 Annual Meeting, timely notice must be delivered to us at our principal executive offices to the attention of Scott H. Miller, our Senior Vice President and General Counsel, not later than November 7, 2005. Any notice of such a stockholder proposal delivered to us after such date will be deemed untimely.

Delivery of Voting Materials to Stockholders Sharing an Address

To reduce the expense of delivering duplicate voting materials to our stockholders who may have more than one Coherent stock account, we are delivering only one set of the proxy solicitation materials to certain stockholders who share an address, unless otherwise requested. A separate proxy card is included in the voting materials for each of these stockholders. We will promptly deliver, upon written or oral request, a separate copy of the annual report or this proxy statement to a stockholder at a shared address to which a single copy of the documents was delivered. To obtain an additional copy, you may write us at 5100 Patrick Henry Drive, Santa Clara, California 95054, Attn: Investor Relations.

Further Information

We will provide without charge to each stockholder solicited by these proxy solicitation materials a copy of Coherent's Annual Report on Form 10-K for the fiscal year ended October 2, 2004 without exhibits and all amendments thereto on Form 10-K/A upon request of the stockholder made in writing to Coherent, Inc., 5100 Patrick Henry Drive, Santa Clara, California 95054, Attn: Investor Relations. We will also furnish any exhibit to the Annual Report on Form 10-K if specifically requested. You can also access our Securities and Exchange Commission (SEC) filings, including our Annual Report on Form 10-K and all amendments thereto filed on Form 10-K/A, on the SEC website at www.sec.gov.

PROPOSAL ONE ELECTION OF DIRECTORS

Nominees

Nine (9) members of our Board of Directors are to be elected at the Annual Meeting of Stockholders. Unless otherwise instructed, the proxy holders will vote the proxies received by them for the nominees named below. Each nominee has consented to be named a nominee in the proxy statement and to continue to serve as a director if elected. If any nominee becomes unable or declines to serve as a director, if additional persons are nominated at the meeting or if stockholders are entitled to cumulate votes, the proxy holders intend to vote all proxies received by them in such a manner (in accordance with cumulative voting) as will ensure the election of as many of the nominees listed below as possible, and the specific nominees to be voted for will be determined by the proxy holders.

We are not aware of any reason that any nominee will be unable or will decline to serve as a director. The term of office of each person elected as a director will continue until the next Annual Meeting of Stockholders or until a successor has been elected and qualified or until his earlier resignation or removal. Independence of the Board of Directors

The Board of Directors has determined that all directors other than Dr. Couillaud, Dr. Ambroseo and Mr. Quillinan are independent directors as defined in the listing standards of the NASDAQ Stock Market.

Board Meetings and Committees

The Board of Directors held a total of five (5) meetings during the fiscal year ended October 2, 2004. No director serving during such fiscal year attended fewer than 75% of the aggregate of all meetings of the Board of Directors and the committees of the Board upon which such director served. The Board of Directors has three standing committees: the Audit Committee, the Compensation Committee and the Governance and Nominating Committee. All directors are also encouraged, but not required to attend our Annual Meeting of Stockholders. All of the then current members of the Board of Directors attended last year's Annual Meeting of Stockholders.

The Audit Committee of the Board of Directors consists of directors Cantoni, Tomlinson and Gauthier. The Audit Committee held eight (8) meetings during the last fiscal year. Among other things, the Audit Committee has the sole authority for appointing and supervising our independent registered public accounting firm and is primarily responsible for approving the services performed by our independent registered public accounting firm and for reviewing and evaluating our accounting principles and our system of internal accounting controls. All of the members of the Audit Committee are independent as defined under rules promulgated by the SEC and qualify as independent directors under the marketplace rules of the Nasdaq Stock Market for Audit Committee members. The Board has determined that directors Cantoni, Tomlinson and Gauthier are audit committee financial experts as that term is defined in Item 401(h) of Regulation S-K of the Securities Act of 1933, as amended. A copy of the Audit Committee's charter was included as an appendix to our proxy statement for the year ended September 28, 2002. A copy of the Audit Committee charter, including any updates thereto, is available on our website at www.coherent.com.

The Compensation Committee of the Board of Directors consists of directors Hart, Rogerson and Tomlinson and held two (2) meetings during the last fiscal year. The Compensation Committee reviews and approves our executive compensation policy and grants stock options to our employees, including officers, pursuant to our stock option plans. All of the members of the Compensation Committee are independent as defined under the marketplace rules of the Nasdaq Stock Market.

The Governance and Nominating Committee consists of directors Cantoni, Hart and Gauthier. The Governance and Nominating Committee held two (2) meetings during the last fiscal year. The Governance and Nominating Committee reviews and approves nominees for positions as directors. All of the members of the Governance and Nominating Committee are independent as defined under the marketplace rules of the Nasdaq Stock Market. The Governance and Nominating Committee charter is available on our website at www.coherent.com.

The Governance and Nominating Committee will consider nominees recommended by stockholders. A stockholder that desires to recommend a candidate for election to the Board of Directors shall direct the recommendation in writing to us at our principal offices (Attention: Scott H. Miller, Senior Vice President and General Counsel), and must include the candidate's name, home and business contact information, detailed biographical data and qualifications, information regarding any relationships between the candidate and us within the last three years, evidence of the nominating person's ownership of our Common Stock, a written indication by the candidate of her or his willingness to serve if elected, and a written statement in support of the candidate including comments as to the candidate's character, judgment, age, business experience and other commitments. For a stockholder recommendation to be considered by the Governance and Nominating Committee as a potential candidate at an annual meeting, nominations must be received on or before the deadline for receipt of stockholder proposals. In the event a stockholder

Edgar Filing: COHERENT INC - Form DEF 14A

decides to nominate a candidate for director and solicits proxies for such candidate, the stockholder will need to follow the rules set forth by the SEC. See Information Concerning Solicitation and Voting Deadline for Receipt of Stockholder Proposals.

The Governance and Nominating Committee's criteria and process for evaluating and identifying the candidates that it approves as director nominees, are as follows:

the Governance and Nominating Committee regularly reviews the current composition and size of the Board of Directors;

the Governance and Nominating Committee reviews the qualifications of any candidates who have been properly recommended by a stockholder, as well as those candidates who have been identified by management, individual members of the Board of Directors or, if the Governance and Nominating Committee determines, a search firm. Such review may, in the Governance and Nominating Committee's discretion, include a review solely of information provided to the Governance and Nominating Committee or may also include discussions with persons familiar with the candidate, an interview with the candidate or other actions that the Governance and Nominating Committee deems proper;

the Governance and Nominating Committee shall evaluate the performance of the Board as a whole and evaluate the performance and qualifications of individual members of the Board of Directors eligible for re-election at the annual meeting of stockholders;

the Governance and Nominating Committee considers the suitability of each candidate, including the current members of the Board of Directors, in light of the current size and composition of the Board of Directors. Except as may be required by rules promulgated by Nasdaq or the SEC, it is the current belief of the Governance and Nominating Committee that there are no specific, minimum qualifications that must be met by any candidate for the Board of Directors, nor are there specific qualities or skills that are necessary for one or more of the members of the Board of Directors to possess. In evaluating the qualifications of the candidates, the Committee considers many factors, including, issues of character, judgment, independence, age, expertise, diversity of experience, length of service, other commitments and the like. The Governance and Nominating Committee evaluates such factors, among others, and does not assign any particular weighting or priority to any of these factors. The Governance and Nominating Committee considers each individual candidate in the context of the current perceived needs of the Board of Directors as a whole. While the Governance and Nominating Committee has not established specific minimum qualifications for director candidates, the Governance and Nominating Committee believes that candidates and nominees must reflect a Board of Directors that is comprised of directors who (i) are predominantly independent, (ii) are of high integrity, (iii) have qualifications that will increase the overall effectiveness of the Board of Directors, and (iv) meet other requirements as may be required by applicable rules, such as financial literacy or financial expertise with respect to audit committee members;

in evaluating and identifying candidates, the Governance and Nominating Committee has the authority to retain and terminate any third party search firm that is used to identify director candidates, and has the authority to approve the fees and retention terms of any search firm; and

7

after such review and consideration, the Governance and Nominating Committee recommends the slate of director nominees, and the independent directors of the Board of Directors approve the final slate.

The Governance and Nominating Committee will endeavor to notify, or cause to be notified, all director candidates, including those recommended by a stockholder, of its decision as to whether to nominate such individual for election to the Board of Directors.

Stockholder Communication with the Board of Directors

We believe that management speaks for Coherent. Any stockholder may contact any of our directors by writing to them by mail c/o Scott H. Miller, Senior Vice President and General Counsel at our principal executive offices, the address of which appears on the cover of this proxy statement.

Any stockholder may report to us any complaints regarding accounting, internal accounting controls, or auditing matters. Any stockholder who wishes to so contact us should send such complaints to the Audit Committee c/o Scott H. Miller, Senior Vice President and General Counsel at our principal executive offices, the address of which appears on the cover of this proxy statement.

Edgar Filing: COHERENT INC - Form DEF 14A

Any stockholder communications that the Board of Directors is to receive will first go to our Senior Vice President and General Counsel, who will log the date of receipt of the communication as well as the identity and contact information of the correspondent in our stockholder communications log.

Our Senior Vice President and General Counsel will review, summarize and, if appropriate, investigate the complaint under the direction of the appropriate committee of the Board of Directors in a timely manner. A member of the Audit Committee, or the Audit Committee as a whole, will then review the summary of the communication, the results of the investigation, if any, and, if appropriate, the draft response. The summary and response will be in the form of a memo, which will become part of the stockholder communications log that the General Counsel maintains with respect to all stockholder communications.

Director Compensation

In fiscal year 2004, members of the Board of Directors who were not employees of the Company received \$20,000 plus \$2,000 per board meeting attended plus \$1,000 per committee meeting attended. The Chairman of the Audit Committee received \$3,000 per Audit Committee meeting attended. All members of the Board of Directors who were not employees of the Company were reimbursed for their expenses incurred in attending such meetings.

The Company's 1990 Directors' Stock Option Plan (the "Directors' Option Plan") was adopted by the Board of Directors on December 8, 1989 and was approved by the stockholders on March 29, 1990. The Directors' Option Plan terminated on December 8, 1999 and no further options will be granted under this plan.

Two non-employee directors each have been granted options to purchase 65,000 shares of the Company's common stock under the Directors' Option Plan at a weighted average exercise price of \$11.62 per share. One non-employee director has been granted options to purchase 30,000 shares of the Company's common stock under such plan at a weighted average exercise price of \$21.33 per share. As of the fiscal year ended October 2, 2004, options have been granted to purchase 295,000 shares under the Directors' Option Plan.

The Company's 1998 Directors' Stock Option Plan (the "1998 Directors' Plan") was adopted by the Board of Directors on November 24, 1998 and was approved by the stockholders on March 17, 1999. The 1998 Directors' Plan was amended by the stockholders on March 23, 2003. As of February 7, 2005, 90,000 shares were reserved for issuance thereunder. Under the terms of the 1998 Directors' Plan, the number of shares reserved for issuance thereunder is increased each year by the number of shares necessary to restore the total number of shares reserved to 150,000 shares. The 1998 Directors' Plan replaced the Directors' Option Plan which expired on December 8, 1999. The 1998 Directors' Plan provides for the automatic and non-discretionary grant of a non-statutory stock option to purchase 30,000 shares of the Company's common stock to each non-employee director on the date on which such

8

person becomes a director. Thereafter, each non-employee director will be automatically granted a non-statutory stock option to purchase 12,000 shares of common stock on the date of and immediately following each Annual Meeting of Stockholders at which such non-employee director is reelected to serve on the Board of Directors, if, on such date, he or she has served on the Board for at least three months. Such plan provides that the exercise price shall be equal to the fair market value of the common stock on the date of grant of the options.

Three non-employee directors have each been granted options to purchase 48,000 shares of the Company's common stock under such plan at a weighted average exercise price of \$30.32 per share. One non-employee director has been granted options to purchase 63,000 shares of the Company's common stock under such plan at a weighted average exercise price of \$34.63 per share. One non-employee director has been granted options to purchase 30,000 shares of the Company's common stock under such plan at a weighted average exercise price of \$26.70 per share. Three non-employee directors have been granted options to purchase 42,000 shares of the Company's common stock under such plan at a weighted average exercise price of \$24.74 per share. As of the fiscal year ended October 2, 2004, options have been granted to purchase an aggregate of 404,000 shares under the 1998 Directors' Plan.

Vote Required

Every stockholder voting for the election of directors may cumulate such stockholder's votes and give one candidate a number of votes equal to the number of directors to be elected multiplied by the number of votes to which the stockholder's shares are entitled. Alternatively, a stockholder may distribute his or her votes on the same principle among as many candidates as the stockholder thinks fit, provided that votes cannot be cast for more than nine candidates. However, no stockholder shall be entitled to cumulate votes for a candidate unless (i) such candidate's name has been properly placed in nomination for election at the Annual Meeting prior to the voting and (ii) the stockholder, or any other stockholder, has given notice at the meeting prior to the voting of the intention to cumulate the stockholder's votes. If cumulative voting occurs at the meeting and you do not specify how to distribute your votes, your proxy holders (the individuals named on your proxy card) will cumulate votes using their judgment.

If a quorum is present, the nine nominees receiving the highest number of votes will be elected to the Board of Directors. See Information Concerning Solicitation and Voting Quorum; Abstentions; Broker Non-Votes.

PROPOSAL TWO RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

In other cases, the Chairman of the Audit Committee has the delegated authority from the Committee to pre-approve certain additional services, and such pre-approvals are communicated to the full Committee at its next meeting. During fiscal year 2004, 100% of the services were pre-approved by the Audit Committee in accordance with this policy.

Stockholder ratification of the selection of Deloitte as our independent registered public accounting firm is not required by our Bylaws or other applicable legal requirement. However, the Audit Committee is submitting the selection of Deloitte to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee may reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee at its discretion may direct the appointment of a different independent accounting firm at any time during the year if it determines that such a change would be in our best interests and the best interests of our stockholders.

Vote Required

The affirmative vote of a majority of the Votes Cast will be required to ratify the selection of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending October 1, 2005.

- (1) The Company's 1995 Stock Plan and 2001 Stock Plan (collectively, the "Option Plans") provide for the grant of options, stock purchase rights, stock appreciation rights, performance shares, performance units and deferred stock units to officers, employees and consultants of the Company. Options granted under the Option Plans may be either nonstatutory options or incentive stock options. The exercise price is determined by the Board of Directors or its Compensation Committee and, in the case of incentive stock options, may not be less than 100% of the fair market value of the common stock on the date of grant (110% in the case of grants to 10% shareholders). The options expire not more than six years from the date of grant and may be exercised only while the optionee is employed by the Company or within such period of time after termination of employment as is determined by the Board or its Committee at the time of grant. The Board of Directors may determine when options granted may be exercisable.
- (2) The Company granted options to purchase an aggregate of 508,850 shares to all employees other than executive officers and granted options to purchase an aggregate of 385,000 shares to all executive officers as a group (7 persons), during fiscal 2004.
- (3) This column sets forth hypothetical gains or "option spreads" for the options at the end of their respective ten-year terms, as calculated in accordance with the rules of the SEC. Each gain is based on an arbitrarily assumed annualized rate of compound appreciation of the market price at the date of grant of 5% and 10% from the date the option was granted to the end of the option term. The 5% and 10% rates of appreciation are specified by the rules of the SEC and do not represent the Company's estimate or projection of future common stock prices. The Company does not necessarily agree that this method properly values an option. Actual gains, if any, on option exercises are dependent on the future performance of the Company's common stock and overall market conditions.

Employee Stock Purchase Plan

The Company's Employee Stock Purchase Plan (the "Purchase Plan") was adopted by the Board of Directors and approved by the stockholders in 1980. A total of 6,325,000 shares of common stock have been reserved under the Purchase Plan, and as of the end of fiscal year 2004, 714,274 shares of common stock remained available for issuance thereunder. Eligible employees may authorize payroll deductions up to 10% of their regular base salary to purchase shares at the lower of 85% of the fair market value of the common stock on the date of commencement of the offering or on the last day of the six-month offering period.

Change of Control Severance Plan

On February 17, 2005, the Board of Directors amended and restated the Change of Control Severance Plan (the "Change of Control Severance Plan"). Eligibility in the Change of Control Severance Plan is limited to the Chief Executive Officer (the "CEO"), Vice-Presidents who are officers of the Company (the "Officer Vice-Presidents") and certain Vice-Presidents who are not considered officers of the Company (the "Non-Officer Vice-Presidents" and, together with the CEO and the Officer Vice-Presidents, the "Participants"). The Change of Control Severance Plan provides certain cash severance, vesting acceleration and health insurance benefits to Participants in the event that any such Participant's employment is terminated, either voluntarily or involuntarily, other than for cause or good reason within two years of a change of control of the Company. For additional information, refer to Exhibit 10.14 on Form 10-K/A, Amendment No. 3, filed with the Securities and Exchange Commission on February 23, 2005.

CERTAIN TRANSACTIONS

The following table sets forth information with respect to all executive officers and directors of the Company who had indebtedness outstanding during the past fiscal year. This indebtedness arose as a result of the delivery of promissory notes in connection with the exercise of stock options:

Name	New Loans During 2004	Interest Rates	Maturity Date(s)	Largest Amount Outstanding During 2004 (1)	Balance at October 2, 2004
John Ambroseo, PhD		4.75%	1/25/07	\$496,330	\$496,330
		8.00%	2/15/08	50,000(2)	40,000
Scott Miller		6.40-6.71%	11/4/05-5/24/05	608,609	557,956

- (1) These loans were entered into prior to the effective date of Section 402 of the Sarbanes-Oxley Act of 2002.
- (2) This loan was granted to Dr. Ambroseo on February 15, 1998. Ten percent of the original principal balance of this loan is forgiven each year, so long as Mr. Ambroseo is employed with the Company.

All promissory notes are full recourse and, except for \$40,000 of principal outstanding on the loans to Mr. Ambroseo, are secured by the shares of common stock of the Company issued upon exercise of the options. Interest on stock notes is compounded. Interest on Mr. Ambroseo's note on which \$40,000 of principal is outstanding is paid quarterly as a deduction from his Variable Compensation Plan.

Notwithstanding anything to the contrary set forth in any of our previous filings under the Securities Act of 1933, as amended, or the Exchange Act that might incorporate future filings, including this Proxy Statement, in whole or in part, the following reports and the Performance Graph included herein shall not be incorporated by reference into any such filings.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

Introduction

The Compensation Committee of the Board of Directors has overall responsibility for approving and evaluating our general compensation policies, as well as the compensation plans and specific compensation levels for executive officers. The Committee strives to ensure that our executive compensation programs will enable us to attract and retain key people and motivate them to achieve or exceed certain of our key objectives by making individual compensation directly dependent on our achievement of certain short and long-term business goals, such as profitability and asset management and by providing rewards for exceeding those goals.

Compensation Programs

Base Salary. The Committee establishes base salaries for executive officers, normally within ten percent of the average paid for comparable positions at other similarly sized companies as set forth in national and local compensation surveys. Base pay increases vary according to individual contributions to our success and comparisons to similar positions within the company and at other comparable companies.

Variable Compensation Plan. Each executive officer participates in the Variable Compensation Plan which provides for the payment of a quarterly amount determined by a formula based on pre-tax profits, revenues and asset management over pre-set threshold levels.

Stock Options. The Committee believes that stock options provide additional incentive to officers to work towards maximizing stockholder value. These options are provided through initial grants at or near the date of hire and through subsequent periodic grants. Options granted by us to our executive officers and other employees have exercise prices equal to the fair market value at the time of grant. Options vest and become exercisable at such time as determined by the Board. The initial option grant is designed to be competitive with those of comparable companies for the level of the job that the executive holds and is designed to motivate the officer to make the kind of decisions and implement strategies and programs that will contribute to an increase in our stock price over time. Periodic additional stock options within the comparable range for the job are granted to reflect the executives' ongoing contributions to us, to create an incentive to remain with us and to provide a long-term incentive to achieve or exceed our financial goals.

Other. In addition to the foregoing, officers participate in compensation plans available to all employees, such as a quarterly profit sharing plan and participation in both our 401(k) retirement plan and employee stock purchase plan. See Executive Compensation Other Employee Benefit Plans.

Compensation of Chief Executive Officer

The factors considered by the Compensation Committee in determining the compensation of the Chief Executive Officer, in addition to survey data, include our operating and financial performance, as well as his leadership and establishment and implementation of strategic direction for us.

The Compensation Committee considers stock options to be an important component of the Chief Executive Officer's compensation as a way to reward performance and motivate leadership for long-term growth and profitability. In fiscal 2004, Dr. Ambroseo was granted options to purchase 150,000 shares of our Common Stock at an exercise price of \$26.41 per share. The Compensation Committee believes that the quantity of shares granted to Dr. Ambroseo is consistent with the equity compensation granted to chief executive officers of similar companies.

Compensation Limitations

Edgar Filing: COHERENT INC - Form DEF 14A

Under Section 162(m) of the Internal Revenue Code, adopted in August 1993, and regulations adopted thereunder by the Internal Revenue Service, publicly held companies may be precluded from deducting certain compensation paid to an executive officer in excess of \$1.0 million in a year. The regulations exclude from this limit performance-based compensation and equity compensation provided certain requirements, such as stockholder approval, are satisfied. We plan to take actions, as necessary, to ensure that the Company's equity compensation plans and executive annual cash bonus plans qualify for exclusion.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee is responsible for overseeing our accounting and financial reporting processes and audits of our financial statements. As set forth in its charter, the Audit Committee acts only in an oversight capacity and relies on the work and assurances of both management, which has primary responsibilities for our financial statements and reports, as well as the independent auditors who are responsible for expressing an opinion on the conformity of our audited financial statements to generally accepted accounting principles.

The Audit Committee met eight (8) times either in person or by telephone during fiscal year 2004. In the course of these meetings, the Audit Committee met with management, the internal auditors and our independent auditors and reviewed the results of the internal and external audit examinations, evaluations of our internal controls and the overall quality of our financial reporting.

The Audit Committee believes that a candid, substantive and focused dialogue with the internal auditors and the independent auditors is fundamental to the Audit Committee's oversight responsibilities. To support this belief, the Audit Committee periodically meets separately with the internal auditors and the independent auditors, without management present. In the course of its discussions in these meetings, the Audit Committee asked a number of questions intended to bring to light any areas of potential concern related to our financial reporting and internal controls. These questions include:

Are there any significant accounting judgments, estimates or adjustments made by management in preparing the financial statements that would have been made differently had the auditors themselves prepared and been responsible for the financial statements?

Based on the auditors' experience, and their knowledge of our business, do our financial statements fairly present to investors, with clarity and completeness, our financial position and performance for the reporting period in accordance with generally accepted accounting principles and SEC disclosure requirements?

Based on the auditors' experience, and their knowledge of our business, have we implemented internal controls and internal audit procedures that are appropriate for our business?

The Audit Committee approved the engagement of Deloitte & Touche LLP as our independent auditors for fiscal year 2004 and reviewed with the internal auditors and independent auditors their respective overall audit scope and plans. In approving Deloitte & Touche LLP, the Audit Committee considered the qualifications of Deloitte & Touche LLP and discussed with Deloitte & Touche LLP their independence, including a review of the audit and non-audit services provided by them to us. The Audit Committee also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, and by the Sarbanes-Oxley Act of 2002, and it received and discussed with the independent auditors their written report required by Independence Standards Board Standard No. 1.

Management has reviewed the audited financial statements for fiscal year 2004 with the Audit Committee, including a discussion of the quality and acceptability of the financial reporting, the reasonableness of significant accounting judgments and estimates and the clarity of disclosures in

Edgar Filing: COHERENT INC - Form DEF 14A

the financial statements. In connection with this review and discussion, the Audit Committee asked a number of follow-up questions of management and the independent auditors to help give the Audit Committee comfort in connection with its review.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended October 2, 2004, for filing with the SEC.
