Item 1.01. Entry into a Material Definitive Agreement

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

On September 22, 2005, we entered into a \$21 million construction loan with GMAC Commercial Mortgage Bank in order to finance the expansion of one of our assisted living communities in Austin, Texas. The expansion involves the development of a 99-bed skilled nursing facility that will be integrated into the community. The loan is evidenced by a loan agreement and a promissory note, and is secured by a deed of trust on the community, each of which contains customary terms and provisions. The loan matures in September 2008, and we have two one-year extension options. The outstanding principal balance of the loan will bear interest at a variable rate equal to LIBOR plus 2.75%. We will be required to make monthly payments of interest only through the scheduled maturity date. If we exercise our extension options, we will also be required to make monthly principal payments (based upon a 25 year amortization schedule) during the extension period(s).

Item 7.01. Regulation FD Disclosure

On September 28, 2005, we issued a press release describing the foregoing transaction. A copy of the press release is furnished herewith as Exhibit 99.1.
