Introductory Note

Pursuant to Rule 13d-2 of the Securities Exchange Act of 1934, this Amendment No. 5 (“Amendment No. 5”), amends and restates certain Items of the Schedule 13D filed with the Securities and Exchange Commission (the “SEC”) on May 17, 2005 (the “Original 13D”), as amended by Amendment No. 1 to Schedule 13D filed on October 22, 2010 (“Amendment No. 1”), as further amended by Amendment No. 2 to Schedule 13D filed on December 2, 2010 (“Amendment No. 2”), as further amended by Amendment No. 3 to Schedule 13D filed on January 12, 2011 (“Amendment No. 3”), and as further amended by Amendment No. 4 to Schedule 13D filed on March 3, 2011 (“Amendment No. 4”, and, together with the Original 13D, Amendment No. 1, Amendment No. 2, and Amendment No. 3, the “Amended 13D”). This Amendment No. 5 relates to the Class A Common Stock, par value \$0.001 per share (the “Common Stock”), of Advanced Photonix, Inc., a Delaware corporation (the “Issuer”) beneficially owned by Steven L. Williamson (the “Reporting Person”), an individual, and is being filed to report the entry into a contract with respect to the securities of the Issuer. Capitalized terms used in this Amendment No. 5 but not otherwise defined herein have the meanings set forth in the Amended 13D.

Item 4. Purpose of Transaction.

Item 4 of the Amended 13D is hereby amended and restated in its entirety as follows:

All of the shares of Common Stock reported in this Schedule 13D as being beneficially owned by the Reporting Person are being held by the Reporting Person for investment purposes.

On the Effective Date and following the closing of the Merger, the Reporting Person beneficially owned 1,716,667 shares of Common Stock which represented approximately 10.67% of the shares of Common Stock then outstanding.

During the period from May 2, 2005 and ending on August 15, 2005, the Issuer issued additional shares of Common Stock to a syndicate of institutional investors in a series of private placements which diluted the Reporting Person’s percentage ownership of the Common Stock then outstanding from approximately 10.67% to 9.64%.

During the period from August 16, 2005 and ending on September 19, 2007, the Reporting Person’s aggregate beneficial ownership of shares of Common Stock increased from 1,716,667 to 1,902,167, an increase of 185,500 shares, as a result of the following transactions: (i) the vesting of 60,000 of the 100,000 shares of Common Stock underlying a stock option granted to the Reporting Person on May 2, 2005 (the “May 2005 Stock Option”), (ii) the acquisition of 23,000 shares of Common Stock on the open market and (iii) the acquisition from the Issuer in the Private Placement of 82,000 shares of Common Stock at a purchase price of \$1.83 per share and a stock purchase warrant entitling the Reporting Person to purchase up to 20,500 shares of Common Stock at a purchase price of \$1.85 per share (the “2007 Warrant”). Despite these transactions, during this period, the Reporting Person’s percentage ownership of the Issuer decreased from 9.64% to 8.53% due to the Issuer’s issuance of additional shares of Common Stock to a syndicate of institutional investors in a series of private placements.

Pursuant to the Third Amendment dated August 27, 2010 to that certain Loan Agreement dated September 25, 2008 by and between the Issuer and The PrivateBank and Trust Company (as amended from time to time, the “Loan Agreement”), the Issuer was required to negotiate amendments to both the Williamson Promissory Note and the secured promissory note in the amount of \$966,833 issued to Robin F. Risser in connection with the closing of the Merger (the “Risser Promissory Note” and, together with the Williamson Promissory Note, the “Promissory Notes”) to extend the repayment schedule of such Promissory Notes through December 1, 2010.

As previously disclosed in the Issuer's Form 10-Q for the Quarter ended October 1, 2010 that was filed with the SEC on November 15, 2010, on November 10, 2010, the Issuer reached a non-binding agreement in principle with the Reporting Person and Mr. Risser (collectively, the "Noteholders") to amend the terms of the Promissory Notes (the "Note Amendments"). Although certain terms of the Note Amendments conflicted with the Issuer's obligations under the Loan Agreement, The PrivateBank and Trust Company indicated at the time that it would accept the Note Amendments in fulfillment of the Amendment Undertaking and provide a written waiver confirming this understanding (the "Waiver").

On November 15, 2010, the Issuer and the Noteholders entered into a securities purchase agreement implementing their previously disclosed agreement in principle (the "SPA"). On November 29, 2010, the SPA was amended and restated in its entirety to reflect certain structural changes in the transaction as originally agreed upon by the parties to the SPA. As amended and restated, the SPA provided for the Issuer to issue and sell to the Noteholders in exchange for an aggregate payment of \$78,156.25 (the "Purchase Price") the number of units of the Issuer's securities ("Units") determined by dividing the Purchase Price by the per share closing price of the Issuer's Common Stock on NYSE MKT on the day preceding the closing (the "Formula Price"). Each Unit was to consist of one share of Common Stock and a five-year warrant to purchase four shares of Common Stock at an exercise price equal to 120% of the Formula Price. The closing of the purchase and sale transactions contemplated by the SPA was subject to the receipt of NYSE MKT approval of an additional listing application covering the Units (the "Note Amendments Additional Listing Application") and other closing conditions customary for transactions of this nature.

On November 30, 2010, NYSE MKT approved the Note Amendments Additional Listing Application and the parties to the SPA satisfied the other closing conditions. The Formula Price was determined to be \$1.17 and accordingly, the Issuer issued the Noteholders 66,799 Units comprised of 66,799 shares of Common Stock and warrants to purchase 267,196 shares of Common Stock at an exercise price of \$1.404 per share (the "2010 Warrants") upon the closing of the SPA on November 30, 2010. The Reporting Person's portion of the Purchase Price was \$52,104.19, and accordingly he received 44,533 Units comprised of (i) 44,533 shares of Common Stock and (ii) a 2010 Warrant to purchase 178,132 shares of Common Stock at an exercise price of \$1.404 per share pursuant to separately executed warrant agreement (the "Warrant Agreement").

During the period beginning on September 20, 2007 and ending on March 1, 2011, the Reporting Person's aggregate beneficial ownership of shares of Common Stock increased from 1,902,167 to 2,283,556, an increase of 381,389 shares, as a result of the following transactions: (i) the acquisition of 41,000 shares of Common Stock on the open market during the period commencing on February 14, 2008 and ending on March 20, 2008, (ii) the vesting of the remaining 40,000 of the 100,000 shares of Common Stock underlying the May 2005 Stock Option, (iii) the vesting of 37,500 of the 50,000 shares of Common Stock underlying a stock option granted to the Reporting Person on June 10, 2008 (the "June 2008 Stock Option"), (iv) the vesting of 40,000 shares of restricted Common Stock granted to the Reporting Person on June 15, 2009, (v) a 224 share increase in the number of shares of Common Stock issuable pursuant to the Warrant as a result of the application of the antidilution provisions contained within the 2007 Warrant and (vi) the acquisition from the Issuer in a private placement pursuant to the terms of the SPA of 44,533 shares of Common Stock at a purchase price of \$1.17 per share and a 2010 Warrant entitling the Reporting Person to purchase up to 178,132 shares of Common Stock at a purchase price of \$1.404 per share.

On January 6, 2011, the Issuer entered into an underwriting agreement (the "January Underwriting Agreement") with B. Riley & Co., LLC, (the "Underwriter") as sole underwriter for the offer and sale in a firm commitment underwritten public offering of 2,702,703 shares of the Issuer's Common Stock at a price to the public of \$1.48 per share (\$1.391 per share, net of underwriting discounts) (the "January Offering"). Pursuant to the January Underwriting Agreement, the Issuer also granted to the Underwriter a 30-day option to purchase up to an additional 405,405 shares of Common Stock to cover over-allotments, if any, at the same price, which the Underwriter exercised on January 10, 2011. The January Offering was expected to close on or about January 18, 2011, or such earlier date as the Underwriter and the Issuer agreed to, subject to the satisfaction of customary closing conditions including, but not limited to, NYSE MKT approval of the Issuer's additional listing application to list the Common Stock issued accordance with the January Underwriting Agreement on NYSE MKT (the "January Additional Listing Application"). On January 10, 2011, NYSE MKT approved the January Additional Listing Application and the January Offering closed on January 11, 2011, when the Issuer and Underwriter satisfied the other closing conditions. In connection with the January Offering, the Reporting Person entered into a lock-up agreement (the "January Lock-up Agreement") running in favor of the

Underwriter with regard to future sales of the Issuer's Common Stock and other securities exercisable or exchangeable for Common Stock for a period of 90 days after the date of the prospectus supplement pursuant to which the January Offering was made (the "January Underwriting Agreement Lock-Up Period"); provided, however, that the January Underwriting Agreement Lock-up Period may be extended under certain circumstances in accordance with the terms of the Reporting Person's lock-up agreement.

On February 25, 2011, the Issuer entered into an underwriting agreement (the “February Underwriting Agreement”) with the Underwriter as sole underwriter for the offer and sale in a firm commitment underwritten public offering of 1,200,000 shares of the Issuer’s Common Stock at a price to the public of \$1.97 per share (\$1.8518 per share, net of underwriting discounts) (the “February Offering”). The February Offering was expected to close on or about March 8, 2011, or such earlier date as the Underwriter and the Issuer agreed to, subject to the satisfaction of customary closing conditions including, but not limited to, NYSE MKT approval of the Issuer’s additional listing application to list the Common Stock issued accordance with the February Underwriting Agreement on NYSE MKT (the “February Additional Listing Application”). On March 1, 2011, NYSE MKT approved the February Additional Listing Application and the February Offering closed on March 2, 2011, when the Issuer and Underwriter satisfied the other closing conditions. In connection with the February Offering, the Reporting Person entered into a lock-up agreement (the “February Lock-up Agreement”) running in favor of the Underwriter with regard to future sales of the Issuer’s Common Stock and other securities exercisable or exchangeable for Common Stock for a period of 90 days after the date of the prospectus supplement pursuant to which the February Offering was made (the “February Underwriting Agreement Lock-Up Period”); provided, however, that the February Underwriting Agreement Lock-up Period may be extended under certain circumstances in accordance with the terms of the Reporting Person’s lock-up agreement. On the Closing Date of the February Offering, the February Lock-up Agreement superseded and replaced the January Lock-up Agreement.

During the period beginning on March 2, 2011 and ending on June 10, 2014, the Reporting Person’s aggregate beneficial ownership of shares of Common Stock increased from 2,283,556 to 2,347,700, an increase of 64,144 shares, as a result of the following transactions: (i) the vesting of the remaining 12,500 of the 50,000 shares of Common Stock underlying the June 2008 Stock Option, (ii) the grant and subsequent vesting of 47,368 shares of Common Stock underlying a stock option granted to the Reporting Person on June 27, 2011, (iii) the grant and subsequent vesting of 25,000 shares of Common Stock underlying a stock option granted to the Reporting Person on June 12, 2012, and (iv) the expiration of the 20,724 shares of Common Stock underlying the 2007 Warrant.

On May 30, 2014, the Issuer entered into an underwriting agreement (the “2014 Underwriting Agreement”) with the Underwriter as sole underwriter for the offer and sale in a firm commitment underwritten public offering of 5,391,304 shares of the Issuer’s Common Stock at a price to the public of \$0.530 per share (\$0.493 per share, net of underwriting discounts)(the “2014 Offering”). Pursuant to the 2014 Underwriting Agreement, the Issuer also granted to the Underwriter a 30-day option to purchase up to an additional 808,696 shares of Common Stock to cover over-allotments, if any, at the same price. The 2014 Offering was expected to close on or about June 6, 2014, subject to the satisfaction of customary closing conditions including, but not limited to, NYSE MKT approval of the Issuer’s additional listing application to list the Common Stock issued accordance with the 2014 Underwriting Agreement on NYSE MKT (the “2014 Additional Listing Application”). On June 5, 2014, NYSE MKT approved the 2014 Additional Listing Application and the 2014 Offering closed on June 6, 2014, when the Issuer and Underwriter satisfied the other closing conditions. In connection with the 2014 Offering, the Reporting Person entered into a lock-up agreement (the “2014 Lock-up Agreement”) running in favor of the Underwriter with regard to future sales of the Issuer’s Common Stock and other securities exercisable or exchangeable for Common Stock for a period of 90 days after the date of the prospectus supplement pursuant to which the 2014 Offering was made (the “2014 Underwriting Agreement Lock-Up Period”); provided, however, that the 2014 Underwriting Agreement Lock-up Period may be extended under certain circumstances in accordance with the terms of the Reporting Person’s lock-up agreement.

Except as described in this Item 4 or in Item 6 of this Schedule 13D, the Reporting Person does not presently have any plans or proposals which relate to or would result in: (a) the acquisition by any person of additional securities of the Issuer or the disposition of securities of the Issuer; (b) an extraordinary corporate transaction (such as a merger, reorganization or liquidation) involving the Issuer or any of its subsidiaries; (c) a sale or transfer of a material amount

of the assets of the Issuer or any of its subsidiaries; (d) any change in the present board of directors or management of the Issuer (including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board of the Issuer); (e) any material change in the present capitalization or dividend policy of the Issuer; (f) any material change in the business or corporate structure of the Issuer; (g) any changes in the charter or bylaws (or instruments corresponding thereto) of the Issuer or other actions which may impede the acquisition of control of the Issuer by any person; (h) causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (i) a class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or (j) any action similar to any of those enumerated in this paragraph.
