Expected  
 Egan-Jones Rating\*: BBB+

NMFC estimates that the net proceeds it will receive from the sale of \$100,000,000 aggregate principal amount of Notes in this offering will be approximately \$99.1 million (or approximately \$114.0 million if the underwriters fully exercise their overallotment option), after deducting the discounts, commissions and estimated expenses payable by NMFC.

Use of Proceeds: NMFC intends to use the net proceeds from this offering to repay outstanding indebtedness under the NMFC Credit Facility and then, to the extent any net proceeds remain, the Holdings Credit Facility. However, through re-borrowing under such credit facilities, NMFC intends to make new investments in accordance with its investment objective and strategies described in the Preliminary Prospectus and use available capital for other general corporate purposes, including working capital requirements. The Notes have no restrictions related to the type and security of assets in which NMFC might invest.

Adjustment to Conversion Rate Upon a Non-Stock Change of Control: The following table below sets forth the number of additional shares (as defined under “Description of the Notes—Adjustment to Conversion Rate Upon a Non-Stock Change of Control” in the Preliminary Prospectus) to be received per \$1,000 principal amount of Notes for each stock price and effective date set forth below:

The exact stock price and effective dates may not be set forth on the table, in which case, if the stock price is:

between two stock prices on the table or the effective date is between two dates on the table, the number of additional shares will be determined by straight-line interpolation between the number of additional shares set forth for the higher and lower stock price amounts and the two dates, as applicable, based on a 360-day year;

in excess of \$18.00 per share (subject to adjustment), no additional shares will be issued upon conversion; and

less than \$13.80 per share (subject to adjustment), no additional shares will be issued upon conversion.

Notwithstanding the foregoing, in no event will the total number of shares of common stock issuable upon conversion, exceed 72.4637 per \$1,000 principal amount of the Notes, subject to the same adjustments as the conversion rate as set forth above under “Description of the Notes — Conversion Rate Adjustments” in the Preliminary Prospectus. Additional shares deliverable as described in this section “Description of the Notes — Adjustment to Conversion Rate Upon a Non-Stock Change of Control” in the Preliminary Prospectus, will be delivered on the settlement date applicable to the relevant conversion.

\*Note: A securities rating is not a recommendation to buy, sell or hold securities and may be subject to revision or withdrawal at any time.
