Item 6. Indemnification of Directors and Officers

Section 145 of the General Corporation Law of the State of Delaware provides, in general, that a corporation incorporated under the laws of the State of Delaware, such as the registrant, may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding (other than a derivative action by or in the right of the corporation) by reason of the fact that such person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another enterprise, against expenses (including attorney's fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe such person's conduct was unlawful. In the case of a derivative action, a Delaware corporation may indemnify any such person against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery of the State of Delaware or any other court in which such action was brought determines such person is fairly and reasonable entitled to indemnity for such expenses.

Our certificate of incorporation provides that directors shall not be personally liable for monetary damages to our company or our stockholders for breach of fiduciary duty as a director, except for liability resulting from a breach of the director's duty of loyalty to our company or our stockholders, intentional misconduct or willful violation of law, actions or inactions not in good faith, an unlawful stock purchase or payment of a dividend under Delaware law, or transactions from which the director derives improper personal benefit. Such limitation of liability does not affect the availability of equitable remedies such as injunctive relief or rescission. Our certificate of incorporation also authorizes us to indemnify our officers, directors and other agents to the fullest extent permitted under Delaware law. Our bylaws provide that the registrant shall indemnify our officers, directors and employees. The rights to indemnity thereunder continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors, and administrators of the person. In addition, expenses incurred by a director or officer in defending any action, suit or proceeding by reason of the fact that he or she is or was a director or officer of our company shall be paid by the registrant unless such officer, director or employee is adjudged liable for negligence or misconduct in the performance of his or her duties.

This means that our certificate of incorporation provides that a director is not personally liable for monetary damages to us or our stockholders for breach of his or her fiduciary duties as a director. A director will be held liable for a breach of his or her duty of loyalty to us or our stockholders, his or her intentional misconduct or willful violation of law, actions or inactions not in good faith, an unlawful stock purchase or payment of a dividend under Delaware law, or transactions from which the director derives an improper personal benefit. This limitation of liability does not affect the availability of equitable remedies against the director including injunctive relief or rescission. Our certificate of incorporation authorizes us to indemnify our officers, directors and other agent to the fullest extent permitted under Delaware law. We have entered into indemnification agreements with all of our officers and directors. In some cases, the provisions of these indemnification

Edgar Filing: IMAGING TECHNOLOGIES CORP/CA - Form S-8

agreements may be broader than the specific indemnification provisions contained in our certificate of incorporation or otherwise permitted under Delaware law. Each indemnification agreement may require us to indemnify an officer or director against liabilities that may arise by reason of his status or service as an officer or director, or against liabilities arising from the director's willful misconduct of a culpable nature.

Item 7. Exemption from Registration Claimed

Not applicable.

Item 8. Exhibits

The Exhibits to this registration statement are listed in the index to Exhibits on page 9.

Item 9. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the securities Act 1933:

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement:

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; provided, however, that paragraph (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraph is contained in periodic reports filed by the Company pursuant to Section 13 or Section 15 (d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendments shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by mean of a post-effective amendment any of the securities being registered hereunder that remain unsold at the termination of the offering.

(b) The undersigned Company hereby undertakes that for purposes of determining any liability under the Securities Act of 1933, each filing of the company's annual report pursuant to Section 13 (a) or Section 15 (d) of the Securities and Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Company pursuant to the above-described provisions or otherwise, the Company

Edgar Filing: IMAGING TECHNOLOGIES CORP/CA - Form S-8

has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

5. It is the express intention of the parties that the Consultant is an independent contractor and not an employee or agent of the Company. Nothing in this agreement shall be interpreted or construed as creating or establishing the relationship of employer and employee between the Consultant and the Company. Both parties acknowledge that the Consultant is not an employee for state or federal tax purposes. The Consultant shall retain the right to perform services for others during the term of this agreement.
6. Neither this agreement nor any duties or obligations under this agreement may be assigned by the Consultant without the prior written consent of the Company.

Each party to this agreement acknowledges that no representations, inducements, promises, or agreements, orally or otherwise, have been made by any party, or anyone acting on behalf of any party, which are not embodied herein, and that no other agreement, statement, or promise not contained in this agreement shall be valid or binding. Any modification of this agreement will be effective only if it is in writing signed by the party to be charged.

10. This agreement will be governed by and construed in accordance with the laws of the State of California, without regard to its conflicts of laws provisions; and the parties agree that the proper venue for the resolution of any disputes hereunder shall be San Diego County, California.

Any items of Intellectual Property discovered or developed by the Consultant (or the Consultant's employees) during the term of this Agreement will be the property of the Consultant, subject to the irrevocable right and license of the Company to make, use or sell products and services derived from or incorporating any such Intellectual Property without payment of royalties. Such rights and license will be exclusive during the term of this Agreement, and any extensions or renewals of it. After termination of this Agreement, such rights and license will be nonexclusive, but will remain royalty-free.
