### **Item 1.01 Entry into a Material Definitive Agreement.**

On September 12, 2005, Axonyx Inc. (the Company) entered into a change of control agreement with Paul Feuerman, the Company's General Counsel. The agreement provides that if Mr. Feuerman's employment is terminated without cause, as defined in the agreement, within 90 days prior to, or one year following, a change of control, he will receive severance pay equal to 200% of his annual base salary for the then-current year, plus the greater of the annual bonus he received for the prior year or the then-current annual target bonus. Such payments are also required to be made in connection with a change of control if Mr. Feuerman has good reason to terminate his employment, as defined in the agreement. A change of control involves an acquisition of at least 50% of the voting power of the Company's securities, a change in at least a majority of the members of the current Board of Directors, or approval by the Board of Directors or stockholders of the Company of a transaction where such change of voting control or composition of the Board would occur, where the Company would be liquidated or where all or substantially all of its assets would be sold. The terms of Mr. Feuerman's agreement are similar to those in the change of control agreements the Company entered into with its current Chief Executive Officer and Chief Financial Officer in 2004.
